**REQUESTED ACTION**

Authorize the Department of Environmental Services to award a grant to Moose Mountains Regional Greenways (MMRG), (VC#158965-B001), Union, NH, in the amount of \$120,371, to protect approximately 200 acres within the hydrological area of concern of the Rochester Water Department, which serves the City of Rochester's drinking water source, effective upon Governor and Council approval through February 28, 2025. 100% Drinking Water and Groundwater Trust Fund.

Funding is available in the following account:

	<u>FY 2024</u>
03-44-44-444010-7428-073-500581	\$120,371
Dept. Environmental Services, Drinking Water and Groundwater Trust Fund, Grants Non-Federal	

**EXPLANATION**

The Drinking Water and Groundwater Trust Fund (DWGTF) was created in 2016, using \$276 million of MtBE trial judgment funds, as authorized by RSA 485-F. The purpose of the DWGTF is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the State. The Drinking Water and Groundwater Advisory Commission (Advisory Commission) was established to administer the DWGTF and to provide guidance to the State on the use of the funds.

On November 20, 2023, the Advisory Commission voted to authorize grants for eleven drinking water source protection projects. MMRG's request for \$120,371 was selected for grant funding from the DWGTF to acquire a conservation easement on +/- 200 acres of land within the hydrologic area of concern of the Rochester Water Department, which serves the City of Rochester's drinking water. The City of Rochester submitted a letter to the Advisory Commission supporting this project.

His Excellency, Governor Christopher T. Sununu  
And the Honorable Council  
Page 2

The total project cost for MMRG to purchase the conservation easement is \$320,371. The DWGTF will provide \$120,371 with \$200,000 in match provided by MMRG from other funding sources. The purchase price of the property is based on a recent appraisal of fair market value.

Attachment A contains a map showing the relationship of the land to the protected water supply source. In the event that these funds become no longer available, general funds will not be requested to support this project. This agreement has been approved by the Attorney General's Office as to form, substance, and execution.

We respectfully request your approval.

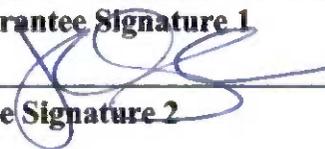

Robert R. Scott  
Commissioner

  - 9.3. No data shall be subject to copyright in the United States or any other country by anyone other than the State.
  - 9.4. On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.

In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.
  11. EVENT OF DEFAULT: REMEDIES.
    - 11.1. Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

    - 11.2. Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:
      - 11.2.1 Give the Grantee a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and
      - 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and
      - 11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and
      - 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

    - 12.1. In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Grantee shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.
    - 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
    - 12.3. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.
    - 12.4. CONFLICT OF INTEREST. No officer, member of employee of the Grantee, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
17. **INSURANCE.**
- 17.1 The Grantee shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
19. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.
