Project Summary

The City of Keene is requesting $750,000 to be subgranted to the Monadnock Affordable Housing Corporation (MAHC) to develop thirty (30) affordable apartment units on the 2-acre site of the former Roosevelt School, located at 438 Washington Street in Keene. All (100%) of the twenty-two (22) one-bedroom and eight (8)-two-bedroom units will be restricted to households making less than 80% of the Area Median Income for a minimum of 30 years.

Like most of New Hampshire, Keene has a significant shortage of affordable apartments for low- and moderate-income households. Housing data for Cheshire County shows a vacancy rate of 1.8% for rental apartments and only two percent of two-bedroom apartments in Cheshire County are affordable to households of median income. Keene Housing (of which MAHC is a subsidiary) reports that the waiting time for one-bedroom apartments for elderly and disabled applicants is 2.5 years, while non-elderly applicants have a waiting time of about five years. The waiting list for two-bedroom apartments ranges from two to four years.

The former Roosevelt school opened in 1922 and was used as an elementary school until 1983. Since then, the school has been leased for a variety of purposes. MAHC has an Option to Purchase this site from its current owner, the Community College System of New Hampshire, and will use its own funds for the purchase. The former Roosevelt School will be redeveloped into fourteen (14) affordable apartment units. An adjoining building will be constructed with sixteen (16) affordable apartment units. A variety of supportive services will be provided for residents including vaccine clinics, money management services, and on-site activities for children. In addition, five units will be set aside for people who are homeless or at immediate risk of becoming homeless.

The total cost of the first phase is estimated at nearly twelve million dollars with over $7.4 million from Low Income Housing Tax Credits, $2.4 million in NHHFA loans and subsidy, $1.4 million from MAHC and $750,000 from CDBG. CDBG funds are needed to make the project financially feasible. A performance lien will be placed on the property to ensure long-term affordability.

14.4 Limitation on Grantee Liability for Subgranted Funds. Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or negligence on the part of Grantee in enforcing its rights and obligations under the terms of any subrecipient agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all grant funds paid to Subrecipient through Grantee. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup grant funds not recovered from the Subrecipient.

14.5 Assignment to CDFA and Payment of Expenses and Costs. Grantee hereby agrees that, in the event it fails to enforce the provisions of any Subrecipient Agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.

14.6 Where the Grant Agreement or Subrecipient Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform, or reason other than project completion and Grant Funds are required to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Mortgage or security obligations or in curing any Event of Default thereunder.

15.5 CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of or for the Grantee or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.

EXHIBIT C

PROJECT COSTS; METHOD AND TERMS OF PAYMENT

1. PROJECT COSTS; PAYMENT SCHEDULE; REVIEW BY CDFA

1.1 Program Activity Costs: As used in this Agreement, the term "Program Activity Costs" shall mean all reimbursable costs incurred in performance of the Grant activities. "General Administration Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in 2 CFR Part 200 as revised from time to time, and with the rules, regulations, and guidelines established by CDFA. General Administrative costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits, and oversight of any Project closing and/or construction and compliance with all federal, state, and local laws, rules, and regulations and this contract. In no event shall General Administration Costs exceed fifteen (15) percent of the total Grant funds allowed. With respect to a nonprofit subrecipient, such subrecipient shall meet the requirements of 2 CFR Part 200.

1.2 Delivery Costs: If applicable to this Agreement, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient as set forth in Attachment I, "Sources and Uses" in connection with a regional revolving loan fund that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program rules.

1.3 Payment of Program Activity Costs: Subject to the terms and conditions of this agreement, CDFA agrees to pay Grantee all Program Activity Costs, provided, however, that in no event shall the total of all payments made by CDFA pursuant to this Agreement exceed the Grant Amount as set out in Paragraph 1.8 of the General Provisions, and provided further that all Project Costs shall have been incurred prior to the Completion Date, except for reasonable approved Program Activity Costs incurred within 90 days after the Completion Date and in connection with closeout requirements as required in CDFA's Community Development Block Grant Implementation Guide.

1.4 Review by CDFA; Disallowance of Costs: At any time during the performance of the Program Activities, and upon receipt of the Progress Reports, Closeout Report, or Audited Financial Report, CDFA may review all Program Activity Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

2. METHOD AND TERMS OF REIMBURSEMENT FOR PROGRAM ACTIVITY COSTS

2.1 When Project Funds May Be Released. CDFA shall not disburse any funds for the purposes of this Project until such time as all agreements specified in Exhibit B and any other agreements or documents specified pursuant to this Agreement are fully executed and received, and where applicable are reviewed and approved in writing by CDFA. Agreements and documents may include:

2.1.1 A Subrecipient Agreement, as applicable;

2.1.7 Any lease and loan documents, mortgages, liens, security instruments, municipal bonds, and similar agreements used in connection with the enforcement of beneficiary requirements, as well as any other related documents as requested by CDFA.

2.2 Timing of Payments. Upon thirty (30) days of the receipt, review, and approval by CDFA of financial reports and requests for reimbursement from Grantee specifying all Program Activity Costs incurred, CDFA agrees to reimburse Grantee for Program Activity Costs. Reimbursement may be withheld until CDFA determines that a particular project activity or portion of the project activity hereunder has been satisfactorily completed.

2.3 Disbursement of funds by CDFA does not constitute acceptance of any item as an eligible Program Activity Cost until all Program Activity Costs have been audited and determined to be allowable costs.

3. REQUIRED DOCUMENTATION FOR DISBURSEMENT OF GRANT FUNDS

3.1 Reimbursement requests for all Program Activity Costs, including General Administrative Costs, Delivery Costs, and Subrecipient costs, shall be accompanied by proper supporting documentation in the amount of each requested disbursement along with a payment request form as supplied by CDFA, which shall be completed and signed by Grantee. Documentation may include invoices for supplies, equipment, services, contractual services, and, where applicable, a report of salaries paid or to be paid.

4.3 Grant funds may not, without advance written approval by CDFA, be obligated prior to the Effective Date or subsequent to the Completion Date of the grant period. Obligations outstanding as of the Completion Date shall be liquidated within ninety (90) days. Such obligations must be related to goods or services provided during the grant period, except that reasonable costs associated solely with grant closeout, (e.g., audits, final reports) may be incurred within ninety (90) days after the Completion

4.5 Transfers over ten percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this grant agreement. Grantee shall hold a public hearing in accordance with RSA 162-L:14 II(b) when submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

4.6 Up to $716,000 of Grant Funds may be applied by Grantee for costs related to the Project Activity.

4.7 Up to $34,000 of Grant Funds may be applied by Grantee for costs related to the General Administration of the grant.

6.3 When Used for Eligible Activities: After completion of the Grant Activities specified in this Agreement, Grantee and, where applicable, Subrecipient shall use program income only for eligible activities which benefit primarily people from low- and moderate-income families, with prior approval by CDFA as specified in the Closeout Agreement between CDFA and Grantee and, where applicable, Subrecipient.
