REQUESTED ACTION

Authorize the Office of Professional Licensure and Certification (OPLC), to enter into a **Sole Source** contract with Millennium Integrated Marketing, LLC d/b/a Millennium Agency (VC# 162262), of Manchester, NH, in an amount up to and not to exceed \$19,500, for website redesign and accessibility services, with the option to renew for up to an additional two-year period. effective upon Governor and Executive Council approval through August 31, 2025.

Funds are available in the following account:

01-21-21-21010-240400000 Division of Administration	<u>FY 2025</u>
103-502507-Program Contracts	\$19,500

EXPLANATION

This request is **Sole Source** because the contract was not competitively bid. The OPLC entered into a previous contract with Millennium Agency in May of 2023 for rebranding services to improve agency recognition, credibility of the agency, and its overall image and reputation. The OPLC was able to redesign its logo and bring consistency and standardization across agency letterhead, both in print and email, and social media using the services of the Millennium Agency. In the interest of continuing the successful rebrand from the previous contract while considering Millennium Agency's experience and understanding of OPLC's operational goals, OPLC believes this **Sole Source** contract will result in a better final product while also mitigating additional website design costs associated with utilizing a vendor who does not possess this recent experience with and knowledge of the agency.

As part of the OPLC's strategic plan to enhance service delivery, OPLC has identified that a streamlined, intuitive user experience via the OPLC website is crucial to provide maximum support to more than 190,000 licensees and to efficiently and logically structure licensure information to be easily found throughout the website. This website redesign will be centered around the ease of navigation, functionality, and user engagement by incorporating interactive design elements widely used by the industry today. The approval of this requested contract will reduce the administrative burdens by improving the functionality of the website and enhance the customer experience and support by providing a clear pathway to licensure information.

Based on the foregoing, I am respectfully recommending approval of the contract with Millennium Integrated Marketing, LLC of Manchester, NH.

Respectfully submitted,

Deanna E. Jurius
Executive Director

Subject: Millennium – Website Design

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.
