REQUESTED ACTION

Pursuant to RSA 261:97-c, Use of Funds, authorize the Department of Natural and Cultural Resources, Division of the Arts, to award a Conservation License Plate (Moose Plate) grant to the City of Concord, NH (VC #177376) in the amount of \$18,000 to support the restoration and relocation of the 1924 Eastman Clock Tower effective upon Governor and Council approval through October 31, 2024. 100% Other Funds (Agency Income).

Funds are available in account, Conservation Plate Funds, as follows:

	<u>FY 2024</u>
03-035-035-350010-34050000-073-509074 – Grants Non-Federal	\$18,000

EXPLANATION

Moose Plate Funds are used to promote the use and conservation of cultural resources in New Hampshire and to preserve the cultural heritage that belongs to all New Hampshire citizens by providing for the preservation of publicly owned historic properties.

The Eastman monument was officially dedicated in 1924, providing an outdoor art installation, combined with a testimonial to New Hampshire history along with the practicality of four-sided public clock. At the time, the location of the monument clock tower, at the intersection of Portsmouth Street and Eastman Street, was central to the transportation corridors into Concord, from the seacoast and northern New Hampshire. All traffic into and out of Concord in those directions would have processed by the Eastman monument and set their time by the tower clocks.

The Clock Tower is located in a small public park maintained by the City of Concord's Parks and Recreation Department and is owned by the City of Concord. The granite for the Eastman monument was quarried locally at the Granite State Quarry, operating at Concord's Rattlesnake Hill quarries. The known history of the monument since its dedication, besides being inundated in the 1938 flood, includes a repair and replacement of the original Seth Thomas clock works in the 1970's. At that time, the original clock faces, and hands were also refabricated and replaced. Along with the internal clocks and lights not working, the outdoor elements have taken a toll on the sculpture and it needs to be cleaned.

In anticipation of the 100th anniversary of the monument's 1924 dedication, the City of Concord in cooperation with current and former residents of East Concord, propose to have the monuments clocks restored to working order and cleaning the monument faces in time for a rededication event in 2024.

The Attorney General's Office has reviewed and approved the grant agreement as to form, substance, and execution.

Respectfully submitted,

(PSM)
