**EXPLANATION**

This request is **Sole Source** because the Department is implementing the funding actions taken by the Governor's Commission on Alcohol and Other Drugs. On December 15, 2023, the Commission recommended and approved the funding allocation for this Agreement. The Department carries out the administrative functions of the Commission in accordance with RSA 12-J. Additionally, pursuant to House Bill (HB) 2, Sections 539-540 (2023), funds were made available to extend existing grants to the certified juvenile diversion providers that provide diversion services pursuant to RSA 169-B:10. The Contractor is the only known vendor able to provide the necessary services, because it is the only identified organization with established statewide accredited juvenile court diversion programs in underserved regions of the State where such programs had not existed.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
Page 3 of 3

The purpose of this request is for the Contractor to provide Facilitating organization services that includes, technical assistance training and accreditation support to the Juvenile Justice Court Diversion Program network, in order to maintain and expand juvenile court diversion services statewide for individuals 17 years of age and younger who have been arrested for a first-time offense, who may otherwise be prosecuted through the adult court system to early intervention services. The Contractor will support enhancement and expansion of the juvenile court diversion network, including implementing evidence informed motivational interviewing techniques.

Approximately 525 individuals will be served each State Fiscal Year through June 30, 2026.

The Contractor will maintain and expand juvenile court diversion services in the state where there is limited or no access which includes Upper Grafton, northern Coos and Carrol Counties. The Contractor will subcontract with Juvenile Court Diversion Programs (JCDPs) to undertake a gaps assessment to identify regions in the state in need of accredited juvenile court diversion services. The Contractor will assist JCDPs with attaining accreditation by providing technical assistance to juvenile court staff to enhance their skills and knowledge of the Screening, Brief Intervention and Referral to Treatment and motivational interviewing techniques.

The Department will monitor services by reviewing the monthly reports submitted by the Contractor.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the of the attached agreement, the parties have the option to extend the agreement for up five (5) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval.

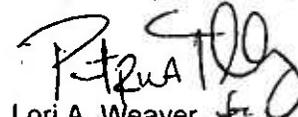

Should the Governor and Executive Council not authorize this request, access to juvenile court diversion services in underrepresented regions of the state might not be available. This may result in an increase in the number of juvenile cases prosecuted in adult court and may lead to recidivism resulting in costs to the State for adjudication in the court system.

Area served: Statewide.

Source of Federal Funds: Assistance Listing Number #93.959, FAIN # B08T1085821.

In the event that the Federal or Other Funds become no longer available, additional General Funds will not be requested to support this program.
