EXPLANATION

The BIL (P.L. 117-58), also known as the "Infrastructure Investment and Jobs Act of 2021" (IIJA) includes \$50 billion to the Environmental Protection Agency (EPA) to strengthen the nation's drinking water and wastewater systems. A significant portion of water infrastructure dollars is flowing through the Clean Water and Drinking Water State Revolving Funds (SRFs), which represent a partnership between the EPA, states, tribes, territories, and local communities. The grants include funding for general drinking water infrastructure, emerging contaminants and for the replacement of lead service lines.

For decades, the SRFs have been the foundation of water infrastructure investments, providing low-cost financing for local projects across America. EPA and the states have successfully worked together to steward more than \$200 billion in SRF funds since 1988. EPA and NHDES are committed to maximizing the impact of these funds in addressing urgent water challenges facing communities. These funds represent funding for Emerging Contaminants (EC) and Lead Service Lines (LSL). The LSL funding will assist all community and non-transient, non-community water systems in completing LSL identification, sampling plans and replacements to meet federal Lead and Copper Rule Improvement requirements. The EC funding will assist community water systems to reduce exposure to perfluoroalkyl and polyfluoroalkyl substances (PFAS) and other emerging contaminants through their drinking water.

NHDES will utilize existing staff as well as existing temporary full-time personnel previously approved to administer all aspects of the BIL funds. NHDES received grants which represent funding for drinking water infrastructure, lead service line and emerging contaminant remediation. The BIL funds were not included in final 2024-2025 Operating Budget as the legislature directed NHDES to budget these funds through the Fiscal Committee and Governor and Council process due to the magnitude and temporary nature of the federal funding.

The Honorable Ken Weyler, Chairman
Fiscal Committee of the General Court

His Excellency, Governor Christopher T. Sununu
and The Honorable Council

NHDES is requesting to budget these funds as shown below:

- Class 018 To cover the cost for overtime for personnel.
- Class 020 To cover costs for office supplies.
- Class 022 To cover the cost of rent and leases.
- Class 026 To cover membership fees.
- Class 037 To cover technology hardware.
- Class 038 To cover technology software.
- Class 039 To cover telecommunications.
- Class 040 To cover the program share of statewide indirect costs.
- Class 050 These funds are available in support of expanded or new program activities not previously budgeted. Employee support from existing NHDES programs will be used to conduct activities under this program. These funds will be used to replace funding for the following full-time positions, which are currently budgeted:

Funding in the amount of \$1,483,652 which is budgeted for the current positions, will either be lapsed or closed to control resulting in a net zero increase in budgeted funds. There are sufficient funds in Class 042-Additional Fringe and Class 041 – Audit Set-Aside to cover those costs.

Class 059 To cover the costs for the existing four temporary fulltime positions noted below for coordination and execution of NHDES's management of investments in drinking water infrastructure projects.

NOTICE OF AWARD				
Based on your Application dated 07/12/2024 including all modifications and amendments, the United States acting by and through the US Environmental Protection Agency (EPA) hereby awards \$ 7,690,000.00. EPA agrees to cost-share 100.00% of all approved budget period costs incurred, up to and not exceeding total federal funding of \$ 7,690,000.00. Recipient's signature is not required on this agreement. The recipient demonstrates its commitment to carry out this award by either: 1) drawing down funds within 21 days after the EPA award or amendment mailing date; or 2) not filing a notice of disagreement with the award terms and conditions within 21 days after the EPA award or amendment mailing date. If the recipient disagrees with the terms and conditions specified in this award, the authorized representative of the recipient must furnish a notice of disagreement to the EPA Award Official within 21 days after the EPA award or amendment mailing date. In case of disagreement, and until the disagreement is resolved, the recipient should not draw down on the funds provided by this award/amendment, and any costs incurred by the recipient are at its own risk. This agreement is subject to applicable EPA regulatory and statutory provisions, all terms and conditions of this agreement and any attachments.
