New Hampshire Department of
**BUSINESS AND
ECONOMIC AFFAIRS**

October 8, 2024

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, NH 03301

REQUESTED ACTION

Authorize the Department of Business and Economic Affairs (BEA) to award \$3,780,000 from the InvestNH Municipal Per Unit Grant Program to eight (8) recipients listed on the attached document, as incentive reward payments to municipalities for expediting the permitting process for new affordable housing developments in their communities, effective upon Governor and Council approval through June 30, 2025. The Municipal Per Unit Grant program is a beneficiary grant. This is an allowable use of ARPA SLFRF funds under section 602(c)(1)(C) for provision of government services to the extent of the reduction in revenue. 100% Federal Funds.

Funding is available in account, ARP InvestNH Housing Program, as follows:

	<u>FY2025</u>
03-22-022-220510-26520000-072-500574 Grants Federal	\$3,780,000

EXPLANATION

Municipal Per Unit Grants (MPUG) are awarded to New Hampshire municipalities who have applied for MPUG funds, they completed the permitting process for new affordable housing developments in their communities in less than 6 months and have been approved for award based on program guidelines. Funds are awarded on a per unit basis of \$10,000 per new affordable unit, with a cap of \$1,000,000 per municipality unless a waiver is granted based on the project's incorporation of Universal Design principals. Funds will be distributed to municipalities as single, lump sum payments.

The MPUG is a beneficiary grant, and municipalities receiving awards have already satisfied all grant requirements at the time the award is made. Therefore, there are no ongoing grant requirements to which the municipalities must adhere and no programmatic restrains on the municipalities' use of grant funds. However, many municipalities plan to use MPUG funds to make further investments in affordable housing development in their communities.

The Attorney General's Office has reviewed and approved this contract as to form, substance and execution.

If Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully Submitted,

Taylor Caswell
Commissioner

- 9.3. No data shall be subject to copyright in the United States or any other country by anyone other than the State.
- 9.4. On and after the Effective Date, all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.

In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

- 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and
- 11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

10. CONDITIONAL NATURE OR AGREEMENT. Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

25. FUTURE ACTIONS BY THE U.S. DEPARTMENT OF TREASURY. This Grant is paid with state funds obtained through an American Rescue Plan Act (ARPA) Coronavirus State and Local Fiscal Recovery Fund (CSLFRF) grant provided by the U.S. Department of Treasury to the State of New Hampshire and expended by the State of New Hampshire for the provision of government services under CSLFRF eligible use category (EC) 6.1. Pursuant to current Treasury policy, this Grant does not constitute a federal subaward or a use of federal funds and is not subject to the requirements of the CSLFRF Final Rule, the Uniform Guidance (2 CFR 200), or other federal requirements pertaining to the use of federal funds. However, this Grant remains subject to any additional requirements the U.S. Department of Treasury may choose to impose on funds expended under CSLFRF EC 6.1 in the future.

As applies to this agreement, the following terms shall have the meaning stated below:
