**EXPLANATION**

The purpose of this request is for Home and Community Based Service (HCBS) providers to implement initiatives to increase the direct care workforce through staff recruitment and retention efforts designed specifically to address current HCBS workforce needs. This request represents eleven (11) of the eighteen (18) Grant Agreements. The Department anticipates presenting the remaining Grant Agreements that received a pass rating at a future Governor and Council meeting.

The Grantees will utilize the funding provided under these Agreements for staff recruitment and retention strategies to bring in new workforce, for marketing strategies and collaboration with other agencies, organizations, and/or educational institutions to increase workforce; apprenticeships; and targeted recruitment and/or focused retention activities.

HCBS direct care providers serve individuals, in their communities, with developmental disabilities, physical disabilities and behavioral health needs. The community-based services ensure the individuals receiving services can remain in their community and live as independently as is feasible, for as long as possible. The anticipated outcome of these awards is to strengthen the HCBS direct care workforce through recruitment, retention and training efforts. The Department is focused on direct care workforce strategies, because these essential services reduce potential institutionalization or out of state placements.

The Department will monitor the Agreements through the monthly reports submitted by the Grantees and review of the required supporting documentation for costs incurred prior to issuing payment.

The Department selected the Contractors through a competitive bid process using a Request for Grant Applications that was posted on the Department's website from February 23, 2024, through March 25, 2024. The Department received 47 applications from 27 agencies. The applications were reviewed and scored by a team of qualified individuals. The Evaluation Sheet is attached.

Should the Governor and Council not authorize this request, the Department will be unable to assist HCBS providers with strengthening the direct care workforce through recruitment and retention strategies.

Source of Federal Funds: Assistance Listing Number #93.778.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver  
Commissioner

#### ALTERNATIVE I - FOR CONTRACTORS OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS  
US DEPARTMENT OF EDUCATION - CONTRACTORS

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the Agreement. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of Agreements, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner  
NH Department of Health and Human Services

  - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
    - 1.2.1. The dangers of drug abuse in the workplace;
