REQUESTED ACTION

Authorize the New Hampshire Department of Environmental Services (NHDES) to amend an American Rescue Plan Act grant (PO#1091570) to the Town of Milton, NH (VC# 177438 B003), by increasing the grant limitation by \$205,234 to \$425,234, from \$220,000, for stormwater system improvements, effective upon Governor and Council approval through June 30, 2025. The original grant agreement was approved by Governor and Council on March 22, 2023, Item #96 and amended on April 10, 2024, Item #5G. 100% federal funds.

Funding is available in the following account:

03-44-44-440010-2476-072-500574
Dept. Environmental Services, ARPA DES Loans, Grants Federal
Activity Code: 00FRF602WB4401I

FY 2025
\$205,234

EXPLANATION

We are requesting approval of this amendment in order to provide the Town of Milton additional grant funding to complete the agreed upon scope of services. The Town is repairing and reconstructing the stormwater drainage system and implementing treatment measures for the main connection route between the downtown area and the schools. The project is currently in its construction phase. Although the project is on schedule, due to project cost overruns determined by the most recent bid and award the project requires additional funding to complete the original scope of work.

NHDES, through the American Rescue Plan Act (ARPA) funds has offered the Town of Milton an additional \$205,234, increasing the total grant limitation to \$425,234, to be used towards stormwater system improvements. The additional funding will be used towards completing the stormwater collection upgrades on Silver Street. This is an allowable use of ARP FRF funds under Section 602 (c)(1)(D) to make necessary investments in water, sewer, or broadband infrastructure. To date, \$95,714 of the original \$220,000 grant has been spent.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

ITEM # 5G

REQUESTED ACTION

Authorize the New Hampshire Department of Environmental Services (NHDES) to amend an American Rescue Plan Act grant (PO#1091570) to the Town of Milton, NH (VC# 177438 B003), by extending the completion date from May 15, 2024, to June 30, 2025, for the Dawson and Silver Streets Drainage Improvements project. The original grant was approved by Governor and Council on March 22, 2023 Item #96. This is a no cost time extension. 100% federal funds.

EXPLANATION

We are requesting approval of this amendment in order to provide the Town of Milton additional time to complete the agreed upon scope of services. The Town is repairing and reconstructing the stormwater drainage system and implementing treatment measures for the main connection route between the downtown area and the schools. This project consists of three phases, two of which have faced delays due to the Town pursuing additional funding to reduce the tax burden on the Town of Milton taxpayers. The reason for the extension is to allow the Town the entirety of the 2024 construction season to complete Phase II and ample time for Phase III to develop through the planning phase, which will allow the Town to utilize the entire grant amount. To date, \$0 of the original \$220,000 grant has been spent.

In the event federal funds become no longer available, general funds will not be requested to support this program. This grant agreement has been approved by the Attorney General's Office as to form, substance and execution.

We respectfully request your approval of this item.

EXPLANATION

NHDES selected awardees for the Clean Water Infrastructure projects from pre-applicants who submitted proposed projects to the Clean Water State Revolving Fund (CWSRF) loan program in 2021. Pre-applicants were offered funding for their project utilizing CWSRF ranking criteria, the 2021 CWSRF Project Priority List, and Information obtained from a project update solicitation in November 2021.

The Town of Milton requested a total of \$600,000 in funding from NHDES for a WWTF Facility Plan and needed improvements to the stormwater system. NHDES, through the American Rescue Plan Act funds (ARPA) and the Clean Water State Revolving Loan Fund (CWSRF) has offered the Town \$600,000 in a combination of grant and loan funds.

The town will use the planning grant of \$100,000 to identify upgrades needed to address permitting needs and identify a sludge management plan for the existing lagoon sludge.

The town will use the grant and loan funding of \$500,000 to prepare alternatives and complete the design and implement the repair and reconstruction of the stormwater drainage system implement and treatment measures for the main connection route between the downtown area and the schools.

ARPA of 2021 is a \$1.9 trillion economic stimulus bill passed by the 117th United States Congress and signed into law by President Biden on March 11, 2021, to speed up the United States' recovery from the economic and health effects of the COVID-19 pandemic and the resultant recession. The Act defines eligible uses of the state and local funding, including responding to public health emergencies, responding to workers performing essential work during the COVID-19 emergency, providing revenue relief to states and making investments in water, sewer, and broadband infrastructure. This is an allowable use of ARP FRF funds under Section 602 (c)(1)(D) to make necessary investments in water, sewer, or broadband infrastructure.

In accordance with the final rule from the US Treasury Department for water and wastewater infrastructure investments, project eligibility is aligned with the Environmental Protection Agency's Clean Water State Revolving Fund (CWSRF) and Drinking Water State Revolving Fund (DWSRF). This project is an eligible CWSRF infrastructure project.

The Supplemental (final) loan amount will be based upon the total CWSRF funds disbursed and may be less than \$280,000. Under federal capitalization grant requirements, this loan includes principal forgiveness of up to \$28,000. Currently, there is \$67,815,068 available to loan after this request.

In the event that funds become no longer available, general funds will not be requested to support this program. This grant agreement has been approved by the Attorney General's Office as to form, substance and execution.

We respectfully request your approval of this item.

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
