EXPLANATION

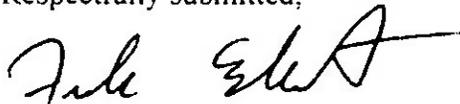

The Department is requesting a **sole source** contract with Cookson Strategies Corporation (Cookson) as this vendor has been the primary designer and manager of the NH MTSS-B Technical Assistance Center (TA Center) website since its launch in 2021, through a subcontract with the Behavioral Health Improvement Institute (BHII) at Keene State College. As such, they will support the transition management of this website to NHED through this contract.

His Excellency, Governor Christopher T. Sununu
and the Honorable Executive Council
Page 2 of 2

Through two federal grants awarded to the New Hampshire Department of Education (NHED), BHII oversaw the development of the comprehensive statewide MTSS-B Technical Assistance Center toolkit and website. BHII subcontracted with Cookson to manage website design, hosting, branding, and website updates. Starting in the fall of 2024, NHED, through its Office of Social and Emotional Wellness (OSEW), will take over full management of the TA Center from the BHII. Cookson will use its historical knowledge and expertise to manage the site, provide upgrades and updates as needed, help transition the branding from BHII to NHED and provide additional support directly related to the TA Center website.

The TA Center toolkit and website have become vital resources for school districts across New Hampshire. The website and toolkit are the primary implementation tools used by MTSS-B coaches throughout the state to improve the systems that support the behavioral health needs of students in their schools. During the 2023-24 school year, over 3,500 unique users accessed the site's tools from 52 districts and 152 schools. Currently, the NH MTSS-B TA Center serves as a national model of excellence as it continues to be further developed, enhanced and used on a regular basis across the state.

Respectfully submitted,
