Funding is available in account, State Arts Development, as follows:

03-035-035-353510-41040000-073-500581 - Grants Non Federal	<u>FY 2024</u> \$361,006
--	------------------------------------

EXPLANATION

In response to feedback from our constituents during our strategic planning process, the Cultural Facilities Program was reinstated this year to assist nonprofit arts organizations with improving access to their facilities. These grants may be used for renovations, maintenances, and major equipment purchases for cultural facilities. Applicants are required to own or have a minimum three-year lease on the facility, a facility plan, be in compliance with the Americans with Disabilities Act, and have a minimum of one-year of continuous arts programming. Grant categories and deadlines are advertised through the Division of Arts' website, social media, and electronic newsletters.

At the time of evaluation, the NH State Art Councilors unanimously voted to accept the Arts Division's Cultural Facilities recommendations for the partnerships based on its funding priority ranking within a competitive review. There were twenty-seven applications received and eighteen grants were awarded. The five-member peer panel considered seventeen criteria to arrive at a consensus ranking for each application. The evaluative criteria included the administrative capacity of the organization, benefit to the public, accessibility compliance, and cultural significance of the facility to the State.

The Attorney General's Office has reviewed and approved the grant agreements as to form, substance, and execution.

Respectfully submitted,

(LSM)

- 9.3. No data shall be subject to copyright in the United States or any other country by anyone other than the State.
- 9.4. On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.

In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

- 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and
- 11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.
- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
