REQUESTED ACTION

Authorize the Department of Environmental Services to award a grant to Five Rivers Conservation Trust (Five Rivers), (VC#156600-B001), Concord, NH, in the amount of \$175,250, to protect a total of 36 acres of land within the Hydrologic Area of Concern of the City of Concord's drinking water supply, effective upon Governor and Council approval through December 31, 2026. 100% Drinking Water and Groundwater Trust Fund.

Funding is available in the following account:

	<u>FY 2025</u>
03-44-44-444010-7428-073-500581	\$175,250
Dept. Environmental Services, Drinking Water and Groundwater Trust, Grants Non-Federal	

EXPLANATION

The Drinking Water and Groundwater Trust Fund (DWGTF) was created in 2016, using \$276 million of MtBE trial judgment funds, as authorized by RSA 485-F. The purpose of the DWGTF is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the State. The Drinking Water and Groundwater Advisory Commission (Advisory Commission) was established to administer the DWGTF and to provide guidance to the State on the use of the funds.

On November 20, 2023, the Advisory Commission voted to authorize grants for eleven drinking water source protection projects. Five River's request for \$175,250 was selected for grant funding from the DWGTF to acquire a conservation easement on +/- 36 acres of land within the Concord Water Department's Hydrologic Area of Concern, which is the primary source for the City of Concord's drinking water, of which +/- 17 acres is also within the Wellhead Protection Area of The Meadows mobile home park drinking water supply. The Contoocook and North Branch Rivers Local Advisory Committee, the City of Concord, and the Town of Hopkinton submitted letters to the Advisory Commission supporting this project.

The total project cost for Five Rivers to purchase the conservation easement is \$350,500. The DWGTF will provide \$175,250 with \$175,250 in match provided by Five Rivers from other funding sources. The purchase price of the property is based on a recent appraisal of fair market value.

Attachment A contains a map showing the relationship of the land to the protected water supply source. In the event that these funds become no longer available, general funds will not be requested to support this project. This agreement has been approved by the Attorney General's office as to form, substance, and execution.

We respectfully request your approval.

 - 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and
 - 11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and
 - 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.
 - 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
 - 12.3. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.
 - 12.4. CONFLICT OF INTEREST. None of the Project Work shall be subcontracted or subgranted by the Grantee other than as set forth in Exhibit B without the prior written consent of the State.
 16. INDEMNIFICATION. The Grantee shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Grantee or subcontractor, or subgrantee or other agent of the Grantee. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
 17. INSURANCE.
 - 17.1 The Grantee shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
 19. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.
