Re: **PETITION – Hooksett #29611**

The Department of Transportation requests placing this item on the Consent Calendar.

Under RSA 230:14, attached is a petition for a public hearing to make improvements on US 3/NH 28 from Alice Avenue and Whitehall Road in Hooksett. These improvements will include roadway widening to add a second through-lane in each direction, construction of sidewalks, shoulders, and raised median islands, as well as intersection improvements at three locations.

As the petition is not for the limitation or control of access, a Commission of Three Persons should be appointed by the Governor with the advice of the Executive Council to hold a public hearing as prescribed by RSA 230:14. The Commission of Three Persons shall determine whether there is an occasion for the above-mentioned intersection and roadway improvements.

The purpose of Hooksett Project #29611 is to reduce congestion and enhance safety for all users.

Recommended Commission:

Thomas Morgan – Portsmouth
Gary Francoeur – Hudson
Thomas De Blois – Manchester

Proposed Budget:

9 workdays @ \$50.00 = \$450
890 miles @ \$0.670 = \$596.30
TOTAL = \$1,046.30

Respectfully,

William J. Cass, P.E.
