REQUESTED ACTION

Authorize the Department of Business and Economic Affairs (BEA), Division of Economic Development to award \$1,750,000 from the InvestNH Municipal Per Unit Grant Program to five (5) recipients listed on the attached document, as incentive reward payments to municipalities for expediting the permitting process for new affordable housing developments in their communities, effective upon Governor and Council approval through December 31, 2024. The Municipal Per Unit Grant program is a beneficiary grant. This is an allowable use of ARPA SLFRF funds under section 602(c)(1)(C) for provision of government services to the extent of the reduction in revenue. 100% Federal Funds.

Funding is available in account, ARP InvestNH Housing Program, as follows:

	<u>FY2024</u>
03-22-022-220510-26520000-072-500574 Grants Federal	\$1,750,000

EXPLANATION

Municipal Per Unit Grants (MPUG) will be awarded to New Hampshire municipalities who have completed the permitting process for new affordable housing developments in their communities in less than 6 months. Funds are awarded on a per unit basis of \$10,000 per new affordable unit, with a cap of \$1,000,000 per municipality unless a waiver is granted based on the project's incorporation of Universal Design principals. Funds will be distributed to municipalities as single, lump sum payments.

The MPUG is a beneficiary grant, and municipalities receiving awards have already satisfied all grant requirements at the time the award is made. Therefore, there are no ongoing grant requirements to which the municipalities must adhere and no programmatic restrains on the municipalities' use of grant funds. However, many municipalities plan to use MPUG funds to make further investments in affordable housing development in their communities.

The Attorney General's Office has reviewed and approved this contract as to form, substance and execution.

If Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully Submitted,

Taylor Caswell
Commissioner

RE: Municipal Per Unit Grant Agreements

Dear Mr. Dorsett,

As discussed and agreed upon during our virtual meeting of May 24, 2023, this letter confirms that our collective opinion is that the City of Manchester's Certificate of Coverage, which matches the financial limits of liability for municipalities under RSA 507-B satisfies Paragraph 17 of Form G-1, Grant Agreement.

Furthermore, the Board and Mayor and Alderman authorized the Mayor to execute the Grant Agreement, specifically with respect to Paragraph 16, Indemnification. Given the indemnification provision along with the City's Certificate of Coverage with limits in accordance with RSA 507-B, I believe the State is adequately protected from any potential issue that may arise from the award of any grant.

Very truly yours,

RE: Municipal Per Unit Grant Agreements

Dear Mr. Dorsett,

As discussed and agreed upon during our virtual meeting of May 24, 2023, this letter confirms that our collective opinion is that the City of Manchester's Certificate of Coverage, which matches the financial limits of liability for municipalities under RSA 507-B satisfies Paragraph 17 of Form G-1, Grant Agreement.

Furthermore, the Board and Mayor and Alderman authorized the Mayor to execute the Grant Agreement, specifically with respect to Paragraph 16, Indemnification. Given the indemnification provision along with the City's Certificate of Coverage with limits in accordance with RSA 507-B, I believe the State is adequately protected from any potential issue that may arise from the award of any grant.

Very truly yours,
