REQUESTED ACTION

Authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Bureau of Historic Sites, to enter into a **Retroactive** amendment to a contract with Aeon Preservation Services, LLC (VC #441374), Bladensburg, MD for a conditions assessment and treatment recommendations for Fort Constitution by extending the completion date from September 1, 2023 to March 1, 2024, with no change to the price limitation of \$212,850, effective upon Governor and Council approval. The original contract was approved by Governor and Council on March 8, 2023, Item #32. 100% Federal Funds.

EXPLANATION

This amendment request is **retroactive** due to the existing masonry problems at Fort Constitution being more complex than initially thought and the analysis for recommending masonry solutions has taken longer than expected. The opportunity to submit an extension prior to the original contract deadline was overlooked partly due to miscommunication with the contractor's scheduled deliverables and partly due to oversight.

The Attorney General's Office has reviewed and approved this contract as to form, substance, and execution.

Respectfully submitted,

Concurred,

Additionally, a link to the posting was shared via email to a list of consultants maintained by the Division of Historical Resources.
