2026	102-500731	Contracts for Program Services	\$30,000
Total			\$60,000

EXPLANATION

The NHED is requesting a **sole source** contract with Eleanor Downing because it is the understanding of the Bureau of Special Education Support that finding someone for this particular type of specialized work is extremely challenging. The Bureau was unsuccessful in receiving any proposals for the Request for Proposals RFP #SPED-2021-01 New Hampshire Deaf Education Scholar and the Request for Proposals RFP #SPED-2022-01 New Hampshire Deaf Education Scholar. We are unaware of any new

providers of this service since the original RFP was distributed in 2021. The Bureau would like to contract with Ms. Downing because she has served the students and families of New Hampshire well and is a seasoned New Hampshire Certified Teacher of the Deaf who collaborates with teams to write individual education plans (IEPs) for students with hearing loss and additional learning needs; provides direct technical assistance to address IEP goals and objectives with a focus on listening, oral language, and self-advocacy; and develops and conducts engaging staff trainings on the specific learning needs for students with varying degrees of hearing loss.

Further, the Bureau would like to contract with her because of her experience in providing technical assistance and information to schools and communities concerning the needs of students who are Deaf and Hard of Hearing. The work will be based on the National Association of State Directors for Students who are Hard of Hearing: Educational Services Guidelines. It will also include the coordination of the New Hampshire Teacher of the Deaf and Hard of Hearing Community through the existing community of practice, while expanding the reach to all New Hampshire citizens to build awareness regarding the needs of infants, toddlers, children, and youth who are deaf and hard of hearing. The New Hampshire Deaf Education Family Training Modules, will also be used to promote optimal outcomes for students who are deaf and hard of hearing.

Respectfully Submitted,

Frank Edelblut
Commissioner of Education

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.
