**REQUESTED ACTION**

Authorize the New Hampshire Department of Environmental Services (NHDES) to enter into a grant agreement with the City of Laconia, New Hampshire (VC #177419-B003) for a total of \$54,435 to fund exotic aquatic plant control activities in Lake Winnepesaukee areas in Laconia, effective upon Governor and Council approval through December 31, 2024. 50% General Funds and 50% Lake Restoration Funds.

03-44-44-442010-1430-073-500580	<u>FY 2024</u>
Dept. Environmental Services, Lakes Restoration Program, Grants-Nonfederal	\$54,435

**EXPLANATION**

NHDES requests approval to enter into a grant agreement with the City of Laconia for diver/diver-assisted suction harvesting and herbicide treatments to control variable milfoil, an invasive aquatic plant, in various portions of Paugus Bay and associated coves within Lake Winnepesaukee. Exotic aquatic plants have been a problem in this portion of Paugus Bay, Lake Winnepesaukee, for several years. NHDES grant funds are earmarked for management activities to control these exotic aquatic plants in 2024. The primary purpose of New Hampshire's Exotic Aquatic Plant Program is to prevent the introduction and further dispersal of exotic aquatic weeds and to manage or eradicate exotic aquatic weed infestations in the surface waters of the state (RSA 487:17, II). The program, initiated in 1981, has five focus areas: 1) Prevention of new infestations; 2) Monitoring for early detection of new infestations to facilitate rapid control activities; 3) Control of new and established infestations; 4) Research towards new control methods with the goal of reducing or eliminating infested areas; and 5) Regional cooperation. NHDES received 50 requests for funding to control exotic aquatic plant growth in 2024. NHDES will award grant funds to each applicant. Please refer to Attachment B for a listing of projects that are identified to receive funding.

This agreement has been approved by the Office of the Attorney General as to form, execution, and content.

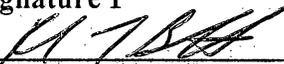

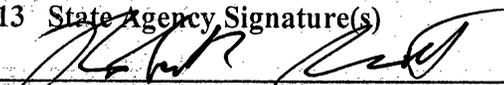

We respectfully request your approval.

  
Robert R. Scott, Commissioner

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
19. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.
