Re: **PETITION – Pelham #16145**

The Department of Transportation requests placing this item on the Consent Calendar.

Under RSA 230:14, attached is a petition for a hearing on rehabilitating or replacing the existing Red List bridges that carry Main Street over Beaver Brook (Br. No. 110/090 & 111/090) in the Town of Pelham. The solution to address the Red List bridges will also include several hundred feet of sidewalk construction on the south side of Main Street.

As the petition is not for the limitation or control of access, a Commission of Three Persons should be appointed by the Governor with the advice of the Executive Council to hold a hearing as prescribed by RSA 230:14. The Commission of Three Persons shall determine whether there is occasion for the construction of the rehabilitation or replacement of the bridges and the sidewalk construction.

The purpose of the Pelham Project #16145 is to address the Red List bridges to significantly improve hydraulic issues in the area and address structural issues of the current bridges.

**Recommended Commission:**

Honorable Janet Stevens – Executive Councilor  
Robert Letourneau – Commission Member  
William Gregsak – Commission Member

**Proposed Budget:**

9 workdays @ \$50.00 = \$450.00  
642.8 miles @ \$0.670 = \$430.68  
TOTAL = \$880.68

Respectfully,

William J. Cass, P.E.  
Commissioner

Attachment: Petition

- P E T I T I O N -

To His Excellency, the Governor, and the Honorable Executive Council:

I, William Cass, as the Commissioner of the New Hampshire Department of Transportation, and in accordance with RSA 230:14, propose to rehabilitate or replace the existing Red List bridges that carry Main Street over Beaver Brook (Br. No. 110/090 & 111/090).

**PELHAM, X-A001(151); 16145**

The purpose of the Pelham project #16145 is to rehabilitate or replace the existing Red List bridges that carry Main Street over Beaver Brook. The solution to address the Red List bridges will also include several hundred feet of sidewalk construction on the south side of Main Street. Addressing the Red List bridges will significantly improve hydraulic issues in the area and address structural issues of the current bridges.

Therefore, I, William Cass, as the Commissioner of the New Hampshire Department of Transportation, and in accordance with RSA 230:14, propose to rehabilitate or replace the existing Red List bridges that carry Main Street over Beaver Brook.

DATED: April 8, 2024
