GOVERNOR'S OFFICE

for

EMERGENCY RELIEF AND RECOVERY

53G 48

October 24, 2024

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Governor's Office for Emergency Relief and Recovery (GOFERR) to enter into an agreement with St. Joseph Community Services Inc. dba "Meals on Wheels Hillsborough County" (VC #155093), NH in the amount of \$600,547 in American Rescue Plan Act (ARPA) State Fiscal Recovery Funds (SFRF) in order to cover the cost of priority items, including upgrading and expanding the freezer system, measures to improve the warehouse operation, and installing a generator to ensure continuity of service, effective upon approval by Governor and Executive Council through June 30, 2026, This is an allowable use of ARPA SFRF funds under Section 602 (c)(1)(A) to respond to the public health emergency or its negative economic impacts. 100% Federal Funds.

Funds are available as follows:

01-02-002-020210-Governor's Office for Emergency Relief and Recovery,
24690000 - ARP Grants and Disbursements

072 - 500575 Grants Federal
FY2025
\$ 600,547

EXPLANATION

Hillsborough County Meals on Wheels (HCMOW) moved all operations to Manchester, on the premises of the former Blake's Restaurant and Creamery, which has allowed them to open an exciting new warehouse operation that provides approximately 8,000 meals per week to more than 2,000 individuals throughout 31 of NH's towns and cities. Their goal is to fully sustain this operation by lowering costs through this central distribution site and to renovate the now-vacant Blake's restaurant to reinvigorate Manchester's community dining program, which suffered devastating harm imposed by the pandemic. Most significantly, these renovations will allow HCMOW to prepare its own meals and increase capacity to serve additional vulnerable, isolated older adults.

This award of \$600,547 would immediately cover the cost of priority items including upgrading and expanding the freezer system, measures to improve the warehouse operation, and installing a generator to ensure continuity of service. The freezer renovations are the timeliest need: upgrading the current system is essential for sustaining their ability to store and serve healthy meals at a safe temperature, and installing necessary equipment into an existing shell of a freezer space will allow expanded offerings to the growing number of participants.

and the Honorable Council

In the event that Federal Funds become no longer available, General Funds will not be requested to support this program.

RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS**

Instructions for Certification

1. By signing and submitting this Grant Agreement, the Grantee is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the Grantee shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the State determination whether to enter into this transaction. However, failure of the Grantee to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the State determined to enter into this transaction. If it is later determined that the Grantee knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the State may terminate this transaction for cause or default.
4. The Grantee shall provide immediate written notice to the State, to whom this Grant is submitted if at any time the Grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

The knowledge and information of a Grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a Grantee in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the State may terminate this transaction for cause or default.

St. Joseph Community Services Inc. DBA "Meals on Wheels of Hillsborough County" (hereinafter called the "Grantee") HEREBY AGREES to comply with Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), Title IX of the Education Amendments of 1972, as amended, (Pub. L. 92-318, Pub. L. 93-568, and Pub. L. 94-482), Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), the Age Discrimination Act of 1975 (Pub. L. 94-135), Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284). In accordance with the above laws and regulations issued pursuant thereto, the Grantee agrees to assure that no person in the United States shall, on the ground of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity in which the Grantee receives federal assistance.

Applicability and Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with federal assistance extended to the Grantee by the State with federal ARPA funds, this assurance obligates the Grantee for the period during which federal assistance is extended. In the case of any transfer of such service, financial aid, equipment, property, or structure, this assurance obligates the transferee for the period during which federal assistance is extended. If any personal property is so provided, this assurance obligates the Grantee for the period during which it retains ownership or possession of the property.

Employment Practices

Where a primary objective of the federal assistance is to provide employment or where the Grantee's employment practices affect the delivery of services in programs or activities resulting from federal assistance extended by the State, the Grantee agrees not to discriminate on the ground of race, color, national origin, sex, age, or disability, in its employment practices. Such employment practices may include, but are not limited to, recruitment, advertising, hiring, layoff or termination, promotion, demotion, transfer, rates of pay, training and participation in upward mobility programs; or other forms of compensation and use of facilities.

Subrecipient Assurance

The Grantee shall require any individual, organization, or other entity with whom it contracts, subcontracts, subgrants, or subleases for the purpose of providing any service, financial aid, equipment, property, or structure to comply with laws and regulations cited above. To this end, the subrecipient shall be required to sign a written assurance form; however, the obligation of both recipient and subrecipient to ensure compliance is not relieved by the collection or submission of written assurance forms.

Data Collection and Access to Records

The Grantee agrees to compile and maintain information pertaining to programs or activities developed as a result of the Grantee's receipt of federal assistance from the State. Such information shall include, but is not

limited to the following: (1) the manner in which services are or will be provided and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination; (2) the population eligible to be served by race, color, national origin, sex, age and disability; (3) data regarding covered employment including use or planned use of bilingual public contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English; (4) the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination; and (5) the present or proposed membership by race, color, national origin, sex, age and disability in any planning or advisory body which is an integral part of the program.

The Grantee agrees to submit requested data to the State, the U.S. Department of Treasury or OMB regarding programs and activities developed by the Grantee from the use of ARPA funds extended by the State upon request. Facilities of the Grantee (including the physical plants, buildings, or other structures) and all records, books, accounts, and other sources of information pertinent to the Grantee's compliance with the civil rights laws shall be made available for inspection during normal business hours on request of an officer or employee of the State, the U.S. Department of Treasury or OMB specifically authorized to make such inspections.

This assurance is given in consideration of and for the purpose of obtaining any and all federal grants, loans, contracts (excluding procurement contracts), property, discounts or other federal assistance extended after the date hereof, to the Grantee by the State including installment payments on account after such data of application for federal assistance which are approved before such date. The Grantee recognizes and agrees that such federal assistance will be extended in reliance upon the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Grantee, the successors, transferees, and assignees, as well as the person(s) whose signatures appear below and who are authorized to sign this assurance on behalf of the Grantee.
