EXPLANATION

These subgrants are from the Federal Fiscal Year 2023 funds that New Hampshire receives annually from the U.S. Department of Justice, Office of Violence Against Women, Violence Against Women Act Grant (VAWA). The grant is targeted specifically at deterring crimes involving violence against women and aiding women who are victims of crime. Statutory requirements of the VAWA grant program are that agencies representing law enforcement will be allocated at least 25% of the award; prosecution offices will be allocated at least 25% of the award; and victim service providers will be allocated at least 30% of the award (with at least 10% of that to be distributed to culturally specific community-based services and 20% to sexual assault victims). Lastly, 5% of the funding must be allocated to the courts.

The subrecipients above have received previous VAWA awards from DOJ. All were selected previously through a Request for Proposal solicitation and now represent core services of a list of providers for the State of New Hampshire in the area of violence against women services. These awards will allow the funded organizations to continue providing the vital services upon which New Hampshire's citizens have come to rely.

Services and positions being supported through the awarding of these funds include, but are not limited to, specially trained domestic violence and sexual assault prosecutors at county attorney offices, victim advocate positions in police departments and in county attorney offices, staff positions for Domestic Violence Units in our largest police departments, culturally specific advocacy, and continued services to victims of domestic and sexual violence.

In the event that federal funds are no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

John M. Formella
Attorney General

EXHIBIT A

Special Conditions Grant # 15JOVW-23-GG-00589-STOP

5. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.
6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.
7. **Requirements of the award; remedies for non-compliance or for materially false statements**

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

8. **Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide**

The subrecipient agrees to comply with the Uniform Administrative Requirements; Cost Principles, and Audit Requirements in 2 C.F.R. 9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

18. Effect of failure to address audit issues

The subrecipient understands and agrees that the NHDOJ (and OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the NHDOJ) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

19. Potential imposition of additional requirements

The subrecipient agrees to comply with any additional requirements that may be imposed by the NHDOJ (and OJP or OVW, as appropriate) during the period of performance for this award, if the subrecipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

24. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition:

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the NHDOJ or (OJP or OVW, as appropriate) for guidance.

28. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

30. Availability of general terms and conditions on OVW website

The subrecipient agrees to follow the applicable set of general terms and conditions that are available at <https://www.justice.gov/ovw/award-conditions>. These do not supersede any specific conditions in this award document.

Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

EXHIBIT A

**Special Conditions
Grant # 15JOVW-23-GG-00589-STOP**

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

34. Misuse of award funds

The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

35. Limitation on use of funds to approved activities

The subrecipient agrees that grant funds will be used only for the purposes described in the subrecipient's application, unless the NHDOJ Grants Management Unit determines that any of these activities are out of scope or unallowable. The subrecipient must not undertake any work or activities that are not described in the subrecipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval by the NHDOJ.

36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

38. Activities that compromise victim safety and recovery or undermine offender accountability

The subrecipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;

procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

EXHIBIT A

Special Conditions Grant # 15JOVW-23-GG-00589-STOP

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work

**Special Conditions
Grant # 15JOVW-23-GG-00589-STOP**

developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

- (3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and
- (4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.
50. Due to significant limitations and regulatory differences set forth by Violence Against Women Act Reauthorization Act of 2022, P.L. 117-103, funding received from federal fiscal year 2023 STOP Violence Against Women Act formula grant, and federal fiscal years thereafter, must not be commingled with STOP Violence Against Women Act funding from the 2022 federal fiscal funding or preceding federal fiscal years.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3) <http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The New Hampshire Judicial Branch, by and through the Administrative Office of the Courts (Subrecipient) certifies that any funds awarded through **grant number 2024VAW03** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The New Hampshire Judicial Branch, by and through the Administrative Office of the Courts (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

Under section 40002(b)(2) of the Violence Against Women Act, as amended (42 U.S.C. 13925(b)(2)), grantees and subgrantees with funding from the Office on Violence Against Women (OVW) are required to meet the following terms with regard to nondisclosure of confidential or private information and to document their compliance. By signature on this form, applicants for grants from OVW are acknowledging that that they have notice that, if awarded funds, they will be required to comply with this provision, and will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

- (i) disclose, reveal, or release any personally identifying information or individual information collected in connection with services requested, utilized, or denied through grantees' and subgrantees' programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected; or
- (ii) disclose, reveal, or release individual client information without the informed, written, reasonably time-limited consent of the person (or in the case of an unemancipated minor, the minor and the parent or guardian or in the case of legal incapacity, a court-appointed guardian) about whom information is sought, whether for this program or any other Federal, State, tribal, or territorial grant program, except that consent for release may not be given by the abuser of the minor, incapacitated person, or the abuser of the other parent of the minor.

EXHIBIT H

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

(C) Release

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

- (i) grantees and subgrantees shall make reasonable attempts to provide notice to victims affected by the disclosure of information; and
- (ii) grantees and subgrantees shall take steps necessary to protect the privacy and safety of the persons affected by the release of the information.

(D) Information sharing

(i) Grantees and subgrantees may share—

- (II) court-generated information and law enforcement-generated information contained in secure, governmental registries for protection order enforcement purposes; and
- (III) law enforcement-generated and prosecution-generated information necessary for law enforcement and prosecution purposes.

(ii) In no circumstances may—

- (I) an adult, youth, or child victim of domestic violence, dating violence, sexual assault, or stalking be required to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee;
- (II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. All disclosures shall protect confidentiality and omit personally identifying information, including location information about individuals.

(G) Confidentiality assessment and assurances

Grantees and subgrantees must document their compliance with the confidentiality and privacy provisions required under this section.

EXHIBIT H

5. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.
6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

7. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

8. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The subrecipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. 9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. 18. Effect of failure to address audit issues

procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

5. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.

Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

24. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition:

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient--

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the NHDOJ or (OJP or OVW, as appropriate) for guidance.

EXHIBIT A

Special Conditions Grant # 15JOVW-23-GG-00589-STOP

subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

35. Limitation on use of funds to approved activities

The subrecipient agrees that grant funds will be used only for the purposes described in the subrecipient's application, unless the NHDOJ Grants Management Unit determines that any of these activities are out of scope or unallowable. The subrecipient must not undertake any work or activities that are not described in the subrecipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval by the NHDOJ.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Manchester Police Department (Subrecipient) certifies that any funds awarded through grant number 2024VAW15 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Manchester Police Department (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

29. Requirement to disclose whether recipient is designated high risk by a federal grant-making agency outside of DOJ.

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. 36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

**Special Conditions
Grant # 15JOVW-23-GG-00589-STOP**

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

24. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition:

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance, and may not proceed without the express prior written approval of NHDOJ.

26. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

27. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant. The subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the NHDOJ or (OJP or OVW, as appropriate) for guidance.

28. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

29. Requirement to disclose whether recipient is designated high risk by a federal grant-making agency outside of DOJ.

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to

EXHIBIT A

Special Conditions Grant # 15JOVW-23-GG-00589-STOP

OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

30. Availability of general terms and conditions on OVW website

The subrecipient agrees to follow the applicable set of general terms and conditions that are available at <https://www.justice.gov/ovw/award-conditions>. These do not supersede any specific conditions in this award document.

The program solicitation, Companion Guide, and any program specific FAQs are hereby incorporated by reference into this award.

33. VAWA 2013 nondiscrimination condition

The subrecipient acknowledges that 34 U.S.C. § 12291(b)(13) prohibits subrecipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to

EXHIBIT A

**Special Conditions/
Grant # 15JOVW-23-GG-00589-STOP**

ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

34. Misuse of award funds

The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

35. Limitation on use of funds to approved activities

The subrecipient agrees that grant funds will be used only for the purposes described in the subrecipient's application, unless the NHDOJ Grants Management Unit determines that any of these activities are out of scope or unallowable. The subrecipient must not undertake any work or activities that are not described in the subrecipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval by the NHDOJ.

36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faq-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

38. Activities that compromise victim safety and recovery or undermine offender accountability

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal

EXHIBIT A

**Special Conditions
Grant # 15JOVW-23-GG-00589-STOP**

entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

EXHIBIT A

**Special Conditions
Grant # 15JOVW-23-GG-00589-STOP**

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

(2) any training program conducted in satisfaction of the requirement of paragraph (1) has been or will be developed with input from and in collaboration with a state, local, territorial, or tribal domestic violence, dating violence, sexual assault, or stalking victim service provider or coalition, as well as appropriate state, local, territorial, and tribal law enforcement officials;

(3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and

(4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

50. Due to significant limitations and regulatory differences set forth by Violence Against Women Act Reauthorization Act of 2022, P.L. 117-103, funding received from federal fiscal year 2023 STOP Violence Against Women Act formula grant, and federal fiscal years thereafter, must not be commingled with STOP Violence Against Women Act funding from the 2022 federal fiscal funding or preceding federal fiscal years.

-NON-SUPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Office of the Merrimack County Attorney (Subrecipient) certifies that any funds awarded through grant number 2024VAW08 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Office of the Merrimack County Attorney (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

23. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination – 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

24. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

25. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition:

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance, and may not proceed without the express prior written approval of NHDOJ.

27. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient--
 - a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

28. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant. 30. Requirement to disclose whether recipient is designated high risk by a federal grant-making agency outside of DOJ.

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

The subrecipient acknowledges that 34 U.S.C. § 12291(b)(13) prohibits subrecipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

35. Misuse of award funds

The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

36. Limitation on use of funds to approved activities

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faq-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

39. Activities that compromise victim safety and recovery or undermine offender accountability

The subrecipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

40. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor.

The Director of OVW or the NHDJOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

EXHIBIT A

- SPECIAL PROVISIONS -

42. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

43. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

44. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

46. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

47. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

48. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

- (3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and
- (4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

50. Due to significant limitations and regulatory differences set forth by Violence Against Women Act Reauthorization Act of 2022, P.L. 117-103, funding received from federal fiscal year 2023 STOP Violence Against Women Act formula grant, and federal fiscal years thereafter, must not be commingled with STOP Violence Against Women Act funding from the 2022 federal fiscal funding or preceding federal fiscal years.

- NON-SUPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum; official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Nashua Police Department (Subrecipient) certifies that any funds awarded through grant number **2024VAW11** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Nashua Police Department (Subrecipient) understands that supplanting violations may result in a range of penalties, including, but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

Under section 40002(b)(2) of the Violence Against Women Act, as amended (42 U.S.C. 13925(b)(2)), grantees and subgrantees with funding from the Office on Violence Against Women (OVW) are required to meet the following terms with regard to nondisclosure of confidential or private information and to document their compliance. By signature on this form, applicants for grants from OVW are acknowledging that they have notice that, if awarded funds, they will be required to comply with this provision, and will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure.

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

(i) disclose, reveal, or release any personally identifying information or individual information collected in connection with services requested, utilized, or denied through grantees' and subgrantees' programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected; or

(ii) disclose, reveal, or release individual client information without the informed, written, reasonably time-limited consent of the person (or in the case of an unemancipated minor, the minor and the parent or guardian or in the case of legal incapacity, a court-appointed guardian) about whom information is sought, whether for this program or any other Federal, State, tribal, or territorial grant program, except that consent for release may not be given by the abuser of the minor, incapacitated person, or the abuser of the other parent of the minor.

EXHIBIT H

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

(C) Release

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

- (i) grantees and subgrantees shall make reasonable attempts to provide notice to victims affected by the disclosure of information; and

(D) Information sharing

- (II) court-generated information and law enforcement-generated information contained in secure, governmental registries for protection order enforcement purposes; and
- (III) law enforcement-generated and prosecution-generated information necessary for law enforcement and prosecution purposes.

(ii) In no circumstances may—

- (I) an adult, youth, or child victim of domestic violence, dating violence, sexual assault, or stalking be required to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee;
- (II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. All disclosures shall protect confidentiality and omit personally identifying information, including location information about individuals.

may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

24. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition:

General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance, and may not proceed without the express prior written approval of NHDOJ.

25. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

27. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant. The subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

29. Requirement to disclose whether recipient is designated high risk by a federal grant-making agency outside of DOJ.

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding

Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Office of the Coos County Attorney (Subrecipient) certifies that any funds awarded through grant number **2024VAW06** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Office of the Coos County Attorney (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

- 9.4. On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.

In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.
11. EVENT OF DEFAULT: REMEDIES.

 - 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and
 - 11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.
- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
- 12.3. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

5. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.
6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

7. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

The subrecipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Stafford County Attorney's Office (Subrecipient) certifies that any funds awarded through grant number 2024VAW09 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Stafford County Attorney's Office (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

Acknowledgement of Notice of Statutory Requirement to Comply with the Confidentiality and Privacy Provisions of the Violence Against Women Act, as Amended

Under section 40002(b)(2) of the Violence Against Women Act, as amended (42 U.S.C. 13925(b)(2)), grantees and subgrantees with funding from the Office on Violence Against Women (OVW) are required to meet the following terms with regard to nondisclosure of confidential or private information and to document their compliance. By signature on this form, applicants for grants from OVW are acknowledging that that they have notice that, if awarded funds, they will be required to comply with this provision, and will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

(i) disclose, reveal, or release any personally identifying information or individual information collected in connection with services requested, utilized, or denied through grantees' and subgrantees' programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected; or

(ii) disclose, reveal, or release individual client information without the informed, written, reasonably time-limited consent of the person (or in the case of an unemancipated minor, the minor and the parent or guardian or in the case of legal incapacity, a court-appointed guardian) about whom information is sought, whether for this program or any other Federal, State, tribal, or territorial grant program, except that consent for release may not be given by the abuser of the minor, incapacitated person, or the abuser of the other parent of the minor.

EXHIBIT H

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

(C) Release

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

- (i) grantees and subgrantees shall make reasonable attempts to provide notice to victims affected by the disclosure of information; and
- (ii) grantees and subgrantees shall take steps necessary to protect the privacy and safety of the persons affected by the release of the information.

(D) Information sharing

(i) Grantees and subgrantees may share—

(II) court-generated information and law enforcement-generated information contained in secure, governmental registries for protection order enforcement purposes; and

(III) law enforcement-generated and prosecution-generated information necessary for law enforcement and prosecution purposes.

(ii) In no circumstances may—

(I) an adult, youth, or child victim of domestic violence, dating violence, sexual assault, or stalking be required to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee;

(II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. All disclosures shall protect confidentiality and omit personally identifying information, including location information about individuals.

(G) Confidentiality assessment and assurances

Grantees and subgrantees must document their compliance with the confidentiality and privacy provisions required under this section.

EXHIBIT H

As the duly authorized representative of the applicant, I hereby acknowledge that the applicant has received notice of that if awarded funding they will comply with the above statutory requirements. - 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

(10) If the Subrecipient applies for and receives an award from the Office of Community Oriented Policing Services (COPS Office), I assure that as required by 34 U.S.C. § 10382(c)(11), it will, to the extent practicable and consistent with applicable law--including, but not limited to, the Indian Self-Determination and Education Assistance Act--seek, recruit, and hire qualified members of racial and ethnic minority groups and qualified women in order to further effective law enforcement by increasing their ranks within the sworn positions, as provided under 34 U.S.C. § 10382(c)(11).

(11) If the Subrecipient applies for and receives a DOJ award under the STOP School Violence Act program, I assure as required by 34 U.S.C. § 10552(a)(3), that it will maintain and report such data, records, and information (programmatic and financial) as DOJ may reasonably require.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The 603 Legal Aid (Subrecipient) certifies that any funds awarded through **grant number 2024VAW20** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The 603 Legal Aid (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of 603 Legal Aid (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended and the related notes to the financial statements for the year then ended.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of 603 Legal Aid as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The financial statements of 603 Legal Aid as of December 31, 2021 were audited by other auditors whose report dated June 30, 2022, expresses an unmodified opinion on these financial statements.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 603 Legal Aid and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 603 Legal Aid's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 603 Legal Aid's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 603 Legal Aid's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

The financial statements of 603 Legal Aid as of December 31, 2021 were audited by other auditors whose report dated June 30, 2022, expressed an unmodified opinion on those statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The additional schedules on pages 19 and 20 are presented for purposes of additional analysis and are not a required part of the financial statements. Additionally, the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. 603 LEGAL AID

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

603 Legal Aid, formally Legal Advice and Referral Center, (the Organization) was organized as a nonprofit organization under Section 501(c)(3) of the Internal Revenue Code. The Organization is a non-profit corporation organized for the purpose of providing civil legal assistance to persons financially unable to afford legal assistance in the State of New Hampshire.

The accounting policies of the Organization conform to accounting principles generally accepted in the United States of America as applicable to nonprofit organizations and the Accounting Guide for LSC Recipients, except as indicated hereafter. The following is a summary of significant accounting policies.

Merger

During May 2021, a merger agreement was executed between New Hampshire Pro Bono Referral System, a New Hampshire nonprofit corporation, and Legal Advice and Referral Center, the surviving nonprofit corporation. Consideration paid and received as a result of this merger was commensurate with the cash settlement value of outstanding receivables and payables of the New Hampshire Pro Bono Referral System as of the date of the merger, approximately \$23,331 and \$9,307 respectively. As a result, no gain or loss on the merger, or goodwill or other intangible asset, was recognized. Concurrent to the merger the name of the merged corporation was amended to "603 Legal Aid".

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

Financial statement presentation follows the recommendations of the Accounting Standards Codification (ASC) for financial statements of not-for-profit organizations. Under the ASC, the Organization is required to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Includes net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of management and the Board of Directors.

603 LEGAL AID

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Net assets with donor restrictions: Includes net assets subject to donor or certain grantor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When these restrictions expire, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

As of December 31, 2022 and 2021 the Organization had net assets with donor restrictions of \$344,998 and \$375,586, respectively (See Note 6).

Revenue Recognition

The Organization recognizes grant and contract revenues from Legal Services Corporation (LSC) as conditions related to such funds are met. Funds remaining at year end for which conditions have not yet been met are reported as an advance from grantor liability. The advance of LSC assets are subject to the provisions of LSC's Fund Balance Regulation. LSC may, at its discretion, request reimbursement for expenses, the return of funds, or both as a result of noncompliance by the Organization with the terms of the grant or contract. If the Organization terminates its legal assistance activities, all unexpended funds are to be returned to the funding sources. Furthermore, when LSC funds are used to acquire capital assets, the donor restriction expires as depreciation expense is recognized on those assets, with the undepreciated balance reported as net assets with donor restrictions.

The Organization also has revenue derived from cost-reimbursable federal and state contracts and grants, which are conditional upon certain performance requirements and/or incurrence of allowable qualifying expenses. Amounts received are recognized as donor restricted revenue. Amounts are reclassified to support without donor restrictions as expenditures are incurred in compliance with the specific contract or grant provisions. Amounts not yet received but already awarded are recorded as grants and contracts receivable.

603 LEGAL AID

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Contributions

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Donor restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Unconditional pledges and grants are recorded as made. These amounts are recorded at the present value of the estimated fair value. Conditional pledges and grants are recognized only when the conditions on which they depend are substantially met and the pledges become unconditional. All contributions and grants receivable are considered current and expected to be received within one year.

Contributed Goods and Services

Donated facilities, supplies, equipment, and staff support are recorded as "In-kind" contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Donated services recognized as revenues and expenses in the statement of activities for the years ended December 31, 2022 and 2021 totaled \$338,041, and \$112,060, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Cash and cash equivalents, grants receivable, accounts payable and other liabilities are carried in the financial statements at amounts which approximate fair value due to the inherently short-term nature of the transactions. The fair values determined for financial instruments are estimates, which for certain accounts may differ significantly from the amounts that could be realized upon immediate liquidation.

Cash and Cash Equivalents

For the purpose of the statement of cash flows, cash and cash equivalents is comprised of cash, including cash on hand, and other highly liquid investments with an original maturity of 90 days or less.

603 LEGAL AID

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Property and Equipment

Property and equipment are recorded at cost for purchased items and at fair value for donated items and are summarized as follows at December 31:

	<u>2022</u>	<u>2021</u>
Furniture	\$ 8,254	\$ 5,102
Equipment	<u>66,771</u>	<u>75,024</u>
	75,025	80,126
Less accumulated depreciation	<u>68,697</u>	<u>71,645</u>
Furniture and equipment, net	<u>\$ 6,328</u>	<u>\$ 8,481</u>

Depreciation is computed using the straight-line method over estimated, three to ten-year lives. The Organization's capitalization policy is to capitalize assets with a useful life greater than 1 year and a cost greater than \$5,000. Repair and maintenance costs are expensed when incurred.

All property and equipment acquired by the Organization was purchased using LSC funds. The Organization owns those assets; however, LSC has a reversionary interest in those assets purchased with its funds.

Depreciation expense was \$2,153 and \$1,028 for the years ended December 31, 2022 and 2021, respectively.

Accrued Vacation

During the year ended December 31, 2022, the Organization implemented a new policy that allows employees to retain earned time off for the future. The Organization has accrued a liability for future annual leave time that its employees have earned and vested with the employees in the amount of \$24,605 at December 31, 2022. For the year ended December 31, 2021, no such policy existed and employees could not carry forward earned compensated leave time.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function.

603 LEGAL AID

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Accordingly, certain indirect costs have been allocated among the programs and supporting services benefited, based primarily on percentage allocations calculated based on hours worked (time and effort). The expenses that are allocated include payroll taxes, employee benefits, space and occupancy, office supplies and expenses, communications, library maintenance, and insurance, which are all allocated on the basis of time and effort, as noted previously.

Income Taxes

The Organization is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is also exempt from State of New Hampshire income taxes and, therefore, has made no provision for Federal or State income taxes. In addition, the Organization has been determined by the Internal Revenue Service not to be a "Private Foundation" within the meaning of Section 509(a) of the Code. The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. FASB Accounting Standards Codification Topic 740 entitled Accounting for Income Taxes requires the Organization to report uncertain tax positions for financial reporting purposes. The Organization had no uncertain tax positions as of December 31, 2022 and, accordingly does not have any unrecognized tax benefits that need to be recognized or disclosed in the financial statements.

New Accounting Pronouncement

In September 2020, the FASB issued Accounting Standards Update (ASU) No. 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, intended to improve transparency in the reporting of contributed nonfinancial assets, also known as gifts-in-kind, for not-for-profit organizations. Examples of contributed nonfinancial assets include fixed assets such as land, buildings, and equipment; the use of fixed assets or utilities; material and supplies, such as food or clothing; intangible assets; and recognized contributed services. The ASU requires a not-for-profit organization to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. It also requires certain disclosures for each category of contributed nonfinancial assets recognized. The amendments in this ASU should be applied on a retrospective basis and are effective for annual reporting periods beginning after June 15, 2021. The Organization adopted the provisions of ASU 2020-07 during the year ended December 31, 2022.

603 LEGAL AID

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, Leases (Topic 842), to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the statement of financial position and disclosing key information about leasing arrangements for lessees and lessors. The standard applies a right of use model that requires, all leases with a lease term of more than 12 months, to recognize an asset representing its right to use the underlying asset for the lease term and liability to make lease payments to be recorded. The adoption of ASU 2016-02 resulted in the recognition of an operating right of use assets of \$275,568 and operating lease liabilities of \$275,568 as of December 31, 2021 and right of use assets of \$186,861 and operating lease liabilities of \$186,987 at December 31, 2022. The adoption of ASU 2016-02 did not have a material impact on the Organization's results of operations and cash flows.

Summarized Comparative Totals

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Excess LSC funds are maintained in FDIC insured checking or money market accounts.

The following table reflects the Organization's financial assets as of December 31, 2022 and 2021, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of donor and other restrictions or internal board designations.

Financial assets available for general expenditure, reduced by donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of Federal Awards (the Schedule) includes the federal award activity of 603 Legal Aid under programs of the federal government for the year ended December 31, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of 603 Legal Aid, it is not intended to and does not present the financial position, changes in net assets, or cash flows of 603 Legal Aid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 INDIRECT COST RATE

603 Legal Aid has elected not to use the ten percent de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE 4 SUBRECIPIENTS

603 Legal Aid had no subrecipients for the year ended December 31, 2022.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
603 Legal Aid

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of 603 Legal Aid (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 27, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered 603 Legal Aid's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of 603 Legal Aid's internal control. Accordingly, we do not express an opinion on the effectiveness of 603 Legal Aid's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as item 2022-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether 603 Legal Aid's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
603 Legal Aid

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited 603 Legal Aid's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and in the Legal Services Corporation *Compliance Supplement for Audits of LSC Recipients*, that could have a direct and material effect on each of 603 Legal Aid's major federal programs for the year ended December 31, 2022. 603 Legal Aid's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, 603 Legal Aid complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of 603 Legal Aid and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of 603 Legal Aid's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to 603 Legal Aid's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on 603 Legal Aid's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about 603 Legal Aid's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding 603 Legal Aid's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of 603 Legal Aid's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of 603 Legal Aid's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as items 2022-002 and 2022-003. Our opinion on each major federal program is not modified with respect to these matters.

Government Auditing Standards requires the auditor to perform limited procedures on 603 Legal Aid's response to the noncompliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. 603 Legal Aid's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

B. FINDINGS – FINANCIAL STATEMENTS AUDIT

2022-001

Significant Deficiency

Condition: The Executive Director (ED) receives an email from Checkmate when the payroll is completed (or finalized) that includes a link to the final payroll register and other reports. It is at this point that the ED would log in to Checkmate and review the final report against what was approved. There was no indication that this was ever done. It was not part of the documented procedures that were communicated by Squaretail to in-house accounting during training, nor did the ED ever give any indication that they performed this step.

Criteria or specific requirement: It is crucial for the Executive Director to review the final payroll register and document this review to ensure not only that it is taking place, but it is being done timely.

Cause: The payroll processes changed several times during the year under audit.

Effect: Failure to review the final payroll report each pay period against the initially approved submission documents increases the risk that the information submitted does not align with the source documents, such as timesheets.

Questioned costs: No questioned costs were identified.

Recommendation: In order to provide greater control over payroll, we suggest that management review the final Checkmate payroll report for each payroll period prior to the pay date. We also suggest that documentation of the review of these reports be made on the reports and be maintained.

Technology Improvement Grant (19043) (ALN# 09.130010)

Technology Improvement Grant (GT-TG21T-00007) (ALN# 09.130010)

Condition: Cases were accepted with over income and/or over assets with no waivers or offsetting expenses present; Client Agreement and Referral Form (CARF) was sent to client and never returned, yet case was placed with Pro Bono attorney; Client was over income but had unreimbursed medical expenses and due to the listed expenses not being captured in the adjustments, the case was considered not income eligible, but should have been eligible; Applicant withdrew from process before records were provided, leading to no services being provided regardless.

Criteria or specific requirement: Client reported income levels must be within the maximum income levels or offset appropriately with listed expenses. Assets must not exceed applicable ceilings. Retainer agreements must be obtained, if necessary, based on level and type of services provided.

Cause: Lack of oversight by management.

Effect: Copy of needed waivers, expense listing, and / or CARF was not present in the client files.

Questioned costs: No questioned costs were identified.

Recommendation: A procedure be implemented to ensure that the Organization remains in compliance and does an internal review to ensure all required documentation is in the client files.

Findings

2022-001

Planned Corrective Action: We agree with the need for a management confirmation that the final payroll report reconciles to what was approved during the initial payroll process when hours are submitted to Checkmate and a preliminary payroll 'prep' register is generated. We have added this step into our Payroll Procedures Checklist. The Executive or Deputy Director will access and review the final Checkmate register once notification is received that the payroll is finalized. The notification of review by management will be sent to accounting who will maintain in the relevant pay period folder.

Responsible Person: Donna Dudley

Date of Completion: Implemented in August, 2023

2022-002

Planned Corrective Action: Every year the Organization complies with an in-depth compliance review for LSC in which at least 75 cases that were closed in the previous grant year are randomly selected using an LSC designated randomization process. Those cases are then individually reviewed for 13 LSC designated errors, in a process called Self Inspection. The resulting information is collected and reported to LSC as part of Ongoing Compliance Oversight. Finally, the Organization must submit a Self-Inspection Certification and Summary Form which lists the number of cases where errors were identified. This process allows the organization to identify trends and make adjustments to protocols and training on an annual basis.

The Organization has put in place all necessary protocols to ensure compliance with LSC regulations regarding assessing and documenting client eligibility. Ongoing training and oversight will be provided to intake staff and caseworkers throughout the year to ensure compliance.

Responsible Person: Emma Sisti

Date of Completion: December 31, 2023

2022-003

Planned Corrective Action: Management has just recently begun the creation of both individual grant calendars as well as a shared master grants calendar. These are Outlook based and shared with project staff responsible for submitting the various reports. A new protocol is being developed which requires the responsible employee for each reporting deadline to add those dates to their personal calendars and to either update the shared Outlook calendar with submission dates or notify the organizational Grants Manager (currently the staff accountant) when each report is submitted. The Grants Manager will be responsible for oversight of grant reporting deadlines.

603 LEGAL AID

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS FOR THE YEAR ENDED DECEMBER 31, 2022

Finding #2021-001 – Property and Inventory

Condition: A reconciliation between the physical inventory and the accounting records is not performed. Additionally, through examination of the inventory records it was noted that certain required information fields were not completed for each item listed.

Recommendation: It is recommended that the inventory system be evaluated to incorporate a reconciliation process between the results of the physical inventory and the information contained within the accounting system. Additionally, we recommend that management review the Legal Services Corporation property management manual to ensure that all required data fields are completed during the inventory process.

Current Status: Corrective action has been taken to address this item satisfactorily.

Finding #2021-002 - Program Income

Condition: 603 Legal Aid receives support from an outside organization toward their call center activities. The call center activities are also supported by LSC funds. While total expenses incurred exceeded the amount of additional support and LSC funding received, indicating that 100% of funding was expended, a proportionate share of the income was not allocated and reported as part of the LSC program.

Recommendation: It is recommended that income received be evaluated to determine if it is generated as a result of activities supported in whole or in part by LSC funds (program income) to determine if the income is derived from activities already supported through LSC resources. In the event that income is determined to be program income, it is recommended that a share of the income be allocated to the LSC program in proportion to the support provided through the use of LSC funds in generating the income.

Current Status: Corrective action has been taken to address this item satisfactorily.

Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. 33. VAWA 2013 nondiscrimination condition

The subrecipient acknowledges that 34 U.S.C. § 12291(b)(13) prohibits subrecipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

34. Misuse of award funds

The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

35. Limitation on use of funds to approved activities

The subrecipient agrees that grant funds will be used only for the purposes described in the subrecipient's application, unless the NHDOJ Grants Management Unit determines that any of these activities are out of scope or unallowable. The subrecipient must not undertake any work or activities that are not described in the subrecipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval by the NHDOJ.

36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

38. Activities that compromise victim safety and recovery or undermine offender accountability

The subrecipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is

reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. <http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Under section 40002(b)(2) of the Violence Against Women Act, as amended (42 U.S.C. 13925(b)(2)), grantees and subgrantees with funding from the Office on Violence Against Women (OVW) are required to meet the following terms with regard to nondisclosure of confidential or private information and to document their compliance. By signature on this form, applicants for grants from OVW are acknowledging that they have notice that, if awarded funds, they will be required to comply with this provision, and will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

- (i) disclose, reveal, or release any personally identifying information or individual information collected in connection with services requested, utilized, or denied through grantees' and subgrantees' programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected; or
- (ii) disclose, reveal, or release individual client information without the informed, written, reasonably time-limited consent of the person (or in the case of an unemancipated minor, the minor and the parent or guardian or in the case of legal incapacity, a court-appointed guardian) about whom information is sought, whether for this program or any other Federal, State, tribal, or territorial grant program, except that consent for release may not be given by the abuser of the minor, incapacitated person, or the abuser of the other parent of the minor.

Initials: VOA
Date: 11/17/23

EXHIBIT H

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

(C) Release

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

- (i) grantees and subgrantees shall make reasonable attempts to provide notice to victims affected by the disclosure of information; and
- (ii) grantees and subgrantees shall take steps necessary to protect the privacy and safety of the persons affected by the release of the information.

(D) Information sharing

(i) Grantees and subgrantees may share—

- (II) court-generated information and law enforcement-generated information contained in secure, governmental registries for protection order enforcement purposes; and
- (III) law enforcement-generated and prosecution-generated information necessary for law enforcement and prosecution purposes.

(ii) In no circumstances may—

- (I) an adult, youth, or child victim of domestic violence, dating violence, sexual assault, or stalking be required to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee;
- (II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. All disclosures shall protect confidentiality and omit personally identifying information, including location information about individuals.

(G) Confidentiality assessment and assurances

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Bridges: Domestic and Sexual Violence
Support Services

Opinion

We have audited the financial statements of Bridges: Domestic and Sexual Violence Support Services, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Bridges: Domestic and Sexual Violence Support Services as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bridges: Domestic and Sexual Violence Support Services and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Merrimack, New Hampshire
Andover, Massachusetts
Greenfield, Massachusetts
Ellsworth, Maine

800.282.2440 | melansoncpas.com

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bridges: Domestic and Sexual Violence Support Services' ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bridges: Domestic and Sexual Violence Support Services' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bridges: Domestic and Sexual Violence Support Services' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Bridges: Domestic and Sexual Violence Support Services' fiscal year 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 18, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to Financial Statements
For the Year Ended June 30, 2022

1. Organization

Bridges: Domestic and Sexual Violence Support Services (the Organization) is a New Hampshire nonprofit, voluntary health and welfare agency, which provides crisis support, shelter services, and public educational programs in the Greater Nashua area. Programs include:

- **Direct Services** - Direct services are provided to victims/survivors of domestic and/or sexual violence. Direct services include crisis advocacy and referrals to community partners, therapists, legal services, housing, medical services, and others. Crisis advocacy is provided twenty-four hours a day by telephone, in person at the Organization's offices, or at courts, police stations, hospitals, child advocacy centers, or other safe public locations. Court, police, and medical advocacy includes providing support with the restraining order process, the criminal process, divorce and custody processes, victims' compensation applications to help in obtaining legal assistance, and education about domestic and sexual violence and issues that victims/survivors face. The Organization provides peer-facilitated support groups for domestic violence, sexual assault, and child support groups for domestic violence.
- **Shelter Services** - Shelter services provide safe, emergency housing in a confidential location for up to four families. In addition to crisis advocacy services, there are also support groups specific to shelter clients, goal planning, assistance with obtaining services for women and their children in regards to medical, educational, and legal services, risk assessment and safety planning, and financial and transportation assistance when needed. The Organization also provides transitional housing to women and children who have been affected by domestic violence and are ineligible for other transitional housing programs in the area.
- **Educational Services** - Educational services are provided to schools, community organizations, and civic organizations. School-based programs include bullying, sexual harassment, teen dating violence, sexual assault, and healthy relationships. Community and civic education and outreach programs include the above, as well as domestic violence and domestic violence in the workplace. All education and outreach programs are provided free of charge.
- **Family Violence Specialist Program** - The Family Violence Specialist Program enables a staff person to work at both Bridges and the Division for Children, Youth, and Families' (DCYF's) Nashua district office. The Family Violence Specialist (FVS) works with families, referred to child protection, with domestic and sexual violence issues. The FVS also provides support to DCYF caseworkers, for approximately twenty hours per week, on the issues of domestic violence and sexual abuse. This includes case consultation and intervention, along with educational presentations on the issue of domestic violence.

2. Summary of Significant Accounting Policies

The following is a summary of significant accounting policies used in preparing and presenting the accompanying financial statements.

Basis of Financial Statement Presentation

The financial statements of the Organization have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America (GAAP).

Change in Accounting Principle

ASU 2020-07, Contributed Nonfinancial Assets

In fiscal year 2022, the Organization retrospectively adopted Accounting Standards Update (ASU) 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The new guidance requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the Statement of Activities, apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. Adoption of this standard did not have a significant impact on the financial statements, with the exception of increased disclosure.

Comparative Financial Information

The accompanying financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the audited financial statements for the year ended June 30, 2021, from which the summarized information was derived.

Cash and Cash Equivalents

All cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, are considered to be cash and cash equivalents. Cash and highly liquid financial instruments invested for long-term purposes, including endowments that are perpetual in nature, are excluded from this definition.

Grants Receivable

Grants receivable, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Amounts recorded as grants receivable represent cost-reimbursable contracts and grants, which the incurrence of allowable qualifying expenses and/or the performance of certain requirements have been met or performed. The allowance for uncollectible grants receivable is based on historical experience and a review of subsequent collections. Management has determined that no allowance is necessary.

Contributions Receivable

Unconditional contributions that are expected to be collected within one year are recorded at net realizable value. Unconditional contributions that are expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the Statement of Activities. The allowance for uncollectable contributions is based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Contributions are written off when deemed uncollectable.

Investments

Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the Statement of Financial Position. Net investment income (loss) is reported in the Statement of Activities and consists of interest and dividend income, realized and unrealized gains and losses, less external investment expenses. Investments include equity securities of public companies, which are carried at fair value based on quoted market prices.

Property and Equipment

Property and equipment additions over \$2,500 are recorded at cost, if purchased, and at fair value at the date of donation, if donated. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from 5 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation is removed, and any resulting gain or loss is included in the Statement of Activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed.

The carrying values of property and equipment are reviewed for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment in fiscal year 2022 or 2021.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions

Net assets available for use in general operations and not subject to donor (or certain grantor) imposed restrictions. The Board has designated from net assets without donor restriction, net assets for a facilities and equipment reserve.

Net Assets With Donor Restrictions

Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity while permitting the Organization to expend the income generated by the assets in accordance with the provisions of additional donor-imposed stipulations or a Board approved spending policy. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Organization recognizes revenue from contributions and grants that were initially conditional, which became unconditional with restrictions during the reporting period, and for which those restrictions were met during the reporting period, as net assets without donor restrictions.

Revenue and Revenue Recognition

A portion of the Organization's revenue is derived from cost-reimbursable contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the Statement of Financial Position.

The Organization recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and have a right of return – are not recognized until the conditions on which they depend have been met.

Special events revenue is comprised of an exchange element based on the direct benefit donors receive and a contribution element for the difference. Special events revenue is recognized equal to the fair value of direct benefits to donors when the special event takes place. The contribution element of special event revenue is recognized immediately, unless there is a right of return if the special event does not take place. Upon receipt of a repayment for a special event, the Organization recognizes a contract liability in the amount of the exchange element for its obligation to transfer the good or services in the future.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by GAAP. GAAP allows recognition of contributed services only if (a) the services create or enhance nonfinancial assets or (b) the services would have been purchased if not provided by contribution, require specialized skills, and are provided by individuals possessing those skills. Donated professional services are recorded at the respective fair values of the services received. Contributed goods are recorded at fair value at the date of donation and as expenses when

placed in service or distributed. Donated use of facilities is reported as a contribution and as an expense at the estimated fair value of similar space for rent under similar conditions. If the use of the space is promised unconditionally for a period greater than one year, the amount is reported as a contribution and an unconditional promise to give at the date of the gift, and the expense is reported over the term of use.

Advertising Costs

Advertising costs are expensed as incurred and are reported in the Statement of Activities and Statement of Functional Expenses.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the Statement of Activities. The Statement of Functional Expenses presents the natural classification detail of expenses by function. Certain categories of expenses are attributed to more than one program or supporting function. Accordingly, certain costs have been allocated among the programs and supporting services benefited on a reasonable basis that is consistently applied. Expenses that are allocated include information technology, occupancy, depreciation, insurance, telephone, mortgage interest, which are allocated based on FTEs, and certain administrative salaries and related benefits, that are allocated based on estimates of time and effort.

Income Taxes

The Organization has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Internal Revenue Code (IRC) Section 501(a) as an organization described in IRC Section 501(c)(3), qualifies for charitable contribution deductions, and has been determined not to be a private foundation. The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Financial Instruments and Credit Risk

Deposit concentration risk is managed by placing cash with financial institutions believed to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market funds. To date, no losses have been experienced in any of these accounts. Credit risk associated with receivables is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members, organizations, and individuals supportive of the Organization's mission. Investment performance is monitored by the Board. Although the fair values of investments are subject to

fluctuation on a year-to-year basis, the Board believes that the investment policies and guidelines are prudent for the long-term welfare of the Organization.

Fair Value Measurements and Disclosures

Certain assets and liabilities are reported at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that are accessible at the measurement date.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.
- Level 3 - Unobservable inputs for the asset or liability. In these situations, inputs are developed using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety at the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset or liability within the hierarchy is based upon the pricing transparency of the asset or liability and does not necessarily correspond to the assessment of the quality, risk, or liquidity profile of the asset or liability.

New Accounting Standards to be Adopted in the Future

Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-02, *Leases*. The ASU requires all leases with lease terms more than 12 months to be capitalized as a right of use asset and lease liability on the Statement of Financial Position at the date of lease commencement. Leases will be classified as either finance leases or operating leases. This distinction will be relevant for the pattern of expense recognition in the Statement of Activities.

This ASU will be effective for the Organization for the year ending June 30, 2023. The Organization is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

3. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the date of the Statement of Financial Position, were comprised of the following at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Financial assets at year end:		
Cash and cash equivalents	\$ 931,293	\$ 658,183
Grants and contributions receivable	243,100	345,542
Investments	<u>308,421</u>	<u>351,518</u>
Total financial assets	1,482,814	1,355,243
Less amounts not available to be used within one year:		
Receivables in excess of one year	3,600	3,604
Board-designated reserves	80,000	-
Perpetual endowment	<u>173,830</u>	<u>173,580</u>
	<u>257,430</u>	<u>177,184</u>
Financial assets available to meet general expenditures over the next year	\$ <u>1,225,384</u>	\$ <u>1,178,059</u>

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. In addition to financial assets available to meet general expenditures over the next year, the Organization anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

4. Contributions Receivable

The carrying amount of contributions receivable due in more than one year is based on the discounted net present value of the expected future cash receipts, and approximates fair value. Contributions receivable consist of unconditional promises to give and were expected to be collected as follows at June 30, 2022 and 2021:

	2022			2021		
	Receivable	Allowance and Discount	Net	Receivable	Allowance and Discount	Net
Within one year	\$ 51,157	\$ (8,000)	\$ 43,157	\$ 128,408	\$ (8,000)	\$ 120,408
One to five years	3,773	(173)	3,600	12,263	(8,659)	3,604
Total	<u>\$ 54,930</u>	<u>\$ (8,173)</u>	<u>\$ 46,757</u>	<u>\$ 140,671</u>	<u>\$ (16,659)</u>	<u>\$ 124,012</u>

5. Investments

Investments, measured at fair value on a recurring basis and categorized in the fair value hierarchy as Level 1, consisted of the following at June 30, 2022 and 2021:

	2022	2021
Money market funds	\$ 1,787	\$ 666
Equity funds	260,550	299,196
Bond funds	46,084	51,656
Total	<u>\$ 308,421</u>	<u>\$ 351,518</u>

Unrealized gains (losses) recognized during fiscal years 2022 and 2021 on equity securities totaled \$(71,385) and \$79,143, respectively.

6. Endowment

Donor restricted net assets at June 30, 2022 and 2021, include an endowment fund established in 2012 to support the Organization's Milford location, which provides support services including crisis intervention and advocacy, emergency shelter, and transitional housing to survivors of domestic violence, sexual assault, child abuse, sexual harassment, and stalking, as well as preventative educational services through its outreach program in the Souhegan Valley and surrounding area. Contributions to the endowment fund are subject to donor restrictions that stipulate the original principal of the gift is to be held and invested by the Organization indefinitely and income from the fund is to be used for the Milford location.

The Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as perpetual endowment (1) the original value of the gifts donated to the endowment, (2) the original value of subsequent gifts to the endowment, and (3) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument. The remaining portion of the donor-restricted endowment is available to be appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

The Organization has adopted investment policies for endowment assets that attempt to subject the fund to medium investment risk, with the objective of growth and income to support its Milford location. The Organization seeks to build endowment assets through additional contributions. The current policy does not allow the Organization's endowment fund to grow as a result of investment returns. The Organization generally allows the endowment fund's investment income to be reinvested until cash flow is needed to support the Milford location. This is consistent with the Organization's objectives to preserve and increase the principal value of the endowment fund through new gifts, while providing a dependable stream of income for the Milford location.

The composition of endowment net assets and the changes in endowment net assets for fiscal years 2022 and 2021, were as follows:

<u>Year ended June 30</u>	<u>2022</u>	<u>2021</u>
Endowment net assets, beginning of year	\$ 173,580	\$ 173,555
Contributions	<u>250</u>	<u>25</u>
Endowment net assets, end of year	<u>\$ 173,830</u>	<u>\$ 173,580</u>

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). The Organization has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. At June 30, 2022 and 2021, there were no underwater funds reported.

7. Property and Equipment

Property and equipment was comprised of the following at June 30, 2022 and 2021:

2024	294
Less imputed interest	<u>(161)</u>
Total	\$ <u>3,661</u>

The leased asset is included in office equipment at a cost of \$14,700. Accumulated depreciation through June 30, 2022 and 2021, totaled \$8,760 and \$5,880, respectively.

10. Contract Liabilities

Upon receipt of a prepayment for a customer, the Organization recognizes a contract liability in the amount of the prepayment for its performance obligation to provide services or transfer goods in the future. At June 30, 2022, the Organization recorded contract liabilities of \$12,468 relating to golf tournament registrations for which the golf tournament is to occur in the subsequent fiscal year.

11. Net Assets

Net Assets Without Donor Restrictions

Net assets without donor restrictions include board-designated net assets, which may be accessed only with prior approval of the Board. Board designated net assets at June 30, 2022 and 2021 totaled \$80,000 and \$0, respectively, and were designated for a facilities and equipment reserve.

Net Assets With Donor Restrictions

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by the passage of time.

12. Grants

The Organization has been awarded cost-reimbursable grants of \$276,455 that have not been recognized at June 30, 2022 because qualifying expenditures have not yet been incurred. No amounts have been received in advance, and accordingly no amounts are reported in the Statement of Financial Position as a refundable advance.

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount of expenditures which may be disallowed by the grantor cannot be determined at this time, although the Organization expects such amounts, if any, to be immaterial.

13. In-Kind Contributions

The Organization received contributed nonfinancial assets in the amounts of \$29,273 and \$22,112 for the years ended June 30, 2022 and 2021, respectively. These contributed nonfinancial assets related to auction items for the Gala, were utilized in fundraising functions, and had no associated donor restrictions. Auction items were valued at the estimated U.S. wholesale prices of identical or similar products using pricing data under a "like-kind" methodology considering the goods and conditions and utility for use at the time of contribution.

Certain donated services have not been recognized in the accompanying Statement of Activities because the criteria for recognition of such volunteer effort have not been satisfied. The Organization estimates the value of these donated services for the years ended June 30, 2022 and 2021 to be \$31,903 and \$119,876, respectively.

14. Concentration of Risk

A material part of the Organization's revenues is dependent upon government sources, the loss of which would have a materially adverse effect on the Organization. Two funding sources accounted for approximately 37% and 33% of the Organization's total funding for the years ended June 30, 2022 and 2021, respectively.

15. Commitments and Contingencies

COVID-19

The COVID-19 outbreak in the United States of America has resulted in economic uncertainties. The disruption is expected to be temporary, but there is considerable uncertainty around the duration and scope. The extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on those served, funders, employees, and vendors all of which are

uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Organization's financial condition or results of operations remains uncertain.

16. Subsequent Events

Subsequent events have been evaluated through January 26, 2023, the date the financial statements were available to be issued.

**Bridges: Domestic & Sexual Violence Support
Culturally Competent Provision of
Domestic and Sexual Violence Support Services, Education, and
Outreach**

The staff, board of directors and volunteers of Bridges recognizes that cultural competency in the provision of domestic and sexual violence services, education and outreach is necessary to meet the needs of the changing demographics in our catchment area.

Becoming culturally competent involves a process of behavioral change whereby communication with, respect for, and capacity to reach diverse individuals and their families/support systems. These populations are all shaped by a variety of histories, culture, languages, religions, economic conditions, social and gender roles, sexual and gender orientations and help-seeking practices and beliefs.

Bridges strives to be a culturally competent domestic and sexual violence service provider, by exhibiting the following characteristics:

- Knowledge of New Hampshire's changing cultural demographics and familiarity with the incidence of domestic and sexual violence within these populations.
- Awareness of the institutional, language, community, cultural and provider barriers that individuals face in seeking domestic and sexual violence services in New Hampshire.
- Understand that the nature of domestic and sexual violence compounds barriers to seeking support services and being receptive to education and outreach.
- Seek information on how culture impacts a client's likelihood to seek support services.

Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. 36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faq-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is

reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The New Hampshire Legal Assistance (Subrecipient) certifies that any funds awarded through grant number **2024VAW17** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The New Hampshire Legal Assistance (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

U.S. Department of Justice
Office on Violence Against Women

Acknowledgement of Notice of Statutory Requirement to Comply with the Confidentiality and Privacy Provisions of the Violence Against Women Act, as Amended

Under section 40002(b)(2) of the Violence Against Women Act, as amended (42 U.S.C. 13925(b)(2)), grantees and subgrantees with funding from the Office on Violence Against Women (OVW) are required to meet the following terms with regard to nondisclosure of confidential or private information and to document their compliance. By signature on this form, applicants for grants from OVW are acknowledging that that they have notice that, if awarded funds, they will be required to comply with this provision, and will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

(i) disclose, reveal, or release any personally identifying information or individual information collected in connection with services requested, utilized, or denied through grantees' and subgrantees' programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected; or

(ii) disclose, reveal, or release individual client information without the informed, written, reasonably time-limited consent of the person (or in the case of an unemancipated minor, the minor and the parent or guardian or in the case of legal incapacity, a court-appointed guardian) about whom information is sought, whether for this program or any other Federal, State, tribal, or territorial grant program, except that consent for release may not be given by the abuser of the minor, incapacitated person, or the abuser of the other parent of the minor.

EXHIBIT H

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

(C) Release

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

- (i) grantees and subgrantees shall make reasonable attempts to provide notice to victims affected by the disclosure of information; and
- (ii) grantees and subgrantees shall take steps necessary to protect the privacy and safety of the persons affected by the release of the information.

(D) Information sharing

(i) Grantees and subgrantees may share—

- (I) nonpersonally identifying data in the aggregate regarding services to their clients and nonpersonally identifying demographic information in order to comply with Federal, State, tribal, or territorial reporting, evaluation, or data collection requirements;
- (II) court-generated information and law enforcement-generated information contained in secure, governmental registries for protection order enforcement purposes; and
- (III) law enforcement-generated and prosecution-generated information necessary for law enforcement and prosecution purposes.

(ii) In no circumstances may—

- (I) an adult, youth, or child victim of domestic violence, dating violence, sexual assault, or stalking be required to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee;
- (II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. All disclosures shall protect confidentiality and omit personally identifying information, including location information about individuals.

(G) Confidentiality assessment and assurances

Grantees and subgrantees must document their compliance with the confidentiality and privacy provisions required under this section.

EXHIBIT H

As the duly authorized representative of the applicant, I hereby acknowledge that the applicant has received notice of that if awarded funding they will comply with the above statutory requirements. This acknowledgement shall be treated as a material representation of fact upon which the Department of Justice will rely if it determines to award the covered transaction, grant, or cooperative agreement.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of New Hampshire Legal Assistance, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of New Hampshire Legal Assistance, Inc. as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Hampshire Legal Assistance, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New Hampshire Legal Assistance, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Hampshire Legal Assistance, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Hampshire Legal Assistance, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying combining statements of financial position and activities are presented for purposes of additional analysis and are not a required part of the financial statements. NEW HAMPSHIRE LEGAL ASSISTANCE, INC.
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2022 and 2021

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

New Hampshire Legal Assistance, Inc. (NHLA) is a non-profit organization incorporated in 1971. NHLA provides civil legal aid, working alongside clients who have low income and need help with legal problems impacting basic human needs. Services range from basic legal information, to personalized legal advice, to representation in all of New Hampshire's courts and before many local, state, and federal administrative agencies. NHLA offers the following program services.

Domestic Violence Advocacy Project

The Domestic Violence Advocacy Project (DVAP) provides holistic civil legal services to victims and survivors of domestic violence, stalking, human trafficking, and sexual assault. DVAP advocates primarily represent victims and survivors seeking protective orders and related family law relief (such as divorce and parenting rights).

Housing Justice Project and Other Housing Work

The Housing Justice Project (HJP) focuses on preventing homelessness by working alongside clients to preserve their housing or access to safe and affordable housing options. The HJP handles evictions and other cases involving Section 8 vouchers and federally assisted housing, property taxes, mobile home parks, and dangerous housing conditions (such as childhood lead poisoning). Through the Fair Housing Project, NHLA investigates complaints of housing discrimination and represents people who are victims of housing discrimination. NHLA works with homeowners facing foreclosure and property tax delinquency. The Energy and Utility Justice Project represents clients with issues related to utility disconnections and arrears and problems accessing assistance programs such as the Electric Assistance Program, the Weatherization Assistance Program, the Fuel Assistance Program, and energy efficiency programs.

Benefits Project

The Benefits Project helps individuals with disabilities obtain Social Security Disability Insurance (SSDI), Supplemental Security Income (SSI), and Aid to the Permanently and Totally Disabled (APTD) benefits and access quality health care through the Medicaid and Medicare programs. Benefits Project advocates also represent individuals and families with other assistance programs, such as the Supplemental Nutrition Assistance Program (SNAP, formerly the Food Stamp Program), various cash benefits programs, unemployment insurance, and municipal welfare programs.

Justice in Aging Project

NHLA provides legal services to older adults (persons age 60 or older) through the Justice in Aging Project (JIA Project, formerly known as the Senior Law Project). JIA Project advocates assist older adults with a variety of civil legal problems including illegal and abusive debt collection practices, financial exploitation, long-term care resident rights, public and private housing problems, and denial of government benefits and health care.

For the Years Ended December 31, 2022 and 2021

Youth Law Project

NHLA's Youth Law Project (YLP) serves children and adolescents who are at risk of involvement with the juvenile legal system and need civil legal help to access services necessary to graduate from high school. YLP advocates work primarily on special education and school discipline issues.

Immigrant Justice Project

The Immigrant Justice Project (IJP) provides immigration legal services. IJP advocates focus on cases in which a person is eligible for asylum or other humanitarian immigration relief, as well as cases involving relief for victims of crime, including children. Through our Removal Defense Project, the IJP has a special emphasis on working with clients who are facing removal and detained by Immigration and Customs Enforcement.

Accounting Policies

The accounting policies of New Hampshire Legal Assistance, Inc. (the 'Entity'), conform to accounting principles generally accepted in the United States of America as applicable to nonprofit entities except as indicated hereafter. The following is a summary of significant accounting policies.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Basis of Presentation

The financial statements have been prepared in accordance with the reporting pronouncements pertaining to Not-for-Profit Entities included within the FASB Accounting Standards Codification. The Entity is required to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor or certain grantor restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve.

Net Assets With Donor Restrictions – Net assets subject to donor or certain grantor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Recognition of Donor Restrictions

Contributions are recognized when the donor makes a promise to give to the Entity that is, in substance, unconditional. The Entity reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions, depending on the

NEW HAMPSHIRE LEGAL ASSISTANCE, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
For the Years Ended December 31, 2022 and 2021

nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and other cash accounts with a maturity of 90 days or less. For purposes of the Statements of Cash Flows, cash and cash equivalents consist of the following:

	<u>2022</u>	<u>2021</u>
As presented on the Statements of Financial Position -		
Cash and equivalents	\$ 1,785,771	\$ 1,536,814
Cash, restricted	<u>15,001</u>	<u>13,531</u>
	<u>\$ 1,800,772</u>	<u>\$ 1,550,345</u>

Investments

Investments, which consist of brokered certificates of deposit, are reported at their fair values in the statements of financial position. Net investment return/(loss) is reported in the statements of activities and consists of interest income, and unrealized gains and losses, less external and direct internal investment expenses.

Contributions Receivable

Unconditional promises to give (pledges) are recorded as received and are considered available for use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions, for either time or purpose. Unconditional promises to give due in the next year are reflected as current promises to give and are recorded as their fair value. Unconditional promises to give due in subsequent years are reflected as long-term promises to give and are recorded at the present value. Conditional pledges are recognized only when the conditions on which they depend are substantially met and the pledges become unconditional.

Contributions receivable at December 31, 2021 are current and expected to be collected within one year. Contributions-receivable at December 31, 2022 are expected to be collected as follows:

Year Ended <u>December 31,</u>	
2023	\$ 40,650
2024	<u>5,000</u>
	<u>\$ 45,650</u>

Bad Debts

The Entity uses the reserve method for accounting for bad debts. It is the Entity's policy to charge off uncollectible receivables when management determines the receivable will not be collected. Contributions receivable at December 31, 2022 and 2021 are recorded net of an allowance for uncollectible pledges of \$1,750.

Expenditures for repairs and maintenance are expensed when incurred and betterments with a useful life in excess of three years are capitalized.

Depreciation expense for the years ending December 31, 2022 and 2021 was \$34,314 and \$44,099, respectively.

Deposits Held for Others

Deposits held for others consist of funds that are held for the express purpose of third-party individuals and organizations and are therefore not available to support the Entity's own programs.

Leases

The Entity leases office space (operating lease) in various locations across the State of New Hampshire. The determination of whether an arrangement is a lease is made at the lease's inception. Under ASC 842, a contract is (or contains) a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from use of the asset and the right to direct the use of the asset. Management only reassesses its determination if the terms and conditions of the contract are changed.

Operating leases are included in operating lease right-of-use (ROU) assets, other current liabilities, and an operating lease liability on the balance sheet.

ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments. Operating lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of the future minimum lease payments over the lease term. The operating leases did not provide an implicit interest rate, therefore the Entity uses their incremental borrowing rate based on the information available at the lease commencement date in determining the present value of lease payments. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term.

Revenue and Revenue Recognition

The Entity recognizes contributions when cash is received. Special events, donations, and other income are recorded as revenues as received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

The Entity also has revenue derived from cost-reimbursable federal and state contracts and grants, which are conditional upon certain performance requirements and/or incurrence of allowable qualifying expenses. Amounts received are recognized as revenue without donor restrictions when the Entity has incurred expenditures in compliance with the specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statements of financial position. Due to fixed price contracts, at any time the Entity may receive amounts in advance of qualifying expenditures, in which case, the amount is recorded as a refundable advance liability.

Case Revenue

The Entity receives a regular stream of case revenue from fees in Social Security and SSI disability cases. These fee awards must be approved by the Social Security Administration Administrative Law Judge. From time to time the Entity also receives larger attorney fee awards in individual and class action cases. These class action fee awards are episodic, and it is not possible to predict in advance their amounts or the dates they will be received. Accordingly, case revenue is recognized when cash is received.

Donated Services

The Entity receives donated professional services from a variety of part-time volunteers and interns in the form of administrative assistance, as well as paralegal and legal services. The estimated fair value of these donations is recorded as revenue and expenses in the statements of activities.

Fund Raising Activities

Fund raising expenses represent the allocated costs of the Campaign for Legal Services (See Note 15). Distributions of campaign donations to the Entity's campaign partner agency have been included as fundraising expense because the Entity has an agreement to distribute these funds. These are not typical, out-of-pocket operating expenses of the Entity.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Accordingly, indirect costs have been allocated among the programs and supporting services benefited, based primarily on percentage allocations calculated based on hours worked (time and effort). The expenses that are allocated include payroll taxes, employee benefits, occupancy, office supplies and expenses, postage, equipment rental and maintenance, communications, professional library, insurance, dues and fees, contract services, travel, and depreciation, which are allocated on the basis of time and effort, as noted previously.

Income Taxes

The Entity is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is also exempt from State of New Hampshire income taxes and, therefore, has made no provision for Federal or State income taxes. In addition, the Entity has been determined by the Internal Revenue Service not to be a "Private Foundation" within the meaning of Section 509(a) of the Code. The Entity is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. FASB Accounting Standards Codification Topic 740 entitled *Accounting for Income Taxes* requires the Entity to report uncertain tax positions for financial reporting purposes. The Entity had no uncertain tax positions as of December 31, 2022 or 2021 and, accordingly does not have any unrecognized tax benefits that need to be recognized or disclosed in the financial statements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Cash and equivalents, accounts receivable, accounts payable, and accrued expenses are carried in the financial statements at amounts which approximate fair value due to the inherently short-term nature of the transactions. The fair values determined for financial instruments are estimates, which for certain accounts may differ significantly from the amounts that could be realized upon immediate liquidation.

Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets.

NOTE 2--ADOPTION OF ACCOUNTING STANDARDS

In February 2016, the Financial Accounting Standards Board (FASB) issued guidance (Accounting Standards Codification [ASC] 842, *Leases*) to increase transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

The Entity adopted the standard effective January 1, 2022, and recognized and measured leases existing at, or entered into after, January 1, 2022 (the beginning of the period of adoption) through a cumulative effect adjustment, with certain practical expedients available. Lease disclosures for the year ended December 31, 2021, are made under prior lease guidance in FASB ASC 840.

NEW HAMPSHIRE LEGAL ASSISTANCE, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
For the Years Ended December 31, 2022 and 2021

As a result of the adoption of the new lease standard, the Entity recognized operating right-of-use assets and a lease liability of \$887,739. The lease liability represents the present value of the remaining lease payments discounted using the Entity's incremental borrowing rate of 3.75%. There was no cumulative effect adjustment to the opening balance of net assets required.

NOTE 3--LIQUIDITY AND AVAILABILITY

The Entity regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. Financial assets in excess of daily cash requirements are invested in brokered certificates of deposit.

The following table reflects the Entity's financial assets as of December 31, 2022 and 2021, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of donor and other restrictions or internal board designations. Amounts not available include the board designated operating reserve. In the event the need arises to utilize the board designated reserve funds for liquidity purposes, the reserves could be drawn upon through board resolution. The Entity has a \$500,000 line of credit available to meet cash flow needs if needed.

Financial assets available for general expenditure, reduced by donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

The Entity maintains bank deposits at financial institutions with local branches located in New Hampshire. The Entity's cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to a total of \$250,000 for all cash checking and sweep accounts. The Entity has entered into agreements with the financial institutions to move funds in excess of FDIC limits into insured cash sweep accounts. Funds held in the insured cash sweep accounts are placed into FDIC insured deposit accounts with other financial institutions throughout the United States. As of December 31, 2022 and 2021, the Entity's bank deposits were fully insured.

Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. The Entity reports under the Fair Value Measurements pronouncements of the FASB Accounting Standards Codification (FASB ASC 820-10), which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below.

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Entity has the ability to access at the measurement date.

Level 2 – Inputs to the valuation include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in markets that are not active;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to our assessment of the quality, risk, or liquidity profile of the asset or liability.

A significant portion of the Entity's investments is in brokered certificates of deposit. The brokered certificates of deposit are valued by the custodians of the securities using pricing models based on credit quality, time to maturity, stated interest rates, and market-rate assumptions, and are classified within Level 2.

The following tables set forth by level, within the fair value hierarchy, the Entity's assets measured at fair value on a recurring basis, as of December 31, 2022 and 2021:

New Hampshire Legal Assistance, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of New Hampshire Legal Assistance, Inc. (a nonprofit organization), which comprise New Hampshire Legal Assistance, Inc.'s statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 29, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered New Hampshire Legal Assistance, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of New Hampshire Legal Assistance, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of New Hampshire Legal Assistance, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether New Hampshire Legal Assistance, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

Independent Auditor's Report

To the Board of Directors
New Hampshire Legal Assistance, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited New Hampshire Legal Assistance, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of New Hampshire Legal Assistance, Inc.'s major federal programs for the year ended December 31, 2022. New Hampshire Legal Assistance, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, New Hampshire Legal Assistance, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion of Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of New Hampshire Legal Assistance, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of New Hampshire Legal Assistance, Inc.'s compliance with compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to New Hampshire Legal Assistance, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on New Hampshire Legal Assistance, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore it is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about New Hampshire Legal Assistance, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding New Hampshire Legal Assistance, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of New Hampshire Legal Assistance, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of New Hampshire Legal Assistance, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal

control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. <http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
YWCA New Hampshire
Manchester, New Hampshire

Opinion

We have audited the accompanying financial statements of YWCA New Hampshire (the "Association") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of June 30, 2022, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Board of Directors
YWCA New Hampshire

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

To the Board of Directors
YWCA New Hampshire

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Association's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated February 9, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

YWCA NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

Note 1. NATURE OF ACTIVITIES

YWCA New Hampshire (the "Association"), is a state-wide New Hampshire non-profit organization. It is a member of YWCA USA, with whom it shares the mission of eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all. This mission is met locally through the delivery of social service programs, as well as programs that enrich the general community. The Association's services include: youth and community services and programming, victim services, which include 24-hour crisis services, an emergency shelter, support groups and criminal and civil court advocacy. The Association's major sources of revenue are foundation and grant income.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies

The Association prepares its financial statements in accordance with generally accepted accounting principles promulgated in the United States of America (U.S. GAAP) for not-for-profit entities. The significant accounting and reporting policies used by the Association are described subsequently to enhance the usefulness and understandability of the financial statements.

Net assets

The financial statements report net assets and changes in net assets that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

Net assets without donor restrictions – Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting from the nature of the Association, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions – Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; the Association must continue to use the resources in accordance with the donor's restrictions.

YWCA NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

The Association considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. Cash allocated to the investment portfolio as part of the Allocation's investment strategy is reported as investments.

Grants receivable and revenue

Grants receivable are recognized when the qualifying costs are incurred for cost-reimbursement grants or contracts, or when a unit of service is provided for performance grants. Grant revenue from federal agencies is subject to review by grantor agencies. The review could result in the disallowance of expenditures under the terms of the grants, or reductions of future grant awards. Based on prior experience, the Association's management believes that costs ultimately disallowed, if any, would not materially affect the financial position of the Association. For the years ended June 30, 2022, 2021, and 2020, grants receivable was \$186,621, \$221,783, and \$140,971, respectively.

Investments

The Association accounts for investments in accordance with U.S. GAAP. U.S. GAAP requires that investments with readily determinable values and all investments in debt securities are stated at their fair value in the statement of financial position. Investments, which consist of marketable equity, mutual funds and money market accounts, are carried at market value and are classified as long-term assets since it is the Association's intent to hold these securities for more than one year. All realized and unrealized gains and losses are included in the changes in net assets in the accompanying statement of activities. Investment income is recorded on the accrual basis.

Endowment investments

Endowment investments consist of investments purchased with the following resources:

- Donor-restricted permanent endowments, which are contributions restricted by donors to investment in perpetuity with only investment income and appreciation being used to support the Association's activities.
- Board-designated endowments, which are resources set aside by the Board of Directors for an indeterminate period to operate in a manner similar to a donor-restricted permanent endowment. Because a Board-designated endowment results from an internal designation, it can be spent upon action of the Board of Directors.

Endowment investments also include investments purchased with unspent investment income and net gains on these resources.

Property and equipment

Property and equipment are recorded at cost, or in the case of donated assets, at fair market value. Items with an individual or aggregate cost of less than \$1,000 are expensed in the year of purchase. Repairs and maintenance are expensed as incurred.

Depreciation is provided on the straight-line method by charges to expense in amounts estimated to recover the cost of these assets over their estimated useful lives as follows:

Buildings and improvements	10 - 39 years
Equipment	5 - 7 years

Revenue recognition

The Association has revenue streams that are accounted for as reciprocal exchange transactions, including grant revenues, special events, program fees, and facilities rental.

YWCA NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Grant revenues, special events, program fees, and facilities rental is recognized ratably over the period each service is provided on a straight-line basis in an amount that reflects the consideration the Association expects to be entitled to in exchange for those services. All the Association's revenue from contracts with customers are from performance obligations satisfied over time. Prices are specific to a distinct performance obligation and do not consist of multiple transactions.

Because the Association's performance obligations relate to contracts with a duration less than one year, the Association has elected to apply the optional exemption provided in FASB ASC 606-10-50-14(a), *Revenue from Contracts with Customers*, and therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period. There are no incremental costs of obtaining a contract and no significant financing components.

Contributions

The Association records contributions within the appropriate net asset category based on the existence or absence of donor conditional promises to give. A conditional promise to give is a contribution with a measurable performance or other barrier and a right to return. The Association recognizes conditional promises to give when the measurable performance or barrier imposed by the donor are substantially met or explicitly waived by the donor. Contributions restricted by the donor are reported as increases in net assets without donor restrictions if the restriction expires in the fiscal year in which the contributions are recognized. When a restriction expires, donor restricted net assets are reclassified to net assets without donor restrictions.

Donated material and services

Donated services are recognized as contributions in accordance with U.S. GAAP if the services (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by people with those skills and would otherwise be purchased by the Association.

A substantial number of volunteers have donated significant amounts of their time to the Association's program services; however, the value of this contributed time is not reflected in the accompanying financial statements since the volunteers' time does not meet the criteria for recognition.

YWCA NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donations of materials and equipment are recorded as support at fair market value on the date of receipt. At June 30, 2022 and 2021, there were donated materials of \$2,680 and \$1,407, respectively.

Functional allocation of expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Reclassification

Certain 2021 amounts have been reclassified to conform to 2022 classification. These reclassifications had no effect on the increase in net assets for 2021.

Fair value of financial instruments

Cash, trade and other accounts receivable, accounts payable, accrued expenses and other liabilities are carried in the financial statements as amounts which approximate fair value due to the inherently short-term nature of the transactions. The fair values determined for financial instruments are estimates, which for certain accounts may differ significantly from the amounts that could be realized upon immediate liquidation.

Income taxes

The Association is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code as a charitable organization, whereby only unrelated business income as defined by Section 509(a)(1) of the Code is subject to federal income tax. At June 30, 2022 and 2021, the Association had no unrelated business income. Accordingly, no provision for income taxes has been recorded. The income tax filings for the tax years before 2018 are no longer subject to examination by federal and state taxing authorities.

YWCA NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Accounting pronouncement adopted

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers Topic (606)*. This ASU supersedes the revenue recognition requirements in *Topic 605, Revenue Recognition*, and most industry-specific guidance. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The Association adopted this ASU on July 1, 2020.

The Association implemented ASU 2014-09 using a full retrospective method of application. The adoption of ASU 2014-09 resulted in changes to the disclosure of revenue. There were no material changes to the recognition or presentation of revenue as a result of the application of ASU 2014-09. As a result, no cumulative effect adjustment was recorded upon adoption.

YWCA NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

Note 3. LIQUIDITY AND AVAILABILITY (concluded)

Amount available for general expenditures within
one year

\$ 204,531 \$ 689,426

The Association's endowment funds consist of donor-restricted endowments and funds designated by the Board as endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

The Association's endowment of \$193,935 is subject to an annual spending rate as described in Note 7. Although management does not intend to spend from this endowment (other than amounts appropriated for general expenditure as part of the Board's annual budget approval and appropriation), these amounts could be made available if necessary.

As part of their liquidity management plan, the Association maintains a revolving line of credit of \$225,000 to cover short-term cash needs (Note 10).

Note 4. FAIR VALUE MEASUREMENTS

The FASB defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the Association's principal or most advantageous market in an orderly transaction between market participants on the measurement date.

The standard establishes a fair value hierarchy which requires the Association to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 inputs consist of quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, or observable inputs other than quoted market prices.

Level 3 inputs consist of inputs that are unobservable and significant to the fair value measurement and have the lowest priority.

YWCA NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

Note 4. FAIR VALUE MEASUREMENTS (concluded)

The Association uses appropriate valuation techniques based on available inputs to measure the fair value of its investments and beneficial interest in trust. An asset's fair value measurement level within the fair value hierarchy is based on the lowest-level of any input that is significant to the fair value measurement. Valuation techniques must maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 5. NOTES RECEIVABLE

On April 30, 2021, the Association signed five promissory notes in the amount of \$10,000 each, for a total of \$50,000. The notes bear interest at 1%, are payable to the Association on an annual basis and have maturity dates between April 30, 2022 and April 30, 2026.

The following is a summary of maturities due on each note as of June 30, 2022:

<u>Year ending June 30,</u>	<u>Amount</u>

NOTES TO FINANCIAL STATEMENTS

Note 6. INVESTMENTS (concluded)

For the years ended June 30, 2022 and 2021, investment fees were \$2,627 and \$2,491, respectively.

Investment (loss) return at June 30 is summarized as follows:

	<u>2022</u>	<u>2021</u>
Net interest and dividend income	\$ 9,347	\$ 5,432
Realized gains on investments	4,231	5,564
Unrealized (losses) gains on investments	<u>(41,037)</u>	<u>20,235</u>
Total	<u>\$ (27,459)</u>	<u>\$ 31,231</u>

As discussed in Note 4 to these financial statements, the Association is required to report its fair value measurements in one of three levels, which are based on the ability to observe in the marketplace the inputs to the Association's valuation techniques. The valuation technique used to measure investments is Level 1. Level 1, the most observable level of inputs, is for investments measured at quoted prices in active markets for identical investments as of June 30, 2022.

Note 7. ENDOWMENT FUND ASSETS

The Association's endowment consists of funds established either by donors (referred to as *donor designated endowment funds*) and/or by resources set aside by the Board of Directors to function as endowments (referred to as *board designated endowment funds*). As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor imposed restrictions.

The State of New Hampshire enacted the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA establishes law for the management and investment of donor-restricted endowment funds. The Board of Directors of the Association has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds unless there are explicit donor stipulations to the contrary. The original gift is defined by the Association as (a) the original value of gifts donated to all donor-restricted endowments, (b) the original value of any subsequent gifts to donor-restricted endowments, and (c) the original value of accumulations to donor-restricted endowments made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The Association has adopted an investment policy to provide a total return sufficient to support annual funding needs while preserving the assets against inflation. Total return is defined as dividend or interest income, plus realized and unrealized capital appreciation or depreciation at fair market value, net of fees.

YWCA NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

Note 7. ENDOWMENT FUND ASSETS (concluded)

The Association has a Board approved spending policy of up to 7% of the total value of the portfolio, which includes interest and dividends, as annual cash requirements.

In recognition of the prudence required of fiduciaries, reasonable diversification is sought where possible. Asset allocation parameters have been developed based on investment objectives, liquidity needs, and time horizon for intended use.

Note 8. BENEFICIAL INTEREST IN TRUST

The Association is an irrevocable beneficiary of a charitable remainder trust held by a bank as trustee. These resources are neither in the possession of, nor under the control of the Association. The terms of the trust provide for income of the trust to be distributed to the current beneficiary, and upon the beneficiary's death, the principal is to be distributed to charitable beneficiaries. The fair value of the beneficial interest was determined by applying the Association's percentage interest (14%) to the fair value of the trust assets as reported by the Trustee. The balance at June 30, 2022 and 2021 was \$2,015,318 and \$2,225,468, respectively.

The fair market value of the beneficial interest in a trust is based upon the present value of the estimated future cash receipts from the trust's assets, considering a rate of return on the assets in the trust. As discussed in Note 4, the valuation technique used by the Association is a Level 3 measure because there are no observable market transactions.

Changes in fair value of the beneficial interest in the trust are comprised of the following:

	<u>Interest in remainder trust</u>
Balance, July 1, 2020	\$ 1,854,104
Change in value of beneficial interest	<u>371,364</u>
Balance, June 30, 2021	<u>\$ 2,225,468</u>

Funds from the loan may only be used for payroll costs, costs used to continue group health care benefits, rent, and utilities. Note 18. RISKS AND UNCERTAINTIES

The Association invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of financial position.

The Association has entered into grant agreements that are recognized when qualifying costs are incurred for cost-reimbursement grants or when a unit of service is provided for performance grants. Revenue from government agencies is subject to review by grantor agencies. The review could result in the disallowance of expenditures under the terms of the grants or reductions of future grant awards.

Note 19. SUBSEQUENT EVENTS

The Association has evaluated subsequent events through December 14, 2022, the date which the financial statements were available to be issued, and has not evaluated subsequent events after that date.
