REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a **Sole Source** amendment to an existing contract (Contract #8003281) with Cloutier Sand & Gravel Company, Inc. (VC#157206), Columbia NH, by increasing the price limitation by \$430,000.00 from \$215,000.00 to an amount up to and not to exceed \$645,000.00 with no change to the completion date of April 30, 2026 for aggregates effective upon approval of the Governor and Executive Council. The original contract (Contract #8003281) was approved by the Commissioner of the Department of Administrative Services on July 17, 2023 and most recently amended with approval of the Commissioner of the Department of Administrative Services on December 18, 2023.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

EXPLANATION

As previously stated, this contract (Contract #8003281) was originally approved by the Commissioner of the Department of Administrative Services on July 17, 2023 it was then subsequently amended by the first amendment on December 18, 2023.

This request is **Sole Source** because agency usage is on track to exceed the current price limitation by a factor greater than 10%. The price limitation consumption was discovered during routine reporting conducted by the Bureau of Purchase and Property (BoPP).

Upon approval this contract (Contract #8003281) amendment will allow agencies to purchase aggregate materials including sand/gravel, crushed stone, hardpack, etc. to support the States needs for maintaining roadways and other infrastructure. This requested increase to the price limitation is due to higher than typical agency usage resulting from unexpected weather-related damage. During routine reporting the Department of Administrative Services Bureau of Purchase and Property (BoPP), identified that the price limitation was approaching 50% with more than 4 years remaining in the contract term. Communication with both the Department of Transportation (NHDOT) and the Department of Natural

and Cultural Resources (NHDNCR) identified a combined spend stemming from the unprecedented storm damage was estimated to have been \$1,085,623.54 for FY23 and FY24. There is expected to be a significant need for aggregates during the 2024 construction season and beyond for the heaviest users of these contracts, and not all storm damaged infrastructure has been repaired to date, as well and in being proactive with more storm occurrences likely moving forward.

The BoPP revised the spend forecast to project future expenditures against this (Contract #8003281) for the duration of the current term. It is the BoPP's intention to continue to closely monitor the utilization of this contract (Contract #8003281) to avoid any unforeseen spikes in purchase volume, which will include proactive agency collaboration.

Contract financials	
Current price limitation	\$215,000.00
For reference: actual spend-to-date	\$145,740.21
Add this amendment	\$430,000.00
Requested new price limitation	\$645,000.00

Based on the foregoing, I am respectfully recommending approval of this **Sole Source** contract amendment with Cloutier Sand & Gravel Company, Inc.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner

REQUESTED ACTION

Authorize the Department of Administrative Services (DAS) to amend an existing contract (Contract #8003281) with Cloutier Sand & Gravel Company, Inc. (VC#157206), Columbia, NH, to increase the price limitation by \$83,636.37 from \$131,363.63 to an amount up to and not to exceed \$215,000.00, with no change to the completion date of April 30, 2026 for aggregates effective upon approval of the Commissioner of the Department of Administrative Services. The original contract (Contract #8003281) was approved by the Commissioner of the Department of Administrative Services on June 17, 2023.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

EXPLANATION

As previously stated, the original contract (Contract #8003281) was approved by the Commissioner of the Department of Administrative Services on June 17, 2023.

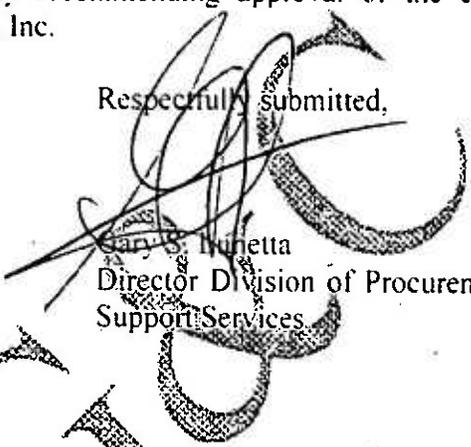

This request stems from unforeseen emergency usage within one month by the Department of Natural and Cultural Resources (DNCR) for trails/road repair and spend reporting information received showing 98% of this contract's (Contract #8003281) price limitation. DNCR remains actively working on trails/class 5 road repairs; this contractor is the closest, most cost-effective location to provide aggregates to the required work sites. DAS has discussed the future planning for aggregate purchases and anticipated purchases with the DNCR and also with the Department of Transportation in an effort to most appropriately set price limitations for this, and other aggregate contracts.

This request, upon approval, will permit continued work without concerns for delay. The information below represents prices for the requested amendment to this contract.

Current price limitation	\$131,363.63
Add this amendment due to ongoing and emergency NHDNCR trails/road repair	\$83,636.37

PUBLIC DISCLOSURE OF BID OR PROPOSAL SUBMISSIONS:

Generally, the full contents of any proposal (including all materials submitted in connection with it, such as attachments, exhibits, addenda, and vendor presentations) become public information upon completion of final contract or purchase order negotiations with the selected vendor. Certain information concerning proposals, including but not limited to scoring, is generally available to the public even before this time, in accordance with the provisions of NH RSA 21-G:37.

Confidential, commercial or financial information may be exempt from public disclosure under RSA 91-A:5, IV. Any and all information contained in or connected to a bid or proposal that a Bidder considers confidential shall be clearly designated in the following manner:

If the Bidder considers any portion of a submission confidential, they shall provide a separate copy of the full and complete document, fully redacting those portions by blacking them out and shall note on the applicable page or pages of the document that the redacted portion or portions are "confidential." Use of any other term or method, such as stating that a document or portion thereof is "proprietary", "not for public use", or "for client's use only", is not acceptable. In addition to providing an additional fully redacted copy of the bid submission to the person listed as the point of contact on Page one (1) of this document, the identified information considered to be confidential must be accompanied by a separate letter stating the rationale for each item designated as confidential. In other words, the letter must specifically state why and under what legal authority each redaction has been made. Submissions which do not conform to these instructions by failing to include a redacted copy (if required), by failing to include a letter specifying the rationale for each redaction, by failing to designate redactions in the manner required by these instructions, or by including redactions which are contrary to these instructions or operative law may be rejected by the State as not conforming to the requirements of the bid or proposal. Marking or designating an entire proposal, attachment or section as confidential shall neither be accepted nor honored by the State. Marking an entire bid, proposal, attachment or full sections thereof confidential without taking into consideration the public's right to know shall neither be accepted nor honored by the State.

Notwithstanding any provision of this request for submission to the contrary, proposed pricing shall be subject to public disclosure REGARDLESS of whether or not marked as confidential.

If a request is made to the State by any person or entity to view or receive copies of any portion of a proposal, the State will assess what information it believes is subject to release; notify the Bidder that the request has been made; indicate what, if any, portions of the proposal or related material shall be released; and notify the Bidder of the date it plans to release the materials. To halt the release of information by the State, a Bidder must initiate and provide to the State, prior to the date specified in the notice, a court action in the Superior Court of the State of New Hampshire, at its sole expense, seeking to enjoin the release of the requested information.

By submitting a proposal, Bidders acknowledge and agree that:

- The State may disclose any and all portions of the proposal or related materials which are not marked as confidential and/or which have not been specifically explained in the letter to the person identified as the point of contact for this RFB.
- The State is not obligated to comply with a Bidder's designations regarding confidentiality and must conduct an independent analysis to assess the confidentiality of the information submitted in your proposal; and
- The State may, unless otherwise prohibited by court order, release the information on the date specified in the notice described above without any liability to a bidder.

The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. 5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State.
