Project Summary

The Town of Wolfeboro is requesting \$500,000 to be sub-granted to Laconia Area Community Land Trust, Inc. d/b/a Lakes Region Community Developers (LRCD) to construct 30 units of housing. Twenty-seven (27) of the thirty (30) new units (90%) will be available to households at or below 80% of Area Median Income, with the majority being available to households at 50% (13 units) and 60% (10 units). All (100%) thirty-five (35) units will be restricted to households making under 60% Area Median Income. This project will ensure that the units will remain affordable through a land use restriction agreement which will guarantee low-and moderate-income households will benefit for at least 30 years.

Harriman Hill Phase III will provide desperately needed affordable housing in the Lakes Region. According to the Lakes Region Housing Needs Assessment (2022), the population of the Lakes Region is growing faster than the number of housing units. The small number of vacant units (which are primarily second homes) makes it increasingly difficult for Lakes Region households to find housing. There are currently 132 income restricted units in Wolfeboro. Forty-eight of those 132 are the first two phases of Harriman Hill, while the remaining are limited to elderly households.

Harriman Hill Phase III was originally conceived as a 20 Unit affordable home ownership project. However, after going out to bid, it was found that the cost to construct homes far exceeded the appraised value and the ability of buyers making less than 120% of the Area Median Income to afford making the project financially unworkable for LRCD and the potential homeowners. Noting the demand for workforce housing, the project pivoted to affordable rental housing. A Resident Service Coordinator will be available to tenants to assist with accessing services of all kinds. Granite VNA and Service Link will provide access to health care services. Northern Human Services will provide five of their clients with housing and provide intensive social services and case management. Those clients will be a mix of households with a member who has chronic mental health issues, or who has a member with intellectual or developmental disabilities.

Total project costs are \$10,725,000 with \$500,000 from CDBG, \$6.7M in equity from Low Income Housing Tax Credits, \$1.235 million in NHHFA Capital Subsidy, a permanent loan for \$2.050 million and \$240,000 in CDFA tax credits. CDBG funds are needed to make the project financially feasible.

In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.

14.6 **Where the Grant Agreement or Subrecipient Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform, or reason other than project completion and Grant Funds are required to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.**

In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Mortgage or security obligations or in curing any Event of Default thereunder.

15.5 CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of or for the Grantee or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.

15.7.3 The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs.
