and the Honorable Council  
State House  
Concord, NH 03301

Your Excellency and Members of the Council:

**REQUESTED ACTION**

Authorize the New Hampshire Department of Justice to amend an existing subgrant to the Portsmouth Police Department (Vendor # 159594-B001), approved by the Governor and Executive Council on November 8, 2023, Item #147, by extending the end date only from June 30, 2025 to November 30, 2025, with no change to the price limitation of \$1,300,000, for the purpose of enhancing and sustaining the New Hampshire Internet Crimes Against Children (ICAC) Task Force, effective upon approval of the Governor and Executive Council. 100% General Funds.

**EXPLANATION**

The Department of Justice has been authorized, through the Chapter 79 Laws of 2023, to award this sub grant to the New Hampshire Internet Crimes Against Children (ICAC) Task Force in order to increase efforts in conducting proactive investigations to identify, investigate, and arrest criminals who use digital technologies to exploit children for personal or commercial gain and to increase community outreach to help citizens help detect and prevent further internet crimes against children.

Due to the initial subgrant being awarded in November 2023, this extension will allow the ICAC to have two full years to expend the funds. This time extension will further allow Portsmouth Police Department to continue to provide programmatic assistance to affiliates who designate their personnel in these efforts, maintain forensic capacity, provide training for personnel, and other activities that enhance the effectiveness of the New Hampshire ICAC Task Force.

## Non-Supplanting Certification

### Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the applicant or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3). <http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

### Supplanting and job retention

A grantee may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

---

The City of Portsmouth Police Department (Applicant) certifies that any funds awarded through grant numbers 2024IC01, 2025IC01 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The City of Portsmouth Police Department (Applicant) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.
