Requested Action

The Community Development Finance Authority (CDFA) requests to place this item on the Consent Calendar.

Authorize the Community Development Finance Authority (CDFA), under the Community Development Block Grant (CDBG) program, to amend a grant agreement with the Town of Madbury, 13 Town Hall Road, Madbury, New Hampshire, in the amount of \$500,000 by extending the completion date to December 31, 2025 from the original completion date of December 31, 2024. The original grant was approved by Governor and Council on August 17, 2022, agenda item #30. This extension if granted, will allow for completion of its water system improvement project at the Bunker Lane Condominium Association situated at 52 Bunker Lane, Madbury, New Hampshire. Said extension shall be effective upon Governor and Council approval for the period effective through December 31, 2025. No additional funding is involved in this time extension request. **100% federal funds.**

Explanation

The Town of Madbury has requested a time extension of its CDBG award on behalf of the Bunker Lane Condominium Association to support its water system improvement project at 52 Bunker Lane, Madbury, New Hampshire location. The project was delayed due to the match funding being changed to a new more affordable source. USDA Rural Development funds that were awarded in August 2024 will now be used in place of the loan that was originally intended to be used. With all funding now finalized the project is ready to proceed. The project will replace a 40 plus year old water distribution system which is no longer functioning properly and will benefit 116 people, of which 56 percent are currently of low and moderate income.

This Agreement allocates a portion of the Community Development Block Grant (CDBG) funds provided to New Hampshire by the U. S. Department of Housing and Urban Development (HUD). CDFA is administering this program as provided by RSA 162-L. The funds for this contract are from the Community Development Block Grant Fund, which is intended to help municipalities solve development problems.

Project Summary

The Town of Madbury is seeking \$500,000 which will be subgranted to the Bunker Lane Condominium Association to replace a 40 plus year old water distribution system which is no longer functioning properly, plagued by frequent water line breaks and low water system pressure.

The Bunker Lane Condominium Association (BLCA) is a 51-unit manufactured home condominium association where at least 56% of the residents are of Low- and Moderate-Income. Water is supplied to the BLCA by the City of Portsmouth municipal water system through a master meter. Beyond the master meter, BLCA maintains its own 40+ year old water distribution system. The water distribution system was constructed without professional engineering, construction methods, or quality materials. resulting in undersized pipes, many dead ends, and a limited number of isolation valves. Many homes have shared curb stop valves which should be replaced with individual curb stop valves.

A CDBG funded feasibility study conducted in 2015 notes that the water system inherited by the Association was not constructed to any type of industry standards and, as a result, has left BLCA with a water distribution system which is inadequate and in disrepair. The study noted the potential for cross contamination of the water system and intrusion of groundwater which can be a serious health risk to water system customers. Additionally, a July 26, 2021 letter from the NH Department of Environmental Services supports replacement of the system because it will address the “vulnerability of water system users to bacteria and other pathogens potentially causing health issues, which can enter the dilapidated water system via openings through which leakage occurs from the distribution system and allow for flushing of sediment in which bacteria can thrive.”

The engineering firm that conducted the feasibility study provided updated costs to fully replace the distribution system totaling more than \$1.3 million. In addition to CDBG funds, BLCA will utilize a \$834,766 loan from the New Hampshire Community Loan Fund (CLF). BLCA has also initiated discussions with USDA-RD (RD) regarding the project. USDA-RD funding could replace the CLF financing if the package is financially superior. The NHDES State Revolving Loan Fund was also considered but the BLCA water system is not eligible for funding because it is not considered a registered public water system under NHDES rules.

BLCA currently sets aside \$7,200 annually for improvements which are used for repairs to the substandard system and would be applied to the new water system. Replacement of the water system would provide a long-term benefit of 20 years to BLCA residents due to the nature of the improvement. An assignment of Unit Owners Assessments and a UCC on any personal property will taken by the Community Loan Fund as security for their loan and will also be accepted by CDFA

15.3 Grantee shall submit to CDFA all required documentation of low- and moderate-income benefit in accordance with the reporting requirements of the Subrecipient Agreement. The information shall be provided on the Periodic Progress Report, as found in the Community Development Block Grant Program (CDBG) Implementation Guide.

15.4 In the event Grantee fails to enforce the provisions of the Subrecipient Agreement or fails to cure an Event of a Default under the Subrecipient Agreement, Grantee shall, upon demand by CDFA, assign and convey all or any part of its rights, title and interest or delegate all or any of its obligations under the Subrecipient Agreement or the Security to CDFA, such assignment or delegation to be effective only in the event of a default in Subrecipient's obligation to Grantee under the terms of the Subrecipient Agreement or Security. In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Security obligations or in curing any Event of Default thereunder.

15.5 CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of, or for the Grantee, or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.

15.6 Excessive Force by Law Enforcement Agencies: Grantee certifies that it has adopted and enforces a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in nonviolent civil rights demonstrations in accordance with Section 519 of Public Law 101-144.

15.7 Lobbying: Grantee certifies that:

15.10.1 No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

15.10.2 If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit

Standard form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

15.10.3 The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipient's shall certify and disclose accordingly.

15.8 Certification of Nonsegregated Facilities as required by the May 9, 1967, Order (32 FR 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor. Prior to the award of any construction contract or subcontract exceeding \$10,000, Grantee shall require the prospective prime contractor and each prime contractor shall require each subcontractor to submit the following certification:

15.8.1 By the submission of this bid, the bidder, offer or, applicant or subcontractor certifies that he/she does not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she does not permit his/her employees to perform their services at any location, under his/her control where segregated facilities are maintained.

15.8.2 He/she certifies further that he/she will not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she will not permit his/her employees to perform their services at any location, under his/her control, where segregated facilities are maintained. The bidder, offer or, applicant, or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this Agreement. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom, or otherwise. He/she further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause: that he/she will retain such certifications in his/her files; and that he/she will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENT FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES.

NOTE: The penalty for making false statements in offers is prescribed in 18 USC 1001.

16. PUBLICITY AND SIGNAGE

16.1 Public Relations. The Grantee shall grant CDFA the right to use the Grantee's name, likeness, and logo in any public relations or publicity efforts. 16.2 Reciprocal Publicity. The Grantee also shall acknowledge CDFA appropriately in all organizational and public forums as to the support, financial and otherwise, that has been provided to the project. This recognition shall include, but not be limited to, print/electronic media, publications, interviews, brochures, website, etc.

- 16.3. Project Signage: For construction/renovation projects - CDFA logo must be included in signage at the job worksite. CDFA logo may not be any smaller than 50% of the size of the largest logo displayed. This requirement can be waived if no other partner/entity requires worksite signage and creating signage solely for CDFA poses a hardship. Alternative - If none of these are applicable/feasible, an alternative display of the CDFA logo or public recognition may be used with permission from CDFA.

EXHIBIT C

PROJECT/PROGRAM ACTIVITY COSTS; METHOD AND TERMS OF PAYMENT

1. PROJECT/PROGRAM ACTIVITY COSTS; PAYMENT SCHEDULE; REVIEW BY CDFA

1.1. Project/Program Activity Costs: As used in this Agreement, the term "Project/Program Activity Costs" shall mean all reimbursable costs incurred in performance of the Grant activities. "General Administration Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project/Program Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in 2 CFR Part 200 as revised from time to time, and with the rules, regulations, and guidelines established by CDFA. General Administration costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits, and oversight of any Project/Program Activity closing and/or construction and compliance with all federal, state, and local laws, rules, and regulations and this contract. In no event shall General Administration Costs exceed fifteen (15) percent of the total Grant funds allowed. With respect to a nonprofit subrecipient, such subrecipient shall meet the requirements of 2 CFR Part 200.

1.2. Delivery Costs: If applicable to this Agreement, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient as set forth in Attachment I, "Sources and Uses" in connection with a regional revolving loan fund that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program rules.

1.3. Payment of Project/Program Activity Costs: Subject to the terms and conditions of this agreement, CDFA agrees to pay Grantee all Project/Program Activity Costs, provided, however, that in no event shall the total of all payments made by CDFA pursuant to this Agreement exceed the Grant Amount as set out in Paragraph 1.8 of the General Provisions, and provided further that all Project Costs shall have been incurred prior to the Completion Date, except for reasonable approved Project/Program Activity Costs incurred within 90 days after the Completion Date and in connection with closeout requirements as provided in CDFA's Community Development Block Grant Implementation Guide.

1.4. Review by CDFA; Disallowance of Costs: At any time during the performance of the Program Activities, and upon receipt of the Progress Reports, Closeout Report, or Audited Financial Report, CDFA may review all Project/Program Activity Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

2. METHOD AND TERMS OF REIMBURSEMENT FOR PROJECT/PROGRAM ACTIVITY COSTS

2.1. When Project/Program Activity Funds May Be Released: CDFA shall not disburse any funds for the purposes of this Project until such time as all agreements specified in Exhibit B and any other agreements or documents specified pursuant to this Agreement are fully executed and received, and:

- 2.2. Timing of Payments. Upon thirty (30) days of the receipt, review, and approval by CDFA of financial reports and requests for reimbursement from Grantee specifying all Project/Program Activity Costs incurred, CDFA agrees to reimburse Grantee for Project/Program Activity Costs. Reimbursement may be withheld until CDFA determines that a particular project activity or portion of the project activity hereunder has been satisfactorily completed.
- 2.3. Disbursement of funds by CDFA does not constitute acceptance of any item as an eligible Project/Program Activity Cost until all Project/Program Activity Costs have been audited and determined to be allowable costs.

- 3.1. Reimbursement requests for all Project/Program Activity Costs, including General Administrative Costs, Delivery Costs, and Subrecipient costs, shall be accompanied by proper supporting documentation in the amount of each requested disbursement along with a payment request form as supplied by CDFA, which shall be completed and signed by Grantee. 4.3. Grant funds may not, without advance written approval by CDFA, be obligated prior to the Effective Date or subsequent to the Completion Date of the grant period. Obligations outstanding as of the Completion Date shall be liquidated within ninety (90) days. Such obligations must be related to goods or services provided during the grant period, except that reasonable costs associated solely with grant closeout, (e.g., audits, final reports) may be incurred within ninety (90) days after the Completion Date. The funding assistance authorized hereunder shall not be obligated or utilized for any activities requiring a release of funds under the Environmental Review Procedure for the Community Development Block Grant Program at 2 CFR 200 and 24 CFR Part 58, until such release is issued in writing by CDFA.

4.4. Changes in Funding Project Activities: Grantee may submit a written request for the authority to transfer up to ten (10) percent of the full value of the grant from one approved activity to another listed in Exhibit C herein or from an approved activity within the approved project area to an approved activity located outside the project area and the Director of CDFA may approve the requested transfer.

4.5. Transfers over ten percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this grant agreement. Grantee shall hold a public hearing in accordance with RSA 162:14, II(b) when submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

4.6. Up to \$475,000 of Grant Funds may be applied by Grantee for costs related to the Project/Program Activity.

6. PROGRAM INCOME (IF APPLICABLE)

6.1. Program Income: All program income earned during the term of this Agreement shall be retained by Grantee or, in projects involving the administration of a revolving loan fund by the Subrecipient.

6.2. When Used for Project/Program Activities: When program income becomes available, Grantee, and where applicable, Subrecipient shall use it for Grant Activities contained in the Project Description before drawing down additional funds unless the program income is deposited in a revolving loan account with prior approval by CDFA.

6.3. When Used for Eligible Activities: After completion of the Grant Activities specified in this Agreement, Grantee and, where applicable, Subrecipient shall use program income only for eligible activities which benefit primarily people from low- and moderate-income families, with prior approval by

CDFA as specified in the Closeout Agreement between CDFA and Grantee and, where applicable, Subrecipient.

The Town of Madbury ("Grantee") hereby warrants and agrees that the Subrecipient Agreement with the Bunker Lane Condominium Association ("Subrecipient") to be executed in conformance with the requirements of Exhibit B of the Grant Agreement shall be subject to approval by CDFA. The Subrecipient Agreement shall incorporate the entire Grant Agreement and shall include it as an attachment, and shall contain at a minimum the following terms and conditions:

1. REPRESENTATIONS AND WARRANTIES. Subrecipient shall represent and warrant:

1.1 Subrecipient is a duly organized and validly existing New Hampshire condominium association in good standing under the laws of this State. Subrecipient has the power and authority to undertake the grant activities as provided in the Grant Agreement. Subrecipient has the power and authority to own its properties, to conduct business as it is now being conducted, has the power to execute and deliver and perform its obligation under the Subrecipient Agreement and all other documents as applicable to this grant agreement.

1.2 The Subrecipient Agreement is the legal, valid and binding obligation of Subrecipient enforceable against Subrecipient, in accordance with each document's respective terms.

1.3 Subrecipient has complied in all material respects with all applicable federal, state and local laws, statutes, rules and regulations pertaining to the grant activities.

1.4 No application, exhibit, schedule, report or other written information provided by Subrecipient or its agents in connection with the grant application knowingly contained, when made, any material misstatement of fact or knowingly omitted to state any material fact necessary to make the statements contained therein not misleading, in light of the circumstances under which they were made.

2. PROJECT DESCRIPTION AND SUBGRANT ACTIVITIES.

2.1 Project Description.

The project shall consist of the awarding of \$500,000 in Community Development Block Grant ("CDBG") funds to the Town of Madbury (the "Grantee"), of which \$475,000 is to be subgranted to the Bunker Lane Condominium Association (the "Subrecipient") to support its water infrastructure improvements project situated at Bunker Lane, Madbury, New Hampshire (the "Project").

2.2 Benefit to Low- and Moderate- Income Persons.

The general purpose of the project is to principally benefit Low- and Moderate-Income Persons as that term is defined in the Grant Agreement: "those Persons whose income falls at or below the "low income" level as referenced in 24 CFR 570.483 as determined by the U. S. Department of Housing and Urban Development (HUD) for the State of New Hampshire. Appendix 2 contains HUD's "low- and moderate-income levels" for its various programs and is updated on an annual basis. The most current HUD Income Limits may be found at CDFA's website at www.nhcdfa.org

Initial Here

Consistent with the National Objectives of the Community Development Block Grant Program under Title I of the Housing and Community Development Act of 1974, as amended, the Parties agree that 65 (or 56%) of the 116 persons benefitting from the project shall be of low and moderate income as that term is defined in 24 CFR 570.483.

2.3 Grant of Funds/Matching Funds. Subrecipient shall use the Grant funds subgranted to it solely for the purposes described herein and consistent with the required terms and conditions of the Grant Agreement and Subrecipient Agreement.

2.3.1 Subrecipient shall be subgranted a total of \$475,000 of the CDBG funds in order to carry out the Project Activity.

2.3.2 Grantee shall be permitted to use up to \$25,000 of CDBG funds as administrative costs, reimbursement for Project/Program Activity Costs, as that term is defined by applicable state and federal guidelines and as is provided for in Exhibit C. In no event shall administrative costs reimbursable with grant funds exceed fifteen (15) percent of the total Grant Funds.

2.3.3 The parties agree that the CDBG funds to be awarded pursuant to this Agreement shall be matched with non-CDBG funds in an amount not less than \$834,766 consisting of a loan from NH Community Loan Fund.

2.3.4 Grant funds shall not be released or disbursed to Grantee unless and until the additional financing and matching requirements described above have been obtained and documented to CDFA's satisfaction.

3. SUBRECIPIENT REQUIREMENTS.

3.1 Compliance with Laws. Subrecipient shall comply with all applicable federal, state and local laws, statutes, executive orders and rules as they relate to the application, acceptance and use of funds for this Project, including, but not limited to, the requirements as specified in the Grant Agreement.

3.2 Disbursement of Grant Funds. Upon compliance with, and subject to the provisions of this Agreement and provided there shall exist no Event of Default under this Agreement, the Grant Agreement or any other agreements, in connection with the Project, and no condition or event which, with the giving of notice or lapse of time would constitute such an Event of Default, the Grantee shall, upon submittal of written requests for payment accompanied by Invoices and other documentation or supporting documents as required by the Grantee, make disbursements of grant funds. Disbursement of grant funds shall be in accordance with the terms of all Exhibits of the Grant Agreement.

Disbursement of funds by the Grantee does not constitute acceptance by the Grantee or CDFA of any item as an eligible Project cost until all Project/Program Activity Costs have been audited and determined to be allowable costs. Upon the expiration of the Grant Agreement, or other termination of the project, Subrecipient shall transfer to the Grantee any Grant funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds.

3.3 Security. Prior to approval by CDFA of any construction contract for the Property, Subrecipient shall provide Grantee a security lien in the amount of \$475,000 (the "Security") on the Property, or other acceptable security to CDFA, as set forth in Exhibit B. Grantee shall submit to CDFA satisfactory evidence of such

The amount of CDBG funds subject to recovery in accordance with this paragraph shall decrease over the twenty-year period at a rate negotiated between Grantee and Subrecipient and approved by CDFA.

4. COVENANT OF LONG TERM BENEFIT FOR LOW- AND MODERATE-INCOME PERSONS

4.1 Subrecipient shall covenant and warrant that at least 65% (or 56%) of the 116 of the Persons served at the Project Property at the completion of the Project shall be Low- and Moderate-income Persons as that term is defined in 24 CFR 570.483.

4.2 At time of Grantee's submission of the Closeout Report to CDFA as provided in Exhibit B of the Grant Agreement, Subrecipient shall certify the number and percentage of Persons served at the Project Property that are Low- and Moderate-income Persons and benefiting as a result of this Project. 4.3 Subrecipient shall further covenant and warrant that the Property shall remain in use as a public facility and shall be made available to Low- and Moderate-income Persons for a period of twenty (20) years following completion of the Project (the "Benefit Period") and that Subrecipient has and will continue in its Bylaws or other administrative provisions an adequate administrative capacity to ensure that this benefit is maintained for said period. This covenant shall survive the expiration or termination of this Agreement.

4.4 In the event that Subrecipient grants, conveys, leases or otherwise transfers its interests in the Property, Subrecipient shall include a clause in such deed, lease or similar transfer instrument whereby the other party, for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration therefore, covenants and agrees, as a covenant running with the land, that the property shall continue to be used a public facility and shall continue to be made available to Low- and Moderate-income persons for the remainder of the Benefit Period.

Town of Madbury – \$500,000 – Bunker Lane Condominium Association Water Improvement Project (Public Facilities)

Applicant	Town of Madbury
Subrecipient	Bunker Lane Condominium Association
Project Name	Bunker Lane Condominium Association Water Improvement Project
Project Location	Bunker Lane, Madbury, NH
Request	\$500,000
LMI Beneficiaries	116 Beneficiaries / 65 LMI (56%)
HUD CDBG National Objective	LMA-03J: Water/Sewer Improvements
NH State Category	Public Facilities

Project Summary

The Town of Madbury is seeking \$500,000 which will be subgranted to the Bunker Lane Condominium Association to replace a 40 plus year old water distribution system which is no longer functioning properly, plagued by frequent water line breaks and low water system pressure.

The Bunker Lane Condominium Association (BLCA) is a 51-unit manufactured home condominium association where at least 56% of the residents are of Low- and Moderate-Income. Water is supplied to the BLCA by the City of Portsmouth municipal water system through a master meter. Beyond the master meter, BLCA maintains its own 40+ year old water distribution system. The water distribution system was constructed without professional engineering, construction methods, or quality materials. resulting in undersized pipes, many dead ends, and a limited number of isolation valves. Many homes have shared curb stop valves which should be replaced with individual curb stop valves.

A CDBG funded feasibility study conducted in 2015 notes that the water system inherited by the Association was not constructed to any type of industry standards and, as a result, has left BLCA with a water distribution system which is inadequate and in disrepair. The study noted the potential for cross contamination of the water system and intrusion of groundwater which can be a serious health risk to water system customers. Additionally, a July 26, 2021 letter from the NH Department of Environmental Services supports replacement of the system because it will address the “vulnerability of water system users to bacteria and other pathogens potentially causing health issues, which can enter the dilapidated water system via openings through which leakage occurs from the distribution system and allow for flushing of sediment in which bacteria can thrive.”

The engineering firm that conducted the feasibility study provided updated costs to fully replace the distribution system totaling more than \$1.3 million. In addition to CDBG funds, BLCA will utilize a \$834,766 loan from the New Hampshire Community Loan Fund (CLF). BLCA has also initiated discussions with USDA-RD (RD) regarding the project. USDA-RD funding could replace the CLF financing if the package is financially superior. The NHDES State Revolving Loan Fund was also considered but the BLCA water system is not eligible for funding because it is not considered a registered public water system under NHDES rules.

BLCA currently sets aside \$7,200 annually for improvements which are used for repairs to the substandard system and would be applied to the new water system. Replacement of the water system would provide a long-term benefit of 20 years to BLCA residents due to the nature of the improvement. An assignment of Unit Owners Assessments and a UCC on any personal property will taken by the Community Loan Fund as security for their loan and will also be accepted by CDFR
