## REQUESTED ACTION

Authorize the Department of Administrative Services to amend an existing contract (Contract #8003309) with City Pro Plumbing and Heating LLC (VC#424390), Manchester, NH, to increase the individual project limit with no change to the contract completion date and no change to the price limitation for plumbing and pipefitting services effective upon approval of Governor and Executive Council through September 30, 2028. The original contract was approved by Governor and Executive Council on October 4, 2023, Item #99.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

## EXPLANATION

As previously stated, the original contract was approved by the Governor and Executive Council on October 4, 2023, Item #99. Currently, individual projects are not to exceed \$25,000.00 each. This creates an unnecessary administrative burden and potential negative impact to daily operations for end users by having to bid all repair projects over \$25,000.00. This requested amendment would allow projects over \$25,000.00 to proceed with an approved waiver by the Department of Public Works.

Based on the foregoing, I am respectfully recommending approval of the contract amendment with City Pro Plumbing and Heating LLC.

Respectfully submitted,

## REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a contract with City Pro Plumbing and Heating LLC d/b/a Queen City Plumbing & Heating (VC#424390), Manchester, NH, in an amount up to and not to exceed \$564,747.81 for plumbing and pipefitting services, with the option to extend for up to two additional years effective upon Governor and Executive Council approval through September 30, 2028.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

## EXPLANATION

The Department of Administrative Services, through the Bureau of Purchase and Property, issued request for bid (RFB) #2763-23 on May 25, 2023 with responses due on June 21, 2023. The bid reached twelve potential vendors using the NIGP electronic sourcing platform with an additional four directly sourced. It was the Department's intent to award multiple contracts for this bid, but City Pro Plumbing and Heating LLC d/b/a Queen City Plumbing & Heating was the only compliant response received with coverage provided to Merrimack, Rockingham, and Hillsborough Counties.

In an effort to increase plumbing and pipefitting service coverage statewide, the Department of Administrative Services, Bureau of Purchase and Property issued a subsequent request for bid (RFB #2814-24) on August 25, 2023 with responses due on September 7, 2023. When multiple contracts are established, an agency will develop a scope of work (SOW) and the Department of Administrative Services will request a quote from each of the vendors who are contracted to provide services in the county where services are to be performed. Each SOW will

detail various requirements related to the services, planning and implementation of new projects. The project engagement will be awarded to the lowest-cost, qualified quote with availability to meet the project timeline.

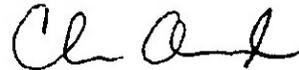

The requested contract price limitation is based on the expiring contract (Contract # 8002748) annual spend minus the percent savings achieved by the proposed contractor's bid pricing. The expiring contract term is three years so for the purpose of exact comparison, the expiring contract financial table has been extended to reflect pricing for a five-year period with an equivalent 2.5% price escalation. This requested contract allows for an annual maximum labor rate increase of 2.5%. The contractor must request this increase in writing no less than sixty days prior to the anniversary date of the contract and provide justification for this request based on reporting by the Northeast Urban Consumer Price Index (CPI). Likewise, if there is a decrease indicated by CPI reporting, the price reduction will be effective immediately.

Based on the foregoing, I am respectfully recommending approval of the contract with City Pro Plumbing and Heating LLC d/b/a Queen City Plumbing & Heating.
