STATE OF NEW HAMPSHIRE

DEPARTMENT OF HEALTH AND HUMAN SERVICES

DIVISION OF PUBLIC HEALTH SERVICES

Lori A. Weaver
Commissioner

Iain N. Watt
Interim Director

29 HAZEN DRIVE, CONCORD, NH 03301
603-271-4501 1-800-852-3345 Ext. 4501
Fax: 603-271-4827 TDD Access: 1-800-735-2964 www.dhhs.nh.gov

April 22, 2024

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend existing contracts with the Contractors listed below to increase access to integrated prevention and primary health care services for women, infants, and youth, by exercising a contract renewal option by increasing the total price limitation by $3,552,006 from $8,158,520 to $11,710,526 and by extending the completion dates from June 30, 2024 to June 30, 2025, effective July 1, 2024, upon Governor and Council approval. 14% Federal Funds. 86% General Funds.

The original contracts were approved by Governor and Council on June 15, 2022, item #32.

Contractor Name	Vendor Code	Current Amount	Increase (Decrease)	Revised Amount
Amoskeag Health, Manchester, NH	157274-B001	$1,529,850	$617,240	$2,147,090
Concord Hospital, Inc., Concord, NH	177653-B011	$658,569	$291,612	$950,181

White Mountain Community Health Center, Conway NH	174170-R001	$624,885	$276,698	$901,583
	Totals	**$8,158,520**	**$3,552,006**	**$11,710,526**

Funds are available in the following accounts for State Fiscal Year 2025, with the authority to adjust budget line items within the price limitation through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Contractors to continue providing the Maternal and Child Health (MCH) target population of women, infants, children, and adolescents access to integrated prevention and primary health care services. The Contractors will partner with the Department to address the maternal and youth health priorities as identified in the State's Maternal and Child Health Program's five (5) year Statewide Needs Assessment completed in 2020.

The Contractors will continue to provide increased access to healthcare for New Hampshire children, and adolescents (from birth to 21 years of age), pregnant women, and MCH target populations. Integrated prevention and primary health care services are provided to women and youth who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency, and geographic isolation. The Contractors integrate and coordinate access to medical, behavioral, and social services to reduce barriers to care and provide an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will continue to monitor services through the following performance measures:

- Percentage of infants who were ever breastfed.
- Percentage of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percentage of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.
- Percentage of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months.
- Percentage of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months.
- Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.

- Percentage of patients 3 through 17 years of age who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.
- Percentage of pregnant women who are screened for tobacco use during each trimester in which they were enrolled AND who received tobacco cessation counseling intervention if identified as a tobacco user.
- Percentage of patients 12 through 17 years of age who were screened for substance use, using a formal valid screening tool during any medical visit AND if positive, who received a brief intervention or referral to services.
- Percentage of pregnant women who were screened for substance use, using a formal valid screening tool during every trimester they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services.
- Percentage of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT at least once between the ages of 16-30 months.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the original agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) Year of the four (4) years available.

Should the Governor and Executive Council not authorize this request, New Hampshire children and adolescents (birth to 21 years of age), pregnant women, and individuals who are uninsured or underinsured may have diminished access to needed health services.

Source of Federal Funds: Assistance Listing Number 93.994, FAIN B04MC47432.

In the event the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Maternal and Child Health Care in the Integrated Primary Care Setting contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Amoskeag Health ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 15, 2022 (Item #32), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $2,147,090

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Section 1.3.2., to read:

   1.3.2. Prenatal care either on site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data related to prenatal performance measures.

5. Modify Exhibit B, Scope of Services, Section 1.7.2., to read:

   1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data relating to prenatal performance measures to the Department.

6. Modify Exhibit B, Scope of Services, Section 1.10.1. through Section 1.10.2., to read:

   1.10.1. Initiative One (1) – Screening and Referrals for SDOH; and

   1.10.2. Initiative Two (2) – Contractor's choice, which must focus on enabling services.

7. Modify Exhibit B, Scope of Services, Section 1.12.1. through Section 1.12.2., to read:

   1.12.1. QI Project One (1): Increasing Adolescent Well Visits; and

   1.12.2. QI Project Two (2): Increasing post-partum clinical depression screening of women within the first 12 weeks after delivering.

8. Modify Exhibit B, Scope of Services, Section 1.18., to read:

   1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator, or staff person essential to providing services and/or any personnel changes to these positions. The Contractor shall ensure notification:

      1.18.1. Is provided to the Department no later than thirty (30) business days from the date of hire or personnel change; and

      1.18.2. Includes a copy of the new staff individual's resume as well as an updated

staffing list.

9. Modify Exhibit B, Scope of Services, by adding Section 1.28., to read:

   1.28. The Contractor shall provide de-identifiable patient level data on the integrated and primary health care services provided, as specified in Subsection 1.3., and Section 1.26. Reporting.

10. Modify Exhibit C, Payment Terms, Section 1.1. through Section 1.2., to read:

    1.1. 14% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Assistance Listing Number (ALN) 93.994, FAIN B04MC45230, and as awarded on October 27, 2022, ALN 93.994, FAIN B04MC47432.

    1.2. 86% General funds.

11. Modify Exhibit C, Payment Terms, Section 3., to read:

    3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget Sheet through Exhibit C-4, Budget Sheet, Amendment #1.

12. Modify Exhibit C, Payment Terms, Section 4.3., to read:

    4.3. Identifies and requests payment for allowable costs incurred in the previous month. Allowable costs are costs incurred that specifically supports only New Hampshire Infants, Children and Adolescents from birth to 21 years of age, Pregnant Women, and Women of Childbearing age.

13. Modify Add Exhibit C, Payment Terms, by adding Section 4.7., to read:

    4.7. Includes budget line items that are used exclusively for serving the Maternal and Child Health population and invoicing must clearly state how the incurred expenses benefited this specific patient population.

14. Modify Attachment 3, Reporting Calendar, by replacing it in its entirety with Attachment 3, Amendment #1, Reporting Requirements Calendar, which is attached hereto and incorporated by reference herein.

15. Modify Attachment 6, Performance Measures, by replacing it in its entirety with Attachment 6, Amendment #1 – SFY 2025 Performance Measures, which is attached hereto and incorporated by reference herein.

16. Modify Attachment 7, Performance Measure Outcome Report (PMOR), by replacing it in its entirety with Attachment 7, Amendment #1, Performance Measure Outcome Report (PMOR), which is attached hereto and incorporated by reference herein.

17. Add Attachment 8, Amendment #1, DTT – MCH in the Integrated Primary Care Setting Template, which is attached hereto and incorporated by reference herein.

18. Add Exhibit C-4, Budget Sheet, Amendment #1, which is attached hereto and incorporated by reference herein.

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2024, upon Governor and Council approval.

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

1. Definitions

1.1. **Measurement Year** – Consists of 365 days and is defined as either:

1.1.1. A Calendar Year (January 1st through December 31st), or

1.1.2. A State Fiscal Year (July 1st through June 30th).

1.2. **Medical Visit** –Defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. The UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the expectation is that the Contractor will adhere to the most up to date UDS guidance.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who were ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for approximately six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down into two (2) age-based measures, based on current NH Legislation RSA 130-A:5-a, which requires children be tested for lead at one (1) year of age, and at two (2) years of age.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between 12 and 23 months of age (NH MCHS).

DS

4/17/2024

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between 12 and 23 months of age.

2.2.1.2. Denominator: All children who turned 24 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between 24 and 36 months of age (NH MCHS).

2.2.2.1. Numerator: All children who received at least one (1) capillary or venous blood lead test between 24 and 36 months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool on the date of the encounter or within 14 days prior to the date of the encounter **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients 12 through 21 years of age who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 through 21 years of age by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit in the first 12 weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.5. **Preventive Health: Obesity Screening**

Child/Adolescent Measure

2.5.1. Percent of patients three (3) through 17 years of age who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.1.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.1.2. Denominator: Number of patients who were one (1) year after their second (2nd) birthday (i.e., three (3) years of age) through adolescents who were up to one (1) year past their 16th birthday (i.e., 17 years of age) at some point during the measurement year, who had at least one (1) medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.1.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers **PLUS** queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) – Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adolescent Measure

2.7.1. SBIRT – Percent of patients 12 through 17 years of age who were screened for substance use using a formal valid screening tool during

any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use using a formal valid screening tool during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients 12 through 17 years of age during the measurement year with at least one (1) medical visit during the measurement year and with at least two (2) medical visits ever.

2.7.1.4. Definitions:

2.7.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.1.4.2. Brief Intervention: Includes guidance or counseling.

2.7.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.7.2. Percent of pregnant women who were screened using a formal valid screening tool for substance use during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of women in the denominator who were screened for substance use using a formal and valid screening tool during each trimester they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8. **Developmental Screening Measure**

Percent of children who reached 30 months of age by the end of the reporting period, and were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age (NH MCHS).

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age.

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and had at least one (1) medical visit during the measurement year.

State of New Hampshire

Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that AMOSKEAG HEALTH is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on May 07, 1992. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: **175115**

Certificate Number: **0006661501**

IN TESTIMONY WHEREOF,
I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 8th day of April A.D. 2024.

David M. Scanlan
Secretary of State

CERTIFICATE OF AUTHORITY

I, David Crespo, hereby certify that:
(Name of the elected Officer of the Corporation/LLC; cannot be contract signatory)

1. I am a duly elected Clerk/Secretary/Officer of Amoskeag Health (formerly Manchester Community Health Center).
(Corporation/LLC Name)

2. The following is a true copy of a vote taken at a meeting of the Board of Directors/shareholders, duly called and held on February 6, 2024, at which a quorum of the Directors/shareholders were present and voting.
(Date)

VOTED: That Kris McCracken, President/CEO (may list more than one person)
(Name and Title of Contract Signatory)

is duly authorized on behalf of Amoskeag Health (formerly Manchester Community Health Center) to enter into
(Name of Corporation/ LLC)

contracts or agreements with the State of New Hampshire and any of its agencies or departments and further is authorized to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, which may in his/her judgment be desirable or necessary to effect the purpose of this vote.

3. I hereby certify that said vote has not been amended or repealed and remains in full force and effect as of the date of the contract/contract amendment to which this certificate is attached. This authority was **valid thirty (30) days prior to and remains valid for thirty (30)** days from the date of this Certificate of Authority. I further certify that it is understood that the State of New Hampshire will rely on this certificate as evidence that the person(s) listed above currently occupy the position(s) indicated and that they have full authority to bind the corporation. To the extent that there are any limits on the authority of any listed individual to bind the corporation in contracts with the State of New Hampshire, all such limitations are expressly stated herein.

Dated: 1/12/2024

Signature of Elected Officer

Name: David Crespo
Title: Amoskeag Health Board Secretary

MISSION

To improve the health and well-being of our patients and the communities we serve by providing exceptional care and services that are accessible to all.

VISION

We envision a healthy and vibrant community with strong families and tight social fabric that ensures everyone has the tools they need to thrive and succeed.

CORE VALUES

We believe in:

- Promoting wellness and empowering patients through education
- Fostering an environment of respect, integrity and caring where all people are treated equally with dignity and courtesy
- Providing exceptional, evidence-based and patient-centered care
- Removing barriers so that our patients achieve and maintain their best possible health.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Amoskeag Health

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Amoskeag Health (the Organization), which comprise the balance sheets as of June 30, 2023 and 2022, and the related statements of operations and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2023 and 2022, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, on July 1, 2022, the Organization adopted the provisions of Financial Accounting Standards Board Accounting Standards Codification Topic 842, *Leases*. Our opinion is not modified with respect to that matter.

Emphasis of Matter

As discussed in Note 11 to the financial statements, the Organization has incurred a significant operating loss during the year ended June 30, 2023 and has declining working capital and limited days cash on hand. Management's evaluation of the events and conditions and management's plans to mitigate these matters are also described in Note 11. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 6, 2023 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Organization

Amoskeag Health (the Organization) is a not-for-profit corporation organized in Manchester, New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) providing high-quality, comprehensive, and family-oriented primary health care and support services, which meet the needs of a diverse community, regardless of age, ethnicity or income.

1. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which requires the Organization to report information in the financial statements according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits, money market funds and petty cash.

The Organization maintains cash balances at several financial institutions. The balances at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At various times throughout the year, the Organization's cash balances may exceed FDIC insurance. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant risk.

Revenue Recognition and Patient Accounts Receivable

Net patient service revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing patient care. These amounts are due from patients and third-party payers (including commercial insurers and governmental programs). Generally, the Organization bills the patients and third-party payers several days after the services are performed. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Organization. The Organization measures the performance obligations as follows:

- Medical, behavioral health, optometry, podiatry and ancillary services are measured from the commencement of an in-person or virtual encounter with a patient to the completion of the encounter. Ancillary services provided the same day are considered to be part of the performance obligation and are not deemed to be separate performance obligations.
- Contract pharmacy services are measured when the prescription is dispensed to the patient as reported by the pharmacy administrator.

The majority of the Organization's performance obligations are satisfied at a point in time.

The Organization has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the payer. In assessing collectability, the Organization has elected the portfolio approach. The portfolio approach is being used as the Organization has a large volume of similar contracts with similar classes of customers (patients). The Organization reasonably expects that the effect of applying a portfolio approach to a group of contracts would not differ materially from considering each contract separately. Management's judgment to group the contracts by portfolio is based on the payment behavior expected in each portfolio category. As a result, aggregating all the contracts (which are at the patient level) by the particular payer or group of payers will result in the recognition of the same amount of revenue as applying the analysis at the individual patient level. Significant payer concentrations are presented in Note 3.

A summary of payment arrangements follows:

Medicare

The Organization is primarily reimbursed for services provided to patients based on the lesser of actual charges or prospectively set rates for all FQHC services provided to a Medicare beneficiary on the same day. Certain other services provided to patients are reimbursed based on predetermined payment rates for each Current Procedural Terminology (CPT) code, which may be less than the Organization's public fee schedule.

Medicaid

The Organization is primarily reimbursed for medical, behavioral health, certain dental and ancillary services provided to patients based on prospectively set rates for all FQHC services furnished to a Medicaid beneficiary on the same day. Certain other services provided to patients are reimbursed based on predetermined payment rates for each CPT code, which may be less than the Organization's public fee schedule. The rate was legislatively increased from an average rate of $211.54 to $288.05 effective October 1, 2023.

Other Payers

The Organization has also entered into payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations. Under these arrangements, the Organization is reimbursed for services based on contractually obligated payment rates for each CPT code, which may be less than the Organization's public fee schedule.

Patients

The Organization provides care to patients who meet certain criteria under its sliding fee discount program. The Organization estimates the costs associated with providing this care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for the sliding fee discount program. The estimated cost of providing services to patients under the Organization sliding fee discount policy amounted to $2,188,583 and $2,844,226 for the years ended June 30, 2023 and 2022, respectively. The Organization is able to provide these services with a component of funds received through federal grants.

For uninsured patients who do not qualify under the Organization's sliding fee discount program, the Organization bills the patient based on the Organization's standard rates for services provided. Patient balances are typically due within 30 days of billing; however, the Organization does, in certain instances, enter into payment agreements with patients that allow payments in excess of one year. For those cases, the financing component is not deemed to be significant to the contract.

340B Contract Pharmacy Program Revenue

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. This program requires drug manufacturers to provide outpatient drugs to FQHCs and other covered entities at a reduced price. The Organization contracts with other local pharmacies under this program. The contract pharmacies dispense drugs to eligible patients of the Organization and bill commercial insurances on behalf of the Organization. Reimbursement received by the contract pharmacies is remitted to the Organization, less dispensing and administrative fees. The dispensing and administrative fees are costs of the program and not deemed to be implicit price concessions which would reduce the transaction price. The Organization recognizes revenue in the amounts that reflect the consideration to which it expects to be entitled in exchange for the prescription after the amount has been determined by the pharmacy benefits manager.

Laws and regulations governing the Medicare, Medicaid and 340B programs are complex and subject to interpretation. Management believes that the Organization is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare, Medicaid and 340B programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

Grants and Other Receivables

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amount are considered collectible.

A portion of the Organization's revenue is derived from cost-reimbursable grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue. The Organization has been awarded cost reimbursable grants with project periods extending beyond June 30, 2023 in the aggregate amount of $6,101,849 that have not been recognized at June 30, 2023 because qualifying expenditures have not yet been incurred.

The Organization receives a significant amount of grants from the U.S. Department of Health and Human Services (HHS). As with all government funding, these grants are subject to reduction or termination in future years. For the years ended June 30, 2023 and 2022, grants from HHS (including both direct awards and awards passed through other organizations) represented approximately 61% and 72%, respectively, of grants, contracts and support revenue.

Right-of-Use Assets and Lease Liabilities

Effective July 1, 2022, the Organization adopted Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 842, *Leases* (Topic 842). The Organization determines if an arrangement is a lease or contains a lease at inception of a contract. A contract is determined to be or contain a lease if the contract conveys the right to control the use of identified property, plant or equipment (an identified asset) in exchange for consideration. The Organization determines these assets are leased because the Organization has the right to obtain substantially all of the economic benefit from and the right to direct the use of the identified asset.

Assets in which the supplier or lessor has the practical ability and right to substitute alternative assets for the identified asset and would benefit economically from the exercise of its right to substitute the asset are not considered to be or contain a lease because the Organization determines it does not have the right to control and direct the use of the identified asset. The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating its contracts, the Organization separately identifies lease and non-lease components, such as maintenance costs, in calculating the right-of-use (ROU) asset and lease liability for its facility lease.

Leases result in the recognition of ROU assets and lease liabilities on the balance sheet. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. The Organization determines lease classification as operating or finance at the lease commencement date. The Organization did not have any finance leases as of June 30, 2023.

At lease inception, the lease liability is measured at the present value of the lease payments over the lease term. The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent and lease incentives. Topic 842 requires the use of the implicit rate in the lease when readily determinable. As the leases do not provide an implicit rate, the Organization elected the practical expedient to use the risk-free rate when the rate of the lease is not implicit in the lease agreement.

The lease term may include options to extend or to terminate the lease that the Organization is reasonably certain to exercise. The Organization has elected not to record leases with an initial term of 12 months or less on the balance sheet. Lease expense on such leases is recognized on a straight-line basis over the lease term.

Lease expense on operating leases is recognized over the expected lease term on a straight-line basis, while expense on finance leases is recognized using the effective interest rate method which amortizes the ROU asset to expense over the lease term and interest costs are expensed on the lease obligation throughout the lease term.

Upon adoption of Topic 842, the Organization elected the package of practical expedients permitted under the transition guidance within the new standard which includes the following: relief from determination of lease contracts included in existing or expiring leases at the point of adoption, relief from having to reevaluate the classification of leases in effect at the point of adoption and relief from reevaluation of existing leases that have initial direct costs associated with the execution of the lease contract.

The adoption of Topic 842 resulted in the recognition of the following assets and liabilities on July 1, 2022:

Operating lease right-of-use assets	$ 1,665,275
Current portion of operating lease liabilities	$ 172,735
Operating lease liabilities, less current portion	1,492,540
Operating lease liabilities	$ 1,665,275

Results for the period prior to July 1, 2022 continue to be reported in accordance with the Organization's historical accounting treatment for leases.

Property and Equipment

Property and equipment are carried at cost. Maintenance, repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Provision for depreciation is computed using the straight-line method over the useful lives of the related assets. The Organization's capitalization policy is applicable for acquisitions greater than $1,000.

Contributions

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received, which is then treated as cost. The gifts are reported as net assets with donor restrictions if they are received with donor stipulations that limit use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statements of operations and changes in net assets as net assets released from restriction.

The Organization reports gifts of property and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Functional Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation, interest, and office and occupancy costs, which are allocated on a square-footage basis, as well as the shared systems technology fees for the Organization's medical records and billing system, which are allocated based on the percentage of patients served by each function.

Deficiency of Revenue Over Expenses

The statements of operations reflect the deficiency of revenue over expenses. Changes in net assets without donor restrictions which are excluded from the deficiency of revenue over expenses include contributions of long-lived assets (including assets acquired using grants and contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through December 6, 2023, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Availability and Liquidity of Financial Assets

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents and a $1,000,000 line of credit (Note 5).

Financial assets available for general expenditure within one year were as follows:

	2023	2022
Cash and cash equivalents	$ 1,291,683	$ 3,198,957
Patient accounts receivable	1,857,818	1,422,968
Grants and other receivables	1,120,900	1,856,067
Financial assets available	4,270,401	6,477,992
Less net assets with donor restrictions	792,975	1,186,964
Financial assets available	$ 3,477,426	$ 5,291,028

The Organization had average days (based on normal expenditures) cash and cash equivalents on hand of 18 and 49 at June 30, 2023 and 2022, respectively.

3. Patient Accounts Receivable and Net Patient Service Revenue

Patient Accounts Receivable

Patient accounts receivable and due from third-party payers are stated at the amount management expects to collect from outstanding balances and consisted of the following:

	July 1, 2021	June 30, 2022	June 30, 2023
Direct patient services	$ 1,206,770	$ 1,302,100	$ 1,795,769
Contract 340B pharmacy program	95,608	120,868	62,049
Total patient accounts receivable	$ 1,302,378	$ 1,422,968	$ 1,857,818

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. The accounts receivable from patients and third-party payers, net of allowances, were as follows at June 30:

	2023	2022
Governmental plans		
Medicare	20 %	13 %
Medicaid	54 %	44 %
Commercial payers	20 %	19 %
Patient	6 %	24 %
Total	100 %	100 %

Net Patient Service Revenue

Net patient service revenue by payer is as follows for the years ended June 30:

	2023	2022
Gross charges	$ 18,699,505	$ 20,301,722
Less: Contractual adjustments and implicit price concessions	(7,132,770)	(7,313,357)
Sliding fee discount policy adjustments	(1,620,962)	(2,241,893)
Total net direct patient service revenue	9,945,773	10,746,472
Contract 340B program revenue	1,078,528	1,589,616
Total net patient service revenue	$ 11,024,301	$ 12,336,088

Revenue from Medicaid accounted for approximately 59% and 61% of the Organization's net patient service revenue for the years ended June 30, 2023 and 2022, respectively. No other individual payer represented more than 10% of the Organization's net patient service revenue.

4. Property and Equipment

Property and equipment consisted of the following as of June 30:

	2023	2022
Land	$ 81,000	$ 81,000
Building and leasehold improvements	5,428,684	5,420,954
Furniture and equipment	2,831,166	2,689,274
Total cost	8,340,850	8,191,228
Less accumulated depreciation	4,779,625	4,327,951
	3,561,225	3,863,277
Projects in process	35,907	-
Property and equipment, net	$ 3,597,132	$ 3,863,277

Property and equipment acquired with Federal grant funds are subject to specific federal standards for sales and other dispositions. In many cases, the Federal government retains a residual ownership interest in the assets, requiring prior approval and restrictions on disposition.

5. Line of Credit

The Organization has a $1,000,000 line of credit demand note with a local banking institution with interest at Bloomberg Short-Term Bank Yield Index rate plus 2.75% (7.97% at June 30, 2023). The line of credit is collateralized by all assets. There was no balance outstanding at June 30, 2023 and 2022.

The Organization has a 30-day paydown requirement on the line of credit, which was met for the year ended June 30, 2023.

6. Operating Leases

The Organization has entered into the following lease arrangements:

Long-term Operating Leases

The Organization has operating leases for clinic facilities with maturities ranging from December 2023 through March 2034. Certain leases contain renewal options and escalation clauses which range from 2% to 6.73%. Termination of the leases are generally prohibited unless there is a violation under the lease agreement.

Short-Term Leases

The Organization has certain leases that are for a period of 12 months of less or contain renewals for periods of 12 months or less.

Lease Cost

Lease cost, which approximates lease payments, for the year ended June 30, 2023 was as follows:

Operating leases	$ 255,964
Short-term leases	278,944
Total	$ 534,908

Other Information

Weighted-average remaining lease term:	
Operating leases	9 years
Weighted-average discount rate:	
Operating leases	2.88%

Future Minimum Lease Payments and Reconciliation to the Balance Sheet

Future minimum payments due under the facility lease agreements for the years ending June 30, are as follows:

2024	$ 218,624
2025	216,166
2026	160,335
2027	166,940
2028	148,062
Thereafter	804,198
Total future undiscounted lease payments	1,714,325
Less present value discount	220,818
Total operating lease liabilities	1,493,507
Current portion of operating lease liabilities	178,529
Operating lease liabilities, net of current portion	$ 1,314,978

7. Long-Term Debt

Long-term debt consisted of the following as of June 30:

	2023	2022
Note payable, with a local bank (see terms below)	$ 1,467,285	$ 1,509,956
Less current maturities	1,467,285	53,464
Long-term debt, less current maturities	$ -	$ 1,456,492

The Organization has a promissory note with Citizens Bank, N. A. (Citizens), collateralized by real estate, for $1,670,000 with New Hampshire Health and Education Facilities Authority participating in the lending for $450,000 of the note payable. Monthly payments of $8,011, including interest fixed at 3.05%, are based on a 25-year amortization schedule and are to be paid through April 2026, at which time a balloon payment will be due for the remaining balance.

Scheduled principal repayments of long-term debt for the next five years follows as of June 30:

2024	$ 50,852
2025	52,602
2026	1,363,831
Total	$ 1,467,285

The Organization is required to meet an annual minimum working capital and debt service coverage debt covenants as defined in the loan agreement with Citizens. In the event of default, Citizens has the option to terminate the agreement and immediately request payment of the outstanding debt without notice of any kind to the Organization. The Organization was not in compliance with the debt service coverage ratio at June 30, 2023, accordingly the full amount of the note is reported as a currently liability in the accompanying balance sheet as of June 30, 2023.

8. Net Assets

Net assets were as follows as of June 30:

	2023	2022
Net assets without donor restrictions		
Undesignated	$ 3,068,175	$ 5,467,935
Designated for working capital	505,929	505,929
Total	$ 3,574,104	$ 5,973,864

	2023	2022
Net assets with donor restrictions for specific purpose		
Temporary in nature		
Healthcare and related program services	$ 259,485	$ 624,570
Building improvements	310,000	305,000
Child health services	122,132	156,036
	691,617	1,085,606
Permanent in nature		
Available to borrow for working capital as needed	101,358	101,358
Total	$ 792,975	$ 1,186,964

9. Benefit Plans

The Organization has a defined contribution plan under Internal Revenue Code Section 403(b) that covers substantially all employees. The Organization contributed $305,200 and $329,371 during the years ended June 30, 2023 and 2022, respectively.

The Organization provides health insurance to its employees through a captive self-insurance plan. The Organization estimates and records a liability for claims incurred but not reported for employee health provided through the captive self-insured plan. The liability is estimated based on prior claims experience and the expected time period from the date such claims are incurred to the date the related claims are submitted and paid.

10. Medical Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of June 30, 2023, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and additional medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

11. Financial Improvement Plan

The Organization incurred a significant operating loss during the year ended June 30, 2023 and has declining working capital and limited days of cash and cash equivalents on hand. These factors raise substantial doubt regarding the Organization's ability to continue as a going concern through one year from December 6, 2023, which is the financial statements were available to be issued.

Management has identified several areas where costs can be reduced or income can be expanded and believes will alleviate the substantial doubt regarding the Organization's ability to continue as a going concern, including:

- During 2023 the Organization underwent a conversion of it's electronic health medical record. During the transition, the revenue cycle team had limited resources to implement the new system as well as keep existing collection efforts current. As a result, write-offs exceeded average write-offs by approximately $780,000, which is not expected to recur in 2024.
- The State of New Hampshire is rebasing the Medicaid payment rate effective October 1, 2023. The annualized impact of the change in rates is approximately $2,500,000.
- The Organization recognized there will be reductions in grant revenue in 2024 due to the end of COVID-19 funding. The Organization has also identified staffing cuts and reductions in cost of contracted services to offset the reduced grant revenue.

Notes to Schedule of Expenditures of Federal Awards

Year Ended June 30, 2023

1. Summary of Significant Accounting Policies

Expenditures reported in the Schedule of Expenditures of Federal Awards (Schedule) are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement.

2. De Minimis Indirect Cost Rate

Amoskeag Health (the Organization) has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

3. Basis of Presentation

The Schedule includes the federal grant activity of the Organization. The information in this Schedule is presented in accordance with the requirements of the Uniform Guidance. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Amoskeag Health

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Amoskeag Health (the Organization), which comprise the balance sheet as of June 30, 2023, and the related statements of operations and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 6, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Board of Directors
Amoskeag Health

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Amoskeag Health

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Amoskeag Health's (the Organization) compliance with the types of compliance requirements identified as subject to audit in the Office of Management and Budget *Compliance Supplement* that could have a direct and material effect on its major federal program for the year ended June 30, 2023. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2023.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with U.S. generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors
Amoskeag Health

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

10+ years Experienced RN

[redacted]

Experienced Nurse with over twelve years of experience in a multitude of areas and settings including Critical Care, Labor and Delivery, ER and Psych.

Work Experience

ER Nurse

Lowell General Hospital - Lowell, MA
February 2023 to Present

Emergency department RN taking care of a range of patients and acuity levels. Patient populations include but not limited to Critical Care, Trauma, STEMI, Stroke activation, Moderate Sedation, Pediatrics, and Psych.

Behavioral Health Charge RN

Haverhill Pavilion Behavioral Health - Haverhill, MA
July 2022 to December 2022

At Haverhill Pavilion I work as a Charge Nurse on a 26 bed unit. My job includes rounding on patients with treatment team, initiating and updating all patient treatment plans, managing acute situations such as Restraints (physical, chemical and mechanical) and acute medical send outs, writing notes on 8-12 patients, talking with doctors as needed, overseeing bed placement and census including admission, discharges and room transfers. I also create the assignment every morning along with the safety huddle and oversee all other nurses and BHAs on unit.

Labor and Delivery Registered Nurse

Elliot Hospital - Manchester, NH
November 2021 to July 2022

Busy 10-bed Labor and Delivery unit providing care to perinatal patients including
Antepartum, Preterm Labor, Pre-eclampsia, Labor patients, IOLs, C-Section patients and critical Postpartum Patients. Hospital delivers all gestational ages.

Registered Nurse

Catholic Medical Center - Manchester, NH
January 2019 to November 2021

Experience with Ante, Labor, and Postpartum Care. Labor trained for three years, cross trained to special care nursery.

- Left in order to pursue a position on a dedicated labor and delivery floor, that takes on more critical labor and delivery patients and delivers a younger gestational age.

CVOR Registered Nurse

Catholic Medical Center - Manchester, NH
July 2017 to December 2019

RN managing care of CT surgery patients pre-op, RN circulator during CT surgery cases including on/off pump CABG, valve replacements, TAVR, Lung surgeries, and bypass warming of hypothermic patients.
· Left in order to obtain a more flexible schedule with 12 hours shifts in anticipation of first child. Husband also started as an ER nurse working nights at
CMC.

Registered Nurse ICU,

Catholic Medical Center - Manchester, NH
June 2015 to July 2017

Cared for 1:1, 1:2 and 2:1 critical patients, including vented patients, patients on vasopressors, IABP, CCRT, Impella, ECMO and post CABG/Valve replacement patients fresh out of OR. Experience with opening chests at bedside, coding patients and rapid management of septic patients.
· Left to pursue job in CVOR, per request of CT Surgeons

Registered Nurse Noninvasive Cardiology,

Catholic Medical Center - Manchester, NH
October 2012 to July 2017

Performed stress tests and TEE procedures under conscious sedation or in conjunction with Anesthesia Department.
· Left in order to pursue job in CVOR. Was unable to have OT hours in this department per hospital.

ICU Registered Nurse

Dartmouth Hitchcock Medical Center - Lebanon, NH
March 2016 to October 2016

Cared for 1:1, 1:2 and 2:1 critical patients. Floated through all ICUs per demand, including Cardiac ICU, Trauma ICU, Neuro ICU, Medical ICU and the PICU. Experience with a variety of patient types including rapid response to DART Trauma patients.
· Left in order to meet schedule requirements to be trained for CT surgery patient, freshly Post-op.

Cath Lab and EP Lab Registered Nurse

Concord Hospital - Concord, NH
May 2013 to May 2015

Floated between Cath Lab and EP lab as needed. In Cath Lab, cared for both routine
Cardiac Catherization patients as well as STEMIs. Also performed Cardioversions and Cardiac CTs. In EP lab, assisted with pacemaker and ablation procedures.
· Left due to difficulty meeting call response time after moving from Hooksett to
Manchester for financial reasons.

Registered Nurse

Elliot Hospital - CICU
December 2011 to June 2014

Took care of 3-5 intermediate patient assignments. Worked as charge and resource nurse.
· Left because was unable to keep up with requirements due to increased call at my
Cath lab job at Concord Hospital.

Registered Nurse

Vascular, Vein and Aesthetic Institute - Salem, NH
May 2011 to November 2011

Aided in liposuction, varicose vein removal and a variety of other aesthetic procedures.
· Left to pursue hospital job, once I got accepted for a position.

Weeks Medical Center	177171-R001	Lancaster	$617,806
White Mountain Community Health Center	174170-R001	Conway	$624,885
		Total:	**$8,158,520**

Funds are available in the following accounts for State Fiscal Years 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Department to increase access to integrated prevention and primary health care for the Maternal and Child Health (MCH) target population of women, infants, children and adolescents, and to address the maternal and youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

Approximately 194,940 individuals will be served from June 1, 2022 to June 30, 2024.

The Contractors will provide increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, and pregnant women and women of childbearing age, and must not exclude individuals who are uninsured; underinsured; and/or considered low-income. Integrated prevention and primary health care services are provided to individuals who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. The Contractors will integrate and coordinate access to medical, behavioral and social services by reducing barriers to care through an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will monitor services through the following performance measures:

- Percent of infants who were ever breastfed.
- Percent of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percent of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.

The Department selected the Contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from January 14, 2022 through February 25, 2022. The Department received 10 responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, pregnant women and women of childbearing age, and individuals who are uninsured; underinsured; considered low-income.

Source of Federal Funds: CFDA #93.994, FAIN B04MC45230

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials DS

Date 5/17/2022

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor Initials

Date 5/17/2022

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall increase access to integrated healthcare for the Maternal and Child Health (MCH) target population of Women, Infants, Children and Adolescents from birth to 21 years of age, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

1.2. The Contractor shall provide and increase access to healthcare for New Hampshire Infants, Children and Adolescents from birth to 21 years of age, and Pregnant Women and Women of Childbearing age, and must not exclude individuals who are:

1.2.1. Uninsured.

1.2.2. Underinsured.

1.2.3. Considered low-income defined as less than 185% of the U.S. Department of Health and Human Services (US DHHS) Poverty Guidelines.

1.2.4. Lacking housing, including individuals whose primary residence during the night is a supervised public or private facility, such as a shelter, that provides temporary living accommodations.

1.2.5. Residing in transitional housing.

1.2.6. Unable to maintain their housing situation.

1.2.7. Forced to stay with a series of friends and/or extended family members, hence are considered homeless.

1.2.8. Recently released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.3. The Contractor shall provide integrated preventative and primary health care services to the populations in Subsection 1.2 above, which must include:

1.3.1. Behavioral health care;

1.3.2. Prenatal care either on site or by referral;

1.3.3. Care management; and

1.3.4. Enabling services.

1.4. The Contractor shall provide eligibility determination services that include, but are not limited to:

1.4.1. Notifying the Department in writing if/when access to primary care services for new patients is limited or closed for more than thirty (30)

consecutive business days or any sixty (60) non-consecutive business days.

1.4.2. Assisting individuals with completing a Medicaid/Expanded Medicaid and/or other health insurance applications.

1.4.3. Maximizing billing to private and commercial insurances for all reimbursable services rendered.

1.4.4. Posting a public notice in a conspicuous location specifying that no individual will be denied services due to inability to pay.

1.4.5. Developing and implementing a sliding fee scale for services in accordance with the Federal Poverty Guidelines and providing the sliding fee scale to the Department upon request.

1.5. The Contractor shall ensure primary care services are provided by a New Hampshire licensed:

1.5.1. Medical Doctor (MD);

1.5.2. Doctor of Osteopathic Medicine (DO);

1.5.3. Advanced Practice Registered Nurse (APRN); and/or

1.5.4. Physician Assistant (PA) to eligible individuals in the service area.

1.6. The Contractor shall provide services in an office-based setting which may include, but is not limited to:

1.6.1. Federally Qualified Health Centers (FQHCs) and/or Rural Health Clinics.

1.6.2. School Based Health Clinics.

1.6.3. Mobile Care Delivery Services.

1.7. The Contractor shall ensure services include, but are not limited to:

1.7.1. Reproductive health services.

1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral.

1.7.3. Preventive primary care services for women, infants, children and adolescents, including screenings and health education in accordance with established, documented state or national guidelines and evidence based practices.

1.7.4. Integrated behavioral health services.

1.7.5. Assessment of need and follow-up/referral as indicated for:

1.7.5.1. Tobacco cessation, including referral to programs such as QuitWorks-NH (http://www.QuitWorksNH.org);

1.7.5.2. Social services that address Social Determinants of Health (SDOH);

1.7.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA);

1.7.5.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

1.7.5.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services; and

1.7.5.6. Referrals to any specialists as needed that are not offered on site, including home visiting services and oral health.

1.8. The Contractor shall provide and facilitate enabling services to all individuals served with special emphasis given to the MCH population of women and infants, children and adolescents from birth to 21 years of age. Enabling services must include at a minimum:

1.8.1. Case management;

1.8.2. Benefit counseling and/or eligibility assistance;

1.8.3. Health education and supportive counseling; and

1.8.4. Language interpretation, outreach, transportation and education of patients and the community regarding the availability and appropriate use of health services.

1.9. The Contractor shall ensure management services for individuals enrolled for primary care services include, but are not limited to:

1.9.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, and in a culturally and linguistically appropriate manner; and

1.9.2. Direct access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, by referral or subcontract.

1.10. The Contractor shall develop, define, facilitate and implement a minimum of two (2) enabling services initiatives and enabling services initiative work plans that focus on the Title V MCH Block Grant population of women, infants, children and adolescents, as follows:

1.10.1. Initiative One (1) – Screening and Referrals for SDOH, in accordance with Attachment #1; and

1.10.2. Initiative Two (2) – Increase Lactation Support to Postpartum Women, in accordance with Attachment #2.

1.11. The Contractor shall monitor, update and implement each enabling services initiative work plan in accordance with Attachment #3 – Reporting Requirements Calendar.

1.12. The Contractor shall develop, define, facilitate and implement a minimum of two (2) quality improvement (QI) projects, which must consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of all individuals served, including:

1.12.1. QI Project One (1): Adolescent Well Visit, in accordance with Attachment #4; and

1.12.2. QI Project Two (2): M-CHAT Screening, in accodance with Attachment #5.

1.13. The Contractor shall monitor, update and implement the work plans for each QI project in accordance with Attachment #3 – Reporting Requirements Calendar.

1.14. The Contractor shall attend in-person and/or virtual meetings and trainings facilitated by the Department, which include, but are not limited to:

1.14.1. MCH Agency Directors' Meetings scheduled by the Department on an as-needed basis.

1.14.2. MCH Primary Care Coordinators' Meetings up to two (2) times per year, which may require attendance by selected Vendor(s) quality improvement and clinical staff.

1.15. The Contractor shall ensure all services in this Exhibit B, Scope of Services, are provided by qualified health and allied health professionals.

1.16. The Contractor shall provide supporting documentation to the Department that verifies staff hours funded under the Agreement that may include, but is not limited to, timecards.

1.17. The Contractor shall ensure all health and allied health professionals possess and maintain the appropriate and current New Hampshire licenses whether directly employed, contracted or subcontracted.

1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator or staff person essential to providing services. The Contractor shall ensure notification:

1.18.1. Is provided to the Department no later than thirty business (30) days from the date of hire; and

1.18.2. Includes a copy of the newly hired individual's resume.

1.19. The Contractor shall notify the Department in writing when:

1.19.1. Any critical position is vacant for more than thirty (30) business days;

1.19.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive business days or any sixty (60) non-consecutive business days.

1.20. The Contractor shall ensure that all employees and subcontractors providing direct services to clients under this Agreement have undergone a criminal background check and have no convictions for crimes that represent evidence of behavior that could endanger clients served under this Agreement.

1.21. The Contractor shall permit an individual, or team or individuals, authorized by the Department to schedule and conduct periodic virtual and/or on-site reviews of documentation related to contracted services, including:

1.21.1. Administration;

1.21.2. Data collection and submission;

1.21.3. Clinical and financial management; and

1.21.4. Delivery of education services.

1.22. The Contractor shall ensure the information needed by the Department to conduct virtual and/or on-site reviews is available, which may include, but is not limited to:

1.22.1. Client records.

1.22.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

1.23. The Contractor shall adhere to any corrective action plans issued by the Department should virtual and/or on-site reviews yield results that services provided are not in compliance with the Agreement. Any corrective action plans shall not prevent the Department from taking action under paragraph 8, Event of Default/Remedies and paragraph 9, Termination, of the General Provisions, Form P-37, of the Agreement.

1.24. The Contractor shall actively and regularly collaborate with the Department to enhance contract management and improve results.

1.25. The Contractor may be required to collect and share other key data and metrics with the Department, including client-level demographic, performance, and service data, in a format specified by the Department.

1.26. Reporting

1.26.1. The Contractor shall collect and submit the data and reports as specified in Attachment #3 – Reporting Requirements Calendar to the Department. Data must be de-identified and aggregated to prevent constructive identification of any individual, and must include but is not limited to:

1.26.1.1. Uniform Data System (UDS) outcomes.

1.26.1.2. Performance Measure outcomes.

1.26.1.3. Work plan for each Enabling Service Initiative.

1.26.1.4. Work Plan for each QI Project.

1.27. Performance Measures

1.27.1. The Contractor shall report data on the Performance Measures in Appendix F at regular intervals as specified in Appendix G – Reporting Requirements Calendar, utilizing Appendix K – DTT-PC2022 Template.

1.27.2. The Contractor shall meet or exceed their proposed goals and objectives for the required Performance Measures in Attachment #6. Should the Contractor not meet or exceed their goals, the Contractor shall submit a Performance Measure Improvement Plan for each unmet Performance Measure, utilizing Attachment #7 – Performance Measure Outcome Report Template, at reporting intervals as specified in Appendix G – Reporting Requirements Calendar.

1.27.3. The Department may identify other performance measures in the resulting Agreement.

2. Exhibits Incorporated

2.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

2.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

2.3. The Contractor shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

3. Additional Terms

3.1. Impacts Resulting from Court Orders or Legislative Changes

3.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

3.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

3.2.1. The Contractor shall submit, within ten (10) days of the Agreement Effective Date, a detailed description of the communication access and language assistance services to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

3.3. Credits and Copyright Ownership

3.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement shall include the following statement, "The preparation of this (report, document etc.) was financed under an Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

3.3.2. All materials produced or purchased under the Agreement shall have prior approval from the Department before printing, production, distribution or use.

3.3.3. The Department shall retain copyright ownership for any and all original materials produced, including, but not limited to:

3.3.3.1. Brochures.

3.3.3.2. Resource directories.

3.3.3.3. Protocols or guidelines.

3.3.3.4. Posters.

3.3.3.5. Reports.

3.3.4. The Contractor shall not reproduce any materials produced under the Agreement without prior written approval from the Department.

3.4. Operation of Facilities: Compliance with Laws and Regulations

3.4.1. In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental

license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

4. Records

4.1. The Contractor shall keep records that include, but are not limited to:

4.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

4.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

4.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

4.1.4. Medical records on each patient/recipient of services.

4.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts. Upon the purchase by the Department of the maximum number of units provided for in the Agreement and upon payment of the price limitation hereunder, the Agreement and all the obligations of the parties hereunder (except such obligations as, by the terms of the Agreement are to be performed after the end of the term of this Agreement and/or survive the termination of the Agreement) shall terminate, provided

however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT C

Payment Terms

1. This Agreement is funded by:
   1.1. 10% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration, CFDA #93.994, FAIN B04MC45230.
   1.2. 90% General funds.
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget through Exhibit C-3, Budget.
4. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:
   4.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.
   4.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.
   4.3. Identifies and requests payment for allowable costs incurred in the previous month.
   4.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.
   4.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.
   4.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to DPHSContractBilling@dhhs.nh.govor mailed to:

        Financial Manager
        Department of Health and Human Services
        129 Pleasant Street
        Concord, NH 03301

5. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

6. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract completion date specified in Form P-37, General Provisions Block 1.7 Completion Date.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

8.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

8.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

8.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

Vendor Initials DS

Date 5/17/2022

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

New Hampshire Department of Health and Human Services
Exhibit E

CERTIFICATION REGARDING LOBBYING

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

New Hampshire Department of Health and Human Services
Exhibit G

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

New Hampshire Department of Health and Human Services
Exhibit H

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.

2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.

3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

VI. PERSONS TO CONTACT

Attachment #1 – Screening and Refrrals for SDOH Work Plan

Enabling Services Work Plan #1			
Agency Name: Amoskeag Health Role of Person(s) Completing Work Plan: Dr. Gavin Muir & Kris McCracken			
Enabling Services Focus Area: Screening and Referrals for SDOH			
Project Goal: Assist patients in accessing healthcare by identifying and assisting with patient barriers related to social determinants of health			
Project Objective: 45%			
Activities: (list as many activities as are planned to reach the Objective)	Staff/Resources Involved (list foreach activity)	Evaluation Plans (list as needed for each activity).	Timeline for Activity (estimated timeline for the duration of each activity)
Complete implementation of Simple Interact Patient Engagement software and automate annual screening for SDOH related issues.	Project Manager, Patient Access Coordinator, Case Management leadership team.	Monthly audits of EMR to track numbers completed	July 1, 2022
Update the amount of current cell phone numbers on file	Patient Access Coordinator, Call Center Coordinator, Interpreter Staff, Diabetic Educator, Nutritionist	Monthly audits of EMR to track percentage of patients with cell phone on file	December 31, 2022
Improve the number of patients with a current email on file	Patient Access Coordinator, Call Center Coordinator, Interpreter Staff, Diabetic Educator, Nutritionist	Monthly audits of EMR to track percentage of patients with email on file	December 31, 2022
Revise new patient workflow to include initial SDOH screen	Patient Access Coordinator, Project Manager	Simple Interact Implementation Team to monitor progress	July 1, 2022
Revise established patient workflow and utilize EMR to generate lists of patients over 365 days since last screen	Project Manager, Healthcare Data Analyst	Simple Interact Implementation Team to monitor progress	July 1, 2022
Oversight by QI leadership team of progress, QI Ops team to assist with implementing changes if needed	CMO, CEO, Healthcare Data Analyst, QI Operations Team	Monthly audits of EMR to track progress	Q6 months during contract period per agreement

Quality Improvement Work Plan #2 **Agency Name:** Amoskeag Health **Name and Role of Person(s) Completing Work Plan:** Dr. Gavin Muir & Kris McCracken			
MCH Performance Measure: M-CHAT Screening			
Project Goal: Increase number of children screened for autism in early childhood.			
Project Objective: 75%			
-Activities: (list as many activities as are planned to reach the Objective)	Staff/Resources Involved (list foreach activity)	Evaluation Plans (list as needed for each activity)	Timeline for Activity (estimated timeline for the duration of each activity)
Complete implementation of Simple Interact Patient Engagement software and automate health maintenance visit reminders	Project Manager, Patient Care Coordinators, Interpreters	Monthly audits of EMR to track numbers completed	October 2022
Prep patient charts with reminder at appropriate ages to complete M-CHAT if not completed during pre-visit process with Simple Interact	Immunization Coordinators	Feedback from provider staff about preparedness of chart during department meetings.	May 2022
Utilize Simple Interact to complete M-CHAT in advance of visit	Project Manager, Patient Care Coordinators, Interpreters	Monthly Audits of EMR to track percentage of patients with M-CHAT completed	October 2022
Update the amount of current cell phone numbers on file	Patient Access Coordinator, Call Center Coordinator, Interpreter Staff, Patient Care Coordinators	Monthly audits of EMR to track percentage of patients with cell phone on file	July 2022
Improve the number of patients with a current email on file	Patient Access Coordinator, Call Center Coordinator, Interpreter Staff, Patient Care Coordinators	Monthly audits of EMR to track percentage of patients with email on file	July 2022

Attachment #6 – Performance Measures

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the intention is that Contractors would accordingly go by the most up to date UDS guidance for these measures.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down in to two age based measures, based on current NH Legislation, RSA 130-A:5-a, which requires that children be tested for lead at age 1 as well as at age 2.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months (NH MCHS).

DS

5/17/2022

Attachment #6 – Performance Measures

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between twelve (12) months through twenty three (23) months of age.

2.2.1.2. Denominator: All children who turned twenty-four months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months (NH MCHS).

2.2.2.1. Numerator: All children who received at least one capillary or venous blood lead test between twenty-four (24) through thirty-six (36) months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool on the date of the encounter or up to 14 days prior to the date of the encounter using an age appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

Attachment #6 – Performance Measures

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose

and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

Adult Measure

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI during the measurement period **AND** if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: BMI ≥ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the measurement year or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

Child/Adolescent Measure

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting

year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year **AND** who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: Number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco at least one within the past twelve (12) months AND received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least two (2) medical visit during the measurement year, OR 1 preventative visit

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

Attachment #6 – Performance Measures

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) –Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adult Measure

2.7.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

Adolescent Measure

2.7.2. SBIRT – Percent of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: All patients aged 12-17 years during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.7.2.4. Definitions:

2.7.2.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.2.4.2. Brief Intervention: Includes guidance or counseling.

2.7.2.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

DS

5/17/2022

Attachment #6 – Performance Measures

2.7.3. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.3.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services

2.7.3.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.3.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8 Developmental Screening Measure

Percent of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months (NH MCHS)

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and who had at least (1) medical visit during the measurement year

DS

5/17/2022

Attachment #7 – Performance Measure Outcome Report Template

Instructions for completing this Performance Measure Outcome Report (PMOR):
The Performance Measure Outcome Report (PMOR) is to be completed by your agency and emailed to shari.campbell@dhhs.nh.gov at the intervals specified on the Reporting Calendar.

Please complete the Narrative and Plan for Improvement sections for any of the following measures where your agency did not meet your agency target for the reporting period (July 1, 20XX – June 30, 20XX).

Performance measures:

- Breastfeeding
- Lead Screening for 1 Year Olds
- Lead Screening for 2 Year Olds
- Adolescent well care visit
- Depression screening and follow up plan if positive screening, 12 years and older
- Maternal Depression Screening
- Adults with documented BMI and follow-up plan if BMI outside of normal range
- Children 3-17 with documented BMI, nutrition counseling and physical activity counseling
- Adult tobacco screening and cessation counseling intervention for smokers
- Prenatal Tobacco screening each trimester and cessation counseling intervention for smokers
- SBIRT, Adults
- SBIRT, Adolescents
- SBIRT, Pregnant Women
- Developmental Screening-M-CHAT

* Note: Not met performance measures that have been addressed by your agency SFYXX Work Plan are excluded from this report. For example, the PMOR will omit Adolescent Visit measure for Primary Care Services

1. The Narrative section is to explain what happened during the year i.e. why measure was not met, what barriers/challenges your agency faced, describe any improvement activities that took place during the year to correct along the way, etc.

2. The Plan for Improvement section is to describe what steps your agency will take to achieve your agency target in SFYXX i.e. describe your strategy (PDSA), what will you plan to do differently etc.

3. Please email your completed PMOR **Shari Campbell at shari.campbell@dhhs.nh.gov by the dates indicated in the Reporting Calendar.** If you have any questions about completing this document, please contact Jannell Levine at Jannell.E.Levine@dhhs.nh.gov or 603-856-6449.

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Maternal and Child Health Care in the Integrated Primary Care Setting contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Concord Hospital, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 15, 2022 (Item #32), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $950,181

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Section 1.3.2., to read:

   1.3.2. Prenatal care either on site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data related to prenatal performance measures.

5. Modify Exhibit B, Scope of Services, Section 1.7.2., to read:

   1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data relating to prenatal performance measures to the Department.

6. Modify Exhibit B, Scope of Services, Section 1.10.1. through Section 1.10.2., to read:

   1.10.1. Initiative One (1) – Screening and Referrals for SDOH; and

   1.10.2. Initiative Two (2) – Contractor's choice, which must focus on enabling services.

7. Modify Exhibit B, Scope of Services, Section 1.12.1. through Section 1.12.2., to read:

   1.12.1. QI Project One (1): Increasing Adolescent Well Visits; and

   1.12.2. QI Project Two (2): Increasing post-partum clinical depression screening of women within the first 12 weeks after delivering.

8. Modify Exhibit B, Scope of Services, Section 1.18., to read:

   1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator, or staff person essential to providing services and/or any personnel changes to these positions. The Contractor shall ensure notification:

   1.18.1. Is provided to the Department no later than thirty (30) business days from the date of hire or personnel change; and

   1.18.2. Includes a copy of the new staff individual's resume as well as an updated

staffing list.

9. Modify Exhibit B, Scope of Services, by adding Section 1.28., to read:

   1.28. The Contractor shall provide de-identifiable patient level data on the integrated and primary health care services provided, as specified in Subsection 1.3., and Section 1.26. Reporting.

10. Modify Exhibit C, Payment Terms, Section 1.1. through Section 1.2., to read:

    1.1. 14% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Assistance Listing Number (ALN) 93.994, FAIN B04MC45230, and as awarded on October 27, 2022, ALN 93.994, FAIN B04MC47432.

    1.2. 86% General funds.

11. Modify Exhibit C, Payment Terms, Section 3., to read:

    3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget Sheet through Exhibit C-4, Budget Sheet, Amendment #1.

12. Modify Exhibit C, Payment Terms, Section 4.3., to read:

    4.3. Identifies and requests payment for allowable costs incurred in the previous month. Allowable costs are costs incurred that specifically supports only New Hampshire Infants, Children and Adolescents from birth to 21 years of age, Pregnant Women, and Women of Childbearing age.

13. Modify Add Exhibit C, Payment Terms, by adding Section 4.7., to read:

    4.7. Includes budget line items that are used exclusively for serving the Maternal and Child Health population and invoicing must clearly state how the incurred expenses benefited this specific patient population.

14. Modify Attachment 3, Reporting Calendar, by replacing it in its entirety with Attachment 3, Amendment #1, Reporting Requirements Calendar, which is attached hereto and incorporated by reference herein.

15. Modify Attachment 6, Performance Measures, by replacing it in its entirety with Attachment 6, Amendment #1 – SFY 2025 Performance Measures, which is attached hereto and incorporated by reference herein.

16. Modify Attachment 7, Performance Measure Outcome Report (PMOR), by replacing it in its entirety with Attachment 7, Amendment #1, Performance Measure Outcome Report (PMOR), which is attached hereto and incorporated by reference herein.

17. Add Attachment 8, Amendment #1, DTT – MCH in the Integrated Primary Care Setting Template, which is attached hereto and incorporated by reference herein.

18. Add Exhibit C-4, Budget Sheet, Amendment #1, which is attached hereto and incorporated by reference herein.

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2024, upon Governor and Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

1. Definitions

1.1. **Measurement Year** – Consists of 365 days and is defined as either:

1.1.1. A Calendar Year (January 1st through December 31st), or

1.1.2. A State Fiscal Year (July 1st through June 30th).

1.2. **Medical Visit** –Defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. The UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the expectation is that the Contractor will adhere to the most up to date UDS guidance.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who were ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for approximately six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down into two (2) age-based measures, based on current NH Legislation RSA 130-A:5-a, which requires children be tested for lead at one (1) year of age, and at two (2) years of age.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between 12 and 23 months of age (NH MCHS).

DS
RS

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between 12 and 23 months of age.

2.2.1.2. Denominator: All children who turned 24 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between 24 and 36 months of age (NH MCHS).

2.2.2.1. Numerator: All children who received at least one (1) capillary or venous blood lead test between 24 and 36 months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool on the date of the encounter or within 14 days prior to the date of the encounter **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients 12 through 21 years of age who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 through 21 years of age by the end of the measurement year who had at least one (1) medical visit during the measurement year.

DS
RS
5/6/2024

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit in the first 12 weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

DS RS

5/6/2024

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.5. **Preventive Health: Obesity Screening**

Child/Adolescent Measure

2.5.1. Percent of patients three (3) through 17 years of age who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.1.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.1.2. Denominator: Number of patients who were one (1) year after their second (2nd) birthday (i.e., three (3) years of age) through adolescents who were up to one (1) year past their 16th birthday (i.e., 17 years of age) at some point during the measurement year, who had at least one (1) medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.1.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers **PLUS** queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) – Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adolescent Measure

2.7.1. SBIRT – Percent of patients 12 through 17 years of age who were screened for substance use using a formal valid screening tool during

any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use using a formal valid screening tool during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients 12 through 17 years of age during the measurement year with at least one (1) medical visit during the measurement year and with at least two (2) medical visits ever.

2.7.1.4. Definitions:

2.7.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.1.4.2. Brief Intervention: Includes guidance or counseling.

2.7.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.7.2. Percent of pregnant women who were screened using a formal valid screening tool for substance use during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of women in the denominator who were screened for substance use using a formal and valid screening tool during each trimester they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8. **Developmental Screening Measure**

Percent of children who reached 30 months of age by the end of the reporting period, and were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age (NH MCHS).

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age.

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and had at least one (1) medical visit during the measurement year.

State of New Hampshire

Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that CONCORD HOSPITAL, INC. is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on January 29, 1985. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: 74948

Certificate Number : 0005751457

IN TESTIMONY WHEREOF,

I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this 1st day of April A.D. 2022.

David M. Scanlan

Secretary of State

CERTIFICATE OF AUTHORITY

I, Lucy Hodder, Esq., hereby certify that:

1. I am a duly elected Secretary of Concord Hospital, Inc.

2. The following is a true copy of a vote taken at a meeting of the Board of Trustees, duly called and held on January 22, 2024, at which a quorum of the Trustees were present and voting.

   VOTED: That Robert Steigmeyer, President and CEO, is duly authorized on behalf of Concord Hospital, Inc. to enter into contracts or agreements with the State of New Hampshire and any of its agencies or departments and further is authorized to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, which may in his/her judgment be desirable or necessary to effect the purpose of this vote.

3. I hereby certify that said vote has not been amended or repealed and remains in full force and effect as of the date of the contract/contract amendment to which this certificate is attached. This authority was valid thirty (30) days prior to and remains valid for thirty (30) days from the date of this Certificate of Authority. I further certify that it is understood that the State of New Hampshire will rely on this certificate as evidence that the person(s) listed above currently occupy the position(s) indicated and that they have full authority to bind the corporation. To the extent that there are any limits on the authority of any listed individual to bind the corporation in contracts with the State of New Hampshire, all such limitations are expressly stated herein.

DATED: 04/16/2024

Lucy Hodder, Esq.
Concord Hospital, Secretary of the Board

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 03/06/2024

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. Concord Hospital Mission Statement

Concord Hospital is a charitable organization which exists to meet the health needs of individuals within the communities it serves.

It is the established policy of Concord Hospital to provide services on the sole basis of the medical necessity of such services as determined by the medical staff without reference to race, color, ethnicity, national origin, sexual orientation, marital status, religion, age, gender, disability, or inability to pay for such services.

Approved by Board of Trustees 10-21-02; Reaffirmed by Board 11-23-03, 11-15-04, 11-21-05; 11-20-06, 11-19-07, 11-17-08, 11-16-09, 10-18-10, 9-19-11, 9-24-12, 9-23-13, 9-22-14, 9-28-15, 9-26-16, 9-25-17, 9-24-18, 9-23-19, 9-28-20, 9-27-21, 9-26-22, 4-17-23

INDEPENDENT AUDITORS' REPORT

The Board of Trustees
Concord Hospital, Inc. and Subsidiaries

Opinion

We have audited the consolidated financial statements of Concord Hospital, Inc. and Subsidiaries (the System), which comprise the consolidated balance sheets as of September 30, 2022 and 2021, the related consolidated statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the System as of September 30, 2022 and 2021, and the results of its operations, changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the System and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the System's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

The Board of Trustees
Concord Hospital, Inc. and Subsidiaries

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the System's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the System's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental disclosure of noncash transactions:
The System acquired certain assets and liabilities of Granite Shield Insurance Exchange and Subsidiary during 2021 for no consideration. See note 3.

See accompanying notes.

1. Description of Organization and Summary of Significant Accounting Policies

Organization

Concord Hospital, Inc. (the Hospital), located in Concord, New Hampshire, is a not-for-profit acute care hospital. The Hospital provides inpatient, outpatient, emergency care and physician services for residents within its geographic region. Admitting physicians are primarily practitioners in the local area. The Hospital is controlled by Capital Region Health Care Corporation (CRHC).

In 1985, the then Concord Hospital underwent a corporate reorganization in which it was renamed and became CRHC. At the same time, the Hospital was formed as a new entity. All assets and liabilities of the former hospital, now CRHC, with the exception of its endowments and restricted funds, were conveyed to the new entity. The endowments were held by CRHC for the benefit of the Hospital, which is the true party in interest. Effective October 1, 1999, CRHC transferred these funds to the Hospital.

In March 2009, the Hospital created The Concord Hospital Trust (the Trust), a separately incorporated, not-for-profit organization to serve as the Hospital's philanthropic arm. In establishing the Trust, the Hospital transferred philanthropic funds with donor restrictions, including board designated funds, endowments, indigent care funds and specific purpose funds, to the newly formed organization together with the stewardship responsibility to direct monies available to support the Hospital's charitable mission and reflect the specific intentions of the donors who made these gifts.

During 2021, the Hospital completed several acquisitions as described in Note 3.

Subsidiaries of the Hospital are as follows:

Capital Region Health Care Development Corporation (CRHCDC) is a not-for-profit real estate corporation that owns and operates medical office buildings and other properties.

Capital Region Health Ventures Corporation (CRHVC) is a not-for-profit corporation that engages in health care delivery partnerships and joint ventures. It operates ambulatory surgery and diagnostic facilities independently and in cooperation with other entities.

NH Cares ACO, LLC (NHC) is a single member limited liability company that engages in providing medical services to Medicare beneficiaries as an accountable care organization. NHC has a perpetual life and is subject to termination in certain events. During 2022, NHC was transferred to an unrelated entity for no consideration and the Hospital formed the Concord Hospital ACO, LLC (CH-ACO), which operates in a manner consistent with NHC and had minimal activity during fiscal year 2022.

Concord Hospital – Laconia (CH-Laconia) is a not-for-profit corporation formed to operate a licensed hospital providing inpatient, outpatient, emergency care and physician services for residents within its geographic region of Laconia, New Hampshire. The CH-Laconia facility includes 137 acute care beds and was designated a Rural Referral Center in 1986, and a Sole Community Hospital in 2009. Admitting physicians are primarily practitioners in the local area. CH-Laconia is controlled by the Hospital, and was acquired by the Hospital in 2021. See Note 3.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Concord Hospital – Franklin (CH-Franklin) is a not-for-profit corporation formed to operate a licensed hospital providing inpatient, outpatient, emergency care and physician services for residents within its geographic region of Franklin, New Hampshire. The CH-Franklin facility was designated a Critical Access Hospital effective July 1, 2004, and includes 25 acute care beds. CH-Franklin also operates a 10 bed designated psychiatric receiving facility. Admitting physicians are primarily practitioners in the local area. CH-Franklin is controlled by the Hospital, and was acquired by the Hospital in 2021. See Note 3.

Granite Shield Insurance Exchange and Subsidiaries (GSIE) was formed on December 20, 2010, in the State of Vermont as an industrial insured reciprocal insurance entity and unincorporated association. GSIE commenced underwriting activities on January 1, 2011. GSIE was formed to provide healthcare professional liability, general liability and medical stop loss insurance to its subscribers through GSI Services, LLC (GSI), the attorney-in-fact. GSI was formed in the State of Vermont as a limited liability company on December 14, 2010, and acts as an agent to enable the subscribers of GSIE to exchange insurance contracts. Through December 31, 2020, GSI was equally controlled by each of the subscribers of GSIE, all of which were health systems located in the State of New Hampshire, inclusive of the Hospital. Effective January 1, 2021, as further described in Note 3, the Hospital became the sole voting member of GSIE, resulting in all activity of GSIE for the period January 1, 2021 to September 30, 2021 and for the fiscal year ended September 30, 2022 being recorded within the accompanying consolidated financial statements. See also Note 3.

Subsequent to year end, GSIE began the process of winding down operations and will be replaced with a new subsidiary. Concord Hospital Insurance Group, LLC (CHIG). CHIG is a Vermont domiciled single parent captive entity and will operate in a manner and conduct activities similar to GSIE.

Concord Endoscopy Center, LLC (CEC) is a New Hampshire limited liability company that engages in providing gastrointestinal services, including the diagnosis and treatment of digestive and liver diseases. CEC has a perpetual life, is subject to termination in certain events, and was acquired by the Hospital in 2021 as further described in Note 3.

The Hospital, its subsidiaries and the Trust are collectively referred to as the System. The consolidated financial statements include the accounts of the Hospital, the Trust, CRHCDC, CRHVC, NHC, CH-ACO, CH-Laconia, CH-Franklin, GSIE and CEC. All significant intercompany balances and transactions have been eliminated in consolidation. The Hospital, the Trust, CH-Laconia and CH-Franklin constitute the Obligated Group at September 30, 2022 and 2021 to certain debt described in Note 7.

Principles of Consolidation

Noncontrolling interests in less-than-wholly-owned consolidated subsidiaries of the System are presented as a component of total net assets to distinguish between the interests of the System and the interests of the noncontrolling owners. Revenues, expenses and nonoperating income (loss) from these subsidiaries are included in the consolidated amounts presented on the consolidated statements of operations. (Deficiency) excess of revenues and nonoperating (loss) income over expenses attributable to the System separately presents the amounts attributable to the controlling interest.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Noncontrolling Interests

Noncontrolling interests represent the portion of equity in a subsidiary not attributable, directly or indirectly, to a parent. The System's accompanying consolidated financial statements include all assets, liabilities, revenues and expenses at their consolidated amounts, which include the amounts attributable to the System and the noncontrolling interest. The System recognizes as a separate component of net assets and earnings the portion of income or loss attributable to noncontrolling interests based on the portion of the entity not owned by the System.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

Financial instruments which subject the System to credit risk consist primarily of cash equivalents, accounts receivable and investments. The risk with respect to cash equivalents is minimized by the System's policy of investing in financial instruments with short-term maturities issued by highly rated financial institutions. The System's accounts receivable are primarily due from third-party payors and amounts are presented net of expected explicit and implicit price concessions, including estimated implicit price concessions from uninsured patients. The System's investment portfolio consists of diversified investments, which are subject to market risk. The System's investment in one fund, the Vanguard Institutional Index Fund, exceeded 10% of total System investments as of September 30, 2022 and 2021.

Cash and Cash Equivalents

Cash and cash equivalents include money market funds with original maturities of three months or less, excluding assets whose use is limited or restricted. The System maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The System has not experienced any losses on such accounts.

Supplies

Supplies are carried at the lower of cost, determined on a weighted-average method, or net realizable value.

Assets Whose Use is Limited or Restricted

Assets whose use is limited or restricted include assets held by trustees for insurance reserves, escrows, construction funds, designated assets set aside by the Board of Trustees (over which the Board retains control and may, at its discretion, subsequently use for other purposes), and donor-restricted investments.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Investments and Investment (Loss) Income

Investments are carried at fair value in the accompanying consolidated balance sheets. Investment (loss) income (including realized gains and losses on investments, interest and dividends) and the net change in unrealized gains and losses on investments are included in the (deficiency) excess of revenues and nonoperating (loss) income over expenses in the accompanying consolidated statements of operations, unless the income or loss is restricted by donor or law.

Beneficial Interest in Perpetual Trusts

The System has an irrevocable right to receive income earned on certain trust assets established for its benefit. Distributions received by the System are without donor restrictions. The System's interest in the fair value of the trust assets is included in assets whose use is limited or restricted and as net assets with donor restrictions. Changes in the fair value of beneficial trust assets are reported as increases or decreases to net assets with donor restrictions.

Investment Policies

The System's investment policies provide guidance for the prudent and skillful management of invested assets with the objective of preserving capital and maximizing returns. The invested assets include endowment, specific purpose and board designated funds.

Endowment funds are identified as perpetual in nature, intended to provide support for current or future operations and other purposes identified by the donor. These funds are managed with disciplined longer-term investment objectives and strategies designed to accommodate relevant, reasonable, or probable events.

Specific purpose funds are temporary in nature, restricted as to time or purpose as identified by the donor or grantor. These funds have various intermediate/long-term time horizons associated with specific identified spending objectives.

Board designated funds have various intermediate/long-term time horizons associated with specific spending objectives as determined by the Board of Trustees.

Management of these assets is designed to increase, with minimum risk, the inflation adjusted principal and income of the endowment funds over the long term. The System targets a diversified asset allocation that places emphasis on achieving its long-term return objectives within prudent risk constraints.

Spending Policy for Appropriation of Assets for Expenditure

In accordance with the *Uniform Prudent Management of Institutional Funds Act* (UPMIFA), the System considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (a) the duration and preservation of the fund; (b) the purpose of the organization and the donor-restricted endowment fund; (c) general economic conditions; (d) the possible effect of inflation and deflation; (e) the expected total return from income and the appreciation of investments; (f) other resources of the organization; and (g) the investment policies of the organization.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Spending policies may be adopted by the System, from time to time, to provide a stream of funding for the support of key programs. The spending policies are structured in a manner to ensure that the purchasing power of the assets is maintained while providing the desired level of annual funding to the programs. The System has a current spending policy on various funds currently equivalent to 5% of twelve-quarter moving average of the funds' total market value.

Accounts Receivable

Patient accounts receivable for which the unconditional right to payment exists are receivables if the right to consideration is unconditional and only the passage of time is required before payment of that consideration is due. Accounts receivable at September 30, 2022 and 2021 reflect the fact that any estimated uncollectible amounts are generally considered implicit price concessions that are a direct reduction to accounts receivable rather than allowance for doubtful accounts. At September 30, 2022 and 2021, estimated implicit price concessions of $29,203 and $24,643, respectively, had been recorded as reductions to accounts receivable balances to enable the System to record revenues and accounts receivable at the estimated amounts expected to collected.

Accounts receivable as of September 30, 2022, 2021 and 2020 are $110,525, $94,720 and $66,175, respectively.

Property and Equipment

Property and equipment is stated at cost at time of purchase, or at fair value at time of donation for assets contributed, less any reductions in carrying value for impairment and less accumulated depreciation. The System's policy is to capitalize expenditures for major improvements and charge maintenance and repairs currently for expenditures which do not extend the lives of the related assets. Depreciation is computed using the straight-line method in a manner intended to amortize the cost of the related assets over their estimated useful lives. For the years ended September 30, 2022 and 2021, depreciation expense was $28,953 and $27,207, respectively.

The System has also capitalized certain costs associated with property and equipment not yet in service. Construction in progress includes amounts incurred related to major construction projects, other renovations, and other capital equipment purchased but not yet placed in service. During 2021, the System capitalized $200 of interest expense relating to various construction projects. There was no interest expense capitalized during 2022.

Gifts of long-lived assets such as land, buildings or equipment are reported as support without donor restrictions, and are excluded from the (deficiency) excess of revenues and nonoperating (loss) income over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used, and gifts of cash or other assets that must be used to acquire long-lived assets, are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Intangible Assets

The System reviews its intangible and other long-lived assets annually to determine whether the carrying amount of such assets is impaired. Upon determination that an impairment has occurred, these assets are reduced to fair value. There were no impairments recorded for the years ended September 30, 2022 or 2021. See also Note 3.

Federal Grant Revenue and Expenditures

Revenues and expenses under federal grant programs are recognized as the grant expenditures are incurred.

Bond Issuance Costs/Original Issue Discount or Premium

Bond issuance costs incurred to obtain financing for construction and renovation projects and the original issue discount or premium are amortized to interest expense using the straight-line method, which approximates the effective interest method, over the life of the respective bonds. The original issue discount or premium and bond issuance costs are presented as a component of bonds payable.

Charity Care

The System provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates (Note 12). Because the System does not pursue collection of amounts determined to qualify as charity care, they are not reported as revenue. The System uses an industry standard approach in calculating the costs associated with providing charity care. Funds received from gifts and grants to subsidize charity services provided for the years ended September 30, 2022 and 2021 were approximately $133 and $132, respectively.

Net Assets With Donor Restrictions

Gifts are reported as restricted support if they are received with donor stipulations that limit the use of donated assets. Donated investments, supplies and equipment are reported at fair value at the date of receipt. Unconditional promises to give cash and other assets are reported at fair value at the date of receipt of the promise. When a donor restriction expires (when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statement of operations as either net assets released from restrictions for operations (for noncapital related items) or as net assets released from restrictions used for purchases of property and equipment (capital related items). Some net assets with donor restrictions have been restricted by donors to be maintained by the System in perpetuity.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Patient Service Revenue

Revenues generally relate to contracts with patients in which the System's performance obligations are to provide health care services to patients. Revenues are recorded during the period obligations to provide health care services are satisfied. Performance obligations for inpatient services are generally satisfied over a period of days. Performance obligations for outpatient services are generally satisfied over a period of less than one day. The contractual relationships with patients, in most cases, also involve a third-party payor (Medicare, Medicaid, managed care health plans and commercial insurance companies, including plans offered through the health insurance exchanges) and the transaction prices for the services provided are dependent upon the terms provided by Medicare and Medicaid or negotiated with managed care health plans and commercial insurance companies, the third-party payors. The payment arrangements with third-party payors for the services provided to related patients typically specify payments at amounts less than standard charges. Medicare generally pays for inpatient and outpatient services at prospectively determined rates based on clinical, diagnostic and other factors. Services provided to patients having Medicaid coverage are generally paid at prospectively determined rates per discharge, per identified service or per covered member. Agreements with commercial insurance carriers, managed care and preferred provider organizations generally provide for payments based upon predetermined rates per diagnosis, per diem rates or discounted fee-for-service rates. Management continually reviews the revenue recognition process to consider and incorporate updates to laws and regulations and the frequent changes in managed care contractual terms resulting from contract renegotiations and renewals.

The collection of outstanding receivables for Medicare, Medicaid, managed care payers, other third-party payors and patients is the System's primary source of cash and is critical to its operating performance. The primary collection risks relate to uninsured patient accounts, including patient accounts for which the primary insurance carrier has paid the amounts covered by the applicable agreement, but patient responsibility amounts (deductibles and copayments) remain outstanding. Implicit price concessions relate primarily to amounts due directly from patients. Estimated implicit price concessions are recorded for all uninsured accounts, regardless of the aging of those accounts. Accounts are written off when all reasonable internal and external collection efforts have been performed. The estimates for implicit price concessions are based upon management's assessment of historical write-offs and expected net collections, business and economic conditions, trends in federal, state and private employer health care coverage and other collection indicators. Management relies on the results of detailed reviews of historical write-offs and collections at facilities that represent a majority of hospital revenues and accounts receivable (the "hindsight analysis") as a primary source of information in estimating the collectability of accounts receivable. Management performs the hindsight analysis regularly, utilizing rolling twelve-months accounts receivable collection and write-off data. Management believes its regular updates to the estimated implicit price concession amounts provide reasonable estimates of revenues and valuations of accounts receivable. These routine, regular changes in estimates have not resulted in material adjustments to the valuations of accounts receivable or period-to-period comparisons of operations.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

The System receives payment for other Medicaid outpatient services on a reasonable cost basis which are settled with retroactive adjustments upon completion and audit of related cost finding reports. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenues in the year that such amounts become known. For the years ended September 30, 2022 and 2021, patient service revenue in the accompanying consolidated statements of operations increased by approximately $5,100 and $4,800, respectively, due to actual settlements and changes in assumptions underlying estimated future third-party settlements.

Revenues from the Medicare and Medicaid programs accounted for approximately 39% and 6% and 38% and 6% of the System's patient service revenue for the years ended September 30, 2022 and 2021, respectively. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation.

(Deficiency) Excess of Revenues and Nonoperating (Loss) Income Over Expenses

The System has deemed all activities as ongoing, major or central to the provision of health care services and, accordingly, they are reported as operating revenue and expenses, except for contributions and pledges without donor restrictions, the related philanthropy expenses and investment income which are recorded as nonoperating (loss) income.

The consolidated statements of operations also include (deficiency) excess of revenues and nonoperating (loss) income over expenses. Changes in net assets without donor restrictions which are excluded from (deficiency) excess of revenues and nonoperating (loss) income over expenses, consistent with industry practice, include the permanent transfers of assets to and from affiliates for other than goods and services, pension liability adjustments and contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purposes of acquiring such assets).

Estimated Workers' Compensation, Malpractice and Health Care Claims

The provision for estimated workers' compensation, malpractice and health care claims includes estimates of the ultimate costs for both reported claims and claims incurred but not reported.

Functional Expense Allocation

The costs of providing program services and other activities have been summarized on a functional basis in Note 11. Accordingly, costs have been allocated among program services and supporting services benefitted.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Income Taxes

The Hospital, CH-Laconia, CH-Franklin, CRHCDC, CRHVC, and the Trust are not-for-profit corporations as described in Section 501(c)(3) of the Internal Revenue Code, and are exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. NHC was organized as a single member limited liability company and has elected to be treated as a disregarded entity for federal and state income tax reporting purposes. Accordingly, all income or losses and applicable tax credits are reported on the member's income tax returns, with the exception of taxes due to the State of New Hampshire. Management evaluated the System's tax positions and concluded the System has maintained its tax-exempt status, does not have any significant unrelated business income and had taken no uncertain tax positions that require adjustment to or disclosure in the accompanying consolidated financial statements. GSIE, NHC, CH-ACO and CEC account for income taxes in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, *Income Taxes*. FASB ASC 740 is an asset and liability method, which requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the tax and financial reporting basis of certain assets and liabilities. Resulting income tax expense and the temporary differences between the tax and financial reporting basis are not material.

Advertising Costs

The System expenses advertising costs as incurred, and such costs totaled approximately $168 for the years ended September 30, 2022 and 2021.

Recent Accounting Pronouncements

In February 2016, the FASB issued Accounting Standards Update (ASU) No. 2016-02, *Leases (Topic 842)* (ASU 2016-02). Under ASU 2016-02, at the commencement of a long-term lease, lessees will recognize a liability equivalent to the discounted payments due under the lease agreement, as well as an offsetting right-of-use asset. ASU 2016-02 is effective for the System on October 1, 2022. Lessees (for capital and operating leases) must apply a modified retrospective transition approach for leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements. The modified retrospective approach would not require any transition accounting for leases that expired before the earliest comparative period presented. Lessees may not apply a full retrospective transition approach. The System is currently evaluating the impact of the pending adoption of ASU 2016-02 on the System's consolidated financial statements.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

In August 2018, FASB issued ASU No. 2018-14, *Compensation – Retirement Benefits – Defined Benefit Plans – General (Topic 715)* (ASU 2018-14). Under ASU 2018-14, the disclosure requirements for employers that sponsor defined benefit pension and other postretirement plans are modified. ASU 2018-14 was effective for the System for the year ended September 30, 2022. The adoption of this ASU did not have a significant impact on the System's consolidated financial statements.

In September 2020, the FASB issued ASU No. 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. ASU 2020-07 enhances the presentation of disclosure requirements for contributed nonfinancial assets. ASU 2020-07 requires entities to present contributed nonfinancial assets as a separate line item in the statement of operations and disclose the amount of contributed nonfinancial assets recognized within the statement of operations by category that depicts the type of contributed nonfinancial assets, as well as a description of any donor-imposed restrictions associated with the contributed nonfinancial assets and the valuation techniques used to arrive at a fair value measure at initial recognition. ASU 2020-07 was effective for the System beginning October 1, 2021. The adoption of this ASU did not have a significant impact on the System's consolidated financial statements.

Risks and Uncertainties

On March 11, 2020, the World Health Organization declared the outbreak of coronavirus (COVID-19) a pandemic. The COVID-19 pandemic has significantly affected employees, patients, systems, communities and business operations, as well as the U.S. economy and financial markets. While some restrictions have been eased across the U.S. and the State of New Hampshire has lifted limitations on non-emergent procedures, some restrictions remain in place. Consolidated patient volumes and revenues experienced gradual improvement beginning in the latter part of April 2020, and continuing, but at times impacted through fiscal year 2022; however uncertainty still exists as the future is unpredictable. The System's pandemic response plan has multiple facets and continues to evolve as the pandemic unfolds. The System has taken precautionary steps to enhance its operational and financial flexibility, and react to the risks the COVID-19 pandemic presents in its operations.

Since the declaration of the pandemic, the System received $57,885 of accelerated Medicare payments (Note 6) as provided for under the *Coronavirus Aid, Relief and Economic Security Act* (CARES Act).

The CARES Act also provides for a deferral of payments of the employer portion of payroll tax incurred during the pandemic, allowing half of such payroll taxes to be deferred until December 2021, and the remaining half until December 2022. At September 30, 2022 and 2021, the System had deferred $4,646 and $8,866, respectively, of payroll taxes. As of September 30, 2022 and 2021, $4,646 and $4,433, respectively, of deferred payroll taxes are recorded within accrued compensation and related expenses on the accompanying consolidated balance sheets. As of September 30, 2021, $4,433 of deferred payroll taxes were recorded within accrued pension and other long-term liabilities in the accompanying consolidated balance sheets.

1. Description of Organization and Summary of Significant Accounting Policies (Continued)

During 2022, the System received approximately $8,800 of *American Rescue Plan Act* (ARPA) rural payments and approximately $1,200 of Provider Relief Funds (PRF) under the CARES Act. Distributions from ARPA and PRF are not subject to repayment provided the System is able to attest to and comply with the terms and conditions of the funding, including demonstrating that the distributions received have been used for healthcare-related expenses or lost revenue attributable to COVID-19. Such payments are accounted for as government grants, and are recognized on a systematic and rational basis as other income once there is reasonable assurance that the applicable terms and conditions required to retain the funds will be met. Based on an analysis of the compliance and reporting requirements of ARPA and PRF, the System recognized approximately $8,800 related to ARPA funds and approximately $1,200 related to the PRF in 2022, and these payments are recorded within other revenue in the accompanying consolidated statements of operations for the year ended September 30, 2022.

During 2021, the System received funding from the Federal Emergency Management Agency (FEMA) for pandemic related expenses of $6,706, of which $4,206 was recorded within other revenue in the accompanying consolidated statements of operations for the year ended September 30, 2021. In addition, $476 of funding was received from the State of New Hampshire during 2021.

Reclassifications

Certain 2021 amounts have been reclassified to permit comparison with the 2022 consolidated financial statements presentation format.

Subsequent Events

Management of the System evaluated events occurring between the end of the System's fiscal year and December 9, 2022, the date the consolidated financial statements were available to be issued.

2. Transactions With Affiliates

The System provides funds to CRHC and its affiliates which are used for a variety of purposes. The System records the transfer of funds to CRHC and the other affiliates as either receivables or directly against net assets, depending on the intended use and repayment requirements of the funds. Generally, funds transferred for start-up costs of new ventures or capital related expenditures are recorded as charges against net assets. For the years ended September 30, 2022 and 2021, transfers made from (to) CRHC were $140 and $(171), respectively, and transfers received from Capital Region Health Services Corporation (CRHSC) were $203 and $156, respectively.

Amounts due the System, primarily from joint ventures, totaled $1,632 and $1,646 at September 30, 2022 and 2021, respectively. Amounts have been classified as current or long-term depending on the intentions of the parties involved. Beginning in 1999, the Hospital began charging interest on a portion of the receivables ($533 and $615 at September 30, 2022 and 2021, respectively) with principal and interest (6.75% at September 30, 2022) payments due monthly. Interest income amounted to $52 and $29 for the years ended September 30, 2022 and 2021, respectively.

2. Transactions With Affiliates (Continued)

A brief description of CRHC's affiliated entities is as follows:

- CRHSC is a for-profit provider of health care services, including an eye surgery center and assisted living facility. Subsequent to year end, CRHSC became a subsidiary of the Hospital.
- Granite VNA (formerly Concord Regional Visiting Nurse Association, Inc. and Subsidiary) provides home health care services.
- Riverbend Community Mental Health, Inc. provides behavioral health services.

Contributions to affiliates and other community organizations from net assets with donor restrictions were $243 and $222 in 2022 and 2021, respectively.

3. Business Acquisitions and Intangible Assets

LRGHealthcare

On October 19, 2020, the Hospital entered into an asset purchase agreement (the Agreement) with LRGHealthcare (the Seller) to acquire certain assets and assume certain liabilities of Lakes Region General Hospital in Laconia, New Hampshire, and Franklin Regional Hospital in Franklin, New Hampshire. Upon execution of the Agreement, the Seller filed a voluntary case under Chapter 11 of the United States bankruptcy code. As a result, the Agreement was subject to bankruptcy proceedings, including a formal bid process and auction, as well as subsequent regulatory approvals. The Hospital's bid was accepted and approved by the State of New Hampshire during 2021. The transaction was completed effective May 1, 2021 for total consideration paid of $23,476.

The purchase price was allocated to tangible and identifiable intangible assets acquired based on their estimated fair values at the acquisition date, as summarized below:

Assets acquired:	
Accounts receivable	$12,145
Supplies	1,641
Property and equipment	22,833
Other assets	6,948
Total assets acquired	43,567

3. **Business Acquisitions and Intangible Assets (Continued)**

Liabilities assumed:	
Accrued insurance liabilities	$ 3,270
Accrued compensation and related expenses	4,945
Accrual for estimated third-party payor settlements	6,366
Accrued pension and other long-term liabilities	5,510
Total liabilities assumed	20,091
Fair value of assets acquired and liabilities assumed	$23,476
Total consideration paid	$23,476

The results of the acquired entities since the acquisition date are included in the accompanying consolidated financial statements. Direct costs (primarily legal) in 2021 related to the transaction were not material and were expensed as incurred within professional fees in the accompanying 2021 consolidated statement of operations.

Concord Endoscopy Center, LLC

On April 1, 2021, CRHVC completed the acquisition of a 40% interest in CEC, as further described in Note 1. CEC has operations in Concord, New Hampshire. CRHVC owned 30% of CEC prior to the acquisition date. As a result of this transaction, CRHVC holds a majority interest and control of CEC, and is therefore required to consolidate CEC as of the acquisition date. The total consideration paid of $3,485, net of cash acquired of $88, was comprised entirely of cash. The purchase price of the additional interest in CEC was allocated to the tangible and identifiable intangible assets acquired based on their estimated fair values at the acquisition date, as summarized below:

Assets acquired:	
Cash	$ 88
Accounts receivable	425
Supplies	6
Prepaid expenses and other current assets	79
Property and equipment	6
Patient list and other intangible assets	8,556
Total assets acquired	9,160
Liabilities assumed:	
Accounts payable and accrued expenses	(225)
Total liabilities assumed	(225)
Fair value of assets acquired and liabilities assumed	8,935
Less amount attributable to noncontrolling interest	(2,681)
Amount attributable to CRHVC	$6,254

3. **Business Acquisitions and Intangible Assets (Continued)**

The intangible assets from the CEC acquisition are included within other noncurrent assets in the accompanying consolidated balance sheets at cost less accumulated amortization. Amortizable intangible assets consist of the following at September 30:

	2022	2021
Cost	$ 8,556	$ 8,556
Accumulated amortization	(1,284)	(428)
Amortizable intangible assets, net	$ 7,272	$ 8,128

Amortization expense was $856 and $428 during the years ended September 30, 2022 and 2021, respectively, and is recorded within other nonoperating expense in the accompanying consolidated statements of operations.

Expected amortization of intangible assets through their useful lives is as follows:

2023	$ 856
2024	856
2025	856
2026	856
2027	856
Thereafter	2,992
	$ 7,272

The results of CEC since the acquisition date are included in the accompanying consolidated financial statements. Direct costs (primarily legal) in 2021 related to the transaction were not material and were expensed as incurred within professional fees in the accompanying 2021 consolidated statement of operations.

Granite Shield Insurance Exchange

As a result of the acquisition of certain LRGHealthcare assets and liabilities, as noted above, the Hospital gained effective control of GSIE as of December 31, 2020. GSIE's operations have been reported within the accompanying consolidated financial statements beginning as of the effective date. Prior to gaining control, the Hospital owned approximately a 79% interest in GSIE, but shared control equally with LRGHealthcare.

3. Business Acquisitions and Intangible Assets (Continued)

As of December 31, 2020, the following tangible assets acquired and liabilities assumed were recorded based on their estimated fair values at the date of the transaction as follows:

Assets acquired:	
Cash and cash equivalents	$ 2,794
Accounts receivable	2,360
Assets whose use is limited or restricted	20,071
Other assets	4,521
Total assets acquired	29,746
Liabilities assumed:	
Accounts payable and accrued expenses	$ 2,485
Unpaid losses and loss adjustment expenses	18,411
Total liabilities assumed	20,896
Fair value of assets acquired and liabilities assumed	$ 8,850
Investment in GSIE as of the acquisition date	$ 8,850

The results of GSIE since the acquisition date are included in the accompanying consolidated financial statements.

4. Investments and Assets Whose Use is Limited or Restricted

Short-term investments totaling $15,322 and $66,525 at September 30, 2022 and 2021, respectively, are comprised primarily of cash and cash equivalents. Assets whose use is limited or restricted are carried at fair value and consist of the following at September 30:

	2022	2021
Board designated funds:		
Cash and cash equivalents	$ 2,771	$ 4,845
Fixed income securities	21,839	26,316
Marketable equity and other securities	301,116	318,051
Inflation-protected securities	14,332	16,093
	340,058	365,305
Held by trustee for workers' compensation reserves:		
Fixed income securities	2,501	2,988

4. Investments and Assets Whose Use is Limited or Restricted (Continued)

	2022	2021
Self-insurance escrows and construction funds:		
Cash and cash equivalents	$ 8,648	$ 8,996
Fixed income securities	24,074	45,456
Marketable equity securities	14,895	20,003
	47,617	74,455
Donor-restricted funds and restricted grants:		
Cash and cash equivalents	7,553	5,169
Fixed income securities	1,606	1,890
Marketable equity securities	23,091	27,021
Inflation-protected securities	1,020	1,369
Trust funds administered by others	9,836	12,341
Other	408	523
	43,514	48,313
	$433,690	$491,061

Included in marketable equity and other securities above are $203,040 and $220,974 at September 30, 2022 and 2021, respectively, in so called alternative investments and collective trust funds. See also Note 15.

Investment (loss) income, net realized gains and losses and net unrealized gains and losses on assets whose use is limited or restricted, cash and cash equivalents, and other investments are as follows at September 30:

	2022	2021
Net assets without donor restrictions:		
Interest and dividends	$ 7,099	$ 4,831
Investment income from trust funds administered by others	599	595
Net realized gains on sales of investments	4,079	11,760
Net unrealized (losses) gains on investments	(61,177)	52,054
	(49,400)	69,240
Net assets with donor restrictions:		
Interest and dividends	465	357
Net realized gains on sales of investments	608	933
Net unrealized (losses) gains on investments	(7,501)	5,515
	(6,428)	6,805
	$(55,828)	$76,045

In compliance with the System's spending policy, portions of investment income and related fees are recognized in other operating revenue on the accompanying consolidated statements of operations. Investment income reflected in other operating revenue was $2,300 and $1,764 in 2022 and 2021, respectively.

Investment management fees expensed and reflected in investment (loss) income and other were $922 and $1,035 for the years ended September 30, 2022 and 2021, respectively.

5. Retirement Plans

The System has a noncontributory defined benefit pension plan (the Concord Hospital Plan) covering all eligible employees of the System and subsidiaries, excluding employees of CH-Laconia and CH-Franklin. As a result of the acquisition of certain assets and liabilities of LRGHealthcare effective May 1, 2021 as discussed in Note 3, the System assumed and became the plan sponsor for LRGHealthcare's defined benefit plan, which covers all eligible employees of CH-Laconia and CH-Franklin (the CH-Laconia Plan). The Concord Hospital Plan and CH-Laconia Plan (collectively, the Plans) provide benefits based on an employee's years of service, age and compensation over those years. The System's funding policy for the plans is to contribute annually the amount needed to meet or exceed actuarially determined minimum funding requirements of the *Employee Retirement Income Security Act of 1974* (ERISA).

The System accounts for its defined benefit pension plans under ASC 715, *Compensation Retirement Benefits*. This Statement requires entities to recognize an asset or liability for the overfunded or underfunded status of their benefit plans in their financial statements.

On September 26, 2022, the Plans were amended to offer certain participants age 62 and older the option to receive a lump-sum distribution as payment for grandfathered benefits. The eligible participants will have 180 days to elect this benefit, beginning October 1, 2022.

During fiscal year 2022, the CH-Laconia Plan incurred a settlement charge due to lump sums paid in excess of the settlement threshold for the Plan year. The settlement charge totaled $450 and is reflected as a component of net periodic benefit gain (cost), other than service cost.

Subsequent to year end, the Board approved the merger of the Concord Hospital Plan and the CH-Laconia Plan effective December 31, 2022. The merged plan will be amended, restated and renamed effective January 1, 2023.

The following table summarizes the Plans' funded status at September 30:

	Concord Hospital Plan		CH-Laconia Plan	
	2022	2021	2022	2021
Funded status:				
Fair value of plan assets	$ 265,271	$ 309,685	$ 54,225	$ 65,409
Projected benefit obligation	(270,616)	(322,873)	(58,861)	(69,402)
	$ (5,345)	$ (13,188)	$ (4,636)	$ (3,993)
Activities for the year consist of:				
Benefit payments and administrative expenses paid	$ 17,945	$ 21,445	$ 1,369	$ 2,634
Net periodic benefit cost	13,500	16,909	1,698	352

5. Retirement Plans (Continued)

The table below presents details about the Plans, including the funded status, components of net periodic benefit cost, and certain assumptions used in determining the funded status and cost:

	Concord Hospital Plan		CH-Laconia Plan	
	2022	2021	2022	2021
Change in benefit obligation:				
Projected benefit obligation at beginning of year/acquisition date (see Note 3)	$322,873	$327,793	$69,402	$69,725
Service cost	14,507	14,578	2,012	752
Interest cost	10,933	10,367	2,284	1,002
Actuarial (gain) loss	(59,752)	(8,420)	(9,417)	557
Benefit payments and administrative expenses paid	(17,945)	(21,445)	(1,368)	(2,634)
Settlements and plan amendments	–	–	(4,052)	–
Projected benefit obligation at end of year	$270,616	$322,873	$58,861	$69,402
Change in plan assets:				
Fair value of plan assets at beginning of year	$309,685	$258,752	$65,409	$64,215
Actual (loss) return on plan assets	(48,169)	56,378	(11,117)	846
Employer contributions	21,700	16,000	6,200	2,982
Benefit payments and administrative expenses	(17,945)	(21,445)	(1,368)	(2,634)
Settlements	–	–	(4,899)	–

Pension Plan Assets

The fair values of the Plans' assets as of September 30, 2022 and 2021, by asset category are as follows (see Note 15 for level definitions). In accordance with ASC 820, *Fair Value Measurements*, certain investments that are measured using the net value per share practical expedient have not been classified in the fair value hierarchy.

	Concord Hospital Plan		CH-Laconia Plan	
	2022 Level 1	2021 Level 1	2022 Level 1	2021 Level 1
Short-term investments:				
Money market funds	$ 2,317	$ 10,402	$ 1,797	$ 1,257
Equity securities:				
Mutual funds – domestic	99,356	104,362	15,877	19,089
Mutual funds – international	–	–	10,302	12,848
Mutual funds – inflation hedge	12,909	14,599	–	–
Fixed income securities:				
Mutual funds – fixed income	19,716	22,290	26,249	32,215
	134,298	151,653	54,225	65,409
Funds measured at net asset value:				
Equity securities:				
Funds-of-funds	81,961	94,714	–	–
Collective trust funds:				
Equities	40,727	52,696	–	–
Fixed income	8,285	10,622	–	–
	130,973	158,032	–	–
Total investments at fair value	$265,271	$309,685	$54,225	$65,409

The target allocation for the Concord Hospital Plan's assets as of September 30, 2022 and 2021, by asset category are as follows:

	Target Allocation		Concord Hospital Plan	
	2022	2021	2022	2021
Short-term investments	0-20%	0-20%	1%	3%
Equity securities	40-80%	40-80%	73%	69%
Fixed income securities	5-80%	5-80%	11%	11%
Other	0-30%	0-30%	15%	17%

5. Retirement Plans (Continued)

The target allocation for the CH-Laconia Plan's assets as of September 30, 2022 and 2021 by asset category are as follows:

	Target Allocation		Percentage of Plan Assets	
	2022	2021	2022	2021
Short-term investments	0%	0%	3%	2%
Equity securities	50%	50%	48%	49%
Fixed income securities	50%	50%	49%	49%

The funds-of-funds in the Concord Hospital Plan are invested with various investment managers and have various restrictions on redemptions. One manager holding amounts totaling approximately $15 million at September 30, 2022 allows for semi-monthly redemptions, with 5 days' notice. One manager holding approximately $7 million at September 30, 2022 allows for monthly redemptions, with 15 days' notice. Six managers holding amounts totaling approximately $40 million at September 30, 2022 allow for quarterly redemptions, with notices ranging from 45 to 65 days. One manager holding amounts of approximately $8 million at September 30, 2022 allows for annual redemptions, with 90 days' notice. Two managers holding amounts of approximately $12 million at September 30, 2022 allow for redemptions on a semi-annual basis, with a notice of 60 days. The collective trust funds allow for daily, weekly or monthly redemptions, with notices ranging from 6 to 10 days. Certain funds also may include a fee estimated to be equal to the cost the fund incurs in converting investments to cash (ranging from 0.5% to 1.5%), limit the percent of the investment that can be redeemed each redemption period, or are subject to certain lock periods.

The System considers various factors in estimating the expected long-term rate of return on plan assets. Among the factors considered include the historical long-term returns on plan assets, the current and expected allocation of plan assets, input from the System's actuaries and investment consultants, and long-term inflation assumptions. The System's expected allocation of plan assets is based on a diversified portfolio consisting of domestic and international equity securities, fixed income securities, and real estate.

The System's investment policy for its pension plans is to balance risk and returns using a diversified portfolio consisting primarily of high quality equity and fixed income securities. To accomplish this goal, plan assets are actively managed by outside investment managers with the objective of optimizing long-term return while maintaining a high standard of portfolio quality and proper diversification. The System monitors the maturities of fixed income securities so that there is sufficient liquidity to meet current benefit payment obligations. The System's Investment Committee provides oversight of the plan investments and the performance of the investment managers.

5. Retirement Plans (Continued)

Amounts included in expense during fiscal 2022 and 2021 consist of:

	Concord Hospital Plan		CH-Laconia Plan	
	2022	2021	2022	2021
Components of net periodic benefit cost:				
Service cost	$ 14,507	$ 14,578	$ 2,012	$ 752
Interest cost	10,933	10,367	2,284	1,002
Expected return on plan assets	(21,846)	(20,416)	(3,048)	(1,402)
Amortization of prior service credit and loss	9,906	12,380	–	–
Settlements	–	–	450	–
Net periodic benefit cost	$ 13,500	$ 16,909	$ 1,698	$ 352

The accumulated benefit obligation for the Concord Hospital Plan at September 30, 2022 and 2021 was $257,998 and $308,420, respectively. The accumulated benefit obligation for the CH-Laconia Plan was $57,170 and $66,600 at September 30, 2022 and 2021, respectively.

	Concord Hospital Plan		CH-Laconia Plan	
	2022	2021	2022	2021
Weighted average assumptions to determine benefit obligation:				
Discount rate	5.63%	3.33%	5.63%	3.33%
Rate of compensation increase	3.00%	2.50% for the next year, 3.00% thereafter	3.00%	3.00%
Weighted average assumptions to determine net periodic benefit cost:				
Discount rate	3.33%	3.11%	3.33%	3.55%
Expected return on plan assets	7.75%	7.75%	6.50%	6.50%
Cash balance credit rate	5.00%	5.00%	N/A	N/A
Rate of compensation increase	2.50%/3.00%	2.50%/3.00%	3.00%	3.00%

In selecting the long-term rate of return on plan assets, the System considered the average rate of earnings expected on the funds invested or to be invested to provide for the benefits of the plans. This included considering the plans' asset allocation and the expected returns likely to be earned over the life of the plans, as well as the historical returns on the types of assets held and the current economic environment.

The System funds the pension plans and no contributions are made by employees. The System funds the plans annually by making a contribution of at least the minimum amount required by applicable regulations and as recommended by the System's actuary. However, the System may also fund the plans in excess of the minimum required amount.

5. Retirement Plans (Continued)

Cash contributions in subsequent years will depend on a number of factors including performance of plan assets. However, the System expects to fund $16,000 in cash contributions to the Concord Hospital Plan for the 2023 plan year. There are no contributions expected to the CH-Laconia Plan in 2023.

Benefit payments, which reflect expected future service, as appropriate, are expected to be paid as follows:

Year Ended September 30	Concord Hospital Plan	CH-Laconia Plan
2023	$ 17,845	$ 7,118
2024	17,490	5,620
2025	18,418	4,666
2026	19,838	5,128
2027	21,491	5,018
2028 – 2032	120,191	22,801

6. Estimated Third-Party Payor Settlements

The System has agreements with third-party payors that provide for payments to the System at amounts different from its established rates. A summary of the payment arrangements with major third-party payors follows:

Medicare

Inpatient and outpatient services rendered to Medicare program beneficiaries are primarily paid at prospectively determined rates. These rates vary according to a patient classification system that is based on clinical diagnosis and other factors. In addition to this, the System is also reimbursed for medical education and other items which require cost settlement and retrospective review by the fiscal intermediary. Accordingly, the System files an annual cost report with the Medicare program after the completion of each fiscal year to report activity applicable to the Medicare program and to determine any final settlements.

The physician practices are reimbursed on a fee schedule basis.

6. **Estimated Third-Party Payor Settlements (Continued)**

Medicaid Enhancement Tax and Disproportionate Share Payment

Under the State of New Hampshire's (the State) tax code, the State imposes a Medicaid Enhancement Tax (MET) equal to 5.40% of net patient service revenues in State fiscal years 2022 and 2021. The amount of tax incurred by the System for 2022 and 2021 was $32,035 and $26,631, respectively.

In the fall of 2010, in order to remain in compliance with stated federal regulations, the State of New Hampshire adopted a new approach related to Medicaid disproportionate share funding (DSH) retroactive to July 1, 2010. Unlike the former funding method, the State's approach led to a payment that was not directly based on, and did not equate to, the level of tax imposed. As a result, the legislation created some level of losses at certain New Hampshire hospitals, while other hospitals realized gains. DSH payments from the State are recorded within revenue without donor restrictions and other support and amounted to $29,744 in 2022 and $26,545 in 2021, net of reserves referenced below.

The Centers for Medicare and Medicaid Services (CMS) has completed audits of the State's program and the disproportionate share payments made by the State from 2011 to 2019, the first years that those payments reflected the amount of uncompensated care provided by New Hampshire hospitals. It is possible that subsequent years will also be audited by CMS. The System has recorded reserves to address its potential exposure based on the audit results to date or any future redistributions.

Medicaid

Inpatient services rendered to Medicaid program beneficiaries are paid at prospectively determined rates per discharge. Outpatient services rendered to Medicaid program beneficiaries are reimbursed under fee schedules and cost reimbursement methodologies subject to various limitations or discounts. The System is reimbursed at a tentative rate with final settlement determined after submission of annual cost reports by the System and audits thereof by the Medicaid program.

The physician practices are reimbursed on a fee schedule basis.

Other

The System has also entered into payment agreements with certain commercial insurance carriers and health maintenance organizations. The basis for payment to the System under these agreements includes prospectively determined rates per discharge, discounts from established charges, fee schedules, and prospectively determined rates.

The accrual for estimated third-party payor settlements reflected on the accompanying consolidated balance sheets represents the estimated net amounts to be paid under reimbursement contracts with the Centers for Medicare and Medicaid Services (Medicare), the New Hampshire Department of Welfare (Medicaid) and any commercial payors with settlement provision. Settlements for the Hospital have been finalized through 2017 for Medicare and 2016 for Medicaid. Settlements for CH-Laconia have been finalized through 2019 for Medicare and 2018 for Medicaid. Settlements for CH-Franklin have been finalized through 2019 for Medicare and 2017 for Medicaid.

6. Estimated Third-Party Payor Settlements (Continued)

During fiscal year 2020, the System requested accelerated Medicare payments as provided for in the CARES Act, which allows for eligible health care facilities to request up to six months of advance Medicare payments for acute care hospitals or up to three months of advance Medicare payments for other health care providers. One year from the date of receipt of the advance payments (beginning April 2021) 25% of the advances will be recouped in the first eleven months. An additional 25% of the advances will be recouped in the next six months, with the entire amount repayable in 29 months. Any outstanding balance after 29 months is repayable at a 4% interest rate. During the third quarter of fiscal 2020, the System received $57,885 from these accelerated Medicare payment requests. At September 30, 2022 and 2021, the current portion due within a year, totaling $248 and $41,036, respectively, is recorded under the caption "accrual for estimated third-party payors".

7. Long-Term Debt

Long-term debt consists of the following at September 30, 2022 and 2021:

	2022	2021
New Hampshire Health and Education Facilities Authority (NHHEFA) Revenue bonds, Concord Hospital Issue, Series 2021A; interest ranging from 3.0% to 5.0% per year and principal payable in annual installments ranging from $1,685 to $3,095 through October 2042, including unamortized original issue premium of $6,950 in 2022 and $7,590 in 2021	$ 48,610	$ 50,930
2020A note payable to a bank, due October 1, 2026, interest at 1.93% per annum, payable in monthly and annual principal payments ranging from $2,427 to $2,580 beginning October 2022. This note converted into tax-exempt revenue bonds effective July 6, 2021. As a result of the conversion, the interest rate was reduced to 1.57%	12,520	12,520
2020B note payable to a bank, due October 1, 2035 (lender has the option to extend the maturity date through October 1, 2043), interest at 2.26% per annum, payable in monthly and annual principal payments ranging from $991 to $2,942 beginning October 2023. Final balloon payment of $10,157 due October 1, 2035, if the maturity date is not extended by the lender. This note converted into tax-exempt revenue bonds effective July 6, 2022. As a result of the conversion, the interest rate was reduced to 1.84%	36,582	36,582
NHHEFA Revenue Bonds, Concord Hospital Issue, Series 2017; interest of 5.0% per year and principal payable in annual installments. Installments ranging from $2,010 to $5,965 beginning October 2032, including unamortized original issue premium of $6,249 in 2022 and $6,575 in 2021	60,459	60,785

7. **Long-Term Debt (Continued)**

	2022	2021
3.38% to 5.0% NHHEFA Revenue Bonds, Concord Hospital Issue, Series 2013A; due in annual installments, including principal and interest ranging from $1,543 to $3,555 through 2043, including unamortized original issue premium of $121 in 2021. Series 2013A revenue bonds totaling $33,785 were refunded in 2020 through issuance of the 2020B note payable described below. The remaining amounts due were repaid in full during 2022	$ –	$ 1,461
	158,171	162,278
Less unamortized bond issuance costs	(1,415)	(1,508)
Less current portion	(4,147)	(5,447)
	$152,609	$155,323

In June 2021, $51,498 (including an original issue premium of $7,728) of NHHEFA Revenue Bonds, Concord Hospital Issue, Series 2021A, were issued to assist in funding capital and facility projects, and to refund the Series 2013B NHHEFA Hospital Revenue Bonds.

In March 2020, the Hospital entered into a $12,520 note payable agreement (2020A note) with a lender to advance refund $11,780 of the Series 2011 NHHEFA Hospital Revenue Bonds. As of September 30, 2021, $11,780 of the Series 2011 advance refunded bonds, which were considered extinguished for purposes of these consolidated financial statements, remained outstanding. No amounts of the Series 2011 advance refunded bonds remain outstanding as of September 30, 2022. In conjunction with the issuance of the 2020A note, in order to further reduce debt service obligations, the Hospital, NHHEFA and the lender entered into a forward purchase agreement. Under the forward purchase agreement, the Hospital has the option to request NHHEFA to issue tax-exempt revenue bonds on or after July 3, 2021 to refinance the 2020A note. The Hospital exercised this option on July 6, 2021, which resulted in the interest rate decreasing from 1.93% to 1.57%.

In March 2020, the Hospital entered into a $36,582 note payable agreement (2020B note) with a lender to advance refund the Series 2013A NHHEFA Hospital Revenue Bonds. As of September 30, 2022 and 2021, $33,785 of the Series 2013A advance refunded bonds, which are considered extinguished for purposes of these consolidated financial statements, remain outstanding. In conjunction with the issuance of the 2020B note, in order to further reduce debt service obligations, the Hospital, NHHEFA and the lender entered into a forward purchase agreement. Under the forward purchase agreement, the Hospital has the option to request NHHEFA to issue tax-exempt revenue bonds on or after July 3, 2022 to refinance the 2020B note. The Hospital exercised this option on July 6, 2022, which resulted in the interest rate decreasing from 2.26% to 1.84%.

In December 2017, $62,004 (including an original issue premium of $7,794) of NHHEFA Revenue Bonds, Concord Hospital Issue, Series 2017, were issued to pay for the construction of a new medical office building. In addition, the Series 2017 Bonds reimbursed the Hospital for capital expenditures incurred in association with the construction of a parking garage and the construction of a medical office building, as well as routine capital expenditures.

7. Long-Term Debt (Continued)

In February 2013, $48,631 (including an original issue premium of $3,631) of NHHEFA Revenue Bonds, Concord Hospital Issue, Series 2013A, were issued to assist in the funding of a significant facility improvement project and to advance refund the Series 2001 NHHEFA Hospital Revenue Bonds. The facility improvement project included enhancements to the System's power plant, renovation of certain nursing units, expansion of the parking capacity at the main campus and various other routine capital expenditures and miscellaneous construction, renovation and improvements of the System's facilities. The bonds were paid in full during 2022.

In March 2011, $49,795 of NHHEFA Revenue Bonds, Concord Hospital Issue, Series 2011, were issued to assist in the funding of a significant facility improvement project and pay off the Series 1996 Revenue Bonds. The project included expansion and renovation of various Hospital departments, infrastructure upgrades, and acquisition of capital equipment. The bonds were paid in full during 2021.

Substantially all the property and equipment relating to the aforementioned construction and renovation projects, as well as subsequent property and equipment additions thereto, are pledged as collateral for all outstanding long-term debt. In addition, the gross receipts of the Hospital, CH-Laconia and CH-Franklin are also pledged as collateral for all outstanding long-term debt. CH-Laconia and CH-Franklin also pledge gross receipts as collateral for the outstanding Series 2021A Revenue Bonds. The most restrictive financial covenants require a 1.10 to 1.0 ratio of aggregate income available for debt service to total annual debt service and a day's cash on hand ratio of 75 days. The System was in compliance with its debt covenants at September 30, 2022 and 2021.

The obligations of the Hospital under the 2020A and B notes, Series 2021A, Series 2017, Series 2013A and B and Series 2011 Revenue Bond Indentures are guaranteed by the Hospital, CH-Laconia and CH-Franklin and are not guaranteed by any of the subsidiaries or affiliated entities.

Interest paid on long-term debt amounted to $5,531 and $4,465 (including capitalized interest of $200) for the years ended September 30, 2022 and 2021, respectively.

The aggregate principal payments on long-term debt for the next five fiscal years ending September 30 and thereafter are as follows:

2023	$ 4,147
2024	6,144
2025	4,455
2026	5,181
2027	6,949
Thereafter	118,096
	$144,972

8. Commitments and Contingencies

Malpractice Loss Contingencies

Effective February 1, 2011, the System insures its medical malpractice risks through GSIE, a multiprovider captive insurance company. As discussed in Note 3, effective December 31, 2020, the System gained control of GSIE, which requires GSIE to be consolidated in the consolidated financial statements as of September 30, 2021. The results of GSIE since the acquisition date are included in the accompanying consolidated financial statements.

GSIE provides claims-made medical stop loss coverage to its subscriber health systems. Subsequent to December 31, 2020, the System is the sole remaining subscriber. GSIE purchases reinsurance from three reinsurers to limit potential exposure to the System. The reinsurance policies in place are subject to renewal on January 1, 2023, and, after the System's primary retained layer of $2 million per occurrence and $12 million aggregate, cover up to $25 million per occurrence and aggregate per annum. The failure of reinsurers to honor their obligations could result in additional losses to GSIE, and those losses could be significant to GSIE and the System.

The reserve for unpaid losses and loss adjustment expenses and the related reinsurance recoverables includes case basis estimates of reported losses, plus supplemental reserves for incurred but not reported losses (IBNR) calculated based upon loss projections utilizing historical and industry data. An independent consulting actuary is involved in establishing this reserve and the related reinsurance recoverables. Management of the System believes that GSIE's aggregate reserve for unpaid losses and loss adjustment expenses and related reinsurance recoverables at year-end represent its best estimate, based on the available data, of the amount necessary to cover the ultimate cost of losses; however, because of the nature of the insured risks and limited historical experience, actual loss experience may not conform to the assumptions used in determining the estimated amounts for such liability and corresponding asset at the consolidated balance sheet date. Accordingly, the ultimate liability and corresponding asset could be significantly in excess of or less than the amount indicated in these consolidated financial statements. As adjustments to these estimates become necessary, such adjustments are reflected in current year operations. Amounts recoverable from reinsurers have been reduced to their net realizable value.

At September 30, 2022, there were no known malpractice claims outstanding for the System, which, in the opinion of management will be settled for amounts in excess of insurance coverage, nor were there any unasserted claims or incidents which require loss accruals. The System has established reserves for unpaid claim amounts for Hospital and Physician Professional Liability and General Liability reported claims and for unreported claims for incidents that have been incurred but not reported. The amounts of the reserves total $20,253 and $22,303 at September 30, 2022 and 2021, respectively, and are reflected in the accompanying consolidated balance sheets within reserves for insurance. The possibility exists, as a normal risk of doing business, that malpractice claims in excess of insurance coverage may be asserted against the System.

8. Commitments and Contingencies (Continued)

In accordance with ASU No. 2010-24, "*Health Care Entities*" (Topic 954): *Presentation of Insurance Claims and Related Insurance Recoveries*, at September 30, 2022 and 2021, the System recorded a liability of approximately $3,300 and $6,600, respectively, related to estimated professional liability losses. At September 30, 2022 and 2021, the System also recorded a receivable of $3,300 and $6,600, respectively, related to estimated recoveries under insurance coverage for recoveries of the potential losses. These amounts are included in reserve for insurance ($3,300 at September 30, 2022 and $6,600 at September 30, 2021), accounts receivable ($-0- at September 30, 2022 and $2,800 at September 30, 2021) and other assets ($3,300 at September 30, 2022 and $3,800 at September 30, 2021), respectively, in the accompanying consolidated balance sheets.

Workers' Compensation

The System maintains workers' compensation insurance under a self-insurance plan. The plan offers, among other provisions, certain specific and aggregate stop-loss coverage to protect the System against excessive losses. The System has employed independent actuaries to estimate the ultimate costs, if any, of the settlement of such claims. Accrued workers' compensation losses of $3,888 and $3,043 at September 30, 2022 and 2021, respectively, are recorded within accounts payable and accrued expenses in the accompanying consolidated balance sheets and have been discounted at 3% (both years) and, in management's opinion, provide an adequate reserve for loss contingencies. A trustee held fund has been established as a reserve under the plan. Assets held in trust totaled $2,521 and $2,988 at September 30, 2022 and 2021, respectively, and are included in assets whose use is limited or restricted in the accompanying consolidated balance sheets.

Litigation

The System is involved in litigation and regulatory investigations arising in the ordinary course of business. After consultation with legal counsel, management estimates that these matters will be resolved without material adverse effect on the System's financial position, results of operations or cash flows.

Health Insurance

The System has a self-funded health insurance plan. The plan is administered by an insurance company which assists in determining the current funding requirements of participants under the terms of the plan and the liability for claims and assessments that would be payable at any given point in time. The System recognizes revenue for services provided to employees of the System during the year. The System is insured above a stop-loss amount of $550 on individual claims. Estimated unpaid claims, and those claims incurred but not reported at September 30, 2022 and 2021, have been recorded as a liability of $13,286 and $10,042, respectively, and are reflected in the accompanying consolidated balance sheets within accounts payable and accrued expenses.

8. Commitments and Contingencies (Continued)

Operating Leases

The System has various operating leases relative to its office and offsite locations. Future annual minimum lease payments under noncancellable lease agreements as of September 30, 2022 are as follows:

Year Ending September 30:	
2023	$ 8,078
2024	7,038
2025	5,590
2026	3,333
2027	2,967
Thereafter	10,826
	$37,832

Rent expense was $9,532 and $7,886 for the years ended September 30, 2022 and 2021, respectively.

9. Net Assets With Donor Restrictions

Net assets with donor restrictions are available for the following purposes at September 30:

	2022	2021
Purpose restriction:		
Health education and program services	$18,991	$21,662
Capital acquisitions	610	806
Indigent care	116	135
Pledges receivable with stipulated purpose and/or time restrictions	391	499
	20,108	23,102
Perpetual in nature:		
Health education and program services	20,225	22,613
Capital acquisitions	803	803
Indigent care	2,105	2,105
Annuities to be held in perpetuity	273	280
	23,406	25,801
Total net assets with donor restrictions	$43,514	$48,903

10. Patient Service Revenue

An estimated breakdown of patient service revenue for the System by major payor sources is as follows for the years ended September 30:

	2022	2021
Private payor (includes coinsurance and deductibles)	$391,300	$335,415
Medicare	276,967	226,029
Medicaid	40,340	33,413
Self-pay	789	3,676
	$709,396	$598,533

11. Functional Expenses

The System provides general health care services to residents within its geographic location. Expenses related to providing these services are as follows for the years ended September 30:

	Health Services	General and Administrative	Fund-raising	Total
2022				
Salaries and wages	$320,669	$ 59,597	$ 580	$380,846
Employee benefits	77,767	14,455	141	92,363
Supplies and other	135,008	21,486	180	156,674
Purchased services	33,227	17,988	177	51,392
Professional fees	16,495	3	–	16,498
Depreciation and amortization	19,424	9,222	307	28,953
Medicaid enhancement tax	32,035	–	–	32,035
Interest	3,065	1,455	48	4,568
	$637,690	$124,206	$1,433	$763,329
2021				
Salaries and wages	$247,354	$ 49,320	$ 524	$297,198
Employee benefits	67,564	13,472	143	81,179
Supplies and other	119,973	23,868	131	143,972
Purchased services	30,435	14,920	146	45,501
Professional fees	10,579	81	–	10,660
Depreciation and amortization	18,275	8,644	288	27,207
Medicaid enhancement tax	26,631	–	–	26,631
Interest	2,572	1,222	41	3,835
	$523,383	$111,527	$1,273	$636,183

11. Functional Expenses (Continued)

The consolidated financial statements report certain expense categories that are attributable to more than one healthcare service or support function. Therefore, these expenses require an allocation on a reasonable basis that is consistently applied. Costs not directly attributable to a function, such as depreciation and interest, are allocated to a function based on square footage. Supporting activities that are not directly identifiable with one or more healthcare programs are classified as general and administrative. If it is impossible or impractical to make a direct identification, allocation of the expenses were made according to management's estimates. Employee benefits are allocated in accordance with the ratio of salaries and wages of the functional classes. Specifically identifiable costs are assigned to the function which they are identified to.

12. Charity Care and Community Benefits (Unaudited)

The System maintains records to identify and monitor the level of charity care it provides. The System provides traditional charity care, as well as other forms of community benefits. The estimated cost of all such benefits provided is as follows for the years ended September 30:

	2022	2021
Government sponsored healthcare	$ 36,515	$29,001
Community health services	1,281	1,408
Health professions education	2,038	1,813
Subsidized health services	54,744	49,746
Research	131	62
Financial contributions	1,440	936
Community benefit operations	89	130
Community building activities	414	2,411
Charity care costs (see Note 1)	3,389	4,043
	$100,041	$89,550

The System incurred estimated costs for services to Medicare patients in excess of the payment from this program of $76,111 and $73,871 in 2022 and 2021, respectively.

13. Concentration of Credit Risk

The System grants credit without collateral to its patients, most of whom are local residents of southern New Hampshire and are insured under third-party payor agreements. The mix of gross receivables from patients and third-party payors as of September 30 is as follows:

	2022	2021
Patients	8%	8%
Medicare	42	40
Anthem Blue Cross	18	16
Cigna	3	3
Medicaid	11	13
Commercial	16	18
Workers' compensation	2	2
	100%	100%

14. Volunteer Services (Unaudited)

Total volunteer service hours received by the System were approximately 23,000 and 16,000 in 2022 and 2021, respectively. The volunteers provide various nonspecialized services to the System, none of which has been recognized as revenue or expense in the accompanying consolidated statements of operations.

15. Fair Value Measurements

Fair value of a financial instrument is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the System uses various methods including market, income and cost approaches. Based on these approaches, the System often utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The System utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the System is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 – Valuations for assets and liabilities traded in active exchange markets, such as the New York Stock Exchange. Level 1 also includes U.S. Treasury and federal agency securities and federal agency mortgage-backed securities, which are traded by dealers or brokers in active markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

15. Fair Value Measurements (Continued)

Level 2 – Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or similar assets or liabilities.

Level 3 – Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

In determining the appropriate levels, the System performs a detailed analysis of the assets and liabilities. There have been no changes in the methodologies used at September 30, 2022 and 2021. In accordance with ASC 820, *Fair Value Measurements*, certain investments that are measured using the net value per share practical expedient have not been classified in the fair value hierarchy.

The following presents the balances of assets measured at fair value on a recurring basis at September 30:

	Level 1	Level 2	Level 3	Total
2022				
Cash and cash equivalents	$ 34,294	$ –	$ –	$ 34,294
Fixed income securities	35,203	10,645	–	45,848
Marketable equity and other securities	136,062	–	–	136,062
Inflation-protected securities and other	15,760	–	–	15,760
Trust funds administered by others	–	–	9,836	9,836
	$221,319	$10,645	$ 9,836	241,800
Funds measured at net asset value:				
Marketable equity and other securities				203,040
				$444,840
2021				
Cash and cash equivalents	$ 85,535	$ –	$ –	$ 85,535
Fixed income securities	56,003	16,575	–	72,578
Marketable equity and other securities	144,101	–	–	144,101
Inflation-protected securities and other	17,985	–	–	17,985
Trust funds administered by others	–	–	12,341	12,341
	$303,624	$16,575	$12,341	332,540
Funds measured at net asset value:				
Marketable equity and other securities				220,974
				$553,514

In addition, for the years ended September 30, 2022 and 2021, there are certain investments totaling $4,172 and $4,072, respectively, which are appropriately being carried at cost.

15. Fair Value Measurements (Continued)

The System's Level 3 investments consist of funds administered by others. The fair value measurement is based on significant unobservable inputs.

Investments, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. As such, it is reasonably possible that changes in the fair value of investments will occur in the near term and that such changes could materially affect the amounts reported in the accompanying consolidated balance sheets and statements of operations.

A reconciliation of the fair value measurements using significant unobservable inputs (Level 3) is as follows for 2022 and 2021:

	Trust Funds Administered by Others
Balance at September 30, 2020	$10,965
Net realized and unrealized gains	1,376
Balance at September 30, 2021	12,341
Net realized and unrealized losses	(2,505)
Balance at September 30, 2022	$ 9,836

The table below sets forth additional disclosures for investment funds (other than mutual funds) valued based on net asset value to further understand the nature and risk of the investments by category:

	Fair Value	Unfunded Commit-ments	Redemption Frequency	Redemption Notice Period
September 30, 2022:				
Funds-of-funds	$18,489	$ –	Semi-monthly	5 days
Funds-of-funds	9,645	–	Monthly	15 days
Funds-of-funds	53,791	–	Quarterly	45 – 65 days**
Funds-of-funds	10,329	–	Annual	90 days
Funds-of-funds	8,250	–	Semi-annual	60 days*
Funds-of-funds	42,296	25,854	Illiquid	N/A
Collective trust funds	12,582	–	Daily	10 days
Collective trust funds	7,008	–	Weekly	10 days
Collective trust funds	40,650	–	Monthly	6 – 10 days

15. Fair Value Measurements (Continued)

	Fair Value	Unfunded Commit-ments	Redemption Frequency	Redemption Notice Period
September 30, 2021:				
Funds-of-funds	$22,685	$ –	Semi-monthly	5 days
Funds-of-funds	12,926	–	Monthly	15 days
Funds-of-funds	59,430	–	Quarterly	45 – 65 days**
Funds-of-funds	11,157	–	Annual	90 days
Funds-of-funds	9,837	–	Semi-annual	60 days*
Funds-of-funds	24,592	20,713	Illiquid	N/A
Collective trust funds	16,131	–	Daily	10 days
Collective trust funds	9,810	–	Weekly	10 days
Collective trust funds	54,406	–	Monthly	6 – 10 days

* Limited to 25% of the investment balance at each redemption.

** One investment has a one-year lock period and redemption of one investment is limited to 12.5% of the investment balance at each redemption.

Fixed Income Securities

The primary purpose of fixed income investments is to provide a highly predictable and dependable source of income, preserve capital, and reduce the volatility of the total portfolio and hedge against the risk of deflation or protracted economic contraction.

Marketable Equity and Other Securities

The primary purpose of marketable equity investments is to provide appreciation of principal and growth of income with the recognition that this requires the assumption of greater market volatility and risk of loss. The total marketable equity portion of the portfolio will be broadly diversified according to economic sector, industry, number of holdings and other characteristics including style and capitalization. The System may employ multiple equity investment managers, each of whom may have distinct investment styles. Accordingly, while each manager's portfolio may not be fully diversified, it is expected that the combined equity portfolio will be broadly diversified.

The System invests in other securities that are considered alternative investments that consist of limited partnership interests in investment funds, which, in turn, invest in diversified portfolios predominantly comprised of equity and fixed income securities, as well as options, futures contracts, and some other less liquid investments. Management has approved procedures pursuant to the methods in which the System values these investments at fair value, which ordinarily will be the amount equal to the pro-rata interest in the net assets of the limited partnership, as such value is supplied by, or on behalf of, each investment from time to time, usually monthly and/or quarterly by the investment manager. Collective trust funds are generally valued based on the proportionate share of total fund net assets.

15. Fair Value Measurements (Continued)

System management is responsible for the fair value measurements of investments reported in the consolidated financial statements. Such amounts are generally determined using audited financial statements of the funds and/or recently settled transactions and is estimated using the net asset value per share of the fund. Because of inherent uncertainty of valuation of certain alternative investments, the estimate of the fund manager or general partner may differ from actual values, and differences could be significant. Management believes that reported fair values of its alternative investments at the balance sheet dates are reasonable.

The System has committed to invest up to $63,183 with various investment managers, and had funded $27,329 of that commitment as of September 30, 2022. As these investments are made, the System reallocates resources from its current investments resulting in an asset allocation shift within the investment pool.

Inflation-Protected Securities

The primary purpose of inflation-protected securities is to provide protection against the negative effects of inflation.

Fair Value of Other Financial Instruments

Other financial instruments consist of accounts and pledges receivable, accounts payable and accrued expenses, estimated third-party payor settlements, and long-term debt and notes payable. The fair value of all financial instruments other than long-term debt and notes payable approximates their relative book values as these financial instruments have short-term maturities or are recorded at amounts that approximate fair value.

16. Financial Assets and Liquidity Resources

Financial assets and liquidity resources available within one year for general expenditure, such as operating expenses, scheduled principal payments on debt, and capital construction costs, consisted of the following at September 30, 2022:

Cash and cash equivalents	$ 54,630
Short-term investments	15,322
Accounts receivable	110,525
Funds held by trustee for insurance reserves, escrows and construction costs	50,118
	$230,595

To manage liquidity, the System maintains sufficient cash and cash equivalent balances to support daily operations throughout the year. Cash and cash equivalents and short-term investments include bank deposits, money market funds, and other similar vehicles that generate a return on cash and provide daily liquidity to the System. In addition, the System has board-designated assets without donor restrictions that can be utilized at the discretion of management to help fund both operational needs and/or capital projects. As of September 30, 2022, the balance of liquid investments in board-designated assets was $300,735.

Ashley Ponce, MSN, RN

Professional Experience

Concord Hospital Medical Group

Clinical Manager-Family Health Center (January 2024-current)

- Responsible for day to day clinical management and direct supervision of Registered Nurses and Medical Assistants.
- Recruits, retains and develops staff and manages performance.
- Participates in establishing and monitoring annual department productivity, quality, fiscal goals, and staffing.
- Manages departmental core processes.
- Responsible for customer relations and customer service initiatives.

Village MD

RN Care Manager (May 2022-December 2023)

- Provides evidence based telephonic case management services in an outpatient setting with a focus on transitional care for patients identified as high risk in ACO and other value-based contracts.
- Performs holistic health assessments including identifying social determinants of health, medical needs, triage, and symptom management, reconciling medications, identifying home support gaps, and providing resources to fill gaps to promote health and wellness in the community decreasing unnecessary utilization.
- Work collaboratively with a team of health care professionals including medical assistants, social workers, medical providers, and outside vendors to determine a patient centered plan of care.
- Provide ongoing patient-centered health coaching and education using motivational interviewing techniques to identify readiness for change, identify patient specific barriers.

Granite VNA (Formerly Concord Regional Visiting Nurses Association), Concord, NH (October 2011 – Present)

Senior Nurse Educator (August 2020 – July 2021)

- Collaborates in planning and teaching of annual competency training for all professional staff. Oversees orientation for paraprofessional and professional staff. Assists in planning and implementing quality improvement projects. Creates clinical policies, procedures, and guidelines for all departments.
- Provides consultation and nursing support to community benefit team and nursing oversight for infection prevention programs. Plan, create, and teach annual competency training to all professional staff using online and live platforms.

Professional Nurse Educator (July 2017 – August 2020)

- Planned and taught orientation classes for professional clinicians entering employment in the hospice and home care departments. Oversaw orientation training, including use of the electronic medical record, accurate documentation in hospice and home care and nursing procedures in the community setting.

Collaborated in execution of improvement projects and processes. Assisted in the preparation and delivery of competency training for professional staff.

Home Care Nurse Case Manager (October 2011 – July 2017)

- Worked in collaboration with members of the healthcare team to improve patient outcomes and provide nursing care for patients in their homes.

Cardiac Medicine Unit, Catholic Medical Center, Manchester, NH

RN: Clinical Nurse II (Jan 2008 – Oct 2011)

- Served as Nurse on telemetry care unit. Promoted upon completion of a clinical improvement project related to patient education. Worked as a charge nurse and nurse preceptor.

Dartmouth Hitchcock Medical Center, Lebanon, NH

RN: Intermediate Cardiac Care Unit (July 2007 – Jan 2008)

- Completed 3-month Nurse Residency program and served as a registered nurse.

Ridgewood Center, Bedford, NH
RN, LPN, LNA (Aug 2004 – Jan 2008)
- Served as LPN/RN (January 2005 - January 2008) and worked as an LNA (August 2004 - January 2005) Provided nursing care to patients living in long-term care and in skilled nursing units.

TEACHING EXPERIENCE

LNA Health Careers, Manchester, NH
LNA Course Instructor (March 2014 – September 2014) (August 2023-January 2024)
- Planned and taught theoretical concepts to students enrolled in a 110-hour nursing assistant training course. Developed assignments and oversaw students' performance in the clinical setting.

Harmony Healthcare, LPN program, Merrimack, NH
Adjunct Faculty (August 2021-December 2021)
- Served as clinical instructor in LPN program fundamentals of nursing both in the clinical and simulation setting.

School of Nursing, Massachusetts College of Pharmacy and Health Sciences, Manchester, NH
Adjunct Faculty (August 2019 – May 2021)
- Served as Clinical Instructor for fundamentals of nursing; provide oversight for medical surgical rotations and schedule faculty for nursing simulation exercises.

EDUCATION & CERTIFICATIONS

Master of Science in Nursing (Cont.): Curriculum focus: Nursing Education, Franklin Pierce University, Rindge, NH
Graduate Assistant: Created curriculum for pre-licensure nursing course. (2019 – 2020)
Inducted into the Sigma Theta Tau International Honor Society (May 2020)

Bachelor of Science in Nursing, Franklin Pierce University, Rindge, NH (2011)

Associate Degree in Nursing, New Hampshire Technical Institute, Concord, NH (2007)

Licensed Practical Nursing Certificate, New Hampshire Technical Institute, Concord, NH (2004)

LICENSES & MEMBERSHIPS

National League for Nursing Certified Academic Clinical Nurse Educator (CNE-cl) (Expires March, 2026)
Registered Nurse-New Hampshire compact license #058096-21
American Heart Association Basic Life Support for Health Care Provider

Affiliations:

Member: New Hampshire Nurses Association and American Nurses Association (2016 – Present)

Abigail Stone

EDUCATION

Fisher College, Boston, MA August 2013 - May 2015
Semester at Sea, Study Abroad, Fall 2014
Biochemical Engineering

The Salter School, Tewksbury, MA August 2016
Asso. Certified Medical Assistant (CMA)

American Red Cross, Concord, NH June 2017
Licensed Nursing Assistant (LNA)

CERTIFICATIONS

CPR/First Aid/AED Adult Only, American Red Cross
American Association of Medical Assistants (AAMA)
OSHA Certified
EHR Certified, National HealthCare Association

EHR trained in eClinicalWorks, Centricity, EPIC, AllScripts/Sunrise, Cerner

WORK EXPERIENCE

Practice Manager
Concord Hospital
Family Health Center, Concord, NH, May 2022 - Present

- Establishes positive working relationships with providers and acts as a conduit for departmental and organizational communication among staff and others.
- Responsible for customer relations and customer service initiatives.
- Manages departmental core processes, participates and supports departmental and organizational change.
- Ensures compliance with State, Local, Federal regulatory requirements. Meets all departmental, professional and technical requirements.
- Participates in establishing and monitoring annual department budget, accountable for development of action plans related to financial performance.
- Analyze financial performance on a daily, weekly, and monthly basis. Meet with department leadership to determine opportunities for improvement and associated action plans.
- Understand key performance indicators and ensure targeted benchmarks are achieved in relation to Meaningful Use, Provider Dashboards, Revenue Cycle Metrics, etc.
- Recruits, retains and develops staff and manages performance.
- Takes responsibility for individual performance goals.
- Works independently and within a team on special, nonrecurring and ongoing projects. Coordinates multiple aspects of projects, events, and other complex activities.

Clinical Office Coordinator Manager & Certified Medical Assistant
Catholic Medical Center
Wound & Ostomy Center, Manchester, NH, Transfer July 2020 – May 2022

- Oversee daily operations in the clinic, and resolve any staff or patient issues that arise.

- Act as liaison between patients and medical staff, provide administrative support to all medical staff.
- Develop appropriate guidelines for staff to prioritize work activities.
- Facilitate monthly staff meetings, quarterly collective meetings with various departments throughout the hospital.
- Accountable for office visit charges and billing management.
- Manages employee time off requests, provider vacations, CME requirements, etc.
- Training of all new employees, JCAHO and OSHA safety, fire safety and active shooter training. Create resource binders for staff to utilize for training.
- Responsibilities also included data input of patient demographics, verifying, patient insurance coverage, obtaining medical referrals, ordering and maintaining office inventory.
- Medical assistant duties include vital signs, medication reconciliation, assisting providers during procedures, wound dressing changes, and creation of referrals incoming and outgoing.

Certified Medical Assistant
Catholic Medical Center
The Surgical Care Group, Manchester, NH, Feb 2018 - July 2020 *Transfer*

- Perform rooming activities for provider, chart preparation, wound care, all vital signs.
- Perform as a surgical tech when needed for in office procedures
- Administrative duties such as medical records, answering incoming phone calls, triage, prescription refills, referrals, precertifications, entering orders, scanning documentation and sorting faxes.
- Point of care testing, quality control, universal protocol.
- Specialize in general ,vascular, bariatric and orthopedic surgery.
- Travel to satellite offices and perform all duties - check in, check out, rooming, scheduling, opening and closing clinic.

DOMINIC FRANCIS GEFFKEN

PROFESSIONAL

July 2004-present — Director, Preventive Medicine
NH Dartmouth Family Medicine Residency
250 Pleasant Street, Concord, NH 03301

EDUCATION

July 1999- June 2004 — University of Massachusetts Medical School-Worcester
Family Medicine/Preventive Medicine Residency Program

1994-1999 — University of Vermont College of Medicine
M.D. awarded 1999

1982-1987 — University of Vermont
B.S. Biochemistry / B.A. English

CERTIFICATION

2006-2016 — Diplomate American Board of Preventive Medicine

2003-2010 — Diplomate American Board of Family Practice

Nov. 2002-present — Full License Commonwealth of Massachusetts, Board of Registration in Medicine

July 2004-present — Full License State of New Hampshire, Board of Registration in Medicine

CLINICAL EXPERIENCE

2004-present — Capital Region Family Health Center
Provide comprehensive health care in a Family Practice clinic as a faculty member of a Family Medicine and Preventive Medicine residency.

1999-2004 — Barre Family Health Center
Provide comprehensive health care in a Family Practice clinic during my Family Medicine and Preventive Medicine residencies.

2002-2004 — Worcester Polytechnic Institute (WPI) Student Health Center
Provide primary health care to college students.

2004 — Clark Student Health Center
Provide primary health care to college students.

RESEARCH

March 1998-January 1999 — Independent Research Project
Russell Tracy, Ph.D., Edwin Bovill, MD. University of Vermont, College of Medicine, Department of Pathology.
The association of exercise with the markers of inflammation in cardiovascular disease.

Summer 1995 — Independent Research Project

Melissa Perry, ScD. University of Vermont, College of Medicine, Department of Health Promotion. Characteristics of Vermont breast cancer mortality.

Spring Semester 1992 — Behavior Modification Project
John Burchard, Ph.D., University of Vermont, Department of Psychology. Implemented an in school behavior modification program to reduce the aggressive behavior in children.

2003	Steering Committee East Quabbin Alliance (EQUAL). Community group involved in assessment of community health needs and development and implementation of potential solutions.
Sept. 2002-June 2004	Medical Writer for column entitled "Health Matters". Write a biweekly medical column explaining common or current. medical topics for a lay audience in local paper, The Barre Gazette
January 1997- June 1999	Free Clinic at Fletcher Allen Health Care Evaluated and treated people without medical insurance.
March 1998-June 1999	Free Clinic at The People's Health and Wellness Clinic Barre, VT. Evaluated and treated people without medical insurance.
1987-1995	Special Friends Program Howard Center for Human Services, Burlington, VT Spent time with an adolescent boy in a supportive, mentoring relationship.

Mikayla Panacopoulos, RN, BSN

Registered Nurse

Focused healthcare professional with 5 years of experience in outpatient care and management. Proven ability to evaluate the health needs of patients and deliver appropriate plan of care. Adept at suiting complex patient populations resulting in effective treatment. Successful team player able to motivate others to work independently. Areas of expertise include:

Telephone Triage	Medication administration	Delegation Skills
SBAR Documentation	Professionalism	Organizational Skills
Basic Life Support	Communication skills	Team Building

Professional Experience

Concord Family Health Center
Registered Nurse — 2018 - Present

Support outpatient care and management. Room patients, obtain vitals and administer medications and immunizations. Assess and establish levels of care via telephone triage. Collaborate with primary care physicians and other clinical staff to formulate dispositions. Provide patient population with education on health conditions and management of health conditions.

Women's Health Nurse Coordinator — 2022 - Present

Support OBGYN team at FHC. Schedule OB intakes for newly pregnant patients, arrange for ultrasounds and prenatal labs, perform NSTs when applicable, send referrals to MFM, triage pregnant patient's needs and determine disposition, work with cases workers or insurance to help schedule transportation when needed, create a list of high risk patients from our clinic monthly to be presented at OB planning meeting with other OBGYN practices/providers & assist with GYN procedures when applicable.

Key Contributions:

- Trained in other departmental roles to offer scheduling flexibility during staffing shortages
- Coordinate client enrollment in the Breast & Cervical Cancer program
- Assist & participate with setting up trainings/workshops for FHC residents
- Assist with and/or create workflows for OBGYN department

Pleasant View Center 2015-2016
Licensed Nursing Assistant

Recruited to assist residents on the Transitional Care unit with ADLs. Documented vitals, intake and output, meals, and daily weights. Participated in various in-services related to patient care.

Education and Technical Proficiencies

Bachelor of Science in Nursing (BSN): (2020)
Southern New Hampshire University

Associate Degree in Nursing (ADN): (2018)
New Hampshire Technical Institute

Licenses and Certifications:

- N.H. State Multi-State Registered Nurse License (active)
- Basic Life Support (active)
- Licensed Nursing Assistant (expired)

Technical Skills:

EMR (Cerner & Centricity), Revenue Cycle, Workday, GroupWise, Microsoft Word, Outlook, Excel & PowerPoint

Sarah Fortin, PMP

Information Technology Project Manager Specializing in Healthcare

PMP-certified project manager with over 15 years of healthcare experience. Information technology project manager, providing oversight in a matrixed environment to staff of all levels. Management of projects from planning through implementation, responsible for all aspects of project management including:

- Develop project documentation, including: Charter, project plan, budget, scope, and status reports.
- Lead large-scale technical and clinical transformation projects and programs.
- Plan and facilitate all activities throughout the project lifecycle.
- Ensure project deliverables are provided on time and on budget.
- Project implementation issue identification, management and resolution.
- Secure support of senior leadership team to ensure project success.

Professional Experience

Sept. 2021-Present **Administrative Director, Concord Hospital, Health Center & Residency Program**

- Administrative oversight of primary care practices in two locations with services including behavioral health, dental, OB/GYN, pediatrics and sports medicine.
- Administrative oversight of a 24 resident family medicine residency program and separate medical student program.
- Define strategic goals for the department, establish and track goals and objectives, while ensuring alignment with organizational priorities.
- Ensure department is meeting budget related to visit volumes and dollars.
- Management of

Apr. 2018 – Sept. 2021 **Project Manager, Concord Hospital, Project Management Office**

- Management of clinical transformation projects as well as technical upgrades and maintenance for the enterprise electronic health record (EHR) used throughout all clinical and financial departments.
- Work with senior leadership team to adapt to changing priorities within a healthcare setting.
- Implementation of process and technology to support clinical transformation, utilizing principles of change management.
- Management of project teams greater than 40 ITS resources in size and including collaboration of administration, physicians and clinical team members.
- Mentoring and leadership for analysts, engineering and clinical team members to ensure project success.
- Utilization, development and refinement of project management tools and templates.

Dec. 2009 – Apr. 2018 **App. Analyst/Project Manager, Concord Hospital, Physician Information Services**

- Implementation of Cerner (electronic health record) for ambulatory practices as part of system-wide Cerner implementation, including workflow and system design, build and acceptance.

- Build and lead project teams comprised of multi-disciplinary team members, including leadership, physicians, nursing staff, ITS and support staff.
- Creation and maintenance of custom content and interface development, maintenance and testing for outpatient practices.

Feb. 2009 – Dec. 2009 **Supervisor, Concord Hospital, Patient Financial Services Pre-Services**

- Leadership and support for a team of 10 employees.
- Improvement of workflows to ensure payment of diagnostic testing and inpatient stays.
- Workflow modifications, using innovative approaches to technology in the financial setting.

May 2007 – Feb. 2009 **Training Specialist, Concord Hospital, Patient Financial Services Revenue Cycle**

- Provided training for hospital and clinic staff across healthcare enterprise.
- Developed and implemented training, policies and procedures related to revenue cycle processes.

Sept. 2004 – May 2007 **Research Assistant, Dartmouth Psychiatric Research Center**

- Supported a multi-site research program serving older adults with serious mental illness.
- Interviewed and monitored research study participants.
- Developed and maintained documentation related to ensure funding and regulatory compliance.

Education

Bachelor of Arts in Psychology,
University of Arizona, Tucson, AZ
Graduated Magna Cum Laude (GPA 3.8 on a 4.0 scale)

Project Management Professional (PMP), Project Management Institute
Renewal Deadline: 4/26/2025

Sara L. Parker

OBJECTIVE:

Interested in a position that will allow me to apply my existing skills while continuing to learn. Heavy interest in working with a community of diverse needs and focusing on staff/student satisfaction while building bridges with external resources, partners, or affiliates.

EDUCATION:

John Stark High School
1996. Graduated with HS diploma

Southern NH University
2022 – Current

New England College, Henniker NH
1997-2000. Associates level degree in Business Administration. I have two semesters to complete B.A. I am planning to enroll in classes in the evening and over the internet. I am not your traditional student and view my education and the continuing of my education as an important ingredient in my overall success. I am interested in pursuing a Masters in Health Administration.

A&T Team Board Member
Hospital Association
2008-2013

Community Partner certified for Healthy Kids (NH State)
2002-2012

HICEAS Certified
2005-2010

Southern NH University
2021 - Current

CAREER SUMMARY:

Family Health Center Hillsboro Practice Manager, 2022-Current
Responsible for the daily management of the practice. This includes, but is not limited to operational, financial, clinical, performance improvement, program development, and customer relations and patient care outcomes. Responsibilities also include collaboration with other departments of the Hospital to assure development, promotion, and maintenance of quality programs and services.

ER Registration Supervisor, 2011- 2022
At the direction of the Patient Access Director, I collaborate with members of the Emergency Department, Primary Care Practices, Nursing, CEMA, Hospitalist, and Care Coordination to facilitate and maintain responsibility for organizational patient flow and capacity management while ensuring quality registration. This includes, but is not limited to operational, financial, clinical, performance improvement, program development, and customer relations and patient care outcomes. I have been the primary resource person for greater than 25 staff and provide direct support for staffing coverage needs and active codes during all shifts. Supports the Organization by fostering inter departmental communication/collaboration and patient advocacy while maintaining responsibility for organizational patient flow and capacity management.

Team Lead of Financial Counseling, 2002-2011
As Team Lead for Financial Counseling my role is to oversee the daily operations of the Dept and provide support for any areas of need. This role requires me to be dependable, work well under pressure, be an active listener, and maintain a positive attitude when under stress. I willingly accept these responsibilities and I work hard to meet the demands of this position and the evolution of our Department.

Assistant Director of Financial Aid, 1997-2002
Offer efficient and comprehensive service to all NEC students and their families seeking information and opportunities for financial aid. This encompasses all aspects of aid, scholarship, loans, work-study, honorary stipends, etc. To maximize opportunity for NEC to attract optimum number of candidates by presenting aid options and opportunities that may facilitate candidates' matriculation to NEC.

INTERESTS: Volunteering, Access to Healthcare, Hiking, snowshoeing, spending quality time with my family

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to enter into contracts with the Contractors listed below in an amount not to exceed $8,158,520 to increase access to integrated prevention and primary health care services for Women, Infants, Children and Adolescents, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020, with the option to renew for up to four (4) additional years, effective upon Governor and Council approval through June 30, 2024. 10% Federal Funds. 90% General Funds.

Contractor Name	Vendor Code	Area Served	Contract Amount
Amoskeag Health	157274-B001	Manchester	$1,529,850
Concord Hospital, Inc.	177653-B011	Concord	$658,569

Manchester Health Department	177433-B009	Manchester	$412,006
Mid-State Health Center	158055-B001	Plymouth	$640,823
Weeks Medical Center	177171-R001	Lancaster	$617,806
White Mountain Community Health Center	174170-R001	Conway	$624,885
		Total:	**$8,158,520**

Funds are available in the following accounts for State Fiscal Years 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Department to increase access to integrated prevention and primary health care for the Maternal and Child Health (MCH) target population of women, infants, children and adolescents, and to address the maternal and youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

Approximately 194,940 individuals will be served from June 1, 2022 to June 30, 2024.

The Contractors will provide increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, and pregnant women and women of childbearing age, and must not exclude individuals who are uninsured; underinsured; and/or considered low-income. Integrated prevention and primary health care services are provided to individuals who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. The Contractors will integrate and coordinate access to medical, behavioral and social services by reducing barriers to care through an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will monitor services through the following performance measures:

- Percent of infants who were ever breastfed.
- Percent of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percent of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.

The Department selected the Contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from January 14, 2022 through February 25, 2022. The Department received 10 responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, pregnant women and women of childbearing age, and individuals who are uninsured; underinsured; considered low-income.

Source of Federal Funds: CFDA #93.994, FAIN B04MC45230

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

DocuSigned by:
Ann H. Landry

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials RS

Date 5/20/2022

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor Initials RS

Date 5/20/2022

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT A

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall increase access to integrated healthcare for the Maternal and Child Health (MCH) target population of Women, Infants, Children and Adolescents from birth to 21 years of age, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

1.2. The Contractor shall provide and increase access to healthcare for New Hampshire Infants, Children and Adolescents from birth to 21 years of age, and Pregnant Women and Women of Childbearing age, and must not exclude individuals who are:

1.2.1. Uninsured.

1.2.2. Underinsured.

1.2.3. Considered low-income defined as less than 185% of the U.S. Department of Health and Human Services (US DHHS) Poverty Guidelines.

1.2.4. Lacking housing, including individuals whose primary residence during the night is a supervised public or private facility, such as a shelter, that provides temporary living accommodations.

1.2.5. Residing in transitional housing.

1.2.6. Unable to maintain their housing situation.

1.2.7. Forced to stay with a series of friends and/or extended family members, hence are considered homeless.

1.2.8. Recently released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.3. The Contractor shall provide integrated preventative and primary health care services to the populations in Subsection 1.2 above, which must include:

1.3.1. Behavioral health care;

1.3.2. Prenatal care either on site or by referral;

1.3.3. Care management; and

1.3.4. Enabling services.

1.4. The Contractor shall provide eligibility determination services that include, but are not limited to:

1.4.1. Notifying the Department in writing if/when access to primary care services for new patients is limited or closed for more than thirty (30)

consecutive business days or any sixty (60) non-consecutive business days.

1.4.2. Assisting individuals with completing a Medicaid/Expanded Medicaid and/or other health insurance applications.

1.4.3. Maximizing billing to private and commercial insurances for all reimbursable services rendered.

1.4.4. Posting a public notice in a conspicuous location specifying that no individual will be denied services due to inability to pay.

1.4.5. Developing and implementing a sliding fee scale for services in accordance with the Federal Poverty Guidelines and providing the sliding fee scale to the Department upon request.

1.5. The Contractor shall ensure primary care services are provided by a New Hampshire licensed:

1.5.1. Medical Doctor (MD);

1.5.2. Doctor of Osteopathic Medicine (DO);

1.5.3. Advanced Practice Registered Nurse (APRN); and/or

1.5.4. Physician Assistant (PA) to eligible individuals in the service area.

1.6. The Contractor shall provide services in an office-based setting which may include, but is not limited to:

1.6.1. Federally Qualified Health Centers (FQHCs) and/or Rural Health Clinics.

1.6.2. School Based Health Clinics.

1.6.3. Mobile Care Delivery Services.

1.7. The Contractor shall ensure services include, but are not limited to:

1.7.1. Reproductive health services.

1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral.

1.7.3. Preventive primary care services for women, infants, children and adolescents, including screenings and health education in accordance with established, documented state or national guidelines and evidence based practices.

1.7.4. Integrated behavioral health services.

1.7.5. Assessment of need and follow-up/referral as indicated for:

1.7.5.1. Tobacco cessation, including referral to programs such as QuitWorks-NH (http://www.QuitWorksNH.org);

1.7.5.2. Social services that address Social Determinants of Health (SDOH);

1.7.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA);

1.7.5.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

1.7.5.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services; and

1.7.5.6. Referrals to any specialists as needed that are not offered on site, including home visiting services and oral health.

1.8. The Contractor shall provide and facilitate enabling services to all individuals served with special emphasis given to the MCH population of women and infants, children and adolescents from birth to 21 years of age. Enabling services must include at a minimum:

1.8.1. Case management;

1.8.2. Benefit counseling and/or eligibility assistance;

1.8.3. Health education and supportive counseling; and

1.8.4. Language interpretation, outreach, transportation and education of patients and the community regarding the availability and appropriate use of health services.

1.9. The Contractor shall ensure management services for individuals enrolled for primary care services include, but are not limited to:

1.9.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, and in a culturally and linguistically appropriate manner; and

1.9.2. Direct access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, by referral or subcontract.

1.10. The Contractor shall develop, define, facilitate and implement a minimum of two (2) enabling services initiatives and enabling services initiative work plans that focus on the Title V MCH Block Grant population of women, infants, children and adolescents, as follows:

1.10.1. Initiative One (1) – Screening and Referral for SDOH, in accordance with Attachment #1; and

1.10.2. Initiative Two (2) – Increase number of Postpartum Women who Have Lactation Support, in accordance with Attachment #2.

1.11. The Contractor shall monitor, update and implement each enabling services initiative work plan in accordance with Attachment #3 – Reporting Requirements Calendar.

1.12. The Contractor shall develop, define, facilitate and implement a minimum of two (2) quality improvement (QI) projects, which must consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of all individuals served, including:

1.12.1. QI Project One (1): To Measure the Percentage of Adolescents Screened for Substance Use, in accordance with Attachment #4, and

1.12.2. QI Project Two (2): Adolescents who Received a Brief Intervention or Referral to Services upon a Positive Substance Test, in accordance with Attachment #5.

1.13. The Contractor shall monitor, update and implement the work plans for each QI project in accordance with Attachment #3 – Reporting Requirements Calendar.

1.14. The Contractor shall attend in-person and/or virtual meetings and trainings facilitated by the Department, which include, but are not limited to:

1.14.1. MCH Agency Directors' Meetings scheduled by the Department on an as-needed basis.

1.14.2. MCH Primary Care Coordinators' Meetings up to two (2) times per year, which may require attendance by selected Vendor(s) quality improvement and clinical staff.

1.15. The Contractor shall ensure all services in this Exhibit B, Scope of Services, are provided by qualified health and allied health professionals.

1.16. The Contractor shall provide supporting documentation to the Department that verifies staff hours funded under the Agreement that may include, but is not limited to, timecards.

1.17. The Contractor shall ensure all health and allied health professionals possess and maintain the appropriate and current New Hampshire licenses whether directly employed, contracted or subcontracted.

1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator or staff person essential to providing services. The Contractor shall ensure notification:

1.18.1. Is provided to the Department no later than thirty business (30) days from the date of hire; and

1.18.2. Includes a copy of the newly hired individual's resume.

1.19. The Contractor shall notify the Department in writing when:

1.19.1. Any critical position is vacant for more than thirty (30) business days;

1.19.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive business days or any sixty (60) non-consecutive business days.

1.20. The Contractor shall ensure that all employees and subcontractors providing direct services to clients under this Agreement have undergone a criminal background check and have no convictions for crimes that represent evidence of behavior that could endanger clients served under this Agreement.

1.21. The Contractor shall permit an individual, or team or individuals, authorized by the Department to schedule and conduct periodic virtual and/or on-site reviews of documentation related to contracted services, including:

1.21.1. Administration;

1.21.2. Data collection and submission;

1.21.3. Clinical and financial management; and

1.21.4. Delivery of education services.

1.22. The Contractor shall ensure the information needed by the Department to conduct virtual and/or on-site reviews is available, which may include, but is not limited to:

1.22.1. Client records.

1.22.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

1.23. The Contractor shall adhere to any corrective action plans issued by the Department should virtual and/or on-site reviews yield results that services provided are not in compliance with the Agreement. Any corrective action plans shall not prevent the Department from taking action under paragraph 8, Event of Default/Remedies and paragraph 9, Termination, of the General Provisions, Form P-37, of the Agreement.

1.24. The Contractor shall actively and regularly collaborate with the Department to enhance contract management and improve results.

1.25. The Contractor may be required to collect and share other key data and metrics with the Department, including client-level demographic, performance, and service data, in a format specified by the Department.

1.26. Reporting

1.26.1. The Contractor shall collect and submit the data and reports as specified in Attachment #3 – Reporting Requirements Calendar to the Department. Data must be de-identified and aggregated to prevent constructive identification of any individual, and must include but is not limited to:

1.26.1.1. Uniform Data System (UDS) outcomes.

1.26.1.2. Performance Measure outcomes.

1.26.1.3. Work plan for each Enabling Service Initiative.

1.26.1.4. Work Plan for each QI Project.

1.27. Performance Measures

1.27.1. The Contractor shall report data on the Performance Measures in Appendix F at regular intervals as specified in Appendix G – Reporting Requirements Calendar, utilizing Appendix K – DTT-PC2022 Template.

1.27.2. The Contractor shall meet or exceed their proposed goals and objectives for the required Performance Measures in Attachment #6. Should the Contractor not meet or exceed their goals, the Contractor shall submit a Performance Measure Improvement Plan for each unmet Performance Measure, utilizing Attachment #7 – Performance Measure Outcome Report Template, at reporting intervals as specified in Appendix G – Reporting Requirements Calendar.

1.27.3. The Department may identify other performance measures in the resulting Agreement.

2. Exhibits Incorporated

2.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

2.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

2.3. The Contractor shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

3. Additional Terms

3.1. Impacts Resulting from Court Orders or Legislative Changes

3.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

3.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

3.2.1. The Contractor shall submit, within ten (10) days of the Agreement Effective Date, a detailed description of the communication access and language assistance services to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

3.3. Credits and Copyright Ownership

3.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement shall include the following statement, "The preparation of this (report, document etc.) was financed under an Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

3.3.2. All materials produced or purchased under the Agreement shall have prior approval from the Department before printing, production, distribution or use.

3.3.3. The Department shall retain copyright ownership for any and all original materials produced, including, but not limited to:

3.3.3.1. Brochures.

3.3.3.2. Resource directories.

3.3.3.3. Protocols or guidelines.

3.3.3.4. Posters.

3.3.3.5. Reports.

3.3.4. The Contractor shall not reproduce any materials produced under the Agreement without prior written approval from the Department.

3.4. Operation of Facilities: Compliance with Laws and Regulations

3.4.1. In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental

license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

4. Records

4.1. The Contractor shall keep records that include, but are not limited to:

4.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

4.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

4.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

4.1.4. Medical records on each patient/recipient of services.

4.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts. Upon the purchase by the Department of the maximum number of units provided for in the Agreement and upon payment of the price limitation hereunder, the Agreement and all the obligations of the parties hereunder (except such obligations as, by the terms of the Agreement are to be performed after the end of the term of this Agreement and/or survive the termination of the Agreement) shall terminate, provided

however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT C

Payment Terms

1. This Agreement is funded by:
   1.1. 10% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration, CFDA #93.994, FAIN B04MC45230.
   1.2. 90% General funds.
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. Payment shall be on a cost. reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget through Exhibit C-3, Budget.
4. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:
   4.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.
   4.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.
   4.3. Identifies and requests payment for allowable costs incurred in the previous month.
   4.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.
   4.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.
   4.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to DPHSContractBilling@dhhs.nh.govor mailed to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

5. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

6. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract completion date specified in Form P-37, General Provisions Block 1.7 Completion Date.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

8.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

8.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

8.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

RS

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Exhibit F

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86); which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Contractor Initials RS

Date 5/20/2022

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Contractor Initials RS

Date 5/20/2022

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: 073977399

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   X NO _____ YES

   If the answer to #2 above is NO, stop here

   If the answer to #2 above is YES, please answer the following:

3. Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   _____ NO _____ YES

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

New Hampshire Department of Health and Human Services

Exhibit K

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.

2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.

3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

Agency Name: Concord Hospital Family Health Center
Name and Role of Person(s) Completing Work Plan: Sarah Kelly, Administrative Director and Sarah Healey, Clinical Manager

MCH Performance Measure: Adolescent Measure: SBIRT – Percentage of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

Project Objective: Improve screening rates for adolescents are screened for substance use utilizing the SBIRT intervention process by 10%.

Activities (list as many activities as are planned to reach the Objective)	Staff/Resources Involved (list for each activity)	Evaluation Plans (list as needed for each activity)	Timeline for Activity (estimated timeline for the duration of each activity)
Identify baseline measure of SBIRT screening for adolescents aged 12-17 at CH-FHC.	Data Analyst	Review report to establish baseline measures. Use data to inform if there are specific visit types where SBIRT screening is not occurring for adolescents.	April-May 2022
Work with the clinical team to identify barriers to adolescent SBIRT completion, including parental involvement and keeping information protected for positive adolescent screening.	Clinical Manager Clinical Leader Concord Hospital Health Information Management Department and Release of Information Medical Director Behavioral Health Manager Integrated Behavioral Health Clinicians	Develop protocols, work plans and/or policies to support the process for collecting this information as well as reviewing requirements to protect information.	April 2022-June 2022
Provide education and training for clinical staff (MA's and RN's) to ensure screening questions are asked and documented at adolescent office visits. Utilize MLADC, who is on staff, to help provide education and act as a resource for Referral to Treatment.	Clinical Manager Clinical Leader Resource Nurses Registered Nurses Medical Assistants Behavioral Health Manager Integrated Behavioral Health Clinicians	Confirm attendance at training session (or 1:1 after session) occurs for all clinical staff. Will be measured by sign in sheet.	June 2022-July 2022
Provide education to provider team to ensure awareness of the measure and how the metric will be tracked.	Clinical Manager Anchor Faculty Physicians Behavioral Health Manager	To be provided at a team meeting	July-August 2022

DS

	Integrated Behavioral Health Clinicians		
Explore technology solutions to assist with identifying when SBIRT has been done for an adolescent or is outstanding.	Informatics Analysts Clinical Manager Clinical Leader Resource Nurses Anchor Faculty Physician	In concert with Concord Hospital Informatics department, identify ways in which technology could be modified to assist with increasing visibility and awareness when SBIRT screening has not been done in the last 12 months.	July-October 2022
Monitor of reporting on a monthly basis to assess performance, identify staff members who may need additional education or support.	Data Analyst Clinical Manager Clinical Leader Resource Nurses	Clinical Manager will ensure the number of adolescents receiving SBIRT screening is increasing month-over-month, and will work with the clinical leadership team to offer support to team members who are not meeting the goal.	July 2022-December 2022

Attachment #6 – Performance Measures

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the intention is that Contractors would accordingly go by the most up to date UDS guidance for these measures.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. **Breastfeeding**

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Testing**

This measure will be broken down in to two age based measures, based on current NH Legislation, RSA 130-A:5-a, which requires that children be tested for lead at age 1 as well as at age 2.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months (NH MCHS).

DS RS

5/20/2022

Attachment #6 – Performance Measures

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between twelve (12) months through twenty three (23) months of age.

2.2.1.2. Denominator: All children who turned twenty-four months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months (NH MCHS).

2.2.2.1. Numerator: All children who received at least one capillary or venous blood lead test between twenty-four (24) through thirty-six (36) months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents; ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool on the date of the encounter or up to 14 days prior to the date of the encounter using an age appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

Attachment #6 – Performance Measures

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose

Attachment #6 – Performance Measures

and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

Adult Measure

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI during the measurement period **AND** if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: BMI ≥ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the measurement year or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

Child/Adolescent Measure

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting

DS RS

5/20/2022

year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year **AND** who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: Number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco at least one within the past twelve (12) months AND received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least two (2) medical visit during the measurement year, OR 1 preventative visit

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling. Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

Attachment #6 – Performance Measures

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) –Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adult Measure

2.7.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

Adolescent Measure

2.7.2. SBIRT – Percent of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: All patients aged 12-17 years during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.7.2.4. Definitions:

2.7.2.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.2.4.2. Brief Intervention: Includes guidance or counseling.

2.7.2.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

DS
RS

5/20/2022

Attachment #6 – Performance Measures

2.7.3. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.3.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services

2.7.3.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.3.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8 Developmental Screening Measure

Percent of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months (NH MCHS)

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and who had at least (1) medical visit during the measurement year

Attachment #7 – Performance Measure Outcome Report Template

Instructions for completing this Performance Measure Outcome Report (PMOR):
The Performance Measure Outcome Report (PMOR) is to be completed by your agency and emailed to shari.campbell@dhhs.nh.gov at the intervals specified on the Reporting Calendar.

Please complete the Narrative and Plan for Improvement sections for any of the following measures where your agency did not meet your agency target for the reporting period (July 1, 20XX – June 30, 20XX).

Performance measures:

- Breastfeeding
- Lead Screening for 1 Year Olds
- Lead Screening for 2 Year Olds
- Adolescent well care visit
- Depression screening and follow up plan if positive screening, 12 years and older
- Maternal Depression Screening
- Adults with documented BMI and follow-up plan if BMI outside of normal range
- Children 3-17 with documented BMI, nutrition counseling and physical activity counseling
- Adult tobacco screening and cessation counseling intervention for smokers
- Prenatal Tobacco screening each trimester and cessation counseling intervention for smokers
- SBIRT, Adults
- SBIRT, Adolescents
- SBIRT, Pregnant Women
- Developmental Screening-M-CHAT

* Note: Not met performance measures that have been addressed by your agency SFYXX Work Plan are excluded from this report. For example, the PMOR will omit Adolescent Visit measure for Primary Care Services

1. The Narrative section is to explain what happened during the year i.e. why measure was not met, what barriers/challenges your agency faced, describe any improvement activities that took place during the year to correct along the way, etc.

2. The Plan for Improvement section is to describe what steps your agency will take to achieve your agency target in SFYXX i.e. describe your strategy (PDSA), what will you plan to do differently etc.

3. Please email your completed PMOR **Shari Campbell at shari.campbell@dhhs.nh.gov by the dates indicated in the Reporting Calendar.** If you have any questions about completing this document, please contact Jannell Levine at Jannell.E.Levine@dhhs.nh.gov or 603-856-6449.

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Maternal and Child Health Care in the Integrated Primary Care Setting contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Coos County Family Health Services, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 15, 2022 (Item #32), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $1,055,726

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Section 1.3.2., to read:

   1.3.2. Prenatal care either on site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data related to prenatal performance measures.

5. Modify Exhibit B, Scope of Services, Section 1.7.2., to read:

   1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data relating to prenatal performance measures to the Department.

6. Modify Exhibit B, Scope of Services, Section 1.10.1. through Section 1.10.2., to read:

   1.10.1. Initiative One (1) – Screening and Referrals for SDOH; and

   1.10.2. Initiative Two (2) – Contractor's choice, which must focus on enabling services.

7. Modify Exhibit B, Scope of Services, Section 1.12.1. through Section 1.12.2., to read:

   1.12.1. QI Project One (1): Increasing Adolescent Well Visits; and

   1.12.2. QI Project Two (2): Increasing post-partum clinical depression screening of women within the first 12 weeks after delivering.

8. Modify Exhibit B, Scope of Services, Section 1.18., to read:

   1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator, or staff person essential to providing services and/or any personnel changes to these positions. The Contractor shall ensure notification:

   1.18.1. Is provided to the Department no later than thirty (30) business days from the date of hire or personnel change; and

   1.18.2. Includes a copy of the new staff individual's resume as well as an updated

staffing list.

9. Modify Exhibit B, Scope of Services, by adding Section 1.28., to read:

   1.28. The Contractor shall provide de-identifiable patient level data on the integrated and primary health care services provided, as specified in Subsection 1.3., and Section 1.26. Reporting.

10. Modify Exhibit C, Payment Terms, Section 1.1. through Section 1.2., to read:

    1.1. 14% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Assistance Listing Number (ALN) 93.994, FAIN B04MC45230, and as awarded on October 27, 2022, ALN 93.994, FAIN B04MC47432.

    1.2. 86% General funds.

11. Modify Exhibit C, Payment Terms, Section 3., to read:

    3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget Sheet through Exhibit C-4, Budget Sheet, Amendment #1.

12. Modify Exhibit C, Payment Terms, Section 4.3., to read:

    4.3. Identifies and requests payment for allowable costs incurred in the previous month. Allowable costs are costs incurred that specifically supports only New Hampshire Infants, Children and Adolescents from birth to 21 years of age, Pregnant Women, and Women of Childbearing age.

13. Modify Add Exhibit C, Payment Terms, by adding Section 4.7., to read:

    4.7. Includes budget line items that are used exclusively for serving the Maternal and Child Health population and invoicing must clearly state how the incurred expenses benefited this specific patient population.

14. Modify Attachment 3, Reporting Calendar, by replacing it in its entirety with Attachment 3, Amendment #1, Reporting Requirements Calendar, which is attached hereto and incorporated by reference herein.

15. Modify Attachment 6, Performance Measures, by replacing it in its entirety with Attachment 6, Amendment #1 – SFY 2025 Performance Measures, which is attached hereto and incorporated by reference herein.

16. Modify Attachment 7, Performance Measure Outcome Report (PMOR), by replacing it in its entirety with Attachment 7, Amendment #1, Performance Measure Outcome Report (PMOR), which is attached hereto and incorporated by reference herein.

17. Add Attachment 8, Amendment #1, DTT – MCH in the Integrated Primary Care Setting Template, which is attached hereto and incorporated by reference herein.

18. Add Exhibit C-4, Budget Sheet, Amendment #1, which is attached hereto and incorporated by reference herein.

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2024, upon Governor and Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

1. Definitions

1.1. **Measurement Year** – Consists of 365 days and is defined as either:

1.1.1. A Calendar Year (January 1st through December 31st), or

1.1.2. A State Fiscal Year (July 1st through June 30th).

1.2. **Medical Visit** –Defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. The UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the expectation is that the Contractor will adhere to the most up to date UDS guidance.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. **Breastfeeding**

2.1.1. Percent of infants who were ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for approximately six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Testing**

This measure will be broken down into two (2) age-based measures, based on current NH Legislation RSA 130-A:5-a, which requires children be tested for lead at one (1) year of age, and at two (2) years of age.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between 12 and 23 months of age (NH MCHS).

DS

4/19/2024

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between 12 and 23 months of age.

2.2.1.2. Denominator: All children who turned 24 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between 24 and 36 months of age (NH MCHS).

2.2.2.1. Numerator: All children who received at least one (1) capillary or venous blood lead test between 24 and 36 months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool on the date of the encounter or within 14 days prior to the date of the encounter **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients 12 through 21 years of age who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 through 21 years of age by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit in the first 12 weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.5. **Preventive Health: Obesity Screening**

Child/Adolescent Measure

2.5.1. Percent of patients three (3) through 17 years of age who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.1.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.1.2. Denominator: Number of patients who were one (1) year after their second (2nd) birthday (i.e., three (3) years of age) through adolescents who were up to one (1) year past their 16th birthday (i.e., 17 years of age) at some point during the measurement year, who had at least one (1) medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.1.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers **PLUS** queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) – Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adolescent Measure

2.7.1. SBIRT – Percent of patients 12 through 17 years of age who were screened for substance use using a formal valid screening tool during

any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use using a formal valid screening tool during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients 12 through 17 years of age during the measurement year with at least one (1) medical visit during the measurement year and with at least two (2) medical visits ever.

2.7.1.4. Definitions:

2.7.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.1.4.2. Brief Intervention: Includes guidance or counseling.

2.7.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.7.2. Percent of pregnant women who were screened using a formal valid screening tool for substance use during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of women in the denominator who were screened for substance use using a formal and valid screening tool during each trimester they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8. **Developmental Screening Measure**

Percent of children who reached 30 months of age by the end of the reporting period, and were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age (NH MCHS).

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age.

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and had at least one (1) medical visit during the measurement year.

State of New Hampshire

Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that COOS COUNTY FAMILY HEALTH SERVICES, INC. is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on December 14, 1979. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: **63204**

Certificate Number : **0006656076**

IN TESTIMONY WHEREOF,

I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this **14th** day of **March** A.D. **2024.**

David M. Scanlan

Secretary of State

CERTIFICATE OF VOTE/AUTHORITY

I, **Kassie Eafrati** of **Coos County Family Health Services, Inc. Board of Directors** do hereby certify that:

1. I am the **Chairperson** of **Coos County Family Health Services, Inc. Board of Directors**.

2. That the **Chief Executive Officer** is hereby authorized on behalf of this company to enter into said contracts with the State, and to execute any and all documents, agreements, and other instruments, and any amendments, revisions, or modifications thereto, as he/she may deem necessary, desirable or appropriate, and **Ken Gordon** is the duly elected **Chief Executive Officer** of this company.

3. I further certify that it is understood that the State of New Hampshire will rely on this certificate as evidence that the person listed above currently occupies the position indicated and that they have full authority to bind the company and that this authorization shall remain valid for thirty (30) days from the date of this certificate.

Kassie Eafrati

REPORTS IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS* AND THE UNIFORM GUIDANCE

June 30, 2023 and 2022

With Independent Auditor's Report

BerryDunn

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Coos County Family Health Services, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Coos County Family Health Services, Inc. (the Organization), which comprise the balance sheets as of June 30, 2023 and 2022, and the related statements of operations, functional expenses, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2023 and 2022, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, on July 1, 2022, the Organization adopted the provisions of Financial Accounting Standards Board Accounting Standards Codification Topic 842, *Leases*. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 21, 2023 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Organization

Coos County Family Health Services, Inc. (the Organization) is a not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides outpatient health care, dental and disease prevention services to residents of Coos County, New Hampshire, through direct services, referral and advocacy.

1. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which requires the Organization to report information in the financial statements according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

COVID-19 and Relief Funding

In March 2020, the World Health Organization declared coronavirus disease (COVID-19) a global pandemic and the United States federal government declared COVID-19 a national emergency. The Organization implemented an emergency response to ensure the safety of its patients, staff and the community. In adhering to guidelines issued by the Centers for Disease Control and Prevention, the Organization took steps to create safe distances between both staff and patients, including pivoting to virtual visits when appropriate.

The Organization received distributions from the Provider Relief Fund (PRF), which are funds to support healthcare providers in responding to the COVID-19 outbreak. The PRF is being administered by the U.S. Department of Health and Human Services (HHS). These funds are to be used for qualifying expenses and to cover lost revenue due to COVID-19. The PRF are considered conditional contributions and are recognized as income when qualifying expenditures or lost revenues have been incurred. The following table outlines the distributions received, period of availability and the period in which revenue was recognized.

Distribution Period	Total Distributions	Period of Availability	2020	2022
Period 1 (4/10/2020 to 6/30/2020)	$ 642,109	1/1/2020 to 6/30/2021	$ 642,109	$ -
Period 4 (7/1/2021 to 12/31/202)	620,877	1/1/2020 to 12/31/2022	-	620,877
	$1,262,986		$ 642,109	$ 620,877

The Organization received a Paycheck Protection Program Loan in the amount of $1,718,500 which was forgiven by the Small Business Association and lender in May 2021 and can be audited by the Small Business Association for up to six years from the date of forgiveness. The various COVID-19 programs are complex and subject to interpretation. The programs may be subject to future investigation by governmental agencies. Any difference between amounts previously recognized and amounts subsequently determined to be recoverable or payable are adjusted in future periods as adjustments become known.

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less.

The Organization maintains cash and cash equivalents accounts at several financial institutions. The balances at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At various times throughout the year, the Organization's balances may exceed FDIC insurance. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant risk.

Revenue Recognition and Patient Accounts Receivable

Net patient service revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing patient care. These amounts are due from patients and third-party payers (including commercial insurers and governmental programs). Generally, the Organization bills the patients and third-party payers several days after the services are performed. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Organization. The Organization measures the performance obligations as follows:

- Medical, behavioral health, dental, podiatry and ancillary services are measured from the commencement of an in-person or virtual encounter with a patient to the completion of the encounter. Ancillary services provided the same day are considered to be part of the performance obligation and are not deemed to be separate performance obligations.
- The Organization measures the performance obligation for contract pharmacy services with Wal-Mart Stores, Inc. (Walmart) based on when the drug dispensed to the patient has been reordered and shipped to Walmart by the Organization's Pharmacy Benefits Manager as the Organization is not entitled to payment until Walmart has been made whole for the drugs it dispensed to the patient.
- The Organization measures the performance obligation for contract pharmacy services with Walgreens Co. based on when the prescription is dispensed to the patient.

The majority of the Organization's performance obligations are satisfied at a point in time.

The Organization has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the payer. In assessing collectability, the Organization has elected the portfolio approach. The portfolio approach is being used as the Organization has a large volume of similar contracts with similar classes of customers (patients). The Organization reasonably expects that the effect of applying a portfolio approach to a group of contracts would not differ materially from considering each contract separately. Management's judgment to group the contracts by portfolio is based on the payment behavior expected in each portfolio category. As a result, aggregating all the contracts (which are at the patient level) by the particular payer or group of payers will result in the recognition of the same amount of revenue as applying the analysis at the individual patient level. A table detailing the payers is presented in Note 3.

A summary of payment arrangements follows:

Medicare

The Organization is primarily reimbursed for medical, behavioral health, podiatry and ancillary services provided to patients based on the lesser of actual charges or prospectively set rates for all FQHC services provided to a Medicare beneficiary on the same day. Certain other services provided to patients are reimbursed based on predetermined payment rates for each Current Procedural Terminology (CPT) code, which may be less than the Organization's public fee schedule.

Medicaid

The Organization is primarily reimbursed for medical, behavioral health, podiatry and ancillary services provided to patients based on prospectively set rates for all FQHC services furnished to a Medicaid beneficiary on the same day. Dental and certain other services provided to patients are reimbursed based on predetermined payment rates for each CPT code, which may be less than the Organization's public fee schedule.

Commercial Payers

The Organization has also entered into payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations. Under these arrangements, the Organization is reimbursed for services based on contractually obligated payment rates for each CPT code, which may be less than the Organization's public fee schedule.

Patients

The Organization provides care to patients who meet certain criteria under its sliding fee discount program. The Organization estimates the costs associated with providing this care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for the sliding fee discount program. The estimated cost of providing services to patients under the Organization's sliding fee discount program was approximately $490,987 and $471,056 for the years ended June 30, 2023 and 2022, respectively. The Organization is able to provide these services with a component of funds received through federal grants.

For uninsured patients who do not qualify under the Organization's sliding fee discount program, the Organization bills the patient based on the Organization's standard rates for services provided. Patient balances are typically due within 30 days of billing; however, the Organization does, in certain instances, enter into payment agreements with patients that allow payments in excess of one year. For those cases, the financing component is not deemed to be significant to the contract.

340B Pharmacy Program Revenue

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. This program requires drug manufacturers to provide outpatient drugs to FQHCs and other covered entities at a reduced price. The Organization contracts with other local pharmacies under this program. The contract pharmacies dispense drugs to eligible patients of the Organization and bill commercial insurances on behalf of the Organization. Reimbursement received by the contract pharmacies is remitted to the Organization, less dispensing and administrative fees. The dispensing and administrative fees are costs of the program and not deemed to be implicit price concessions which would reduce the transaction price. The Organization recognizes revenue in the amounts that reflect the consideration to which it expects to be entitled in exchange for the prescription after the amount has been determined by the pharmacy benefits manager.

Laws and regulations governing the Medicare, Medicaid and 340B programs are complex and subject to interpretation. Management believes that the Organization is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare, Medicaid and 340B programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

Grants

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

The Organization receives a significant amount of grants from HHS. As with all government funding, these grants are subject to reduction or termination in future years. For the years ended June 30, 2023 and 2022, grants from HHS (including both direct awards and awards passed through other organizations) represented approximately 87% and 71%, respectively, of grants, contracts, and contributions.

A portion of the Organization's revenue is derived from cost-reimbursable grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has met the performance requirements or incurred expenditures in compliance with specific contract or grant provisions, as applicable. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue.

The Organization has been awarded cost reimbursable grants from HHS that have not been recognized at June 30, 2023 because qualifying expenditures have not yet been incurred as follows:

	Amount	Available Through
Health Center Program	$ 3,660,506	May 31, 2024
American Rescue Plan Act Funding for Health Centers	$ 223,968	March 31, 2024
FY 2023 Expanding COVID-19 Vaccination	$ 186,291	December 31, 2023
Teaching Health Center Planning and Development Program	$ 74,717	November 30, 2023

The Organization has also received a $475,000 community benefit grant from the local hospital to be use for operations during 2024. The grant has been recorded in deferred revenue at June 30, 2023.

Investments

The Organization reports investments at fair value. Investments include assets held for long-term purposes. Accordingly, investments have been classified as non-current assets on the accompanying balance sheets regardless of maturity or liquidity. The Organization has established policies governing long-term investments.

Investment income and the change in fair value are included in the (deficiency) excess of revenue over expenses, unless otherwise stipulated by the donor or State Law. Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Assets Limited as to Use

Assets limited as to use include cash and cash equivalents designated by the Board of Directors for future working capital needs and donor-restricted contributions.

Beneficial Interest in Funds Held by Others

The Organization is a beneficiary of an agency endowment fund at The New Hampshire Charitable Foundation (the Foundation). Pursuant to the terms of the resolution establishing the fund, property contributed to the Foundation is held as a separate fund designated for the benefit of the Organization. In accordance with its spending policy, the Foundation makes distributions from the fund to the Organization. The distributions are approximately 4% of the market value of the fund per year. The Organization's interest in the fund is recognized as a component of net assets with donor restrictions.

Right-of-Use Assets and Lease Liabilities

Effective July 1, 2022, the Organization adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 842, *Leases* (Topic 842). The Organization determines if an arrangement is a lease or contains a lease at inception of a contract. A contract is determined to be or contain a lease if the contract conveys the right to control the use of identified property, plant or equipment (an identified asset) in exchange for consideration. The Organization determines these assets are leased because the Organization has the right to obtain substantially all of the economic benefit from and the right to direct the use of the identified asset.

Assets in which the supplier or lessor has the practical ability and right to substitute alternative assets for the identified asset and would benefit economically from the exercise of its right to substitute the asset are not considered to be or contain a lease because the Organization determines it does not have the right to control and direct the use of the identified asset. The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating its contracts, the Organization separately identifies lease and non-lease components, such as maintenance costs, in calculating the right-of-use (ROU) assets and lease liabilities for its facility leases.

Leases result in the recognition of ROU assets and lease liabilities on the balance sheet. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. The Organization determines lease classification as operating or finance at the lease commencement date.

At lease inception, the lease liability is measured at the present value of the lease payments over the lease term. The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent and lease incentives. Topic 842 requires the use of the implicit rate in the lease when readily determinable. As the leases do not provide an implicit rate, the Organization elected the practical expedient to use the risk-free rate when the rate of the lease is not implicit in the lease agreement.

The lease term may include options to extend or to terminate the lease that the Organization is reasonably certain to exercise.

The Organization has elected not to record leases with an initial term of 12 months or less on the balance sheet. The Organization does not include short-term leases within the balance sheet since it has elected the practical expedient not to include these leases within the recognized operating lease right-of-use asset and lease liability. Lease expense on such leases is recognized on a straight-line basis over the lease term.

Lease expense on operating leases is recognized over the expected lease term on a straight-line basis, while expense on finance leases is recognized using the effective interest rate method which amortizes the ROU asset to expense over the lease term and interest costs are expensed on the lease obligation throughout the lease term.

Upon adoption of Topic 842, the Organization elected the package of practical expedients permitted under the transition guidance within the new standard which includes the following: relief from determination of lease contracts included in existing or expiring leases at the point of adoption, relief from having to reevaluate the classification of leases in effect at the point of adoption and relief from reevaluation of existing leases that have initial direct costs associated with the execution of the lease contract.

The adoption of Topic 842 resulted in the recognition of the following asset and liabilities on July 1, 2022:

Operating lease right-of-use assets	$ 172,663
Current portion of operating lease liabilities	$ 111,044
Operating lease liabilities, less current portion	61,619
Operating lease liabilities	$ 172,663

Results for the period prior to July 1, 2022 continue to be reported in accordance with the Organization's historical accounting treatment for leases.

Property and Equipment

Property and equipment are carried at cost, less accumulated depreciation. Maintenance, repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Provision for depreciation is computed using the straight-line method over the useful lives of the related assets. The Organization's capitalization policy is applicable for acquisitions greater than $5,000.

Contributions

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received, which is then treated as cost. The gifts are reported as net assets with donor restrictions if they are received with donor stipulations that limit use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statements of operations as net assets released from restriction. Contributions whose restrictions are met in the same period as the support was received are recognized as net assets without donor restrictions.

The Organization reports gifts of property and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Donated Goods and Services

The Organization acts as a conduit for pharmaceutical company patient assistance programs. The Organization provides assistance to patients in applying for and distributing prescription drugs under the programs. The value of the prescription drugs distributed by the Organization to patients is not reflected in the accompanying financial statements. The Organization estimates that the value of prescription drugs distributed by the Organization for the years ended June 30, 2023 and 2022 was $2,866,712 and $2,522,993, respectively.

Various programs' help and support for the daily operations of the Organization's Response Program were provided by the general public of the surrounding communities. The donated services have not been reflected in the accompanying financial statements because they do not meet the criteria for recognition (specialized skills that would be purchased if not donated). Management estimates the fair value of donated services received but not recognized as revenue or expense was $175,200 and $153,300 for the years ended June 30, 2023 and 2022, respectively. The Response Program also receives donations of supplies (clothing, food, household items, personal care items, toys, etc.) that are provided to clients in the program. The fair value of supplies recognized as revenue and expense was $6,060 and $9,101 for the years ended June 30, 2023 and 2022, respectively.

Functional Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function; therefore, these expenses require allocation on a reasonable basis that is consistently applied. As the Organization is a service organization, such expenses are allocated between healthcare services and administrative support based on the percentage of direct care wages to total wages.

(Deficiency) Excess of Revenue over Expenses

The statements of operations reflect the (deficiency) excess of revenue over expenses. Changes in net assets without donor restrictions which are excluded from the (deficiency) excess of revenue over expenses include contributions of long-lived assets (including assets acquired and placed in service using grants received for capital acquisition which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through September 21, 2023, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Availability and Liquidity of Financial Assets

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents, investments and a $500,000 line of credit (Note 6).

Financial assets available for general expenditure within one year were as follows at June 30:

	2023	2022
Cash and cash equivalents	$ 7,067,956	$ 7,432,739
Patient accounts receivable	1,681,006	1,198,946
Grants receivable	374,303	601,716
Investments	1,030,220	1,022,031
Assets limited as to use for working capital needs	252,435	252,141
Financial assets available for current use	$ 10,405,920	$ 10,507,573

The Organization had average days (based on normal expenditure) cash on hand (including investments and assets limited as to use for working capital) of 152 and 202 at June 30, 2023 and 2022, respectively.

3. Patient Accounts Receivable and Net Patient Service Revenue

Patient Accounts Receivable

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances and consisted of the following:

	July 1, 2021	June 30, 2022	June 30, 2023
Medical and dental	$ 864,014	$ 949,391	$ 1,360,050
Contract 340B pharmacy program	183,481	249,555	320,956
Total patient accounts receivable	$ 1,047,495	$ 1,198,946	$ 1,681,006

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. The accounts receivable from patients and third-party payers, net of allowances, were as follows at June 30:

	2023	2022
Governmental plans		
Medicare	44 %	40 %
Medicaid	21 %	26 %
Commercial payers	28 %	29 %
Patient	7 %	5 %
Total	100 %	100 %

Net Patient Service Revenue

Net patient service revenue by payer is as follows for the years ended June 30:

	2023	2022
Governmental payers:		
Medicare	$ 2,672,089	$ 2,303,539
Medicaid	2,118,197	2,059,681
Commercial payers:		
Anthem Blue Cross Blue Shield	1,153,836	1,075,303
Other commercial payers	1,724,788	1,792,632
Patient	435,071	333,254
Total direct patient service revenue	8,103,981	7,564,409
Contract 340B pharmacy revenue	3,990,579	3,346,667
Net patient service revenue	$ 12,094,560	$ 10,911,076

4. Investments

FASB ASC Topic 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants and also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The fair value hierarchy within FASB ASC Topic 820 distinguishes three levels of inputs that may be utilized when measuring fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following tables set forth by level, within the fair value hierarchy, the Organization's investments at fair value measured on a recurring basis at June 30:

	2023			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 124,612	$ -	$ -	$ 124,612
Corporate bonds	-	664,940	-	664,940
Government securities	-	240,668	-	240,668
Total investments	$ 124,612	$ 905,608	$ -	$ 1,030,220

	2022			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 96,613	$ -	$ -	$ 96,613
Corporate bonds	-	652,892	-	652,892
Government securities	-	272,526	-	272,526
Total investments	$ 96,613	$ 925,418	$ -	$ 1,022,031

Corporate bonds and government securities are valued based on quoted market prices of similar assets.

5. Property and Equipment

Property and equipment consists of the following:

	2023	2022
Land and improvements	$ 153,257	$ 153,257
Building and improvements	6,172,334	3,493,228
Furniture, fixtures, and equipment	2,903,295	2,682,979
Total cost	9,228,886	6,329,464
Less accumulated depreciation	4,337,381	4,065,266
Property and equipment, net	$ 4,891,505	$ 2,264,198

Property and equipment acquired with Federal grant funds are subject to specific federal standards for sales and other dispositions. In many cases, the Federal government requests prior approval of the asset's disposition.

6. Line of Credit

The Organization has a $500,000 line of credit with a local bank through November 2024. The line of credit is collateralized by the Organization's business assets with interest at the prime rate plus 0.5% (8.75% at June 30, 2023). There was no outstanding balance at June 30, 2023 and 2022.

7. Long-term Debt

The Organization has a $1,300,000 construction note available with a local bank to finance building renovations. No balance has been drawn from the construction note. Terms on the note are monthly installments of principal and interest at 4.25% through October 2032. The note is collateralized by real estate.

8. Leases

The Organization has entered into the following lease arrangements:

Operating Leases

The Organization has operating leases for clinic facilities and parking with maturities ranging from December 2023 through June 2028. Certain leases contain renewal options and escalation clauses. Termination of the leases are generally prohibited unless there is a violation under the lease agreement.

Short-Term Leases

The Organization has certain leases that are for a period of 12 months of less or contain renewals for periods of 12 months or less.

Lease Cost

Lease cost, which approximates lease payments, for the year ended June 30, 2023 is as follows:

Operating lease	$ 145,540
Short-term lease expense	85,703
Total	$ 231,243

Other Information

Weighted-average remaining lease term:	
Operating leases	3 years
Weighted-average discount rate:	
Operating leases	4.06%

Future Minimum Lease Payments and Reconciliation to the Balance Sheet

Future minimum payments due under the facility lease agreements for the years ending June 30, are as follows:

2024	$ 116,576
2025	54,566
2026	54,566
2027	54,566
2028	47,997
Total future undiscounted lease payments	328,271
Less present value discount	20,660
Total lease liabilities	307,611
Current portion of lease liabilities	108,806
Lease liabilities, net of current portion	$ 198,805

9. Net Assets

Net assets were as follows as of June 30:

	2023	2022
Net assets without donor restrictions		
Undesignated	$ 13,030,382	$ 11,477,525
Designated for working capital	252,435	252,141
Total	$ 13,282,817	$ 11,729,666
Net assets with donor restrictions for specific purpose		
Healthcare services - temporary in nature	$ 47,293	$ 43,891
Endowment - permanent in nature	26,083	26,083
Total	$ 73,376	$ 69,974

10. Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended June 30, 2023, there were no known malpractice claims outstanding which in the opinion of management, will be settled for amounts in excess of both FTCA and additional medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

11. Benefit Plans

The Organization has a defined contribution plan under Internal Revenue Code Section 401(k) that cover substantially all employees. The Organization contributed $334,773 and $296,406 for the years ended June 30, 2023 and 2022, respectively.

The Organization provides health insurance to its employees through a self-insurance plan with a re-insurance arrangement to limit exposure. The Organization estimates and records a liability for claims incurred but not reported for employee health provided through the self-insured plan. The liability is estimated based on prior claims experience and the expected time period from the date such claims are incurred to the date the related claims are submitted and paid.

12. Litigation

From time-to-time, certain complaints are filed against the Organization in the ordinary course of business. Management vigorously defends the Organization's actions in those cases and utilizes insurance to cover costs with various deductibles. In the opinion of management, there are no matters that will materially affect the Organization's financial statements.

Notes to Schedule of Expenditures of Federal Awards

Year Ended June 30, 2023

1. Summary of Significant Accounting Policies

Expenditures reported on the schedule of expenditures of federal awards (the Schedule) are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement.

2. De Minimis Indirect Cost Rate

Coos County Family Health Services, Inc. (the Organization) has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

3. Basis of Presentation

The Schedule includes the federal grant activity of the Organization. The information in this Schedule is presented in accordance with the requirements of the Uniform Guidance. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Coos County Family Health Services, Inc.

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Coos County Family Health Services, Inc. (the Organization), which comprise the balance sheet as of June 30, 2023, and the related statements of operations, functional expenses, changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 21, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Board of Directors
Coos County Family Health Services, Inc.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Coos County Family Health Services, Inc.

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Coos County Family Health Services, Inc.'s (the Organization) compliance with the types of compliance requirements identified as subject to audit in the Office of Management and Budget *Compliance Supplement* that could have a direct and material effect on its major federal program for the year ended June 30, 2023. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2023.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with U.S. generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors
Coos County Family Health Services, Inc.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

ALISSA JUDSON

Objective: Seeking position as Medical Assistant where I can apply my best skills.

Profile: Very enthusiastic, easy going, a team worker with good spirit, optimal organizational skills, reliable. Maintains a calm demeanor during stressful situations. Communicates professionally with others through verbal, non-verbal or written communication.

Summary of Skills:

- Ability to quickly learn new concepts and skills
- Flexible and easily adapts to change
- Knowledgeable user of EMR
- Experienced with providing quality patient care
- Strong interpersonal and communication skills
- Organized, manages time wisely
- Excellent verbal and writing skills
- PC Literacy
- Honesty and discretion

Education and Certification:

Nursing School (completed 1st year of program), White Mountains Community College (2011)
Licensed Nurse Assistant Course, Clinical Career Training (2009)
BA English Literature, Elmira College (2005)
High School Diploma from Berlin High School, Berlin NH (2000)

Experience:

Edward Fenn Elementary School, Gorham NH

Administrative Assistant Special Services (2017-present)

- Coordinated all department functions and provided department support
- Organized and maintained the Special Services filing system; ensured accuracy and completeness of confidential files; filed and retrieved documents
- Prepared a variety of correspondence and departmental forms
- Coordinated and relayed important communications and assumed/performed related work tasks independently as required
- Adhered to district-wide and special services related policies, procedures and practices
- Gathered and merged data to complete annual local, state, and federal reports
- Maintained employee confidence and protected operations by keeping Special Services information confidential

North Country Primary Care Pediatrics, Littleton NH

Medical Assistant (2011 - 2017)

- Provided quality patient care in keeping with the patient's condition and age
- Obtained medical history and relevant information
- Helped calm children who were anxious or nervous during the appointment, calmly handled interactions with challenging personalities
- Administered immunizations and injections as necessary
- Managed sample medications per specified policies and procedures
- Kept exam rooms clean, organized and stocked
- Clerical skills: Appointment scheduling, medical coding, phone triage, accurate documentation, troubleshoot computer problems
- Strictly adhered to health care facility policies and procedures

Alzheimer's Health Care Services, Berlin NH

Volunteer (2008 – 2009)

Licensed Nurse Assistant (2009 – 2011)

- Provided nursing care in accordance with resident care policies and procedures.
- Protected and promoted resident rights and assisted the person to maintain maximum functional independence
- Provided routine care to the patients
- Ensured the safety and well-being of the patient is maintained

Andrea Alger

OBJECTIVE: To obtain a Registered Nurse position in a hospital setting where I can utilize my clinical skills and strengths.

ANDREA A SANSCHAGRIN

OBJECTIVE

To work as a Medical Assistant in a medical facility where I can best help people in need. I want to eventually continue my studies to become a nurse.

EDUCATION

Health Science Technology — September 2012 to 2017
White Mountains Community College,
Berlin, New Hampshire

- Related Course Work: Psychology, Phlebotomy, Medical Terminology, Math

WORK EXPERIENCE

Lab Assistant — November 2018 to Present
Androscoggin Valley Hospital
Berlin, New Hampshire

- I am a phlebotomist often registering patients for blood work. I perform microscopic testing on urines, I prepare lab specimens to be sent out to other facilities for testing, I input test results in the computer among other paperwork, I train other new hires.

Licensed Nursing Assistant — Sept 2014 to Present
Memorial Hospital
North Conway, New Hampshire

- Care for critically ill or injured patients, assist other patients with the activities of daily living, perform vital signs, charting

Licensed Nursing Assistant — June 2013 to March 2015
Coos County Nursing Home
Berlin, New Hampshire

- Assist residents with their needs such as bathing, eating, walking, etc.

Licensed Nursing Assistant — January 2013 to October 2013
St. Vincent de Paul Nursing Home and Rehabilitation
Berlin, New Hampshire

- Assist residents with their needs such as bathing, eating walking, etc.

LEADERSHIP AND MEMBERSHIP

- Member of Berlin High School Key Club, 2008-2012
- Secretary of Berlin High School Key Club, 2011-2012
- Community Service through BHS Key Club

SPECIAL SKILLS

- Computer Skills
- Phlebotomy Skills
- Mechanical Lift
- Vital Sign Skills
- IV Removal
- CPR Certified – need to renew
- Foley Catheter Removal
- Qualified to perform EKG's
- Perform urine tests

PROFESSIONAL EXPERIENCE

Pediatric Associates of Hampton & Portsmouth, Portsmouth, NH
Pediatric Nurse Practitioner - September 2016- present
Primary care provided in an outpatient setting for acute care and well child visits. Duties include independently assessing, diagnosing, and treating pediatric patients from newborn to twenty one years of age. Provided evaluation and treatment services for newborns, infants, children and adolescents with a wide range of developmental, behavioral and learning difficulties. Deliver comprehensive care to patients including vital signs, physical exams, vaccinations, screenings, and health promotion.

Camp Arcadia, Casco, ME
Registered Nurse - June 2015- Aug. 2015
Provided nursing care and support to over 250 overnight campers and staff. Provided staff orientation on medical services, prepared and maintained first aid supplies, completed staff and camper health assessments. Attended to camper medical needs including medication distribution, illness and injury assessment and care, and facilitated follow-up care with providers and parents.

Private Residence, Charlestown, MA
Child Care Provider - Jan. 2015- June 2015
Provided early morning and after school care for three children ages 6, 8, and 10.

MGH Institute of Health Professions, Boston, MA
Teaching Assistant - Sept. 2014- Sept. 2015.
Provided one on one and group support to first year students enrolled in Nursing Process and Skills.

Starting Point, Conway, NH
AmeriCorps Victim Assistance Program - Sept. 2011- Aug. 2013
Provided support services to victims of domestic and sexual violence and stalking. Attended court hearings, managed crisis line, assisted victims through one-on-one meetings; provided support services to parents and families at child advocacy center interviews and accompanied survivors to the hospital. Organized and facilitated healthy relationship and self-esteem programming for high-risk children and adolescents. Organized and facilitated volunteer training.

CLINICAL EXPERIENCE

Registered Nurse Role
Cambridge Hospital; Cambridge, MA
Student Nurse: Maternity Suite - Oct. 2014-Dec. 2014
Provided care in both labor and delivery as well as postpartum and nursery care. Performed vital signs, detailed assessments and discharge teaching for postpartum women and neonates. Administered medications and treatments and performed neonatal screening tests.

Massachusetts General Hospital; Boston, MA
Student Nurse: Medical Unit, Phillips House 22 - Sep. 2013-Dec. 2013
- Performed vital signs and wound care. Interviewed patient and care providers to obtain accurate detailed health history

Student Nurse: Vascular Surgery, Bigelow 14 - Jan. 2014-Apr. 2014
- Administered medications and treatments. Interviewed patients and care providers to obtain accurate, detailed health history.

Student Nurse: Pediatrics, Ellison 17 - Sept.2014-Oct.2014
- Administered medications and treatments. Interviewed parents, family members, other care providers and child to obtain accurate, detailed health history.

Orchard Gardens K-8 School; Roxbury, MA
Student Nurse: Community Health - Jan. 2014-Apr. 2014
Initiated a community needs assessment. Interviewed school nurse and family liaisons about the health related concerns. Identified a need for teenage violence education and prevention for families. Organized a multi-lingual workshop for parents/guardians of 6-8th grade students concerning teenage violence, particularly internet violence.

Lawrence Memorial Hospital; Medford, MA
Student Nurse: Gerontology Psychiatric Unit - Sep. 2013-Dec. 2013
Interviewed patients, nursing staff and other care providers to obtain accurate detailed health history. Assisted nursing staff and program directors in basic care and activity facilitation of patients.

Nurse Practitioner Role:
Child Health Associates P.C. Shrewsbury, MA
Student Nurse Practitioner - Jan. 2016- Apr. 2016
Independently completed history and physical examinations and performed diagnostic testing. Developed differential diagnoses and treatment plans in collaboration with the pediatric nurse practitioner. Provided educational and health promotion materials for families. Completed documentation for visits in Centricity electronic medical record. Provided acute and well visit care from newborn through adolescence.

Maine Medical Center, Pediatric Surgery, Portland, ME
Student Nurse Practitioner - Jan. 2016- Apr. 2016
Attended pediatric surgical rounds, observed and assisted nurse practitioner and surgeon in hospital follow-up and office consultation for all pediatric burn patients and surgical candidates. Developed and discussed differential diagnoses and surgical procedures with nurse practitioner and surgeon independently and in rounds discussions. Provided patient discharge education including follow-up and gastrostomy tube care. Documented interactions using Epic. Attended pediatric quality improvement collaboration meetings with members of all specialty practices represented at Maine Medical Center.

Salmon Falls Family Healthcare Somersworth, NH
Student Nurse Practitioner - Oct. 2015- Dec. 2015
Independently completed patient assessments, developed differential diagnosis and treatment plans in collaboration with the pediatric nurse practitioner, as well as promoted education and guidance for families. Provided acute and well visit care from newborn through adolescence.

Middlesex School Concord, MA
Student Nurse Practitioner - Sep. 2015- Dec. 2015
Acted as first point of care for students. Completed assessments, observed and involved in diagnosis and patient education with the nurse practitioner. Primarily provided walk-in sick visit care and daily medications in health center as well as provided sports injury support with the head athletic trainer.

Patriot Pediatrics Bedford, MA
Student Nurse Practitioner - Jan. 2015- April 2015 Completed assessments, observed and involved in diagnosis and education for families. Provided walk-in sick visit care as well as scheduled acute and well visits.

Weeks Medical Center	177171-R001	Lancaster	$617,806
White Mountain Community Health Center	174170-R001	Conway	$624,885
		Total:	**$8,158,520**

Funds are available in the following accounts for State Fiscal Years 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Department to increase access to integrated prevention and primary health care for the Maternal and Child Health (MCH) target population of women, infants, children and adolescents, and to address the maternal and youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

Approximately 194,940 individuals will be served from June 1, 2022 to June 30, 2024.

The Contractors will provide increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, and pregnant women and women of childbearing age, and must not exclude individuals who are uninsured; underinsured; and/or considered low-income. Integrated prevention and primary health care services are provided to individuals who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. The Contractors will integrate and coordinate access to medical, behavioral and social services by reducing barriers to care through an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will monitor services through the following performance measures:

- Percent of infants who were ever breastfed.
- Percent of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percent of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.

The Department selected the Contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from January 14, 2022 through February 25, 2022. The Department received 10 responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, pregnant women and women of childbearing age, and individuals who are uninsured; underinsured; considered low-income.

Source of Federal Funds: CFDA #93.994, FAIN B04MC45230

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

DocuSigned by:
Ann H. Landry

1.17 Approval by the Governor and Executive Council *(if applicable)* G&C Item number:		G&C Meeting Date:	

Contractor Initials DB

Date 5/25/2022

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials DS

Date 5/25/2022

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both..

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor Initials

Date 5/25/2022

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Contractor Initials

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT A

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

   1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

      3.3. The parties may extend the Agreement for up four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

   1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

      12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall increase access to integrated healthcare for the Maternal and Child Health (MCH) target population of Women, Infants, Children and Adolescents from birth to 21 years of age, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

1.2. The Contractor shall provide and increase access to healthcare for New Hampshire Infants, Children and Adolescents from birth to 21 years of age, and Pregnant Women and Women of Childbearing age, and must not exclude individuals who are:

1.2.1. Uninsured.

1.2.2. Underinsured.

1.2.3. Considered low-income defined as less than 185% of the U.S. Department of Health and Human Services (US DHHS) Poverty Guidelines.

1.2.4. Lacking housing, including individuals whose primary residence during the night is a supervised public or private facility, such as a shelter, that provides temporary living accommodations.

1.2.5. Residing in transitional housing.

1.2.6. Unable to maintain their housing situation.

1.2.7. Forced to stay with a series of friends and/or extended family members, hence are considered homeless.

1.2.8. Recently released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.3. The Contractor shall provide integrated preventative and primary health care services to the populations in Subsection 1.2 above, which must include:

1.3.1. Behavioral health care;

1.3.2. Prenatal care either on site or by referral;

1.3.3. Care management; and

1.3.4. Enabling services.

1.4. The Contractor shall provide eligibility determination services that include, but are not limited to:

1.4.1. Notifying the Department in writing if/when access to primary care services for new patients is limited or closed for more than thirty (30)

consecutive business days or any sixty (60) non-consecutive business days.

1.4.2. Assisting individuals with completing a Medicaid/Expanded Medicaid and/or other health insurance applications.

1.4.3. Maximizing billing to private and commercial insurances for all reimbursable services rendered.

1.4.4. Posting a public notice in a conspicuous location specifying that no individual will be denied services due to inability to pay.

1.4.5. Developing and implementing a sliding fee scale for services in accordance with the Federal Poverty Guidelines and providing the sliding fee scale to the Department upon request.

1.5. The Contractor shall ensure primary care services are provided by a New Hampshire licensed:

1.5.1. Medical Doctor (MD);

1.5.2. Doctor of Osteopathic Medicine (DO);

1.5.3. Advanced Practice Registered Nurse (APRN); and/or

1.5.4. Physician Assistant (PA) to eligible individuals in the service area.

1.6. The Contractor shall provide services in an office-based setting which may include, but is not limited to:

1.6.1. Federally Qualified Health Centers (FQHCs) and/or Rural Health Clinics.

1.6.2. School Based Health Clinics.

1.6.3. Mobile Care Delivery Services.

1.7. The Contractor shall ensure services include, but are not limited to:

1.7.1. Reproductive health services.

1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral.

1.7.3. Preventive primary care services for women, infants, children and adolescents, including screenings and health education in accordance with established, documented state or national guidelines and evidence based practices.

1.7.4. Integrated behavioral health services.

1.7.5. Assessment of need and follow-up/referral as indicated for:

1.7.5.1. Tobacco cessation, including referral to programs such as QuitWorks-NH (http://www.QuitWorksNH.org);

1.7.5.2. Social services that address Social Determinants of Health (SDOH);

1.7.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA);

1.7.5.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

1.7.5.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services; and

1.7.5.6. Referrals to any specialists as needed that are not offered on site, including home visiting services and oral health.

1.8. The Contractor shall provide and facilitate enabling services to all individuals served with special emphasis given to the MCH population of women and infants, children and adolescents from birth to 21 years of age. Enabling services must include at a minimum:

1.8.1. Case management;

1.8.2. Benefit counseling and/or eligibility assistance;

1.8.3. Health education and supportive counseling; and

1.8.4. Language interpretation, outreach, transportation and education of patients and the community regarding the availability and appropriate use of health services.

1.9. The Contractor shall ensure management services for individuals enrolled for primary care services include, but are not limited to:

1.9.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, and in a culturally and linguistically appropriate manner; and

1.9.2. Direct access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, by referral or subcontract.

1.10. The Contractor shall develop, define, facilitate and implement a minimum of two (2) enabling services initiatives and enabling services initiative work plans that focus on the Title V MCH Block Grant population of women, infants, children and adolescents, as follows:

1.10.1. Initiative One (1) – Screening and Referrals for SDOH, in accordance with Attachment #1; and

1.10.2. Initiative Two (2) – Tele-Psychiatric Consultation, in accordance with Attachment #2.

1.11. The Contractor shall monitor, update and implement each enabling services initiative work plan in accordance with Attachment #3 – Reporting Requirements Calendar.

1.12. The Contractor shall develop, define, facilitate and implement a minimum of two (2) quality improvement (QI) projects, which must consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of all individuals served, including:

1.12.1. QI Project One (1): Adolescent Wellness Visits, in accordance with Attachment #4; and

1.12.2. QI Project Two (2): Breastfeeding, in accordance with Attachment #5.

1.13. The Contractor shall monitor, update and implement the work plans for each QI project in accordance with Attachment #3 – Reporting Requirements Calendar.

1.14. The Contractor shall attend in-person and/or virtual meetings and trainings facilitated by the Department, which include, but are not limited to:

1.14.1. MCH Agency Directors' Meetings scheduled by the Department on an as-needed basis.

1.14.2. MCH Primary Care Coordinators' Meetings up to two (2) times per year, which may require attendance by selected Vendor(s) quality improvement and clinical staff.

1.15. The Contractor shall ensure all services in this Exhibit B, Scope of Services, are provided by qualified health and allied health professionals.

1.16. The Contractor shall provide supporting documentation to the Department that verifies staff hours funded under the Agreement that may include, but is not limited to, timecards.

1.17. The Contractor shall ensure all health and allied health professionals possess and maintain the appropriate and current New Hampshire licenses whether directly employed, contracted or subcontracted.

1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator or staff person essential to providing services. The Contractor shall ensure notification:

1.18.1. Is provided to the Department no later than thirty business (30) days from the date of hire; and

1.18.2. Includes a copy of the newly hired individual's resume.

1.19. The Contractor shall notify the Department in writing when:

1.19.1. Any critical position is vacant for more than thirty (30) business days;

1.19.2. There is not adequate staffing to perform all required services for any

period lasting more than thirty (30) consecutive business days or any sixty (60) non-consecutive business days.

1.20. The Contractor shall ensure that all employees and subcontractors providing direct services to clients under this Agreement have undergone a criminal background check and have no convictions for crimes that represent evidence of behavior that could endanger clients served under this Agreement.

1.21. The Contractor shall permit an individual, or team or individuals, authorized by the Department to schedule and conduct periodic virtual and/or on-site reviews of documentation related to contracted services, including:

1.21.1. Administration;

1.21.2. Data collection and submission;

1.21.3. Clinical and financial management; and

1.21.4. Delivery of education services.

1.22. The Contractor shall ensure the information needed by the Department to conduct virtual and/or on-site reviews is available, which may include, but is not limited to:

1.22.1. Client records.

1.22.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

1.23. The Contractor shall adhere to any corrective action plans issued by the Department should virtual and/or on-site reviews yield results that services provided are not in compliance with the Agreement. Any corrective action plans shall not prevent the Department from taking action under paragraph 8, Event of Default/Remedies and paragraph 9, Termination, of the General Provisions, Form P-37, of the Agreement.

1.24. The Contractor shall actively and regularly collaborate with the Department to enhance contract management and improve results.

1.25. The Contractor may be required to collect and share other key data and metrics with the Department, including client-level demographic, performance, and service data, in a format specified by the Department.

1.26. Reporting

1.26.1. The Contractor shall collect and submit the data and reports as specified in Attachment #3 – Reporting Requirements Calendar to the Department. Data must be de-identified and aggregated to prevent constructive identification of any individual, and must include but is not limited to:

1.26.1.1. Uniform Data System (UDS) outcomes.

1.26.1.2. Performance Measure outcomes.

1.26.1.3. Work plan for each Enabling Service Initiative.

1.26.1.4. Work Plan for each QI Project.

1.27. Performance Measures

1.27.1. The Contractor shall report data on the Performance Measures in Appendix F at regular intervals as specified in Appendix G – Reporting Requirements Calendar, utilizing Appendix K – DTT-PC2022 Template.

1.27.2. The Contractor shall meet or exceed their proposed goals and objectives for the required Performance Measures in Attachment #6. Should the Contractor not meet or exceed their goals, the Contractor shall submit a Performance Measure Improvement Plan for each unmet Performance Measure, utilizing Attachment #7 – Performance Measure Outcome Report Template, at reporting intervals as specified in Appendix G – Reporting Requirements Calendar.

1.27.3. The Department may identify other performance measures in the resulting Agreement.

2. Exhibits Incorporated

2.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

2.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

2.3. The Contractor shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

3. Additional Terms

3.1. Impacts Resulting from Court Orders or Legislative Changes

3.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

3.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

3.2.1. The Contractor shall submit, within ten (10) days of the Agreement Effective Date, a detailed description of the communication access and language assistance services to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

3.3. Credits and Copyright Ownership

3.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement shall include the following statement, "The preparation of this (report, document etc.) was financed under an Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

3.3.2. All materials produced or purchased under the Agreement shall have prior approval from the Department before printing, production, distribution or use.

3.3.3. The Department shall retain copyright ownership for any and all original materials produced, including, but not limited to:

3.3.3.1. Brochures.

3.3.3.2. Resource directories.

3.3.3.3. Protocols or guidelines.

3.3.3.4. Posters.

3.3.3.5. Reports.

3.3.4. The Contractor shall not reproduce any materials produced under the Agreement without prior written approval from the Department.

3.4. Operation of Facilities: Compliance with Laws and Regulations

3.4.1. In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental

license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

4. Records

4.1. The Contractor shall keep records that include, but are not limited to:

4.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

4.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

4.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

4.1.4. Medical records on each patient/recipient of services.

4.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts. Upon the purchase by the Department of the maximum number of units provided for in the Agreement and upon payment of the price limitation hereunder, the Agreement and all the obligations of the parties hereunder (except such obligations as, by the terms of the Agreement are to be performed after the end of the term of this Agreement and/or survive the termination of the Agreement) shall terminate, provided

however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT C

Payment Terms

1. This Agreement is funded by:
   1.1. 10% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration, CFDA #93.994, FAIN B04MC45230.
   1.2. 90% General funds.
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget through Exhibit C-3, Budget.
4. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:
   4.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.
   4.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.
   4.3. Identifies and requests payment for allowable costs incurred in the previous month.
   4.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.
   4.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.
   4.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to DPHSContractBilling@dhhs.nh.govor mailed to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

5. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

6. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract completion date specified in Form P-37, General Provisions Block 1.7 Completion Date.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

   8.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

      8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

      8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

      8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

   8.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

      8.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

   8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

Vendor Initials DS

Date 5/25/2022

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

New Hampshire Department of Health and Human Services
Exhibit G

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

VI. PERSONS TO CONTACT

A. DHHS Privacy Officer:

Attachment #1 – Screening and Referrals for SDOH

Enabling Services Work Plan Agency Name: Coos County Family Health Services Name and Role of Person(s) Completing Work Plan: Cindy Charest, RN, Chief Quality Officer			
Enabling Services Focus Area: Social Determinates of Health Screening Tools			
Project Goal: Integrate the use of a standardized SDOH Screening tool in our Clinical Practice			
Project Objective: Identify an Appropriate SDOH Screening Tool for Use in Our Clinical Practice			
Activities: (list as many activities as are planned to reach the Objective)	Staff/Resources Involved (list for each activity)	Evaluation Plans (list as needed for each activity)	Timeline for Activity (estimated timeline for the duration of each activity)
Select screening tool and develop appropriate workflow	CMO, CQO, Provider, Nurses, CCMA	Perform chart audits/crystal reports to determine use of screening tool Share audit reports with QI Committee Report to Board of Directors Recommend c01Tective action to increase use of tool/provide care to patients Update EMR templates to imbed screening tool and capture data Offer trainings to update staff on implementation of tool and EMR changes	April 30, 2022
Provide training and education about responsibilities to staff, assuring new staff are also trained	CQO, Nurse Manager, Nurses, IT		May 30, 2022
Communicate to each staff member his or her responsibilities	COO, CQO, Nurse Manager		June 30, 2022
Determine resources available in the community	Social Worker, CHW		June 30, 2022
Distribute SDOI-I screening tool to patient by mail or upon arrival	Reception Staff, Nurses, CCMAs		July 15, 2022
Make educational materials and/or resources available in exam rooms	Nurses, CCMAs, Providers		July 15, 2022
Review the completed SDOH screening tool and determine patient needs; incorporate into the plan of care for the patient	Providers, Nurses		July 15, 2022
Refer patients to additional team members for education, as needed	Providers, Nurses		July 15, 2022

Attachment #1 – Screening and Referrals for SDOH

Facilitate referrals to community resources based on patient needs	Providers, Nurses, Social Worker, CHW	July 15, 2022

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year; (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the intention is that Contractors would accordingly go by the most up to date UDS guidance for these measures.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down in to two age based measures, based on current NH Legislation, RSA 130-A:5-a, which requires that children be tested for lead at age 1 as well as at age 2.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months (NH MCHS).

DS

5/25/2022

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between twelve (12) months through twenty three (23) months of age.

2.2.1.2. Denominator: All children who turned twenty-four months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months (NH MCHS).

2.2.2.1. Numerator: All children who received at least one capillary or venous blood lead test between twenty-four (24) through thirty-six (36) months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. Preventive Health: Adolescent Well-Care Visit

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. Preventive Health: Depression Screening

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool on the date of the encounter or up to 14 days prior to the date of the encounter using an age appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

Attachment #6 – Performance Measures

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose

and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

Adult Measure

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI during the measurement period **AND** if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: BMI ≥ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the measurement year or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

Child/Adolescent Measure

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting

year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year **AND** who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: Number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco at least one within the past twelve (12) months AND received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least two (2) medical visit during the measurement year, OR 1 preventative visit

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

Attachment #6 – Performance Measures

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) –Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adult Measure

2.7.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

Adolescent Measure

2.7.2. SBIRT – Percent of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: All patients aged 12-17 years during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.7.2.4. Definitions:

2.7.2.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.2.4.2. Brief Intervention: Includes guidance or counseling.

2.7.2.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

DS

5/25/2022

Attachment #6 – Performance Measures

2.7.3. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.3.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services

2.7.3.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.3.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8 Developmental Screening Measure

Percent of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months (NH MCHS)

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and who had at least (1) medical visit during the measurement year

Attachment #7 – Performance Measure Outcome Report Template

Instructions for completing this Performance Measure Outcome Report (PMOR):
The Performance Measure Outcome Report (PMOR) is to be completed by your agency and emailed to shari.campbell@dhhs.nh.gov at the intervals specified on the Reporting Calendar.

Please complete the Narrative and Plan for Improvement sections for any of the following measures where your agency did not meet your agency target for the reporting period (July 1, 20XX – June 30, 20XX).

Performance measures:

- Breastfeeding
- Lead Screening for 1 Year Olds
- Lead Screening for 2 Year Olds
- Adolescent well care visit
- Depression screening and follow up plan if positive screening, 12 years and older
- Maternal Depression Screening
- Adults with documented BMI and follow-up plan if BMI outside of normal range
- Children 3-17 with documented BMI, nutrition counseling and physical activity counseling
- Adult tobacco screening and cessation counseling intervention for smokers
- Prenatal Tobacco screening each trimester and cessation counseling intervention for smokers
- SBIRT, Adults
- SBIRT, Adolescents
- SBIRT, Pregnant Women
- Developmental Screening-M-CHAT

* Note: Not met performance measures that have been addressed by your agency SFYXX Work Plan are excluded from this report. For example, the PMOR will omit Adolescent Visit measure for Primary Care Services

1. The Narrative section is to explain what happened during the year i.e. why measure was not met, what barriers/challenges your agency faced, describe any improvement activities that took place during the year to correct along the way, etc.

2. The Plan for Improvement section is to describe what steps your agency will take to achieve your agency target in SFYXX i.e. describe your strategy (PDSA), what will you plan to do differently etc.

3. Please email your completed PMOR **Shari Campbell at shari.campbell@dhhs.nh.gov by the dates indicated in the Reporting Calendar.** If you have any questions about completing this document, please contact Jannell Levine at Jannell.E.Levine@dhhs.nh.gov or 603-856-6449.

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Maternal and Child Health Care in the Integrated Primary Care Setting contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Greater Seacoast Community Health ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 15, 2022 (Item #32), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $1,778,516

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Section 1.3.2., to read:

   1.3.2. Prenatal care either on site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data related to prenatal performance measures.

5. Modify Exhibit B, Scope of Services, Section 1.7.2., to read:

   1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data relating to prenatal performance measures to the Department.

6. Modify Exhibit B, Scope of Services, Section 1.10.1. through Section 1.10.2., to read:

   1.10.1. Initiative One (1) – Screening and Referrals for SDOH; and

   1.10.2. Initiative Two (2) – Contractor's choice, which must focus on enabling services.

7. Modify Exhibit B, Scope of Services, Section 1.12.1. through Section 1.12.2., to read:

   1.12.1. QI Project One (1): Increasing Adolescent Well Visits; and

   1.12.2. QI Project Two (2): Increasing post-partum clinical depression screening of women within the first 12 weeks after delivering.

8. Modify Exhibit B, Scope of Services, Section 1.18., to read:

   1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator, or staff person essential to providing services and/or any personnel changes to these positions. The Contractor shall ensure notification:

      1.18.1. Is provided to the Department no later than thirty (30) business days from the date of hire or personnel change; and

      1.18.2. Includes a copy of the new staff individual's resume as well as an updated

staffing list.

9. Modify Exhibit B, Scope of Services, by adding Section 1.28., to read:

   1.28. The Contractor shall provide de-identifiable patient level data on the integrated and primary health care services provided, as specified in Subsection 1.3., and Section 1.26. Reporting.

10. Modify Exhibit C, Payment Terms, Section 1.1. through Section 1.2., to read:

    1.1. 14% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Assistance Listing Number (ALN) 93.994, FAIN B04MC45230, and as awarded on October 27, 2022, ALN 93.994, FAIN B04MC47432.

    1.2. 86% General funds.

11. Modify Exhibit C, Payment Terms, Section 3., to read:

    3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget Sheet through Exhibit C-4, Budget Sheet, Amendment #1.

12. Modify Exhibit C, Payment Terms, Section 4.3., to read:

    4.3. Identifies and requests payment for allowable costs incurred in the previous month. Allowable costs are costs incurred that specifically supports only New Hampshire Infants, Children and Adolescents from birth to 21 years of age, Pregnant Women, and Women of Childbearing age.

13. Modify Add Exhibit C, Payment Terms, by adding Section 4.7., to read:

    4.7. Includes budget line items that are used exclusively for serving the Maternal and Child Health population and invoicing must clearly state how the incurred expenses benefited this specific patient population.

14. Modify Attachment 3, Reporting Calendar, by replacing it in its entirety with Attachment 3, Amendment #1, Reporting Requirements Calendar, which is attached hereto and incorporated by reference herein.

15. Modify Attachment 6, Performance Measures, by replacing it in its entirety with Attachment 6, Amendment #1 – SFY 2025 Performance Measures, which is attached hereto and incorporated by reference herein.

16. Modify Attachment 7, Performance Measure Outcome Report (PMOR), by replacing it in its entirety with Attachment 7, Amendment #1, Performance Measure Outcome Report (PMOR), which is attached hereto and incorporated by reference herein.

17. Add Attachment 8, Amendment #1, DTT – MCH in the Integrated Primary Care Setting Template, which is attached hereto and incorporated by reference herein.

18. Add Exhibit C-4, Budget Sheet, Amendment #1, which is attached hereto and incorporated by reference herein.

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2024, upon Governor and Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

DS

5/16/2024

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

1. Definitions

1.1. **Measurement Year** – Consists of 365 days and is defined as either:

1.1.1. A Calendar Year (January 1st through December 31st), or

1.1.2. A State Fiscal Year (July 1st through June 30th).

1.2. **Medical Visit** –Defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. The UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the expectation is that the Contractor will adhere to the most up to date UDS guidance.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who were ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for approximately six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down into two (2) age-based measures, based on current NH Legislation RSA 130-A:5-a, which requires children be tested for lead at one (1) year of age, and at two (2) years of age.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between 12 and 23 months of age (NH MCHS).

DS
5/16/2024

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between 12 and 23 months of age.

2.2.1.2. Denominator: All children who turned 24 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between 24 and 36 months of age (NH MCHS).

2.2.2.1. Numerator: All children who received at least one (1) capillary or venous blood lead test between 24 and 36 months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool on the date of the encounter or within 14 days prior to the date of the encounter **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients 12 through 21 years of age who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 through 21 years of age by the end of the measurement year who had at least one (1) medical visit during the measurement year.

DS

5/16/2024

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit in the first 12 weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.5. **Preventive Health: Obesity Screening**

Child/Adolescent Measure

2.5.1. Percent of patients three (3) through 17 years of age who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.1.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.1.2. Denominator: Number of patients who were one (1) year after their second (2nd) birthday (i.e., three (3) years of age) through adolescents who were up to one (1) year past their 16th birthday (i.e., 17 years of age) at some point during the measurement year, who had at least one (1) medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.1.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers **PLUS** queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) – Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adolescent Measure

2.7.1. SBIRT – Percent of patients 12 through 17 years of age who were screened for substance use using a formal valid screening tool during

any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use using a formal valid screening tool during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients 12 through 17 years of age during the measurement year with at least one (1) medical visit during the measurement year and with at least two (2) medical visits ever.

2.7.1.4. Definitions:

2.7.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.1.4.2. Brief Intervention: Includes guidance or counseling.

2.7.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.7.2. Percent of pregnant women who were screened using a formal valid screening tool for substance use during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of women in the denominator who were screened for substance use using a formal and valid screening tool during each trimester they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8. **Developmental Screening Measure**

Percent of children who reached 30 months of age by the end of the reporting period, and were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age (NH MCHS).

DS

5/16/2024

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age.

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and had at least one (1) medical visit during the measurement year.

State of New Hampshire

Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that GREATER SEACOAST COMMUNITY HEALTH is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on August 18, 1971. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: **65587**

Certificate Number: **0006657860**

IN TESTIMONY WHEREOF,

I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this 3rd day of April A.D. 2024.

David M. Scanlan

Secretary of State

CERTIFICATE OF AUTHORITY

I, Jennifer Glidden, Chair, of Greater Seacoast Community Health hereby certify that:

1. I am a duly elected Clerk/Secretary/Officer of Greater Seacoast Community Health.

2. The following is a true copy of a vote taken at a meeting of the Board of Directors/shareholders, duly called and held on January 22, 2024 at which a quorum of the Directors/shareholders were present and voting.

   VOTED: that Jim Avrett

   Is duly authorized on behalf of Greater Seacoast Community Health to enter into contracts or agreements with the State of New Hampshire and any of its agencies or departments and further is authorized to execute any and all documents, agreements and other instruments, and amendments, revisions, or modifications thereto, which may in his/her judgement be desirable or necessary to effect the purpose of this vote.

3. I hereby certify that said vote has not been amended or repeated and remain in full force and effect as of the date of the contract/contract amendment to which this certificate is attached. The authority **remains valid for thirty (30)** days from the date of this Certificate of Authority. I further certify that it is understood that the State of New Hampshire will rely on this certificate as evidence that the person(s) listed above currently occupy the position(s) indicated and that they have full authority to bind the corporation. To the extent that there are any limits on the authority of any listed individual to bind the corporation in contracts with the State of New Hampshire, all such limitations are expressly stated herein.

FINANCIAL STATEMENTS

and

REPORTS IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS* AND THE UNIFORM GUIDANCE

December 31, 2022 and 2021

With Independent Auditor's Report

BerryDunn

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Greater Seacoast Community Health

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Greater Seacoast Community Health (the Organization), which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2022 and 2021, and the results of its operations, changes in its net assets, and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, in 2022, the Organization adopted the provisions of Financial Accounting Standards Board Accounting Standards Codification Topic 842, *Leases*. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 22, 2023 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Organization

Greater Seacoast Community Health (the Organization) is a not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC), providing fully integrated medical, behavioral, oral health, recovery services and social support for underserved populations. The Organization is a network of community health centers, which includes Families First Health & Support Center and Goodwin Community Health, providing healthcare services to individuals living within the greater seacoast area.

1. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which requires the Organization to report information in the financial statements according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code (IRC). As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

COVID-19

In March 2020, the World Health Organization declared coronavirus disease (COVID-19) a global pandemic and the United States federal government declared COVID-19 a national emergency. The Organization implemented an emergency response to ensure the safety of its patients, staff and the community. In adhering to guidelines issued by the Centers for Disease Control and Prevention, the Organization took steps to create safe distances between both staff and patients. All providers received the necessary equipment to allow for medical and behavioral health visits using telehealth.

The Organization received distributions totaling $221,102 from the Provider Relief Fund (PRF), a fund established to support healthcare providers in responding to the COVID-19 outbreak, in 2020. The Organization identified qualifying expenditures of during the year ended December 31, 2021 and recognized the PRF as revenue.

The Organization qualified for and received a loan in the amount of $1,479,000 from the Paycheck Protection Program (PPP), a program implemented by the U.S. Small Business Administration (SBA). The principal amount of the PPP was subject to forgiveness, upon the Organization's request, to the extent that the proceeds are used to pay qualifying expenditures, including payroll costs, rent and utilities, incurred by the Organization during a specific covered period. The PPP was fully forgiven by the SBA and the lender on September 17, 2021.

The various COVID-19 programs are complex and subject to interpretation. The programs may be subject to future investigation by governmental agencies. The Paycheck Protection Program Loan can be audited by the Small Business Association for up to six years from the date of forgiveness. Any difference between amounts previously recognized and amounts subsequently determined to be recoverable or payable are adjusted in future periods as adjustments become known.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds.

The Organization has cash deposits in major financial institutions which exceed federal depository insurance limits. The Organization has not experienced losses in such accounts and management believes the credit risk related to these deposits is minimal.

Revenue Recognition and Patient Accounts Receivable

Net patient service revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing patient care. These amounts are due from patients and third-party payers (including commercial insurers and governmental programs). Generally, the Organization bills the patients and third-party payers several days after the services are performed. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Organization. The majority of the Organization's performance obligations are satisfied at a point in time.

The Organization measures the performance obligations as follows:

- Medical, behavioral health, dental and ancillary services are measured from the commencement of an in-person or virtual encounter with a patient to the completion of the encounter. Ancillary services provided the same day are considered to be part of the performance obligation and are not deemed to be separate performance obligations.
- Contract 340B pharmacy program services are measured when the prescription is dispensed to the patient as reported by the pharmacy administrator.
- In-house pharmacy services are measured when the prescription is dispensed to the patient at one of the Organization's in-house pharmacy.

The Organization determines the transaction price based on standard charges for goods and services provided, reduced by contractual adjustments provided to third-party payers, discounts provided to uninsured patients in accordance with the Organization's sliding fee discount program, and implicit price concessions provided to uninsured patients. The Organization determines its estimates of contractual adjustments and discounts based on contractual agreements, its discount policies, and historical experience. The Organization determines its estimate of implicit price concessions based on its historical collection experience.

Consistent with the Organization's mission and FQHC designation, care is provided to patients regardless of their ability to pay. Therefore, the Organization has determined it has provided implicit price concessions to uninsured patients and patients with other uninsured balances (for example, copays and deductibles). The implicit price concessions included in estimating the transaction price represent the difference between amounts billed to patients and amounts the Organization expects to collect based on its collection history with those patients.

The Organization has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the payer. In assessing collectability, the Organization has elected the portfolio approach. The portfolio approach is being used as the Organization has a large volume of similar contracts with similar classes of customers (patients). The Organization reasonably expects that the effect of applying a portfolio approach to a group of contracts would not differ materially from considering each contract separately. Management's judgment to group the contracts by portfolio is based on the payment behavior expected in each portfolio category. As a result, aggregating all the contracts (which are at the patient level) by the particular payer or group of payers will result in the recognition of the same amount of revenue as applying the analysis at the individual patient level. Payer concentrations are disclosed in Note 10.

The Organization bills the patients and third-party payers several days after the services are performed. A summary of payment arrangements follows:

Medicare

The Organization is primarily reimbursed for medical, behavioral health and ancillary services provided to patients based on the lesser of actual charges or prospectively set rates for all FQHC services furnished to a Medicare beneficiary on the same day when an FQHC furnishes a face-to-face or virtual visit. Certain other services provided to patients are reimbursed based on predetermined payment rates for each Current Procedural Terminology (CPT) code, which may be less than the Organization's public fee schedule.

Medicaid

The Organization is primarily reimbursed for medical, behavioral health and ancillary services provided to patients based on prospectively set rates for all FQHC services furnished to a Medicaid beneficiary on the same day when an FQHC furnishes a face-to-face or virtual visit. Certain other services, including dental services, provided to patients are reimbursed based on predetermined payment rates for each CPT code, which may be less than the Organization's public fee schedule.

Other Payers

The Organization has also entered into payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations. Under these arrangements, the Organization is reimbursed for services based on contractually obligated payment rates for each CPT code, which may be less than the Organization's public fee schedule.

Patients

The Organization provides care to patients who meet certain criteria under its sliding fee discount program. The Organization estimates the costs associated with providing this care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for the sliding fee discount program. The estimated cost of providing services to patients under the Organization's sliding fee discount program was approximately $688,027 and $1,066,556 for the years ended December 31, 2022 and 2021, respectively. The Organization is able to provide these services with a component of funds received through federal and state grants and local support.

For uninsured patients who do not qualify under the Organization's sliding fee discount program, the Organization bills the patient based on the Organization's standard rates for services provided. Patient balances are typically due within 30 days of billing; however, the Organization does, in certain instances, enter into payment agreements with patients that allow payments in excess of one year. For those cases, the financing component is not deemed to be significant to the contract.

340B Pharmacy Program Revenue

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. This program requires drug manufacturers to provide outpatient drugs to FQHCs and other covered entities at a reduced price. The Organization operates an in-house pharmacy and contracts with other local pharmacies under this program. The contract pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the contract pharmacies is remitted to the Organization, less dispensing and administrative fees. The Organization recognizes revenue in the amounts that reflect the consideration to which it expects to be entitled in exchange for the prescription.

Laws and regulations governing the Medicare, Medicaid and 340B programs are complex and subject to interpretation. Management believes that the Organization is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare, Medicaid and 340B programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

Patient Accounts Receivable

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances and consisted of the following:

	January 1, 2021	December 31, 2021	**December 31, 2022**
Patient accounts receivable	$ 541,407	$ 673,736	**$ 757,642**
In-house pharmacy receivables	193,804	76,347	**61,671**
Contract 340B pharmacy receivables	163,303	196,206	**44,478**
Total patient accounts receivable	$ 898,514	$ 946,289	**$ 863,791**

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. The accounts receivable from patients and third-party payers, net of contractual allowances, were as follows:

	2022	2021
Governmental plans		
Medicare	**15 %**	8 %
Medicaid	**34 %**	34 %
Commercial payers	**35 %**	36 %
Patient	**16 %**	22 %
Total	**100 %**	100 %

Grant and Other Receivables, and Deferred Revenue

Grant and other receivables are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

The Organization receives a significant amount of grants from the U.S. Department of Health and Human Services (HHS). For the years ended December 31, 2022 and 2021, grants from HHS (including both direct awards and awards passed through other organizations) represented approximately 73% and 67%, respectively, of the total of grants, contracts, and contributions and Provider Relief Fund.

A portion of the Organization's revenue is derived from cost-reimbursable grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has met the performance requirements or incurred expenditures in compliance with specific contract or grant provisions, as applicable. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue.

The Organization has been awarded cost reimbursable grants from HHS that have not been recognized at December 31, 2022 because qualifying expenditures have not yet been incurred as follows:

	Amount	Available Through
Health Center Program	$ 1,325,295	April 30, 2023
Integrated Behavioral Health Services	22,363	April 30, 2023
FY 2023 Expanding COVID-19 Vaccination Awards	178,672	December 31, 2023
American Rescue Plan Act Funding for Health Centers	1,694,270	March 31, 2024
Total HHS grant funds available	$ 3,220,600	

Inventory

Inventory consists primarily of pharmaceuticals and is stated at the lower of cost or retail. Cost is determined on the first-in, first-out method.

Investments and Assets Limited as to Use

Assets limited as to use include investments held for others and donor-restricted contributions to be held in perpetuity and earnings thereon, subject to the Organization's spending policy as further discussed in Note 9.

The Organization reports investments at fair value. Investments include donor endowment funds and assets held for long-term purposes. Accordingly, investments have been classified as non-current assets in the accompanying balance sheets regardless of maturity or liquidity. The Organization has established policies governing long-term investments, which are held within several investment accounts, based on the purposes for those investment accounts and their earnings.

Investment income and the change in fair value are included in the (deficiency) excess of revenue over expenses, unless otherwise stipulated by the donor or State Law.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the balance sheets.

Property and Equipment

Property and equipment are carried at cost less accumulated depreciation. Maintenance, repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Provision for depreciation is computed using the straight-line method over the useful lives of the related assets. Property and equipment costing less than $5,000 is charged to expense upon purchase.

Right-of-Use Assets and Lease Liabilities

Effective January 1, 2022, the Organization adopted Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 842, *Leases* (Topic 842). The Organization determines if an arrangement is a lease or contains a lease at inception of a contract. A contract is determined to be or contain a lease if the contract conveys the right to control the use of identified property, plant, or equipment (an identified asset) in exchange for consideration. The Organization determines these assets are leased because the Organization has the right to obtain substantially all of the economic benefit from and the right to direct the use of the identified asset. Assets in which the supplier or lessor has the practical ability and right to substitute alternative assets for the identified asset and would benefit economically from the exercise of its right to substitute the asset are not considered to be or contain a lease because the Organization determines it does not have the right to control and direct the use of the identified asset. The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating its contracts, the Organization separately identifies lease and non-lease components, such as maintenance costs, in calculating the right-of-use (ROU) assets and lease liabilities for its facility and equipment leases. The Organization has elected the practical expedient to not separate lease and non-lease components and classifies the contract as a lease if consideration in the contract allocated to the lease component is greater than the consideration allocated to the non-lease agreement.

Leases result in the recognition of ROU assets and lease liabilities on the balance sheet. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. The Organization determines lease classification as operating or finance at the lease commencement date.

At lease inception, the lease liability is measured at the present value of the lease payments over the lease term. The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent, and lease incentives. Topic 842 requires the use of the implicit rate in the lease when readily determinable. As the leases do not provide an implicit rate, the Organization elected the practical expedient to use the risk-free rate when the rate of the lease is not implicit in the lease agreement.

The lease term may include options to extend or to terminate the lease that the Organization is reasonably certain to exercise. Lease expense for operating and finance leases is recognized on a straight-line basis over the lease term.

The Organization has elected not to record leases with an initial term of 12 months or less on the balance sheet. Lease expense on such leases is recognized on a straight-line basis over the lease term.

Upon adoption of Topic 842, the Organization elected the package of practical expedients permitted under the transition guidance within the new standard which includes the following: relief from determination of lease contracts included in existing or expiring leases at the point of adoption, relief from having to reevaluate the classification of leases in effect at the point of adoption, and relief from reevaluation of existing leases that have initial direct costs associated with the execution of the lease contract.

The adoption of Topic 842 resulted in the recognition of the following assets and liabilities on January 1, 2022:

Operating lease right-of-use assets	$ 283,253
Current portion of operating lease liabilities	$ 137,455
Operating lease liabilities, less current portion	145,798
Operating lease liabilities	$ 283,253

Results for the period prior to January 1, 2022 continue to be reported in accordance with the Organization's historical accounting treatment for leases.

Patient Deposits

Patient deposits primarily consist of payments made by patients in advance of significant dental work based on quotes for the work to be performed.

Contributions

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received, which is then treated as cost. The gifts are reported as net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statements of operations as net assets released from restriction. Pledges receivable are due in 2023.

The Organization reports gifts of property and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

(Deficiency) Excess of Revenue Over Expenses

The statements of operations reflect the (deficiency) excess of revenue over expenses. Changes in net assets without donor restrictions which are excluded from the (deficiency) excess of revenue over expenses include contributions of long-lived assets (including assets acquired using grants and contributions which, by donor restriction, were to be used for the purposes of acquiring such assets) and net assets released from restriction for capital acquisition.

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through May 22, 2023, which is the date the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Availability and Liquidity of Financial Assets

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents and investments.

Financial assets and liquidity resources available within one year for general expenditure, such as operating expenses, were as follows at December 31:

	2022	2021
Cash and cash equivalents	$ 7,625,600	$ 9,428,603
Investments	2,015,773	2,248,099
Patient accounts receivable	863,791	946,289
Grant and other receivables	1,119,148	826,005
Less donor restricted assets	(235,858)	(451,518)
Financial assets available for current use	$11,388,454	$12,997,478

3. Pledges Receivable

Pledges receivable consisted of the following at December 31:

	2022	2021
Capital projects that are in service	$ 215,666	$ -
Donor restricted		
Capital projects	-	375,666
Program services	23,978	3,500
Total donor restricted	23,978	379,166
Total	$ 239,644	$ 379,166

4. Investments and Assets Limited as to Use

Investments, stated at fair value, consisted of the following at December 31:

	2022	2021
Long-term investments	$ 2,015,773	$ 2,248,099
Assets limited as to use	1,226,379	1,513,872
Total investments	$ 3,242,152	$ 3,761,971

Assets limited as to use are restricted for the following purposes at December 31:

	2022	2021
Assets held in trust under Section 457(b) deferred compensation plans	$ 59,631	$ 57,391
Assets with donor restrictions	1,166,748	1,456,481
Total	$ 1,226,379	$ 1,513,872

Fair Value of Financial Instruments

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants and also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

U.S. GAAP distinguishes three levels of inputs that may be utilized when measuring fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value at December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 45,255	$ -	$ -	$ 45,255
Municipal bonds	-	139,194	-	139,194
Exchange traded funds	1,360,349	-	-	1,360,349
Mutual funds	1,697,354	-	-	1,697,354
Total investments	$ 3,102,958	$ 139,194	$ -	$ 3,242,152

	2021			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 125,737	$ -	$ -	$ 125,737
Municipal bonds	-	158,269	-	158,269
Exchange traded funds	1,359,909	-	-	1,359,909
Mutual funds	2,118,056	-	-	2,118,056
Total investments	$ 3,603,702	$ 158,269	$ -	$ 3,761,971

Municipal bonds are valued based on quoted market prices of similar assets.

5. Property and Equipment

Property and equipment consisted of the following:

	2022	2021
Land	$ 718,427	$ 718,427
Building and improvements	6,499,881	5,949,854
Leasehold improvements	1,589,382	179,963
Furniture, fixtures, and equipment	2,954,785	2,864,516
Total cost	11,762,475	9,712,760
Less accumulated depreciation	4,155,627	4,100,983
	7,606,848	5,611,777
Projects in progress	10,000	1,152,081
Property and equipment, net	$ 7,616,848	$ 6,763,858

Property and equipment acquired with Federal grant funds are subject to specific federal standards for sales and other dispositions. In many cases, the Federal government retains a residual ownership interest in the assets, requiring prior approval and restrictions on disposition.

Depreciation expense amounts to $407,791 and $307,683 for the years ended December 31, 2022 and 2021, respectively.

6. Long-Term Debt

Long-term debt consists of the following at December 31:

	2022	2021
2.25% promissory note payable to New Hampshire Health and Education Facilities Authority through July 2030, paid in monthly installments of $2,794, including interest. Note is uncollateralized.	$ 233,911	$ 261,836
Less current portion	28,560	27,925
Long-term debt, less current portion	$ 205,351	$ 233,911

Maturities of long-term debt for the next five years are as follows at December 31:

2023	$ 28,560
2024	29,209
2025	29,873
2026	30,552
2027	31,247
Thereafter	84,470
Total	$ 233,911

7. Leases

The Organization has entered the following lease arrangements:

Finance Lease

During 2022, the Organization entered into a facility lease through 2037. The lease contains an annual escalating clause of 3 percent beginning in 2027. Termination of the lease generally is prohibited unless there is a violation under the lease agreement.

Operating Leases

The Organization has four facility leases that expire from 2024 through 2025. These leases generally contain renewal options and annual escalating clauses of 3 percent. Termination of the leases is generally prohibited unless there is a violation under the lease agreements.

Lease Cost

Lease cost for the year ended December 31, 2022 is as follows:

Finance lease	
Amortization of right-of-use asset	$ 292,167
Interest on lease liability	85,748
Operating leases	137,455
Short-term lease expense	56,228
Total	$ 571,598

Other Information

Weighted-average remaining lease term:	
Finance lease	14 years
Operating leases	2 years
Weighted-average discount rate:	
Finance lease	2.01%
Operating leases	1.04%

Future Minimum Lease Payments and Reconciliation to the Balance Sheet

Future minimum payments due under the facility and equipment lease agreements for the years ending December 31, are as follows:

	Finance Lease	Operating Leases
2023	$ 332,620	$ 77,672
2024	332,620	58,984
2025	332,620	13,696
2026	332,620	-
2027	341,767	-
Thereafter	3,602,655	-
Total future undiscounted lease payments	5,274,902	150,352
Less present value discount	713,145	1,529
Total lease liabilities	4,561,757	148,823
Current portion of lease liabilities	332,620	77,672
Lease liabilities, net of current portion	$ 4,229,137	$ 71,151

8. Net Assets with Donor Restrictions

Net assets with donor restrictions are available for the following purposes at December 31:

	2022	2021
Specific purpose (temporary in nature)		
Program services	$ 235,858	$ 451,518
Construction of new facility	412,473	1,655,026
Pledges receivable for construction of new facility	-	375,666
Passage of time (temporary in nature)		
Pledges receivable	23,978	3,500
Earnings from endowment investments	297,070	586,803
Held in perpetuity (permanent in nature)		
Endowment	869,678	869,678
Total	$ 1,839,057	$ 3,942,191

Net assets released from net assets with donor restrictions were as follows at December 31:

	2022	2021
Satisfaction of purpose - program services	$ 144,063	$ 39,143
Satisfaction of purpose - purchase of capital assets	1,829,857	-
Passage of time - pledges receivable	48,000	96,950
Passage of time - endowment earnings	61,352	57,866
Total	$ 2,083,272	$ 193,959

9. Endowment

Interpretation of Relevant Law

The Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as a donor-restricted endowment (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent donor-restricted endowment gifts, and (c) accumulations to the donor-restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund, if any, is classified as net assets with donor restrictions until those amounts are appropriated for expenditure in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the fund;
(2) The purposes of the Organization and the donor-restricted endowment fund;
(3) General economic conditions;
(4) The possible effect of inflation and deflation;
(5) The expected total return from income and the appreciation of investments;
(6) Other resources of the Organization; and
(7) The investment policies of the Organization.

Spending Policy

The Organization has a policy of appropriating for expenditure an amount equal to 5% of the endowment fund's average fair market value over the prior 20 quarters. The earnings on the endowment fund are to be used for operations.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Organization to retain as a fund of perpetual duration (underwater). In the event the endowment becomes underwater, it is the Organization's policy to not appropriate expenditures from the endowment assets until the endowment is no longer underwater. There were no such deficiencies as of December 31, 2022 and 2021.

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed or meet designated benchmarks while incurring a reasonable and prudent level of investment risk.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a balanced emphasis on equity-based and income-based investments to achieve its long-term return objectives within prudent risk constraints.

Endowment Net Asset Composition by Type of Fund

The Organization's endowment consists of assets with donor restrictions only and had the following related activities at December 31:

	2022	2021
Endowments, beginning of year	$ 1,456,481	$ 1,316,245
Investment income	32,911	44,850
Change in fair value of investments	(261,292)	153,252
Spending policy appropriations	(61,352)	(57,866)
Endowments, end of year	$ 1,166,748	$ 1,456,481

10. Net Patient Service Revenue

Net patient service revenue by payer and program is as follows:

	2022		
	Medical, Behavioral Health and Dental Services	Pharmacy Services	Total
Governmental payers			
Medicare	$ 775,698	$ -	$ 775,698
Medicaid	5,287,937	329,783	5,617,720
Commercial payers	2,947,918	872,636	3,820,554
Patient	217,213	149,542	366,755
Net direct patient service revenue	9,228,766	1,351,961	10,580,727
340B contract pharmacy revenue	-	1,370,340	1,370,340
Net patient service revenue	$ 9,228,766	$ 2,722,301	$ 11,951,067

	2021		
	Medical, Behavioral Health and Dental Services	Pharmacy Services	Total
Governmental payers			
Medicare	$ 762,586	$ -	$ 762,586
Medicaid	5,226,275	277,925	5,504,200
Commercial payers	2,842,725	929,547	3,772,272
Patient	288,321	136,482	424,803
Net direct patient service revenue	9,119,907	1,343,954	10,463,861
340B contract pharmacy revenue	-	1,683,383	1,683,383
Net patient service revenue	$ 9,119,907	$ 3,027,337	$ 12,147,244

11. Functional Expenses

The Organization provides various services to residents within its geographic location. Given the Organization is a service organization, expenses are allocated between healthcare, administrative and support and fundraising services based on the percentage of direct care wages to total wages, with the exception of program supplies which are 100% healthcare in nature.

Expenses related to providing these services are as follows:

	2022			
	Healthcare Services	Administrative and Support Services	Fundraising Services	Total
Salaries and wages	$ 11,752,215	$ 1,476,954	$ 471,582	$ 13,700,751
Employee benefits	2,290,698	313,166	89,770	2,693,634
Contracted services	833,825	204,594	16,899	1,055,318
Program supplies	1,793,207	-	-	1,793,207
Information technology	558,586	76,366	21,890	656,842
Occupancy	827,565	113,138	32,431	973,134
Other	1,272,422	173,955	49,865	1,496,242
Depreciation and amortization	595,253	81,378	23,327	699,958
Interest expense	77,687	10,621	3,044	91,352
Total	$ 20,001,458	$ 2,450,172	$ 708,808	$ 23,160,438

	2021			
	Healthcare Services	Administrative and Support Services	Fundraising Services	Total
Salaries and wages	$ 11,626,356	$ 1,589,462	$ 455,622	$ 13,671,440
Employee benefits	2,146,878	293,504	84,133	2,524,515
Contract services	901,023	165,775	8,765	1,075,563
Program supplies	1,980,697	-	-	1,980,697
Information technology	545,120	74,524	21,363	641,007
Occupancy	698,013	95,427	27,354	820,794
Other	1,127,805	154,183	44,198	1,326,186
Depreciation and amortization	261,657	35,772	10,254	307,683
Interest expense	5,294	724	207	6,225
Total	$ 19,292,843	$ 2,409,371	$ 651,896	$ 22,354,110

12. Retirement Plans

The Organization has a defined contribution plan under IRC Section 401(k) that covers substantially all employees. For the years ended December 31, 2022 and 2021, the Organization contributed $260,713 and $222,748, respectively, to the plan.

The Organization has established an unqualified deferred compensation plan under IRC Section 457(b) for certain key employees of the Organization. The Organization did not contribute to the plan during the year ended December 31, 2022. The balance of the deferred compensation plan amounted to $59,631 and $57,391 at December 31, 2022 and 2021, respectively.

13. Medical Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of December 31, 2022, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and additional medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

14. Food Vouchers

The Organization acts as a conduit for the State of New Hampshire's Special Supplemental Food Program for Women, Infants and Children (WIC). The value of food vouchers distributed by the Organization was $1,310,202 and $1,323,285 for the years ended December 31, 2022 and 2021, respectively. These amounts are not included in the accompanying financial statements as they are not part of the contract the Organization has with the State of New Hampshire for the WIC program.

GREATER SEACOAST COMMUNITY HEALTH

Notes to Schedule of Expenditures of Federal Awards

Year Ended December 31, 2022

1. Summary of Significant Accounting Policies

Expenditures reported on the schedule of expenditures of federal awards (the Schedule) are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement.

2. De Minimis Indirect Cost Rate

Greater Seacoast Community Health (the Organization) has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

3. Basis of Presentation

The Schedule includes the federal grant activity of the Organization. The information in this Schedule is presented in accordance with the requirements of the Uniform Guidance. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Greater Seacoast Community Health

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Greater Seacoast Community Health (the Organization), which comprise the balance sheet as of December 31, 2022, and the related statements of operations, changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 22, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Board of Directors
Greater Seacoast Community Health

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Greater Seacoast Community Health

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Greater Seacoast Community Health's (the Organization) compliance with the types of compliance requirements identified as subject to audit in the Office of Management and Budget *Compliance Supplement* that could have a direct and material effect on its major federal program for the year ended December 31, 2022. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2022.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with U.S. generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors
Greater Seacoast Community Health

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Auditee qualified as low-risk auditee?	☑	Yes	☐	No

Section 2. Financial Statement Findings

None

Section 3. Federal Award Findings and Questioned Costs

None

GREATER SEACOAST COMMUNITY HEALTH

Summary Schedule of Prior Year Findings

Year Ended December 31, 2022

Finding Number: **2021-001**

Criteria:	In accordance with Section 330(k)(3)(G) of the PHS Act (42 U.S. Code § 254b), as an FQHC, the Organization must have a sliding fee discount program in which the Organization's fee schedule is discounted based on a patient's ability to pay.
Condition:	The Organization has not applied sliding fee discounts to patient charges consistent with its sliding fee discount program.
Recommendation:	We recommended management review the complexity of the Organization's dental sliding fee discount schedule and consider whether modifications to the scale would better allow the billing system to correctly apply sliding fee discounts to dental patients without the need for staff correction. We also recommended management consider increasing the number of dental transactions reviewed as part of the Organization's internal monitoring procedures.
Status:	Resolved.

OPERATIONS MANAGEMENT & PERFORMANCE IMPROVEMENT EXECUTIVE

I build and lead cross-functional, cross-organizational teams containing executives, physicians, staff, boards, business partners, community members and other stakeholders to improve the quality of products and services, lower costs, increase revenue, improve customer service levels, and ensure organizational sustainability and growth. I design, lead and implement initiatives to drive organizational transformation and change, operations and process / performance improvement, integration, and program enhancement / new design. I have broad experience in business development and strategy development.

STRENGTHS

Operations Management, Improvement & Redesign	Business Development	Customer Service Improvement
Business Model Design & Partner Integration	Strategic Planning	Service, Site, Provider Integration
Cost Savings & Revenue Enhancement	Quality & Reliability Improvement	Relationship Management
Optimized Staff and Service Scheduling	Budget Design / Management	Resource Utilization Management

PROFESSIONAL HISTORY
(Accomplishments)

Edgewood (a CCRC in MA and NH), North Andover, Massachusetts **2020 - Present**
Director

- Administrator of Resident Services. Responsibilities include:

  - Lead and manage the internal home health agency.
  - Oversee the Geriatric Care Management Nursing program.
  - Manage the outsourced on-site clinic – includes primary care (MD and PAs), podiatry, optometry, dental services.
  - Oversee social work services.
  - Developing plans for new home health and hospice agencies in Massachusetts and New Hampshire.
  - Redesigning the internal home health agency, saving cost, and increasing profitability.

Huron Consulting Group, Chicago, IL (Based out of Dover, NH) **2019 - 2020**
Healthcare Director

- Led multi-site, multi-function integrated projects. Focus areas included operations management and improvement, workforce management, care optimization, supply chain and portfolio optimization. Coached / Mentored staff. Methodology development.

  - Led a team conducting a care optimization engagement at hospitals that were part of an academic medical center system including their clinics, ambulatory, and acute sites.
  - Led a team charged with improving workforce management and clinical operations for a community-based hospital that is part of a larger regional system. Implementing targeted savings of $4,300,000 - $5,700,000.

*future*HEALTH, Dover, NH **2017 – 2019**
Principal / Owner

- Assist clients with: Operational improvement and process enhancement / redesign, service line portfolio analysis / optimization, customer service / experience improvement, staffing matrixes, quality improvement, integration and throughput optimization, decreasing process and outcome variance, strategic growth, leveraging technology to improve business processes.

- Retained long-term by a major international package transportation company to optimize operations including regional handling and distribution centers' intake, delivery and processing of packages and sales contract design / enhancement.

Management Consulting Group PLC, London, UK **2014 – 2016**

Proudfoot, Atlanta, Georgia (Based out of Dover, NH) (2016)
Vice President, Life Sciences and Healthcare Operations – North America

- Managed a wide range of engagement types for the firm. Ensured engagement delivery quality.
- Supervised, coached and mentored the engagement managers charged with delivering services to clients.
- Client relationship management throughout the delivery cycle for multiple, simultaneous engagements.

- At a major international oil company streamlined processes and reduced costs. Worked with traders to improve algorithms and strategies for designing hedge positions. Produced savings between $7 - $12 million annually.
- Evaluated consolidating operations at two plants for a manufacturer – one US-based, one international. Streamlined the operations at the US-based site which resulted in a $1.2 - $3.6 million annual savings.
- Performed operational analysis of the coke production facility that serves the largest blast furnace in North America. Designed an oven repair and replacement plan that would not interrupt customer service and revenue. Redesigned staffing patterns, equipment and supplies purchasing and inventory management systems. Total value: $19 – 26 million.

Kurt Salmon, Atlanta, Georgia (Based out of Dover, NH) (2014 – 2015)
Partner

- Sold and delivered strategy, operations, supply chain, IT, and facilities and capital asset planning engagements.
- Managed client relationships through the sales and delivery cycle. Monitored and guaranteed engagement delivery quality.
- Supervised, coached and mentored the engagement managers and staff.

- Led a team that worked with a national urgent care center organization to reduce overall throughput time through process improvements, development of new staffing matrixes by skill, time-of-day and day-of-week, staff and physician workload balancing. Created a proactive physician and appointment scheduling system. Lowered door to discharge time by 26%. Increased capacity for client appointments by 15%.
- Worked with a health system to conduct a market assessment then refine and validate their strategy to move ambulatory services into a new market area. Developed materials for Board of Directors education and strategy session.
- Co-led effort to build the firm's Operations and Performance Improvement practice. Developed methodologies and external and internal facing marketing pieces.

Galloway Consulting / iVantage Health Analytics, Atlanta, Georgia (Based out of Dover, NH) **2011 – 2014**
Senior Director - Engagements Lead

- Led high profile, strategic consulting engagements for large, complex healthsystems including all their services / facilities across the care continuum. Employed a collaborative team approach to rapidly (4–5 weeks) develop solutions.

  - Worked with a regional hospital of a national healthsystem to recover from an eight-digit budget variance within the fiscal year by reducing labor and supply cost, enhancing revenue, improving quality, portfolio optimization, patient experience, clinics operations improvement. Developed plans and implemented a $17.1 million margin improvement.
  - Led a team that worked with a multi-state healthsystem to improve their bottom line through staff scheduling / mix, operational and clinical process improvement as well as revenue enhancement and growth. Total impact more than $70,000,000.
  - Led a multi-site, multi-state engagement with a national healthsystem to design multi-year plans to take the sites through an organizational transformation to rebase their cost structure so they would succeed in an all Medicare-level type of reimbursement environment. Bottom line impact $8,000,000 to $50,000,000 per site and more than $100,000,000 system wide.

VHA, Incorporated, Dallas, Texas (Based out of Portland, ME and Boston, MA) **2001 – 2011**

***Regional Vice President** (6 state region: ME, NH, VT, MA, CT, RI '07-'11) / **Senior Director** (3 State region: '04-'06)*

- Led strategic planning, relationship management, sales, and staff management activities for the consulting, analytics, purchased services and supply chain services across a multi-state, 100+ healthcare organization territory.

  - Built and led team that grew group purchasing organization sales (to $2,100,000,000) and revenue (to $49,000,000).
  - Increased Customer Satisfaction ratings by 18% from levels before given responsibility for the function.
  - Led alliance member recruitment efforts in six-state region. Seven new members joined adding $350,000,000 in revenue.
  - Led effort to develop a regional purchasing coalition coordinating national, regional, vendor and healthsystem resources, needs and expectations. Designed governance and operational model. Savings exceeded $2,200,000.
  - Developed business plans and led my team to roll out and implement dozens of new contracts / services launches each year including pharmacy products, medical device, capital equipment, IT products / services and med / surg products.
  - Worked with regional and national business partners to enhance pricing of agreements or establish new contracts.
  - Responded to RFPs ensuring that VHA's value proposition addressed the customer's needs, coordinating resources across business lines, to create and present an impactful offering. Managed process through successful completion.
  - Managed the Non-Acute Portfolio resources that exceeded targets or superior targets (125%) after gaining responsibility for the services. (Before taking responsibility for this portfolio the goal achievement was 82%)

VHA, Incorporated, Based out of Dover, NH (2001 – 2004)
***Director, Alliance Member Strategies** (ME, NH, VT, MA, RI, CT, NY)*

- Led marketing and consultative sales activities for both the Purchased Services and Consulting Services portfolios for three regional offices encompassing a seven-state area. Target audiences: middle and executive management.

  - Working with 90+ business partners, attained 150% of revenue target for purchased services portfolio (IT, capital, financial / revenue cycle, ambulatory, support, clinical).
  - Partnering with national / corporate service providers, attained Superior level for consulting services revenue goals.
  - Eventually responsible for the marketing and sales of all consulting services for one half of VHA's regions.

North Broward Hospital District, Fort Lauderdale, Florida **1996 – 2001**
Executive Director, Reengineering and Integration

- Led cross-functional, cross-facility initiatives improving processes and integrating services across 40 acute and non-acute site public health system.

  - Developed process to manage at-risk patients much like the population health models seen today.
  - Led a multiple phase, cross-District project that re-invented the financial assistance process, virtually resulting in a new function. This recouped $2,000,000+ in unreimbursed service provision annually.
  - Developed and tracked a daily district-wide labor productivity monitoring system containing executive roll-up reporting.
  - Partnered with a for-profit entity to build a joint-venture DME company. Due diligence, governance, revenue split.
  - Led the Quality Council with a member of the board. Designed, implemented, managed initiatives across the enterprise.
  - Assisted with the preparation for JCAHO assessment.
  - Co-led the planning, redesign of operations and implementation of the District's new Pathways IT system across the enterprise. Documented / updated processes to take full advantage of the system's functionality. Co-led all District/site-specific user groups.
  - Designed the District's Enterprise Scheduling Center. Led the selection of software, developed processes and staffing requirements. Built a nurse call system into the Center. Increased customer service and reduced staffing.
  - Managed the patient / family / customer satisfaction program for service improvement. Changed approach from reactive to proactive. Worked with staff to design and implement improved processes for patient and family service and engagement.

EXPERIENCE

Cello's Farmhouse Italian, Candia NH - *Server*

APRIL 2018 - JANUARY 2019

- Customer Service
- Delivering a higher standard of Italian food.
- Wine service
- Knowledge of spirits and craft beers
- Opening and closing duties.

Seacoast Mental Health Center, Portsmouth NH - *Outreach Specialist*

AUGUST 2016 - MARCH 2018

- Provided case management services to clients in the community with severe and persistent mental illness.
- Experience working with populations that are experiencing schizophrenia, bipolar disorders, personality disorders, depression, anxiety and homelessness.
- Targeted Case Management
    - Experience with Medicaid, Medicare, Social Security, and NH housing applications and processes.
- Experience working with an Electronic Health Record.

Cork N' Keg, Raymond NH - *Server*

NOVEMBER 2015 - MARCH 2016

- Customer Service
- Providing fast and efficient service to a variety of customers.
- Opening and closing duties.

YMCA Camp Lincoln, Kingston NH - *Counselor*

SEASONAL - 2014 & 2015

- Supervising campers ages 3-15.
- Planning and managing weekly activities.
- Lifeguarding
- Extensive team building/training with co-counselors.

Market Basket, Epping NH - *Cashier/Grocery Clerk*

SEPTEMBER 2011 - JANUARY 2015

- Customer Service
- Working in small groups to complete time sensitive tasks.

EDUCATION

University of New Hampshire, Durham NH - *Psychology*

AUGUST 2012 - MAY 2016

- Bachelor's Degree in Psychology
    - Minored in Sociology
- Graduated Cum Laude
- Studied Abroad at Regent's University, London.
- Completed an internship it the Dover Teen Center.
    - Mentored at risk youth ages 11-18 in Dover NH.

CHRISTOPHER POND

Key Strengths:

- 13 years of experience working with families, adults and children in various environments
- Ability to develop relationships with each individual
- Ability to multitask and arrange appointments
- Knowledge of community resources and benefits
- Understands the responsibility of case management and the organization that is needed
- Strong skills using Microsoft Office – Word, Excel, PowerPoint

Experience:

Goodwin Community Health
Social Work Manager — Sept. '20- Present.

- Supervise a team of social workers and CHW across multiple sites
- Manage schedules and time off for team
- Lead monthly team meetings
- Act as a liaison to outside organizations that interact closely with the SW Dept.
- Organize and implement new services and changes within the SW Dept.
- Resolve Staff/ Patient crisis that may arise
- Complete any other managerial tasks in a timely manner
- Provide integrated SW services to patients across all programs within the health center, as described below.

Social Work Lead — Sept. '18 – Sept. '20

- Provide coverage for Social Work and Prenatal Manager when out of office
- Manage time off request and department schedules
- Assist in hiring of all SW Dept. Staff
- Provide training for all new SW hires across a spectrum of programs at multiple sites
- Manage weekly SW referral data and assign to responsible staff
- Assist SW/ PN Manager with department projects

Social Worker — June '15 –Sept. '18

- Collaborate with PC, BH, MAR, PN Providers to provide care as part of an integrated team
- Assist vulnerable patients in accessing local resources and supports for housing, food, SUD, benefits, support groups
- Maintain and document all visits and patient interaction within CHAN Electronic Medical Records
- Perform PN Intakes and follow at risks patients by completing Plan of Safe Care

- Facilitate peer support group – Empowering Whole Health

Community Partners *July '12 – June '15*
Case Manager/ Functional Support Specialist

- Coordinate clinical care with clients, families, and other community providers

Farmington 500 Boys and Girls Club — *Aug. '10- Nov. '10*
Asst. Coach 6U

- Teach kids 6 and under the skills and knowledge of soccer

Education:

Granite State College — *Jan. '09- Mar. '12*
BS Criminal Justice – Minor Human Services

- *Dean's List 2009-2012*
- *Magna Cum Laude*

Casey Wade

I am a dependable, punctual, and detail oriented individual. I am very outgoing and work well with others while also working efficiently on my own. I love to learn and I pick up on things quickly. I am seeking a position where I can advance and excel while giving my best to an employer.

Experience

August 2014-Present Magna Home Cleaning Greenland, NH
Cleaning Technician
We travel to client's homes and businesses to clean and organize.

November, 2012-August, 2014 Salmon Falls Stoneware, Dover, NH
Sales Associate, Bookkeeper's Assistant and Factory Worker
I was a sales associate in the retail store. In addition to handling in-store sales, duties included processing phone, internet and wholesale orders. My flexibility also had me working in the office assisting the bookkeeper with A/P, A/R, bank deposits, cash reconciliations, correspondence and filing. I also learned the waxing and glazing processes while working in the factory when needed. Inconsistent scheduling was the reason for leaving.

May, 2012-September, 2012 Sun N'Surf, York, ME
Waitress
In addition to serving, duties included cleaning and stocking the kitchen, bathrooms, dining room and patio. A severely sprained ankle was the reason for leaving.

February, 2011- May, 2012 Fogarty's South Berwick, Maine
Waitress and Hostess
At Fogarty's I started as a hostess, greeting and seating guests. I was later trained to wait tables. Duties included serving, stocking and cleaning. Scheduling became an issue which led me to leave.

June 2005-July 2011 Aggie's Ice Cream South Berwick, Maine
Cashier and Scooper.

Aggie's was my first job. I worked there while going to high school and on summer vacations from the University of Southern Maine. I learned a lot about customer service and handling money. Eventually I decided to move on to waitress at Fogarty's.

Education

University of Southern Maine
(2009-2010)

York County Community College-Wells, Maine
Associate in Liberal Arts (2011-2013)

Skills

Computer skills (Excel, Word)
Customer service skills

Mid-State Health Center	158055-B001	Plymouth	$640,823
Weeks Medical Center	177171-R001	Lancaster	$617,806
White Mountain Community Health Center	174170-R001	Conway	$624,885
		Total:	**$8,158,520**

Funds are available in the following accounts for State Fiscal Years 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Department to increase access to integrated prevention and primary health care for the Maternal and Child Health (MCH) target population of women, infants, children and adolescents, and to address the maternal and youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

Approximately 194,940 individuals will be served from June 1, 2022 to June 30, 2024.

The Contractors will provide increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, and pregnant women and women of childbearing age, and must not exclude individuals who are uninsured; underinsured; and/or considered low-income. Integrated prevention and primary health care services are provided to individuals who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. The Contractors will integrate and coordinate access to medical, behavioral and social services by reducing barriers to care through an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will monitor services through the following performance measures:

- Percent of infants who were ever breastfed.
- Percent of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percent of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.

The Department selected the Contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from January 14, 2022 through February 25, 2022. The Department received 10 responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, pregnant women and women of childbearing age, and individuals who are uninsured; underinsured; considered low-income.

Source of Federal Funds: CFDA #93.994, FAIN B04MC45230

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

DocuSigned by:
Ann H. Landry

1.17 Approval by the Governor and Executive Council *(if applicable)* G&C Item number: G&C Meeting Date:			

Contractor Initials DS
Date 5/17/2022

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials JL

Date 5/17/2022

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor Initials JL

Date 5/17/2022

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Date 5/17/2022

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT A

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall increase access to integrated healthcare for the Maternal and Child Health (MCH) target population of Women, Infants, Children and Adolescents from birth to 21 years of age, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

1.2. The Contractor shall provide and increase access to healthcare for New Hampshire Infants, Children and Adolescents from birth to 21 years of age, and Pregnant Women and Women of Childbearing age, and must not exclude individuals who are:

1.2.1. Uninsured.

1.2.2. Underinsured.

1.2.3. Considered low-income defined as less than 185% of the U.S. Department of Health and Human Services (US DHHS) Poverty Guidelines.

1.2.4. Lacking housing, including individuals whose primary residence during the night is a supervised public or private facility, such as a shelter, that provides temporary living accommodations.

1.2.5. Residing in transitional housing.

1.2.6. Unable to maintain their housing situation.

1.2.7. Forced to stay with a series of friends and/or extended family members, hence are considered homeless.

1.2.8. Recently released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.3. The Contractor shall provide integrated preventative and primary health care services to the populations in Subsection 1.2 above, which must include:

1.3.1. Behavioral health care;

1.3.2. Prenatal care either on site or by referral;

1.3.3. Care management; and

1.3.4. Enabling services.

1.4. The Contractor shall provide eligibility determination services that include, but are not limited to:

1.4.1. Notifying the Department in writing if/when access to primary care services for new patients is limited or closed for more than thirty (30)

consecutive business days or any sixty (60) non-consecutive business days.

1.4.2. Assisting individuals with completing a Medicaid/Expanded Medicaid and/or other health insurance applications.

1.4.3. Maximizing billing to private and commercial insurances for all reimbursable services rendered.

1.4.4. Posting a public notice in a conspicuous location specifying that no individual will be denied services due to inability to pay.

1.4.5. Developing and implementing a sliding fee scale for services in accordance with the Federal Poverty Guidelines and providing the sliding fee scale to the Department upon request.

1.5. The Contractor shall ensure primary care services are provided by a New Hampshire licensed:

1.5.1. Medical Doctor (MD);

1.5.2. Doctor of Osteopathic Medicine (DO);

1.5.3. Advanced Practice Registered Nurse (APRN); and/or

1.5.4. Physician Assistant (PA) to eligible individuals in the service area.

1.6. The Contractor shall provide services in an office-based setting which may include, but is not limited to:

1.6.1. Federally Qualified Health Centers (FQHCs) and/or Rural Health Clinics.

1.6.2. School Based Health Clinics.

1.6.3. Mobile Care Delivery Services.

1.7. The Contractor shall ensure services include, but are not limited to:

1.7.1. Reproductive health services.

1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral.

1.7.3. Preventive primary care services for women, infants, children and adolescents, including screenings and health education in accordance with established, documented state or national guidelines and evidence based practices.

1.7.4. Integrated behavioral health services.

1.7.5. Assessment of need and follow-up/referral as indicated for:

1.7.5.1. Tobacco cessation, including referral to programs such as QuitWorks-NH (http://www.QuitWorksNH.org);

1.7.5.2. Social services that address Social Determinants of Health (SDOH);

1.7.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA);

1.7.5.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

1.7.5.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services; and

1.7.5.6. Referrals to any specialists as needed that are not offered on site, including home visiting services and oral health.

1.8. The Contractor shall provide and facilitate enabling services to all individuals served with special emphasis given to the MCH population of women and infants, children and adolescents from birth to 21 years of age. Enabling services must include at a minimum:

1.8.1. Case management;

1.8.2. Benefit counseling and/or eligibility assistance;

1.8.3. Health education and supportive counseling; and

1.8.4. Language interpretation, outreach, transportation and education of patients and the community regarding the availability and appropriate use of health services.

1.9. The Contractor shall ensure management services for individuals enrolled for primary care services include, but are not limited to:

1.9.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted; and in a culturally and linguistically appropriate manner; and

1.9.2. Direct access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, by referral or subcontract.

1.10. The Contractor shall develop, define, facilitate and implement a minimum of two (2) enabling services initiatives and enabling services initiative work plans that focus on the Title V MCH Block Grant population of women, infants, children and adolescents, as follows:

1.10.1. Initiative One (1) – Screening and Referrals for SDOH, in accordance with Attachment #1; and

1.10.2. Initiative Two (2) – Increase Referrals to Home Visiting Programs for Qualifying Children, in accordance with Attachment #2.

DS

1.11. The Contractor shall monitor, update and implement each enabling services initiative work plan in accordance with Attachment #3 – Reporting Requirements Calendar.

1.12. The Contractor shall develop, define, facilitate and implement a minimum of two (2) quality improvement (QI) projects, which must consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of all individuals served, including:

1.12.1. QI Project One (1): Adolescent Well Child Visits, in accordance with Attachment #4; and

1.12.2. QI Project Two (2): Breastfeeding, in accordance with Attachment #5.

1.13. The Contractor shall monitor, update and implement the work plans for each QI project in accordance with Attachment #3 – Reporting Requirements Calendar.

1.14. The Contractor shall attend in-person and/or virtual meetings and trainings facilitated by the Department, which include, but are not limited to:

1.14.1. MCH Agency Directors' Meetings scheduled by the Department on an as-needed basis.

1.14.2. MCH Primary Care Coordinators' Meetings up to two (2) times per year, which may require attendance by selected Vendor(s) quality improvement and clinical staff.

1.15. The Contractor shall ensure all services in this Exhibit B, Scope of Services, are provided by qualified health and allied health professionals.

1.16. The Contractor shall provide supporting documentation to the Department that verifies staff hours funded under the Agreement that may include, but is not limited to, timecards.

1.17. The Contractor shall ensure all health and allied health professionals possess and maintain the appropriate and current New Hampshire licenses whether directly employed, contracted or subcontracted.

1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator or staff person essential to providing services. The Contractor shall ensure notification:

1.18.1. Is provided to the Department no later than thirty business (30) days from the date of hire; and

1.18.2. Includes a copy of the newly hired individual's resume.

1.19. The Contractor shall notify the Department in writing when:

1.19.1. Any critical position is vacant for more than thirty (30) business days;

1.19.2. There is not adequate staffing to perform all required services for any

period lasting more than thirty (30) consecutive business days or any sixty (60) non-consecutive business days.

1.20. The Contractor shall ensure that all employees and subcontractors providing direct services to clients under this Agreement have undergone a criminal background check and have no convictions for crimes that represent evidence of behavior that could endanger clients served under this Agreement.

1.21. The Contractor shall permit an individual, or team or individuals, authorized by the Department to schedule and conduct periodic virtual and/or on-site reviews of documentation related to contracted services, including:

1.21.1. Administration;

1.21.2. Data collection and submission;

1.21.3. Clinical and financial management; and

1.21.4. Delivery of education services.

1.22. The Contractor shall ensure the information needed by the Department to conduct virtual and/or on-site reviews is available, which may include, but is not limited to:

1.22.1. Client records.

1.22.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

1.23. The Contractor shall adhere to any corrective action plans issued by the Department should virtual and/or on-site reviews yield results that services provided are not in compliance with the Agreement. Any corrective action plans shall not prevent the Department from taking action under paragraph 8, Event of Default/Remedies and paragraph 9, Termination, of the General Provisions, Form P-37, of the Agreement.

1.24. The Contractor shall actively and regularly collaborate with the Department to enhance contract management and improve results.

1.25. The Contractor may be required to collect and share other key data and metrics with the Department, including client-level demographic, performance, and service data, in a format specified by the Department.

1.26. Reporting

1.26.1. The Contractor shall collect and submit the data and reports as specified in Attachment #3 – Reporting Requirements Calendar to the Department. Data must be de-identified and aggregated to prevent constructive identification of any individual, and must include but is not limited to:

1.26.1.1. Uniform Data System (UDS) outcomes.

1.26.1.2. Performance Measure outcomes.

1.26.1.3. Work plan for each Enabling Service Initiative.

1.26.1.4. Work Plan for each QI Project.

1.27. Performance Measures

1.27.1. The Contractor shall report data on the Performance Measures in Appendix F at regular intervals as specified in Appendix G – Reporting Requirements Calendar, utilizing Appendix K – DTT-PC2022 Template.

1.27.2. The Contractor shall meet or exceed their proposed goals and objectives for the required Performance Measures in Attachment #6. Should the Contractor not meet or exceed their goals, the Contractor shall submit a Performance Measure Improvement Plan for each unmet Performance Measure, utilizing Attachment #7 – Performance Measure Outcome Report Template, at reporting intervals as specified in Appendix G – Reporting Requirements Calendar.

1.27.3. The Department may identify other performance measures in the resulting Agreement.

2. Exhibits Incorporated

2.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

2.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

2.3. The Contractor shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

3. Additional Terms

3.1. Impacts Resulting from Court Orders or Legislative Changes

3.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

3.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

3.2.1. The Contractor shall submit, within ten (10) days of the Agreement Effective Date, a detailed description of the communication access and language assistance services to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

3.3. Credits and Copyright Ownership

3.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement shall include the following statement, "The preparation of this (report, document etc.) was financed under an Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

3.3.2. All materials produced or purchased under the Agreement shall have prior approval from the Department before printing, production, distribution or use.

3.3.3. The Department shall retain copyright ownership for any and all original materials produced, including, but not limited to:

3.3.3.1. Brochures.

3.3.3.2. Resource directories.

3.3.3.3. Protocols or guidelines.

3.3.3.4. Posters.

3.3.3.5. Reports.

3.3.4. The Contractor shall not reproduce any materials produced under the Agreement without prior written approval from the Department.

3.4. Operation of Facilities: Compliance with Laws and Regulations

3.4.1. In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental

license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

4. Records

4.1. The Contractor shall keep records that include, but are not limited to:

4.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

4.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

4.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

4.1.4. Medical records on each patient/recipient of services.

4.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts. Upon the purchase by the Department of the maximum number of units provided for in the Agreement and upon payment of the price limitation hereunder, the Agreement and all the obligations of the parties hereunder (except such obligations as, by the terms of the Agreement are to be performed after the end of the term of this Agreement and/or survive the termination of the Agreement) shall terminate, provided

however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT C

Payment Terms

1. This Agreement is funded by:
   1.1. 10% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration, CFDA #93.994, FAIN B04MC45230.
   1.2. 90% General funds.
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget through Exhibit C-3, Budget.
4. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:
   4.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.
   4.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.
   4.3. Identifies and requests payment for allowable costs incurred in the previous month.
   4.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.
   4.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.
   4.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to DPHSContractBilling@dhhs.nh.gov or mailed to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

5. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

6. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract completion date specified in Form P-37, General Provisions Block 1.7 Completion Date.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

   8.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

      8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

      8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

      8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

   8.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

      8.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

   8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

New Hampshire Department of Health and Human Services
Exhibit G

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

Exhibit H

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) **Definitions**.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

Contractor Initials JL

Date 5/17/2022

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

DS

Contractor Initials _____

5/17/2022

Date _____

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

Contractor Initials DS

Date 5/17/2022

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third-party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

Attachment #1 – Screening and Referrals for SDOH

Enabling Services Work Plan Agency Name: Greater Seacoast Community Health Name and Role of Person(s) Completing Work Plan: Jess Garlough, Director of Family and Social Services			
Enabling Services Focus Area: Social Determinates of Health Screening			
Project Goal: Assist clients in accessing additional supportive services and programs identified in SDOH screenings.			
Project Objective: Increase the number of patients 20 and over who are screened for SDOH when registered as a new patient. This will increase the screenings from 0% to 75% by August 2022.			
Activities: (list as many activities as are planned to reach the Objective)	Staff/Resources Involved (list for each Activity)	Evaluation Plans (list as needed for each Activity)	Timeline for Activity (estimated timeline for the duration of each Activity)
Fill open social work position that will be part of the team responsible for screening social work intake form of New Patients (includes SDOH).	Human resources will complete posting and recruitment of full-time open position. Social Work Manager will be responsible for hiring and training new staff.	Social work manager will have weekly check-ins with the human resources recruiter on candidates and plan for recruitment efforts as needed.	Expected to fill and onboard position by May 2022
Create a new patient questionnaire with SDOH to screen patients for potential social service needs.	Social work team will work with the clinical team and front office staff to implement workflow where new patients are given screening tool.	Social Work Manager will audit at least ten new patient charts monthly to see if the screening tool is completed. The social work manager will report any lapses in screening to the front office manager for appropriate workflow adjustment, follow-up, and re-training as needed.	April 2022
Train social work staff to utilize the SDOH screening tool available in EMR (using.SDOH quick text) while seeing patients for non-urgent visits the first time.	Front office manager and patient experience manager will work together to create the most effective workflow for patient engagement and return rates.	Social Work Manager will audit social work visits to ensure this is completed. Appropriate follow-up as needed.	May 2022

Attachment #2 – Increase Referrals to Home Visiting Programs for Qualifying Children

Enabling Services Work Plan Agency Name: Greater Seacoast Community Health Name and Role of Person(s) Completing Work Plan: Jess Garlough, Director of Family and Social Services			
Enabling Services Focus Area: Increase the referrals for qualifying children to home visiting programs.			
Project Goal: To increase families' connections in need of supportive services and early supports.			
Project Objective: Increase the home visiting referrals for adolescents 21 and under made by GSCH. Agency will collect data from March 2022 through July 2022 to collect baseline data. Goal targets will be set in July 2022 going forward.			
Activities: (list as many activities as are planned to reach the Objective)	Staff/Resources Involved (list for each Activity)	Evaluation Plans (list as needed for each Activity)	Timeline for Activity (estimated timeline for the duration of each Activity)
Reach out to Strafford County Community Action Program (CAP) to confirm the most up-to-date referral process for client referrals.	Director of family and social services will outreach to the CAP family and child services director to coordinate.	Updated forms will be shared with social work, prenatal, and primary care teams. Education at staff meetings, primary care team meetings, and staff updates will be done to remind staff of the importance of referrals.	Outreach to CAP for updated materials – March 2022 Outreach to staff and continued education on referral process – April 2022
Update workflow for internal referrals to go through the social work department.	Director of family and social services will work with the social work manager to coordinate new internal workflow.	New workflow will be discussed at each monthly clinical staff meeting. Team social workers will discuss with their pods as well.	April 2022
Social worker team will update brochures and materials in clinical sites that offer benefits of home visiting programs.	Director of family and social services will outreach to local agencies for brochures and materials.	Materials will be distributed to CHOW worker and the social work team for distribution and display at sites.	April 2022
Internal workflow and integration of the family resource center's home visiting program will continue.	Director of family and social services will continue to work with the family center manager and staff to increase visibility and "warm hand-offs" to clients while in the center.	Increase integration of family center staff into clinical processes and departments, thus increasing referrals and expanded services.	April 2022

Attachment #6 – Performance Measures

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the intention is that Contractors would accordingly go by the most up to date UDS guidance for these measures.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down in to two age based measures, based on current NH Legislation, RSA 130-A:5-a, which requires that children be tested for lead at age 1 as well as at age 2.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months (NH MCHS).

DS

5/17/2022

Attachment #6 – Performance Measures

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between twelve (12) months through twenty three (23) months of age.

2.2.1.2. Denominator: All children who turned twenty-four months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months (NH MCHS).

2.2.2.1. Numerator: All children who received at least one capillary or venous blood lead test between twenty-four (24) through thirty-six (36) months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool on the date of the encounter or up to 14 days prior to the date of the encounter using an age appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

Attachment #6 – Performance Measures

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose

and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

Adult Measure

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI during the measurement period **AND** if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS):

2.5.1.1. Normal parameters: BMI ≥ 18.5 and < 25.

2.5.1.2. Numerator: Patients with BMI calculated within the measurement year or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

Child/Adolescent Measure

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS):

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting

DS
JL

5/17/2022

year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year **AND** who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: Number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco at least one within the past twelve (12) months AND received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least two (2) medical visit during the measurement year, OR 1 preventative visit

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

Attachment #6 – Performance Measures

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) –Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adult Measure

2.7.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

Adolescent Measure

2.7.2. SBIRT – Percent of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: All patients aged 12-17 years during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.7.2.4. Definitions:

2.7.2.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.2.4.2. Brief Intervention: Includes guidance or counseling.

2.7.2.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

DS

5/17/2022

Attachment #6 – Performance Measures

2.7.3. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.3.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services

2.7.3.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.3.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8 Developmental Screening Measure

Percent of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months (NH MCHS)

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and who had at least (1) medical visit during the measurement year

Attachment #7 – Performance Measure Outcome Report Template

Instructions for completing this Performance Measure Outcome Report (PMOR):
The Performance Measure Outcome Report (PMOR) is to be completed by your agency and emailed to shari.campbell@dhhs.nh.gov at the intervals specified on the Reporting Calendar.

Please complete the Narrative and Plan for Improvement sections for any of the following measures where your agency did not meet your agency target for the reporting period (July 1, 20XX – June 30, 20XX).

Performance measures:

- Breastfeeding
- Lead Screening for 1 Year Olds
- Lead Screening for 2 Year Olds
- Adolescent well care visit
- Depression screening and follow up plan if positive screening, 12 years and older
- Maternal Depression Screening
- Adults with documented BMI and follow-up plan if BMI outside of normal range
- Children 3-17 with documented BMI, nutrition counseling and physical activity counseling
- Adult tobacco screening and cessation counseling intervention for smokers
- Prenatal Tobacco screening each trimester and cessation counseling intervention for smokers
- SBIRT, Adults
- SBIRT, Adolescents
- SBIRT, Pregnant Women
- Developmental Screening-M-CHAT

* Note: Not met performance measures that have been addressed by your agency SFYXX Work Plan are excluded from this report. For example, the PMOR will omit Adolescent Visit measure for Primary Care Services

1. The Narrative section is to explain what happened during the year i.e. why measure was not met, what barriers/challenges your agency faced, describe any improvement activities that took place during the year to correct along the way, etc.

2. The Plan for Improvement section is to describe what steps your agency will take to achieve your agency target in SFYXX i.e. describe your strategy (PDSA), what will you plan to do differently etc.

3. Please email your completed PMOR **Shari Campbell at shari.campbell@dhhs.nh.gov by the dates indicated in the Reporting Calendar.** If you have any questions about completing this document, please contact Jannell Levine at Jannell.E.Levine@dhhs.nh.gov or 603-856-6449.

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Maternal and Child Health Care in the Integrated Primary Care Setting contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and HealthFirst Family Care Center, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 15, 2022 (Item #32), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $862,285

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Section 1.3.2., to read:

   1.3.2. Prenatal care either on site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data related to prenatal performance measures.

5. Modify Exhibit B, Scope of Services, Section 1.7.2., to read:

   1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data relating to prenatal performance measures to the Department.

6. Modify Exhibit B, Scope of Services, Section 1.10.1. through Section 1.10.2., to read:

   1.10.1. Initiative One (1) – Screening and Referrals for SDOH; and

   1.10.2. Initiative Two (2) – Contractor's choice, which must focus on enabling services.

7. Modify Exhibit B, Scope of Services, Section 1.12.1. through Section 1.12.2., to read:

   1.12.1. QI Project One (1): Increasing Adolescent Well Visits; and

   1.12.2. QI Project Two (2): Increasing post-partum clinical depression screening of women within the first 12 weeks after delivering.

8. Modify Exhibit B, Scope of Services, Section 1.18., to read:

   1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator, or staff person essential to providing services and/or any personnel changes to these positions. The Contractor shall ensure notification:

      1.18.1. Is provided to the Department no later than thirty (30) business days from the date of hire or personnel change; and

      1.18.2. Includes a copy of the new staff individual's resume as well as an updated

staffing list.

9. Modify Exhibit B, Scope of Services, by adding Section 1.28., to read:

   1.28. The Contractor shall provide de-identifiable patient level data on the integrated and primary health care services provided, as specified in Subsection 1.3., and Section 1.26. Reporting.

10. Modify Exhibit C, Payment Terms, Section 1.1. through Section 1.2., to read:

    1.1. 14% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Assistance Listing Number (ALN) 93.994, FAIN B04MC45230, and as awarded on October 27, 2022, ALN 93.994, FAIN B04MC47432.

    1.2. 86% General funds.

11. Modify Exhibit C, Payment Terms, Section 3., to read:

    3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget Sheet through Exhibit C-4, Budget Sheet, Amendment #1.

12. Modify Exhibit C, Payment Terms, Section 4.3., to read:

    4.3. Identifies and requests payment for allowable costs incurred in the previous month. Allowable costs are costs incurred that specifically supports only New Hampshire Infants, Children and Adolescents from birth to 21 years of age, Pregnant Women, and Women of Childbearing age.

13. Modify Add Exhibit C, Payment Terms, by adding Section 4.7., to read:

    4.7. Includes budget line items that are used exclusively for serving the Maternal and Child Health population and invoicing must clearly state how the incurred expenses benefited this specific patient population.

14. Modify Attachment 3, Reporting Calendar, by replacing it in its entirety with Attachment 3, Amendment #1, Reporting Requirements Calendar, which is attached hereto and incorporated by reference herein.

15. Modify Attachment 6, Performance Measures, by replacing it in its entirety with Attachment 6, Amendment #1 – SFY 2025 Performance Measures, which is attached hereto and incorporated by reference herein.

16. Modify Attachment 7, Performance Measure Outcome Report (PMOR), by replacing it in its entirety with Attachment 7, Amendment #1, Performance Measure Outcome Report (PMOR), which is attached hereto and incorporated by reference herein.

17. Add Attachment 8, Amendment #1, DTT – MCH in the Integrated Primary Care Setting Template, which is attached hereto and incorporated by reference herein.

18. Add Exhibit C-4, Budget Sheet, Amendment #1, which is attached hereto and incorporated by reference herein.

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2024, upon Governor and Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

1. Definitions

1.1. **Measurement Year** – Consists of 365 days and is defined as either:

1.1.1. A Calendar Year (January 1st through December 31st), or

1.1.2. A State Fiscal Year (July 1st through June 30th).

1.2. **Medical Visit** –Defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. The UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the expectation is that the Contractor will adhere to the most up to date UDS guidance.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who were ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for approximately six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down into two (2) age-based measures, based on current NH Legislation RSA 130-A:5-a, which requires children be tested for lead at one (1) year of age, and at two (2) years of age.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between 12 and 23 months of age (NH MCHS).

DS TB

4/25/2024

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between 12 and 23 months of age.

2.2.1.2. Denominator: All children who turned 24 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between 24 and 36 months of age (NH MCHS).

2.2.2.1. Numerator: All children who received at least one (1) capillary or venous blood lead test between 24 and 36 months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool on the date of the encounter or within 14 days prior to the date of the encounter **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients 12 through 21 years of age who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 through 21 years of age by the end of the measurement year who had at least one (1) medical visit during the measurement year.

DS
TB

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit in the first 12 weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

DS
TB.

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.5. **Preventive Health: Obesity Screening**

Child/Adolescent Measure

2.5.1. Percent of patients three (3) through 17 years of age who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.1.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.1.2. Denominator: Number of patients who were one (1) year after their second (2nd) birthday (i.e., three (3) years of age) through adolescents who were up to one (1) year past their 16th birthday (i.e., 17 years of age) at some point during the measurement year, who had at least one (1) medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.1.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers **PLUS** queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) – Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adolescent Measure

2.7.1. SBIRT – Percent of patients 12 through 17 years of age who were screened for substance use using a formal valid screening tool during

any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use using a formal valid screening tool during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients 12 through 17 years of age during the measurement year with at least one (1) medical visit during the measurement year and with at least two (2) medical visits ever.

2.7.1.4. Definitions:

2.7.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.1.4.2. Brief Intervention: Includes guidance or counseling.

2.7.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.7.2. Percent of pregnant women who were screened using a formal valid screening tool for substance use during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of women in the denominator who were screened for substance use using a formal and valid screening tool during each trimester they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8. **Developmental Screening Measure**

Percent of children who reached 30 months of age by the end of the reporting period, and were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age (NH MCHS).

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age.

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and had at least one (1) medical visit during the measurement year.

State of New Hampshire

Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that HEALTHFIRST FAMILY CARE CENTER, INC. is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on April 23, 1996. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: **248976**

Certificate Number: **0006660366**

IN TESTIMONY WHEREOF,
I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 5th day of April A.D. 2024.

David M. Scanlan
Secretary of State

CERTIFICATE OF AUTHORITY

I, **Michael Stanley**, hereby certify that:
(Name of the elected Officer of the Corporation/LLC)

1. I am a duly elected **Chairman of the Board of Directors for the Nonprofit Corporation HealthFirst Family Care Center, Inc.**

2. The following is a true copy of a vote taken at a meeting of the Board of Directors/shareholders, duly called and held on Monday, April 15, 2024, at which a quorum of the Directors/shareholders were present and voting.

VOTED: That **the CFO, Ted Bolognani** is duly authorized on behalf of this Corporation to enter into contracts or agreements with the State of New Hampshire and any of its agencies or departments and further is authorized to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, which may in his/her judgment be desirable or necessary to effect the purpose of this vote.

3. I hereby certify that said vote has not been amended or repealed and remains in full force and effect as of the date of the contract/contract amendment to which this certificate is attached. This authority was **valid thirty (30) days prior to and remains valid for thirty (30)** days from the date of this Certificate of Authority. I further certify that it is understood that the State of New Hampshire will rely on this certificate as evidence that the person(s) listed above currently occupy the position(s) indicated and that they have full authority to bind the corporation. To the extent that there are any limits on the authority of any listed individual to bind the corporation in contracts with the State of New Hampshire, all such limitations are expressly stated herein.

Dated: 4/15/24

INDEPENDENT AUDITOR'S REPORT

Board of Directors
HealthFirst Family Care Center, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of HealthFirst Family Care Center, Inc. (the Organization), which comprise the balance sheets as of September 30, 2023 and 2022, and the related statements of operations and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of September 30, 2023 and 2022, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, on October 1, 2022, the Organization adopted the provisions of Financial Accounting Standards Board Accounting Standards Codification Topic 842, *Leases*. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 20, 2024 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Organization

HealthFirst Family Care Center, Inc. (the Organization) is a not-for-profit corporation organized in the State of New Hampshire. The Organization is a Federally Qualified Health Center (FQHC), providing high-quality primary healthcare, treatment, prevention, and education services required by the residents in the Twin Rivers Region of New Hampshire, commensurate with available resources, and coordinating and cooperating with other community and regional healthcare providers to ensure the people of the region the fullest possible range of health services.

1. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which require the Organization to report information in the financial statements according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of business checking and savings accounts, certificates of deposit with an original maturity of three months or less and petty cash funds. Certificates of deposit are set to autorenew for the same term upon maturity. Those with original maturity dates greater than three months but less than twelve months are reported as short-term and those with original maturity dates greater than twelve months are reported as long-term.

The Organization maintains cash and certificates of deposit balances at several financial institutions. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000 per financial institution. At various times throughout the year, the Organization's balances may exceed FDIC insurance. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant risk.

Revenue Recognition and Patient Accounts Receivable

Net patient service revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing patient care. These amounts are due from patients and third-party payers (including commercial insurers and governmental programs). Generally, the Organization bills the patients and third-party payers several days after the services are performed. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Organization. The Organization measures the performance obligations as follows:

- Medical, behavioral health and ancillary services are measured from the commencement of an in-person or virtual encounter with a patient to the completion of the encounter. Ancillary services provided the same day are considered to be part of the performance obligation and are not deemed to be separate performance obligations.
- Contract pharmacy services are measured when the prescription is dispensed to the patient as reported by the pharmacy administrator.

The majority of the Organization's performance obligations are satisfied at a point in time.

The Organization has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the payer. In assessing collectability, the Organization has elected the portfolio approach. The portfolio approach is being used as the Organization has a large volume of similar contracts with similar classes of customers (patients). The Organization reasonably expects that the effect of applying a portfolio approach to a group of contracts would not differ materially from considering each contract separately. Management's judgment to group the contracts by portfolio is based on the payment behavior expected in each portfolio category. As a result, aggregating all the contracts (which are at the patient level) by the particular payer or group of payers will result in the recognition of the same amount of revenue as applying the analysis at the individual patient level. Significant payer concentrations are presented in Note 8.

A summary of payment arrangements follows:

Medicare

The Organization is primarily reimbursed for services provided to patients based on the lesser of actual charges or prospectively set rates for all FQHC services provided to a Medicare beneficiary on the same day. Certain other services provided to patients are reimbursed based on predetermined payment rates for each Current Procedural Terminology (CPT) code, which may be less than the Organization's public fee schedule.

Medicaid

The Organization is primarily reimbursed for medical, behavioral health and ancillary services provided to patients based on prospectively set rates for all FQHC services furnished to a Medicaid beneficiary on the same day. Certain other services provided to patients are reimbursed based on predetermined payment rates for each CPT code, which may be less than the Organization's public fee schedule. The rate was legislatively increased from $238.53 to $287.09 effective October 1, 2023.

Other Payers

The Organization has also entered into payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations. Under these arrangements, the Organization is reimbursed for services based on contractually obligated payment rates for each CPT code, which may be less than the Organization's public fee schedule.

Patients

The Organization provides care to patients who meet certain criteria under its sliding fee discount program. The Organization estimates the costs associated with providing this care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for the sliding fee discount program. The estimated cost of providing services to patients under the Organization sliding fee discount policy amounted to $157,283 and $125,159 for the years ended September 30, 2023 and 2022, respectively. The Organization is able to provide these services with a component of funds received through federal grants.

For uninsured patients who do not qualify under the Organization's sliding fee discount program, the Organization bills the patient based on the Organization's standard rates for services provided. Patient balances are typically due within 30 days of billing; however, the Organization does, in certain instances, enter into payment agreements with patients that allow payments in excess of one year. For those cases, the financing component is not deemed to be significant to the contract.

340B Contract Pharmacy Program Revenue

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. This program requires drug manufacturers to provide outpatient drugs to FQHCs and other covered entities at a reduced price. The Organization contracts with local pharmacies under this program. The contract pharmacies dispense drugs to eligible patients of the Organization and bill commercial insurances on behalf of the Organization. Reimbursement received by the contract pharmacies is remitted to the Organization, less dispensing and administrative fees. The dispensing and administrative fees are costs of the program and not deemed to be implicit price concessions which would reduce the transaction price. The Organization recognizes revenue in the amounts that reflect the consideration to which it expects to be entitled in exchange for the prescription after the amount has been determined by the pharmacy benefits manager.

Laws and regulations governing the Medicare, Medicaid and 340B programs are complex and subject to interpretation. Management believes that the Organization is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare, Medicaid, and 340B programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

Patient Accounts Receivable

Patient accounts receivable and due from third-party payers are stated at the amount management expects to collect from outstanding balances.

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

The Organization receives a significant amount of grants from the Department of Health and Human Services (HHS). As with all government funding, these grants are subject to reduction or termination in future years. For the years ended September 30, 2023 and 2022, grants from HHS (including both direct awards and awards passed through other organizations) represented approximately 88% and 69%, respectively, of grants, contracts and contributions revenue.

A portion of the Organization's revenue is derived from cost-reimbursable grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has met the performance requirements or incurred expenditures in compliance with specific contract or grant provisions, as applicable. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue.

The Organization has been awarded cost reimbursable grants that have not been recognized at September 30, 2023 because qualifying expenditures have not yet been incurred as follows:

	Amount	Available Through
Health Center Program	$ 1,009,462	February 29, 2024
FY 2023 Bridge Access Program	13,707	December 31, 2024
FY 2023 Expanding COVID-19 Vaccination	1,897	December 31, 2024
Rural Communities Opioid Response-Implementation	773,776	August 31, 2025

Assets Limited as to Use

Assets limited as to use include cash and cash equivalents set aside under loan agreements for repairs and maintenance on the real property collateralizing the loan, and assets designated by the Board of Directors for specific projects or purposes as discussed further in Note 3.

Right-of-Use Assets and Lease Liabilities

Effective October 1, 2022, the Organization adopted Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 842, *Leases* (Topic 842). The Organization determines if an arrangement is a lease or contains a lease at inception of a contract. A contract is determined to be or contain a lease if the contract conveys the right to control the use of identified property, plant or equipment (an identified asset) in exchange for consideration. The Organization determines these assets are leased because the Organization has the right to obtain substantially all of the economic benefit from and the right to direct the use of the identified asset.

Assets in which the supplier or lessor has the practical ability and right to substitute alternative assets for the identified asset and would benefit economically from the exercise of its right to substitute the asset are not considered to be or contain a lease because the Organization determines it does not have the right to control and direct the use of the identified asset. The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating its contracts, the Organization separately identifies lease and non-lease components, such as maintenance costs, in calculating the right-of-use (ROU) asset and lease liability for its facility lease.

Leases result in the recognition of ROU assets and lease liabilities on the balance sheet. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. The Organization determines lease classification as operating or finance at the lease commencement date. The Organization did not have any finance leases as of September 30, 2023.

At lease inception, the lease liability is measured at the present value of the lease payments over the lease term. The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent and lease incentives. Topic 842 requires the use of the implicit rate in the lease when readily determinable. As the leases do not provide an implicit rate, the Organization elected the practical expedient to use the risk-free rate when the rate of the lease is not implicit in the lease agreement.

The lease term may include options to extend or to terminate the lease that the Organization is reasonably certain to exercise. The Organization has elected not to record leases with an initial term of 12 months or less on the balance sheet. Lease expense on such leases is recognized on a straight-line basis over the lease term.

Lease expense on operating leases is recognized over the expected lease term on a straight-line basis, while expense on finance leases is recognized using the effective interest rate method which amortizes the ROU asset to expense over the lease term and interest costs are expensed on the lease obligation throughout the lease term.

Upon adoption of Topic 842, the Organization elected the package of practical expedients permitted under the transition guidance within the new standard which includes the following: relief from determination of lease contracts included in existing or expiring leases at the point of adoption, relief from having to reevaluate the classification of leases in effect at the point of adoption and relief from reevaluation of existing leases that have initial direct costs associated with the execution of the lease contract.

The adoption of Topic 842 resulted in the recognition of the following assets and liabilities on October 1, 2022:

Operating lease right-of-use asset	$ 41,217
Current portion of operating lease liability	$ 11,525
Operating lease liability, less current portion	29,692
Operating lease liability	$ 41,217

Results for the period prior to October 1, 2022 continue to be reported in accordance with the Organization's historical accounting treatment for leases.

Property and Equipment

Property and equipment are carried at cost. Maintenance, repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Provision for depreciation is computed using the straight-line method over the useful lives of the related assets. The Organization's capitalization policy is applicable for acquisitions greater than $5,000.

Contributions

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received, which is then treated as cost. The gifts are reported as net assets with donor restrictions if they are received with donor stipulations that limit use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statements of operations and changes in net assets as net assets released from restriction. Contributions whose restrictions are met in the same period as the support was received are recognized as net assets without donor restrictions.

The Organization reports gifts of property and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Donated Pharmaceuticals

The Organization acts as a conduit for pharmaceutical company patient assistance programs. The Organization provides assistance to patients in applying for and distributing prescription drugs under the programs. The value of the prescription drugs distributed by the Organization to patients is not reflected in the accompanying financial statements. The Organization estimates that the value of prescription drugs distributed by the Organization for the years ended September 30, 2023 and 2022 was $545,829 and $311,204, respectively.

Functional Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function; therefore, these expenses require allocation on a reasonable basis that is consistently applied. As the Organization is a service organization, such expenses, which include employee benefits, occupancy, depreciation, interest, and other operating expenses, are allocated between healthcare services and administrative support based on the percentage of direct care wages to total wages.

(Deficiency) Excess of Revenue Over Expenses

The statements of operations and changes in net assets reflect the (deficiency) excess of revenue over expenses. Changes in net assets without donor restrictions which are excluded from this measure include contributions of long-lived assets (including assets acquired using grants and contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through February 20, 2024, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

Effective November 1, 2023, the Organization completed an operations transfer pursuant to an operations transfer agreement signed in April 2023, assuming the operations of Mascoma Community Healthcare, Inc. (MCH), a New Hampshire non-profit corporation. As part of the agreement, the Organization will lease the clinic facility in Canaan, New Hampshire under a lease agreement for 10 years with initial monthly payments of $1,080 and hire the employees of MCH on the transfer date. There were no assets or liabilities transferred as part of the agreement.

2. Availability and Liquidity of Financial Assets

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents and certificates of deposit. The Organization had average days cash and cash equivalents and certificates of deposit on hand (based on normal expenditures) of 158 and 190 at September 30, 2023 and 2022, respectively.

Financial assets available for general expenditure were as follows at September 30:

	2023	2022
Cash and cash equivalents	$ 2,856,309	$ 3,241,036
Short-term certificates of deposit	1,456,049	936,933
Patient accounts receivable, net	492,511	603,886
Grants receivable	216,383	546,838
Financial assets available	$ 5,021,252	$ 5,328,693

The Organization has certain board-designated assets limited to use which are available for general expenditure within one year in the normal course of operations upon obtaining approval from the Board of Directors. The Organization has other assets limited to use under certain loan agreements which are available for general expenditure within one year for maintenance and repairs on the Organization's buildings upon obtaining approval from the lenders. Accordingly, these assets have not been included in the qualitative information above.

3. Assets Limited as to Use

Assets limited as to use are made up of cash and cash equivalents which are to be used for the following purposes at September 30:

	2023	2022
Repairs and maintenance on the real property collateralizing loans with the United States Department of Agriculture, Rural Development (Rural Development)	$ 108,750	$ 107,090
Board-designated for		
Working capital	40,000	40,000
Capital improvements	64,163	57,236
Total board-designated	104,163	97,236
Total	$ 212,913	$ 204,326

4. Property and Equipment

Property and equipment consisted of the following at September 30:

	2023	2022
Land	$ 427,679	$ 109,217
Building and improvements	2,585,474	2,152,726
Furniture and equipment	193,283	179,772
Total cost	3,206,436	2,441,715
Less accumulated depreciation	1,019,039	949,937
	2,187,397	1,491,778
Construction in progress	579,601	161,781
Property and equipment, net	$ 2,766,998	$ 1,653,559

Construction in progress relates to the renovation of the Organization's clinic in Laconia, New Hampshire. The total estimated project cost is $838,658 and is anticipated to be completed in January 2024. The project is primarily funded by federal grants. The Organization has architect and contractor contracts in place with a remaining balance to be paid at September 30, 2023 of approximately $411,000.

The Organization also has a planned construction project for the Organization's clinic in Franklin, New Hampshire with an estimated project cost of $3,462,000 and anticipated completion in the fall of 2025. The project is planned to be primarily funded by federal grants, of which $2,236,500 has been awarded to date. The Organization currently has a contract for architect services billed on an hourly basis.

Property and equipment acquired with Federal grant funds are subject to specific federal standards for sales and other dispositions. In many cases, the Federal government retains a residual ownership interest in the assets, requiring prior approval and restrictions on disposition.

5. Operating Leases

The Organization has entered into the following lease arrangements:

Long-Term Operating Leases

The Organization has operating leases for clinic facilities with maturities ranging from December 2025 through February 2035. Certain leases contain renewal options and escalation clauses which range from 2.6% to 4%. Termination of the leases are generally prohibited unless there is a violation under the lease agreement.

Short-Term Leases

The Organization has certain leases that are for a period of 12 months of less or contain renewals for periods of 12 months or less.

Lease Cost

Lease cost, which approximates lease payments, for the year ended September 30, 2023 is as follows:

Long-term operating leases	$ 50,145
Short-term leases	6,401
Total	$ 56,546

Other Information

Weighted-average remaining lease term:	
Operating leases	10.96 years
Weighted-average discount rate:	
Operating leases	4.05%

Future Minimum Lease Payments and Reconciliation to the Balance Sheet

Future minimum payments due under the facility lease agreements for the years ending September 30, are as follows:

2024	$ 64,690
2025	67,413
2026	58,998
2027	57,643
2028	59,949
Thereafter	445,665
Total future undiscounted lease payments	754,358
Less present value discount	153,982
Total operating lease liabilities	600,376
Current portion of operating lease liabilities	41,347
Operating lease liabilities, net of current portion	$ 559,029

6. Long-Term Debt

Long-term debt consists of the following at September 30:

	2023	2022
4.125% promissory note payable to Rural Development through March 2037, paid in monthly installments of $8,186, including interest. The note is collateralized by all tangible property owned by the Organization.	$ 1,013,563	$ 1,068,728
6.5% promissory note payable to local banking institution, through July 2048, paid in monthly installments of $3,188, including interest. The note is collateralized by real estate.	467,431	
3.375% promissory note payable to Rural Development, through May 2052, paid in monthly installments of $1,384, including interest. The note is collateralized by all tangible property owned by the Organization.	303,892	310,130
Total	1,784,886	1,378,858
Less current portion	72,169	62,594
Long-term debt, less current portion	$ 1,712,717	$ 1,316,264

Future maturities of long-term debt are as follows at September 30:

2024	$ 72,169
2025	75,034
2026	78,345
2027	81,809
2028	85,257
Thereafter	1,392,272
Total	$ 1,784,886

7. Net Assets

Net assets without donor restrictions are designated for the following purposes at September 30:

	2023	2022
Undesignated	$ 4,213,847	$ 4,345,264
Board-designated (see Note 3)	104,163	97,236
Total	$ 4,318,010	$ 4,442,500

Net assets with donor restrictions are designated for the following purposes at September 30:

	2023	2022
Grants received for capital acquisition, purchased but not in service	$ 438,507	$ -

8. Net Patient Service Revenue

Net patient service revenue was as follows for the years ended September 30:

	2023	2022
Gross charges	$ 7,684,449	$ 7,478,288
Less: Contractual adjustments and implicit price concessions	(3,206,927)	(2,884,264)
Sliding fee and charity care discounts	(133,291)	(122,705)
Net medical and behavioral health patient service revenue	4,344,231	4,471,319
340B contract pharmacy revenue	1,720,322	1,514,262
Total net patient service revenue	$ 6,064,553	$ 5,985,581

Revenue from patients and third-party payers, net of allowances and adjustments, was as follows for the years ended September 30:

	2023	2022
Governmental plans		
Medicare	17 %	15 %
Medicaid	47 %	54 %
Commercial payers	35 %	30 %
Patient	1 %	1 %
Total	100 %	100 %

9. Retirement Plan

The Organization has a defined contribution plan covering eligible employees. The Organization contributed $153,050 and $160,379 for the years ended September 30, 2023 and 2022, respectively.

10. Malpractice

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of September 30, 2023, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of either FTCA or medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

11. Litigation

From time-to-time certain complaints are filed against the Organization in the ordinary course of business. Management vigorously defends the Organization's actions in those cases and utilizes insurance to cover material losses. In the opinion of management, there are no matters that will materially affect the Organization's financial statements.

The accompanying notes are an integral part of this schedule.

HEALTHFIRST FAMILY CARE CENTER, INC.

Notes to Schedule of Expenditures of Federal Awards

Year Ended September 30, 2023

1. Summary of Significant Accounting Policies

Expenditures reported on the schedule of expenditures of federal awards (the Schedule) are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement.

2. De Minimis Indirect Cost Rate

HealthFirst Family Care Center, Inc. (the Organization) has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

3. Basis of Presentation

The Schedule includes the federal grant activity of the Organization. The information in this Schedule is presented in accordance with the requirements of the Uniform Guidance. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

4. Loan Programs

The Organization has promissory notes outstanding through the U.S. Department of Agriculture (USDA). As required, the Schedule reflects the outstanding balances as of October 1, 2022 of $1,378,858. The balances outstanding at September 30, 2023 was $1,317,455.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
HealthFirst Family Care Center, Inc.

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of HealthFirst Family Care Center, Inc. (the Organization), which comprise the balance sheet as of September 30, 2023, and the related statements of operations and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 20, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Board of Directors
HealthFirst Family Care Center, Inc.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
HealthFirst Family Care Center, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited HealthFirst Family Care Center, Inc.'s (the Organization) compliance with the types of compliance requirements identified as subject to audit in the Office of Management and Budget *Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2023. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with U.S. generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as item 2023-001. Our opinion on each major federal program is not modified with respect to this matter.

Government Auditing Standards requires the auditor to perform limited procedures on the Organization's response to the noncompliance finding identified in our audit described in the accompanying schedule of findings and questioned costs. The Organization's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Board of Directors
HealthFirst Family Care Center, Inc.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs

Year Ended September 30, 2023

Section 1. Summary of Auditor's Results

Financial Statements

Type of auditor's report issued:			Unmodified	
Internal control over financial reporting:				
Material weakness(es) identified?	☐	Yes	☑	No
Significant deficiency(ies) identified that are not considered to be material weakness(es)?	☐	Yes	☑	None reported
Noncompliance material to financial statements noted?	☐	Yes	☑	No

Federal Awards

Internal control over major programs:				
Material weakness(es) identified:	☐	Yes	☑	No
Significant deficiency(ies) identified that are not considered to be material weakness(es)?	☐	Yes	☑	None reported
Type of auditor's report issued on compliance for major programs:			Unmodified	
Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)?	☑	Yes	☐	No

Identification of major programs:

Assistance Listing Number	Name of Federal Program or Cluster
	Health Center Program Cluster
10.766	Community Facilities Loans and Grants

Dollar threshold used to distinguish between Type A and Type B programs:			$750,000	
Auditee qualified as low-risk auditee?	☑	Yes	☐	No

Section 2. Financial Statement Findings

None

HEALTHFIRST FAMILY CARE CENTER, INC.

Schedule of Findings and Questioned Costs (Continued)

Year Ended September 30, 2023

Section 3. Federal Award Findings and Questioned Costs

Finding Number:	2023-001
Finding Type:	Compliance - Special Tests and Provisions
Information on the Federal Program:	Program Name: Health Center Program Cluster (AL numbers 93.224 and 93.527) Grant Award: 2 H80CS00295-21 from March 1, 2022 through February 28, 2023 and 5 H80CS00295-22 from March 1, 2023 through February 29, 2024 Agency: U.S. Department of Health and Human Services, Health Resources and Services Administration Pass-Through Entity: N/A
Criteria:	In accordance with Section 330(k)(3)(G) of the Public Health Services Act (42 U.S. Code § 254b), as an FQHC, the Organization must have a sliding fee discount program in which the Organization's fee schedule is discounted based on a patient's ability to pay.
Condition Found and Context:	The Organization has not applied sliding fee discounts to patient charges consistent with its sliding fee discount program. Through testing a statistically valid sample of transactions for the appropriate application of the Organization's sliding fee discount program to 53 individual patient balances, we noted the sliding fee discount applied was not consistent with the Organization's sliding fee discount policy for two patients. Based on income and family size, both patients qualified for a Level 2 discount category with a patient responsibility of $20 but were awarded and received a Level 1 discount with a patient responsibility of $15.
Cause and Effect:	Approval of the sliding fee discount applications involves manual processes and errors can occur. To help mitigate errors, the Organization has implemented monthly monitoring procedures which include the sampling of discounts provided to patient balances to ensure the appropriate discount level was awarded to the patient and the discount was appropriately applied to the patient's account consistent with the Organization's sliding fee discount program. The volume of discounts provided to patients annually does not allow for 100% review of all patient discounts. Due to the inherent nature of sampling all errors may not be identified and corrected. It is possible the Organization may not apply sliding fee discounts to patient charges consistent with its sliding fee discount program.

Section 3. Federal Award Findings and Questioned Costs

Finding Number:	2023-001 (Concluded)
Questioned Costs:	None
Repeat Finding:	No
Recommendation:	We recommend management management review the current process for approval of applications and update the process as deemed appropriate. We also recommend management provide additional training to the individuals involved in the approval process. We further recommend management consider increasing the number of transactions reviewed as part of the Organization's internal monitoring procedures.
Views of a Responsible Official and Corrective Action Plan:	Management agrees with the finding and will review the approval process and internal monitoring procedures for opportunities for improvement to increase compliance with the program requirements.

Program: Maternal & Child Health Services

Budget Narrative

July 1, 2024 - June 30, 2025

Budget Line Item #1: **DHHS Funded Salary & Wages**: Direct Wages: **$190,809**

Following positions are **funded with State of NH Contract monies**;

1. **Dawn Baum**, Quality LPN, is the Quality Assurance Nurse Coordinator, who is responsible for tracking, analyzing, and reporting the state and federal performance measures. She is actively involved in the implementation of PCMH, state, and federal policies, procedures, and initiatives and works closely with the providers and clinical support staff to ensure consistency and accuracy with adherence and documentation. Dawn will lead the clinical and quality team in the new quality initiatives and ensuring their implementation according to the submitted workplans within the clinical processes. Nursing time and services are not reimburseable by insurances. **This position is budgeted at 50% of time for 12 months to dedicate her work on these activites but no charges to this contract will be made for her time.**

2. **Diane Amero**, LPN is the Patient Care Coordinator within the Quality Dept who works very closely with providers, clinical support staff, and patients to ensure that the appropriate resources and care management is provided to the most vulnerable and chronically ill. She participates in the Chronic Disease Champions and Care Transitions Meetings to discuss best practices and bring recommendations back to the organization. She assists the Quality Assurance Nurse Coordinator with the implementation of PCMH, state, and federal policies, procedures, and initiatives and works closely with the providers and clinical support staff to ensure consistency and accuracy with adherence and documentation. Diane helps Dawn lead the clinical and quality team in the new quality initiatives and ensuring their implementation according to the submitted workplans within the clinical processes. Nursing time and services are not reimburseable by insurances. **This position is budgeted at 50% of time for 12 months .**

3. **Karen Dion**, CMA is the Pediatric Medical Assistant that works with our Pediatric Nurse Practitioner. She provides support and education for parents and children regarding immunizations, laboratory tests, and clinical screenings. She addresses all prior authorizations throughout the agency and works very closely with the providers, patients, and insurance companies to ensure that the appropriate documentation and requirements are fulfilled. She will be integral in the PDSA cycles with implementing the new MCH quality initiatives. MA time and services are not reimburseable by insurances. **This position is budgeted at 100% of time for 12 months.**

4. **Jiselle Bogardus**, LPN, is the Clinical Nurse Supervisor who supervises all of the MAs and nurses. She is able to fill in with any position and provides triage services for sick patients when they show up in our Franklin office unexpectedly or call in looking for health care advice. She oversees the orderly flow of patients, manages the CMA's in their day to day duties and insures all patients in the clinic for the day are seen in a timely manner. The Clinical Nurse Supervisor is involved with all new clinical and quality initiatives. She helps provide training and oversight of the PDSA cycles, along with the Quality Assurance Nurse Coordinator. She will ensure 'train the trainer' education and instruction is followed when the new clinical or quality initiatives and implemented organization-wide to ensure all clinical staff are trained the same way. Nursing time and services are not reimburseable by insurances. **This position is budgeted at 100% of time for 12 months.**

Budget Line Item #2: **DHHS Funded Employee Benefit Costs**: Direct: **$45,794**

Following benefits are paid by the employer, which amounts to a 24% charge on salary costs.

FICA/Medicare at 7.65%
Medical Insurance (health center contrib) at 11.82%
Dental Insurance (health center contrib) at 1.09%
403B Plan (health center contribution) at 3.00%
Short-Term Disability (health center contrib) at 0.25%
Group Term Life Insurance (health center contrib) at 0.19%

Direct portion of budget is 24% of share salaries ($190,809 X 24% = $45,794)

Budget Line Item #5: **DHHS Funded Supplies – Medical**: Direct: $3,976

This line item expense will cover costs for supplies and materials used in the direct care of patients who are seen in our Franklin & Laconia Health Centers. These are medical supplies and materials that are used in exam rooms by our Doctors and Register Nurse Practitioners. Cost for items like exam table covers, patient gowns, wound care ointments and bandages, disposable gloves, protective masks, and many other such items used in caring for sick patients.

Total Indirect Costs - indirect costs are applied to DHHS funding and charged each month at 10% of total monthly costs = **$24,058**

Manchester Health Department	177433-B009	Manchester	$412,006
Mid-State Health Center	158055-B001	Plymouth	$640,823
Weeks Medical Center	177171-R001	Lancaster	$617,806
White Mountain Community Health Center	174170-R001	Conway	$624,885
		Total:	**$8,158,520**

Funds are available in the following accounts for State Fiscal Years 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Department to increase access to integrated prevention and primary health care for the Maternal and Child Health (MCH) target population of women, infants, children and adolescents, and to address the maternal and youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

Approximately 194,940 individuals will be served from June 1, 2022 to June 30, 2024.

The Contractors will provide increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, and pregnant women and women of childbearing age, and must not exclude individuals who are uninsured; underinsured; and/or considered low-income. Integrated prevention and primary health care services are provided to individuals who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. The Contractors will integrate and coordinate access to medical, behavioral and social services by reducing barriers to care through an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will monitor services through the following performance measures:

- Percent of infants who were ever breastfed.
- Percent of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percent of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.

The Department selected the Contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from January 14, 2022 through February 25, 2022. The Department received 10 responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, pregnant women and women of childbearing age, and individuals who are uninsured; underinsured; considered low-income.

Source of Federal Funds: CFDA #93.994, FAIN B04MC45230

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

1.17 Approval by the Governor and Executive Council *(if applicable)* G&C Item number:		G&C Meeting Date:	

Contractor Initials: RK

Date: 5/20/2022

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Date 5/20/2022

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor Initials KL

Date 5/20/2022

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT A

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

   1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

      3.3. The parties may extend the Agreement for up four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

   1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

      12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall increase access to integrated healthcare for the Maternal and Child Health (MCH) target population of Women, Infants, Children and Adolescents from birth to 21 years of age, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

1.2. The Contractor shall provide and increase access to healthcare for New Hampshire Infants, Children and Adolescents from birth to 21 years of age, and Pregnant Women and Women of Childbearing age, and must not exclude individuals who are:

1.2.1. Uninsured.

1.2.2. Underinsured.

1.2.3. Considered low-income defined as less than 185% of the U.S. Department of Health and Human Services (US DHHS) Poverty Guidelines.

1.2.4. Lacking housing, including individuals whose primary residence during the night is a supervised public or private facility, such as a shelter, that provides temporary living accommodations.

1.2.5. Residing in transitional housing.

1.2.6. Unable to maintain their housing situation.

1.2.7. Forced to stay with a series of friends and/or extended family members, hence are considered homeless.

1.2.8. Recently released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.3. The Contractor shall provide integrated preventative and primary health care services to the populations in Subsection 1.2 above, which must include:

1.3.1. Behavioral health care;

1.3.2. Prenatal care either on site or by referral;

1.3.3. Care management; and

1.3.4. Enabling services.

1.4. The Contractor shall provide eligibility determination services that include, but are not limited to:

1.4.1. Notifying the Department in writing if/when access to primary care services for new patients is limited or closed for more than thirty (30)

DS

consecutive business days or any sixty (60) non-consecutive business days.

1.4.2. Assisting individuals with completing a Medicaid/Expanded Medicaid and/or other health insurance applications.

1.4.3. Maximizing billing to private and commercial insurances for all reimbursable services rendered.

1.4.4. Posting a public notice in a conspicuous location specifying that no individual will be denied services due to inability to pay.

1.4.5. Developing and implementing a sliding fee scale for services in accordance with the Federal Poverty Guidelines and providing the sliding fee scale to the Department upon request.

1.5. The Contractor shall ensure primary care services are provided by a New Hampshire licensed:

1.5.1. Medical Doctor (MD);

1.5.2. Doctor of Osteopathic Medicine (DO);

1.5.3. Advanced Practice Registered Nurse (APRN); and/or

1.5.4. Physician Assistant (PA) to eligible individuals in the service area.

1.6. The Contractor shall provide services in an office-based setting which may include, but is not limited to:

1.6.1. Federally Qualified Health Centers (FQHCs) and/or Rural Health Clinics.

1.6.2. School Based Health Clinics.

1.6.3. Mobile Care Delivery Services.

1.7. The Contractor shall ensure services include, but are not limited to:

1.7.1. Reproductive health services.

1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral.

1.7.3. Preventive primary care services for women, infants, children and adolescents, including screenings and health education in accordance with established, documented state or national guidelines and evidence based practices.

1.7.4. Integrated behavioral health services.

1.7.5. Assessment of need and follow-up/referral as indicated for:

1.7.5.1. Tobacco cessation, including referral to programs such as QuitWorks-NH (http://www.QuitWorksNH.org);

1.7.5.2. Social services that address Social Determinants of Health (SDOH);

1.7.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA);

1.7.5.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

1.7.5.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services; and

1.7.5.6. Referrals to any specialists as needed that are not offered on site, including home visiting services and oral health.

1.8. The Contractor shall provide and facilitate enabling services to all individuals served with special emphasis given to the MCH population of women and infants, children and adolescents from birth to 21 years of age. Enabling services must include at a minimum:

1.8.1. Case management;

1.8.2. Benefit counseling and/or eligibility assistance;

1.8.3. Health education and supportive counseling; and

1.8.4. Language interpretation, outreach, transportation and education of patients and the community regarding the availability and appropriate use of health services.

1.9. The Contractor shall ensure management services for individuals enrolled for primary care services include, but are not limited to:

1.9.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, and in a culturally and linguistically appropriate manner; and

1.9.2. Direct access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, by referral or subcontract.

1.10. The Contractor shall develop, define, facilitate and implement a minimum of two (2) enabling services initiatives and enabling services initiative work plans that focus on the Title V MCH Block Grant population of women, infants, children and adolescents, as follows:

1.10.1. Initiative One (1) – Screening and Referrals for SDOH, in accordance with Attachment #1; and

1.10.2. Initiative Two (2) – Implement Adverse Childhood Experiences (ACES) Screening in the Pediatric/Adolescent Patient Population, in

accordance with Attachment #2.

1.11. The Contractor shall monitor, update and implement each enabling services initiative work plan in accordance with Attachment #3 – Reporting Requirements Calendar.

1.12. The Contractor shall develop, define, facilitate and implement a minimum of two (2) quality improvement (QI) projects, which must consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of all individuals served, including:

1.12.1. QI Project One (1): Adolescent Well-Care Visits, in accordance with Attachment #4; and

1.12.2. QI Project Two (2): Measuring Developmental Screening, in accordance with Attachment #5.

1.13. The Contractor shall monitor, update and implement the work plans for each QI project in accordance with Attachment #3 – Reporting Requirements Calendar.

1.14. The Contractor shall attend in-person and/or virtual meetings and trainings facilitated by the Department, which include, but are not limited to:

1.14.1. MCH Agency Directors' Meetings scheduled by the Department on an as-needed basis.

1.14.2. MCH Primary Care Coordinators' Meetings up to two (2) times per year, which may require attendance by selected Vendor(s) quality improvement and clinical staff.

1.15. The Contractor shall ensure all services in this Exhibit B, Scope of Services, are provided by qualified health and allied health professionals.

1.16. The Contractor shall provide supporting documentation to the Department that verifies staff hours funded under the Agreement that may include, but is not limited to, timecards.

1.17. The Contractor shall ensure all health and allied health professionals possess and maintain the appropriate and current New Hampshire licenses whether directly employed, contracted or subcontracted.

1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator or staff person essential to providing services. The Contractor shall ensure notification:

1.18.1. Is provided to the Department no later than thirty business (30) days from the date of hire; and

1.18.2. Includes a copy of the newly hired individual's resume.

1.19. The Contractor shall notify the Department in writing when:

1.19.1. Any critical position is vacant for more than thirty (30) business days;

1.19.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive business days or any sixty (60) non-consecutive business days.

1.20. The Contractor shall ensure that all employees and subcontractors providing direct services to clients under this Agreement have undergone a criminal background check and have no convictions for crimes that represent evidence of behavior that could endanger clients served under this Agreement.

1.21. The Contractor shall permit an individual, or team or individuals, authorized by the Department to schedule and conduct periodic virtual and/or on-site reviews of documentation related to contracted services, including:

1.21.1. Administration;

1.21.2. Data collection and submission;

1.21.3. Clinical and financial management; and

1.21.4. Delivery of education services.

1.22. The Contractor shall ensure the information needed by the Department to conduct virtual and/or on-site reviews is available, which may include, but is not limited to:

1.22.1. Client records.

1.22.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

1.23. The Contractor shall adhere to any corrective action plans issued by the Department should virtual and/or on-site reviews yield results that services provided are not in compliance with the Agreement. Any corrective action plans shall not prevent the Department from taking action under paragraph 8, Event of Default/Remedies and paragraph 9, Termination, of the General Provisions, Form P-37, of the Agreement.

1.24. The Contractor shall actively and regularly collaborate with the Department to enhance contract management and improve results.

1.25. The Contractor may be required to collect and share other key data and metrics with the Department, including client-level demographic, performance, and service data, in a format specified by the Department.

1.26. Reporting

1.26.1. The Contractor shall collect and submit the data and reports as specified in Attachment #3 – Reporting Requirements Calendar to the Department. Data must be de-identified and aggregated to prevent constructive identification of any individual, and must include but is not limited to:

1.26.1.1. Uniform Data System (UDS) outcomes.

1.26.1.2. Performance Measure outcomes.

1.26.1.3. Work plan for each Enabling Service Initiative.

1.26.1.4. Work Plan for each QI Project.

1.27. Performance Measures

1.27.1. The Contractor shall report data on the Performance Measures in Appendix F at regular intervals as specified in Appendix G – Reporting Requirements Calendar, utilizing Appendix K – DTT-PC2022 Template.

1.27.2. The Contractor shall meet or exceed their proposed goals and objectives for the required Performance Measures in Attachment #6. Should the Contractor not meet or exceed their goals, the Contractor shall submit a Performance Measure Improvement Plan for each unmet Performance Measure, utilizing Attachment #7 – Performance Measure Outcome Report Template, at reporting intervals as specified in Appendix G – Reporting Requirements Calendar.

1.27.3. The Department may identify other performance measures in the resulting Agreement.

2. Exhibits Incorporated

2.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

2.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

2.3. The Contractor shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

3. Additional Terms

3.1. Impacts Resulting from Court Orders or Legislative Changes

3.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

3.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

3.2.1. The Contractor shall submit, within ten (10) days of the Agreement Effective Date, a detailed description of the communication access and language assistance services to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

3.3. Credits and Copyright Ownership

3.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement shall include the following statement, "The preparation of this (report, document etc.) was financed under an Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

3.3.2. All materials produced or purchased under the Agreement shall have prior approval from the Department before printing, production, distribution or use.

3.3.3. The Department shall retain copyright ownership for any and all original materials produced, including, but not limited to:

3.3.3.1. Brochures.

3.3.3.2. Resource directories.

3.3.3.3. Protocols or guidelines.

3.3.3.4. Posters.

3.3.3.5. Reports.

3.3.4. The Contractor shall not reproduce any materials produced under the Agreement without prior written approval from the Department.

3.4. Operation of Facilities: Compliance with Laws and Regulations

3.4.1. In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental

license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

4. Records

4.1. The Contractor shall keep records that include, but are not limited to:

4.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

4.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

4.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

4.1.4. Medical records on each patient/recipient of services.

4.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts. Upon the purchase by the Department of the maximum number of units provided for in the Agreement and upon payment of the price limitation hereunder, the Agreement and all the obligations of the parties hereunder (except such obligations as, by the terms of the Agreement are to be performed after the end of the term of this Agreement and/or survive the termination of the Agreement) shall terminate, provided

however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT C

Payment Terms

1. This Agreement is funded by:
   1.1. 10% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration, CFDA #93.994, FAIN B04MC45230.
   1.2. 90% General funds.
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget through Exhibit C-3, Budget.
4. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:
   4.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.
   4.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.
   4.3. Identifies and requests payment for allowable costs incurred in the previous month.
   4.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.
   4.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.
   4.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to DPHSContractBilling@dhhs.nh.govor mailed to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

5. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

6. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract completion date specified in Form P-37, General Provisions Block 1.7 Completion Date.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

8.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

8.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

8.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

Vendor Initials RK
Date 5/20/2022

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters; and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials KE
Date 5/20/2022

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

DS

Contractor Initials RK

Date 5/20/2022

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Contractor Initials RL

Date 5/20/2022

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement..

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Exhibit K

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

Contractor Initials DS RK

Date 5/20/2022

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

Attachment #6 – Performance Measures

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the intention is that Contractors would accordingly go by the most up to date UDS guidance for these measures.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down in to two age based measures, based on current NH Legislation, RSA 130-A:5-a, which requires that children be tested for lead at age 1 as well as at age 2.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months (NH MCHS).

DS
RK

5/20/2022

Attachment #6 – Performance Measures

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between twelve (12) months through twenty three (23) months of age.

2.2.1.2. Denominator: All children who turned twenty-four months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months (NH MCHS).

2.2.2.1. Numerator: All children who received at least one capillary or venous blood lead test between twenty-four (24) through thirty-six (36) months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool on the date of the encounter or up to 14 days prior to the date of the encounter using an age appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

Attachment #6 – Performance Measures

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose

and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

Adult Measure

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI during the measurement period **AND** if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: BMI ≥ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the measurement year or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

Child/Adolescent Measure

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting

Attachment #6 – Performance Measures

year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year **AND** who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: Number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco at least one within the past twelve (12) months AND received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least two (2) medical visit during the measurement year, OR 1 preventative visit

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

Attachment #6 – Performance Measures

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) –Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adult Measure

2.7.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

Adolescent Measure

2.7.2. SBIRT – Percent of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: All patients aged 12-17 years during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.7.2.4. Definitions:

2.7.2.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.2.4.2. Brief Intervention: Includes guidance or counseling.

2.7.2.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

Attachment #6 – Performance Measures

2.7.3. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.3.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services

2.7.3.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.3.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8 Developmental Screening Measure

Percent of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months (NH MCHS)

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and who had at least (1) medical visit during the measurement year.

Attachment #7 – Performance Measure Outcome Report Template

Instructions for completing this Performance Measure Outcome Report (PMOR):
The Performance Measure Outcome Report (PMOR) is to be completed by your agency and emailed to shari.campbell@dhhs.nh.gov at the intervals specified on the Reporting Calendar.

Please complete the Narrative and Plan for Improvement sections for any of the following measures where your agency did not meet your agency target for the reporting period (July 1, 20XX – June 30, 20XX).

Performance measures:

- Breastfeeding
- Lead Screening for 1 Year Olds
- Lead Screening for 2 Year Olds
- Adolescent well care visit
- Depression screening and follow up plan if positive screening, 12 years and older
- Maternal Depression Screening
- Adults with documented BMI and follow-up plan if BMI outside of normal range
- Children 3-17 with documented BMI, nutrition counseling and physical activity counseling
- Adult tobacco screening and cessation counseling intervention for smokers
- Prenatal Tobacco screening each trimester and cessation counseling intervention for smokers
- SBIRT, Adults
- SBIRT, Adolescents
- SBIRT, Pregnant Women
- Developmental Screening-M-CHAT

* Note: Not met performance measures that have been addressed by your agency SFYXX Work Plan are excluded from this report. For example, the PMOR will omit Adolescent Visit measure for Primary Care Services

1. The Narrative section is to explain what happened during the year i.e. why measure was not met, what barriers/challenges your agency faced, describe any improvement activities that took place during the year to correct along the way, etc.

2. The Plan for Improvement section is to describe what steps your agency will take to achieve your agency target in SFYXX i.e. describe your strategy (PDSA), what will you plan to do differently etc.

3. Please email your completed PMOR **Shari Campbell at shari.campbell@dhhs.nh.gov by the dates indicated in the Reporting Calendar.** If you have any questions about completing this document, please contact Jannell Levine at Jannell.E.Levine@dhhs.nh.gov or 603-856-6449.

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Maternal and Child Health Care in the Integrated Primary Care Setting contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Lamprey Health Care, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 15, 2022 (Item #32), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $1,604,863

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Section 1.3.2., to read:

   1.3.2. Prenatal care either on site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data related to prenatal performance measures.

5. Modify Exhibit B, Scope of Services, Section 1.7.2., to read:

   1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data relating to prenatal performance measures to the Department.

6. Modify Exhibit B, Scope of Services, Section 1.10.1. through Section 1.10.2., to read:

   1.10.1. Initiative One (1) – Screening and Referrals for SDOH; and

   1.10.2. Initiative Two (2) – Contractor's choice, which must focus on enabling services.

7. Modify Exhibit B, Scope of Services, Section 1.12.1. through Section 1.12.2., to read:

   1.12.1. QI Project One (1): Increasing Adolescent Well Visits; and

   1.12.2. QI Project Two (2): Increasing post-partum clinical depression screening of women within the first 12 weeks after delivering.

8. Modify Exhibit B, Scope of Services, Section 1.18., to read:

   1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator, or staff person essential to providing services and/or any personnel changes to these positions. The Contractor shall ensure notification:

      1.18.1. Is provided to the Department no later than thirty (30) business days from the date of hire or personnel change; and

      1.18.2. Includes a copy of the new staff individual's resume as well as an updated

staffing list.

9. Modify Exhibit B, Scope of Services, by adding Section 1.28., to read:

   1.28. The Contractor shall provide de-identifiable patient level data on the integrated and primary health care services provided, as specified in Subsection 1.3., and Section 1.26. Reporting.

10. Modify Exhibit C, Payment Terms, Section 1.1. through Section 1.2., to read:

    1.1. 14% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Assistance Listing Number (ALN) 93.994, FAIN B04MC45230, and as awarded on October 27, 2022, ALN 93.994, FAIN B04MC47432.

    1.2. 86% General funds.

11. Modify Exhibit C, Payment Terms, Section 3., to read:

    3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget Sheet through Exhibit C-4, Budget Sheet, Amendment #1.

12. Modify Exhibit C, Payment Terms, Section 4.3., to read:

    4.3. Identifies and requests payment for allowable costs incurred in the previous month. Allowable costs are costs incurred that specifically supports only New Hampshire Infants, Children and Adolescents from birth to 21 years of age, Pregnant Women, and Women of Childbearing age.

13. Modify Add Exhibit C, Payment Terms, by adding Section 4.7., to read:

    4.7. Includes budget line items that are used exclusively for serving the Maternal and Child Health population and invoicing must clearly state how the incurred expenses benefited this specific patient population.

14. Modify Attachment 3, Reporting Calendar, by replacing it in its entirety with Attachment 3, Amendment #1, Reporting Requirements Calendar, which is attached hereto and incorporated by reference herein.

15. Modify Attachment 6, Performance Measures, by replacing it in its entirety with Attachment 6, Amendment #1 – SFY 2025 Performance Measures, which is attached hereto and incorporated by reference herein.

16. Modify Attachment 7, Performance Measure Outcome Report (PMOR), by replacing it in its entirety with Attachment 7, Amendment #1, Performance Measure Outcome Report (PMOR), which is attached hereto and incorporated by reference herein.

17. Add Attachment 8, Amendment #1, DTT – MCH in the Integrated Primary Care Setting Template, which is attached hereto and incorporated by reference herein.

18. Add Exhibit C-4, Budget Sheet, Amendment #1, which Is attached hereto and incorporated by reference herein.

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2024, upon Governor and Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

4/29/2024

New Hampshire Department of Health and Human Services
Maternal Child Health in the Integrated Primary Care Setting

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

1. Definitions

1.1. **Measurement Year** – Consists of 365 days and is defined as either:

1.1.1. A Calendar Year (January 1st through December 31st), or

1.1.2. A State Fiscal Year (July 1st through June 30th).

1.2. **Medical Visit** –Defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. The UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the expectation is that the Contractor will adhere to the most up to date UDS guidance.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. **Breastfeeding**

2.1.1. Percent of infants who were ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for approximately six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Testing**

This measure will be broken down into two (2) age-based measures, based on current NH Legislation RSA 130-A:5-a, which requires children be tested for lead at one (1) year of age, and at two (2) years of age.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between 12 and 23 months of age (NH MCHS).

DS
GAW
4/29/2024

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between 12 and 23 months of age.

2.2.1.2. Denominator: All children who turned 24 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between 24 and 36 months of age (NH MCHS).

2.2.2.1. Numerator: All children who received at least one (1) capillary or venous blood lead test between 24 and 36 months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool on the date of the encounter or within 14 days prior to the date of the encounter **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients 12 through 21 years of age who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 through 21 years of age by the end of the measurement year who had at least one (1) medical visit during the measurement year.

DS
GAW
4/29/2024

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit in the first 12 weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

DS GAW

4/29/2024

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.5. **Preventive Health: Obesity Screening**

Child/Adolescent Measure

2.5.1. Percent of patients three (3) through 17 years of age who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.1.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.1.2. Denominator: Number of patients who were one (1) year after their second (2nd) birthday (i.e., three (3) years of age) through adolescents who were up to one (1) year past their 16th birthday (i.e., 17 years of age) at some point during the measurement year, who had at least one (1) medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.1.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers **PLUS** queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) – Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adolescent Measure

2.7.1. SBIRT – Percent of patients 12 through 17 years of age who were screened for substance use using a formal valid screening tool during

any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use using a formal valid screening tool during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients 12 through 17 years of age during the measurement year with at least one (1) medical visit during the measurement year and with at least two (2) medical visits ever.

2.7.1.4. Definitions:

2.7.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.1.4.2. Brief Intervention: Includes guidance or counseling.

2.7.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.7.2. Percent of pregnant women who were screened using a formal valid screening tool for substance use during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of women in the denominator who were screened for substance use using a formal and valid screening tool during each trimester they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8. **Developmental Screening Measure**

Percent of children who reached 30 months of age by the end of the reporting period, and were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age (NH MCHS).

DS
GAW

4/29/2024

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age.

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and had at least one (1) medical visit during the measurement year.

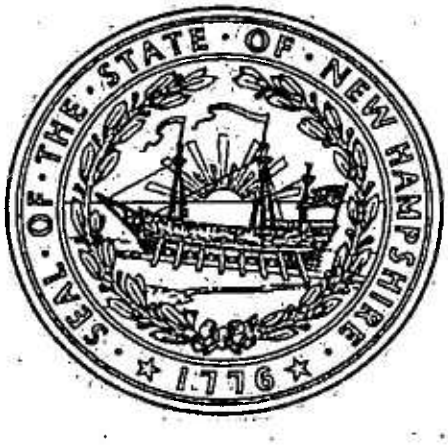
Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that LAMPREY HEALTH CARE, INC. is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on August 16, 1971. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: **66382**

Certificate Number: **0006662758**



IN TESTIMONY WHEREOF,

I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this 9th day of April A.D. 2024.

David M. Scanlan

Secretary of State

CERTIFICATE OF AUTHORITY

I, Andrea Laskey, hereby certify that:

1. I am a duly elected Vice President/Officer of Lamprey Health Care, Inc.
2. The following is a true copy of a vote taken at a meeting of the Board of Directors/shareholders, duly called and held on September 27, 2023, at which a quorum of the Directors/shareholders were present and voting.

VOTED: That Susan Durkin, co-CEO, Clinical, or Gregory White, co-CEO, Administration, is duly authorized on behalf of Lamprey Health Care, Inc. to enter into contracts or agreements with the State of New Hampshire and any of its agencies or departments and further is authorized to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, which may in his/her judgment be desirable or necessary to effect the purpose of this vote.

3. I hereby certify that said vote has not been amended or repealed and remains in full force and effect as of the date of the contract/contract amendment to which this certificate is attached. This authority was **valid thirty (30) days prior to and remains valid for thirty (30)** days from the date of this Certificate of Authority. I further certify that it is understood that the State of New Hampshire will rely on this certificate as evidence that the person(s) listed above currently occupy the position(s) indicated and that they have full authority to bind the corporation. To the extent that there are any limits on the authority of any listed individual to bind the corporation in contracts with the State of New Hampshire, all such limitations are expressly stated herein.

Dated: 4/24/2024

LAMPREY HEALTH CARE

Where Excellence and Caring go Hand in Hand

Our Mission

The mission of Lamprey Health Care is to provide high quality primary medical care and health related services, with an emphasis on prevention and lifestyle management, to all individuals regardless of ability to pay.

- We seek to be **a leader in providing access** to medical and health services that improve the health status of the individuals and families in the communities we serve.
- Our mission is to **remove barriers that prevent access to care**; we strive to eliminate such barriers as language, cultural stereotyping, finances and/or lack of transportation.
- Lamprey Health Care's **commitment to the community** extends to providing and/or coordinating access to a full range of comprehensive services.
- Lamprey Health Care is committed to achieving the highest level of patient satisfaction through a personal and caring approach and **exceeding standards of excellence in quality and service**.

Our Vision

- We will be the **outstanding primary care choice** for our patients, our communities and our service area, and the standard by which others are judged.
- We will continue as **pacesetter** in the use of new knowledge for lifestyle improvement, quality of life.
- We will be a **center of excellence** in service, quality and teaching.
- We will be **part of an integrated system** of care to ensure access to medical care for all individuals and families in our communities.
- We will be an **innovator** to foster development of the best primary care practices, adoption of the tools of technology and teaching.
- We will **establish partnerships**, linkages, networks and referrals with other organizations to provide access to a full range of services to meet our communities' needs.

Our Values

- We exist to **serve the needs of our patients**.
- We value a positive **caring approach** in delivering patient services.
- We are committed to **improving the health** and total well-being of our communities.
- We are committed to **being proactive** in identifying and meeting our communities' health care needs.
- We provide a supportive environment for **the professional and personal growth, and healthy lifestyles of our employees**.
- We provide an **atmosphere of learning** and growth for both patients and employees as well as for those seeking training in primary care.
- We succeed by utilizing a **team approach** that values a positive, constructive commitment to Lamprey Health Care's mission.

CONSOLIDATED FINANCIAL STATEMENTS

and

REPORTS IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS* AND THE UNIFORM GUIDANCE

September 30, 2023 and 2022

With Independent Auditor's Report

BerryDunn

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc.

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc. (collectively, the Organization), which comprise the consolidated balance sheets as of September 30, 2023 and 2022, and the related consolidated statements of operations, changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Organization as of September 30, 2023 and 2022, and the results of their operations, changes in their net assets and their cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards,* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating balance sheets as of September 30, 2023 and 2022, and the related consolidating statements of operations and changes in net assets for the years then ended, are presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, results of operations and changes in net assets of the individual entities, and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the consolidating information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 16, 2024 on our consideration of the Organization's internal control over financial reporting and on our tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Cash and cash equivalents	$ 1,493,983	$ 3,113,427
Assets limited as to use	3,134,849	3,961,087
	$ 4,628,832	$ 7,074,514
Supplemental disclosure of cash flow information:		
Cash paid for interest	$ 100,779	$ 93,271
Capital expenditures included in accounts payable	$ 362,528	$ 58,610
Property and equipment acquisitions included in grant receivables	$ -	$ 30,000

The accompanying notes are an integral part of these consolidated financial statements.

Organization

Lamprey Health Care, Inc. (LHC) is a not-for-profit corporation organized in the State of New Hampshire. LHC is a Federally Qualified Health Center (FQHC) whose primary purpose is to provide high quality family health, medical and behavioral health services to residents of southern New Hampshire without regard to the patient's ability to pay for these services. LHC has three primary clinic facilities in Newmarket, Raymond and Nashua, New Hampshire.

On February 5, 2023, the LHC experienced a catastrophic flooding event in the Newmarket clinic facility as the result of a burst pipe that had frozen due to an extreme weather event. This resulted in closure of that facility for approximately five months for damage mitigation and to rebuild part of the first floor interior and all of the lower level. This event also impacted the computer network operations of the Organization for a period of two weeks, impacting access to the electronic records, telephone systems and network computer files.

The staffing and operations of that facility were partially redeployed to other clinical locations to provide care to patients in person and through telehealth. Tenants in the building were displaced for much of this time, with one permanently relocating to a new location. Staff returned to the facility in June 2023, and have resumed full operations.

LHC recognized a loss on undepreciated improvements, furnishings and equipment in the amount of $189,817 and insurance proceeds of $559,251 for the year ended September 30, 2023 and which are included in other operating revenue on the consolidated statement of operations.

Subsidiary

Friends of Lamprey Health Care, Inc. (FLHC) is a not-for-profit corporation organized in the State of New Hampshire. FLHC's primary purpose is to support LHC. FLHC is also the owner of the property occupied by LHC's administrative and program offices in Newmarket, New Hampshire. LHC is the sole corporate member of FLHC.

1. Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of LHC and its subsidiary, FLHC (collectively, the Organization). All significant intercompany balances and transactions have been eliminated in consolidation.

Basis of Presentation

The consolidated financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which require the Organization to report information in the consolidated financial statements according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity, of which there were none in 2023 or 2022.

Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

Both LHC and FLHC are public charities under Section 501(c)(3) of the Internal Revenue Code. As public charities, the entities are exempt from state and federal income taxes on income earned in accordance with their tax-exempt purposes. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the consolidated financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of business checking and savings accounts, as well as petty cash funds.

The Organization maintains cash balances at several financial institutions. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000 at each financial institution. At various times throughout the year, the Organization's cash balances may exceed FDIC insurance. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant risk.

Revenue Recognition and Patient Accounts Receivable

Net patient service revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing patient care. These amounts are due from patients and third-party payers (including commercial insurers and governmental programs). Generally, the Organization bills the patients and third-party payers several days after the services are performed. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Organization. The Organization measures the performance obligations as follows:

- Medical, behavioral health and ancillary services are measured from the commencement of an in-person or virtual encounter with a patient to the completion of the encounter. Ancillary services provided the same day are considered to be part of the performance obligation and are not deemed to be separate performance obligations.
- Contract pharmacy services are measured when the prescription is dispensed to the patient as reported by the pharmacy administrator.

The majority of the Organization's performance obligations are satisfied at a point in time.

The Organization has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the payer. In assessing collectability, the Organization has elected the portfolio approach. The portfolio approach is being used as the Organization has a large volume of similar contracts with similar classes of customers (patients). The Organization reasonably expects that the effect of applying a portfolio approach to a group of contracts would not differ materially from considering each contract separately. Management's judgment to group the contracts by portfolio is based on the payment behavior expected in each portfolio category. As a result, aggregating all the contracts (which are at the patient level) by the particular payer or group of payers will result in the recognition of the same amount of revenue as applying the analysis at the individual patient level. Significant payer concentrations are presented in Note 3.

A summary of payment arrangements follows:

Medicare

The Organization is primarily reimbursed for services provided to patients based on the lesser of actual charges or prospectively set rates for all FQHC services provided to a Medicare beneficiary on the same day. Certain other services provided to patients are reimbursed based on predetermined payment rates for each Current Procedural Terminology (CPT) code, which may be less than the Organization's public fee schedule.

Medicaid

The Organization is primarily reimbursed for medical, behavioral health and ancillary services provided to patients based on prospectively set rates for all FQHC services furnished to a Medicaid beneficiary on the same day. Certain other services provided to patients are reimbursed based on predetermined payment rates for each CPT code, which may be less than the Organization's public fee schedule. The rate was legislatively increased from $216.74 to $287.09 effective October 1, 2023.

Other Payers

The Organization has also entered into payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations. Under these arrangements, the Organization is reimbursed for services based on contractually obligated payment rates for each CPT code, which may be less than the Organization's public fee schedule.

Patients

The Organization provides care to patients who meet certain criteria under its sliding fee discount program and certain other programs. The Organization estimates the costs associated with providing care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to eligible patients. The estimated cost of providing services to patients under the Organization charity care programs amounted to $1,282,844 and $1,058,465 for the years ended September 30, 2023 and 2022, respectively. The Organization is able to provide these services with a component of funds received through federal grants.

For uninsured patients who do not qualify under the Organization's sliding fee discount program, the Organization bills the patient based on the Organization's standard rates for services provided. Patient balances are typically due within 30 days of billing; however, the Organization does, in certain instances, enter into payment agreements with patients that allow payments in excess of one year. For those cases, the financing component is not deemed to be significant to the contract.

340B Contract Pharmacy Program Revenue

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. This program requires drug manufacturers to provide outpatient drugs to FQHCs and other covered entities at a reduced price. The Organization contracts with local pharmacies under this program. The contract pharmacies dispense drugs to eligible patients of the Organization and bill commercial insurances on behalf of the Organization. Reimbursement received by the contract pharmacies is remitted to the Organization, less dispensing and administrative fees. The dispensing and administrative fees are costs of the program and not deemed to be implicit price concessions which would reduce the transaction price. The Organization recognizes revenue in the amounts that reflect the consideration to which it expects to be entitled in exchange for the prescription after the amount has been determined by the pharmacy benefits manager.

Laws and regulations governing the Medicare, Medicaid and 340B programs are complex and subject to interpretation. Management believes that the Organization is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare, Medicaid, and 340B programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

Patient Accounts Receivable

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances.

Grants and Other Receivables

Grants and other receivables are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

The Organization receives a significant amount of grants from the United States Department of Health and Human Services (HHS). As with all government funding, these grants are subject to reduction or termination in future years. For the years ended September 30, 2023 and 2022, grants from HHS (including both direct awards and awards passed through other organizations) represented the majority of grants, contracts and contributions revenue.

A portion of the Organization's revenue is derived from cost-reimbursable grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has met the performance requirements or incurred expenditures in compliance with specific contract or grant provisions, as applicable. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue.

The Organization has received notice of direct awards from the U.S. Department of Health and Human Services as outlined below. The awards are cost reimbursable grants and have not been recognized as revenue at September 30, 2023 because qualifying expenditures have not yet been incurred but are available after September 30, 2023 as outlined below:

	Amount	Available Through
Health Center Program	$ 2,258,752	May 31, 2024
Advanced Nursing Education- Nurse Practitioner Residency Fellowship Program	685,386	July 31, 2024
FY 2023 Early Childhood Development	187,973	August 31, 2024
Substance Abuse and Mental Health Services_Projects of Regional and National Significance	499,277	September 29, 2024
FY 2023 Bridge Access Program	32,466	December 31, 2024
Sustaining New Hampshire's CDSM & CPSM Self-Management Network	463,978	April 30, 2025
Community Health Worker Training Program	2,668,251	September 14, 2025

Assets Limited as to Use

Assets limited as to use include cash and cash equivalents designated by the Board of Directors for specific projects or purposes and donor restricted funds, as discussed further in Note 4.

Property and Equipment

Property and equipment are carried at cost. Maintenance, repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Provision for depreciation is computed using the straight-line method over the useful lives of the related assets. The Organization's capitalization policy is applicable for acquisitions greater than $5,000.

Contributions

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received, which is then treated as cost. The gifts are reported as net assets with donor restrictions if they are received with donor stipulations that limit use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statements of operations and changes in net assets as net assets released from restriction. Contributions whose restrictions are met in the same period as the support was received are recognized as net assets without donor restrictions.

The Organization reports gifts of property and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Functional Expenses

The consolidated financial statements report certain categories of expenses that are attributable to more than one program or supporting function of the Organization. Expenses allocated between program services and administrative support include employee benefits which are allocated based on direct wages, facilities which are based upon square footage occupied by the program, human resources and information technology which is based upon employee worked hours attributed to the programs.

(Deficiency) Excess of Revenue Over Expenses

The statements of operations and changes in net assets reflect the (deficiency) excess of revenue over expenses. Changes in net assets without donor restrictions which are excluded from this measure include contributions of long-lived assets (including assets acquired using grants and contributions which, by donor restriction, were to be used for the purposes of acquiring such assets) and the related release from restriction for capital acquisition and the change in the fair value of interest rate swaps.

Subsequent Events

For purposes of the preparation of these consolidated financial statements, management has considered transactions or events occurring through February 16, 2024, the date that the consolidated financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the consolidated financial statements.

2. Availability and Liquidity of Financial Assets

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents and a line of credit (Note 6). The Organization had average days cash and cash equivalents on hand (based on normal expenditures) of 24 and 56 at September 30, 2023 and 2022, respectively.

Financial assets available for general expenditure within one year as of September 30 were as follows:

	2023	2022
Cash and cash equivalents	$ 1,493,983	$ 3,113,427
Patient accounts receivable	1,478,008	1,783,724
Grants receivable	1,167,418	1,196,731
Other receivables	153,045	139,731
Financial assets available	$ 4,292,454	$ 6,233,613

The Organization has certain board-designated assets limited as to use which are available for general expenditure within one year in the normal course of operations upon obtaining approval from the Board of Directors and other assets limited as to use for donor-restricted purposes, which are more fully described in Note 4. Accordingly, these assets have not been included in the quantitative information above.

3. Patient Accounts Receivable and Net Patient Service Revenue

Patient Accounts Receivable and 340B Contract Pharmacy Receivable

Patient accounts receivable consisted of the following:

	October 1, 2021	September 30, 2022	September 30, 2023
Patient accounts receivable	$ 1,210,952	$ 1,595,065	$ 1,376,419
340B contract pharmacy program	178,740	188,659	101,589
Total patient accounts receivable	$ 1,389,692	$ 1,783,724	$ 1,478,008

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. The accounts receivable from patients and third-party payers, net of allowances, were as follows at September 30:

	2023	2022
Governmental plans		
Medicare	33 %	26 %
Medicaid	27 %	32 %
Commercial payers	28 %	31 %
Patient	12 %	11 %
Total	100 %	100 %

Net Patient Service Revenue

Net patient service revenue was as follows for the years ended September 30:

	2023	2022
Gross charges	$15,263,891	$16,193,275
340B contract pharmacy revenue	2,223,873	2,288,391
Total gross revenue	17,487,764	18,481,666
Contractual adjustments and implicit price concessions	(6,629,422)	(6,412,843)
Sliding fee discounts	(905,871)	(813,170)
Other patient related revenue	328,453	156,002
Total patient service revenue	$10,280,924	$11,411,655

The mix of net patient service revenue from patients and third-party payers was as follows for the years ended September 30:

	2023	2022
Medicare	22 %	19 %
Medicaid	43 %	46 %
Commercial payers	31 %	30 %
Patient	4 %	5 %
	100 %	100 %

4. Assets Limited as To Use

Assets limited as to use are made up of cash and cash equivalents which are to be used for the following purposes at September 30:

	2023	2022
Board-designated for:		
Transportation	$ 27,059	$ 27,059
Working capital	1,284,122	1,641,947
Capital improvements	1,431,184	1,677,051
Other	80,131	80,131
Total board-designated	2,822,496	3,426,188
Donor restricted	312,353	577,611
Total	$ 3,134,849	$ 3,961,087

5. Property and Equipment

Property and equipment consists of the following at September 30:

	2023	2022
Land and improvements	$ 1,201,363	$ 1,154,753
Building and improvements	12,069,238	11,901,465
Furniture, fixtures and equipment	1,472,217	1,877,573
Total cost	14,742,818	14,933,791
Less accumulated depreciation	7,525,103	7,862,789
	7,217,715	7,071,002
Construction in progress and assets not in service	1,780,212	251,434
Property and equipment, net	$ 8,997,927	$ 7,322,436

The construction in progress primarily relates to the renovations of the Organization's Nashua, New Hampshire facility to expand clinical space and reconfigure existing space for improved workflows for increased patient access and improved patient experience. The total project cost is estimated to be approximately $3,500,000 and is funded by a capital grant, board-designated and donor restricted cash and debt financing. The renovation is projected to be completed before the expiration of the capital grant in September 2024.

Property and equipment acquired with Federal grant funds are subject to specific federal standards for sales and other dispositions. In many cases, the Federal government retains a residual ownership interest in the assets, requiring prior approval and restrictions on disposition.

6. Line of Credit

The Organization has an available $1,000,000 revolving line of credit from a local bank through May 2024, with an interest rate at the Wall Street Journal Prime Rate, but not less than 3.25% (8.5% at September 30, 2023). The line of credit is collateralized by all business assets. There was no outstanding balance as of September 30, 2023 and 2022.

7. Long-Term Debt

Long-term debt consists of the following at September 30:

	2023	2022
Promissory note payable to local bank; see terms outlined below. (1)	$ 758,910	$ 790,941
Promissory note payable to local bank; see terms outlined below. (2)	1,936,203	1,982,335
Total long-term debt	2,695,113	2,773,276
Less current maturities	74,458	72,440
Long-term debt, less current maturities	$ 2,620,655	$ 2,700,836

(1) The Organization has a promissory note with a local bank which is a ten-year balloon note to be paid at the amortization rate of 20 years, with fixed monthly payments of $4,787 including principal and interest at the one-month Secured Overnight Financing Rate (SOFR) plus 1.5% through February 2032 when the balloon payment is due. The note is collateralized by the real estate. The Organization has an interest rate swap agreement for the ten-year period through 2032 that limits the potential interest rate fluctuation and substantively fixes the rate at 3.77%.

(2) The Organization has a promissory note with a local bank which is a ten-year balloon note to be paid at the amortization rate of 30 years, with variable monthly principal payments plus interest at the one-month SOFR plus 1.57% through October 2029 when the balloon payment is due. The note is collateralized by the real estate. The Organization has an interest rate swap agreement for the ten-year period through 2029 that limits the potential interest rate fluctuation and substantially fixes the rate at 3.173%.

The Organization is required to meet certain administrative and financial covenants under the loan agreements included above. In the event of default, the bank has the option to terminate the agreement and immediately request payment of the outstanding debt without notice of any kind to the Organization. The Organization was not in compliance with certain loan covenants at September 30, 2023 and has received a waiver from the bank for the default.

Maturities of long-term debt for the next five years and thereafter are as follows at September 30:

2024	$ 74,458
2025	79,753
2026	82,546
2027	85,437
2028	88,211
Thereafter	2,284,708
Total	$ 2,695,113

8. Derivative Financial Instruments

The Organization participates in certain fixed-payer swap contracts related to underlying, variable rate debt obligations. The purpose of these contracts is to protect the Organization against rising interest rates related to the variable rate debt. These contracts qualify for hedge accounting as a cash flow hedge and are reported at fair value as an asset or a liability. As a perfectly effective cash flow hedge, the change in fair value of the contracts is reported in the change in net assets without donor restrictions. The Organization expects to hold the swap contracts until their respective maturities.

The interest swap contract terms are summarized as follows at September 30:

Entity	Fixed Rate Paid	Variable Rate Received	Notional Amount	2023 Fair Value Asset	2022 Fair Value Asset	Termination Date	Counterparty
LHC	3.7700 %	6.8306 %	$ 761,746	$ 89,368	$ 68,196	02-17-2032	TD Bank
FLHC	3.1730 %	6.8974 %	1,926,492	257,798	236,743	10-02-2029	TD Bank
Cumulative unrealized asset				$ 347,166	$ 304,939		

U.S. GAAP establish a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Levels 1 and 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

Level 1 — Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2 — Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3 — Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The Organization uses inputs other than quoted prices that are observable to value the interest rate swaps. The Organization considers these inputs to be Level 2 inputs in the context of the fair value hierarchy. These values represent the estimated amounts the Organization would receive or pay to terminate agreements, taking into consideration current interest rates and the current creditworthiness of the counterparty (present value of expected cash flows).

9. Net Assets

Net assets without donor restrictions are designated for the following purposes at September 30:

	2023	2022
Undesignated	$ 8,336,987	$ 9,184,610
Board-designated (Note 4)	2,822,496	3,426,188
Total	$11,159,483	$12,610,798

Net assets with donor restrictions were restricted for the following specific purposes at September 30:

	2023	2022
Temporary in nature:		
Capital improvements	$ 38,088	$ 80,477
Capital acquisitions, purchased but not in service	611,076	183,664
Community programs	274,265	454,423
Total	$ 923,429	$ 718,564

10. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 403(b). The Organization contributed $373,182 and $342,532 for the years ended September 30, 2023 and 2022, respectively.

11. Medical Malpractice

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of September 30, 2023, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of either FTCA or medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

12. Litigation

From time to time certain complaints are filed against the Organization in the ordinary course of business. Management vigorously defends the Organization's actions in those cases and utilizes insurance to cover material losses. In the opinion of management, there are no matters that will materially affect the Organization's consolidated financial statements.

Notes to Schedule of Expenditures of Federal Awards

Year Ended September 30, 2023

1. Summary of Significant Accounting Policies

Expenditures reported on the schedule of expenditures of federal awards (the Schedule) are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement.

2. De Minimis Indirect Cost Rate

Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc. (collectively, the Organization) have elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

3. Basis of Presentation

The Schedule includes the federal grant activity of the Organization. The information in this Schedule is presented in accordance with the requirements of the Uniform Guidance. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

4. COVID-19 Coronavirus State and Local Fiscal Recovery Funds

The Schedule includes the $240,966 of expenditures of COVID-19 Coronavirus State and Local Fiscal Recovery Funds (Assistance Listing 21.027) which were incurred during the year ended September 30, 2022 and omitted from the 2022 Schedule.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc.

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc. (collectively, the Organization), which comprise the consolidated balance sheet as of September 30, 2023, and the related consolidated statements of operations, changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated February 16, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Board of Directors
Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc.'s (collectively, the Organization) compliance with the types of compliance requirements identified as subject to audit in the Office of Management and Budget's *Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2023. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with U.S. generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as item 2023-001. Our opinion on the major federal program is not modified with respect to this matter.

Government Auditing Standards requires the auditor to perform limited procedures on the Organization's response to the noncompliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The Organization's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Board of Directors
Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we did identify a certain deficiency in internal control over compliance that we consider to be a material weakness.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2023-001 to be a material weakness.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the Organization's response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The Organization's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs

Year Ended September 30, 2023

1. Summary of Auditor's Results

Financial Statements

Type of auditor's report issued:		Unmodified		
Internal control over financial reporting:				
Material weakness(es) identified?	☐	Yes	☑	No
Significant deficiency(ies) identified that are not considered to be material weakness(es)?	☐	Yes	☑	None reported
Noncompliance material to financial statements noted?	☐	Yes	☑	No

Federal Awards

Internal control over major programs:				
Material weakness(es) identified:	☑	Yes	☐	No
Significant deficiency(ies) identified that are not considered to be material weakness(es)?	☐	Yes	☑	None reported
Type of auditor's report issued on compliance for major programs:		Unmodified		
Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)?	☑	Yes	☐	No

Identification of major programs:

Federal Assistance Listing Number	Name of Federal Program or Cluster
93.526	Health Center Program Cluster Affordable Care Act (ACA) Grants for Capital Development in Health Centers

Dollar threshold used to distinguish between Type A and Type B programs:		$750,000		
Auditee qualified as low-risk auditee?	☑	Yes	☐	No

2. Financial Statement Findings

None

3. Federal Award Findings and Questioned Costs

Finding Number:	2023-001
Finding Type:	Material weakness in internal control over compliance related to cash management
Information on the Federal Program:	Program Name: Affordable Care Act (ACA) Grants for Capital Development in Health Centers (AL 93.526) Federal Awards Project Title: Health Center Infrastructure Support Award Period: September 15, 2021- September 14, 2024 Award Number: 1 C8ECS43818-01 Agency: U.S. Department of Health and Human Services (HHS), Health Resources and Services Administration (HRSA)
Criteria:	According to the terms and conditions of the award, each budget has a Federal Percentage Share based upon the award amount and the total allowable costs. Grant funds can only be drawn down from the Payment Management System (PMS) as allowable costs are incurred. Unless otherwise authorized, draw down should be done in the same proportion as the grant is to total project costs in the approved budget.
Condition:	In a sample of three of nine cash draw downs from the PMS, each of the three transactions tested were drawn in a proportion in excess of the Federal Percentage Share as required by the terms and conditions of the award.
Cause:	The Organization experienced a transition in management positions during the year and did not thoroughly understand the specified terms and conditions of the award.
Effect:	The Organization may draw down funding in a proportion greater than is allowed and if the project does not get completed, it could result in the return of funds with potential interest.
Questioned Costs:	None
Repeat Finding:	No
Recommendation:	Management should provide additional training to individuals responsible for monitoring grant compliance, reinforce the importance of reviewing all grant agreement provisions, and implement a system of processes and controls for tracking compliance with all specific grant terms and conditions.
Views of a Responsible Official and Corrective Action Plan:	Management agrees with the finding. The Organization will modify procedures as appropriate and provide additional training and education as recommended.

Cynthia J Mendoza

Summary

Licensed Nursing assistant with a diverse background in patient care, records management and medical equipment assembly. Exceptional patient care and organizational skills and the ability to communicate in English and Spanish fluently.

Core Competencies

Organization	Time Management	Relationship Building
Attention to Detail	Inventory Management	Teamwork

Relevant Skills

Organization / Attention to Detail

- Ensure that all of patients' vital information is updated for registered nurses and physicians.
- Review files daily and weekly to keep front desk organized.
- Reviewed shift information with incoming team to make them aware of specific issues that happened specifically with high risk patients.
- Follow product schematics to assemble precisely with minimal errors.

Time Management / Inventory Management

- Utilize year over year, month over month and week over week data to create patterns for stock purchasing
- Create schedule for store employees based on personal schedules and business needs.
- Review residents' information with registered nurses and set routines for proper care including medication disbursement, hygiene and physical therapy.
- Update supervisor on inventory needs for product assembly.

Relationship Building and Teamwork

- Learned residents' specific information to make it easier to work with them daily.
- Work with registered nurses and other LNA's to assist with residents' overall needs, switching assigned LNA's based on rapport with resident.
- Anticipated and prepare colleagues for assistance needed for patients or residents that would require multiple staff members to move or prepare for labs, x-rays or physical therapy.
- Work with colleagues on assembly line to ensure proper timing and minimal downtime.

Experience

Monica Lord

Summary:

Professional and intelligent family nurse practitioner, with a background in business and management, dedicated to providing exceptional patient care and contributing to organizational success. Recognized by peers and management as a strong team player with excellent leadership, communication and relational skills. Passionate about improving patient and provider satisfaction, streamlining workflows and breaking down communication barriers within organizational structure.

Professional Experience:

Greater Seacoast Community Health, Portsmouth, NH

Associate Medical Director — *June 2021 - Present*

- Supervise advanced practice clinicians and ensure successful onboarding with appropriate supports are in place.
- Frequent coordination with office manager, clinical support lead and patient experience manager to monitor and improve workflows and develop solutions for staff or patient issues.
- Effectively improve communication to providers through weekly, relevant updates based on meetings with organizational leadership, clinical workflow team, quality improvement manager and patient experience manager.
- Implemented and maintain the utilization of a dashboard for standing meetings to assist in maintaining focus, participant accountability, prioritization of action items and monitoring of deadlines.
- Development of an improved provider time off process to ensure timely approval of requests, appropriate desktop coverage, proactive resolution of coverage gaps and significant reduction in rescheduling patient appointments.
- Effectively integrate multiple areas of the organization (recovery support, home visiting, social work, etc.) to ensure employees are not only aware of the services available to our patients, but also how to access them.
- Spearheaded the development of a comprehensive standing medication refill process using best practices across the industry to address the excessive number of refill requests sent to providers.
- Participate on miscellaneous projects as provider representative (call reduction, EMR transition, lab interface, panel analysis, template progression, etc.) and assist in developing progress reports for the senior leadership team and board of directors.

Family Nurse Practitioner — *September 2016 - Present*

- Provide holistic, individualized and compassionate health care to individuals across the lifespan, with a focus on informed mutual decision making and open communication.
- Coordinate with special education teams at several local school districts to ensure proper services.
- Effectively assess, diagnose and treat common adult and pediatric acute and chronic disease processes while ensuring medication safety, appropriate follow up plans and culturally competent patient education.
- Use critical thinking to compile differential diagnoses, determine appropriate, cost effective laboratory and/or diagnostic testing to narrow differentials and establish treatment plans based on the interpretation of results.
- Successfully completed MAT waiver training to assist patients in the comprehensive treatment of substance abuse disorders.
- Coordinate placement of all nurse practitioner students across the organization.

The Hospital of Central CT, New Britain, CT **August 2012 – August 2015**
Staff RN, N3 – Medical/Telemetry Unit

- Responsible for individualized, professional care of 5-6 adult patients, focusing on patient safety, satisfaction and high quality care.
- Effectively demonstrated ability to diligently follow hospital policies, procedures and protocols in accordance with the state Nurse Practice Act.
- Experience caring for patients with atrial fibrillation, pneumonia, COPD, CHF, alcohol withdrawal, renal failure, cancer and CMO code status.
- Demonstrated leadership and critical thinking in high stress patient situations.
- Experience with ECG interpretation, blood transfusions, heparin infusions, insulin drips, starting peripheral IV's, care of central lines, wound vacs, tube feeds and PCA pumps.
- Created and led a community outreach group that provided varying levels of support to underprivileged members of the surrounding community.

L'Oreal, New York, NY **September 2005 – January 2008**
Manager, Sales Finance – Cosmetics

- Responsible for creating, analyzing, monitoring & presenting L'Oreal Paris Cosmetics division $80M trade spend budget.
- Lead financial manager in the implementation of a Cognos based tool to automate historical trade promotion monitoring & reporting.

Sara Lee Coffee & Tea, Harrison, NY **October 2004 – July 2005**
Senior Financial Analyst, Commercial Finance

- Responsible for all financial aspects of the branded business and large key private label customers.

BENFIELD, Westport, CT – Reinsurance Broker **August 2002 – October 2004**
Senior Financial Analyst, Financial Planning & Analysis

TRUMPF, Inc., Farmington, CT **June 2001 – August 2002**
Financial Analyst

Education:

Sacred Heart University, Fairfield, CT *G.P.A.: 3.8*

HealthFirst Family Care Center, Inc.	158221-B001	Franklin	$597,648
Lamprey Health Care, Inc.	177677-R001	Newmarket	$1,112,527
Manchester Health Department	177433-B009	Manchester	$412,006
Mid-State Health Center	158055-B001	Plymouth	$640,823
Weeks Medical Center	177171-R001	Lancaster	$617,806
White Mountain Community Health Center	174170-R001	Conway	$624,885
		Total:	**$8,158,520**

Funds are available in the following accounts for State Fiscal Years 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Department to increase access to integrated prevention and primary health care for the Maternal and Child Health (MCH) target population of women, infants, children and adolescents, and to address the maternal and youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

Approximately 194,940 individuals will be served from June 1, 2022 to June 30, 2024.

The Contractors will provide increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, and pregnant women and women of childbearing age, and must not exclude individuals who are uninsured; underinsured; and/or considered low-income. Integrated prevention and primary health care services are provided to individuals who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. The Contractors will integrate and coordinate access to medical, behavioral and social services by reducing barriers to care through an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will monitor services through the following performance measures:

- Percent of infants who were ever breastfed.
- Percent of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percent of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.

The Department selected the Contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from January 14, 2022 through February 25, 2022. The Department received 10 responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, pregnant women and women of childbearing age, and individuals who are uninsured; underinsured; considered low-income.

Source of Federal Funds: CFDA #93.994, FAIN B04MC45230

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

DocuSigned by:

1.17 Approval by the Governor and Executive Council *(if applicable)* G&C Item number:		G&C Meeting Date:	

Contractor Initials GW
Date 5/19/2022

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment, are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials GW (DS)

Date 5/19/2022

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor Initials GW

Date 5/19/2022

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Contractor Initials GW (DS)

Date 5/19/2022

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT A

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall increase access to integrated healthcare for the Maternal and Child Health (MCH) target population of Women, Infants, Children and Adolescents from birth to 21 years of age, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

1.2. The Contractor shall provide and increase access to healthcare for New Hampshire Infants, Children and Adolescents from birth to 21 years of age, and Pregnant Women and Women of Childbearing age, and must not exclude individuals who are:

1.2.1. Uninsured.

1.2.2. Underinsured.

1.2.3. Considered low-income defined as less than 185% of the U.S. Department of Health and Human Services (US DHHS) Poverty Guidelines.

1.2.4. Lacking housing, including individuals whose primary residence during the night is a supervised public or private facility, such as a shelter, that provides temporary living accommodations.

1.2.5. Residing in transitional housing.

1.2.6. Unable to maintain their housing situation.

1.2.7. Forced to stay with a series of friends and/or extended family members, hence are considered homeless.

1.2.8. Recently released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.3. The Contractor shall provide integrated preventative and primary health care services to the populations in Subsection 1.2 above, which must include:

1.3.1. Behavioral health care;

1.3.2. Prenatal care either on site or by referral;

1.3.3. Care management; and

1.3.4. Enabling services.

1.4. The Contractor shall provide eligibility determination services that include, but are not limited to:

1.4.1. Notifying the Department in writing if/when access to primary care services for new patients is limited or closed for more than thirty (30)

consecutive business days or any sixty (60) non-consecutive business days.

1.4.2. Assisting individuals with completing a Medicaid/Expanded Medicaid and/or other health insurance applications.

1.4.3. Maximizing billing to private and commercial insurances for all reimbursable services rendered.

1.4.4. Posting a public notice in a conspicuous location specifying that no individual will be denied services due to inability to pay.

1.4.5. Developing and implementing a sliding fee scale for services in accordance with the Federal Poverty Guidelines and providing the sliding fee scale to the Department upon request.

1.5. The Contractor shall ensure primary care services are provided by a New Hampshire licensed:

1.5.1. Medical Doctor (MD);

1.5.2. Doctor of Osteopathic Medicine (DO);

1.5.3. Advanced Practice Registered Nurse (APRN); and/or

1.5.4. Physician Assistant (PA) to eligible individuals in the service area.

1.6. The Contractor shall provide services in an office-based setting which may include, but is not limited to:

1.6.1. Federally Qualified Health Centers (FQHCs) and/or Rural Health Clinics.

1.6.2. School Based Health Clinics.

1.6.3. Mobile Care Delivery Services.

1.7. The Contractor shall ensure services include, but are not limited to:

1.7.1. Reproductive health services.

1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral.

1.7.3. Preventive primary care services for women, infants, children and adolescents, including screenings and health education in accordance with established, documented state or national guidelines and evidence based practices.

1.7.4. Integrated behavioral health services.

1.7.5. Assessment of need and follow-up/referral as indicated for:

1.7.5.1. Tobacco cessation, including referral to programs such as QuitWorks-NH (http://www.QuitWorksNH.org);

1.7.5.2. Social services that address Social Determinants of Health (SDOH);

1.7.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA);

1.7.5.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

1.7.5.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services; and

1.7.5.6. Referrals to any specialists as needed that are not offered on site, including home visiting services and oral health.

1.8. The Contractor shall provide and facilitate enabling services to all individuals served with special emphasis given to the MCH population of women and infants, children and adolescents from birth to 21 years of age. Enabling services must include at a minimum:

1.8.1. Case management;

1.8.2. Benefit counseling and/or eligibility assistance;

1.8.3. Health education and supportive counseling; and

1.8.4. Language interpretation, outreach, transportation and education of patients and the community regarding the availability and appropriate use of health services.

1.9. The Contractor shall ensure management services for individuals enrolled for primary care services include, but are not limited to:

1.9.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, and in a culturally and linguistically appropriate manner; and

1.9.2. Direct access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, by referral or subcontract.

1.10. The Contractor shall develop, define, facilitate and implement a minimum of two (2) enabling services initiatives and enabling services initiative work plans that focus on the Title V MCH Block Grant population of women, infants, children and adolescents, as follows:

1.10.1. Initiative One (1) – Screening and Referrals for SDOH, in accordance with Attachment #1; and

1.10.2. Initiative Two (2) – Million Hearts Program/Hypertension, in accordance with Attachment #2.

1.11. The Contractor shall monitor, update and implement each enabling services initiative work plan in accordance with Attachment #3 – Reporting Requirements Calendar.

1.12. The Contractor shall develop, define, facilitate and implement a minimum of two (2) quality improvement (QI) projects, which must consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of all individuals served, including:

1.12.1. QI Project One (1): Increase the Percentage of Infants Breastfed, in accordance with Attachment #4; and

1.12.2. QI Project Two (2): Adolescents age 12-22 with Annual Home Visit in the Past 12-Months, in accordance with Attachment #5.

1.13. The Contractor shall monitor, update and implement the work plans for each QI project in accordance with Attachment #3 – Reporting Requirements Calendar.

1.14. The Contractor shall attend in-person and/or virtual meetings and trainings facilitated by the Department, which include, but are not limited to:

1.14.1. MCH Agency Directors' Meetings scheduled by the Department on an as-needed basis.

1.14.2. MCH Primary Care Coordinators' Meetings up to two (2) times per year, which may require attendance by selected Vendor(s) quality improvement and clinical staff.

1.15. The Contractor shall ensure all services in this Exhibit B, Scope of Services, are provided by qualified health and allied health professionals.

1.16. The Contractor shall provide supporting documentation to the Department that verifies staff hours funded under the Agreement that may include, but is not limited to, timecards.

1.17. The Contractor shall ensure all health and allied health professionals possess and maintain the appropriate and current New Hampshire licenses whether directly employed, contracted or subcontracted.

1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator or staff person essential to providing services. The Contractor shall ensure notification:

1.18.1. Is provided to the Department no later than thirty business (30) days from the date of hire; and

1.18.2. Includes a copy of the newly hired individual's resume.

1.19. The Contractor shall notify the Department in writing when:

1.19.1. Any critical position is vacant for more than thirty (30) business days;

1.19.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive business days or any sixty (60) non-consecutive business days.

1.20. The Contractor shall ensure that all employees and subcontractors providing direct services to clients under this Agreement have undergone a criminal background check and have no convictions for crimes that represent evidence of behavior that could endanger clients served under this Agreement.

1.21. The Contractor shall permit an individual, or team or individuals, authorized by the Department to schedule and conduct periodic virtual and/or on-site reviews of documentation related to contracted services, including:

1.21.1. Administration;

1.21.2. Data collection and submission;

1.21.3. Clinical and financial management; and

1.21.4. Delivery of education services.

1.22. The Contractor shall ensure the information needed by the Department to conduct virtual and/or on-site reviews is available, which may include, but is not limited to:

1.22.1. Client records.

1.22.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

1.23. The Contractor shall adhere to any corrective action plans issued by the Department should virtual and/or on-site reviews yield results that services provided are not in compliance with the Agreement. Any corrective action plans shall not prevent the Department from taking action under paragraph 8, Event of Default/Remedies and paragraph 9, Termination, of the General Provisions, Form P-37, of the Agreement.

1.24. The Contractor shall actively and regularly collaborate with the Department to enhance contract management and improve results.

1.25. The Contractor may be required to collect and share other key data and metrics with the Department, including client-level demographic, performance, and service data, in a format specified by the Department.

1.26. Reporting

1.26.1. The Contractor shall collect and submit the data and reports as specified in Attachment #3 – Reporting Requirements Calendar to the Department. Data must be de-identified and aggregated to prevent constructive identification of any individual, and must include but is not limited to:

1.26.1.1. Uniform Data System (UDS) outcomes.

1.26.1.2. Performance Measure outcomes.

1.26.1.3. Work plan for each Enabling Service Initiative.

1.26.1.4. Work Plan for each QI Project.

1.27. Performance Measures

1.27.1. The Contractor shall report data on the Performance Measures in Appendix F at regular intervals as specified in Appendix G – Reporting Requirements Calendar, utilizing Appendix K – DTT-PC2022 Template.

1.27.2. The Contractor shall meet or exceed their proposed goals and objectives for the required Performance Measures in Attachment #6. Should the Contractor not meet or exceed their goals, the Contractor shall submit a Performance Measure Improvement Plan for each unmet Performance Measure, utilizing Attachment #7 – Performance Measure Outcome Report Template, at reporting intervals as specified in Appendix G – Reporting Requirements Calendar.

1.27.3. The Department may identify other performance measures in the resulting Agreement.

2. Exhibits Incorporated

2.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

2.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

2.3. The Contractor shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

3. Additional Terms

3.1. Impacts Resulting from Court Orders or Legislative Changes

3.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

3.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

3.2.1. The Contractor shall submit, within ten (10) days of the Agreement Effective Date, a detailed description of the communication access and language assistance services to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

3.3. Credits and Copyright Ownership

3.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement shall include the following statement, "The preparation of this (report, document etc.) was financed under an Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

3.3.2. All materials produced or purchased under the Agreement shall have prior approval from the Department before printing, production, distribution or use.

3.3.3. The Department shall retain copyright ownership for any and all original materials produced, including, but not limited to:

3.3.3.1. Brochures.

3.3.3.2. Resource directories.

3.3.3.3. Protocols or guidelines.

3.3.3.4. Posters.

3.3.3.5. Reports.

3.3.4. The Contractor shall not reproduce any materials produced under the Agreement without prior written approval from the Department.

3.4. Operation of Facilities: Compliance with Laws and Regulations

3.4.1. In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental

license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

4. Records

4.1. The Contractor shall keep records that include, but are not limited to:

4.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

4.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

4.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

4.1.4. Medical records on each patient/recipient of services.

4.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts. Upon the purchase by the Department of the maximum number of units provided for in the Agreement and upon payment of the price limitation hereunder, the Agreement and all the obligations of the parties hereunder (except such obligations as, by the terms of the Agreement are to be performed after the end of the term of this Agreement and/or survive the termination of the Agreement) shall terminate, provided

however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT C

Payment Terms

1. This Agreement is funded by:
   1.1. 10% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration, CFDA #93.994, FAIN B04MC45230.
   1.2. 90% General funds.
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget through Exhibit C-3, Budget.
4. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:
   4.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.
   4.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.
   4.3. Identifies and requests payment for allowable costs incurred in the previous month.
   4.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.
   4.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.
   4.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to DPHSContractBilling@dhhs.nh.govor mailed to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

5. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

6. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract completion date specified in Form P-37, General Provisions Block 1.7 Completion Date.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

8.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

8.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

8.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

Vendor Initials GW
Date 5/19/2022

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

I. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

New Hampshire Department of Health and Human Services
Exhibit H

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

Contractor Initials DS GW

Date 5/19/2022

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email: End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

DS GW

Contractor Initials _____

5/19/2022

Date _____

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

Contractor Initials DS GW

Date 5/19/2022

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:
    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.
    b. safeguard this information at all times.
    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.
    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

Attachment #6 – Performance Measures

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the intention is that Contractors would accordingly go by the most up to date UDS guidance for these measures.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down in to two age based measures, based on current NH Legislation, RSA 130-A:5-a, which requires that children be tested for lead at age 1 as well as at age 2.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months (NH MCHS).

DS GW

5/19/2022

Attachment #6 – Performance Measures

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between twelve (12) months through twenty three (23) months of age.

2.2.1.2. Denominator: All children who turned twenty-four months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months (NH MCHS).

2.2.2.1. Numerator: All children who received at least one capillary or venous blood lead test between twenty-four (24) through thirty-six (36) months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool on the date of the encounter or up to 14 days prior to the date of the encounter using an age appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

DS GW

5/19/2022

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose

and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

Adult Measure

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI during the measurement period **AND** if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: BMI ≥ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the measurement year or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

Child/Adolescent Measure

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting

DS GW

5/19/2022

year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year **AND** who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: Number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco at least one within the past twelve (12) months AND received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least two (2) medical visit during the measurement year, OR 1 preventative visit

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

Attachment #6 – Performance Measures

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) –Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adult Measure

2.7.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

Adolescent Measure

2.7.2. SBIRT – Percent of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: All patients aged 12-17 years during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.7.2.4. Definitions:

2.7.2.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.2.4.2. Brief Intervention: Includes guidance or counseling.

2.7.2.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

DS GW

5/19/2022

Attachment #6 – Performance Measures

2.7.3. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.3.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services

2.7.3.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.3.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8 Developmental Screening Measure

Percent of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months (NH MCHS)

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and who had at least (1) medical visit during the measurement year

DS GW

5/19/2022

Attachment #7 – Performance Measure Outcome Report Template

Instructions for completing this Performance Measure Outcome Report (PMOR):
The Performance Measure Outcome Report (PMOR) is to be completed by your agency and emailed to shari.campbell@dhhs.nh.gov at the intervals specified on the Reporting Calendar.

Please complete the Narrative and Plan for Improvement sections for any of the following measures where your agency did not meet your agency target for the reporting period (July 1, 20XX – June 30, 20XX).

Performance measures:

- Breastfeeding
- Lead Screening for 1 Year Olds
- Lead Screening for 2 Year Olds
- Adolescent well care visit
- Depression screening and follow up plan if positive screening, 12 years and older
- Maternal Depression Screening
- Adults with documented BMI and follow-up plan if BMI outside of normal range
- Children 3-17 with documented BMI, nutrition counseling and physical activity counseling
- Adult tobacco screening and cessation counseling intervention for smokers
- Prenatal Tobacco screening each trimester and cessation counseling intervention for smokers
- SBIRT, Adults
- SBIRT, Adolescents
- SBIRT, Pregnant Women
- Developmental Screening-M-CHAT

* Note: Not met performance measures that have been addressed by your agency SFYXX Work Plan are excluded from this report. For example, the PMOR will omit Adolescent Visit measure for Primary Care Services

1. The Narrative section is to explain what happened during the year i.e. why measure was not met, what barriers/challenges your agency faced, describe any improvement activities that took place during the year to correct along the way, etc.

2. The Plan for Improvement section is to describe what steps your agency will take to achieve your agency target in SFYXX i.e. describe your strategy (PDSA), what will you plan to do differently etc.

3. Please email your completed PMOR **Shari Campbell at shari.campbell@dhhs.nh.gov by the dates indicated in the Reporting Calendar.** If you have any questions about completing this document, please contact Jannell Levine at Jannell.E.Levine@dhhs.nh.gov or 603-856-6449.

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Maternal and Child Health Care in the Integrated Primary Care Setting contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Manchester Health Department ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 15, 2022 (Item #32), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $594,335

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Section 1.3.2., to read:

   1.3.2. Prenatal care either on site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data related to prenatal performance measures.

5. Modify Exhibit B, Scope of Services, Section 1.7.2., to read:

   1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data relating to prenatal performance measures to the Department.

6. Modify Exhibit B, Scope of Services, Section 1.10.1. through Section 1.10.2., to read:

   1.10.1. Initiative One (1) – Screening and Referrals for SDOH, and

   1.10.2. Initiative Two (2) – Contractor's choice, which must focus on enabling services.

7. Modify Exhibit B, Scope of Services, Section 1.12.1. through Section 1.12.2., to read:

   1.12.1. QI Project One (1): Increasing Adolescent Well Visits, and

   1.12.2. QI Project Two (2): Increasing post-partum clinical depression screening of women within the first 12 weeks after delivering.

8. Modify Exhibit B, Scope of Services, Section 1.18., to read:

   1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator, or staff person essential to providing services and/or any personnel changes to these positions. The Contractor shall ensure notification:

      1.18.1. Is provided to the Department no later than thirty (30) business days from the date of hire or personnel change, and

      1.18.2. Includes a copy of the new staff individual's resume as well as an updated

staffing list.

9. Modify Exhibit B, Scope of Services, by adding Section 1.28., to read:

1.28. The Contractor shall provide de-identifiable patient level data on the integrated and primary health care services provided, as specified in Subsection 1.3., and Section 1.26. Reporting.

10. Modify Exhibit C, Payment Terms, Section 1.1. through Section 1.2., to read:

1.1. 14% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Assistance Listing Number (ALN) 93.994, FAIN B04MC45230, and as awarded on October 27, 2022, ALN 93.994, FAIN B04MC47432.

1.2. 86% General funds.

11. Modify Exhibit C, Payment Terms, Section 3., to read:

3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget Sheet through Exhibit C-4, Budget Sheet, Amendment #1.

12. Modify Exhibit C, Payment Terms, Section 4.3., to read:

4.3. Identifies and requests payment for allowable costs incurred in the previous month. Allowable costs are costs incurred that specifically supports only New Hampshire Infants, Children and Adolescents from birth to 21 years of age, Pregnant Women, and Women of Childbearing age.

13. Modify Add Exhibit C, Payment Terms, by adding Section 4.7., to read:

4.7. Includes budget line items that are used exclusively for serving the Maternal and Child Health population and invoicing must clearly state how the incurred expenses benefited this specific patient population.

14. Modify Attachment 3, Reporting Calendar, by replacing it in its entirety with Attachment 3, Amendment #1, Reporting Requirements Calendar, which is attached hereto and incorporated by reference herein.

15. Modify Attachment 6, Performance Measures, by replacing it in its entirety with Attachment 6, Amendment #1 – SFY 2025 Performance Measures, which is attached hereto and incorporated by reference herein.

16. Modify Attachment 7, Performance Measure Outcome Report (PMOR), by replacing it in its entirety with Attachment 7, Amendment #1, Performance Measure Outcome Report (PMOR), which is attached hereto and incorporated by reference herein.

17. Add Attachment 8, Amendment #1, DTT – MCH in the Integrated Primary Care Setting Template, which is attached hereto and incorporated by reference herein.

18. Add Exhibit C-4, Budget Sheet, Amendment #1, which is attached hereto and incorporated by reference herein.

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2024, upon Governor and Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below.

5/23/24

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

1. Definitions

1.1. **Measurement Year** – Consists of 365 days and is defined as either:

1.1.1. A Calendar Year (January 1st through December 31st), or

1.1.2. A State Fiscal Year (July 1st through June 30th).

1.2. **Medical Visit** – Defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. The UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the expectation is that the Contractor will adhere to the most up to date UDS guidance.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. **Breastfeeding**

2.1.1. Percent of infants who were ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for approximately six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Testing**

This measure will be broken down into two (2) age-based measures, based on current NH Legislation RSA 130-A:5-a, which requires children be tested for lead at one (1) year of age, and at two (2) years of age.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between 12 and 23 months of age (NH MCHS).

5/23/24

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between 12 and 23 months of age.

2.2.1.2. Denominator: All children who turned 24 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between 24 and 36 months of age (NH MCHS).

2.2.2.1. Numerator: All children who received at least one (1) capillary or venous blood lead test between 24 and 36 months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. Preventive Health: Adolescent Well-Care Visit

2.3.1. Percent of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents 12 through 21 years of age by the end of the measurement year.

2.4. Preventive Health: Depression Screening

2.4.1. Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool on the date of the encounter or within 14 days prior to the date of the encounter AND if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients 12 through 21 years of age who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 through 21 years of age by the end of the measurement year who had at least one (1) medical visit during the measurement year.

5/23/24

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit during the first 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first 12 weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative, PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit in the first 12 weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

5/23/24

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.5. Preventive Health: Obesity Screening

Child/Adolescent Measure

2.5.1. Percent of patients three (3) through 17 years of age who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.1.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.1.2. Denominator: Number of patients who were one (1) year after their second (2nd) birthday (i.e., three (3) years of age) through adolescents who were up to one (1) year past their 16th birthday (i.e., 17 years of age) at some point during the measurement year, who had at least one (1) medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. Preventive Health: Tobacco Screening

2.6.1. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.1.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers **PLUS** queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

2.7. Screening, Brief Intervention, and Referral to Treatment (SBIRT) – Has been separated out in to two separate measures, one for adults and one for adolescents.

Adolescent Measure

2.7.1. SBIRT – Percent of patients 12 through 17 years of age who were screened for substance use using a formal valid screening tool during

5/23/24

any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use using a formal valid screening tool during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients 12 through 17 years of age during the measurement year with at least one (1) medical visit during the measurement year and with at least two (2) medical visits ever.

2.7.1.4. Definitions:

2.7.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.1.4.2. Brief Intervention: Includes guidance or counseling.

2.7.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.7.2. Percent of pregnant women who were screened using a formal valid screening tool for substance use during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of women in the denominator who were screened for substance use using a formal and valid screening tool during each trimester they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8. **Developmental Screening Measure**

Percent of children who reached 30 months of age by the end of the reporting period, and were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age (NH MCHS).

5/23/24

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age.

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and had at least one (1) medical visit during the measurement year.

Weeks Medical Center	177171-R001	Lancaster	$617,806
White Mountain Community Health Center	174170-R001	Conway	$624,885
		Total:	$8,158,520

Funds are available in the following accounts for State Fiscal Years 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Department to increase access to integrated prevention and primary health care for the Maternal and Child Health (MCH) target population of women, infants, children and adolescents, and to address the maternal and youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

Approximately 194,940 individuals will be served from June 1, 2022 to June 30, 2024.

The Contractors will provide increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, and pregnant women and women of childbearing age, and must not exclude individuals who are uninsured; underinsured; and/or considered low-income. Integrated prevention and primary health care services are provided to individuals who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. The Contractors will integrate and coordinate access to medical, behavioral and social services by reducing barriers to care through an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will monitor services through the following performance measures:

- Percent of infants who were ever breastfed.
- Percent of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percent of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.

The Department selected the Contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from January 14, 2022 through February 25, 2022. The Department received 10 responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, pregnant women and women of childbearing age; and individuals who are uninsured; underinsured; considered low-income.

Source of Federal Funds: CFDA #93.994, FAIN B04MC45230

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

DocuSigned by:
Ann H. Landry

1.17 Approval by the Governor and Executive Council *(if applicable)* G&C Item number: G&C Meeting Date:			

Contractor Initials JC
Date 5/27/22

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials
Date 5/27/22

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor Initials JC

Date 5/27/22

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT A

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

   1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

      3.3. The parties may extend the Agreement for up four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

   1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

      12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall increase access to integrated healthcare for the Maternal and Child Health (MCH) target population of Women, Infants, Children and Adolescents from birth to 21 years of age, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

1.2. The Contractor shall provide and increase access to healthcare for New Hampshire Infants, Children and Adolescents from birth to 21 years of age, and Pregnant Women and Women of Childbearing age, and must not exclude individuals who are:

1.2.1. Uninsured.

1.2.2. Underinsured.

1.2.3. Considered low-income defined as less than 185% of the U.S. Department of Health and Human Services (US DHHS) Poverty Guidelines.

1.2.4. Lacking housing, including individuals whose primary residence during the night is a supervised public or private facility, such as a shelter, that provides temporary living accommodations.

1.2.5. Residing in transitional housing.

1.2.6. Unable to maintain their housing situation.

1.2.7. Forced to stay with a series of friends and/or extended family members, hence are considered homeless.

1.2.8. Recently released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.3. The Contractor shall provide integrated preventative and primary health care services to the populations in Subsection 1.2 above, which must include:

1.3.1. Behavioral health care;

1.3.2. Prenatal care either on site or by referral;

1.3.3. Care management; and

1.3.4. Enabling services.

1.4. The Contractor shall provide eligibility determination services that include, but are not limited to:

1.4.1. Notifying the Department in writing if/when access to primary care services for new patients is limited or closed for more than thirty (30)

consecutive business days or any sixty (60) non-consecutive business days.

1.4.2. Assisting individuals with completing a Medicaid/Expanded Medicaid and/or other health insurance applications.

1.4.3. Maximizing billing to private and commercial insurances for all reimbursable services rendered.

1.4.4. Posting a public notice in a conspicuous location specifying that no individual will be denied services due to inability to pay.

1.4.5. Developing and implementing a sliding fee scale for services in accordance with the Federal Poverty Guidelines and providing the sliding fee scale to the Department upon request.

1.5. The Contractor shall ensure primary care services are provided by a New Hampshire licensed:

1.5.1. Medical Doctor (MD);

1.5.2. Doctor of Osteopathic Medicine (DO);

1.5.3. Advanced Practice Registered Nurse (APRN); and/or

1.5.4. Physician Assistant (PA) to eligible individuals in the service area.

1.6. The Contractor shall provide services in an office-based setting which may include, but is not limited to:

1.6.1. Federally Qualified Health Centers (FQHCs) and/or Rural Health Clinics.

1.6.2. School Based Health Clinics.

1.6.3. Mobile Care Delivery Services.

1.7. The Contractor shall ensure services include, but are not limited to:

1.7.1. Reproductive health services.

1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral.

1.7.3. Preventive primary care services for women, infants, children and adolescents, including screenings and health education in accordance with established, documented state or national guidelines and evidence based practices.

1.7.4. Integrated behavioral health services.

1.7.5. Assessment of need and follow-up/referral as indicated for:

1.7.5.1. Tobacco cessation, including referral to programs such as QuitWorks-NH (http://www.QuitWorksNH.org);

1.7.5.2. Social services that address Social Determinants of Health (SDOH);

1.7.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA);

1.7.5.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

1.7.5.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services; and

1.7.5.6. Referrals to any specialists as needed that are not offered on site, including home visiting services and oral health.

1.8. The Contractor shall provide and facilitate enabling services to all individuals served with special emphasis given to the MCH population of women and infants, children and adolescents from birth to 21 years of age. Enabling services must include at a minimum:

1.8.1. Case management;

1.8.2. Benefit counseling and/or eligibility assistance;

1.8.3. Health education and supportive counseling; and

1.8.4. Language interpretation, outreach, transportation and education of patients and the community regarding the availability and appropriate use of health services.

1.9. The Contractor shall ensure management services for individuals enrolled for primary care services include, but are not limited to:

1.9.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, and in a culturally and linguistically appropriate manner; and

1.9.2. Direct access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, by referral or subcontract.

1.10. The Contractor shall develop, define, facilitate and implement a minimum of two (2) enabling services initiatives and enabling services initiative work plans that focus on the Title V MCH Block Grant population of women, infants, children and adolescents, as follows:

1.10.1. Initiative One (1) – Screening and Referrals for SDOH, in accordance with Attachment #1; and

1.10.2. Initiative Two (2) – Provide Targeted Outreach to Homeless Women, Children, and Adolescents, in accordance with Attachment #2.

1.11. The Contractor shall monitor, update and implement each enabling services initiative work plan in accordance with Attachment #3 – Reporting Requirements Calendar.

1.12. The Contractor shall develop, define, facilitate and implement a minimum of two (2) quality improvement (QI) projects, which must consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of all individuals served, including:

1.12.1. QI Project One (1): Obesity Screening in Children and Adolescents, in accordance with Attachment #4; and

1.12.2. QI Project two (2): Adolescent Well-Care Visits, in accordance with Attachment #5.

1.13. The Contractor shall monitor, update and implement the work plans for each QI project in accordance with Attachment #3 – Reporting Requirements Calendar.

1.14. The Contractor shall attend in-person and/or virtual meetings and trainings facilitated by the Department, which include, but are not limited to:

1.14.1. MCH Agency Directors' Meetings scheduled by the Department on an as-needed basis.

1.14.2. MCH Primary Care Coordinators' Meetings up to two (2) times per year, which may require attendance by selected Vendor(s) quality improvement and clinical staff.

1.15. The Contractor shall ensure all services in this Exhibit B, Scope of Services, are provided by qualified health and allied health professionals.

1.16. The Contractor shall provide supporting documentation to the Department that verifies staff hours funded under the Agreement that may include, but is not limited to, timecards.

1.17. The Contractor shall ensure all health and allied health professionals possess and maintain the appropriate and current New Hampshire licenses whether directly employed, contracted or subcontracted.

1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator or staff person essential to providing services. The Contractor shall ensure notification:

1.18.1. Is provided to the Department no later than thirty business (30) days from the date of hire; and

1.18.2. Includes a copy of the newly hired individual's resume.

1.19. The Contractor shall notify the Department in writing when:

1.19.1. Any critical position is vacant for more than thirty (30) business days;

1.19.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive business days or any sixty (60) non-consecutive business days.

1.20. The Contractor shall ensure that all employees and subcontractors providing direct services to clients under this Agreement have undergone a criminal background check and have no convictions for crimes that represent evidence of behavior that could endanger clients served under this Agreement.

1.21. The Contractor shall permit an individual, or team or individuals, authorized by the Department to schedule and conduct periodic virtual and/or on-site reviews of documentation related to contracted services, including:

1.21.1. Administration;

1.21.2. Data collection and submission;

1.21.3. Clinical and financial management; and

1.21.4. Delivery of education services.

1.22. The Contractor shall ensure the information needed by the Department to conduct virtual and/or on-site reviews is available, which may include, but is not limited to:

1.22.1. Client records.

1.22.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

1.23. The Contractor shall adhere to any corrective action plans issued by the Department should virtual and/or on-site reviews yield results that services provided are not in compliance with the Agreement. Any corrective action plans shall not prevent the Department from taking action under paragraph 8, Event of Default/Remedies and paragraph 9, Termination, of the General Provisions, Form P-37, of the Agreement.

1.24. The Contractor shall actively and regularly collaborate with the Department to enhance contract management and improve results.

1.25. The Contractor may be required to collect and share other key data and metrics with the Department, including client-level demographic, performance, and service data, in a format specified by the Department.

1.26. Reporting

1.26.1. The Contractor shall collect and submit the data and reports as specified in Attachment #3 – Reporting Requirements Calendar to the Department. Data must be de-identified and aggregated to prevent constructive identification of any individual, and must include but is not limited to:

1.26.1.1. Uniform Data System (UDS) outcomes.

1.26.1.2. Performance Measure outcomes.

1.26.1.3. Work plan for each Enabling Service Initiative.

1.26.1.4. Work Plan for each QI Project.

1.27. Performance Measures

1.27.1. The Contractor shall report data on the Performance Measures in Appendix F at regular intervals as specified in Appendix G – Reporting Requirements Calendar, utilizing Appendix K – DTT-PC2022 Template.

1.27.2. The Contractor shall meet or exceed their proposed goals and objectives for the required Performance Measures in Attachment #6. Should the Contractor not meet or exceed their goals, the Contractor shall submit a Performance Measure Improvement Plan for each unmet Performance Measure, utilizing Attachment #7 – Performance Measure Outcome Report Template, at reporting intervals as specified in Appendix G – Reporting Requirements Calendar.

1.27.3. The Department may identify other performance measures in the resulting Agreement.

2. Exhibits Incorporated

2.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

2.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

2.3. The Contractor shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

3. Additional Terms

3.1. Impacts Resulting from Court Orders or Legislative Changes

3.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

3.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

3.2.1. The Contractor shall submit, within ten (10) days of the Agreement Effective Date, a detailed description of the communication access and language assistance services to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

3.3. Credits and Copyright Ownership

3.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement shall include the following statement, "The preparation of this (report, document etc.) was financed under an Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

3.3.2. All materials produced or purchased under the Agreement shall have prior approval from the Department before printing, production, distribution or use.

3.3.3. The Department shall retain copyright ownership for any and all original materials produced, including, but not limited to:

3.3.3.1. Brochures.

3.3.3.2. Resource directories.

3.3.3.3. Protocols or guidelines.

3.3.3.4. Posters.

3.3.3.5. Reports.

3.3.4. The Contractor shall not reproduce any materials produced under the Agreement without prior written approval from the Department.

3.4. Operation of Facilities: Compliance with Laws and Regulations

3.4.1. In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental

license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

4. Records

4.1. The Contractor shall keep records that include, but are not limited to:

4.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

4.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

4.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

4.1.4. Medical records on each patient/recipient of services.

4.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts. Upon the purchase by the Department of the maximum number of units provided for in the Agreement and upon payment of the price limitation hereunder, the Agreement and all the obligations of the parties hereunder (except such obligations as, by the terms of the Agreement are to be performed after the end of the term of this Agreement and/or survive the termination of the Agreement) shall terminate, provided

however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT C

Payment Terms

1. This Agreement is funded by:
   1.1. 10% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration, CFDA #93.994, FAIN B04MC45230.
   1.2. 90% General funds.
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line items, as specified in Exhibits C-1, Budget through Exhibit C-3, Budget.
4. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:
   4.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.
   4.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.
   4.3. Identifies and requests payment for allowable costs incurred in the previous month.
   4.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.
   4.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.
   4.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to DPHSContractBilling@dhhs.nh.govor mailed to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

5. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

6. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract completion date specified in Form P-37, General Provisions Block 1.7 Completion Date.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

8.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

8.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

8.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   1.2. Establishing an ongoing drug-free awareness program to inform employees about
      1.2.1. The dangers of drug abuse in the workplace;
      1.2.2. The grantee's policy of maintaining a drug-free workplace;
      1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
      1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by subparagraph 1.1.
   1.4. Notifying the employee in the statement required by subparagraph 1.1 that, as a condition of employment under the grant, the employee will
      1.4.1. Abide by the terms of the statement; and
      1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (I)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) **Definitions.**

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

Business Associate Use and Disclosure of Protected Health Information.

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $30,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $30,000 or more. If the initial award is below $30,000 but subsequent grant modifications result in a total award equal to or over $30,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique Entity Identifier (SAM UEI; Formerly DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal FInancial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

New Hampshire Department of Health and Human Services

Exhibit K

DHHS Information Security Requirements

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

Project Objective: The HCH Manchester Program seeks to increase the percent of patients, ages 12 through 21 years of age (5% of total 2021 HCH population) that will have received their annual Well-Care Visit within the calendar year (CY) from 20% to 50% by January 1st, 2023.			
Activities: (list as many activities as are planned to reach the Objective)	Staff/Resources Involved (list for each activity)	Evaluation Plans (list as needed for each activity)	Timeline for Activity (estimated timeline for the duration of each activity)
Fill any vacancies of listed personnel for this performance measure work plan: 1. Vacancy for one RN Care Coordinator (40 Hours/1 FTE) 2. Vacancy for one PSR-Scheduling Coordinator (40 Hours/1 FTE)	CMC Human Resources Recruiter and Practice Manager to review all applicants. 1. HCH Lead RN Care Coordinator will interview any qualified applicants and select for hire in conjunction with Practice Manager. 2. HCH Office Coordinator will interview any qualified applicants and select for hire in conjunction with Practice Manager.	Any delays in progress for applicant hire will be communicated and attended to in real time between the staff involved.	Positions expected to be filled by July 1st, 2022.
Report Identification: 1. Completed Well-Care Visits of patients 12 through 21 years of age. - To include patient name, patient PCP and date of Well-	HCH Health Information Systems Analyst to work with the Community Health Access Network (CHAN) to ensure the identified reports are available on the CHAN Report Server.	Practice Manager to follow up with HCH Health Information Systems Analyst weekly to check in on progress.	Reports to be available by July 1st 2022.

Attachment #4 – Obesity Screening in Children and Adolescents

Care Visit. 2. Patients 12 through 21 years of age who have not had a completed Well-Care Visit within the calendar year (CY). - To include patient name, patient PCP and date of Well-Care Visit. - To include last visit, last no show, next visit. 3. Master Panel Report of patients 12 through 21 years of age. - Patient Name - PCP - Completed CPE (Y/N) - Completed PHQ9 (Y/N) - Completed SBIRT (Y/N)			
Workflow development on scheduling Well-Care Visits/CPE.	Office Coordinator-PSR to develop workflow for training PSR-Scheduling Coordinators on evaluating if CPE needs to be scheduled and a routine of scheduling CPEs for all patients.	Practice Manager to check-in with Office Coordinator-PSR weekly to ensure barriers for completion are evaluated and attended to.	August 1st, 2022
Workflow development on integrating Behavioral Health into annual Well-Care Visits/CPE. I.E. Corresponding availability of BH Clinician for scheduled Well-	Behavioral Health Coordinator to evaluate current screening tool(s) and develop and needed improvements to corresponding workflows for screeners and	Practice Manager to check-in with Behavioral Health Coordinator weekly to ensure barriers for completion are evaluated and attended to. Care Visits/CPE for any elevated screenings during the appointment.	accounting in the EMR. Once developed, offer all staff training on screening tools and process.		
Workflow development on checking Protocols and Patient Education on importance of scheduling Well-Care Visits/CPE.	Lead RN Care Coordinator to develop workflow for training nurses and medical assistants on: 1. Checking protocols to ensure a CPE is scheduled within the measurement year. 2. Scripting and tips on patient education to ensure patients understand the importance of completing their annual Well-Care Visit/CPE.	Practice Manager to check-in with Lead RN Care Coordinatorto ensure barriers for completion are evaluated and attended to.	August 1st, 2022
Workflow development on vaccine management that coincides with a patient's Well-Care Visit/CPE.	Lead RN Care Coordinator to develop workflow for all areas of vaccine administration and management to cross train the nursing and medical assistant team.	Lead RN Care Coordinator to run reports on overdue vaccines and work with RN Care Coordinators on outreach to patients and aligning with upcoming visits.	August 1st, 2022
Lead RN Care Coordinator and Office Coordinator-PSR to be trained in running Well-Care Visits (CPE) report and distribute monthly to their staff for review and scheduling.	HCH Health Information Systems Analyst and Practice Manager to review report and implement training for Lead RN Care Coordinator and Office Coordinator-PSR.	Practice Manager to evaluate any barriers to completing training and assist in evaluating workflow concerns and questions.	September 1st, 2022
Identify Barriers to Care: 1. Drill down and review patient cases where the Well-Care Visit was not completed.	HCH Quality Improvement Specialist, Lead RN Care Coordinator, Behavioral Health Coordinator and Office Coordinator-PSR to:	HCH Quality Improvement Specialist, Lead RN Care Coordinator and Office Coordinator-PSR to meet quarterly on progress and	November 1st, 2022 & ongoing.

Attachment #4 – Obesity Screening in Children and Adolescents

2. Case review and care plan development. 3. Identify resources for barrier reduction.	1. Review barriers 2. Identify workflow development needs. 3. Identify additional **resource needs, i.e.** transportation, schedule blocks, patient/family education, staff trainings.	advance any ongoing barriers to Practice Manager for review and supports.

Attachment #6 – Performance Measures

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS**.– Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the intention is that Contractors would accordingly go by the most up to date UDS guidance for these measures.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. **Breastfeeding**

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Testing**

This measure will be broken down in to two age based measures, based on current NH Legislation, RSA 130-A:5-a, which requires that children be tested for lead at age 1 as well as at age 2.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months (NH MCHS).

Attachment #6 – Performance Measures

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between twelve (12) months through twenty three (23) months of age.

2.2.1.2. Denominator: All children who turned twenty-four months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months (NH MCHS).

2.2.2.1. Numerator: All children who received at least one capillary or venous blood lead test between twenty-four (24) through thirty-six (36) months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool on the date of the encounter or up to 14 days prior to the date of the encounter using an age appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

gc

Attachment #6 – Performance Measures

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose

and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

Adult Measure

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI during the measurement period **AND** if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: BMI ≥ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the measurement year or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

Child/Adolescent Measure

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting

year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year **AND** who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: Number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco at least one within the past twelve (12) months AND received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least two (2) medical visit during the measurement year, OR 1 preventative visit

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

Attachment #6 – Performance Measures

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) –Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adult Measure

2.7.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

Adolescent Measure

2.7.2. SBIRT – Percent of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: All patients aged 12-17 years during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.7.2.4. Definitions:

2.7.2.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.2.4.2. Brief Intervention: Includes guidance or counseling.

2.7.2.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

Attachment #6 – Performance Measures

2.7.3. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.3.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services

2.7.3.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.3.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8 Developmental Screening Measure

Percent of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months (NH MCHS)

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and who had at least (1) medical visit during the measurement year

gc

Attachment #7 – Performance Measure Outcome Report Template

Instructions for completing this Performance Measure Outcome Report (PMOR):
The Performance Measure Outcome Report (PMOR) is to be completed by your agency and emailed to shari.campbell@dhhs.nh.gov at the intervals specified on the Reporting Calendar.

Please complete the Narrative and Plan for Improvement sections for any of the following measures where your agency did not meet your agency target for the reporting period (July 1, 20XX – June 30, 20XX).

Performance measures:

- Breastfeeding
- Lead Screening for 1 Year Olds
- Lead Screening for 2 Year Olds
- Adolescent well care visit
- Depression screening and follow up plan if positive screening, 12 years and older
- Maternal Depression Screening
- Adults with documented BMI and follow-up plan if BMI outside of normal range
- Children 3-17 with documented BMI, nutrition counseling and physical activity counseling
- Adult tobacco screening and cessation counseling intervention for smokers
- Prenatal Tobacco screening each trimester and cessation counseling intervention for smokers
- SBIRT, Adults
- SBIRT, Adolescents
- SBIRT, Pregnant Women
- Developmental Screening-M-CHAT

* Note: Not met performance measures that have been addressed by your agency SFYXX Work Plan are excluded from this report. For example, the PMOR will omit Adolescent Visit measure for Primary Care Services

1. The Narrative section is to explain what happened during the year i.e. why measure was not met, what barriers/challenges your agency faced, describe any improvement activities that took place during the year to correct along the way, etc.

2. The Plan for Improvement section is to describe what steps your agency will take to achieve your agency target in SFYXX i.e. describe your strategy (PDSA), what will you plan to do differently etc.

3. Please email your completed PMOR **Shari Campbell at shari.campbell@dhhs.nh.gov by the dates indicated in the Reporting Calendar.** If you have any questions about completing this document, please contact Jannell Levine at Jannell.E.Levine@dhhs.nh.gov or 603-856-6449.

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Maternal and Child Health Care in the Integrated Primary Care Setting contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Mid-State Health Center ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 15, 2022 (Item #32), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $924,578

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Section 1.3.2., to read:

   1.3.2. Prenatal care either on site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data related to prenatal performance measures.

5. Modify Exhibit B, Scope of Services, Section 1.7.2., to read:

   1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data relating to prenatal performance measures to the Department.

6. Modify Exhibit B, Scope of Services, Section 1.10.1. through Section 1.10.2., to read:

   1.10.1. Initiative One (1) – Screening and Referrals for SDOH; and

   1.10.2. Initiative Two (2) – Contractor's choice, which must focus on enabling services.

7. Modify Exhibit B, Scope of Services, Section 1.12.1. through Section 1.12.2., to read:

   1.12.1. QI Project One (1): Increasing Adolescent Well Visits; and

   1.12.2. QI Project Two (2): Increasing post-partum clinical depression screening of women within the first 12 weeks after delivering.

8. Modify Exhibit B, Scope of Services, Section 1.18., to read:

   1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator, or staff person essential to providing services and/or any personnel changes to these positions. The Contractor shall ensure notification:

      1.18.1. Is provided to the Department no later than thirty (30) business days from the date of hire or personnel change; and

      1.18.2. Includes a copy of the new staff individual's resume as well as an updated

staffing list.

9. Modify Exhibit B, Scope of Services, by adding Section 1.28., to read:

   1.28. The Contractor shall provide de-identifiable patient level data on the integrated and primary health care services provided, as specified in Subsection 1.3., and Section 1.26. Reporting.

10. Modify Exhibit C, Payment Terms, Section 1.1. through Section 1.2., to read:

    1.1. 14% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Assistance Listing Number (ALN) 93.994, FAIN B04MC45230, and as awarded on October 27, 2022, ALN 93.994, FAIN B04MC47432.

    1.2. 86% General funds.

11. Modify Exhibit C, Payment Terms, Section 3., to read:

    3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget Sheet through Exhibit C-4, Budget Sheet, Amendment #1.

12. Modify Exhibit C, Payment Terms, Section 4.3., to read:

    4.3. Identifies and requests payment for allowable costs incurred in the previous month. Allowable costs are costs incurred that specifically supports only New Hampshire Infants, Children and Adolescents from birth to 21 years of age, Pregnant Women, and Women of Childbearing age.

13. Modify Add Exhibit C, Payment Terms, by adding Section 4.7., to read:

    4.7. Includes budget line items that are used exclusively for serving the Maternal and Child Health population and invoicing must clearly state how the incurred expenses benefited this specific patient population.

14. Modify Attachment 3, Reporting Calendar, by replacing it in its entirety with Attachment 3, Amendment #1, Reporting Requirements Calendar, which is attached hereto and incorporated by reference herein.

15. Modify Attachment 6, Performance Measures, by replacing it in its entirety with Attachment 6, Amendment #1 – SFY 2025 Performance Measures, which is attached hereto and incorporated by reference herein.

16. Modify Attachment 7, Performance Measure Outcome Report (PMOR), by replacing it in its entirety with Attachment 7, Amendment #1, Performance Measure Outcome Report (PMOR), which is attached hereto and incorporated by reference herein.

17. Add Attachment 8, Amendment #1, DTT – MCH in the Integrated Primary Care Setting Template, which is attached hereto and incorporated by reference herein.

18. Add Exhibit C-4, Budget Sheet, Amendment #1, which is attached hereto and incorporated by reference herein.

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2024, upon Governor and Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

1. Definitions

1.1. **Measurement Year** – Consists of 365 days and is defined as either:

1.1.1. A Calendar Year (January 1st through December 31st), or

1.1.2. A State Fiscal Year (July 1st through June 30th).

1.2. **Medical Visit** –Defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. The UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the expectation is that the Contractor will adhere to the most up to date UDS guidance.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who were ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for approximately six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down into two (2) age-based measures, based on current NH Legislation RSA 130-A:5-a, which requires children be tested for lead at one (1) year of age, and at two (2) years of age.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between 12 and 23 months of age (NH MCHS).

DS
RJM

4/17/2024

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between 12 and 23 months of age.

2.2.1.2. Denominator: All children who turned 24 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between 24 and 36 months of age (NH MCHS).

2.2.2.1. Numerator: All children who received at least one (1) capillary or venous blood lead test between 24 and 36 months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool on the date of the encounter or within 14 days prior to the date of the encounter **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients 12 through 21 years of age who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 through 21 years of age by the end of the measurement year who had at least one (1) medical visit during the measurement year.

DS RJM

4/17/2024

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit in the first 12 weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

DS

4/17/2024

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.5. **Preventive Health: Obesity Screening**

Child/Adolescent Measure

2.5.1. Percent of patients three (3) through 17 years of age who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.1.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.1.2. Denominator: Number of patients who were one (1) year after their second (2nd) birthday (i.e., three (3) years of age) through adolescents who were up to one (1) year past their 16th birthday (i.e., 17 years of age) at some point during the measurement year, who had at least one (1) medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.1.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers **PLUS** queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) – Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adolescent Measure

2.7.1. SBIRT – Percent of patients 12 through 17 years of age who were screened for substance use using a formal valid screening tool during

DS RJM

any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use using a formal valid screening tool during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients 12 through 17 years of age during the measurement year with at least one (1) medical visit during the measurement year and with at least two (2) medical visits ever.

2.7.1.4. Definitions:

2.7.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.1.4.2. Brief Intervention: Includes guidance or counseling.

2.7.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.7.2. Percent of pregnant women who were screened using a formal valid screening tool for substance use during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of women in the denominator who were screened for substance use using a formal and valid screening tool during each trimester they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8. **Developmental Screening Measure**

Percent of children who reached 30 months of age by the end of the reporting period, and were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age (NH MCHS).

DS
RJM

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age.

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and had at least one (1) medical visit during the measurement year.

State of New Hampshire

Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that MID-STATE HEALTH CENTER is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on January 09, 1998. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: **285492**

Certificate Number: **0006592367**

IN TESTIMONY WHEREOF,

I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this 1st day of March A.D. 2024.

David M. Scanlan

Secretary of State

CERTIFICATE OF AUTHORITY

I, Carina Park, hereby certify that:
(Name of the elected Officer of the Corporation/LLC; cannot be contract signatory)

1. I am a duly elected Clerk/Secretary/Officer of Mid-State Health Center.
(Corporation/LLC Name)

2. The following is a true copy of a vote taken at a meeting of the Board of Directors/shareholders, duly called and held on March 26, 2024, at which a quorum of the Directors/shareholders were present and voting.
(Date)

VOTED: That Robert MacLeod, (may list more than one person)
(Name and Title of Contract Signatory)

is duly authorized on behalf of Mid-State Health Center to enter into contracts or agreements with the State
(Name of Corporation/ LLC)

of New Hampshire and any of its agencies or departments and further is authorized to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, which may in his/her judgment be desirable or necessary to effect the purpose of this vote.

3. I hereby certify that said vote has not been amended or repealed and remains in full force and effect as of the date of the contract/contract amendment to which this certificate is attached. This authority **remains valid for thirty (30)** days from the date of this Certificate of Authority. I further certify that it is understood that the State of New Hampshire will rely on this certificate as evidence that the person(s) listed above currently occupy the position(s) indicated and that they have full authority to bind the corporation. To the extent that there are any limits on the authority of any listed individual to bind the corporation in contracts with the State of New Hampshire, all such limitations are expressly stated herein.

Dated: 3/26/24

Independent Auditors' Report

To the Board of Trustees of
Mid-State Health Center and Subsidiary:

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Mid-State Health Center and Subsidiary, which comprise the consolidated statements of financial position as of June 30, 2023 and 2022, and the related consolidated statements of operations and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Mid-State Health Center and Subsidiary as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mid-State Health Center and Subsidiary and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid-State Health Center and Subsidiary's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Tyler, Simms & St. Sauveur, CPAs, PLLC • 19 Morgan Drive • Lebanon, NH 03766 • Ph. 603-653-0044 • Fax 603-653-0209
www.tss-cpa.com

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mid-State Health Center and Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid-State Health Center and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying consolidating information and schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information and schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 27, 2023 on our consideration of Mid-State Health Center and Subsidiary's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Mid-State Health Center and Subsidiary's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Mid-State Health Center and Subsidiary's internal control over financial reporting and compliance.

Net incrase (decrease) in cash, cash equivalents and restricted cash	153,599	(431,951)
Cash, cash equivalents and restricted cash, beginning of year	3,052,154	3,484,105
Cash, cash equivalents and restricted cash, end of year	$ 3,205,753	$ 3,052,154

The accompanying notes to financial statements are an integral part of these statements.

MID-STATE HEALTH CENTER AND SUBSIDIARY
Consolidated Statements of Cash Flows (continued)
For the Years Ended June 30, 2023 and 2022

Cash, cash equivalents and restricted cash consisted of the following as of June 30:

	2023	2022
Cash and cash equivalents	$ 3,087,135	$ 2,947,101
Restricted cash	118,618	105,053
	$ 3,205,753	$ 3,052,154

Supplemental Disclosures of Cash Flow Information

	2023	2022
Cash payments for:		
Interest	$ 232,935	$ 195,505

Supplemental Disclosures of Non-Cash Information

	2023	2022
Total purchases of property and equipment	$ 1,796,099	$ 3,084,463
Change in construction payables	423,568	(602,083)
Amount purchased through the issuance of long-term debt	(30,609)	(937,334)
Cash purchases of property and equipment	$ 2,189,058	$ 1,545,046

	2023	2022
Total repayments of long-term debt	$ 2,483,627	$ 142,443
Refinanced with long-term debt	(1,960,514)	-
Cash payments on long-term debt	$ 523,113	$ 142,443

The accompanying notes to financial statements are an integral part of these statements

1. The Organization and Summary of Significant Accounting Policies:

Organization

Mid-State Health Center ("MSHC") is a Federally Qualified Health Center (FQHC) which provides health care to a large number of Medicare, Medicaid, and charity care patients on an outpatient basis. MSHC maintains facilities in Plymouth and Bristol, New Hampshire.

The consolidated financial statements include the accounts of Mid-State Community Development Corporation (MSCDC), collectively, "the Organization." Effective September 23, 2010, the Organization was transferred a sole member interest in MSCDC, which owns the 19,500 square foot operating facility that was developed to house the Organization, providing medical services to the underserved community in the Plymouth, New Hampshire region.

Use of Estimates

The Organization uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

Basis of Statement Presentation

The consolidated financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The consolidated financial statements have been prepared consistent with the American Institute of Certified Public Accountants *Audit and Accounting Guide, Health Care Organizations* (Audit Guide). All significant intercompany transactions between MSHC and MSCDC have been eliminated in consolidation.

Classes of Net Assets

The Organization reports information regarding its consolidated financial position and operations to two classes of net assets; net assets without donor restrictions and net assets with donor restrictions, based on the existence or absence of donor-imposed restrictions.

Net Assets Without Donor Restrictions - Include net assets available for use in general operations and not subject to donor restrictions.

Net Assets With Donor Restrictions - Include net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time - such as promises to give - or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. When an implied time restriction ends or purpose restriction is satisfied, net assets with door restriction are reclassified to net assets without donor restriction and are reported on the consolidated statements of operations as net assets released from donor restrictions. The Organization has elected the "simultaneous release" accounting policy option, such that, conditional contributions received whose condition lapses simultaneously with the expiration of donor-imposed use restrictions are reported in net assets without donor restrictions. Additionally, unconditional contributions received and who donor-imposed use restriction is satisfied within the same period are reported in net assets without door restriction.

1. The Organization and Summary of Significant Accounting Policies (continued):

Cash and Cash Equivalents

Cash and cash equivalents are defined as cash and short-term investments with an original maturity of three months or less from the date of purchase.

Cash in Excess of FDIC-Insured Limits

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. Accounts are generally guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. The Organization has not experienced any losses in such accounts.

Patient Services Receivable

Patient services receivable result from the health care services provided by the Organization. Patient services receivable are recorded at net realizable value at the transaction price based on standard charges for services provided, reduced by both implicit and explicit price adjustments provided to third-party payors. Sliding fee scale, explicit price concession, is offered to uninsured patients if they are eligible in accordance with the Organization's policies, or implicit price concessions if collection is not expected to be collected on the patient portion, and/or implicit price concessions provided to uninsured or underinsured patients, and do not bear interest. Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to patient revenues in the period of the change.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Property and equipment donated for Organization operations are recorded at fair value at the date of receipt. Expenditures for repairs and maintenance are expensed when incurred and betterments are capitalized.

Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method. Equipment under capital leases is amortized on the straight-line method over the life of the capital lease. Such amortization is included in depreciation and amortization in the financial statements.

Estimated useful lives are as follows:

	YEARS
Buildings	5 - 40
Leasehold improvements	5
Equipment	3 - 7
Furniture and fixtures	5 - 15
Capital leases	3 - 15

The Organization reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment include current operating results, trends, and prospects, as well as the effects of obsolescence, demand, competition, and other economic factors.

1. The Organization and Summary of Significant Accounting Policies (continued):

Net Patient Services Revenue

Net patient services revenue is recognized at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing patient care. These amounts are due from patients, third-party payors and others and includes variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Organization bills the patients and third-party payors several days after the services are performed. Revenue is recognized as performance obligations are satisfied. Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied at a point in time are recognized when services are provided, and the Organization does not believe it is required to provide additional services to the patient. The Organization determines the transaction price based on standard charges for services provided, reduced by contractual adjustments provided to third-party payors. Sliding fee scale is offered to uninsured patients if they are eligible in accordance with the Organization's policy. The Organization determines its estimates of contractual adjustments and discounts based on contractual agreements, its discount policies and historical experience. The Organization determines its estimate of implicit price concessions based on its historical collection experience with this class of patients.

The Organization applies the following practical expedients provided in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 606, *Revenue from Contracts with Customers*, to its contracts with patients:

(i) The Organization applies the portfolio approach as a practical expedient allowed under ASC Subtopic 606-10-10-4 to account for most of its patient contracts as a collective group rather than on an individual basis. The Organization does not expect the impact to the consolidated financial statements, when applying the revenue recognition guidance for patient services revenue, to differ materially using the portfolio approach rather than if applied at an individual contract level.

(ii) The Organization has elected the practical expedient allowed under ASC Subtopic 606-10-32-18 to not adjust the transaction price for the effects of a significant financing component, as payment is expected to be received from patients and third-party payors within one year from the date the patient receives services.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy with minimal charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as revenue or included in patient services receivable.

Determination of eligibility for charity care is granted on a sliding fee basis. Patients with family income less than 100% of the Community Services Administration Income Poverty Guidelines shall only be responsible for a nominal fee assessed by the Organization and not the balance of their account for services received. Those with family income at least equal to 101%, but not exceeding 125% of the Federal Poverty Guidelines, receive a 65% discount. Those with family income at least equal to 126%, but not exceeding 150% of the guidelines, receive a 55% discount. Those with family income at least equal to 151%, but not exceeding 200% of the guidelines, receive a 45% discount.

The Organization maintains records to identify and monitor the level of charity care they provide. These records include the amount of charges foregone for services and supplies furnished under their charity care policies. The total cost estimate is based on an overall cost-to-charge ratio applied against gross charity care charges. The net cost of charity care provided was approximately $127,000 and $190,000 for the years ended June 30, 2023 and 2022, respectively.

1. The Organization and Summary of Significant Accounting Policies (continued):

Government Grant Revenue

Government grants, consisting of federal, state, and local grants, are primarily considered to be conditional contribution transactions, the majority of which are cost-reimbursement grants. The Organization has elected the "simultaneous release" accounting policy option, such that, conditional contributions received whose condition lapses simultaneously with the expiration of donor-imposed use restrictions are reported in net assets without donor restrictions. The Organization's costs incurred under its government grants are subject to audit by government agencies. Management believes the disallowance of costs, if any, would not be material to the consolidated financial position or consolidated statement of operations.

Revenue from government grants considered to be exchange transactions are included under the caption "contracted services" on the Organization's consolidated statement of operations.

Contract Revenue

The Organization has entered into various service agreements considered to be exchange transactions. Significant items included in contracted services include:

(i) The Organization participates in the 340B Drug Discount Program which enables qualifying entities to purchase drugs from pharmaceutical suppliers at a substantial discount. The 340B Drug Discount Program is managed by the Health Resources and Services Administration (HRSA) Office of Pharmacy Affairs. The Organization earns revenue under this program by purchasing pharmaceuticals at a reduced cost to fill prescriptions to qualified patients. The Organization has a network of participating pharmacies that dispense the pharmaceuticals to its patients under contract arrangements with the Organization. Reported 340B revenue consists of the gross pharmacy reimbursements. Pharmacy and third-party administrator fees are included in expenses. The 340B expenses are included in supplies and expenses (See Note 15).

(ii) The Organization has contracted with a third-party to provide managed in-house infusion services.

(iii) The Organization enters into purchased services agreements. The agreements generally are with certain organizations who purchase services of personnel employed by the Organization. Contracted service revenue is earned over time, utilizing an output method, as the Organization provides the service. The transaction price is negotiated with the customer and is usually based on standard hourly rates for the service, based on the respective personnel utilized. Revenue pursuant to these agreements have been classified as "contracted services" on the Organization's consolidated statement of operations.

Other Operating Revenue

The Organization recognizes other operating revenue central to day-to-day operations primarily consisting of revenue from the Organizations childcare center, rental of space within its facility by individuals and organizations providing services in a medical related field, quality incentive income and other miscellaneous service reimbursements not directly related to patient care.

Contributions

Contributions are recognized at the earlier of when cash is received or at the time a promise becomes unconditional in nature. Contributions are recorded in the net asset classes described earlier depending on the existence and/or nature of any donor-imposed restriction.

1. The Organization and Summary of Significant Accounting Policies (continued):

Nonfinancial Contributions

Contributed medical supplies and materials are valued at the estimated fair value on the basis of estimates of wholesale values that would be received for selling similar products in the United States. Contributed services, generally comprised of professional services from medical professionals, are valued and reported at the estimated fair value in the financial statements based on current rates for similar services. Nonfinancial contributions were immaterial in nature during the years ended June 30, 2023 and 2022, none of which were restricted by donors

Income Taxes

MSHC and MSCDC are not-for-profit corporations as described in Section 501(c)(3) of the Internal Revenue Code (Code) and are exempt from Federal income taxes on related income pursuant to Section 501(a) of the Code.

The Organization accounts for its uncertain tax positions in accordance with the accounting methods under ASC Subtopic 740-10. The UTP rules prescribe a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken in an organization's tax return. The Organization believes that it has appropriate support for the tax positions taken and, as such, does not have any uncertain tax positions that might result in a material impact on the Organization's statements of financial position, operations and changes in net assets and cash flows. The Organization's management believes it is no longer subject to examinations for the years prior to 2019.

Advertising

Advertising costs are charged to operations when incurred. Total advertising expense for the years ended June 30, 2023 and 2022 was $56,443 and $57,908, respectively.

Functional Allocation of Expenses

Expenses that can be identified with specific program or supporting services are charged directly to the related program or supporting service. Expenses that are associated with more than one program or supporting service are allocated based on an evaluation by management utilizing measurements for time and effort, square footage and/or encounter based statistics.

Operating Income (Loss)

The consolidated statements of operations includes a determination of operating income (loss). The Organization considers all of its health care and related activities to be part of normal operations and considers the caption "operating income (loss)"to be its performance indicator. Changes in net assets without restrictions which are excluded from excess (deficit) of revenues over expenses, consistent with industry practice, include contributions and grants of long-lived assets.

Changes in net assets without donor restrictions, which are excluded from operating income (loss), includes contributions for long-lived assets (including assets acquired using contributions, which by donor restriction were used for the purpose of acquiring such assets) and infrequent transactions.

1. The Organization and Summary of Significant Accounting Policies (continued):

Fair Value of Financial Instruments

The carrying amount of cash, patient services receivable, accounts and notes payable and accrued expenses approximates fair value.

Liquidity

Assets are presented in the accompanying consolidated statements of financial position according to their nearness of conversion to cash and liabilities according to the nearness of their maturity and resulting use of cash.

Change in Accounting Principle

In February 2016, the FASB issued Accounting Standard Update 2016-02, Leases (Topic 842). Under the new guidance, lessees are required to recognize the following for all leases (with the exception of leases with a term of 12 months or less) at the commencement date: (a) a lease liability, which is a lessee's obligation to make lease payments arising from a lease, measured on a discounted basis; and (b) a right-of-use asset, which is an asset that represents the lessee's right to use, or control the use of, a specified asset for the lease term. Leases are classified as either operating or finance. Operating leases result in straight-line expense in the statement of operations (similar to previous operating leases), while finance leases result in more expense being recognized in the earlier years of the lease term (similar to previous capital leases). The Organization adopted the new standard on July 1, 2022 using the modified retrospective approach. The Organization elected the transition method that allows for the application of the standard at the adoption date rather than at the beginning of the earliest comparative period presented in the consolidated financial statements. The Organization also elected available practical expedients (Note 9).

2. Patient Services Revenue and Patient Services Receivable:

Patient services revenue, net of explicit and implicit price concessions, consisted of the following for the years ended June 30:

	2023	2022
Gross patient services revenue	$ 14,951,330	$ 12,850,488
Less: explicit and implicit price concessions	(5,428,440)	(4,023,266)
Net patient services revenue	$ 9,522,890	$ 8,827,222

Patient services receivable results from the health care services provided by the Organization. Patient services receivable are recorded at net realizable value at the transaction price based on standard charges for services provided, reduced by: (1) both contractual (explicit) and implicit price adjustments provided to third-party payors, (2) sliding fee scale adjustments (explicit price concessions) offered to uninsured or underinsured patients if they meet the Organization's eligibility policies, (3) implicit price concessions if collection is not expected to occur for some or all of the patient portion and (4) other implicit price concessions provided to uninsured or underinsured patients. Patient services receivable do not bear interest. Subsequent changes to the estimate of the transaction price are generally recorded as an adjustment to patient services revenue in the period of change.

2. Patient Services Revenue and Patient Services Receivable (continued):

Patient services receivable, net of explicit and implicit price concessions, was as follows as of June 30:

	2023	2022
Gross patient services receivable	$ 3,245,021	$ 3,764,909
Less: explicit and implicit price concessions	1,698,206	1,868,800
Patient services receivable, net	$ 1,546,815	$ 1,896,109

3. Estimated Third-Party Settlements:

Provision has been made for estimated adjustments that may result from final settlement of reimbursable amounts as may be required upon completion and audit of related cost finding reports under terms of contracts with the Center for Medicare and Medicaid Services and the New Hampshire Division of Welfare (Medicaid). Differences between estimated adjustments and amounts determined to be recoverable or payable are accounted for as income or expense in the year that such amounts become known.

4. Government Grants Receivable:

The Organization receives various reimbursement grants from the federal government, State of New Hampshire and other public agencies considered to be conditional contributions (see Note 1). The following is a summary of the grant activity for the years ended June 30:

	Government Grants Income		Government Grants Receivable	
	2023	2022	2023	2022
HRSA 330 Grant	$ 2,837,288	$ 2,767,295	$ -	$ -
Provider Relief Funding	725,768	296,317	-	-
Bi-State Primary Care	590,109	151,773	96,118	42,859
Emergency Preparedness Grants	450,242	364,651	96,821	100,458
NH Primary Care Contracts	363,821	133,125	83,527	25,636
CADRE Funding	249,585	-	-	-
Other government grants	118,198	108,468	22,659	10,786
	$ 5,335,011	$ 3,821,629	$ 299,125	$ 179,739

5. Property and Equipment:

Property and equipment consisted of the following as of June 30:

	2023	2022
Land	$ 656,173	$ 656,173
Buildings	11,816,505	8,273,928
Leasehold improvements	821,949	546,840
Furniture, fixtures and equipment	2,232,259	1,795,391
Projects in progress	324,568	2,784,136
	15,851,454	14,056,468
Less: Accumulated depreciation	4,023,204	3,543,693
	$ 11,828,250	$ 10,512,775

Depreciation and amortization expense for the years ended June 30, 2023 and 2022 amounted to $480,624 and $321,467, respectively.

6. Line of Credit:

The Organization had an available line of credit with a maximum borrowing amount of $150,000 as of June 30, 2022. During the year ended June 30, 2023, the Organization increased the available line of credit with a maximum borrowing amount of $400,000 maturing March 2024. The line carries an interest rate equal to prime plus 2% (prime was 9.25% as of June 30, 2023). The line is secured by all business assets. The line was not drawn upon as of June 30, 2023 and 2022.

7. Refundable Advance:

The Organization received upfront payments of certain provider relief grant funding through the Department of Health and Human Services as a result of COVID-19. The payments were disbursed in four designated periods with the expectation that each period will require a reporting by the organization regarding its use of the funds for qualifying purposes. The funding is intended to cover the costs of personal protective equipment, other COVID related expenses and lost revenues attributable to COVID-19. These funds have been considered conditional, in accordance with ASU No. 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made,* with a refunding requirement. Funding received through June 30, 2023 totaled $1,670,618. The Organization recognizes the funding as income as it identifies qualifying revenue drop or COVID related expenditures. For each reporting period, excess qualifying expenses and revenue drop from the Organization's reporting are available to carry over and be used against its subsequent period payments received. For the years ended June 30, 2023 and 2022, the Organization recognized, as government grant income, $725,768 and $296,317 of its total Provider Relief Funding payments. Excess payments as of June 30, 2022, which the Organization had not yet identified qualifying COVID related expenditures or revenue drop for, were carried on the Organization consolidated statement of financial position as a refundable advance and totaled $443,257.

8. Long-Term Debt:

Long-term debt consisted of the following as of June 30:

	2023	2022
United States of America Department of Agriculture note payable, maturing April 2045, principal and interest payable in 360-monthly payments of $10,904. Interest is charged at a rate of 3.5% (see Note 8a).	$ 1,989,470	$ 2,049,550
U.S. Small Business Administration Economic Disaster Injury Loan, maturing May 2051, principal and interest payable in 360-monthly payments of $641 commencing June 2021. Interest is charged at a rate of 2.75%.	157,534	149,359
Bank of NH note payable, maturing November 2031, principal and interest payable in 120-monthly installments based on a 25-year amortization of $11,918 through November 2031. At the maturity date, the entire principal balance plus interest payable will be due. Interest is charged at a rate of 3.57%.	2,193,086	2,255,880
Bank of NH note payable, maturing November 2031, principal and interest payable in 120-monthly installments based on a 25-year amortization of $4,869 through November 2031. At the maturity date, the entire principal balance plus interest payable will be due. Interest is charged at a rate of 3.57%.	895,900	921,390
USDA Rural Development Community Facility Loan Little Antlers Learning Center construction, maximum of $1,995,000, 30-year amortization of final principal plus interest upon closing.	-	337,334
CAKRP, LLC note payable, maturing September 2026, annual principal payments of $120,000 plus interest accrued at a rate of 3.25% commencing September 2022.	480,000	600,000
United States of America Department of Agriculture note payable, maturing January 2053, principal and interest payable in 360-monthly payments of $7,641. Interest is charged at a rate of 2.25%.	1,973,967	-
Total long-term debt	7,689,957	6,313,513
Less: unamortized deferred financing costs	33,279	35,209
Total long-term debt, net of unamortized deferred financing costs	7,656,678	6,278,304
Less: current portion	323,802	609,219
Long-term debt, less current portion	$ 7,332,876	$ 5,669,085

8. Long-Term Debt (continued):

8a The Organization's loan agreement requires the Organization to establish a reserve account which is to be funded in monthly installments of $1,090 until the accumulated sum of reserve funding reaches $130,848, after which no further funding is required except to replace withdrawals. As of June 30, 2023, the reserve account totaled $118,618, reflected on the consolidated statement of financial position as restricted cash.

Future maturities of long-term debt are as follows as of June 30, 2023:

2024	$ 323,802
2025	331,987
2026	338,864
2027	345,977
2028	232,786
Thereafter	6,116,541
	$ 7,689,957

9. Leases:

In February 2016, the FASB issued ASU 2016-02 (Topic 842), Leases. Topic 842 supersedes the lease requirements in Accounting Standards Codification Topic 840, Leases. Under Topic 842, lessees are required to recognize assets and liabilities on the balance sheet for most leases and provide enhanced disclosures. Leases will be classified as either finance or operating. The Organization adopted Topic 842 effective July 1, 2022.

The Organization applied Topic 842 to all leases as of July 1, 2022 with comparative periods continuing to be reported under Topic 840. The Organization has elected the practical expedient package to not reassess at adoption: (i) expired or existing contracts for whether they are or contain a lease, (ii) the lease classification of any existing leases or (iii) initial indirect costs for existing leases. The Organization has also elected the policy exemption that allows lessees to choose to not separate lease and non-lease components by class of underlying asset and are applying this expedient to all relevant asset classes.

The Organization determined if an arrangement is or contains a lease at inception of the contract. Right-of-use asset represents a right to use the underlying asset for the lease term and the right-of-use obligation represent the obligation to make lease payments arising from the leases. The right-of-use asset and right-of-use lease obligation are recognized at commencement date based on the present value of lease payments over the lease term. The Organization uses the implicit rate noted within the contract. If not readily available, the Organization uses the estimated incremental borrowing rate, which is derived using a collateralized borrowing rate for the same currency and term as the associated lease. A right-of-use asset and right-of-use lease obligation are not recognized for leases with an initial term of 12 months or less and the Organization recognizes lease expense for these leases on a straight-line basis over the lease term within lease as rental expense.

The Organization's operating leases are for leased facilities in Lincoln and Plymouth, N.H. The lease agreements have remaining terms between 24 and 36 months as of June 30, 2023. The Organization considered the lease renewal options when determining the lease term. The Organization's finance lease is for an ultrasound machine with a term of 35 month remaining as of June 30, 2023.

9. Leases (continued):

The components of lease expense are as follows for the year ended June 30, 2023:

Operating lease cost	$	61,764
Variable and short term lease cost (a)		119,896
Total lease and rental expense	$	181,660
Finance lease cost:		
Amortization of property under finance lease	$	2,420
Interest on debt of property under finance lease		345
Total finance lease cost	$	2,765

(a) Includes month-to-month leases, variable payments, and leases with a maturity of less than 12 months.

Supplemental balance sheet information related to leases as of June 30, 2023, are as follows:

Operating leases		
Right-of-use assets	$	366,162
Accumulated amortization		(61,763)
Right-of-use assets, net	$	304,399
Current portion of right-of-use obligations	$	119,976
Long-term right-of-use obligations		190,250
Total right-of-use obligation	$	310,226
Finance leases		
Right-of-use assets	$	87,111
Accumulated amortization		(2,420)
Right-of-use assets, net	$	84,691
Current portion of right-of-use obligations	$	27,782
Long-term right-of-use obligations		57,073
Total right-of-use obligation	$	84,855
Weighted average remaining lease term, years		
Operating leases		2.59
Finance leases		2.92
Weighted average discount rate		
Operating leases		3.51%
Finance leases		4.75%

9. Leases (continued):

Supplemental cash flow information related to leases for the year ended June 30, 2023, are as follows:

Cash paid for amounts included in the measurement of lease liabilities:

Operating cash flows from operating leases	$ 60,000
Operating cash flows from finance leases	345
Financing cash flows from finance leases	2,256
	$ 62,601

10. Net Assets with Donor Restrictions:

Net assets with donor restrictions consisted of the following as of June 30:

	2023	2022
Little Antlers Learning Center	$ -	$ 981,241
Promises to give due in the future	-	20,000
	$ -	$ 1,001,241

11. Liquidity:

Financial assets available for general expenditures within one year of the balance sheet date consisted of the following as of June 30:

	2023	2022
Cash and cash equivalents	$ 3,087,135	$ 2,947,101
Patient services receivable, net	1,546,815	1,896,109
Government grants receivable	299,125	179,739
Contract and other receivables	3,078,552	987,475
	$ 8,011,627	$ 6,010,424

As part of its liquidity management strategy, the Organization structures its financial assets to be available as its general expenditures, liabilities and other obligations come due. The Organization has certain restricted cash balances totaling $118,618 and $105,053 as of June 30, 2023 and 2022, respectively, representing funds required to be set aside as a building maintenance reserve for the Organization's Bristol, New Hampshire location. These balances have not been included in the Organization's financial assets available for general expenditure within one year.

12. Retirement Program:

During 2007, the Organization adopted a tax-sheltered annuity plan under 403(b) of the Code for eligible employees. Eligible employees are specified as those who normally work more than 20 hours per week and are not classified as independent contractors. The Organization provides for matching of employee contributions, 50% of the first 6% contributed. Contributions to the plan for the years ended June 30, 2023 and 2022 were $260,556 and $187,944, respectively.

13. Malpractice Insurance Coverage:

The U.S. Department of Health and Human Services deemed the Organization covered under the Federal Tort Claims Act (FTCA) for damage for personal injury, including death, resulting from the performance of medical, surgical, dental, and related functions. FTCA coverage is comparable to an occurrence policy without a monetary cap. Prior to being deemed for coverage under the FTCA, the Organization purchased medical malpractice insurance under a claims-made policy on a fixed premium basis. The Organization purchases primary and excess liability malpractice insurance under occurrence policies for certain services and other portions of the Organization not covered under FTCA. Claim liabilities are determined without consideration of insurance recoveries. Expected recoveries are presented separately. Management analyzes the need for an accrual of estimated losses of medical malpractice claims, including an estimate of the ultimate costs of both reported claims and claims incurred but not reported. In such cases, the expected recovery from the Organization's insurance provider is recorded within prepaid expenses and other receivables. As of June 30, 2023 and 2022, subsequent to management's assessment of potential reported and not yet reported claims, management determined that its exposure for potential unreported claims was immaterial and consequently did not provide for an accrual. It is possible that an event has occurred which will be the basis of a future material claim.

14. Health Insurance:

The Organization participates in a captive health insurance plan (Captive Plan). The Organization is subject to a stop-loss limit of $50,000 per participant in the Plan before additional coverage through the captive arrangement will commence coverage of claims. Claims submitted to the Captive Plan for reimbursement after the end of the fiscal year with service dates on or prior to June 30 are required to be recognized as a loss in the period in which they occurred. As such, the Organization has provided for a liability for unpaid claims with service dates as of or before June 30 which had not yet been reported totaling $187,276 and $101,537 as of June 30, 2023 and 2022, respectively, included under the caption "accrued expenses and other current liabilities". Employee deductible requirements under the Captive Plan range from $1,500 to $3,500.

15. Commitments and Contingencies:

Real Estate Taxes – The Organization and the Town of Plymouth, New Hampshire agreed to a payment in lieu of real estate taxes for a period of 10 years. The agreement identified real estate taxes previously paid by the Organization to the Town that the Organization was not required to pay as a result of its tax-exempt status. The sum of the overpayments will be applied evenly on an installment basis over the 10-year period, totaling $50,000. The Organization remains subject to its requirement to timely file its application for tax exemption with the Town on an annual basis.

340B Revenue – The Organization participates in the 340B Drug Discount Program (the 340B Program) which enables qualifying health care providers to purchase drugs from pharmaceutical suppliers at a substantial discount as a Covered Entity. The 340B Program is managed by the Health Resources and Services Administration (HRSA) Office of Pharmacy Affairs. The Organization is required to undergo a self-audit process to determine compliance with 340B Program guidelines. The 340B statutes also explicitly authorize HRSA to audit Covered Entities to ensure they are compliant with the 340B Program. All Covered Entities are also required to recertify compliance with the 340B Program on an annual basis, including an attestation to full compliance with the 340B Program. The Organization earns revenue under the 340B Program by purchasing pharmaceuticals at a reduced cost to fill prescriptions to qualified patients. The Organization contracts with certain third-party pharmacies that dispense the pharmaceuticals to its patients. 340B revenue is included in contract revenue within the consolidated statements of operations and totaled $1,813,364 and $1,694,593 for the years ended June 30, 2023 and 2022, respectively.

15. Commitments and Contingencies (continued):

The cost of pharmaceuticals, dispensing fees to the pharmacies, consulting fees and other costs associated with the 340B Program are included in operating expenses in the consolidated statements of operations and totaled $738,608 and $624,311 for the years ended June 30, 2023 and 2022, respectively.

Employee Retention Credit Program – The CARES Act created the Employee Retention Credit Program (2020 ERC), making it available in 2020, which was designed to encourage entities to keep employees on their payroll despite experiencing economic disruption due to the COVID-19 pandemic. Later, as a result of the Consolidated Appropriations Act (CA Act), the ERC program was extended and expanded for the first three quarters of calendar year 2021 (2021 ERC). The 2020 ERC program allows eligible entities to take a credit against certain employment taxes equal to 50% of up to $10,000 of qualified wages an eligible employer pays to employees in 2020. The 2021 ERC program allows eligible entities to take a credit against certain employment taxes equal to 70% of up to $10,000 of qualified wages an eligible employer pays to employees, for each quarter that the Company meets the applicable ERC eligibility requirements. During the year ended June 30, 2023, the Organization determined that it qualified for the 2020 ERC as well as the 2021 ERC. As a result, the Organization filed ERC claims totaling $2,338,209. As of June 30, 2023, the Organization also reported interest income on the credit claims of $116,401. To calculate and process the ERC claims, the Organization engaged a third party service organization, incurring fees totaling $228,821. The ERC claims have been reflected on the Organization's consolidated statemen to activities for the year ended June 30, 2023 as a nonoperating activity. As of June 30, 2023, the Organization reported a receivable for ERC claims, included on its consolidated statement of financial position as a current asset under the caption "contract and other receivables" in the amount of $2,454,610 as a current asset, included under the caption "other receivable", as it is expected that the Organization will receive the funds within 12 months of the statement of financial position date. The Organization remains subject to audit of its ERC claims, with the statutory period for audit of the quarterly claims ranging between three to five years.

16. Risks and Uncertainties:

The Organization is currently subject to risks and uncertainties resulting from the COVID-19 pandemic. While the Organization acknowledges the matter may negatively impact its results, the extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on future developments. Management believes that the Organization has taken appropriate actions to respond to and mitigate any negative impact COVID-19 may present.

16. Risks and Uncertainties (continued):

Significant sources of governmental assistance received in response to COVID-19, were as follows as of and for the years ended June 30:

	2023	2022
Recognized as grant and other income, net of fees:		
Employee retention credits, including interest	$ 2,454,610	$ -
Employee retention credit professional fees	(228,821)	-
HRSA 330 - American Rescue Plan Act	817,291	1,105,200
HRSA Provider Relief Funding	725,768	296,317
CARES Act benefits included in increase (decrease) in net assets	3,768,848	1,401,517
Liabilities reported:		
Refundable Advance - Provider Relief Funding	$ -	$ 443,257
Economic Injury Disaster Loan	157,534	149,359
Advance payments and long-term debt in total liabilities	$ 157,534	$ 592,616

17. Concentration of Credit Risk:

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payor agreements. The mix of gross patient service revenue from patients and third-party payors was as follows at June 30:

	2023	2022
Medicare	32%	28%
Medicaid	16%	20%
Blue Cross	21%	18%
Patients	6%	10%
Other third-party payors	25%	24%
	100%	100%

18. Subsequent Events:

The Organization has reviewed events occurring after June 30, 2023 through November 27, 2023, the date the board of trustees accepted the final draft of the consolidated financial statements and made them available to be issued.

MID-STATE HEALTH CENTER AND SUBSIDIARY

Notes to Schedule of Expenditures of Federal Awards

For the Year Ended June 30, 2023

1. Basis of Presentation:

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal award activity of the Organization under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 US. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

2. Summary of Significant Accounting Policies:

Expenditures, for other than COVID-19 Provider Relief Fund and American Rescue Plan (ARP) Rural Distribution (PRF), reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Schedule includes Catalog of Federal Domestic Assistance (CFDA) and pass-through award numbers when available.

Expenditures for PRF are reported on the Schedule based on guidance issued by the Health Resources & Services Administration. That guidance states that funds received in Periods 4 and 5 from July 1, 2021 through December 31, 2021 and January 1, 2022 through June 30, 2022, respectively, and used during the period of availability of January 1, 2020 to December 31, 2022 and January 1, 2020 to June 30, 2023, respectively, are included on the Schedule for the year ended June 30, 2023.

3. Indirect Cost Rate:

The Organization elected to use the 10% de minimis indirect cost rate.

4. Community Facilities Loans and Grants:

Loans outstanding at the beginning of the year are included in the federal expenditures presented in the Schedule. The balance of the loan outstanding under the Community Facilities Loans and Grants program, federal assistance listing number 10.766, as of June 30, 2023 was $0.

Report 1

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Trustees of
Mid-State Health Center and Subsidiary:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Mid-State Health Center and Subsidiary (the Organization), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of operations and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 27, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of MSHC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* (continued)

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report 2

Independent Auditors' Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance in Accordance with the Uniform Guidance

To the Board of Trustees of
Mid-State Health Center and Subsidiary:

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Mid-State Health Center and Subsidiary's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Mid-State Health Center and Subsidiary's major federal programs for the year ended June 30, 2023. Mid-State Health Center and Subsidiary's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Mid-State Health Center and Subsidiary complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Mid-State Health Center and Subsidiary and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Mid-State Health Center and Subsidiary's compliance with the compliance requirements referred to above.

Tyler, Simms & St. Sauveur, CPAs, PLLC • 19 Morgan Drive • Lebanon, NH 03766 • Ph. 603-653-0044 • Fax 603-653-0209

Independent Auditors' Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance in Accordance with the Uniform Guidance (continued)

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Mid-State Health Center and Subsidiary's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Mid-State Health Center and Subsidiary's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Mid-State Health Center and Subsidiary's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Mid-State Health Center and Subsidiary's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Mid-State Health Center and Subsidiary's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Mid-State Health Center and Subsidiary's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Independent Auditors' Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance in Accordance with the Uniform Guidance (continued)

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

White Mountain Community Health Center	174170-R001	Conway	$624,885
		Total:	**$8,158,520**

Funds are available in the following accounts for State Fiscal Years 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Department to increase access to integrated prevention and primary health care for the Maternal and Child Health (MCH) target population of women, infants, children and adolescents, and to address the maternal and youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

Approximately 194,940 individuals will be served from June 1, 2022 to June 30, 2024.

The Contractors will provide increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, and pregnant women and women of childbearing age, and must not exclude individuals who are uninsured; underinsured; and/or considered low-income. Integrated prevention and primary health care services are provided to individuals who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. The Contractors will integrate and coordinate access to medical, behavioral and social services by reducing barriers to care through an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will monitor services through the following performance measures:

- Percent of infants who were ever breastfed.
- Percent of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percent of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.

The Department selected the Contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from January 14, 2022 through February 25, 2022. The Department received 10 responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, pregnant women and women of childbearing age, and individuals who are uninsured; underinsured; considered low-income.

Source of Federal Funds: CFDA #93.994, FAIN B04MC45230

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

DS PM

Contractor Initials

Date 5/17/2022

8. EVENT OF DEFAULT/REMEDIES:

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor Initials PM

Date 5/17/2022

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall increase access to integrated healthcare for the Maternal and Child Health (MCH) target population of Women, Infants, Children and Adolescents from birth to 21 years of age, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

1.2. The Contractor shall provide and increase access to healthcare for New Hampshire Infants, Children and Adolescents from birth to 21 years of age, and Pregnant Women and Women of Childbearing age, and must not exclude individuals who are:

1.2.1. Uninsured.

1.2.2. Underinsured.

1.2.3. Considered low-income defined as less than 185% of the U.S. Department of Health and Human Services (US DHHS) Poverty Guidelines.

1.2.4. Lacking housing, including individuals whose primary residence during the night is a supervised public or private facility, such as a shelter, that provides temporary living accommodations.

1.2.5. Residing in transitional housing.

1.2.6. Unable to maintain their housing situation.

1.2.7. Forced to stay with a series of friends and/or extended family members, hence are considered homeless.

1.2.8. Recently released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.3. The Contractor shall provide integrated preventative and primary health care services to the populations in Subsection 1.2 above, which must include:

1.3.1. Behavioral health care;

1.3.2. Prenatal care either on site or by referral;

1.3.3. Care management; and

1.3.4. Enabling services.

1.4. The Contractor shall provide eligibility determination services that include, but are not limited to:

1.4.1. Notifying the Department in writing if/when access to primary care services for new patients is limited or closed for more than thirty (30)

consecutive business days or any sixty (60) non-consecutive business days.

1.4.2. Assisting individuals with completing a Medicaid/Expanded Medicaid and/or other health insurance applications.

1.4.3. Maximizing billing to private and commercial insurances for all reimbursable services rendered.

1.4.4. Posting a public notice in a conspicuous location specifying that no individual will be denied services due to inability to pay.

1.4.5. Developing and implementing a sliding fee scale for services in accordance with the Federal Poverty Guidelines and providing the sliding fee scale to the Department upon request.

1.5. The Contractor shall ensure primary care services are provided by a New Hampshire licensed:

1.5.1. Medical Doctor (MD);

1.5.2. Doctor of Osteopathic Medicine (DO);

1.5.3. Advanced Practice Registered Nurse (APRN); and/or

1.5.4. Physician Assistant (PA) to eligible individuals in the service area.

1.6. The Contractor shall provide services in an office-based setting which may include, but is not limited to:

1.6.1. Federally Qualified Health Centers (FQHCs) and/or Rural Health Clinics.

1.6.2. School Based Health Clinics.

1.6.3. Mobile Care Delivery Services.

1.7. The Contractor shall ensure services include, but are not limited to:

1.7.1. Reproductive health services.

1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral.

1.7.3. Preventive primary care services for women, infants, children and adolescents, including screenings and health education in accordance with established, documented state or national guidelines and evidence based practices.

1.7.4. Integrated behavioral health services.

1.7.5. Assessment of need and follow-up/referral as indicated for:

1.7.5.1. Tobacco cessation, including referral to programs such as QuitWorks-NH (http://www.QuitWorksNH.org);

1.7.5.2. Social services that address Social Determinants of Health (SDOH);

1.7.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA);

1.7.5.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

1.7.5.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services; and

1.7.5.6. Referrals to any specialists as needed that are not offered on site, including home visiting services and oral health.

1.8. The Contractor shall provide and facilitate enabling services to all individuals served with special emphasis given to the MCH population of women and infants, children and adolescents from birth to 21 years of age. Enabling services must include at a minimum:

1.8.1. Case management;

1.8.2. Benefit counseling and/or eligibility assistance;

1.8.3. Health education and supportive counseling; and

1.8.4. Language interpretation, outreach, transportation and education of patients and the community regarding the availability and appropriate use of health services.

1.9. The Contractor shall ensure management services for individuals enrolled for primary care services include, but are not limited to:

1.9.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, and in a culturally and linguistically appropriate manner; and

1.9.2. Direct access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, by referral or subcontract.

1.10. The Contractor shall develop, define, facilitate and implement a minimum of two (2) enabling services initiatives and enabling services initiative work plans that focus on the Title V MCH Block Grant population of women, infants, children and adolescents, as follows:

1.10.1. Initiative One (1) – Screening and Referrals for SDOH, in accordance with Attachment #1; and

1.10.2. Initiative Two (2) – Postpartum Care for Women, in accordance with Attachment #2.

1.11. The Contractor shall monitor, update and implement each enabling services initiative work plan in accordance with Attachment #3 – Reporting Requirements Calendar.

1.12. The Contractor shall develop, define, facilitate and implement a minimum of two (2) quality improvement (QI) projects, which must consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of all individuals served, including:

1.12.1. QI Project One (1): Preventative Health: Adolescent Well-Care Visits, in accordance with Attachment #4; and

1.12.2. QI Project Two (2): Obesity Screening-Child/Adolescent Measure, in accordance with Attachment #5.

1.13. The Contractor shall monitor, update and implement the work plans for each QI project in accordance with Attachment #3 – Reporting Requirements Calendar.

1.14. The Contractor shall attend in-person and/or virtual meetings and trainings facilitated by the Department, which include, but are not limited to:

1.14.1. MCH Agency Directors' Meetings scheduled by the Department on an as-needed basis.

1.14.2. MCH Primary Care Coordinators' Meetings up to two (2) times per year, which may require attendance by selected Vendor(s) quality improvement and clinical staff.

1.15. The Contractor shall ensure all services in this Exhibit B, Scope of Services, are provided by qualified health and allied health professionals.

1.16. The Contractor shall provide supporting documentation to the Department that verifies staff hours funded under the Agreement that may include, but is not limited to, timecards.

1.17. The Contractor shall ensure all health and allied health professionals possess and maintain the appropriate and current New Hampshire licenses whether directly employed, contracted or subcontracted.

1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator or staff person essential to providing services. The Contractor shall ensure notification:

1.18.1. Is provided to the Department no later than thirty business (30) days from the date of hire; and

1.18.2. Includes a copy of the newly hired individual's resume.

1.19. The Contractor shall notify the Department in writing when:

1.19.1. Any critical position is vacant for more than thirty (30) business days;

1.19.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive business days or any sixty (60) non-consecutive business days.

1.20. The Contractor shall ensure that all employees and subcontractors providing direct services to clients under this Agreement have undergone a criminal background check and have no convictions for crimes that represent evidence of behavior that could endanger clients served under this Agreement.

1.21. The Contractor shall permit an individual, or team or individuals, authorized by the Department to schedule and conduct periodic virtual and/or on-site reviews of documentation related to contracted services, including:

1.21.1. Administration;

1.21.2. Data collection and submission;

1.21.3. Clinical and financial management; and

1.21.4. Delivery of education services.

1.22. The Contractor shall ensure the information needed by the Department to conduct virtual and/or on-site reviews is available, which may include, but is not limited to:

1.22.1. Client records.

1.22.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

1.23. The Contractor shall adhere to any corrective action plans issued by the Department should virtual and/or on-site reviews yield results that services provided are not in compliance with the Agreement. Any corrective action plans shall not prevent the Department from taking action under paragraph 8, Event of Default/Remedies and paragraph 9, Termination, of the General Provisions, Form P-37, of the Agreement.

1.24. The Contractor shall actively and regularly collaborate with the Department to enhance contract management and improve results.

1.25. The Contractor may be required to collect and share other key data and metrics with the Department, including client-level demographic, performance, and service data, in a format specified by the Department.

1.26. Reporting

1.26.1. The Contractor shall collect and submit the data and reports as specified in Attachment #3 – Reporting Requirements Calendar to the Department. Data must be de-identified and aggregated to prevent constructive identification of any individual, and must include but is not limited to:

1.26.1.1. Uniform Data System (UDS) outcomes.

1.26.1.2. Performance Measure outcomes.

1.26.1.3. Work plan for each Enabling Service Initiative.

1.26.1.4. Work Plan for each QI Project.

1.27. Performance Measures

1.27.1. The Contractor shall report data on the Performance Measures in Appendix F at regular intervals as specified in Appendix G – Reporting Requirements Calendar, utilizing Appendix K – DTT-PC2022 Template.

1.27.2. The Contractor shall meet or exceed their proposed goals and objectives for the required Performance Measures in Attachment #6. Should the Contractor not meet or exceed their goals, the Contractor shall submit a Performance Measure Improvement Plan for each unmet Performance Measure, utilizing Attachment #7 – Performance Measure Outcome Report Template, at reporting intervals as specified in Appendix G – Reporting Requirements Calendar.

1.27.3. The Department may identify other performance measures in the resulting Agreement.

2. Exhibits Incorporated

2.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

2.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

2.3. The Contractor shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

3. Additional Terms

3.1. Impacts Resulting from Court Orders or Legislative Changes

3.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

3.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

3.2.1. The Contractor shall submit, within ten (10) days of the Agreement Effective Date, a detailed description of the communication access and language assistance services to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

3.3. Credits and Copyright Ownership

3.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement shall include the following statement, "The preparation of this (report, document etc.) was financed under an Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

3.3.2. All materials produced or purchased under the Agreement shall have prior approval from the Department before printing, production, distribution or use.

3.3.3. The Department shall retain copyright ownership for any and all original materials produced, including, but not limited to:

3.3.3.1. Brochures.

3.3.3.2. Resource directories.

3.3.3.3. Protocols or guidelines.

3.3.3.4. Posters.

3.3.3.5. Reports.

3.3.4. The Contractor shall not reproduce any materials produced under the Agreement without prior written approval from the Department.

3.4. Operation of Facilities: Compliance with Laws and Regulations

3.4.1. In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental

license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

4. Records

4.1. The Contractor shall keep records that include, but are not limited to:

4.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

4.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

4.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

4.1.4. Medical records on each patient/recipient of services.

4.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts. Upon the purchase by the Department of the maximum number of units provided for in the Agreement and upon payment of the price limitation hereunder, the Agreement and all the obligations of the parties hereunder (except such obligations as, by the terms of the Agreement are to be performed after the end of the term of this Agreement and/or survive the termination of the Agreement) shall terminate, provided

however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting
EXHIBIT C

Payment Terms

1. This Agreement is funded by:
   1.1. 10% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration, CFDA #93.994, FAIN B04MC45230.
   1.2. 90% General funds.
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget through Exhibit C-3, Budget.
4. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:
   4.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.
   4.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.
   4.3. Identifies and requests payment for allowable costs incurred in the previous month.
   4.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.
   4.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.
   4.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to DPHSContractBilling@dhhs.nh.govor mailed to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

5. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

6. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract completion date specified in Form P-37, General Provisions Block 1.7 Completion Date.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

8.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

8.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

8.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

Vendor Initials PM
Date 5/17/2022

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Exhibit E

CERTIFICATION REGARDING LOBBYING

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials PM
Date 5/17/2022

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681; 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

New Hampshire Department of Health and Human Services
Exhibit G

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received ~~by~~ Business Associate from or on behalf of Covered Entity.

Contractor Initials PM

Date 5/17/2022

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

Contractor Initials PM

Date 5/17/2022

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Contractor Initials PM

Date 5/17/2022

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

   Name: _____ Amount: _____

New Hampshire Department of Health and Human Services

Exhibit K

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

Contractor Initials PM

Date 5/17/2022

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

Attachment #6 – Performance Measures

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the intention is that Contractors would accordingly go by the most up to date UDS guidance for these measures.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down in to two age based measures, based on current NH Legislation, RSA 130-A:5-a, which requires that children be tested for lead at age 1 as well as at age 2.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months (NH MCHS).

DS
PM

5/17/2022

Attachment #6 – Performance Measures

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between twelve (12) months through twenty three (23) months of age.

2.2.1.2. Denominator: All children who turned twenty-four months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months (NH MCHS).

2.2.2.1. Numerator: All children who received at least one capillary or venous blood lead test between twenty-four (24) through thirty-six (36) months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool on the date of the encounter or up to 14 days prior to the date of the encounter using an age appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

DS PM

5/17/2022

Attachment #6 – Performance Measures

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose

and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

Adult Measure

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI during the measurement period **AND** if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: BMI ≥ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the measurement year or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

Child/Adolescent Measure

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting

year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year **AND** who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: Number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco at least one within the past twelve (12) months AND received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least two (2) medical visit during the measurement year, OR 1 preventative visit

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

Attachment #6 – Performance Measures

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) –Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adult Measure

2.7.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

Adolescent Measure

2.7.2. SBIRT – Percent of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: All patients aged 12-17 years during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.7.2.4. Definitions:

2.7.2.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.2.4.2. Brief Intervention: Includes guidance or counseling.

2.7.2.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

DS
PM

5/17/2022

Attachment #6 – Performance Measures

2.7.3. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.3.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services

2.7.3.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.3.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8 Developmental Screening Measure

Percent of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months (NH MCHS)

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and who had at least (1) medical visit during the measurement year

Attachment #7 – Performance Measure Outcome Report Template

Instructions for completing this Performance Measure Outcome Report (PMOR):
The Performance Measure Outcome Report (PMOR) is to be completed by your agency and emailed to shari.campbell@dhhs.nh.gov at the intervals specified on the Reporting Calendar.

Please complete the Narrative and Plan for Improvement sections for any of the following measures where your agency did not meet your agency target for the reporting period (July 1, 20XX – June 30, 20XX).

Performance measures:

- Breastfeeding
- Lead Screening for 1 Year Olds
- Lead Screening for 2 Year Olds
- Adolescent well care visit
- Depression screening and follow up plan if positive screening, 12 years and older
- Maternal Depression Screening
- Adults with documented BMI and follow-up plan if BMI outside of normal range
- Children 3-17 with documented BMI, nutrition counseling and physical activity counseling
- Adult tobacco screening and cessation counseling intervention for smokers
- Prenatal Tobacco screening each trimester and cessation counseling intervention for smokers
- SBIRT, Adults
- SBIRT, Adolescents
- SBIRT, Pregnant Women
- Developmental Screening-M-CHAT

* Note: Not met performance measures that have been addressed by your agency SFYXX Work Plan are excluded from this report. For example, the PMOR will omit Adolescent Visit measure for Primary Care Services

1. The Narrative section is to explain what happened during the year i.e. why measure was not met, what barriers/challenges your agency faced, describe any improvement activities that took place during the year to correct along the way, etc.

2. The Plan for Improvement section is to describe what steps your agency will take to achieve your agency target in SFYXX i.e. describe your strategy (PDSA), what will you plan to do differently etc.

3. Please email your completed PMOR **Shari Campbell at shari.campbell@dhhs.nh.gov by the dates indicated in the Reporting Calendar.** If you have any questions about completing this document, please contact Jannell Levine at Jannell.E.Levine@dhhs.nh.gov or 603-856-6449.

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Maternal and Child Health Care in the Integrated Primary Care Setting contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Weeks Medical Center ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 15, 2022 (Item #32), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 891,369

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Section 1.3.2., to read:

   1.3.2. Prenatal care either on site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data related to prenatal performance measures.

5. Modify Exhibit B, Scope of Services, Section 1.7.2., to read:

   1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data relating to prenatal performance measures to the Department.

6. Modify Exhibit B, Scope of Services, Section 1.10.1. through Section 1.10.2., to read:

   1.10.1. Initiative One (1) – Screening and Referrals for SDOH; and

   1.10.2. Initiative Two (2) – Contractor's choice, which must focus on enabling services.

7. Modify Exhibit B, Scope of Services, Section 1.12.1. through Section 1.12.2., to read:

   1.12.1. QI Project One (1): Increasing Adolescent Well Visits; and

   1.12.2. QI Project Two (2): Increasing post-partum clinical depression screening of women within the first 12 weeks after delivering.

8. Modify Exhibit B, Scope of Services, Section 1.18., to read:

   1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator, or staff person essential to providing services and/or any personnel changes to these positions. The Contractor shall ensure notification:

      1.18.1. Is provided to the Department no later than thirty (30) business days from the date of hire or personnel change; and

      1.18.2. Includes a copy of the new staff individual's resume as well as an updated

staffing list.

9. Modify Exhibit B, Scope of Services, by adding Section 1.28., to read:

   1.28. The Contractor shall provide de-identifiable patient level data on the integrated and primary health care services provided, as specified in Subsection 1.3., and Section 1.26. Reporting.

10. Modify Exhibit C, Payment Terms, Section 1.1. through Section 1.2., to read:

    1.1. 14% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Assistance Listing Number (ALN) 93.994, FAIN B04MC45230, and as awarded on October 27, 2022, ALN 93.994, FAIN B04MC47432.

    1.2. 86% General funds.

11. Modify Exhibit C, Payment Terms, Section 3., to read:

    3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget Sheet through Exhibit C-4, Budget Sheet, Amendment #1.

12. Modify Exhibit C, Payment Terms, Section 4.3., to read:

    4.3. Identifies and requests payment for allowable costs incurred in the previous month. Allowable costs are costs incurred that specifically supports only New Hampshire Infants, Children and Adolescents from birth to 21 years of age, Pregnant Women, and Women of Childbearing age.

13. Modify Add Exhibit C, Payment Terms, by adding Section 4.7., to read:

    4.7. Includes budget line items that are used exclusively for serving the Maternal and Child Health population and invoicing must clearly state how the incurred expenses benefited this specific patient population.

14. Modify Attachment 3, Reporting Calendar, by replacing it in its entirety with Attachment 3, Amendment #1, Reporting Requirements Calendar, which is attached hereto and incorporated by reference herein.

15. Modify Attachment 6, Performance Measures, by replacing it in its entirety with Attachment 6, Amendment #1 – SFY 2025 Performance Measures, which is attached hereto and incorporated by reference herein.

16. Modify Attachment 7, Performance Measure Outcome Report (PMOR), by replacing it in its entirety with Attachment 7, Amendment #1, Performance Measure Outcome Report (PMOR), which is attached hereto and incorporated by reference herein.

17. Add Attachment 8, Amendment #1, DTT – MCH in the Integrated Primary Care Setting Template, which is attached hereto and incorporated by reference herein.

18. Add Exhibit C-4, Budget Sheet, Amendment #1, which is attached hereto and incorporated by reference herein.

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2024, upon Governor and Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

1. Definitions

1.1. **Measurement Year** – Consists of 365 days and is defined as either:

1.1.1. A Calendar Year (January 1st through December 31st), or

1.1.2. A State Fiscal Year (July 1st through June 30th).

1.2. **Medical Visit** –Defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. The UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the expectation is that the Contractor will adhere to the most up to date UDS guidance.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. **Breastfeeding**

2.1.1. Percent of infants who were ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for approximately six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Testing**

This measure will be broken down into two (2) age-based measures, based on current NH Legislation RSA 130-A:5-a, which requires children be tested for lead at one (1) year of age, and at two (2) years of age.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between 12 and 23 months of age (NH MCHS).

DS
MS

5/3/2024

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between 12 and 23 months of age.

2.2.1.2. Denominator: All children who turned 24 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between 24 and 36 months of age (NH MCHS).

2.2.2.1. Numerator: All children who received at least one (1) capillary or venous blood lead test between 24 and 36 months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool on the date of the encounter or within 14 days prior to the date of the encounter **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients 12 through 21 years of age who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 through 21 years of age by the end of the measurement year who had at least one (1) medical visit during the measurement year.

DS
MS

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit in the first 12 weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

DS
MS

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.5. **Preventive Health: Obesity Screening**

Child/Adolescent Measure

2.5.1. Percent of patients three (3) through 17 years of age who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.1.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.1.2. Denominator: Number of patients who were one (1) year after their second (2nd) birthday (i.e., three (3) years of age) through adolescents who were up to one (1) year past their 16th birthday (i.e., 17 years of age) at some point during the measurement year, who had at least one (1) medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.1.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers **PLUS** queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) – Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adolescent Measure

2.7.1. SBIRT – Percent of patients 12 through 17 years of age who were screened for substance use using a formal valid screening tool during

any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use using a formal valid screening tool during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients 12 through 17 years of age during the measurement year with at least one (1) medical visit during the measurement year and with at least two (2) medical visits ever.

2.7.1.4. Definitions:

2.7.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.1.4.2. Brief Intervention: Includes guidance or counseling.

2.7.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.7.2. Percent of pregnant women who were screened using a formal valid screening tool for substance use during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of women in the denominator who were screened for substance use using a formal and valid screening tool during each trimester they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8. **Developmental Screening Measure**

Percent of children who reached 30 months of age by the end of the reporting period, and were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age (NH MCHS).

DS
MS

State of New Hampshire

Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that WEEKS MEDICAL CENTER is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on December 22, 1919. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: **63681**

Certificate Number: **0006658939**

IN TESTIMONY WHEREOF,

I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this 4th day of April A.D. 2024.

David M. Scanlan

Secretary of State

CERTIFICATE OF AUTHORITY

I, Charlie Cotton, Treasurer of the Board of Directors, hereby certify that:

1. I am a duly elected Clerk, Secretary, or Officer of Weeks Medical Center.

2. The following is a true copy of a vote taken at a special request by phone and/or email of the Board of Directors/shareholders, duly called and held on December 14, 2021 at which a quorum of the Directors/shareholders were present and voting.

VOTED: That Matthew Streeter, CFO, (may list more than one person) is duly authorized on behalf of Weeks Medical Center to enter into contracts or agreements with the State of New Hampshire and any of its agencies or departments and further is authorized to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, which may in his/her judgment be desirable or necessary to effect the purpose of this vote.

3. I hereby certify that said vote has not been amended or repealed and remains in full force and effect as of the date of the contract/contract amendment to which this certificate is attached. This authority **remains valid for thirty (30)** days from the date of this Certificate of Authority. I further certify that it is understood that the State of New Hampshire will rely on this certificate as evidence that the person(s) listed above currently occupy the position(s) indicated and that they have full authority to bind the corporation. To the extent that there are any limits on the authority of any listed individual to bind the corporation in contracts with the State of New Hampshire, all such limitations are expressly stated herein.

Dated: 5.2.2024

Charlie Cotton, Treasurer of the Board
Weeks Medical Center Board of Directors

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 09/21/2023

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

Independent Auditor's Report

Board of Directors
Weeks Medical Center and Subsidiary
Berlin, New Hampshire

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Weeks Medical Center and Subsidiary (the "Hospital"), which comprise the consolidated balance sheet as of September 30, 2023, and the related consolidated statements of operations and changes in net assets and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Hospital as of September 30, 2023, and the results of its operations, changes in its net assets, and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are required to be independent of the Hospital and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hospital's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hospital's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hospital's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter

The financial statements of the Hospital for the year ended September 30, 2022, were audited by another auditor, whose report dated March 9, 2023, expressed an unmodified opinion on those financial statements.

Weeks Medical Center and Subsidiary
Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies

The Entities

Weeks Medical Center ("WMC") is a not-for-profit corporation which operates a 22-bed Critical Access Hospital ("CAH") providing inpatient and outpatient health care services, as well as emergency and specialty care through specialty physician/provider clinics, to patients in Lancaster, New Hampshire and the surrounding communities. WMC also operates four rural health clinics located throughout Northern New Hampshire.

Lancaster Patient Care Center ("LPCC") is a 501(c)(3) non-profit corporation formed for the purpose of securing new financing related to the construction of a new patient care center on the Weeks Medical Center campus. LPCC is a wholly-controlled affiliate of Weeks Medical Center.

North Country Healthcare, Inc. ("NCH") is the sole corporate member of Weeks Medical Center. NCH is also the parent company of Androscoggin Valley Hospital, Inc. ("AVH"), Upper Connecticut Valley Hospital ("UCVH"), and North Country Home Health & Hospice Agency, Inc. ("NCHHHA").

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of WMC and its wholly controlled subsidiary, LPCC (collectively the "Hospital"). All material intercompany accounts and transactions have been eliminated in consolidation.

Consolidated Financial Statement Presentation

The Hospital follows accounting standards set by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). The ASC is the single source of authoritative accounting principles generally accepted in the United States (GAAP) to be applied to nongovernmental entities in the preparation of financial statements in conformity with GAAP.

Use of Estimates in Preparation of Financial Statements

The preparation of the accompanying consolidated financial statements in conformity with GAAP requires management to make certain estimates and assumptions that directly affect the reported amounts of assets and liabilities and disclosure contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results may differ from these estimates.

Cash Equivalents

The Hospital considers highly-liquid debt instruments with an original maturity of three months or less to be cash equivalents, excluding amounts limited as to use.

Note 1: Summary of Significant Accounting Policies (Continued)

Assets Limited as to Use and Investment Income

Assets limited as to use include assets designated by the Board of Directors for future capital improvements and expansion over which the Board of Directors retains control and may at its discretion subsequently use for other purposes, and funds restricted by donors for specific purposes.

Investments, which are included as assets limited as to use, are measured at fair value in the accompanying consolidated balance sheets and are considered trading securities unless are restricted by donor or law.

Investment income or loss (including realized gain (loss) on investments, interest, and dividends, net of investment fees) is reported as other income (expenses) and is included in revenue in excess (deficiency) of expenses unless the income is restricted by donor or law. Realized gains or losses are determined by specific identification.

The Hospital monitors the difference between the cost and fair value of its investments. If investments experience a decline in value that the Hospital determines is other than temporary, the Hospital records a realized loss in investment income.

Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. The Hospital measures fair value of its financial instruments using a three-tier hierarchy that prioritizes the inputs used in measuring fair value. These tiers include Level 1, defined as observable inputs such as quoted market prices in active markets; Level 2, defined as inputs other than quoted market prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Patient Accounts Receivables and Credit Policy

Patient accounts receivable is reported at the amount that reflects the consideration to which the Hospital expects to be entitled, in exchange for providing patient care services. Patient accounts receivable are recorded in the accompanying consoidated statements of financial position net of contractual adjustments and implicit price concessions which reflects management's estimate of the transaction price. The Hospital estimates the transaction price based on, negotiated contractual agreements, historical experience, and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts, and implicit price concessions and is recorded through a reduction of gross revenue and a credit to patient accounts receivable. Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to patient service revenue in the period of the change.

The Hospital does not have a policy to charge interest on past due accounts.

Note 1: Summary of Significant Accounting Policies (Continued)

Inventories

Inventories consist primarily of medical supplies, general supplies, and pharmaceuticals and are stated at the lower of cost or net realizable value with cost determined using first in first out (FIFO) method.

Property, Equipment and Depreciation

Property and equipment acquisitions are recorded at cost or, if donated, at fair value at the date of donation. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed using the straight-line method. Estimated useful lives range from three to twenty-five years for major movable equipment, and from five to thirty years for land improvements, building, building service equipment, fixed assets, and leasehold improvements.

Gifts of long-lived assets such as land, buildings, or equipment are reported as unrestricted support and are excluded from revenue in excess of expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Hospital reports expirations of donor restrictions when the donated or acquired long-lived assets are placed into service.

Impairment of Long-Lived Assets

The Hospital periodically evaluates the recoverability of its long-lived assets, which consists primarily of property and equipment with estimated useful lives, whenever events or changes in circumstance indicate that the carrying value may not be recoverable. If the recoverability of these assets is unlikely because of the existence of factors indicating impairment, an impairment analysis is performed using a projected undiscounted cash flow method. Management must make assumptions regarding estimated future cash flows and other factors to determine the fair value of these respective assets. If the carrying amounts of the assets exceed their respective fair values, the carrying value of the underlying assets would be adjusted to fair value and an impairment loss would be recognized. During 2023 and 2022, the Hospital determined that no evaluations of recoverability were necessary.

Unamortized Debt Issuance Costs

Costs related to issuance of long-term debt are amortized over the life of the related debt. Amortization expense of the costs of issuance of long-term debt is included within interest expense in the accompanying consolidated statements of operations.

Note 1: Summary of Significant Accounting Policies (Continued)

Asset Retirement Obligation

ASC Topic 410-20, *Accounting for Conditional Asset Retirement Obligation*, clarifies when an entity is required to recognize a liability for a conditional asset retirement obligation. Management has considered ASC Topic 410-20, specifically as it relates to its legal obligation to perform asset retirement activities, such as asbestos removal, on its existing properties. Management believes that there is an indeterminate settlement date for the asset retirement obligations because the range of time over which the Hospital may settle the obligation is unknown and cannot be estimated. As a result, management cannot reasonably estimate the liability related to these asset retirement activities as of September 30, 2023 and 2022.

Net Assets

Net assets without donor restrictions consist of investments and otherwise unrestricted amounts that are available for use in carrying out the mission of the Hospital. Net assets with donor restrictions are those whose use by the Hospital has been limited by donors to a specific time period or purpose, or those assets restricted by donors to be maintained by the Hospital in perpetuity.

Revenue in Excess (Deficiency) of Expenses

The accompanying consolidated statements of operations and changes in net assets include the classification of revenue in excess (deficiency) of expenses, which is considered the operating indicator. Changes in net assets without donor restrictions, which are excluded from the operating indicator include items such as permanent transfer of assets to and from affiliates for other than goods and services.

Patient Service Revenue

Patient service revenue is reported at the amount that reflects the consideration to which the Hospital expects to be entitled in exchange for providing patient care. These amounts are due from patients, third-party payors (including health insurers and government programs), and others and includes variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Hospital bills the patients and third-party payors several days after the services are performed and/or the patient is discharged from the facility. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided. Revenue from performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. Generally, the majority of patient care services provided in or by the Hospital, the performance obligation is satisfied as the patient simultaneously receives and consumes the benefits provided as the services are performed and recognition of the obligation over time yields the same result as recognizing the obligation at a point in time. The Hospital believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation.

Note 1: Summary of Significant Accounting Policies (Continued)

Patient Service Revenue (Continued)

Because the Hospital's performance obligations relate to contracts with a duration of less than one year, the Hospital has elected to apply the optional exemption and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period. The unsatisfied or partially unsatisfied performance obligations referred to above are primarily related to inpatient acute care services at the end of the reporting period. The performance obligations for these contracts are generally completed when the patients are discharged, which generally occurs within days or weeks of the end of the reporting period.

The Hospital uses a portfolio approach to account for categories of patient contracts as a collective group rather than recognizing revenue on an individual contract basis. The Hospital used the following factors to develop portfolios: major payor classes, type of service (i.e. inpatient, outpatient, emergency, clinic, etc.), and geographic location. Using historical collection trends and other analyzes, the Hospital evaluated the accuracy of its estimate and determined that recognizing revenue by utilizing the portfolio approach approximates the revenue that would have been recognized if an individual contract approach was used.

The nature, amount, timing and uncertainty of revenue and cash flows are affected by several factors that the Hospital considers in its recognition of revenue. Following are some of the factors considered:

- Payors (for example, Medicare, Medicaid, managed care, other insurance, patient, etc.) have different reimbursement/payment methodologies
- Length of the patient's service/episode of care
- Geography of the service location
- Line of business that provided the service (for example, hospital, clinic, etc.)

The Hospital determines the transaction price, which involves significant estimates and judgement, based on standard charges for goods and services provided, reduced by contractual adjustments provided to third-party payors, discounts provided to uninsured patients in accordance with the Hospital's policy, and implicit price concessions provided to patients. The Hospital determines its estimates of contractual adjustments and discounts based on contractual agreements, its discount policy, and historical experience. The Hospital determines its estimate of implicit price concessions based on its historical collection experience for each patient portfolio based on payor class and service type.

Note 1: Summary of Significant Accounting Policies (Continued)

Patient Service Revenue (Continued)

The Hospital has agreements with third-party payors that typically provide for reimbursement at amounts that vary from its established charges. A summary of the basis of reimbursement with major third-party payors follows:

Hospital Services:

- Medicare: The Hospital is designated as a critical access hospital (CAH). As such, all inpatient, swing bed, and outpatient hospital services are paid based on a cost-reimbursement methodology, except for certain types of laboratory, radiology, and professional services provided to Medicare beneficiaries, which are reimbursed on prospectively determined fee schedules.

- Medicaid: Inpatient services rendered to Medicaid program beneficiaries are reimbursed at prospectively determined rates. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Outpatient services rendered to Medicaid program beneficiaries are paid based on a cost-reimbursement methodology. The State of New Hampshire also enacted in 2021 a directed payment program for hospitals participating in the Medicaid program in which payments are paid in support of healthcare services provided to Medicaid and low-income beneficiaires to the providers that care for these patients, including the Hospital. The Medicaid directed payment program is funded through a tax that is imposed by the State of New Hampshire on the gross patient service revenue of every hospital in the state. The funds generated from this tax and from federal matching funds are disbursed to the hospitals through the Medicaid directed payment program. The Medicaid directed payment program replaced the previous Medicaid Disproportionate Share Hospital ("DSH") payment program which was funded through federal and state allotments in order to provide financial assistance to hospitals that served a large proportion of low-income patients. Amounts received under the DSH payment program were subject to audit and therefore subject to change; however, the direct payment program is not subject to future audit as amounts are determined prospectively based on prior filings by each hospital. The Hospital incurred Medicaid enhancement taxes, which were paid to the State of New Hamsphire to assist in funding the Medicaid direct payment program, of approximately $2,907,000 and $2,476,000 during 2023 and 2022, respectively which is included in supplies and other expenses in the accompanying consolidated statements of operations.

- Other: Payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations provide for payment using prospectively determined rates per discharge, discounts from established charges, prospectively determined daily rates, and fee schedules.

Weeks Medical Center and Subsidiary
Notes to Consolidated Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Patient Service Revenue (Continued)

Clinics:

- Professional services to clinic patients, including behavioral health services, are paid primarily under arrangements which include prospectively determined rates per visit or procedure or discounts from established charges.

- Certain physician and professional services rendered to Medicare and Medicaid beneficiaries in the Hospital's Lancaster, Whitefield, Groveton, and North Stratford clinics qualify for reimbursement as Medicare- and Medicaid-approved rural health clinic services. Qualifying services are reimbursed based on cost-reimbursement methodologies. All other physician and professional services rendered to Medicare and Medicaid beneficiaries are paid based on prospectively determined fee schedules.

Laws and regulations concerning government programs, including Medicare and Medicaid, are complex and subject to varying interpretation. Because of investigations by governmental agencies, various health care organizations have received requests for information and notices regarding alleged noncompliance with those laws and regulations, which, in some instances, have resulted in organizations entering into significant settlement agreements. Compliance with such laws and regulations may also be subject to future government review and interpretation as well as significant regulatory action, including fines, penalties, and potential exclusion from the related programs. There can be no assurance that regulatory authorities will not challenge the Hospital's compliance with these laws and regulations, and it is not possible to determine the impact (if any) such claims, or penalties would have upon the Hospital.

The Centers for Medicare and Medicaid Services (CMS) uses recovery audit contractors (RACs) to search for potentially inaccurate Medicare payments that may have been made to health care providers and tat were not detected through existing CMS program integrity efforts. Once the RAC identifies a claim it believes is inaccurate, the RAC makes a deduction from or addition to the provider's Medicare reimbursement in an amount estimated to equal the overpayment or underpayment. The Hospital has not been notified by the RAC of any potential significant reimbursement adjustments. In addition, the contracts the Hospital has with commercial payors also provide for retroactive audit and review of claims.

Settlements with third-party payors for retroactive adjustments due to audits, reviews or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing patient care. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence from the payor and the Hospital's historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known (that is, new information becomes available), or as years are settled or are no longer subject to such audits, reviews, and investigations. Adjustments arising from a change in the transaction price, were not significant in 2023 and 2022.

Note 1: Summary of Significant Accounting Policies (Continued)

Patient Service Revenue (Continued)

Generally, patients who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. The Hospital also provides services to uninsured patients, and offers those uninsured patients a discount, either by policy or law, from standard charges. The Hospital estimates the transaction price for patients with deductibles and coinsurance and from those who are uninsured based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts, and implicit price concessions.

Consistent with the Hospital's mission, care is provided to patients regardless of their ability to pay. Therefore, the Hospital has determined it has provided implicit price concessions to uninsured patients and patients with other uninsured balances (for example, copays and deductibles). The implicit price concessions included in estimating the transaction price represent the difference between amounts billed to patients and the amounts the Hospital expects to collect based on its collection history with those patients. In accordance with New Hampshire state statute 151:12-b, *Hospital Rates for Self-Pay Patients*, the Hospital accepts as payment in full from uninsured payments amounts no greater than amounts generally billed and received by the Hospital for that service for patients covered by health insurance for similar services. This policy did not change in 2023 and 2022.

The promised amount of consideration from patients and third-party payors have not been adjusted for the effects of a significant financing component due to the Hospital's expectation that the period between the time the service is provided to a patient and the time that the patient or a third-party payor pays for that service will be one year or less. However, the Hospital does, in certain instances, enter into payment agreements with patients that allow payments in excess of one year. For those cases, the financing component is not deemed to be significant to the contract.

All incremental customer contract acquisition costs are expensed as they are incurred as the amortization period of the asset that the Hospital otherwise would have recognized is one year or less in duration.

Charity Care

The Hospital provides care to patients who meet criteria under its financial assistance policy without charge or at amounts less than established rates. Such amounts determined to qualify as charity care are not reported as net patient service revenue.

The estimated cost of providing care to patients under the Hospital's financial assistance policy is calculated by multiplying the ratio of cost to gross charges for the Hospital times the gross uncompensated charges associated with providing charity care.

Note 1: Summary of Significant Accounting Policies (Continued)

Contributions and Gifts

Contributions are considered available for unrestricted use unless specifically restricted by the donor. Unconditional promises to give cash and other assets to the Hospital are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is deemed unconditional. The gifts are reported as with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the accompanying consolidated statements of operations and changes in net assets as net assets released from restrictions. Donor-restricted contributions whose restrictions are met within the same year as received are reported as contributions without donor restrictions.

Advertising Costs

Advertising costs are expensed as incurred.

Income Taxes

The Hospital is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code (the "Code") and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. The Hospital is also engaged, to a limited extent, in certain activities subject to taxation as unrelated business income ("UBI"). UBI is not significant.

Subsequent Events

Subsequent events have been evaluated through February 19, 2024, which is the date the consolidated financial statements were available to be issued.

Note 2: COVID-19

Starting in March 2020, the nation in general, and healthcare-related entities specifically, were faced with a global pandemic. As healthcare entities prepared for the crisis, operational changes were made to delay routine visits and elective procedures and reevaluate the entire care delivery model to care for patient needs, specifically those affected by COVID-19. These operational changes continued and adjustments were made in operations and business plans throughout the pandemic. The declared public health emergency ended in May 2023 related to the COVID-19 pandemic, and even with this ending the complete financial impact on the economy in general and healthcare-related entities specifically still remains undeterminable at this time. Management of the Hospital continues to note that both operational performance and cash flows for healthcare-related entities have been and will continue to be impacted into the future even though the declared public health emergency period and pandemic have ended.

Note 2: COVID-19 (Continued)

The federal and state governments, as well as other agencies, assisted many healthcare organizations to prevent significant financial constraints by providing supplemental payment programs in the forms of distributions which are intended to help in offsetting lost revenues as well as the cost of staffing, supplies, and equipment from treating patients impacted by or preparing for the pandemic's healthcare needs.

Through September 30, 2022, the Hospital received approximately $7,869,000 in funding from these program and recognized approximately $63,000 and $2,636,000 as other operating revenue during the year ended September 30, 2023 and 2022, respectively, in the accompanying consolidated statements of operations. The Hospital had also previously recognized approximately $5,170,000 in operating revenue of these amounts received collectively between 2021 and 2020. No additional funds had been received from these programs during the year ended September 30, 2023. Funding was primarily received from the U.S. Department of Health and Human Services ("HHS") Coronavirus Aid, Relief, and Economic Security ("CARES") and American Rescue Plan ("ARP") Acts, and the State of New Hampshire related to COVID-19 assistance.

These funds are subject to various financial and compliance guidelines for intended uses as published by the federal and state governments. Management is continuing to monitor compliance with the terms and conditions of these grants as new guidance and clarification is released from HHS, the State of New Hampshire, and other agencies. The Hospital has completed all required attestations to the federal government as well as all required audits to date to or comply with the current terms and conditions of the programs; however, as more information becomes available or the federal or state government would perform any additional audits in the future, the Hospital's ability to retain some or all of the distributions received could be impacted.

The Hospital also received approximately $4,714,000 of accelerated and advanced payments from the Medicare program in 2020 to be repaid interest free over approximately a seventeen month period of time starting in 2021. The Hospital repaid the advanced payments from the Medicare program in full in 2022.

Note 3: Available Resources and Liquidity

The Hospital does not have a formal liquidity policy but generally strives to maintain financial assets in liquid form such as cash and cash equivalents for at least three to six months of operating expenses. Other funds, included in assets limited as to use in the accompanying consolidated statements of financial position, are considered available for operational or capital needs. Occasionally, the Board of Directors designates a portion of operating surplus to be appropriated at its discretion for future operational initiatives and capital expenditures. These funds, at the discretion of the Board of Directors, could be released immediately or sold and redeemed prior to their maturity and are not considered available under the Hospital's general liquidity management. The Foundation also has unrestricted investments available which are included in assets limited as to use and could be used for operating purposes of the Foundation or transferred to for hospital operations or other needs if approved by the Foundation. At September 30, 2023 and 2022, the balance of these funds collectively was $21,780,150 and $26,628,703, respectively.

Financial assets available for general expenditure, such as operating expenses, and purchases of property and equipment, within one year of the consolidated balance sheet date, comprise the following at September 30:

	2023	2022
Cash and cash equivalents	$ 3,795,280	$ 4,990,716
Patient accounts receivable - Net	8,735,189	8,092,506
Other accounts receivable	946,771	482,541
Due from related parties - Net	11,289	-
Total	$ 13,488,529	$ 13,565,763

Patient accounts receivable - net becomes available as an available resource to the Hospital generally as operating cash as it is billed and collected based on the policies and procedures described in Note 1, and its opening balance at October 1, 2021 was $7,146,867.

Note 4: Assets Limited as to Use and Investment Income

Assets limited as to use, stated at fair value, consisted of the following at September 30:

	2023	2022
Money market funds	$ 7,179,905	$ 5,256,610
Exchange traded funds	185,394	-
Mutual funds	132,533	6,452,758
Marketable equity securities	12,498,464	12,249,276
Fixed income securities - U.S. Treasury and corporate bonds	1,783,854	2,670,059
Total assets limited as to use	$ 21,780,150	$ 26,628,703

Investment income (loss), including income on assets limited as to use, consisted of the following for the years ended September 30:

	2023	2022
Investment income (loss) without donor restrictions:		
Interest and dividends - Net of investment fees	$ 263,615	$ 640,823
Net realized gain (loss) on sale of investments	(2,719)	5,060
Net unrealized gain (loss) on investments	1,754,510	(3,438,521)
Investment income (loss) with donor restrictions:		
Interest and dividends - Net of investment fees	25,663	105,921
Net realized loss on sale of investments	(45,869)	(106,074)
Net unrealized gain (loss) on investments	120,367	(87,785)
Total investment income (loss)	$ 2,115,567	$ (2,880,576)

Management assesses individual investment securities as to whether declines in market value are other than temporary and result in impairment. For equity securities and mutual funds, the Hospital considers whether it has the ability and intends to hold the investment until a market price recovery. Evidence considered in this includes the reasons for the impairment, the severity and duration of the impairment, changes in value subsequent to year-end, the issuer's financial condition, and the general market condition in the geographic area or industry in which the investee operates. For debt securities, if the Hospital has made a decision to sell the security, or if its's more likely than not the Hospital will sell the security before the recovery of the security's cost basis, an other-than temporary impairment is considered to have occurred. If the Hospital has not made a decision or does not have an intention to sell the debt security, but the debt security is not expected to recover its value due to a credit loss, an other-than-temporary impairment is considered to have occurred. At September 30, 2023 and 2022, the Hospital did not consider any individual investments other than temporarily impaired.

Note 4: Assets Limited as to Use and Investment Income (Continued)

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of certain investments will occur in the near term and that such changes could materially affect the amounts reported in the accompanying consolidated financial statements.

Note 5: Fair Value Measurements

The following is a description of the valuation methodologies used for assets measured at fair value:

Money market funds are valued using a net asset value (NAV) of $1.00. Exchange traded funds and mutual funds are valued at the daily closing price as reported by the fund. Exchange traded funds and mutual funds held by the Hospital are open-end funds that are registered with the Securities and Exchange Commission. The funds are required to publish their daily NAV and to transact at that price. The exchange traded funds and mutual funds held by the Hospital are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Hospital believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Hospital's assets measured at fair value on a recurring basis as of September 30:

	2023			
	Level 1	Level 2	Level 3	Total Assets at Fair Value
Assets:				
Money market funds	$ -	$ 7,179,905	$ -	$ 7,179,905
Exchange traded funds	185,394	-	-	185,394
Mutual funds - Invested in equity and fixed income securities	132,533	-	-	132,533
Marketable equity securities	12,498,464	-	-	12,498,464
Fixed income securities:				
Corporate bonds	-	1,144,282	-	1,144,282
U.S. Treasury bonds	-	639,572	-	639,572
Total assets	$ 12,816,391	$ 8,963,759	$ -	$ 21,780,150

Note 5: Fair Value Measurements (Continued)

	2022			
	Level 1	Level 2	Level 3	Total Assets at Fair Value
Assets:				
Money market funds	$ -	$ 5,256,610	$ -	$ 5,256,610
Mutual funds - Invested in equity and fixed income securities	6,452,758	-	-	6,452,758
Marketable equity securities	12,249,276	-	-	12,249,276
Fixed income securities:				
Corporate bonds	-	1,744,078	-	1,744,078
U.S. Treasury bonds	-	925,981	-	925,981
Total assets	$ 18,702,034	$ 7,926,669	$ -	$ 26,628,703

The assets included in the fair value measurements tables above include all assets within assets limited as to use as detailed in Note 4 at both September 30, 2023 and 2022.

Note 6: Property and Equipment

Property and equipment consisted of the following at September 30:

	2023	2022
Land	$ 532,630	$ 532,630
Land improvements	2,178,955	1,822,414
Buildings	30,946,509	27,797,145
Fixed equipment	18,341,388	15,149,000
Major movable equipment	28,000,258	27,264,296
Total property and equipment	79,999,740	72,565,485
Less - Accumulated depreciation	45,971,822	41,741,851
Net depreciated value	34,027,918	30,823,634
Construction in progress	1,057,349	4,898,205
Property and equipment - Net	$ 35,085,267	$ 35,721,839

Construction in progress at September 30, 2023, primarily relates to minor facility renovation, equipment installation costs, and information technology upgrade projects which are anticipated to be completed and placed into service in 2024. The estimated remaining cost to complete these projects is approximately $700,000 as of September 30, 2023. These projects are being funded by operating cash reserves of the Hospital.

Note 7: Long-Term Debt

Long-term debt consisted of the following at September 30:

	2023	2022
Business Finance Authority of the State of New Hampshire hospital revenue bonds, Series 2010, held by Passumpsic Bank; variable interest rate of 6.21% at September 30, 2023; interest and principal due monthly in installments of $37,000, including interest; through September 1, 2030; collateralized by property and equipment of the Hospital.	$ 4,750,000	$ 5,297,500
Mortgage payable to Passumpsic Savings Bank; fixed interest rate of 3.75%; interest and principal due monthly in installments of $24,070, including interest, through December 1, 2038; collateralized by mortgaged property of the Hospital.	3,353,997	3,513,796
LPCC note payable to 20 VRV 2008, LLC.; fixed interest rate of 1.00%; interest-only payments of $3,372 due quarterly through January 1, 2027, at which time interest and principal payments of $13,777, including interest, are due quarterly until maturity date of December 31, 2053; collateralized by LPCC property.	4,046,837	4,046,837
LPCC note payable to 20 VRV 2008, LLC.; fixed interest rate of 1.00%; interest-only payments of $23,837 due quarterly through January 1, 2027, at which time interest and principal payments of $33,617, including interest, are due quarterly until maturity date of December 31, 2053; collateralized by LPCC property.	9,534,913	9,534,913
Other note payable	123,333	-
Totals	21,809,080	22,393,046
Less - Current maturities	741,050	707,309
Less - Unamortized debt issuance costs	313,263	404,200
Long-term maturities	$ 20,754,767	$ 21,281,537

The bond and notes payable agreements provide for various restrictive covenants, including required annual financial reporting and meeting certain financial ratios, among other covenants.

As part of its financing for LPCC, the Hospital borrowed $9,534,913 to Twain Investment Fund 328, LLC ("Twain"), an unrelated party who then invested approximately $14,000,000 in 20 VRV 2008, LLC, another unrelated party, as part of a new markets tax credit arrangement. 20 VRV 2008, LLC then loaned LPCC through two notes which totaled $13,581,750 as described in detail in the long-term debt table above. The note receivable to Twain was made on November 14, 2018, has a 30-year term, and accrues interest at 1.213%. Interest-only payments of $9,638 are due quarterly to LPCC from Twain through September 2027, at which time monthly payments of $44,314, including principal and interest, are due from Twain to LPCC until the maturity date of December 10, 2047. LPCC can utilize the payments received to assist in repayment of the principal and interest on the notes payable to 20 VRV 2008, LLC.

Note 7: Long-Term Debt (Continued)

The note payable to 20 VRV 2008, LLC also requires establishment of a replacement reserve account which is required to be funded annually through 2024 by LPCC, and amounts in the replacement reserve account can be utilized primiarly for fees incurred to maintain compliance and recordkeeping for the debt arrangements, as well as for any necessary capital upgrades, renovations, and routine maintenance to ensure that the facilities included in the LPCC note agreements are maintained. Annual fees are required to be paid from the replacement reserve account to the unrelated parties to manage the debt arrangement through 2024, and any remaining funds can be used to repay principal on outstanding notes or for capital or maintenance expenditures as needed. This reserve account is also designated by the Hospital's Board of Directors for capital expenditures or repayment of final principal on the notes and is included in the current portion of assets limited as to use in the accompanying consolidated balance sheets as it can be used regularly and as needed for general capital and maintenance of the facilities, as well as other current fees as they come due.

Scheduled principal payments on long-term debt at September 30, 2023, including current maturities, are summarized as follows:

	2023
2024	$ 741,050
2025	896,523
2026	850,793
2027	1,293,541
2028	1,348,728
Thereafter	16,678,445
Total	$ 21,809,080

Note 8: Net Assets With Donor Restrictions

Net assets with donor restrictions include assets set aside in accordance with donor restrictions as to time or use. Net assets with donor restrictions are available for the following purposes at September 30:

	2023	2022
Donor restricted, subject to expenditure for specific healthcare program purposes	$ 284,238	$ 188,052
Donor restricted, to be maintained in perpetuity with investment income expendable for healthcare programs	1,130,418	1,030,257
Total	$ 1,414,656	$ 1,218,309

Note 8: Net Assets With Donor Restrictions (Continued)

The Hospital's net assets with donor restrictions include two endowment funds that are invested in various investments including certificates of deposit, as well as marketable equity securities, corporate bonds, U.S. treasury bonds, and mutual funds in brokerage accounts. The endowment funds were established by donors to be maintained in perpetuity, the income of which is expendable for hospital operations and scholarships for medical education for employees of the Hospital upon approval of the Board of Directors. The Board of Directors have created a policy for the endowment fund to be invested in a manner that is intended to produce results that exceed the price and yeild results of the S&P 500 index while assuming a moderate level of investment risk.

The Board of Directors of the Hospital have interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift to the endowment fund absent any explicit donor stipulations that would otherwise dictate the contributed funds. The Hospital has adopted investment and spending policies for endowment assets that attempt to provide a dependable method of funding programs supported by the endowment funds while seeking to preserve the purchasing power of the endowment assets. Under this policy, the Hospital monitors the investments of the endowment so that these assets are invested in funds that are not expected to decline significantly in value in the future. This method of investing will maintain the purchasing power of the endowment assets that are required to be held in perpetuity, as well as to provide additional purchasing ability through new contributions and investment returns.

Changes in endowment net assets for the years ended September 30 consisted of the following:

	2023		
	Donor Restricted Subject to Appropriations	Donor Restricted to be Held in Perpetuity	Total
Endowment net assets at beginning of year	$ 118,343	$ 911,914	$ 1,030,257
Interest and dividend income - Net of fees	25,663	-	25,663
Net appreciation - Unrealized gain	120,367	-	120,367
Net realized loss	(45,869)	-	(45,869)
Endowment net assets at end of year	$ 218,504	$ 911,914	$ 1,130,418

	2022		
	Donor Restricted Subject to Appropriations	Donor Restricted to be Held in Perpetuity	Total
Endowment net assets at beginning of year	$ 206,281	$ 911,914	$ 1,118,195
Interest and dividend income - Net of fees	105,921	-	105,921
Net depreciation - Unrealized loss	(87,785)	-	(87,785)
Net realized loss	(106,074)	-	(106,074)
Endowment net assets at end of year	$ 118,343	$ 911,914	$ 1,030,257

Note 9: Net Patient Service Revenue

The composition of net patient service revenue based on the geographic region the Hospital operates in as outlined in Note 1, is primarily all hospital and clinic services and whether inpatient or outpatient services, the Hospital considers these similar business lines for the purposes of tracking net patient service revenue.

Patient service revenue (net of contractual allowances, discounts, and implicit price concessions) consisted of the following for the years ended September 30:

	2023	2022
Medicare and Medicare Advantage Plans	$ 44,583,337	$ 42,202,536
Medicaid and Medicaid HMO Plans	18,333,749	13,849,284
Other third-party payors	13,545,527	10,809,198
Uninsured Patients	655,737	523,272
Total	$ 77,118,350	$ 67,384,290

Note 10: Charity Care

The Hospital provides healthcare services and other financial support through various programs that are designed, among other matters, to enhance the health of the community including the health of low-income patients and residents. Consistent with the mission of the Hospital, care is provided to patients regardless of their ability to pay, including providing services to those persons who cannot afford health insurance because of inadequate resources or who are underinsured.

Patients who meet certain criteria for charity care, generally based on federal poverty guidelines, are provided care without charge or at a reduced rate, determined based on qualifying criteria as defined in the Hospital's charity care policy and from applications completed by patients and their families.

The estimated cost of providing care to patients under the Hospital's charity care policy aggregated approximately $816,000 and $617,000 in 2023 and 2022, respectively.

Other benefits for the community for which the Hospital is not compensated, or for which compensation is below cost, include health screenings, community education through seminars and classes, and other health-related services.

Note 11: Retirement Plans

The Hospital is part of the North Country Healthcare Retirement Plan, a defined contribution retirement plan sponsored by NCH covering substantially all employees. Employees may contribute a percentage of their compensation to the retirement plan. After a year of service, the Hospital will contribute matching contributions of 50% of participant contributions up to 6% of compensation. The Hospital's retirement plan expense totaled approximately $453,000 and $484,000 in 2023 and 2022, respectively.

Certain eligible employees of the Hospital are also eligible to participate in a nonqualified deferred compensation plan established under Section 457(b) of the Code, which is administerred by NCH. The plan permits certain management and highly compensated employees to defer portions of their compensation based on Internal Revenue Service guidelines. Compensation deferred is transferred to NCH who then retains the related investments. These investments are then segregated by NCH a separate account, and any assets and related deferred compensation plan liabilities are reported in the financial statements of NCH since under the terms of the deferred compensation plan agreement, NCH bears the responsibility for custody of the assets and their related liabilities once the related withholdings are transferred from the Hospital to NCH.

Note 12: Malpractice Insurance

The Hospital is insured under the NCH medical malpractice insurance coverage. NCH purchases medical malpractice insurance under a claims-made policy. Under such a policy, only claims made and reported to the insurer are covered during the policy term, regardless of when the incident giving rise to the claim occurred. The Hospital would be able to purchase tail coverage from its insurance carrier if it chose to do so. The professional liability insurance policy is renewable annually and has been renewed by the insurance carrier for the annual period extending to October 1, 2024.

Under a claims-made policy, the risk for claims and incidents not asserted within the policy period remains with the Hospital. Although there exists the possibility of claims arising from services provided to patients through September 30, 2023, which have not yet been asserted even if covered by insurance policies, the Hospital has not been given notice of any such material possible claims, and accordingly no provision or related insurance recoveries have been made for them.

Note 13: Concentration of Credit Risk

Financial instruments that potentially subject the Hospital to possible credit risk consist principally of patient accounts receivable and cash deposits in excess of insured limits in financial institutions.

Patient accounts receivable consist of amounts due from patients, their insurers, or governmental agencies (primarily Medicare and Medicaid) for health care provided to patients. The majority of the Hospital's patients are from Lancaster, New Hampshire, and the surrounding area.

Note 13: Concentration of Credit Risk (Continued)

The mix of receivables from patients and third-party payors is as follows at September 30:

	2023	2022
Medicare	47 %	42 %
Medicaid	11 %	13 %
Other third-party payors	23 %	26 %
Patients	19 %	19 %
Total	100 %	100 %

The Hospital maintains depository relationships with area financial institutions that are Federal Deposit Insurance Corporation ("FDIC") insured institutions. Depository accounts are insured by the FDIC up to $250,000. Operating cash needs often require that amounts on hand exceed FDIC limits. Management has also entered into other collateral protection arrangements with one of these financial institutions to provide coverage over the FDIC limits. At September 30, 2023, the Hospital's bank account balances were approximately $957,000 above the FDIC coverage or other collateral protection limits. Management of the Hospital believes that as of September 30, 20233 it is not exposed to any significant risks from the financial insitutions which are holding the uninsured deposits.

Note 14: Functional Expenses

The Hospital provides general healthcare services to residents within its geographic location. The accompanying consolidated statements of operations and changes in net assets present certain expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis. Employee benefits are allocated based on factors of either salary expense or actual employee expense. Overhead costs that include things such as professional services, office expenses, information technology, insurance, and other similar expenses are allocated on a variety of factors including revenues and departmental expense. Costs related to building and equipment usage include depreciation and interest and are allocated on a square footage or direct assignment basis. Expenses related to providing these services for the years ended September 30, 2023 and 2022, are as follows:

	2023			2022		
	Healthcare Services	General Administrative	Total	Healthcare Services	General Administrative	Total
Salaries and wages	$ 23,841,486	$ 2,051,973	$ 25,893,459	$ 21,680,066	$ 5,555,316	$ 27,235,382
Employee benefits	6,526,012	1,755,544	8,281,556	5,799,081	1,521,561	7,320,642
Supplies and other	31,527,099	14,293,116	45,820,215	24,714,968	9,813,169	34,528,137
Interest	372,432	175,972	548,404	296,127	139,919	436,046
Depreciation	2,979,528	1,407,813	4,387,341	2,779,398	1,313,252	4,092,650
	$ 65,246,557	$ 19,684,418	$ 84,930,975	$ 55,269,640	$ 18,343,217	$ 73,612,857

Note 15: Related-Party Transactions

As a member of NCH, the Hospital shares in various services, such as shared staffing, centralized accounting, human resources, information technology, and other administrative costs, with the other member hospitals and the parent.

The total expenses incurred from services provided by related parties is as follows at September 30:

	2023	2022
AVH	$ 279,341	$ 327,537
UCVH	681,829	729,541
NCHHHA	117,730	98,852
NCH	12,629,488	6,467,899
Total	$ 13,708,388	$ 7,623,829

The total receivable (payables) with related parties is as follows at September 30:

	2023	2022
AVH	$ 133,699	$ 142,729
UCVH	787,577	334,551
NCHHHA	8,774	3,720
NCH	(918,761)	(1,132,092)
Total	$ 11,289	$ (651,092)

Note 16: Reclassifications

Certain reclassifications have been made to the 2022 financial statements to conform to the 2023 presentation.

BUSINESS ADMINISTRATION

Graduated May 2007. GPA 3.6

COMMUNICATION | I really enjoyed working with others. I also really enjoy helping others, this is why I ended up working in assisted living and then became and LNA. I am now going back to school to be come and RN. I am currently enrolled with WMCC in the Health Science degree which is where you start to get some of your classes done and then I will be going into the Nursing program. I am looking forward to going back to school and becoming an RN. I am also getting a degree in Accounting as well.

Ashley Clauss

I am a highly motivated, responsible, hardworking, energetic, and compassionate Registered Nurse with 15+years' experience in healthcare. Skilled in providing care to patients from birth to elderly. Professional Experience

Registered Nurse/Patient Service Coordinator, Vaccine Manager

April 2009 - Present Weeks Medical Center Lancaster, NH

I am currently working as the Patient Service Coordinator and Vaccine manager at our Whitefield Physician's office. I perform various duties throughout the day, including, but not limited to: triaging calls, care management, administering immunizations, rooming patients, various nurse clinic visits, which include performing assessments on patients and using critical thinking and decision making skills, lab draws and all other duties as assigned. I am the vaccine manager for the physician office practices, providing education and competency testing to clinical staff, vaccine trainer/mentor, ordering of vaccines for the offices and following State of NH vaccine management and school requirements.

I am currently working with our affiliate hospital UCVH to start and ADA accredited Diabetes Care Program here at Weeks Medical Center.

Awarded the 2017 Tricia McGuire Memorial Award from the New Hampshire Immunization program on 3/22/2017.

Registered Nurse/Pediatrics, Family Medicine

Aug 2007-April 2009.Weeks Medical Center Lancaster, NH

I worked with the pediatrician on staff as well as our family practice providers rooming, giving immunizations, education to parents and child, triaging and other duties assigned.

Registered Nurse/Medical/Surgical

Aug 2006-Aug 2007 Weeks Medical Center Lancaster, NH

I worked on our Medical/Surgical floor caring for patients from infancy to geriatrics. Performing all duties as assigned.

Licensed Nursing Assistant/Medical/Surgical

Mar 2005-Aug 2006 Weeks Medical Center Lancaster, NH

I worked on our Medical/Surgical floor caring for patients from infancy to geriatrics. Performing all duties as assigned.

Education

Rivier (College) University

Nashua, NH

Nursing

Associate of Science, 2006

*I have completed many BSN requirements through Rivier University

CYNTHIA M. CORLISS, LPN

OBJECTIVE

I am a hardworking, caring, compassionate person that truly enjoys being a nurse. I am easy going, a team player, however also able to work independently. I am dependable and reliable; I don't like to miss time from work. I am a fast learner and willing to learn new things as nursing and the medical field is always changing. I am a critical thinker and am also able to think outside the box and problem solve. I strive for quality patient care and customer service. I am very good at managing my time and also very good at communication, both verbal and written.

I have enjoyed my experiences as a nurse out in the field. I have been a geriatric nurse in a nursing home starting out as a LNA in 1994. I continued my education. I became a MNA in 2002, and in 2004 I took classes to obtain my LPN while continuing to work as both a LNA and MNA at Coos County Nursing Hospital in West Stewartstown. In 2005 I graduated from my nursing program and took my boards in 2006. At Coos County Nursing Hospital, I was the charge nurse on the night shift. I was responsible for 2 floors and also the House of Correction. I then applied for a full time LPN position at Indian Stream Health Center. I have had many roles over my years in nursing. From daily care, medication administration, dressing changes and supervising LNA's on all shifts that I worked at CCNH, to rooming patients, triaging patients both in person and on the phone. I have learned how to use the EKG machine, Lead Care II machine, as well as Hgb and Glucose machines, and the Clinitec Urinalysis machine. I have been a Care Management nurse, which I have experienced many different roles. I manage the Coumadin program. I did prescription refills, prior authorizations for medications, diagnostic radiology and nuclear stress tests, as well as outpatient behavioral health services. Orders for durable medical equipment are handled by the Care Management department. I also did referrals to home health agencies and nursing home placement. I also did follow up phone calls with patients that have been discharged from the hospital or emergency room and make sure patients medication lists are updated as well as their diagnosis list and allergy list. I also make sure that they have a follow up

appointment with their PCP and that any diagnostic test or referrals to specialists have been taken care of. I previously created the nurses schedule, until a new nursing supervisor was hired. I have also supervised nursing staff as well as Care Management staff when the supervisor was away. I have also had the experience of being a field nurse and supervisor of LNA and Homemaking staff.
I managed an outpatient primary care clinic for White River Junction VAMC until they decided to close the clinic. I then was transitioned to Office of Community Care responsible for referral and authorizations for Veterans to receive care in the community. Since November of 2019 I have been a field nurse for North Country Home Health and Hospice agency working as a field nurse. During that time I have become IV certified, and I am certified BLS.
For the last 22 months I have been the clinical lead nurse at the Colebrook Patient Care Center. I have established a very good rapport with the clinical, front office staff, and administrative staff. We have a very good atmosphere, staff respect each other and work well together.
In November, I will have been in the nursing profession 29 years.

SUMMARY OF QUALIFICATIONS

- 2005 Graduated with an Associate's Degree LPN from Skill Med Nursing in Laconia, New Hampshire.
- 2006 Passed my LPN boards
- 2002 Became a MNA
- 1994-2005 LNA
- BLS 2022

- 1994 Graduated from a LNA program offered by Berlin Vocational Technical School in Berlin, NH
- 1992 Graduated from Colebrook Academy, general studies

EXTRACURRICULAR ACTIVITIES

Home and family is very important to me and I enjoy the time we get to spend together. I have 4 Labrador Retrievers; Jaxon, Webster, Miya, and Buddy are my furry children and I enjoy spending time with them. I also foster/rescue puppies that come from Arkansas until they are adopted. I like to hike, camp, go for walks and Jeep rides in the summer. In the winter I enjoy snowshoeing, snowmobiling and quilting.

Obtaining resident vital signs as directed by charge nurse.
Working under stressful conditions at times.
Working in a fast paced, constant changing environment.

Dawn Gooden.

I currently work in the Human Services field. I support families and children both in public and home settings. Part of my role is strengthening families who have been impacted by drug & alcohol abuse, abuse & neglect and social emotional issues. I am extremely motivated to continue supporting these families to rebuild these relationships. I find my job to be truly rewarding.

I am currently working towards my LADC and have attended numerous professional development opportunities to strengthen my understanding of the Drug & Substance epidemic in our area.

I have my B.A degree in Psychology, A.S in Human Services and A.S in Early Childhood. I feel I have a diverse background, where I have had the opportunity to support children & families in multiple environments.

Education

- **1986- Graduated, Memorial High School, Manchester, NH. Received a diploma.**
- **2001- Associates Degree in Human Services, CCV**
- **2001- Associates Degree in Early Childhood Ed , CCV**
- **2008- VT Bachelor's Degree in Psychology, Johnson States College, Johnson VT**

Experience

2016-to present-Northern Human Services, Children's/Adult Case Manager

Working with children and adults who have behavioral issues and mental health issues. Manitains up-to-date and complete case management records on assigned individuals, provides crisis intervention, symptom management and outreach services when appropriate Family Support & Services, coping skills, and strategies. Maintains personally supportive relationships with individuals and their families while encouraging independence. Assisting clients in public school settings, community outings, home based and access to local resources. Working with parents & guardians to better support the client.

Supporting clients and families with basic needs such as housing, transportation, employment, EBT, and health insurance.

Encouraging clients to work towards goals and maintain sobriety by using deep breathing, grounding skills, and mindfulness techniques.

2007-to 2016-Family Resource Center at Gorham, Child Health Support Worker

Working with families due to Abuse & Neglect. Offering supervised visits and teaching them household management, budgeting, and parenting education. Helping families become aware of resources in their local areas that they can utilize. Many clients had a vast array of goals they needed to meet in order to regain custody. Every case requires adaptability and flexibility to meet these goals.

2006-2007-Whitefield High School/Special Educator Paraprofessional

Supported an adolescent who is non-verbal, diagnosed with having autism, and is a severe diabetic. Testing blood sugar, giving insulin, counting carbs, and given out his medications. Keeping the student safe, learning to make choices, to show preferences, living skills, developing and maintaining personal relationships, and participating in community experiences.

2004-2006 Easter Seals/Teachers Assistant & Residential Instructor

Worked with special needs children ages to nine-twenty one with ADHD, ODD, and Autism, abuse & neglect, sexual offenders, physically challenged, and learning disabled, and supervising youth in all settings. Testing blood sugar, given insulin, counting carbs, and given out medications. Assisting with physical restraints, keeping safety of the children, assisting in unsafe behavior protocol. Given leadership opportunities to support other staff members when in crisis or emergency situations.

2004-Lancaster Play and Learn Center

Worked with four to seven year old children and at times one to three year old children. Providing care and protection to meet the needs of all the children, interacting with the children, modeling behavior for the children, dealing with discipline issues, assisting the children with their needs, and communicating with the staff and the parents in regards to children.

2002-2005 Head start/Special Education Paraeducator Lunenburg School & Guildhall School/Special Education Para-Educator

Worked with groups of three to five year old children as well as individually with a student on an IEP. Working independently in the classroom over the summer with a child who has recently been diagnosed with Autism. Working with a student who is four years old diagnosed with Autism and is non-verbal.

2001-Lynsey House Relief Worker

I have experience working at the Lynsey House. I completed intakes with residents, answer the telephone, intakes over the phone, and listen and provide support to the residents. Supervised 1-2 staff members weekly to oversee the needs of the residents. Supported both staff and residents to locate and obtain resources to help residents achieve their goals.

1998-2001- Cub scout Den Mother

Supervising cub scouts in both individual and group opportunities. Scheduling and organizing activities and trips for the group. Supporting children to reach potential while promoting character and leadership development.

1996-2000-Daisies/Girl scout Assistant Leader

Supervised girl scouts with planning activities, giving back to the Community, introducing girls to new experiences, guide and mentor, and help them develop skills and confidence. Attending numerous enrichment opportunities with scouts. Modeling appropriate social skills and communication within the group.

March 2021 to Present

Responsible for day to day operations and management of WMC Primary Care at the northern most sites and the Specialty Services Practice at UCVH. Management of staff including holding staff to safety, quality and productivity measures. Physician satisfaction and retention. Patient accessibility to Primary and Specialty Care. Ensuring Practices are in compliance with CMS and RHC guidelines. Startup of new Practices and Specialty Services. Recently managed all aspects of opening the new NCH Patient Care Center in Colebrook including but not limited to planning the physical space, patient flow, staffing, equipment, supplies and technical requirements of the Practice. Built trust and working relationships with Providers that have been through a tough couple of years struggling with the Primary Care dynamic in the Colebrook area.

Specialty Practice Manager, Patient Access Manager and Volunteer Services Manager

North Country Healthcare - Colebrook, NH
2016 to 2021

Responsible for day to day operations and management of the Specialty Practice, Patient Access and the Volunteer Department at UCVH. Management of clinical and non-clinical staff. Assist with Physician onboarding. Setup all aspects of new Specialties and new services within the Practice including ordering of equipment, working with Revenue Cycle to setup new charge codes, advertising, etc. Work closely with Providers to ensure their needs and the needs of the patients are met: Ensure the Practice and Patient Access department remain in compliance with CMS guidelines. Meditech Superuser for the Ambulatory Practice, Patient Access and Patient Portal modules for the EMR conversion to Meditech.

Work to transform Patient Access procedures and front-end processes to improve the overall patient experience and financial stability of the Hospital. Hold staff accountable to and motivate toward productivity and quality standards. Ensure excellent customer service and staff engagement. Drive change within the department to improve productivity, accuracy and improve customer service. Also managed the prior authorization and patient financial services staff. Deployed to AVH weekly for a period of time to serve as Interim Patient Access Manager while they were struggling to fill a vacancy.

Management of Volunteer Services. Onboarding and training of volunteers. Plan and host the annual Volunteer Services dinner.

Satellite Practice Manager, Associate Practice Manager at AVH

North Country Healthcare - Colebrook, NH
2014 to 2016

Management of the Specialty Practices at AVH in addition to UCVH's outreach location. Responsible for the daily operations and management of staff. Role included all job functions of previously held role of Satellite Practice Manager listed below.

Meditech superuser for all years of service at AVH.

Satellite Practice Manager

Androscoggin Valley Hospital - Berlin, NH
2011 to 2014

Employed by AVH to travel to UCVH to establish and manage Specialty Care in Colebrook, NH. Management of staff and Practice operations. Business development and project management associated with starting up new outreach clinics. A large part of this role was building relationships and trust with patients, staff and Physicians at UCVH and the surrounding area who were reluctant to have an outside facility provide patient care at their organization. Managed clinical and non-clinical staff ensuring quality patient care and excellent customer service.

Senior Patient Access Representative

Androscoggin Valley Hospital - Berlin, NH
2010 to 2011

Supervising of Patient Access staff across the Specialty Practice. Duties included training and the development of training tools. Holding staff accountable to quality measures and customer service expectations.

Dawn Gooden

I currently work in the Human Services field. I support families and children both in public and home settings. Part of my role is strengthening families who have been impacted by drug & alcohol abuse, abuse & neglect and social emotional issues. I am extremely motivated to continue supporting these families to rebuild these relationships. I find my job to be truly rewarding.

I am currently working towards my LADC and have attended numerous professional development opportunities to strengthen my understanding of the Drug & Substance epidemic in our area.

I have my B.A degree in Psychology, A.S in Human Services and A.S in Early Childhood. I feel I have a diverse background, where I have had the opportunity to support children & families in multiple environments.

Education

- **1986- Graduated, Memorial High School, Manchester, NH. Received a diploma.**
- **2001- Associates Degree in Human Services, CCV**
- **2001- Associates Degree in Early Childhood Ed , CCV**
- **2008- VT Bachelor's Degree in Psychology, Johnson States College, Johnson VT**

Experience

2018 to Present-Weeks Medical Center, Behavioral Health Case Manager

Responsible for managing an assigned caseload of clients, both adults and children, having a diagnosed mental health/substance use disorder and for assessing client needs, developing, implementing, and reviewing service plans, and working with other community resources in meeting/achieving client service needs. Serves as the behavioral health team's coordinator and serving as the face of the department.

2016-2018-Northern Human Services, Children's/Adult Case Manager

Working with children and adults who have behavioral issues and mental health issues. Maintains up-to-date and complete case management records on assigned individuals, provides crisis intervention, symptom management and outreach services when appropriate Family Support & Services, coping skills, and strategies. Maintains personally supportive relationships with individuals and their families while encouraging independence. Assisting clients in public school settings, community outings, home based and access to local resources. Working with parents & guardians to better support the client.

Supporting clients and families with basic needs such as housing, transportation, employment, EBT, and health insurance.

Encouraging clients to work towards goals and maintain sobriety by using deep breathing, grounding skills, and mindfulness techniques.

2007-to 2016-Family Resource Center at Gorham, Child Health Support Worker

Working with families due to Abuse & Neglect. Offering supervised visits and teaching them household management, budgeting, and parenting education.

Helping families become aware of resources in their local areas that they can utilize. Many clients had a vast array of goals they needed to meet in order to regain custody. Every case requires adaptability and flexibility to meet these goals.

2006-2007-Whitefield High School/Special Educator Paraprofessional

Supported an adolescent who is non-verbal, diagnosed with having autism, and is a severe diabetic. Testing blood sugar, giving insulin, counting carbs, and given out his medications. Keeping the student safe, learning to make choices, to show preferences, living skills, developing and maintaining personal relationships, and participating in community experiences.

2004-2006 Easter Seals/Teachers Assistant & Residential Instructor

Worked with special needs children ages to nine-twenty-one with ADHD, ODD, and Autism, abuse & neglect, sexual offenders, physically challenged, and learning disabled, and supervising youth in all settings. Testing blood sugar, given insulin, counting carbs, and given out medications. Assisting with physical restraints, keeping safety of the children, assisting in unsafe behavior protocol. Given leadership opportunities to support other staff members when in crisis or emergency situations.

2004-Lancaster Play and Learn Center

Worked with four- to seven-year-old children and at times one- to three-year-old children. Providing care and protection to meet the needs of all the children, interacting with the children, modeling behavior for the children, dealing with discipline issues, assisting the children with their needs, and communicating with the staff and the parents in regards to children.

2002-2005 Head start/Special Education Paraeducator Lunenburg School & Guildhall School/Special Education Para-Educator

Worked with groups of three- to five-year-old children as well as individually with a student on an IEP. Working independently in the classroom over the summer with a child who has recently been diagnosed with Autism. Working with a student who is four years old diagnosed with Autism and is non-verbal.

2001-Lynsey House Relief Worker

I have experience working at the Lynsey House. I completed intakes with residents, answer the telephone, intakes over the phone, and listen and provide support to the residents. Supervised 1-2 staff members weekly to oversee the needs of the residents. Supported both staff and residents to locate and obtain resources to help residents achieve their goals.

1998-2001- Cub scout Den Mother

Supervising cub scouts in both individual and group opportunities. Scheduling and organizing activities and trips for the group. Supporting children to reach potential while promoting character and leadership development.

1996-2000-Daisies/Girl scout Assistant Leader

Supervised girl scouts with planning activities, giving back to the Community, introducing girls to new experiences, guide and mentor, and help them develop skills and confidence. Attending numerous enrichment opportunities with scouts. Modeling appropriate social skills and communication within the group.

Service Excellence Criteria

1. ***Make a positive first impression.*** First impressions define our personality to others and set the tone. By making a positive first impression, our patients, families and colleagues will feel welcome in our Medical Center environment.
2. ***Treat others as guests.*** Act as a host and greet others as you would welcome a good friend.
3. ***Be an effective communicator.*** See that patients, families and colleagues are appropriately informed. Talk with others promptly if you are having a problem with them – follow the "Commitment to My Co-Workers".
4. ***Practice service recovery skills.*** Turn negative service or a negative impression into a positive outcome for the patient, family or colleague.
5. ***Be professional in image and appearance.*** Represent the Medical Center as a professional in image and attitude. Act as a role model for the Medical Center's dress code policy. Also, act as a role model for the Medical Center's Code of Conduct.
6. ***Practice teamwork.*** Work with your team to develop a common vision and common goals. Support your team members to achieve these goals and to provide excellence in patient care and services.
7. ***Project a positive attitude.*** Demonstrate an attitude of striving to find and implement positive approaches. Be part of the solution, not part of the problem. Do not openly criticize your colleagues in front of others or to patients and families.
8. ***Strive for excellence in all endeavors.*** Always look for ways to work more effectively. Strive for higher quality in a cost effective environment.

Essential Functions of the Job

1. Required skills and competencies. Has competency checklist been completed with all competencies met (i.e. job skills / knowledge, equipment knowledge)?

Lamprey Health Care, Inc.	177677-R001	Newmarket	$1,112,527
Manchester Health Department	177433-B009	Manchester	$412,006
Mid-State Health Center	158055-B001	Plymouth	$640,823
Weeks Medical Center	177171-R001	Lancaster	$617,806
White Mountain Community Health Center	174170-R001	Conway	$624,885
		Total:	**$8,158,520**

Funds are available in the following accounts for State Fiscal Years 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Department to increase access to integrated prevention and primary health care for the Maternal and Child Health (MCH) target population of women, infants, children and adolescents, and to address the maternal and youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

Approximately 194,940 individuals will be served from June 1, 2022 to June 30, 2024.

The Contractors will provide increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, and pregnant women and women of childbearing age, and must not exclude individuals who are uninsured; underinsured; and/or considered low-income. Integrated prevention and primary health care services are provided to individuals who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. The Contractors will integrate and coordinate access to medical, behavioral and social services by reducing barriers to care through an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will monitor services through the following performance measures:

- Percent of infants who were ever breastfed.
- Percent of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percent of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.

The Department selected the Contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from January 14, 2022 through February 25, 2022. The Department received 10 responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, pregnant women and women of childbearing age, and individuals who are uninsured; underinsured; considered low-income.

Source of Federal Funds: CFDA #93.994, FAIN B04MC45230

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

DocuSigned by:
Ann H. Landry

Date 5/18/2022

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials DS ML

Date 5/18/2022

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor Initials ML

Date 5/18/2022

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION:

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT A

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

   1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

   3.3. The parties may extend the Agreement for up four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

   1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

   12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall increase access to integrated healthcare for the Maternal and Child Health (MCH) target population of Women, Infants, Children and Adolescents from birth to 21 years of age, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

1.2. The Contractor shall provide and increase access to healthcare for New Hampshire Infants, Children and Adolescents from birth to 21 years of age, and Pregnant Women and Women of Childbearing age, and must not exclude individuals who are:

1.2.1. Uninsured.

1.2.2. Underinsured.

1.2.3. Considered low-income defined as less than 185% of the U.S. Department of Health and Human Services (US DHHS) Poverty Guidelines.

1.2.4. Lacking housing, including individuals whose primary residence during the night is a supervised public or private facility, such as a shelter, that provides temporary living accommodations.

1.2.5. Residing in transitional housing.

1.2.6. Unable to maintain their housing situation.

1.2.7. Forced to stay with a series of friends and/or extended family members, hence are considered homeless.

1.2.8. Recently released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.3. The Contractor shall provide integrated preventative and primary health care services to the populations in Subsection 1.2 above, which must include:

1.3.1. Behavioral health care;

1.3.2. Prenatal care either on site or by referral;

1.3.3. Care management; and

1.3.4. Enabling services.

1.4. The Contractor shall provide eligibility determination services that include, but are not limited to:

1.4.1. Notifying the Department in writing if/when access to primary care services for new patients is limited or closed for more than thirty (30)

consecutive business days or any sixty (60) non-consecutive business days.

1.4.2. Assisting individuals with completing a Medicaid/Expanded Medicaid and/or other health insurance applications.

1.4.3. Maximizing billing to private and commercial insurances for all reimbursable services rendered.

1.4.4. Posting a public notice in a conspicuous location specifying that no individual will be denied services due to inability to pay.

1.4.5. Developing and implementing a sliding fee scale for services in accordance with the Federal Poverty Guidelines and providing the sliding fee scale to the Department upon request.

1.5. The Contractor shall ensure primary care services are provided by a New Hampshire licensed:

1.5.1. Medical Doctor (MD);

1.5.2. Doctor of Osteopathic Medicine (DO);

1.5.3. Advanced Practice Registered Nurse (APRN); and/or

1.5.4. Physician Assistant (PA) to eligible individuals in the service area.

1.6. The Contractor shall provide services in an office-based setting which may include, but is not limited to:

1.6.1. Federally Qualified Health Centers (FQHCs) and/or Rural Health Clinics.

1.6.2. School Based Health Clinics.

1.6.3. Mobile Care Delivery Services.

1.7. The Contractor shall ensure services include, but are not limited to:

1.7.1. Reproductive health services.

1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral.

1.7.3. Preventive primary care services for women, infants, children and adolescents, including screenings and health education in accordance with established, documented state or national guidelines and evidence based practices.

1.7.4. Integrated behavioral health services.

1.7.5. Assessment of need and follow-up/referral as indicated for:

1.7.5.1. Tobacco cessation, including referral to programs such as QuitWorks-NH (http://www.QuitWorksNH.org);

1.7.5.2. Social services that address Social Determinants of Health (SDOH);

1.7.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA);

1.7.5.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

1.7.5.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services; and

1.7.5.6. Referrals to any specialists as needed that are not offered on site, including home visiting services and oral health.

1.8. The Contractor shall provide and facilitate enabling services to all individuals served with special emphasis given to the MCH population of women and infants, children and adolescents from birth to 21 years of age. Enabling services must include at a minimum:

1.8.1. Case management;

1.8.2. Benefit counseling and/or eligibility assistance;

1.8.3. Health education and supportive counseling; and

1.8.4. Language interpretation, outreach, transportation and education of patients and the community regarding the availability and appropriate use of health services.

1.9. The Contractor shall ensure management services for individuals enrolled for primary care services include, but are not limited to:

1.9.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, and in a culturally and linguistically appropriate manner; and

1.9.2. Direct access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, by referral or subcontract.

1.10. The Contractor shall develop, define, facilitate and implement a minimum of two (2) enabling services initiatives and enabling services initiative work plans that focus on the Title V MCH Block Grant population of women, infants, children and adolescents, as follows:

1.10.1. Initiative One (1) – Screening and Referrals for SDOH, in accordance with Attachment #1; and

1.10.2. Initiative Two (2) – Increase Behavioral Health Integration for Women and Children, in accordance with Attachment #2.

1.11. The Contractor shall monitor, update and implement each enabling services initiative work plan in accordance with Attachment #3 – Reporting Requirements Calendar.

1.12. The Contractor shall develop, define, facilitate and implement a minimum of two (2) quality improvement (QI) projects, which must consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of all individuals served, including:

1.12.1. QI Project One (1): Adolescent Well Visits for SFYs 2022-2024, in accordance with Attachment #4; and

1.12.2. QI Project Two (2): Obesity for Children & Adolescents ages 3 to 17 for SFYs 2022-2024, in accordance with Attachment #5.

1.13. The Contractor shall monitor, update and implement the work plans for each QI project in accordance with Attachment #3 – Reporting Requirements Calendar.

1.14. The Contractor shall attend in-person and/or virtual meetings and trainings facilitated by the Department, which include, but are not limited to:

1.14.1. MCH Agency Directors' Meetings scheduled by the Department on an as-needed basis.

1.14.2. MCH Primary Care Coordinators' Meetings up to two (2) times per year, which may require attendance by selected Vendor(s) quality improvement and clinical staff.

1.15. The Contractor shall ensure all services in this Exhibit B, Scope of Services, are provided by qualified health and allied health professionals.

1.16. The Contractor shall provide supporting documentation to the Department that verifies staff hours funded under the Agreement that may include, but is not limited to, timecards.

1.17. The Contractor shall ensure all health and allied health professionals possess and maintain the appropriate and current New Hampshire licenses whether directly employed, contracted or subcontracted.

1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator or staff person essential to providing services. The Contractor shall ensure notification:

1.18.1. Is provided to the Department no later than thirty business (30) days from the date of hire; and

1.18.2. Includes a copy of the newly hired individual's resume.

1.19. The Contractor shall notify the Department in writing when:

1.19.1. Any critical position is vacant for more than thirty (30) business days;

1.19.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive business days or any sixty (60) non-consecutive business days.

1.20. The Contractor shall ensure that all employees and subcontractors providing direct services to clients under this Agreement have undergone a criminal background check and have no convictions for crimes that represent evidence of behavior that could endanger clients served under this Agreement.

1.21. The Contractor shall permit an individual, or team or individuals, authorized by the Department to schedule and conduct periodic virtual and/or on-site reviews of documentation related to contracted services, including:

1.21.1. Administration;

1.21.2. Data collection and submission;

1.21.3. Clinical and financial management; and

1.21.4. Delivery of education services.

1.22. The Contractor shall ensure the information needed by the Department to conduct virtual and/or on-site reviews is available, which may include, but is not limited to:

1.22.1. Client records.

1.22.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

1.23. The Contractor shall adhere to any corrective action plans issued by the Department should virtual and/or on-site reviews yield results that services provided are not in compliance with the Agreement. Any corrective action plans shall not prevent the Department from taking action under paragraph 8, Event of Default/Remedies and paragraph 9, Termination, of the General Provisions, Form P-37, of the Agreement.

1.24. The Contractor shall actively and regularly collaborate with the Department to enhance contract management and improve results.

1.25. The Contractor may be required to collect and share other key data and metrics with the Department, including client-level demographic, performance, and service data, in a format specified by the Department.

1.26. Reporting

1.26.1. The Contractor shall collect and submit the data and reports as specified in Attachment #3 – Reporting Requirements Calendar to the Department. Data must be de-identified and aggregated to prevent constructive identification of any individual, and must include but is not limited to:

1.26.1.1. Uniform Data System (UDS) outcomes.

1.26.1.2. Performance Measure outcomes.

1.26.1.3. Work plan for each Enabling Service Initiative.

1.26.1.4. Work Plan for each QI Project.

1.27. Performance Measures

1.27.1. The Contractor shall report data on the Performance Measures in Appendix F at regular intervals as specified in Appendix G – Reporting Requirements Calendar, utilizing Appendix K – DTT-PC2022 Template.

1.27.2. The Contractor shall meet or exceed their proposed goals and objectives for the required Performance Measures in Attachment #6. Should the Contractor not meet or exceed their goals, the Contractor shall submit a Performance Measure Improvement Plan for each unmet Performance Measure, utilizing Attachment #7 – Performance Measure Outcome Report Template, at reporting intervals as specified in Appendix G – Reporting Requirements Calendar.

1.27.3. The Department may identify other performance measures in the resulting Agreement.

2. Exhibits Incorporated

2.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

2.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

2.3. The Contractor shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

3. Additional Terms

3.1. Impacts Resulting from Court Orders or Legislative Changes

3.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

3.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

3.2.1. The Contractor shall submit, within ten (10) days of the Agreement Effective Date, a detailed description of the communication access and language assistance services to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

3.3. Credits and Copyright Ownership

3.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement shall include the following statement, "The preparation of this (report, document etc.) was financed under an Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

3.3.2. All materials produced or purchased under the Agreement shall have prior approval from the Department before printing, production, distribution or use.

3.3.3. The Department shall retain copyright ownership for any and all original materials produced, including, but not limited to:

3.3.3.1. Brochures.

3.3.3.2. Resource directories.

3.3.3.3. Protocols or guidelines.

3.3.3.4. Posters.

3.3.3.5. Reports.

3.3.4. The Contractor shall not reproduce any materials produced under the Agreement without prior written approval from the Department.

3.4. Operation of Facilities: Compliance with Laws and Regulations

3.4.1. In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental

DS
ML

license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

4. Records

4.1. The Contractor shall keep records that include, but are not limited to:

4.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

4.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

4.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

4.1.4. Medical records on each patient/recipient of services.

4.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts. Upon the purchase by the Department of the maximum number of units provided for in the Agreement and upon payment of the price limitation hereunder, the Agreement and all the obligations of the parties hereunder (except such obligations as, by the terms of the Agreement are to be performed after the end of the term of this Agreement and/or survive the termination of the Agreement) shall terminate, provided

however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT C

Payment Terms

1. This Agreement is funded by:
   1.1. 10% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration, CFDA #93.994, FAIN B04MC45230.
   1.2. 90% General funds.
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget through Exhibit C-3, Budget.
4. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:
   4.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.
   4.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.
   4.3. Identifies and requests payment for allowable costs incurred in the previous month.
   4.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.
   4.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.
   4.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to DPHSContractBilling@dhhs.nh.gov or mailed to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

5. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

6. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract completion date specified in Form P-37, General Provisions Block 1.7 Completion Date.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

8.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

8.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

8.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

Exhibit D

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

Vendor Initials ML (DS)
Date 5/18/2022

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials ML
Date 5/18/2022

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

Contractor Initials ML

Date 5/18/2022

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Contractor Initials ML

Date 5/18/2022

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

DS

ML

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Contractor Name:

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: 073968752

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   X NO _____ YES

   If the answer to #2 above is NO, stop here

   If the answer to #2 above is YES, please answer the following:

3. Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   _____ NO _____ YES

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

Contractor Initials DS ML

Date 5/18/2022

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to, Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.

2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.

3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

Attachment #6 – Performance Measures

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the intention is that Contractors would accordingly go by the most up to date UDS guidance for these measures.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down in to two age based measures, based on current NH Legislation, RSA 130-A:5-a, which requires that children be tested for lead at age 1 as well as at age 2.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months (NH MCHS).

DS
ML
5/18/2022

Attachment #6 – Performance Measures

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between twelve (12) months through twenty three (23) months of age.

2.2.1.2. Denominator: All children who turned twenty-four months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months (NH MCHS).

2.2.2.1. Numerator: All children who received at least one capillary or venous blood lead test between twenty-four (24) through thirty-six (36) months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool on the date of the encounter or up to 14 days prior to the date of the encounter using an age appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

Attachment #6 – Performance Measures

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose

and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

Adult Measure

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI during the measurement period **AND** if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: BMI ≥ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the measurement year or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

Child/Adolescent Measure

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting

DS
ML
5/18/2022

Attachment #6 – Performance Measures

year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year **AND** who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: Number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco at least one within the past twelve (12) months AND received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least two (2) medical visit during the measurement year, OR 1 preventative visit.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

Attachment #6 – Performance Measures

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) –Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adult Measure

2.7.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

Adolescent Measure

2.7.2. SBIRT – Percent of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: All patients aged 12-17 years during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.7.2.4. Definitions:

2.7.2.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.2.4.2. Brief Intervention: Includes guidance or counseling.

2.7.2.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

DS
ML
5/18/2022

Attachment #6 – Performance Measures

2.7.3. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.3.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services

2.7.3.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.3.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8 Developmental Screening Measure

Percent of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months (NH MCHS)

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and who had at least (1) medical visit during the measurement year

Attachment #7 – Performance Measure Outcome Report Template

Instructions for completing this Performance Measure Outcome Report (PMOR):
The Performance Measure Outcome Report (PMOR) is to be completed by your agency and emailed to shari.campbell@dhhs.nh.gov at the intervals specified on the Reporting Calendar.

Please complete the Narrative and Plan for Improvement sections for any of the following measures where your agency did not meet your agency target for the reporting period (July 1, 20XX – June 30, 20XX).

Performance measures:

- Breastfeeding
- Lead Screening for 1 Year Olds
- Lead Screening for 2 Year Olds
- Adolescent well care visit
- Depression screening and follow up plan if positive screening, 12 years and older
- Maternal Depression Screening
- Adults with documented BMI and follow-up plan if BMI outside of normal range
- Children 3-17 with documented BMI, nutrition counseling and physical activity counseling
- Adult tobacco screening and cessation counseling intervention for smokers
- Prenatal Tobacco screening each trimester and cessation counseling intervention for smokers
- SBIRT, Adults
- SBIRT, Adolescents
- SBIRT, Pregnant Women
- Developmental Screening-M-CHAT

* Note: Not met performance measures that have been addressed by your agency SFYXX Work Plan are excluded from this report. For example, the PMOR will omit Adolescent Visit measure for Primary Care Services

1. The Narrative section is to explain what happened during the year i.e. why measure was not met, what barriers/challenges your agency faced, describe any improvement activities that took place during the year to correct along the way, etc.

2. The Plan for Improvement section is to describe what steps your agency will take to achieve your agency target in SFYXX i.e. describe your strategy (PDSA), what will you plan to do differently etc.

3. Please email your completed PMOR **Shari Campbell at shari.campbell@dhhs.nh.gov by the dates indicated in the Reporting Calendar.** If you have any questions about completing this document, please contact Jannell Levine at Jannell.E.Levine@dhhs.nh.gov or 603-856-6449.

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Maternal and Child Health Care in the Integrated Primary Care Setting contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and White Mountain Community Health Center ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 15, 2022 (Item #32), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $901,583

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Section 1.3.2., to read:

   1.3.2. Prenatal care either on site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data related to prenatal performance measures.

5. Modify Exhibit B, Scope of Services, Section 1.7.2., to read:

   1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral. The referral agreement or subcontract must be provided to, and approved by DHHS, and must enable the Contractor to provide de-identifiable patient data relating to prenatal performance measures to the Department.

6. Modify Exhibit B, Scope of Services, Section 1.10.1. through Section 1.10.2., to read:

   1.10.1. Initiative One (1) – Screening and Referrals for SDOH; and

   1.10.2. Initiative Two (2) – Contractor's choice, which must focus on enabling services.

7. Modify Exhibit B, Scope of Services, Section 1.12.1. through Section 1.12.2., to read:

   1.12.1. QI Project One (1): Increasing Adolescent Well Visits; and

   1.12.2. QI Project Two (2): Increasing post-partum clinical depression screening of women within the first 12 weeks after delivering.

8. Modify Exhibit B, Scope of Services, Section 1.18., to read:

   1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator, or staff person essential to providing services and/or any personnel changes to these positions. The Contractor shall ensure notification:

   1.18.1. Is provided to the Department no later than thirty (30) business days from the date of hire or personnel change; and

   1.18.2. Includes a copy of the new staff individual's resume as well as an updated

staffing list.

9. Modify Exhibit B, Scope of Services, by adding Section 1.28., to read:

   1.28. The Contractor shall provide de-identifiable patient level data on the integrated and primary health care services provided, as specified in Subsection 1.3., and Section 1.26. Reporting.

10. Modify Exhibit C, Payment Terms, Section 1.1. through Section 1.2., to read:

    1.1. 14% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Assistance Listing Number (ALN) 93.994, FAIN B04MC45230, and as awarded on October 27, 2022, ALN 93.994, FAIN B04MC47432.

    1.2. 86% General funds.

11. Modify Exhibit C, Payment Terms, Section 3., to read:

    3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget Sheet through Exhibit C-4, Budget Sheet, Amendment #1.

12. Modify Exhibit C, Payment Terms, Section 4.3., to read:

    4.3. Identifies and requests payment for allowable costs incurred in the previous month. Allowable costs are costs incurred that specifically supports only New Hampshire Infants, Children and Adolescents from birth to 21 years of age, Pregnant Women, and Women of Childbearing age.

13. Modify Add Exhibit C, Payment Terms, by adding Section 4.7., to read:

    4.7. Includes budget line items that are used exclusively for serving the Maternal and Child Health population and invoicing must clearly state how the incurred expenses benefited this specific patient population.

14. Modify Attachment 3, Reporting Calendar, by replacing it in its entirety with Attachment 3, Amendment #1, Reporting Requirements Calendar, which is attached hereto and incorporated by reference herein.

15. Modify Attachment 6, Performance Measures, by replacing it in its entirety with Attachment 6, Amendment #1 – SFY 2025 Performance Measures, which is attached hereto and incorporated by reference herein.

16. Modify Attachment 7, Performance Measure Outcome Report (PMOR), by replacing it in its entirety with Attachment 7, Amendment #1, Performance Measure Outcome Report (PMOR), which is attached hereto and incorporated by reference herein.

17. Add Attachment 8, Amendment #1, DTT – MCH in the Integrated Primary Care Setting Template, which is attached hereto and incorporated by reference herein.

18. Add Exhibit C-4, Budget Sheet, Amendment #1, which is attached hereto and incorporated by reference herein.

DS KRP

Contractor Initials

Date 4/24/2024

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2024, upon Governor and Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

DS KSP

4/24/2024

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

1. Definitions

1.1. **Measurement Year** – Consists of 365 days and is defined as either:

1.1.1. A Calendar Year (January 1st through December 31st), or

1.1.2. A State Fiscal Year (July 1st through June 30th).

1.2. **Medical Visit** –Defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. The UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the expectation is that the Contractor will adhere to the most up to date UDS guidance.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. Percent of infants who were ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for approximately six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Testing

This measure will be broken down into two (2) age-based measures, based on current NH Legislation RSA 130-A:5-a, which requires children be tested for lead at one (1) year of age, and at two (2) years of age.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between 12 and 23 months of age (NH MCHS).

DS
KGP

4/24/2024

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between 12 and 23 months of age.

2.2.1.2. Denominator: All children who turned 24 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between 24 and 36 months of age (NH MCHS).

2.2.2.1. Numerator: All children who received at least one (1) capillary or venous blood lead test between 24 and 36 months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients 12 through 21 years of age screened for clinical depression using an age-appropriate standardized depression screening tool on the date of the encounter or within 14 days prior to the date of the encounter **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients 12 through 21 years of age who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 through 21 years of age by the end of the measurement year who had at least one (1) medical visit during the measurement year.

DS
KGP
4/24/2024

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first 12 weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit in the first 12 weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

Attachment #6, Amendment #1 – SFY 2025 Performance Measures

2.5. **Preventive Health: Obesity Screening**

Child/Adolescent Measure

2.5.1. Percent of patients three (3) through 17 years of age who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.1.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.1.2. Denominator: Number of patients who were one (1) year after their second (2nd) birthday (i.e., three (3) years of age) through adolescents who were up to one (1) year past their 16th birthday (i.e., 17 years of age) at some point during the measurement year, who had at least one (1) medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.1.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers **PLUS** queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) – Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adolescent Measure

2.7.1. SBIRT – Percent of patients 12 through 17 years of age who were screened for substance use using a formal valid screening tool during

DS

4/24/2024

any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use using a formal valid screening tool during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients 12 through 17 years of age during the measurement year with at least one (1) medical visit during the measurement year and with at least two (2) medical visits ever.

2.7.1.4. Definitions:

2.7.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.1.4.2. Brief Intervention: Includes guidance or counseling.

2.7.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.7.2. Percent of pregnant women who were screened using a formal valid screening tool for substance use during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of women in the denominator who were screened for substance use using a formal and valid screening tool during each trimester they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative **PLUS** screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8. **Developmental Screening Measure**

Percent of children who reached 30 months of age by the end of the reporting period, and were screened for autism using the M-CHAT or M-CHAT-R/F at least once between 16 and 30 months of age (NH MCHS).

State of New Hampshire

Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that WHITE MOUNTAIN COMMUNITY HEALTH CENTER is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on June 01, 1981. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: **62590**

Certificate Number: **0006668314**

IN TESTIMONY WHEREOF,

I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this 15th day of April A.D. 2024.

David M. Scanlan

Secretary of State

CERTIFICATE OF AUTHORITY

I, Angela M. Zakon, hereby certify that:
(Name of the elected Officer of the Corporation/LLC; cannot be contract signatory)

1. I am a duly elected Clerk/Secretary/Officer of White Mountain Community Health Center.
(Corporation/LLC Name)

2. The following is a true copy of a vote taken at a meeting of the Board of Directors/shareholders, duly called and held on June 27, 2019, at which a quorum of the Directors/shareholders were present and voting.
(Date)

VOTED: That Executive Director Kenneth Porter (may list more than one person)
(Name and Title of Contract Signatory)

is duly authorized on behalf of White Mountain Community Health Center to enter into contracts or agreements with the State
(Name of Corporation/ LLC)

of New Hampshire and any of its agencies or departments and further is authorized to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, which may in his/her judgment be desirable or necessary to effect the purpose of this vote.

3. I hereby certify that said vote has not been amended or repealed and remains in full force and effect as of the date of the contract/contract amendment to which this certificate is attached. This authority was **valid thirty (30) days prior to and remains valid for thirty (30)** days from the date of this Certificate of Authority. I further certify that it is understood that the State of New Hampshire will rely on this certificate as evidence that the person(s) listed above currently occupy the position(s) indicated and that they have full authority to bind the corporation. To the extent that there are any limits on the authority of any listed individual to bind the corporation in contracts with the State of New Hampshire, all such limitations are expressly stated herein.

Dated: 04/15/2024

Signature of Elected Officer

AUTHORIZED REPRESENTATIVE

White Mountain Community Health Center

Mission, Vision, and Values

Mission

White Mountain Community Health Center provides the community with affordable access to high-quality, compassionate, individualized healthcare and support services needed to achieve wellness.

Vision

We envision a community where everyone gets the care and support they need to be healthy regardless of financial situation.

Values

AFFORDABLE CARE

We want to ensure that anyone in the community can access the best healthcare, no matter who they are and what resources they have. We welcome all regardless of ability to pay, strive for cost transparency, and look for other ways to help patients overcome barriers to care.

RESPECT

We respect each person we work with as a fellow human being. We take the time necessary to build good relationships with patients. Patients' opinions matter to us and we listen to them and shape their care accordingly. We expect patients to treat us with respect and integrity in return. Staff take the time to build good relationships with each other as well to create a supportive and respectful work culture.

COMPREHENSIVE, INTEGRATED CARE

We provide care for the whole person. Providers work as a team to provide integrated care for patients and connect them with resources to address all factors affecting their ability to achieve health.

PROFESSIONAL EXCELLENCE

We recruit highly skilled staff and provide support and continuing education to ensure our patients get the highest level of care. We evaluate our performance regularly and use data to determine areas of improvement.

DEDICATION

We work hard for our patients and go the extra mile to ensure we are following through. Our patients can depend on us.

COLLABORATION

Our staff collaborate and learn from each other to take full advantage of each staff member's strengths. We work closely with other organizations to address our community's health needs and underlying social determinants of health.

INNOVATION

We lead the way in community healthcare, finding creative ways to provide cutting-edge care with the available resources.

BerryDunn

WHITE MOUNTAIN COMMUNITY HEALTH CENTER

Whole Person. Whole Family. Whole Valley.

FINANCIAL STATEMENTS

June 30, 2023 and 2022

With Independent Auditor's Report

BerryDunn

INDEPENDENT AUDITOR'S REPORT

Board of Directors
White Mountain Community Health Center

Opinion

We have audited the accompanying financial statements of White Mountain Community Health Center (the Center), which comprise the balance sheets as of June 30, 2023 and 2022, and the related statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Center as of June 30, 2023 and 2022, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

The accompanying notes are an integral part of these financial statements.

Organization

White Mountain Community Health Center (the Center) is a non-profit corporation organized in New Hampshire. The Center's primary purpose is to provide comprehensive primary and preventative healthcare services to the residents in the town of Conway, New Hampshire, and surrounding communities.

The Center is a Federally Qualified Health Center (FQHC) Look-Alike. While FQHC Look-Alikes do not receive Health Center Program grant funds provided to FQHCs, they are eligible to receive enhanced reimbursement under FQHC Medicare and Medicaid payment methodologies. FQHC Look-Alikes are also eligible to purchase discounted drugs through the 340B Federal Drug Pricing Program.

1. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Center have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which require the Center to report information in the financial statements according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Center. These net assets may be used at the discretion of the Center's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. The donor restrictions are temporary in nature and the restrictions are to be met by actions of the Center or by the passage of time.

Income Taxes

The Center is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Center is exempt from state and federal income taxes on income earned in accordance with its tax exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Center's tax positions and concluded that the Center has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less.

The Center has cash deposits in major financial institutions which exceed federal depository insurance limits. The Center has not experienced losses in such accounts and management believes the credit risk related to these deposits is minimal.

Revenue Recognition and Patient Accounts Receivable

Net patient service revenue is reported at the amount that reflects the consideration to which the Center expects to be entitled in exchange for providing patient care. These amounts are due from patients and third-party payers (including commercial insurers and governmental programs). Generally, the Center bills the patients and third-party payers several days after the services are performed. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Center. The Center measures the performance obligations for medical, behavioral health, dental and ancillary services from the commencement of an in-person or virtual encounter with a patient to the completion of the encounter. Ancillary services provided the same day are considered to be part of the performance obligation and are not deemed to be separate performance obligations. The Center's performance obligations are satisfied at a point in time.

The Center determines the transaction price based on standard charges for goods and services provided, reduced by contractual adjustments provided to third-party payers, discounts provided to uninsured patients in accordance with the Center's sliding fee discount program and implicit price concessions provided to uninsured patients. The Center determines its estimates of contractual adjustments and discounts based on contractual agreements, its discount policies and historical experience by payer.

The Center has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the payer. In assessing collectability, the Center has elected the portfolio approach. The portfolio approach is being used as the Center has a large volume of similar contracts with similar classes of customers (patients). The Center reasonably expects that the effect of applying a portfolio approach to a group of contracts would not differ materially from considering each contract separately. Management's judgment to group the contracts by portfolio is based on the payment behavior expected in each portfolio category. As a result, aggregating all the contracts (which are at the patient level) by the particular payer or group of payers will result in the recognition of the same amount of revenue as applying the analysis at the individual patient level. Payer concentrations are disclosed in Note 6.

A summary of payment arrangements follows:

Medicare

The Center is primarily reimbursed for medical, behavioral health and ancillary services provided to patients based on the lesser of actual charges or prospectively set rates for all FQHC services furnished to a Medicare beneficiary on the same day when an FQHC furnishes a face-to-face or virtual visit. Certain other services provided to patients are reimbursed based on predetermined payment rates for each Current Procedural Terminology (CPT) code, which may be less than the Center's public fee schedule.

Medicaid

The Center is primarily reimbursed for medical, behavioral health and ancillary services provided to patients based on prospectively set rates for all FQHC services furnished to a Medicaid beneficiary on the same day when an FQHC furnishes a face-to-face or virtual visit. Certain other services, including dental services, provided to patients are reimbursed based on predetermined payment rates for each CPT code, which may be less than the Center's public fee schedule.

Other Payers

The Center has also entered into payment agreements with certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. Under these arrangements, the Center is reimbursed for services based on contractually obligated payment rates for each CPT code, which may be less than the Center's public fee schedule.

Patients

The Center provides care to patients who meet certain criteria under its sliding fee discount program. The Center estimates the costs associated with providing this care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for the sliding fee discount program. The estimated cost of providing services to patients under the Center sliding fee discount policy amounted to $73,658 and $43,397 for the years ended June 30, 2023 and 2022, respectively.

For uninsured patients who do not qualify under the Center's sliding fee discount program, the Center bills the patient based on the Center's standard rates for services provided. Patient balances are typically due within 30 days of billing; however, the Center does, in certain instances, enter into payment agreements with patients that allow payments in excess of one year. For those cases, the financing component is not deemed to be significant to the contract.

Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Management believes that the Center is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

Patient Accounts Receivable

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances.

The Center grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. The accounts receivable from patients and third-party payers, net of contractual allowances, were as follows:

	2023	2022
Governmental plans		
Medicare	18 %	8 %
Medicaid	43 %	35 %
Commercial payers	14 %	23 %
Patient	25 %	34 %
Total	100 %	100 %

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

A portion of the Center's revenue is derived from cost-reimbursable grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Center has met the performance requirements or incurred expenditures in compliance with specific contract or grant provisions, as applicable. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue.

Investments

The Center reports investments at fair value. Investments include assets held for long-term purposes. Accordingly, investments have been classified as non-current assets in the accompanying balance sheet regardless of maturity or liquidity. The Center has established policies governing long-term investments.

Investment income and the change in fair value are included in the (deficiency) excess of revenue over expenses, unless otherwise stipulated by the donor or State Law.

Investments, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Assets Limited As To Use

Assets limited as to use are comprised of donor-restricted cash contributions.

Property and Equipment

Property and equipment are carried at cost, less accumulated depreciation. Maintenance, repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Provision for depreciation is computed using the straight-line method over the estimated useful lives of the related assets. The Center's capitalization policy is applicable for acquisitions greater than $5,000.

Contributions

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received, which is then treated as cost. The gifts are reported as net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statements of operations and changes in net assets as net assets released from restriction. Contributions whose restrictions are met in the same period as the support was received are recognized as net assets without donor restrictions.

The Center reports gifts of property and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Center reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

(Deficiency) Excess of Revenue Over Expenses

The statements of operations reflect the (deficiency) excess of revenue over expenses. Changes in net assets without donor restrictions which are excluded from the (deficiency) excess of revenue over expenses include contributions of long-lived assets (including assets acquired using grants and contributions which, by donor restriction, were to be used for the purposes of acquiring such assets) and net assets released from restriction for capital acquisition.

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through October 30, 2023, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Availability and Liquidity of Financial Assets

The Center regularly monitors liquidity required to meet its operating needs and other contractual commitments. The Center has various sources of liquidity at its disposal, including cash and cash equivalents and investments.

Financial assets available for general expenditure within one year were as follows at June 30:

	2023	2022
Cash	$ 344,802	$ 717,141
Patient accounts receivable	139,371	84,225
Grants receivable	92,430	82,671
Investments	1,106,864	910,690
Total	$ 1,683,467	$ 1,794,727

The Center had average days (based on normal expenditures) cash on hand of 58 and 145 at June 30, 2023 and 2022, respectively.

3. Investments and Fair Value Measurement

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants and also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The fair value hierarchy distinguishes three levels of inputs that may be utilized when measuring fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following table sets forth by level, within the fair value hierarchy, the Center's investments at fair value measured on a recurring basis:

	Investments at Fair Value at June 30, 2023			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 161	$ -	$ -	$ 161
Exchange traded funds,	27,813	-	-	27,813
Mutual funds	929,186	-	-	929,186
Certificates of deposit	149,704	-	-	149,704
Total investments	$ 1,106,864	$ -	$ -	$ 1,106,864

	Investments at Fair Value at June 30, 2022			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 27	$ -	$ -	$ 27
Exchange traded funds	33,212	-	-	33,212
Mutual funds	877,451	-	-	877,451
Total investments	$ 910,690	$ -	$ -	$ 910,690

4. Property and Equipment

A summary of property and equipment is as follows at June 30:

	2023	2022
Building improvements	$ 48,498	$ 48,498
Furniture	4,218	4,218
Equipment	488,144	472,708
Total cost	540,860	525,424
Less accumulated depreciation	446,341	417,159
	94,519	108,265
Equipment not in service	42,780	-
Property and equipment, net	$ 137,299	$ 108,265

5. Net Assets with Donor Restrictions

Net assets with donor restrictions are temporary in nature and are available for the following purposes at June 30:

	2023	2022
Equipment, not purchased	$ 15,122	$ 16,745
Equipment, purchased but not in service	30,000	-
Staff recruitment, retention and training	10,614	64,687
Program activities	2,948	6,279
Total	$ 58,684	$ 87,711

Net assets released from net assets with donor restrictions were as follows at June 30:

	2023	2022
Satisfaction of purpose:		
Staff recruitment, retention and training	$ 54,072	$ 32,410
Program activities	6,331	4,476
Purchase of equipment	1,624	29,618
Total	$ 62,027	$ 66,504

6. Patient Service Revenue

Patient service revenue is as follows for the years ended June 30:

	2023	2022
Medicaid	$ 592,207	$ 490,258
Medicare	60,925	67,600
Third-party insurance	270,829	245,875
Patient pay	180,818	133,573
Net patient service revenue	$ 1,104,779	$ 937,306

7. Functional Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function; therefore, these expenses require allocation on a reasonable basis that is consistently applied. As the Center is a service organization, such expenses, which include employee benefits, occupancy, depreciation, interest and other operating expenses, are allocated between healthcare services and administrative support based on the percentage of direct care wages to total wages.

Expenses related to providing these services are as follows for the years ended June 30:

	Healthcare Services	Administrative Support	Total
2023:			
Salaries and wages	**$ 1,292,117**	**$ 142,003**	**$ 1,434,120**
Employee benefits	**230,989**	**25,386**	**256,375**
Contract services	**48,739**	**42,191**	**90,930**
Program supplies	**55,889**	**-**	**55,889**
Occupancy	**69,582**	**7,647**	**77,229**
Other operating expenses	**186,443**	**54,662**	**241,105**
Depreciation	**26,293**	**2,890**	**29,183**
Total operating expenses	**$ 1,910,052**	**$ 274,779**	**$ 2,184,831**
2022:			
Salaries and wages	$ 1,036,366	$ 128,171	$ 1,164,537
Employee benefits	148,197	18,328	166,525
Contract services	49,452	59,977	109,429
Program supplies	84,162	-	84,162
Occupancy	72,115	8,919	81,034
Other operating expenses	154,976	38,724	193,700
Depreciation	22,017	2,723	24,740
Total	$ 1,567,285	$ 256,842	$ 1,824,127

8. Malpractice Claims

The Center insures its medical malpractice risks on a claims-made basis. There were no known malpractice claims outstanding at June 30, 2023 which, in the opinion of management, will be settled for amounts in excess of insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Center intends to renew coverage on a claims-made basis and anticipates that such coverage will be available.

9. Retirement Plan

The Center has a 403(b) retirement plan covering substantially all employees. Contributions by the Center to the plan amounted to $27,383 and $23,440 for the years ended June 30, 2023 and 2022, respectively.

10. Contribution of Non-financial Assets

The Memorial Hospital (TMH) provides the Center with office and clinic space located in Conway, New Hampshire at no cost. In-kind contributions and related expense from TMH to the Center amounted to $59,004 for the years ended June 30, 2023 and 2022.

11. Litigation

From time-to-time, certain complaints are filed against the Center in the ordinary course of business. Management vigorously defends the Center's actions in those cases and utilizes insurance to cover costs in excess of stated deductibles. In the opinion of management, there are no matters that will materially affect the Center's financial statements.

12. Paycheck Protection Program Loans

The Center received Paycheck Protection Program Loans in the amount of $238,000 and $234,000 which were forgiven by the Small Business Association and lender in November 2020 and August 2021, respectively. The loans can be audited by the Small Business Association for up to six years from the date of forgiveness. Any difference between amounts previously recognized and amounts subsequently determined to be recoverable or payable are adjusted in future periods as adjustments become known.

WHITE MOUNTAIN COMMUNITY HEALTH CENTER

Whole Person. Whole Family. Whole Valley.

Board Roster April 2024

Name, Office	Profession, Place of Work	Town
Caitlin Behr, RN President		
Christy Mackie Vice President		
Angela Zakon Treasurer		
Ellen Blanchard Secretary		
Richard L. Faucher		
Chad Laflamme		
Sandi Poor

Deborah Cross, RN, MSN

EDUCATION

University of California, San Francisco
Master of Science in Nursing, Family Nurse Practitioner Specialty. June 2009.

Louisiana State University Medical Center, New Orleans
Associate of Science in Nursing, May 1996.

Rutgers University, New Brunswick, NJ.
Bachelor of Arts, Psychology major, May 1994.

FAMILY NURSE PRACTITIONER CLINICAL RESIDENCIES

Family Health Center, San Francisco General Hospital, 11/08 – 5/ 09.
Silver Avenue Health Center, San Francisco, 4/09 – 6/09.

- Provided primary care services to culturally diverse, low-income populations.
- Managed complex patients with multiple problems, i.e. uncontrolled diabetes & hypertension, depression, anxiety, chronic pain, and substance abuse.

Roseland Children's Health Center, Santa Rosa, 4/08 - 6/08.
Clinica de La Raza, Oakland, 4/09 – 6/09.

- Conducted newborn, infant, child & adolescent assessment and well child examinations.
- Diagnosed and prescribed treatment for common acute complaints, i.e. otitis media, strep throat.
- Managed common chronic conditions, i.e. asthma, atopic dermatitis.
- Predominantly Spanish speaking, low-income populations.

Young Women's Program, University of California, San Francisco, 1/09 – 4/09.

- Provided Ob/Gyn services to high risk teens & young adults.
- Received training in Mirena insertion.

Bolinas Community Health Center, Bolinas, 9/08 – 12/08.

- Provided primary care services to a rural coastal community.

Breast Center, University of California, San Francisco, 9/08 – 12/08.

- Assessed patients with abnormal mammograms or breast exams.
- Assessed patients with increased breast cancer risk due to family history.
- Assessed patients status post breast cancer treatment.

Kaiser Permanente Medical Group Women's Health Center, San Francisco, 1/09 – 4/09

- Provided routine obstetric (prenatal and postpartum care) and gynecologic care for various women's health issues.

Spine Center, University of California, San Francisco, 1/08 – 4/08.

- Performed neurological examinations & recorded patient histories.
- Performed trigger point and bursal injections.
- Assessed patients coping with chronic pain and physical disability.

RN EXPERIENCE

St. Luke's Hospital, San Francisco, 6/03 – 6/09.
Emergency Department, staff nurse.

- Worked with primarily Spanish speaking low-income patients who did not have access to primary care

Common Ground Clinic, New Orleans, 4/06 – 6/06.

- RN volunteer
- Triaged patients presenting with acute and chronic health problems after Hurricane Katrina
- Provided diabetic education, healthy lifestyle instruction, and grief counseling

Women's Choice Clinic, Oakland, Ca. 9/06 – 5/08.

- RN volunteer
- Provided abortion education & counseling
- Taught phlebotomy skills to other volunteers

Veteran's Administration Medical Center, San Francisco, 9/02 – 6/03.
Transitional Care Unit, staff nurse – travel assignment.

- Provided care to acutely ill adults transitioning from ICU to med/surg.
- ICU & ER float.

St. Mary's Medical Center, Reno 6/99 – 8/02.
ICU & Emergency Department, staff nurse.

Primary Children's Hospital, Salt Lake City, 5/98 – 5/99.
Medical/Surgical, staff nurse.

- Cared for acutely ill infants, children, & adolescents.

University Hospital, Salt Lake City, 1/97 – 5/99.
Telemetry, staff nurse.

- Member of the end of life committee.

CERTIFICATIONS

- Basic Life Support
- Advanced Cardiovascular Life Support
- Pediatric Advanced Life Support

Profile

I am a Registered Nurse with a current New Hampshire license, and the director of operations at a rural community health center. I enjoy the dynamic nature of community health nursing, and the opportunity it provides to view the family as a whole when planning and providing care. My interests include asthma education, mental health and nutrition.

Experience

White Mountain Community Health Center, Conway, NH

December 2014-Present: Director of Operations

Coordinate provision of all programs (Family Planning, STD/HIV, BCCSP, Prenatal, Pediatrics, Primary Care, and Teen Clinic). Supervise all clinical, medical records, and front office staff. Coordinate and ensure adequate staffing schedules for clinical staff. Assist in budget preparation as needed. Represent the health center publically at forums and events. Responsible for the implementation of electronic health record and the ongoing customization of the program to ensure appropriate documentation of patient care, meet program reporting needs and facilitate efficient staff workflow across the agency.

2011 to 2014: Director of Clinical Services

Coordinate provision of all programs (Family Planning, STD/HIV, BCCSP, Prenatal, Pediatrics, Primary Care, and Teen Clinic). Supervise all clinical staff. Coordinate and ensure adequate staffing schedules for clinical staff. Perform annual clinical staff evaluations. Assist in budget preparation as needed. Assist Medical Director when seeing patients.

2009-2011: Registered Nurse

Primary care and family planning focus, with patient population newborn through geriatric. Strong focus on patient education, including asthma education and diabetic teaching. Other roles include triage and prioritization of care and coordination of patient care with resources both within and outside of the clinic.

Memorial Hospital, North Conway, NH

June 2007-June 2010: Registered Nurse

Medical Surgical nursing care of a broad range of patients from pediatric to geriatric. Roles included assessment of care of acutely ill patients with medical, surgical and/or orthopedic diagnoses. Patient education, care planning, complete patient assessment and accurate documentation in EMR were integral parts of this position.

May 2006-June 2007: Licensed Practical Nurse

Medical Surgical and some post-partum and newborn nursing care under the supervision of a Registered Nurse.

February 2001-May 2006: LNA/Unit Secretary

Unit Secretary/LNA in fast-paced medical surgical unit. Duties included transcribing doctor's orders, managing patient records, answering and directing phone calls, assisting nurses with order entry and facilitating communication between departments.

Education

Saint Anselm College; Advanced Nursing Leadership Program: 2013
NHCTC, Berlin, NH: Associates Degree in Science, Nursing; May 17, 2007, Phi Theta Kappa Honor Society
Southern Maine Technical College, Portland, ME: Nursing Assistant Certificate 1994
University of Southern Maine: 1992-1993
Certifications and relevant continuing education include:

- North Country Health Consortium Public Health Training Center: Community Health Assessment and Improvement Modules 1-4, 2013
- Yellow Belt- LEAN Systems Training for Quality Improvement: September 2013
- Nutrition and Physical Activity Self-Assessment for Child Care (NAP SACC) consultant training certificate; June 2013
- Current BLS
- Asthma Educators Institute 2010
- Diabetes Nurse Champion, September 2008
- WIC Breastfeeding Peer Counselor Certification, November 2000

Personal/Community

Mount Washington Valley Toastmasters #3596556: President, Charter member
Swift River CrossFit: CFL1 Trainer

Betty-Jo Heney, MSN.

Professional Summary

Compassionate registered nurse with fourteen years of experience in various healthcare settings. Skilled in providing exceptional care to culturally diverse patient populations. Team player with extensive experience collaborating with healthcare professionals as part of an interdisciplinary approach to meet patient care needs. Efficient computer literacy skills and electronic health record data entry. Demonstrates strong use of critical thinking skills and problem-solving abilities in day-to-day activities.

Professional Experience

CLINICAL SUPERVISOR/REGISTERED NURSE | SURGICAL SERVICES/PACU/CIRCULATOR/SCRUB TECHNICIAN| MEMORIAL HOSPITAL NORTH CONWAY, NH| SEPTEMBER 2019 – CURRENT

Principal role in a multidisciplinary team unit acting as a liaison between providers, nurses, and key members of the surgical unit. Assist in facilitating the progression of care for all patients on the unit and acts as a resource to the team. Participates in guiding staff members on more complicated assessments, promoting staff and patient safety, assisting during procedures, and educating staff on policies and guidelines. Collaborates with the Clinical Manager and Nursing Coordinators to ensure appropriate staffing and management of admissions and discharges. Participates in coaching staff to enhance their professional development and promote evidence-based practices on the unit.

Coordinates total nursing care for patients ranging in age from children to the elderly. Participates in patient and family teaching and provides leadership by working cooperatively with ancillary nursing and other members of the health care team in maintaining standards for professional nursing practice. Works closely with surgeons of all specialties, anesthetists and surgical techs in a fast-paced environment. The variety of cases ensures constant learning and maintenance of critical nursing skills.

CASE MANAGER RN | VISITING NURSE HOME CARE & HOSPICE OF CARROLL COUNTY NORTH CONWAY | JANUARY 2017 – SEPTEMBER 2019

Provide direct patient care; manage, observe, and evaluate patient needs, develop individual care plans, work as an interdisciplinary team member with other health professionals to assist patients in the community. Employ critical thinking skills to enhance individual patient needs.

REGISTERED NURSE | GENESIS HEALTHCARE OF NORTH CONWAY, NH| JUNE 2016 – JANUARY 2017

Responsible for providing a full range of nursing care such as: assessment, care planning, implementing care, managing patient care and needs, quality improvement, problem solving, bedside nursing, medication administration, and providing appropriate treatments as ordered.

LICENSED PRACTICAL NURSE | SPECTRUM HEALTH SYSTEMS, INC WORCESTER, MA | SEPTEMBER 2010 | JUNE 2014

Assist in the delivery of general nursing care duties in an outpatient substance abuse treatment program. Complete medical evaluations, medical monitoring, medication dispensing and perform comprehensive clinical assessments in a compassionate and professional manner. Collaborate with other health care professionals to provide continuity of care for patients. Provide culturally competent care in a holistically supportive environment.

Lichen Jennings Rancourt
[redacted]

PROFILE

In the course of a long career in public libraries, I find the organization of non-profit finances the most enjoyable and rewarding part of the job. I would like to apply the bookkeeping and budgeting skills I have learned more directly in a new industry.

EDUCATION

Syracuse University, School of Information Studies, Syracuse, NY — Master of Library and Information Science with an advanced certificate in Digital Libraries, 2006
University of NH, Durham, NH — BA-English, 2000
High Mowing School, Wilton, NH — Valedictorian, 1995

EXPERIENCE

Library Director, Jackson Public Library; Jackson, NH — 2014-Current 8 yrs
Oversee all aspects of running a small, rural public library. Recommend annual budget and track spending daily to operate within its parameters. Obtain funding through grant writing and other income sources. Pay all bills and assign expenses to their budgetary categories. Interpret, correct, and analyze financial reports.

Darcie's Bookkeeping Service; Manchester, NH — Bookkeeper
Work with Quickbooks and other office and financial tools to organize client data, reconcile bank statements with records, apply appropriate categories and budgets. Create reports for accountants and businesses.

Board Treasurer (volunteer), Lilliputian Montessori School, North Conway, NH — 2014-2016
Kept books on all finances. Initiated a budgeting process. Recommended structural and operational changes in pursuit of budgeting goals and organization solvency. Issued tuition invoices and collected payments.

Head of Information & Technology, Manchester City Library; Manchester, NH — 2010-2011 1 yr
Supervised ten information department staff. Set department service priorities. Conducted staff training. Maintained all equipment and services including income generated at the information service desk via printing services. Supervised ten information department employees.

Head of Technology, Manchester City Library; Manchester, NH — 2007-2010 3 yrs
Responsible for all technology including evaluating and implementing new equipment, website maintenance, training on current and new technologies, maintenance of city and library network, collection development, programming, outreach, and supervision of staff.

Information Technologist II, University of NH Library; Durham, NH — 2004-2007 3 yrs
Responsible for Library web presence, including approximately 1500 pages of content of varying complexity from 11 organizational units. Identified user needs to generate appropriate content. Collaborated with library faculty and staff on departmental sites and auxiliary projects.

Work Experience

Jan. 08 – Sept. 10 **Medical Assistant/ Patient Service Coordinator**
Tamworth Family Medicine

As an MA/PSC I was cross trained to be responsible for clinical and non clinical duties. PSC responsibilities included answering the phone, triaging, scheduling and confirming patient appointments. Also, I was responsible for all check in and check out of patients, chart prep, and filing, faxing and coping charts. MA responsibilities included rooming patients, taking vitals, EKGS, Cultures and assisting with minor surgical procedures and Pap smears. Any needed Phlebotomy and Vaccination administration was also a responsibility. Prescription renewal, prior authorization, referrals, lab resulting and patient call backs were included in my duties. It was a busy two provider office, customer service was key and an area I excelled in.

June. 04-June 07 **Medical Assistant**
Prime Health Care

As Medical Assistant, I was responsible for meeting the patient's needs and assisting the doctors. Responsibilities included stocking and preparing the exam rooms, running EKGs, taking vitals, collecting urine, stool, hemoglobin and hematocrit blood samples, calling and writing prescription refills with doctors authorization, faxing and maintaining patient charts, assisting in skin lesion removals, stitching, pap smears, wound care and vaccinations. I also communicated with patients regarding their lab and test results, scheduled appointments with in the office as well as with specialty physicians. I was capable of multi tasking and flexible performing as needed in the area of receptionist and secretary.

Nov. 02-Jan. 04 **Medical Receptionist**
Howell Primary Care

As Medical Receptionist, I was solely responsible for all front desk duties. Responsibilities included answering the phone, scheduling patients, taking messages, phoning in prescription refills, documenting information, faxing and coping, submitting referrals through the envoy system, creating new patient charts, verifying insurance coverage, assisting in billing inquires, sending monthly reminders, filing charts, preparing the exam rooms, welcoming patients and taking vitals, running EKGs, drawing up vaccinations, and other lab tests, maintaining relations with sales representatives, scheduling doctors meetings and taking inventory of samples

May.02-Nov.02 **Optometric Assistant**
Optical World

As Optometric Assistant, I was medical secretary/ sales clerk. Responsibilities included scheduling patients, creating and maintaining charts, teaching proper contact INR and cleaning, eye glass repair, running eye exams, assisting the doctor as needed, assisting in the selection of various eye wear, pricing and displaying merchandise, handling medical insurance and billing, contacting insurance companies regarding claims, dealing with the collections department, submitting orders and tracking shipments, closing and opening the store.

Education

1998-2002 Plymouth State University, Plymouth, NH
Bachelor of Arts

1999 S.O.L.O Wilderness Medicine School, Conway, NH
Wilderness/National EMT-B

Sabrina Johns

EDUCATION

Southern New Hampshire University — Manchester, NH
Bachelor of Arts in Psychology — May 2021
Concentration: Mental Health | Minor: Behavioral Neuroscience
GPA: 3.86

University of New England — Biddeford, ME
Master of Public Health — Expected Spring 2023
Concentration: Epidemiology and biostatistics

Honors & Awards: President's List, SNHU Honors Program, Presidential Ambassador, Psychology Honors Society, National Society of Collegiate Scholars, Alpha Chi Honor Society

RESEARCH/DATA ANALYSIS EXPERIENCE

White Mountain Community Health Center- QI Data Analyst — December 2021 – Current

- Extract patient, visit, and center data from electronic medical records systems
- Organize data and present for semi-annual and annual reporting, as well as government grants and funding for non-profit health center
- Create visual representations for data tracking and create comprehensive strategies for quality improvement based on these data trends

CCPF (Children of China Pediatrics Foundation) Internship — January 2021 – June 2021

- Compile datasets and research to determine international best practice in medical and mental health standards
- Speak with physicians and outpatient treatment associates to gain knowledge on American practice for outpatient mental health treatment after life-altering procedures
- Create presentation on how to improve China's outpatient treatment regarding mental and emotional wellbeing practices
- Learn the financial and operational ins and outs of an international non-profit organization

Undergraduate Research Day — April 2019

- Collected data about adolescent caffeine consumption from over 100 participants across New England
- Presented self-collected data on findings, which included a strong correlation between caffeine consumption over time and anxiety in adolescents and college-aged students

College Tuition across Colleges in New England — January-May 2017

- Organized and compiled data from over 100 colleges in New England
- Ran regression analysis tests through Minitab on the data to identify which factors (including acceptance rate, setting, sports division, number of students, etc.) contribute most to the cost of attendance
- Developed a comprehensive presentation outlining results to faculty and peers

LEADERSHIP AND ENGAGEMENT

Southern New Hampshire University Manchester, NH
Statistics Tutor- SNHU Online August 2021- February 2022

- Use interpersonal and communication skills to support online students struggling emotionally and academically in statistics courses, or struggling to navigate general stressors within the online learning environment
- Maintain relationships with co-workers so that all staff can lean on one another and work as a committed team to ensure students using the tutoring services are being helped the most effectively

Resident Assistant - Office of Residential Life August 2019-March 2020

- Utilize interpersonal and communication skills to support 40 residents on a daily basis and up to 500 on duty nights
- Maintain relationships with campus safety and local police to ensure the safety and well-being of residents
- Apply problem-solving skills to manage conflict between residents, roommates, and community members
- Input notes and data into ERezlife system on a weekly basis to maintain accurate records

Employee, Crew Member - Deborah L. Coffin Women's Center January 2017-January 2020

- Planned and participated in community events to increase awareness about gender equality, empowerment, and monthly topics for sexual assault awareness month, international women's day, and domestic violence
- Recognized by supervisor and coworkers for planning, hosting, and successfully running the Happy Period Drive, where menstruation supplies were collected and donated to New Horizons shelter and the YWCA

Barretstown Summer Fun Camp Ballymore Eustace, Ireland
"Cara" or Camp Counselor August 2019

- One of four accepted to be a counselor at Barretstown Summer Camp, a selective camp in Ireland which provides a week of summer camp to children and teens with cancer and severe illness
- Supervised and managed a cabin of twelve girls between ages of 8 and 12 while assisting with mealtime, bedtime, and daily activities that vary from canoeing to horseback riding
- Served as a friend and mentor to children managing a wide range of chronic and terminal pediatric illnesses

Big Brothers, Big Sisters of NH Manchester, NH
Intern September 2018-December 2018

- Completed assessments concerning new community-member "Bigs" in order to organize interview information into one document to streamline processes and ensure efficiency
- Wrote match-closure letters to "Bigs" and parent/guardians of "Littles" as well as formally close out the match on the Big Brothers, Big Sisters data page to maintain accurate records
- Complete creative tasks such as researching activities for "Bigs" and "Littles" to attend together and provide a list of transportation options for match activities

Big Brothers, Big Sisters of Maine Westbrook, ME

Big Sister September 2013-June 2017

- Met with Little Brother weekly to discuss family life issues and school progress and followed protocol to report serious family issues to head of program for evaluation
- Sustained a solid and mutually beneficial relationship with Little Brother over the course of four years

ADDITIONAL WORK EXPERIENCE

McIntyre Ski Area Manchester, NH
Ski Instructor 2020

- Provided group and private lessons to people of all ages, from age four to age sixty
- Utilized interpersonal skills to work with large groups of kids, manage stressful situations, and assist students in a one-on-one setting when necessary
- Led afterschool programs for kids aged twelve to fourteen, working with groups of five to ten at once

Moe's Barbecue South Portland, ME
Lead front of house 2015-2020

- Provided excellent customer service to hundreds of customers every day
- Utilized interpersonal skills to work out conflicts within the staff as well as any issues that arose from customers to ensure that the best outcome possible was reached
- Assisted on professional event caterings, sometimes which had upwards of two hundred guests

ADDITIONAL SKILLS

Statistical Software: Minitab, SPSS, Excel, SAS
Office Programs: Microsoft Word, Excel, PowerPoint, Teams
Creative: iMovie, Keynote, Adobe Audition

Manchester Health Department	177433-B009	Manchester	$412,006
Mid-State Health Center	158055-B001	Plymouth	$640,823
Weeks Medical Center	177171-R001	Lancaster	$617,806
White Mountain Community Health Center	174170-R001	Conway	$624,885
		Total:	**$8,158,520**

Funds are available in the following accounts for State Fiscal Years 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

See attached fiscal details.

EXPLANATION

The purpose of this request is for the Department to increase access to integrated prevention and primary health care for the Maternal and Child Health (MCH) target population of women, infants, children and adolescents, and to address the maternal and youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

Approximately 194,940 individuals will be served from June 1, 2022 to June 30, 2024.

The Contractors will provide increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, and pregnant women and women of childbearing age, and must not exclude individuals who are uninsured; underinsured; and/or considered low-income. Integrated prevention and primary health care services are provided to individuals who may experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. The Contractors will integrate and coordinate access to medical, behavioral and social services by reducing barriers to care through an array of services such as care coordination, translation services, outreach, eligibility assistance, transportation, and health education.

The Department will monitor services through the following performance measures:

- Percent of infants who were ever breastfed.
- Percent of adolescents 12 to 21 years of age who had at least one (1) comprehensive well-care visit/comprehensive physical exam during the measurement year.
- Percent of postpartum women screened for clinical depression during any visit up to 12 weeks following delivery using an appropriate standardized depression screening tool AND if positive screen, a follow-up plan is documented on the date of the positive screen.

The Department selected the Contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from January 14, 2022 through February 25, 2022. The Department received 10 responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure increased access to healthcare for New Hampshire infants, children and adolescents from birth to 21 years of age, pregnant women and women of childbearing age, and individuals who are uninsured; underinsured; considered low-income.

Source of Federal Funds: CFDA #93.994, FAIN B04MC45230

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

DocuSigned by:
Ann H. Landry

Contractor Initials KRP
Date 5/18/2022

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Date 5/18/2022

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor Initials KAP

Date 5/18/2022

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT A

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall increase access to integrated healthcare for the Maternal and Child Health (MCH) target population of Women, Infants, Children and Adolescents from birth to 21 years of age, and to address the Maternal, Children and Youth health priorities as identified in the State's Maternal and Child Health five (5) year Statewide Needs Assessment completed in 2020.

1.2. The Contractor shall provide and increase access to healthcare for New Hampshire Infants, Children and Adolescents from birth to 21 years of age, and Pregnant Women and Women of Childbearing age, and must not exclude individuals who are:

1.2.1. Uninsured.

1.2.2. Underinsured.

1.2.3. Considered low-income defined as less than 185% of the U.S. Department of Health and Human Services (US DHHS) Poverty Guidelines.

1.2.4. Lacking housing, including individuals whose primary residence during the night is a supervised public or private facility, such as a shelter, that provides temporary living accommodations.

1.2.5. Residing in transitional housing.

1.2.6. Unable to maintain their housing situation.

1.2.7. Forced to stay with a series of friends and/or extended family members, hence are considered homeless.

1.2.8. Recently released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.3. The Contractor shall provide integrated preventative and primary health care services to the populations in Subsection 1.2 above, which must include:

1.3.1. Behavioral health care;

1.3.2. Prenatal care either on site or by referral;

1.3.3. Care management; and

1.3.4. Enabling services.

1.4. The Contractor shall provide eligibility determination services that include, but are not limited to:

1.4.1. Notifying the Department in writing if/when access to primary care services for new patients is limited or closed for more than thirty (30)

consecutive business days or any sixty (60) non-consecutive business days.

1.4.2. Assisting individuals with completing a Medicaid/Expanded Medicaid and/or other health insurance applications.

1.4.3. Maximizing billing to private and commercial insurances for all reimbursable services rendered.

1.4.4. Posting a public notice in a conspicuous location specifying that no individual will be denied services due to inability to pay.

1.4.5. Developing and implementing a sliding fee scale for services in accordance with the Federal Poverty Guidelines and providing the sliding fee scale to the Department upon request.

1.5. The Contractor shall ensure primary care services are provided by a New Hampshire licensed:

1.5.1. Medical Doctor (MD);

1.5.2. Doctor of Osteopathic Medicine (DO);

1.5.3. Advanced Practice Registered Nurse (APRN); and/or

1.5.4. Physician Assistant (PA) to eligible individuals in the service area.

1.6. The Contractor shall provide services in an office-based setting which may include, but is not limited to:

1.6.1. Federally Qualified Health Centers (FQHCs) and/or Rural Health Clinics.

1.6.2. School Based Health Clinics.

1.6.3. Mobile Care Delivery Services.

1.7. The Contractor shall ensure services include, but are not limited to:

1.7.1. Reproductive health services.

1.7.2. Perinatal health services including, but not limited to, access to obstetrical services either on-site or by referral.

1.7.3. Preventive primary care services for women, infants, children and adolescents, including screenings and health education in accordance with established, documented state or national guidelines and evidence based practices.

1.7.4. Integrated behavioral health services.

1.7.5. Assessment of need and follow-up/referral as indicated for:

1.7.5.1. Tobacco cessation, including referral to programs such as QuitWorks-NH (http://www.QuitWorksNH.org);

1.7.5.2. Social services that address Social Determinants of Health (SDOH);

1.7.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA);

1.7.5.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

1.7.5.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services; and

1.7.5.6. Referrals to any specialists as needed that are not offered on site, including home visiting services and oral health.

1.8. The Contractor shall provide and facilitate enabling services to all individuals served with special emphasis given to the MCH population of women and infants, children and adolescents from birth to 21 years of age. Enabling services must include at a minimum:

1.8.1. Case management;

1.8.2. Benefit counseling and/or eligibility assistance;

1.8.3. Health education and supportive counseling; and

1.8.4. Language interpretation, outreach, transportation and education of patients and the community regarding the availability and appropriate use of health services.

1.9. The Contractor shall ensure management services for individuals enrolled for primary care services include, but are not limited to:

1.9.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, and in a culturally and linguistically appropriate manner; and

1.9.2. Direct access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, by referral or subcontract.

1.10. The Contractor shall develop, define, facilitate and implement a minimum of two (2) enabling services initiatives and enabling services initiative work plans that focus on the Title V MCH Block Grant population of women, infants, children and adolescents, as follows:

1.10.1. Initiative One (1) – Screening and Referrals for SDOH, in accordance with Attachment #1; and

1.10.2. Initiative Two (2) – Home Visiting Referrals, in accordance with Attachment #2.

1.11. The Contractor shall monitor, update and implement each enabling services initiative work plan in accordance with Attachment #3 – Reporting Requirements Calendar.

1.12. The Contractor shall develop, define, facilitate and implement a minimum of two (2) quality improvement (QI) projects, which must consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of all individuals served, including:

1.12.1. QI Project One (1): Adolescent Well-Care Visits, in accordance with Attachment #4; and

1.12.2. QI Project Two (2): Depression Screening, in accordance with Attachment #5.

1.13. The Contractor shall monitor, update and implement the work plans for each QI project in accordance with Attachment #3 – Reporting Requirements Calendar.

1.14. The Contractor shall attend in-person and/or virtual meetings and trainings facilitated by the Department, which include, but are not limited to:

1.14.1. MCH Agency Directors' Meetings scheduled by the Department on an as-needed basis.

1.14.2. MCH Primary Care Coordinators' Meetings up to two (2) times per year, which may require attendance by selected Vendor(s) quality improvement and clinical staff.

1.15. The Contractor shall ensure all services in this Exhibit B, Scope of Services, are provided by qualified health and allied health professionals.

1.16. The Contractor shall provide supporting documentation to the Department that verifies staff hours funded under the Agreement that may include, but is not limited to, timecards.

1.17. The Contractor shall ensure all health and allied health professionals possess and maintain the appropriate and current New Hampshire licenses whether directly employed, contracted or subcontracted.

1.18. The Contractor shall notify the Department in writing of any newly hired administrator, clinical coordinator or staff person essential to providing services. The Contractor shall ensure notification:

1.18.1. Is provided to the Department no later than thirty business (30) days from the date of hire; and

1.18.2. Includes a copy of the newly hired individual's resume.

1.19. The Contractor shall notify the Department in writing when:

1.19.1. Any critical position is vacant for more than thirty (30) business days;

1.19.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive business days or any sixty (60) non-consecutive business days.

1.20. The Contractor shall ensure that all employees and subcontractors providing direct services to clients under this Agreement have undergone a criminal background check and have no convictions for crimes that represent evidence of behavior that could endanger clients served under this Agreement.

1.21. The Contractor shall permit an individual, or team or individuals, authorized by the Department to schedule and conduct periodic virtual and/or on-site reviews of documentation related to contracted services, including:

1.21.1. Administration;

1.21.2. Data collection and submission;

1.21.3. Clinical and financial management; and

1.21.4. Delivery of education services.

1.22. The Contractor shall ensure the information needed by the Department to conduct virtual and/or on-site reviews is available, which may include, but is not limited to:

1.22.1. Client records.

1.22.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

1.23. The Contractor shall adhere to any corrective action plans issued by the Department should virtual and/or on-site reviews yield results that services provided are not in compliance with the Agreement. Any corrective action plans shall not prevent the Department from taking action under paragraph 8, Event of Default/Remedies and paragraph 9, Termination, of the General Provisions, Form P-37, of the Agreement.

1.24. The Contractor shall actively and regularly collaborate with the Department to enhance contract management and improve results.

1.25. The Contractor may be required to collect and share other key data and metrics with the Department, including client-level demographic, performance, and service data, in a format specified by the Department.

1.26. Reporting

1.26.1. The Contractor shall collect and submit the data and reports as specified in Attachment #3 – Reporting Requirements Calendar to the Department. Data must be de-identified and aggregated to prevent constructive identification of any individual, and must include but is not limited to:

1.26.1.1. Uniform Data System (UDS) outcomes.

1.26.1.2. Performance Measure outcomes.

1.26.1.3. Work plan for each Enabling Service Initiative.

1.26.1.4. Work Plan for each QI Project.

1.27. Performance Measures

1.27.1. The Contractor shall report data on the Performance Measures in Appendix F at regular intervals as specified in Appendix G – Reporting Requirements Calendar, utilizing Appendix K – DTT-PC2022 Template.

1.27.2. The Contractor shall meet or exceed their proposed goals and objectives for the required Performance Measures in Attachment #6. Should the Contractor not meet or exceed their goals, the Contractor shall submit a Performance Measure Improvement Plan for each unmet Performance Measure, utilizing Attachment #7 – Performance Measure Outcome Report Template, at reporting intervals as specified in Appendix G – Reporting Requirements Calendar.

1.27.3. The Department may identify other performance measures in the resulting Agreement.

2. Exhibits Incorporated

2.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

2.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

2.3. The Contractor shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

3. Additional Terms

3.1. Impacts Resulting from Court Orders or Legislative Changes

3.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

3.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

3.2.1. The Contractor shall submit, within ten (10) days of the Agreement Effective Date, a detailed description of the communication access and language assistance services to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

3.3. Credits and Copyright Ownership

3.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement shall include the following statement, "The preparation of this (report, document etc.) was financed under an Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

3.3.2. All materials produced or purchased under the Agreement shall have prior approval from the Department before printing, production, distribution or use.

3.3.3. The Department shall retain copyright ownership for any and all original materials produced, including, but not limited to:

3.3.3.1. Brochures.

3.3.3.2. Resource directories.

3.3.3.3. Protocols or guidelines.

3.3.3.4. Posters.

3.3.3.5. Reports.

3.3.4. The Contractor shall not reproduce any materials produced under the Agreement without prior written approval from the Department.

3.4. Operation of Facilities: Compliance with Laws and Regulations

3.4.1. In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental

license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

4. Records

4.1. The Contractor shall keep records that include, but are not limited to:

4.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

4.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

4.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

4.1.4. Medical records on each patient/recipient of services.

4.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts. Upon the purchase by the Department of the maximum number of units provided for in the Agreement and upon payment of the price limitation hereunder, the Agreement and all the obligations of the parties hereunder (except such obligations as, by the terms of the Agreement are to be performed after the end of the term of this Agreement and/or survive the termination of the Agreement) shall terminate, provided

however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

New Hampshire Department of Health and Human Services
Maternal and Child Health Care in the Integrated Primary Care Setting

EXHIBIT C

Payment Terms

1. This Agreement is funded by:
   1.1. 10% Federal funds from the Maternal and Child Health Services Block Grant to the States, as awarded on October 19, 2021, by the U.S. Department of Health and Human Services, Health Resources and Services Administration, CFDA #93.994, FAIN B04MC45230.
   1.2. 90% General funds.
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line items, as specified in Exhibit C-1, Budget through Exhibit C-3, Budget.
4. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:
   4.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.
   4.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.
   4.3. Identifies and requests payment for allowable costs incurred in the previous month.
   4.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.
   4.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.
   4.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to DPHSContractBilling@dhhs.nh.govor mailed to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

5. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

6. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract completion date specified in Form P-37, General Provisions Block 1.7 Completion Date.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

   8.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

      8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

      8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

      8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

   8.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

      8.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

   8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   1.2. Establishing an ongoing drug-free awareness program to inform employees about
      1.2.1. The dangers of drug abuse in the workplace;
      1.2.2. The grantee's policy of maintaining a drug-free workplace;
      1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
      1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
      1.4.1. Abide by the terms of the statement; and
      1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

Vendor Initials KRP
Date 5/18/2022

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials KRP
Date 5/18/2022

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (I)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

Contractor Initials KRP

Date 5/18/2022

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

Exhibit J

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Contractor Name:

Title: ED

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: 5/18/2022

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   X NO _____ YES

   If the answer to #2 above is NO, stop here

   If the answer to #2 above is YES, please answer the following:

3. Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   _____ NO _____ YES

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

   Name: _____ Amount: _____

Exhibit K

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.

2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.

3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

Contractor Initials DS KAP

Date 5/18/2022

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

Attachment #1 - Evaluation of Social Determinants of Health

Enabling Service Work Plan
White Mountain Community Health Center
Julie Hill, RN, Director of Operations

Enabling Service Focus Area: Evaluation of Social Determinants of Health

Project Goal: Screen patients for social determinants of health.
Project Objective: 60% of patients seen for a medical visit will be screened annually for social determinants of health during the reporting period.

Activities	Staff/resources involved	Evaluation plans	Timeline for activity
• CCSA (Comprehensive Core Standardized Assessment) of SDOH form by age group will be readily available in front office and in digital format on the patient portal. • CHW to review provider schedules and identify all patients who need to complete CCSA profile. • Front desk staff will distribute CCSA profile to patients at registration. • MAs collect CCSA profile for patient's provider to evaluate. • Socially vulnerable patients will be referred to Social Worker, RN Case Manager or CHW based on risk score.	• CCSA Profile • Reception staff • Pediatric provider • RN Case Manager • FNP provider • MAs • Social worker • CHWs • Clinical coordinator • Patient portal • EMR	Written procedure for referral to home visiting services will be established. Number of referrals will be tracked by referral coordinator. Number of outreach encounters by Social Workers and CHWs to be tracked.	By 8/10/2022 To begin by 9/1/2022 To begin by 9/1/2022

Contractor Initials OS KRP
Date 5/18/2022

Attachment #2 - Home Visiting Referrals

Enabling Service Work Plan
White Mountain Community Health Center
Julie Hill, RN, Director of Operations

Enabling Service Focus Area: Home visiting referrals

Project Goal: Increase referrals of qualifying children and families to home visiting services.
Project Objective: Establish a referral procedure to link qualifying families to home visiting services.

Activities	Staff/resources involved	Evaluation plans	Timeline for activity
• Identify qualifying children and families • Create referral procedure • Conduct outreach and education to qualifying families • Refer families to program.	• Pediatric provider • FNP provider • Pediatric MA • Social worker • CHW • Clinical coordinator • Transportation- taxi service and outreach worker travel allowance • Phone and mailing for patient communication and outreach • Referral coordinator • EMR	Written procedure for referral to home visiting services will be established. Number of referrals will be tracked by referral coordinator. Number of outreach encounters by Social Workers and CHWs to be tracked.	By 8/10/2022 To begin by 9/1/2022 To begin by 9/1/2022

Attachment #4 - Adolescent Well-Care Visits

Quality Improvement Work Plan White Mountain Community Health Center Julie Hill, RN, Director of Operations			
MCH Performance Measure: Percentage of Adolescents 12-21, who had at least one comprehensive well-care visit with a PCP or an OBGYN practioner during the measurement year.			
Project Objective: To provide well care visits to 60% of adolescents age 12-21 who are due for an exam each quarter.			
Activities	**Staff/resources involved**	**Evaluation plans**	**Timeline for activity**
• QI Data Analyst will run adolescent well-care rule by the 10th of each month to identify overdue patients. ID dental-only patients on list and remove them. • Front desk staff and pediatric clinical team will assess status of most recent wellness exam when a patient presents for visits other than wellness and will schedule a visit if patient is identified as not being up to date. Community Health Worker or Front Desk staff to send reminder postcards to overdue patients	• APRNs/PA • CHW • QI Data analyst • Social worker • MAs/RNs • EMR • front desk staff • UpDox patient reminder platform • QI committee	• Adolescent well-care report will quantify results. • QI Data Analyst will collaborate with Clinical Coordinator, Director of Operations and/or Medical Director to evaluate need for change. • QI team may use PDSA cycles and/or root cause analysis to evaluate issues and establish course of action.

Attachment #5 - Depression Screening

Quality Improvement Work Plan White Mountain Community Health Center Julie Hill, RN, Director of Operations			
MCH Performance Measure: Depression Screening: Measure 4A MCH Primary Care measure and HRSA UDS measure.			
Project Objective: Increase depression screening and follow up of patients age 12 and older to >55% by 1/1/2023, and maintain screening at or above 55% thereafter.			
Activities	**Staff/resources involved**	**Evaluation plans**	**Timeline for activity**
AM huddle for all clinical teams to include assessing flow sheets of all patients who do not have a current dx of depression for depression screening done within one year. List of patients needing screening will be given to check in staff, who will distribute screening tool to patients.	• Reception staff • MA/Provider/RN team • AUDIT/DAST/CCS A screening tools • EMR	• DEPSCRN report Observation and reporting of screening lists presented to check in staff by front office manager.	

Contractor Initials DS KRP

Date 5/18/2022

Attachment #6 – Performance Measures

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System. UDS measures included below are intended to align with UDS criteria. In the event the criteria for these UDS based measures are revised during the contract period by UDS, the intention is that Contractors would accordingly go by the most up to date UDS guidance for these measures.

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. NH MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. **Breastfeeding**

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Testing**

This measure will be broken down in to two age based measures, based on current NH Legislation, RSA 130-A:5-a, which requires that children be tested for lead at age 1 as well as at age 2.

Age 1 Measure:

2.2.1. Percent of children 24 months of age who had a capillary or venous blood lead test between the ages of 12-23 months (NH MCHS).

DS KGP

5/18/2022

2.2.1.1. Numerator: All children who received at least one capillary or venous blood lead test between twelve (12) months through twenty three (23) months of age.

2.2.1.2. Denominator: All children who turned twenty-four months of age during the measurement year that had at least one (1) medical visit during the measurement year.

Age 2 Measure

2.2.2. Percent of children 36 months of age who had a capillary or venous blood lead test between the ages of 24-36 months (NH MCHS).

2.2.2.1. Numerator: All children who received at least one capillary or venous blood lead test between twenty-four (24) through thirty-six (36) months of age.

2.2.2.2. Denominator: All children who turned 36 months of age during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit/CPE during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool on the date of the encounter or up to 14 days prior to the date of the encounter using an age appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool **AND** if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative **PLUS** women who screened positive **AND** have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose

DS KAP

5/18/2022

and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

Adult Measure

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI during the measurement period **AND** if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: BMI ≥ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the measurement year or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

Child/Adolescent Measure

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year **AND** who had documentation of counseling for nutrition **AND** who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting

Attachment #6 – Performance Measures

year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year **AND** who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: Number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco at least one within the past twelve (12) months AND received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least two (2) medical visit during the measurement year, OR 1 preventative visit

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of pregnant women who are screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester in which they were enrolled **AND** who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who were enrolled in the prenatal program and delivered a live birth in the measurement year.

Attachment #6 – Performance Measures

2.7. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) –Has been separated out in to two separate measures, one for adults and one for adolescents.**

Adult Measure

2.7.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

Adolescent Measure

2.7.2. SBIRT – Percent of patients aged 12-17 years who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.2.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during any medical visit **AND** if positive, who received a brief intervention and/or referral to services.

2.7.2.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.2.3. Denominator: All patients aged 12-17 years during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.7.2.4. Definitions:

2.7.2.4.1. Substance Use: Includes any type of alcohol or drug.

2.7.2.4.2. Brief Intervention: Includes guidance or counseling.

2.7.2.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

DS KGP

5/18/2022

Attachment #6 – Performance Measures

2.7.3. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services (NH MCHS).

2.7.3.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program **AND** if positive, received a brief intervention or referral to services

2.7.3.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.7.3.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.8 Developmental Screening Measure

Percent of children who reached 30 months of age by the end of the reporting period, and who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months (NH MCHS)

2.8.1. Numerator: Number of children who were screened for autism using the M-CHAT OR M-CHAT-R/F at least once between the ages of 16-30 months

2.8.2. Denominator: Children who turned 30 months of age during the reporting period and who had at least (1) medical visit during the measurement year

DS KRP

5/18/2022

Attachment #7 – Performance Measure Outcome Report Template

Instructions for completing this Performance Measure Outcome Report (PMOR):
The Performance Measure Outcome Report (PMOR) is to be completed by your agency and emailed to shari.campbell@dhhs.nh.gov at the intervals specified on the Reporting Calendar.

Please complete the Narrative and Plan for Improvement sections for any of the following measures where your agency did not meet your agency target for the reporting period (July 1, 20XX – June 30, 20XX).

Performance measures:

- Breastfeeding
- Lead Screening for 1 Year Olds
- Lead Screening for 2 Year Olds
- Adolescent well care visit
- Depression screening and follow up plan if positive screening, 12 years and older
- Maternal Depression Screening
- Adults with documented BMI and follow-up plan if BMI outside of normal range
- Children 3-17 with documented BMI, nutrition counseling and physical activity counseling
- Adult tobacco screening and cessation counseling intervention for smokers
- Prenatal Tobacco screening each trimester and cessation counseling intervention for smokers
- SBIRT, Adults
- SBIRT, Adolescents
- SBIRT, Pregnant Women
- Developmental Screening-M-CHAT

* Note: Not met performance measures that have been addressed by your agency SFYXX Work Plan are excluded from this report. For example, the PMOR will omit Adolescent Visit measure for Primary Care Services

1. The Narrative section is to explain what happened during the year i.e. why measure was not met, what barriers/challenges your agency faced, describe any improvement activities that took place during the year to correct along the way, etc.

2. The Plan for Improvement section is to describe what steps your agency will take to achieve your agency target in SFYXX i.e. describe your strategy (PDSA), what will you plan to do differently etc.

3. Please email your completed PMOR **Shari Campbell at shari.campbell@dhhs.nh.gov by the dates indicated in the Reporting Calendar.** If you have any questions about completing this document, please contact Jannell Levine at Jannell.E.Levine@dhhs.nh.gov or 603-856-6449.
