REQUESTED ACTION

Authorize the Governor's Office for Emergency Relief and Recovery (GOFERR) to enter into an agreement with the County of Strafford (VC # 177478) of Dover, NH in the amount of \$1,400,000 in American Rescue Plan Act (ARPA) State Fiscal Recovery Funds (SFRF) in order to replace the courthouse roof, effective upon approval by Governor and Executive Council through June 30, 2026. This is an allowable use of ARPA SFRF funds under Section 602 (c)(1)(C) for provision of government services to the extent of reduction in revenue. 100% Federal Funds.

01-02-002-020210-Governor's Office for Emergency Relief and Recovery,
24690000 - ARP Grants and Disbursements

072 - 500575 Grants Federal FY2025 \$ 1,400,000

EXPLANATION

This award would result in a one-time investment in the replacement of the roof at Strafford County Courthouse. Due to several drainage, age, underlayment, and patch failure issues, the roof is currently leaking during rainstorms or heavy snow. Most sections of the roof were in "failed" condition per a report issued June 2024. Some of the staff who work in the building have water running into their offices during rainstorms.

This award for \$1,400,000 in ARPA funding will allow Strafford County, to use the funds for a full roof replacement at the Strafford County Courthouse.

Funds for this award are made available through ARPA SFRF funding that has been reallocated from programs that did not expend their entire award amount.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

The roof has degraded to the point where water is leaking into the interior offices of the courthouse. Given the deteriorated condition of the existing roof, a full replacement is the only viable option.

GRANT AGREEMENT EXHIBIT D

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER
RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS**

Instructions for Certification

1. By signing and submitting this Grant Agreement, the Grantee is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the Grantee shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the State determination whether to enter into this transaction. However, failure of the Grantee to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the State determined to enter into this transaction. If it is later determined that the Grantee knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the State may terminate this transaction for cause or default.
4. The Grantee shall provide immediate written notice to the State, to whom this Grant is submitted if at any time the Grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 2 CFR 180, Subpart I.
6. The Grantee agrees by submitting this Grant that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the State.
7. The Grantee further agrees by submitting this Grant that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the State, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A Grantee in a covered transaction may rely upon a certification of Grantee in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A Grantee may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).

6 1022-24
②

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a Grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a Grantee in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the State may terminate this transaction for cause or default.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER
