His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord New Hampshire 03301

REQUESTED ACTION

Pursuant to RSA 14:30-a, VI, authorize the Department of Agriculture, Markets and Food, Division of Agricultural Development to amend Fiscal Item # FIS 23-206, approved by the Fiscal Committee of the General Court on August 11, 2023 and item #52, approved by the Governor and Executive Council on August 23, 2023 by extending the current end date from December 31, 2024 to June 30, 2025 to accept and expend Local Food for Schools Cooperative Grant Program funds from United States Department of Agriculture (USDA) with no change to the amount of \$558,989, for the purpose of procuring local commodity foods for schools participating in the National School Lunch Program (NSLP), effective upon Fiscal Committee and Governor and Council approval. Fiscal Committee approved the original request on January 27, 2023 item #FIS 23-006 and approved by the Governor and Executive Council on February 8, 2023 item #68. **100% Federal Funds.**

EXPLANATION

The Department of Agriculture, Markets & Food, Division of Agricultural Development (DAMF) will continue to collaborate with NH Farm to School (NHF2S), NH Hunger Solutions and their farm, food hub, and school district partners to procure local commodity foods for schools participating in the National School Lunch Program (NSLP) with over 40% of their student population who qualify for free and reduced meals, indicating a high percent of poverty in the community. 44 such districts have been identified in the state to be eligible for an allotment of LFS funds. NH has 25,296 students eligible for free and reduced school meals who stand to benefit from this program in addition to 300 small farms who are expected to participate through NH's food hub network.

Originally, this program was designed as an allotment in the form of a credit with a local food hub or small farm. However, once the program was operational, it became evident that school districts working directly with suppliers including food hubs and small farms and seeking reimbursement directly from DAMF would be more effective. DAMF shifted to contracting directly with the school districts. Of the awarded \$558,989, \$111,308 was expended at the end of the reporting period ending June 30, 2024.

On September 6, 2024, DAMF was granted an additional 1-year extension from the United States Department of Agriculture to allow for full expenditure of the grant funds. If approved, the remaining \$447,680.70 will be used in the same manner as prior expenditures for reimbursement to school districts for qualifying purchases during the 2024-2025 school year.

In the event that Federal Funds are no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Sincerely

REQUESTED ACTION

Pursuant to RSA 14:30-a, VI, authorize the Department of Agriculture, Markets and Food, Division of Agricultural Development to retroactively amend Fiscal Item # FIS 23-006, approved by the Fiscal Committee of the General Court on January 27, 2023 and item #68, approved by the Governor and Executive Council on February 8, 2023 by extending the current end date from June 30, 2023 to December 31, 2024 to accept and expend Local Food for Schools Cooperative Grant Program funds from United States of Agriculture (USDA) in the amount of \$558,989 for the purpose of procuring local commodity foods for schools participating in the National School Lunch Program (NSLP) effective upon Fiscal Committee and Governor and Council approval. **100% Federal Funds.**

Funds will be budgeted for FY 2024 as follows:

02-018-018-180010-32850000, Local Food For Schools		FY 2024	FY 2024	FY 2024

	Total Expense	\$ 0	\$ 558,989	\$ 558,989

EXPLANATION

This request is retroactive because the beginning date of July 1, 2023 associated with this request is in a new biennium. It is the policy of the Fiscal Committee of the General Court to act only on items within the current biennium and this is the first Fiscal Committee meeting in the new biennium.

Local Food for Schools Cooperative Grant Program (LFS) - \$558,989 is requested to strengthen the food system for schools by expanding local and regional markets; helping to build a resilient local food chain. Specifically, LFS funding will be used to purchase domestic, locally grown foods from local producers and small businesses for distribution to NH schools.

The Department of Agriculture, Markets & Food, Division of Agricultural Development (DAMF) will collaborate with NH Farm to School (NHF2S), NH Hunger Solutions and their farm, food hub, and school district partners to procure local commodity foods for schools participating in the National School Lunch Program (NSLP) with over 40% of their student population who qualify for free and reduced meals, indicating a high percent of poverty in the community. 44 such districts have been identified in the state to be eligible for an allotment of LFS funds. This allotment will be in the form of a credit with a local food hub or small farm. Once an order is placed by an eligible school district, the food producer business will invoice DAMF for that qualifying commodity order.

NH has 25,296 students eligible for free and reduced school meals who stand to benefit from this program in addition to 300 small farms who are expected to participate through NH's food hub network.

Funds are budgeted as follows:

Class 072 – Grants – Fruits & Vegetables – School Lunch Prog. – To assist States, through cash grants, in providing free fresh fruits and vegetables to school children.

The grant award does not allow for the audit fund set-aside or indirect costs, therefore no budget is requested for these class lines.

In the event that Federal Funds are no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Sincerely
