REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) to enter into a grant agreement with the Town of Gilford (177393-B002), 47 Cherry Valley Rd., Gilford, NH 03249, in the amount of \$10,800.00 to update their Hazard Mitigation Plan (HMP). Effective upon Governor and Council approval through May 2, 2026. 100% Federal Funds.

Funding is available in the SFY 2025 operating budget as follows:

02-23-23-236010-29200000	Dept. of Safety – HSEM – HMGP	<u>SFY 2025</u>
072-500574	Grants to Local Gov't - Federal	\$10,800.00
Activity Code: 23DR4516HM		

EXPLANATION

The purpose of this grant is for the Town of Gilford to update their HMP. The grant listed above is funded by the Hazard Mitigation Grant Program (HMGP), which was awarded to the Department of Safety, HSEM, from the Federal Emergency Management Agency (FEMA). HMGP provides funding to sub-recipients for cost-effective hazard mitigation activities that complement a comprehensive mitigation program. FEMA provides HMGP funds to states that, in turn, provide sub-grants or contracts for a variety of mitigation activities, such as planning, and the implementation of projects identified through the evaluation of natural hazards.

HMGP is 90% Federally funded by FEMA with a 10% match requirement supplied by the sub-recipient. The sub-recipient acknowledges their match obligation as part of Exhibits B and C of their grant agreement.

In the event that HMGP funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly

described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

Sub-Recipient Initials: 1.) *EMC* 2.) _____

3.) _____

Date: *7/24/2024*

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

Sub-Recipient Initials: 1.) SLU 2.)

3.) Date: 7/24/2024

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video

recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

Sub-Recipient Initials: 1.) B/M/C 2.)

3.) Date: 7/24/2024

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of

the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

EXHIBIT A

Special Provisions

1. This grant agreement may be terminated upon thirty (30) days written notice by either party.
2. Any funds advanced to "the Sub-Recipient" must be returned to "the State" if the grant agreement is terminated for any reason other than completion of the project.
3. Any funds advanced to "the Sub-Recipient" must be expended within thirty (30) days of receiving the advanced funds.
4. "The Sub-Recipient" agrees to have an audit conducted in compliance with OMB Circular 2 CFR 200, if applicable. If a compliance audit is not required, at the end of each audit period "the Sub-Recipient" will certify in writing that they have not expended the amount of federal funds that would require a compliance audit (\$750,000). If required, they will forward for review and clearance a copy of the completed audit(s) to "the State".

Additionally, "the Sub-Recipient" has or will notify their auditor of the above requirements prior to performance of the audit. "The Sub-Recipient" will also ensure that, if required, the entire grant period will be covered by a compliance audit, which in some cases will mean more than one audit must be submitted. "The Sub-Recipient" will advise the auditor to cite specifically that the audit was done in accordance with OMB Circular 2 CFR 200. "The Sub-Recipient" will also ensure that all records concerning this grant will be kept on file for a minimum of three (3) years from the end of this audit period.

5. The "Sub-Recipient" will be required to provide the formally approved Local Hazard Mitigation Plan electronically at the completion of the project.

EXHIBIT B

Scope of Work, Project Tasks & Deliverables, and Project Review & Conditions

1. SCOPE OF WORK

The Department of Safety, Division of Homeland Security and Emergency Management (hereinafter referred to as "the State") is awarding the Town of Gilford (hereinafter referred to as "the Sub-Recipient") \$10,800.00 within the DR 4516 Hazard Mitigation Grant Program (HMGP).

"The Sub-Recipient" shall utilize the above referenced funding to update the hazard mitigation plans for the Town of Gilford in accordance with 44 CFR Part 201.

"The Sub-Recipient" agrees that the period of performance ends on May 2, 2026 and by that date the aforementioned hazard mitigation plans must be completed and have received formal approval by New Hampshire Homeland Security and Emergency Management (HSEM). All completed invoices must be sent to "the State" by June 2, 2026, thirty (30) days after the period of performance ends and a final performance and expenditure report will be sent to "the State" by June 2, 2026 .

2. PROJECT TASKS AND DELIVERABLES – NEW LOCAL HAZARD MITIGATION PLAN

Project tasks and deliverables within this section are to be referenced for the reimbursement process. Per the Scope of Work, "the Sub-Recipient" is required to develop/update the community's local hazard mitigation plan in accordance with 44 CFR Part 201 to ensure formal approval.

The Town/City, NH will prepare a Local Hazard Mitigation Plan Update in accordance with FEMA guidelines for Hazard Mitigation Planning. The Town/City may be assisted, by a vendor of their choice, for this scope of work. The Town/City's updated plan will address mitigation of multiple natural hazards that may affect the community, including Avalanche, Coastal Flooding, Inland Flooding, Drought, Earthquake, Extreme Temperatures, High Wind Events, Landslide, Lightning, Severe Winter Weather, Solar Storms and Space Weather, Tropical and Post-Tropical Cyclones, and Wildfires.

The planning process will include the following actions and elements:

Task 1-3

1. Grant Award and Contracting:

The community will procure services to facilitate this planning process update

- Official Notification of Award
- Provide Contractor Selection to NH HSEM
- Execute a contract

2. Select and Hire a Vendor:

The vendor will document the process used to develop the updated plan, including but not limited to:

- How the plan update was prepared

Sub-Recipient Initials: 1.) BMG

2.)

3.)

Date: 7/24/2024

- Who was involved in this process
- How the public was involved (i.e., Community outreach, local planning team participation)

3. Convene a local Hazard Mitigation Planning Committee:

The Town/City will convene a local Hazard Mitigation Planning Team. Members should include a cross-section of the community, such as residents, government officials, community leaders and business owners. This team will serve as a liaison to the vendor and assist in the plan update by providing access to relevant local data, facilitating community input on plan recommendations and priorities, reviewing draft products, and assisting with outreach to community stakeholders. With the vendor's facilitation and technical assistance, the Town/City Hazard Mitigation Planning Team will:

- Develop a mission statement
- Assign roles and responsibilities
- Develop a specific timeline for planning activities
- Hold a minimum of two community public meetings during the planning process update, one during the production of the plan update, and one during the review of the draft plan update,
- Solicit input from key stakeholders in the community, including business associations, local or regional institutions, local NGO's, and residents.
- Conduct local outreach to stakeholders through postings on the municipal web site, outreach to local print and/or online press, and use of local access cable TV where available. Outreach to neighboring communities will also be conducted.
- Provide input regarding the feasibility and prioritization of mitigation measures
- Review the draft plan update and its goals and proposed mitigation projects
- Oversee the implementation, maintenance and updating of the plan update

Task 4. Revisit the Hazard Profiles for each Hazard that impacts the community:

- Using the best available existing data, the vendor will update a map of areas affected by multiple natural hazards for the Town/City. A set of hazard maps will be included within the updated Hazard Mitigation plan, and GIS files will be made available to the Town/City for integration with their other community plans. These maps will be the basis for the communities known hazards. The hazard identification update will include an assessment of the community's risks that summarizes the vulnerability of each hazard based on the location, extent, probability, and severity of the hazards. A vulnerability analysis will be conducted; your vendor may consider using FEMA's HAZUS-MH, as well as, a GIS map analysis to delineate those critical facilities that are located within mapped hazard areas.
- The Town/City will update the description and prioritization of the natural hazards that have occurred within the community since the last plan update.

Sub-Recipient Initials: 1.)

2.)

3.)

Date: 7/24/2024

Task 5. Facility Inventory:

The Town/City will prepare an updated inventory of facilities and explain how these facilities intersect with the known hazards for the community. This task will be based on input from the community and the best available state and local information. This data may be used to develop updated GIS maps of the following items:

- Critical facilities, including the following, if they exist in the community:
 - Emergency operations centers
 - City or town offices
 - Water and wastewater treatment plants
 - Sewage pumping stations
 - Police or fire stations
 - Schools
 - Hospitals
 - Day-care facilities
 - Public works garages
 - Nursing homes/elderly housing
 - Emergency shelters
- Economic Drivers:
 - Large Businesses
 - Large Employers
 - Historical or Cultural sites
- All repetitive flood loss structures and structures which have incurred substantial damage, if they exist, as defined by FEMA. These buildings(s) must be analyzed by type (Commercial / Residential), number, and general location as it relates to the known hazard areas. The addresses and associated data will be provided, upon request to, the community by the State NFIP Coordinator.
- Land use maps that depict the location of developed land uses, delineated by categories based on use (e.g., residential, commercial, industrial, institutional, other public use, etc.) and how it intersects with known hazards.
- Anticipated future land use areas and how they intersect with known hazards.

Task 6: Vulnerability:

Based on the previous information from Task 5, the Town/City will update the overview of each of the specific hazards and the community's vulnerability to those specific hazards. This vulnerability assessment, if possible, will include:

- Problem Statements: These will summarize the biggest issues for the community in terms of; Types and numbers of buildings, infrastructure, and critical facilities located in the hazard areas.
- All existing multiple hazard protection measures within the community, including protective measures under the National Flood Insurance Program (NFIP).
- A description of each measure, the method of enforcement, and/or the point of contact responsible for implementation of each measure.
- Historical performance of each measure and a description of improvements or changes needed.
- General description of land uses and development trends to incorporate future land use decisions.

Task 7. Mitigation Goals:

Sub-Recipient Initials: 1.) EMC

2.)

3.)

Date: 7/24/2024

The Town/City, with vendor support, will update the mitigation strategies specific to the community's exposure to and impacts from identified natural hazards. The strategy will include:

- Create, edit, or delete goals as needed;
- Obtain public input;
- Analyze existing capabilities;
- Review mitigation actions in the previous plan and identify progress implementing those actions (include current status along with reasons why there may have been little or no progress).
- Describe how the community's priorities have changed since the previous Hazard Mitigation Plan.
- Include a description of the NFIP program and how the community will continue compliance over the next five years.
- Update a list of mitigation goal statements that focus on reducing the risks from the identified natural hazards. The goal development and project prioritization will be conducted by the Hazard Mitigation Planning Team. An example of a goal statement and an objective would be:
 - GOAL: Increase coordination between Federal, state, municipal, and private resources in pre-disaster planning, post-disaster recovery, and continuous hazard mitigation implementation.
 - OBJECTIVE: Identify the availability of additional private and public sector financial incentives for homeowners, businesses and municipalities that will allow the development and implementation of cost-effective hazard mitigation measures in high-risk areas.

Task 8. Actions:

A section that identifies and analyzes a comprehensive range of specific mitigation actions and projects being considered to reduce the effects of each hazard, with particular emphasis on new and existing buildings and infrastructure. This section will include a list of prioritized hazard mitigation projects that best meet the communities' needs for multiple hazard damage reduction:

- These projects may be non-structural (e.g., planning, regulatory measures, property acquisition, retrofitting, elevation) or structural (e.g., seawalls, dams, dikes) solutions.
- At a minimum, this list of prioritized projects will be based on a process that results in identification of cost-effective hazard mitigation projects with public input, including:
 - An analysis of proposed mitigation projects focused on several key areas, including but not limited to economic (including benefits and costs), engineering, technical, legal, environmental, social, and political feasibility. Selected options will best fit the community's needs and meet most or all aspects of the feasibility analysis.
 - Coordination with relevant Federal and state agencies for input and technical assistance.
- Revise and update the mitigation action plan.
- Identify integration opportunities throughout the community, as well as, how the data and information from the previous plan was integrated into other mechanisms over the last five years

Task 9. Plan Review, Evaluation, and Implementation

In order to continue to be an effective representation of the jurisdiction's overall strategy for reducing its risks from natural hazards, the mitigation plan must reflect current conditions. This will require an assessment of the current development patterns and development pressures as well as an evaluation of any new hazard or risk information.

- The plan must describe changes in development that have occurred in hazard prone areas and increased or decreased the vulnerability of each jurisdiction since the last plan was approved.

Sub-Recipient Initials: 1.) BAC 2.) 3.)

Date: 7/24/2024

- The plan must describe the status of the hazard mitigation actions in the previous plan by identifying those that have been completed or not completed. For actions that have not been completed, the plan must either describe whether the action is no longer relevant or be included as part of the updated action plan.
- The plan must describe if and how any priorities changed since the plan was previously approved. If no changes in priorities are necessary, plan updates may validate the information in the previously approved plan.

Task 10. Maintenance:

- The Town/City in conjunction with the planning team will monitor, evaluate, and update the plan.
- The Planning Team will assist the Town/City in the implementation and incorporation of the plan's goals into other local planning processes, such as a Comprehensive Plan, or other local by-laws and ordinances.
- The completed plan update will include an implementation schedule with procedures for ensuring the plan's implementation, updating and revision every five years.

Task 11. Public Review of Draft:

TOWN OF GILFORD
BOARD OF SELECTMEN
MEETING MINUTES
JULY 24, 2024

A duly posted, public meeting of the Board of Selectmen was convened in the Selectmen's Office at 5:45pm.

Selectmen present: Chair Gus Benavides, Vice-Chair Kevin Hayes, Clerk Dale Channing Eddy. Also present was Town Administrator Scott Dunn.

1.0 NON-PUBLIC SESSION

Selectmen Hayes made a motion to enter into non-public session to discuss consideration of a pending legal claim per RSA 91-A:3, II, (e) and personnel matter per RSA 91-A:3, II, (a); seconded by Selectman Eddy and passed on a roll call vote with all in favor; (3-0).

1.1 Consideration of pending legal claims

Following a brief discussion where it was noted that clean-up of the Marden property at 105 Scenic Drive was on-going but not complete, the Board members once expressed their dissatisfaction with this situation.

Selectman Hayes made a motion to have the Town Administrator schedule the services of a demolition clean-up contractor to commence on August 1, 2024, at the expense of the homeowners as authorized by the Superior Court, if the clean-up efforts are not completed by that date. The motion was seconded by Selectman Eddy and passed with all in favor; (3-0). It was further noted that a certified mailing should be sent to the Mardens informing them of this decision and that the Police should accompany the contractor with the Town Administrator if necessary.

1.2 Personnel Matters

The Town Administrator informed the Board of two pending DPW employee retirements within the next year and his plans to take a vacation from August 5-9. It was the consensus of the Board to advertise the DPW vacancies well in advance of the retirements taking place.

Selectman Hayes then made a motion to come out of non-public session and reconvene in public, seconded by Selectman Eddy and passed with all in favor; (3-0).

The Board reconvened in the first-floor conference room of the Town Hall.

Additional staff members present: Fire Chief Stephen Carrier, Police Chief Kris Kelley, Planning & Land Use Director John Ayer and DPW Director Meghan Theriault.

2.0 PLEDGE OF ALLEGIANCE

Mr. Ayer led the assembly in the Pledge of Allegiance to the Flag.

3.0 ANNOUNCEMENTS/PRESENTATIONS

Chairman Benavides read the following:

3.1 Rules of the meeting.

3.2 The Office of the Town Clerk-Tax Collector is now able to process veteran and antique vehicle registration plates.

3.3 The Gilford Police Department National Night Out Celebration will take place at the Village Fields from 6-8pm on Thursday, August 8.

3.4 The Annual Household Hazardous Waste Day will take place behind Town Hall from 8:30am-12noon on Saturday, July 27.

3.5 The Annual Island Clean-Up Day will take place at the Glendale Docks from 9am-1pm on Saturday, July 27.

4.0 REVIEW/APPROVAL OF MINUTES

4.1 July 10, 2024

Selectman Hayes made a motion to approve the minutes of July 10, 2024, as presented, seconded by Selectman Eddy and passed with all in favor; (3-0).

5.0 CONSENT AGENDA

5.1 Approval of previously signed documents (7/10/24 through 7/22/24)

Selectman Hayes made a motion to approve the items previously signed during the period July 10, 2024, through July 22, 2024, as listed, seconded by Selectman Eddy and passed with all in favor; (3-0).

6.0 PUBLIC HEARING

6.1 Appropriation of Unanticipated Funds - \$10,800 Grant from New Hampshire Department of Safety, Division of Homeland Security and Emergency Management to update the Town's Hazard Mitigation Plan.

Chairman Benavides read the public hearing notice and declared the public hearing open for testimony. No one spoke and no written comments were received. The Chair declared the public hearing closed.

Selectman Hayes made a motion to accept a \$10,800 Hazard Mitigation Grant from the NH Department of Safety as unanticipated revenue and to authorize the expenditure of those funds off budget for the purpose of updating the Town's Hazard Mitigation Plan, subject to the terms and conditions of the grant as well as the \$1,200 local match requirements; and furthermore, to authorize Stephen Carrier, in his capacity as Fire Chief, to sign all necessary grant paperwork. The motion was seconded by Selectman Eddy and passed with all in favor; (3-0).

7.0 APPOINTMENT(S)

7.1 Michael Sherman – Glendale Parking

Chairman Benavides indicated that he was recusing himself from participating in this matter due to his frequent patronage of The Breeze restaurant.

Mr. Sherman introduced himself as the owner of the property where The Breeze restaurant is situated since January of 2022. He said the previous owner indicated the property came with two dedicated parking spaces in the Town's Glendale lot and signs had been in place for this, but those signs somehow disappeared, and he did not do any deed research to confirm the status of these parking spaces. He said a recent application to the Planning Board for a deck and new parking spaces included a plan that showed these two reserved parking spaces in the Glendale lot. He noted these parking spots were approved by the Selectmen on June 30, 1998, and there was an unsigned plan showing these two parking spots dated June 5, 2001. He was in attendance at the meeting to ask the Selectmen for permission to reinstate the two dedicated parking spots after some misunderstandings with the Planning Director resulted in his two new signs being removed.

Mr. Ayer was asked to comment, and he said that the owners of the previous restaurant (Lyon's Den) were told by the Planning Board in 2009 that the designated parking spaces were taken away.

During some further discussion, it was noted that 15 new parking spots had been added to the restaurant and that a lower-level tenant would like access to the abode by means of a dedicated parking spot in the Glendale lot.

Selectman Eddy said any misunderstandings about the parking spaces could be resolved by returning the two dedicated spots. He did not think the request was unreasonable.

Selectman Hayes suggested that only one spot was needed during the timeframe between Memorial Day and Labor Day.

Selectman Eddy made a motion to approve the request for two dedicated parking spots in the Glendale lot for use by the apartment in the lower level of The Breeze Restaurant, seconded by Selectman Hayes (for discussion purposes). The motion then failed to pass with one vote in favor (Mr. Eddy) and one vote opposed (Mr. Hayes).

8.0 OLD BUSINESS

8.1 DPW Building Design Change Order (Geotechnical Borings)

Selectman Hayes indicated that boring data was essential to the final design, and he was surprised a geotechnical study was not included in the original price quote. He then made a motion to accept the proposal from Fuss & O'Neill for a geotechnical boring study at \$24,000 and to authorize the expenditure of such funds as may be needed to come from the DPW Building Capital Reserve Fund with up to \$4,300 to come from account # 4311-559 (DPW Administration Special Projects), seconded by Selectman Eddy and passed with all in favor; (3-0).

9.0 NEW BUSINESS

9.1 New Lease for Town Hall Copy Machine

Selectman Hayes made a motion to approve a 48-month lease of a Sharp Copy Machine (Model BC-70C65) from Formax for a total of \$536.91 per month, seconded by Selectman eddy and passed with all in favor; (3-0).

9.2 Re-Appointment to Conservation Commission (Robert Brown)

Selectman Hayes made a motion to re-appoint Robert Brown to the Conservation Commission for a 3-year term ending April 30, 2027, seconded by Selectman Eddy and passed with all in favor; (3-0).

10.0 OTHER BUSINESS

There was none.

11.0 PUBLIC INPUT

There was none.

12.0 SELECTMEN'S ISSUES

Selectman Eddy inquired about the status of the cable television franchise agreement renewal with Breezeline.

Administrator Dunn indicated a franchise proposal from the Town had been submitted to Breezeline that mirrored the existing franchise with Comcast. We were now waiting for a response from Breezeline, but it was believed that Breezeline was opposed to the requirement that they maintain a customer service center in the Lakes Region.

Selectman Hayes inquired about the recent telephone system switchover and the status of NHDOT's safety improvements to the Route 11A intersection with Hoyt Road and Gunstock Hill Road.

Administrator Dunn said there was a slight glitch on the phone system switchover due to Consolidated Communications having a computer software issue, but it was resolved by the end of the day. He then said he was still waiting for a response from NHDOT that was promised as of July 3.

13.0 ADMINISTRATOR'S REPORT

Administrator Dunn noted the following:

- A representative of the new owner of the Kings Grant Inn had contacted him to see if the Town had any ideas on the future re-development of the property. Selectmen Eddy suggested workforce housing.
- The Town (including the Police Department but not the Library) is planning to convert the website and email domains to a Dot Gov platform in mid-August, however, this was now going to be done primarily by Mainstay and not as part of a state grant program.
- It was noted the next meeting agenda would include a public hearing to accept insurance money for Library repairs, a charitable housing exemption application for Wesley Woods, road issues for a new subdivision off Weirs Road and several petitions for lowering of the 50mph speed limit on Route 11A in the vicinity of Gilford Physical Therapy & Spine Center.
- The application for a Land & Water Conservation Fund Grant for ice rink improvements has been approved by the State Division of Parks & Recreation and has now been forwarded to the National Park Service for their review and a final decision.
- There will be a presentation on Community Power at the Selectmen's meeting on August 28 and the Town-wide launch of the program is scheduled to begin in October with the lowest possible rate of 8.6 cents per kilowatt hour.
- A closing is scheduled to take place on the last remaining lot in the Lakes Business Park in mid-August. Once completed, the Selectmen can then begin to discuss making amendments to the Inter-Municipal Agreement that governs the park finances.

14.0 NEXT MEETING

Chairman Benavides noted the next meeting of the Board was scheduled for Wednesday, August 14, 2024, at 6pm.

15.0 ADJOURN

At 6:41pm Selectman Hayes made a motion to adjourn the meeting, seconded by Selectman Eddy and passed with all in favor; (3-0).

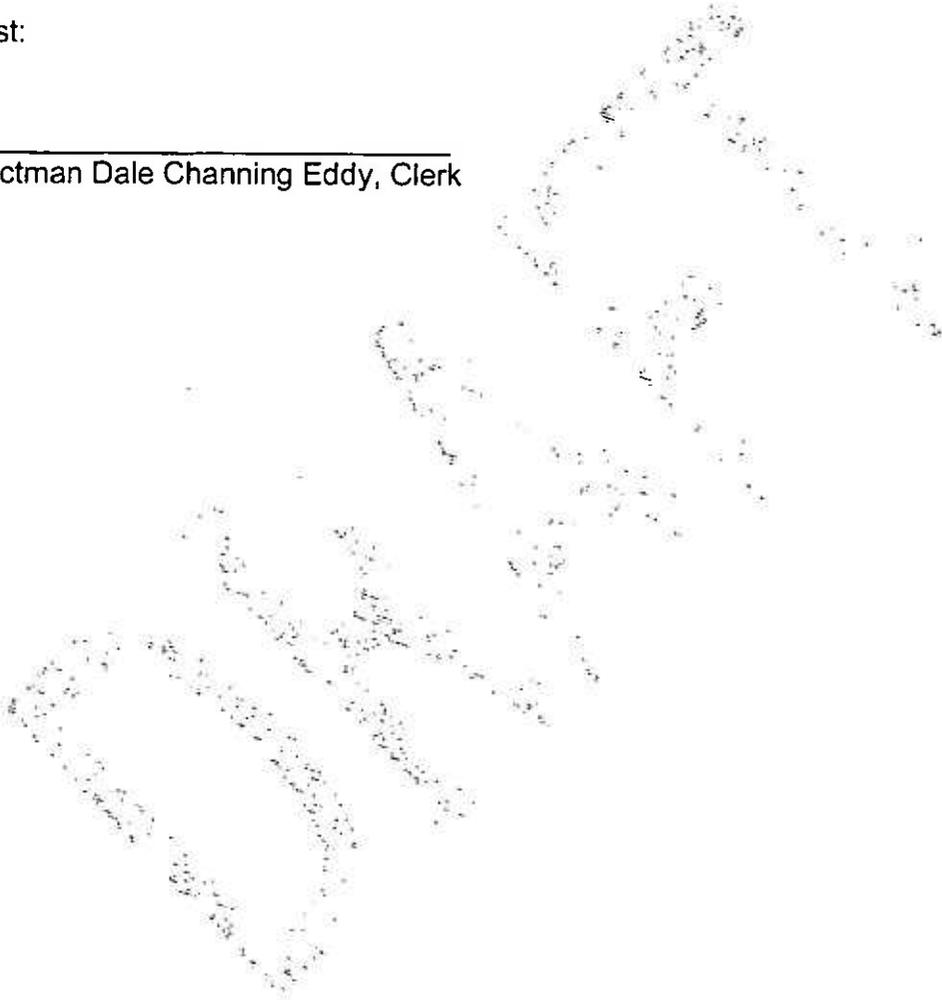

Respectfully submitted,

Scott J. Dunn, Town Administrator

Approved by the Board of Selectmen on the _____ day of _____, 2024.
