EXPLANATION

The New Hampshire Office of Highway Safety (OHS) is responsible for developing and implementing a statewide highway safety program to enhance safety on NH roads by minimizing the potential for crashes that result in injury, death, and property damage. Funds are provided to municipalities across the State with the goal of lowering the risk of fatalities on New Hampshire roadways.

The OHS conducts a comprehensive highway safety planning process utilizing crash analysis and population data from local and county law enforcement agencies that apply for funding to support overtime enforcement requests. The OHS conducts problem identification and analysis that establishes data driven performance measures and targets used to develop and implement the most effective and efficient highway safety plan. These measures are then used to develop countermeasure strategies and planned activities for the distribution of federal funds. Enforcement efforts are separated into five highway safety categories of speed, impaired driving, distracted driving, pedestrian/bicycle, and mobilizations.

The attached spreadsheet lists all local law enforcement and fire department agencies who potentially may be receiving Highway Safety Grants beginning for October 1, 2024, thru September 30, 2025. The OHS invited 207 law enforcement departments to apply for Highway Safety Grants. These allocated awards were based on OHS methodology which takes into account the serious bodily injury crashes and fatalities within a five-year period. Law enforcement and Fire department applications may continue to come in during the FFY25 grant period.

Additional grant funds have been allocated to award to local law enforcement and fire departments receiving patrol enforcement grants to purchase Speed Enforcement, Collision Analysis and Reconstruction (C.A.R.), E-Crash, and Fire Extrication equipment.

Due to the time required to fully execute and accept funding at the county and municipal level, combined with the timing of future Governor and Executive Council meetings, the Department of Safety, Office of Highway Safety requests authorization to enter into and amend grant agreements using the grant agreement form attached to this request. Governor and Executive Council approval of this authorizing item will permit grant agreements to become effective after being fully executed and accepted at the Attorney General level, without requiring further action by the Governor and Executive Council.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety

SCOPE OF WORK In exchange for grant funds provided by the State of New Hampshire, acting through the Agency identified in block 1.1 (hereinafter referred to as "the State"), pursuant to RSA 21-P:55-63, the Subrecipient identified in block 1.3 (hereinafter referred to as "the Subrecipient"), shall perform that work identified and more particularly described in the scope of work attached hereto as EXHIBIT B (the scope of work being hereinafter referred to as "the Project").

3. AREA COVERED Except as otherwise specifically provided for herein, the Subrecipient shall perform the Project in, and with respect to, the State of New Hampshire. 4. EFFECTIVE DATE: COMPLETION OF PROJECT

4.1. This Agreement, and all obligations of the parties hereunder, shall become effective on the date of approval of this Agreement by the Governor and Council of the State of New Hampshire if required (block 1.17), or upon signature by the State Agency as shown in block 1.15.

4.2 Except as otherwise specifically provided herein, the Project, including all reports required by this Agreement, shall be completed in ITS entirety prior to the date in block 1.7 (hereinafter referred to as "the Completion Date").

5. GRANT AMOUNT: LIMITATION ON AMOUNT: VOUCHERS: PAYMENT

5.1. The Grant Amount is identified and more particularly described in EXHIBIT A, attached hereto.

5.2. The manner of, and schedule of payment shall be as set forth in EXHIBIT A.

5.3. In accordance with the provisions set forth in EXHIBIT A, and in consideration of the satisfactory performance of the Project, as determined by the State, and as limited by subparagraph 5.5 of these general provisions, the State shall pay the Subrecipient the Grant Amount. The State shall withhold from the amount otherwise payable to the Subrecipient under this subparagraph 5.3 those sums required, or permitted, to be withheld pursuant to N.H. RSA 80:7 through 7-c.

5.4. The payment by the State of the Grant amount shall be the only, and the complete payment to the Subrecipient for all expenses, of whatever nature, incurred by the Subrecipient in the performance hereof, and shall be the only, and the complete, compensation to the Subrecipient for the Project. The State shall have no liabilities to the Subrecipient other than the Grant Amount.

5.5. Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in block 1.8 of these general provisions.

6. COMPLIANCE BY SUBRECIPIENT WITH LAWS AND REGULATIONS In connection with the performance of the Project, the Subrecipient shall comply with all statutes, laws regulations, and orders of federal, state, county, or municipal authorities which shall impose any obligations or duty upon the Subrecipient, including the acquisition of any and all necessary permits.

7. RECORDS and ACCOUNTS

7.1. Between the Effective Date and the date three (3) years after the Completion Date the Subrecipient shall keep detailed accounts of all expenses incurred in connection with the Project, including, but not limited to, costs of administration, transportation, insurance, telephone calls, and clerical materials and services. Such accounts shall be supported by receipts, invoices, bills and other similar documents.

7.2. Between the Effective Date and the date three (3) years after the Completion Date, at any time during the Subrecipient's normal business hours, and as often as the State shall demand, the Subrecipient shall make available to the State all records pertaining to matters covered by this Agreement. The Subrecipient shall permit the State to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, data (as that term is hereinafter defined), and other information relating to all matters covered by this Agreement. As used in this paragraph, "Subrecipient" includes all persons, natural or fictional, affiliated with, controlled by, or under common ownership with, the entity identified as the Subrecipient in block 1.3 of these provisions.

8. PERSONNEL

8.1. The Subrecipient shall, at its own expense, provide all personnel necessary to perform the Project. The Subrecipient warrants that all personnel engaged in the project shall be qualified to perform such Project, and shall be properly licensed and authorized to perform such Project under all applicable laws.

8.2. The Subrecipient shall not hire, and it shall not permit any subcontractor, sub grantee, or other person, firm or corporation with whom it is engaged in a combined effort to perform the Project, to hire any person who has a contractual relationship with the State, or who is a State officer or employee, elected or appointed.

8.3. The Grant Officer shall be the representative of the State hereunder. In the event of any dispute hereunder, the interpretation of this Agreement by the Grant Officer, and his/her decision on any dispute, shall be final.

9. DATA: RETENTION OF DATA: ACCESS

9.1. As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, performed, who exercises any functions or responsibilities in the review or computer programs, computer printouts, notes, letters, memoranda, paper, and documents, all whether finished or unfinished.

9.2. Between the Effective Date and the Completion Date the Subrecipient shall grant to the State, or any person designated by it, unrestricted access to all data for examination, duplication, publication, translation, sale, disposal, or for any other purpose whatsoever.

9.3. No data shall be subject to copyright in the United States or any other country by anyone other than the State.

9.4. On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.

9.5. The State, and anyone it shall designate, shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, all data.

10. CONDITIONAL NATURE OR AGREEMENT Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Subrecipient notice of such termination.

11. EVENT OF DEFAULT: REMEDIES

11.1. Any one or more of the following acts or omissions of the Subrecipient shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

11.1.1 Failure to perform the Project satisfactorily or on schedule; or

11.1.2 Failure to submit any report required hereunder; or

11.1.3 Failure to maintain, or permit access to, the records required hereunder; or

11.1.4 Failure to perform any of the other covenants and conditions of this Agreement.

11.2. Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

11.2.1 Give the Subrecipient a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Subrecipient notice of termination; and

11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and

11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and

11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

12. TERMINATION

12.1. In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Subrecipient shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.

12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Subrecipient to receive that portion of the Grant amount earned to and including the date of termination.

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.

12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

13. CONFLICT OF INTEREST No officer, member or employee of the Subrecipient, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of such Project, shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

14. SUBRECIPIENT'S RELATION TO THE STATE In the performance of this Agreement the Subrecipient, its employees, and any subcontractor or subgrantee of the Subrecipient are in all respects independent contractors, and are neither agents nor employees of the State. Neither the Subrecipient nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.

15. ASSIGNMENT AND SUBCONTRACTS The Subrecipient shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Subrecipient other than as set forth in EXHIBIT B without the prior written consent of the State.

16. INDEMNIFICATION The Subrecipient shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Subrecipient or subcontractor, or subgrantee or other agent of the Subrecipient. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

17. INSURANCE AND BOND

17.1. The Subrecipient shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

17.1.1 Statutory workmen's compensation and employees liability insurance for all employees engaged in the performance of the Project, and

17.1.2 Comprehensive public liability insurance against all claims of bodily injuries, death or property damage, in amounts not less than \$1,000,000 per occurrence and

\$2,000,000 aggregate for bodily injury or death any one incident, and \$500,000 for property damage in any one incident; and

17.2. The policies described in subparagraph 17.1 of this paragraph shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State, and authorized to do business in the State of New Hampshire. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.

18. WAIVER OF BREACH No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.

19. NOTICE Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

20. AMENDMENT This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Council of the State of New Hampshire, if required or by the signing State Agency.

22. THIRD PARTIES The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

23. ENTIRE AGREEMENT This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings relating hereto.

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

“No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity; for which the Recipient receives Federal financial assistance from DOT, including NHTSA.”

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI of the Civil Rights Act of 1964 and other non-discrimination requirements (the Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these nondiscrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally assisted.

Specific Assurances

More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted Highway Safety Grant Program:

1. The Recipient agrees that each “activity,” “facility,” or “program,” as defined in § 21.23(b) and (e) of 49 CFR part 21 will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.
2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with all Highway Safety Grant Programs and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

“The [name of Recipient], in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.”

3. The Recipient will insert the clauses of appendix A and E of this Assurance (also referred to as DOT Order 1050.2A)¹¹ in every contract or agreement subject to the Acts and the Regulations.
4. The Recipient will insert the clauses of appendix B of DOT Order 1050.2A, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.

5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.
6. That where the Recipient receives Federal financial assistance in the form of; or for the acquisition of, real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.
7. That the Recipient will include the clauses set forth in appendix C and appendix D of this DOT Order 1050.2A, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of; personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:
 - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the State highway safety agency also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing NHTSA's access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by NHTSA. You must keep records, reports, and submit the material for review upon request to NHTSA, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The State highway safety agency gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the U.S. Department of Transportation under the Highway Safety Grant Program. This ASSURANCE is binding on the State highway safety agency, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in the Highway Safety Grant Program. The person(s) signing below is/are authorized to sign this ASSURANCE on behalf of the Recipient.

POLITICAL ACTIVITY (HATCH ACT)

(applies to subrecipients as well as States)

The State will comply with provisions of the Hatch Act (5 U.S.C. 1501-1508), which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

RESTRICTION ON STATE LOBBYING

(applies to subrecipients as well as States)

None of the funds under this program will be used for any activity specifically designed to urge or influence a State or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

Scope of Work
Speed Enforcement

Year over year, among other factors, speed is a leading primary cause of fatal and serious injury crashes in the State of New Hampshire. To have the greatest impact, among other areas of enforcement, local law enforcement should utilize Speed Enforcement funding in focused efforts to enforce speed limits in areas where state and local data identifies the locations, days and times that speed violations and crashes are occurring. **For additional grant requirements please familiarize yourself with the section of the grant agreement titled, "Exhibit B - Grant Requirements and Information".**

- The locations as well as days and times of the Speed Enforcement overtime patrols shall support the problem statement identified in the grant application.
- Grant funded overtime patrols should be no more than 4 hours in duration. These hours shall be run consecutively without interruption.
- If the last stop of a grant-funded patrol results in an arrest that requires the patrol to exceed 4-hours, OHS will consider payment, after review of the dispatch log and (PAR) Patrol Activity Report. The dispatch log must show the arrest as the last stop of the patrol, as well as showing the time the arrest was cleared.
- The NHOHS has an expectation that Officers/Deputies shall have a minimum of three documented stops/contacts per hour. Documented stops/contacts are defined as any grant-funded patrol contact with motorists, pedestrians, and/or bicyclists, during the grant-funded patrol periods. Contacts are required to be supported by written or electronic records maintained at the police department. These records must be maintained in a manner that guarantees their accountability during a monitoring review. If fewer than three stops/contacts per hour are made during a grant funded patrol, an explanation must be provided as to why in the note section of the (PAR) Patrol Activity Report.
- To maximize grant funded efforts, patrols must consist of **one grant-funded Officer per cruiser**; however, multiple cruisers may be out at one time.
- All vehicles stopped should be visually checked for violations of the Child Passenger Restraint law. The total number of visual checks and any action taken should be noted on the (PAR) Patrol Activity Report.
- The NHOHS program manager may, in consultation and conjunction with the Chief of Police, at their discretion, authorize adjustments in the duration of patrols and focus efforts, in both location and area of enforcement, to help maximize the potential for success in meeting objectives and achieving overall goals.

GRANT REQUIREMENTS AND INFORMATION

- Officers/Deputies funded during these overtime enforcement grants shall be dedicated in total to traffic law enforcement, except in the case of a criminal offense committed in the Trooper's presence, in the case of response to a Trooper/officer in distress, or in the case of a riot where all available personnel must divert their attention.
- Officers/Deputies may pull over drivers for any driving offense during patrols. This includes, but is not limited to, suspected drunk driving, speeding, school bus violations, CPS violations, traffic light/stop sign running, and distracted driving.
- Nothing in this grant shall be interpreted as a requirement, formal or informal that a law enforcement officer issue a specified or predetermined number of summonses in pursuance of the department's obligation associated with the grant.
- If an Officer/Deputy makes an arrest during the patrol shift but does not complete the arrest before the shift is scheduled to end, the Officer/Deputy can continue working under the grant to complete that arrest even if the time exceeds the scheduled patrol shift; however, the total request for reimbursement must not exceed the approved budget in the Grant Agreement.
- An Officer/Deputy who stops working a Highway Safety grant to assist with a Non-Highway Safety Grant related issue (i.e., crash, domestic dispute, criminal complaint, etc.), must not count such hours as hours worked on a Highway Safety Grant.

- The Patrol Activity Report (PAR) must be signed and dated by an authorized signatory (Police Chief or designee). Individuals working the enforcement patrol may not sign off on the (PAR) Patrol Activity Report for themselves and if the Chief Law Enforcement Officer (CLEO) works an overtime enforcement patrol, they must comply with 29 CFR Part 541 as it relates to "exempt employees". This will require that the CLEO provide a waiver of 29 CFR, Part 541 from their governing body with any reimbursement requests in which the CLEO has worked. Additionally, the CLEO may not sign off on their own (PARS) Patrol Activity Reports or that of a spouse, child or sibling who may work an enforcement patrol.
- If weather impedes a particular enforcement detail, this should be noted on the Patrol Activity Report (PAR).
- Command staff may participate in and be compensated for enforcement details if acting in a traffic enforcement role rather than acting exclusively in a supervisory role overseeing officers engaged in traffic enforcement.
- Failure to comply with reporting requirements may result in non-reimbursement of funds or suspension of grant award.
- Non-participation or non-compliance with the performance measures may result in grant agreement suspension, termination and/non-reimbursement of expenses.
- Please E-mail your NH Highway Safety NHOHS Field Representative/Law Enforcement Liaison, in advance, if a mobilization effort cannot be conducted or if there are any other issues of concern @ hwysafetymail@dos.nh.gov
- The NHOHS program manager may, in consultation and conjunction with the Chief of Police, at their discretion, authorize adjustments in the duration of patrols and focus efforts in a location, to help maximize the potential for success in meeting objectives and achieving overall goals.

OFFICE OF MANAGEMENT AND BUDGET GRANT CONDITIONS

The following documents issued by the Office of Management and Budget (OMB) apply to all Federal grants regardless of the Federal Department making them available:

- **Audit Requirement of Federal Funds:** (2 CFR § 200.332(a)(5)) 2 CFR part 200, subpart F (formerly known as OMB Circular A-133) – These requirements apply to each non-profit organization, each institution of higher education, and local governments as a whole when they or one of their departments receives federal funds. Any non-profit organization, institution of higher education, or local government spending more than \$750,000 in federal funds from all sources within a 12-month period must have an audit performed on the use of the funds. OGR defines the 12-month period as July 1 to June 30. The following link provides the full text of this basic federal grant requirement: <https://www.nhtsa.gov/highway-safety-grants-program/resources-guide>.
- **Cost Principles for Federal Grants to State and Local Governments**
 - 2 CFR 200 subpart E – These requirements apply only to state and local government subrecipients. These regulations list and define general categories of costs that are both allowable and unallowable. Examples include the following:
 - The cost of alcoholic beverages is unallowable.
 - Costs incurred by advisory councils are allowable.
 - Audit costs are allowable.
 - Compensation costs are allowable so long as they are consistent with that paid for similar work in other activities of the local government.
 - Entertainment costs are unallowable.
 - Equipment costs are allowable with the prior approval of the HSO. Equipment having a useful life of more than one year or a current per-unit fair market value of \$5,000 or more must be tracked. When replacing equipment purchased with federal funds, the equipment to be replaced may be used as a trade-in or can be sold with the proceeds used to offset the cost of the replacement equipment. In addition, during the period of the contract with HSO, insurance on the equipment is allowable.
 - Travel costs are allowable if pre-approved by the HSO and so long as they are consistent with those normally allowed in like circumstances for non-federally funded activities.
- **Cost Principles for Federal Grants to *Non-Profit Organizations and Institutions of Higher Education*** - These requirements apply to only the non-profit and higher education sub recipients. These document list and define general categories of costs that are allowable and unallowable. The link below provides the full text of these two basic federal grant requirements.
 - eCFR :: 2 CFR Part 200 Subpart E -- Cost Principles

I sign these Grant Requirements based on personal knowledge, after appropriate inquiry, and I understand that the Government will rely on these representations in reimbursing grant funds.
