Re: **PETITION – SUNAPEE – Project #44438A**

The Department of Transportation requests placing this item on the Consent Calendar.

Under RSA 230:14, attached is a petition for a hearing for the proposed repairs and reconstruction of a portion of NH Route 11 in Sunapee. The NH Route 11 roadway and slope repairs are located just northeast of Trow Hill Road (MP 28.61 to 28.677) and required as a result of the July 11, 2023, storm event.

Since the petition is not for the limitation or control of access, a Commission of Three Persons should be appointed by the Governor with the advice of the Executive Council to hold a hearing. The Commission shall determine whether there is an occasion for the bridge rehabilitation and improvements to the approaches.

Suggested Commission:

Ken Wells – Andover
Wendy Piper - Enfield
Vicky Mishcon - Andover

Suggested Budget:

9 workdays @ \$50.00 = \$450.00
527.6 miles @ \$0.670 = \$353.49
TOTAL = \$803.49

Respectfully,

William J. Cass, P.E.
