and the Honorable Council  
State House  
Concord, New Hampshire 03301

## REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a **Retroactive** contract with Casella Waste Management of Massachusetts, Inc. (VC#309952), Salem, NH, in an amount up to and not to exceed \$ 960,255.43 for Solid waste and disposal services with an option to extend for up to an additional three years effective November 1, 2024 upon Governor and Executive Council approval through October 31, 2027.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

## EXPLANATION

This amendment request is **Retroactive** due to administrative delays associated with the review, award and document execution for over 400 statewide entities. In addition, the current contract will lapse with an end date of October 31, 2024.

The Department of Administrative Services, through the Bureau of Purchase and Property, issued request for bid (RFB) 2951-25 on August 14, 2024, with responses due on August 29, 2024. This RFB reached 92 vendors through the NIGP registry with an additional 9 directly sourced and intended to result in multiple contracts for multiple vendors to ensure coverage across the entire state. There were eight compliant responses received; seven from incumbent contractors: Casella Waste, Great North Woods Container Services, LLC, J.K. Lynch Disposal, Inc., Naughton & Son Recycling, LLC, Pete's Rubbish Removal, Waste Management of New Hampshire, Inc., and Zero Waste & Recycling Services Inc., and one new contractor: H2O Waste Disposal Services, LLC. Upon approval Casella Waste Management of Massachusetts, Inc. will be awarded 26 placed and tipped locations and 55 roll off containers providing a cost avoidance of \$ 595,497.44 or 38% compared to the next lowest bid.

This requested contract, upon approval, provides solid waste and disposal services for over 400 statewide entities as well as municipalities. The requested price limitation is \$960,255.43 and includes an allowance of \$192,051.09 (25%) to add new locations or unplanned services under the contractor's balance of product line. Fuel and labor costs associated with

solid waste and disposal services continue to trend upwards of 20-25%. The proposed contract with Casella Waste Management of Massachusetts, Inc. includes provision whereby price decreases take effect as they become available to the general trade which will be closely monitored by the BoPP.

Estimated term spend	\$768,204.35

Based on the foregoing, I am respectfully recommending approval of the **Retroactive** contract with Casella Waste Management of Massachusetts, Inc.

Respectfully submitted,

Charles M. Arlinghaus
