EXPLANATION

SilverTech, Inc. ("SilverTech") will provide support to the State of New Hampshire's Department of Information Technology ("DoIT"). DoIT plays a critical role in maintaining the Acquia multisite platform that powers the State's Drupal environment, supporting agency public-facing websites. SilverTech, will assist in enhancing and managing this platform to ensure operational efficiency across all State agencies.

SilverTech will work with DoIT to develop a comprehensive management plan to ensure the State Acquia Sitefactory and Acquia Cloud platforms remain secure, up-to-date, and fully compliant. SilverTech will also support DoIT in the creation of new functionality that will keep State agency websites fresh and continue to improve user access and experience.

This contract is the result of a competitive solicitation under 2025-020 – Sitefactory Web Platform Backend Support RFP issued on September 12, 2024. The State received six responses to the RFP. SilverTech, Inc. scored 90 out of a possible 100 points. The Proposal Evaluation Summary is attached.

The Department of Information Technology respectfully requests approval of this contract.

TABLE OF CONTENTS

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed.

3.3 Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8. The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 The State's liability under this Agreement shall be limited to monetary damages not to exceed the total fees paid. The Contractor agrees that it has an adequate remedy at law for any breach of this Agreement by the State and hereby waives any right to specific performance or other equitable remedies against the State.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws and the Governor's order on Respect and Civility in the Workplace, Executive order 2020-01. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of age, sex, sexual orientation, race, color, marital status, physical or mental disability, religious creed, national origin, gender identity, or gender expression, and will take affirmative action to prevent such discrimination, unless exempt by state or federal law. The Contractor shall ensure any subcontractors comply with these nondiscrimination requirements.

6.3 No payments or transfers of value by Contractor or its representatives in connection with this Agreement have or shall be made which have the purpose or effect of public or commercial bribery, or acceptance of or acquiescence in extortion, kickbacks, or other unlawful or improper means of obtaining business.

6.4 The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with this Agreement and

all rules, regulations and orders pertaining to the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 The Contracting Officer specified in block 1.9, or any successor, shall be the State's point of contact pertaining to this Agreement.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) calendar days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) calendar days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) calendar days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) calendar days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. In addition, at the State's discretion, the Contractor shall, within fifteen (15) calendar days of notice of early termination, develop and submit to the State a transition plan for Services under the Agreement.

10. PROPERTY OWNERSHIP/DISCLOSURE.

10.1 As used in this Agreement, the word "Property" shall mean all data, information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any Property which has been received from the State, or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Disclosure of data, information and other records shall be governed by N.H. RSA chapter 91-A and/or other applicable law. Disclosure requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 Contractor shall provide the State written notice at least fifteen (15) calendar days before any proposed assignment, delegation, or other transfer of any interest in this Agreement. No such assignment, delegation, or other transfer shall be effective without the written consent of the State.

12.2 For purposes of paragraph 12, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the

Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.3 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State.

12.4 The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. The Contractor shall indemnify, defend, and hold harmless the State, its officers, and employees from and against all actions, claims, damages, demands, judgments, fines, liabilities, losses, and other expenses, including, without limitation, reasonable attorneys' fees, arising out of or relating to this Agreement directly or indirectly arising from death, personal injury, property damage, intellectual property infringement, or other claims asserted against the State, its officers, or employees caused by the acts or omissions of negligence, reckless or willful misconduct, or fraud by the Contractor, its employees, agents, or subcontractors. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the State's sovereign immunity, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all Property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the Property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or any successor, a certificate(s) of insurance for all insurance required under this Agreement. At the request of the Contracting Officer, or any successor, the Contractor shall provide certificate(s) of insurance for all renewal(s) of insurance required under this Agreement. The certificate(s) of

insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or any successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. A State's failure to enforce its rights with respect to any single or continuing breach of this Agreement shall not act as a waiver of the right of the State to later enforce any such rights or to enforce any other or any subsequent breach.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

19. CHOICE OF LAW AND FORUM.

19.1 This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire except where the Federal supremacy clause requires otherwise. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

19.2 Any actions arising out of this Agreement, including the breach or alleged breach thereof, may not be submitted to binding

arbitration, but must, instead, be brought and maintained in the Merrimack County Superior Court of New Hampshire which shall have exclusive jurisdiction thereof.

20. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and any other portion of this Agreement including any attachments thereto, the terms of the P-37 (as modified in EXHIBIT A) shall control.

21. THIRD PARTIES. This Agreement is being entered into for the sole benefit of the parties hereto, and nothing herein, express or implied, is intended to or will confer any legal or equitable right, benefit, or remedy of any nature upon any other person.

22. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

23. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

24. FURTHER ASSURANCES. The Contractor, along with its agents and affiliates, shall, at its own cost and expense, execute any additional documents and take such further actions as may be reasonably required to carry out the provisions of this Agreement and give effect to the transactions contemplated hereby.

25. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

26. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

EXHIBIT A – SPECIAL PROVISIONS

EXHIBIT A - SPECIAL PROVISIONS

The terms outlined in the P-37 General Provisions are modified as set forth below:

A.1 Provision 3, Effective Date/Completion of Services, is updated with the following addition:

- 3.4** The Term may be extended up to three (3) years(s), ("Extended Term") at the sole option of the State, subject to the Parties prior written Agreement on applicable fees for each extended Term under the same terms and conditions, subject to approval of the Governor and Executive Council.

A.2 Provision 9, Termination, Section 9.2 is deleted and replaced with the following:

- 9.2** In the event of the termination pursuant to subparagraph 9.1, the contractor shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. The State will pay for cost of all Services and Deliverables for which Acceptance has been given by the State, provided through the date of termination but will not be liable for any costs for incomplete Services or winding down the Contract activities. The Contractor shall not be paid for any work performed or costs incurred which reasonably could have been avoided.

- 9.3** Upon termination of the Contract, the State, in addition to any other rights provided in the Contract, may require Contractor to deliver to the State any property, including without limitation, Software and Written Deliverables, for such part of the Contract as has been terminated. After receipt of a notice of termination, and except as otherwise directed by the State, Contractor shall:

- a. Stop work under the Contract on the date, and to the extent specified, in the notice;
- b. Promptly, but in no event longer than ten (10) days after termination, terminate its orders and subcontracts related to the work which has been terminated, and settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the State to the extent required, which approval or ratification shall be final for the purpose of this Section;
- c. Take such action as the State directs, or as necessary to preserve and protect the property related to the Contract which is in the possession of Contractor and in which the State has an interest;
- d. Take no action to intentionally erase any State data until directed by the State;
- e. Transfer title to the State and deliver in the manner, at the times, and to the extent directed by the State, any property which is required to be furnished to the State and which has been accepted or requested by the State;
- f. Implement an orderly return of State data in a CSV or another mutually agreeable format at a time agreed to by the parties;
- g. Securely dispose/destroy of all requested data in all of its forms, such as disk, CD / DVD, backup tape and paper, when requested by the State. Data shall be permanently deleted and shall not be recoverable, according to National

and Contractor shall cooperate with the State in any effort the State undertakes to contest the request, subpoena or other legal process, at no additional cost to the State.

10.7 Contractor Confidential Information. Contractor shall clearly identify in writing all information it claims to be confidential or proprietary upon providing such information to the State. For the purposes of complying with its legal obligations, the State is under no obligation to accept the Contractor's designation of material as confidential. Contractor acknowledges that the State is subject to State and federal laws governing disclosure of information including, but not limited to, RSA Chapter 91-A. In the event the State receives a request for the information identified by Contractor as confidential, the State shall notify Contractor and specify the date the State will be releasing the requested information. At the request of the State, Contractor shall cooperate and assist the State with the collection and review of Contractor's information, at no additional expense to the State. Any effort to prohibit or enjoin the release of the information shall be Contractor's sole responsibility and at Contractor's sole expense. If Contractor fails to obtain a court order enjoining the disclosure, the State shall release the information on the date specified in the State's notice to Contractor, without any liability to the State.

10.8 This covenant in paragraph 10 shall survive the termination of this Contract.

A.4 Provision 12, Assignment/Delegation/Subcontracts, is updated with the following addition:

12.5 In the event that Contractor should change ownership for any reason whatsoever that results in a change of control of the Contractor, the State shall have the option of:

- a. continuing under the Agreement with Contractor, its successors or assigns for the full remaining Term of the Agreement or for such period of time as determined necessary by the State;
- b. immediately terminate the Agreement without liability to or further compensation owed to Contractor, its successors or assigns.

A.5 The following Provisions are added and made part of the P37:

27. FORCE MAJEURE

27.1 Neither Contractor nor the State shall be responsible for delays or failures in performance resulting from events beyond the control of such Party and without fault or negligence of such Party. Such events shall include, but not be limited to, acts of God, strikes, lock outs, riots, and acts of War, epidemics, acts of Government, fire, power failures, nuclear accidents, earthquakes, and unusually severe weather.

27.2 Except in the event of the foregoing, Force Majeure events shall not include the Contractor's inability to hire or provide personnel needed for the Contractor's performance under the Contract.

EXHIBIT B – STATEMENT OF WORK (SOW) BUSINESS AND TECHNICAL REQUIREMENTS AND DELIVERABLES

The Statement of Work, Technical and Service Level Requirements, and Deliverables are set forth below:

1. STATEMENT OF WORK

SilverTech, Inc. ("SilverTech") will provide support to the State of New Hampshire's Department of Information Technology ("DoIT"). The DoIT plays a critical role in maintaining the Acquia multisite platform that powers the State's Drupal environment. SilverTech, will assist in enhancing and managing this platform to ensure operational efficiency across all State agencies.

SilverTech will work with the DoIT to develop a comprehensive management plan to ensure the State Acquia Sitefactory and Acquia Cloud platforms remain secure, up-to-date, and fully compliant.

SilverTech will provide the DoIT, User Experience Division (UEX), with the equivalent of one (1) full-time resource (2080 hours) per year to manage, develop, troubleshoot, and maintain the Acquia Sitefactory and Acquia Cloud platforms. Tasks include but are not limited to:

- Manage hosting services utilizing Acquia Cloud, ensuring regular platform performance and that security and regular updates are scheduled and implemented.
- Track, plan, test, deploy, implement, and monitor Drupal, PHP and MySQL upgrades as needed.
- Implement a dedicated rapid-response workflow to prioritize and facilitate hotfixes as needed.
- Develop enhancements including new workflows, modules, configurations and platform applications as needed.
- Offer strategic guidance and serve as technical liaison in State projects that crossover to the Acquia web platform
- Offer guidance regarding web content best practices to ensure all requirements and needs are met with a vision towards the future of technology.
- Have access to skillsets in other web and application technologies to provide hybrid technology solutions that interface with the Acquia platform.
- Help with project management of tasks and activities via weekly status meetings with the UEX team and biweekly meetings with the Acquia Technical Account Manager and UEX team. Other subject-specific meetings may be required as needed.
- Provide 24/7/365 emergency support with occasional planned after-hours support as well. Additional requests to help the UEX team as necessary.
- This full-time resource team will report directly to the IT Manager of the Web Content Management group of UEX.

4. DELIVERABLE REVIEW AND ACCEPTANCE

4.1 Non-Software and Written Deliverables Review and Acceptance

The Contractor shall provide a written Certification that a non-software, written deliverable (such as the Test Plan) is final, complete, and ready for Review. After receiving such Certification from the Contractor, the State will Review the Deliverable to determine whether it meets the requirements outlined in this Exhibit. The State will notify the Contractor in writing of its Acceptance or rejection of the Deliverable, or its partial or conditional Acceptance of the Deliverable, within five (5) business days of the State's receipt of the Contractor's written Certification; provided that if the State determines that the State needs more than five (5) days, then the State shall be entitled to an extension of up to an additional ten (10) business days. If the State rejects the Deliverable or any portion of the Deliverable, or if any Acceptance by the State is conditioned upon completion of any related matter, then the State shall notify the Contractor of the nature and class of the Deficiency, or the terms of the conditional Acceptance, and the Contractor shall correct the Deficiency or resolve the condition to Acceptance within the period identified in the Work Plan. If no period for the Contractor's correction of the Deliverable or resolution of condition is identified, the Contractor shall correct the Deficiency in the Deliverable or resolve the condition within five (5) business days or such longer period as the State (in its sole discretion) may agree. Upon receipt of the corrected Deliverable, the State shall have five (5) business days to review the Deliverable and notify the Contractor of its Acceptance. Acceptance in part, conditional Acceptance, or rejection thereof, with the option to extend the Review Period up to five (5) additional business days, or mutually agreed upon timeframe. If the Contractor fails to correct the Deficiency within the allotted period, the State may, at its option, continue reviewing the Deliverable and require the Contractor to continue until the Deficiency is corrected, or immediately terminate the Contract, declare the Contractor in default, and or pursue its remedies at law and in equity.

4.2 Software Deliverables Review and Acceptance

System/Software Testing and Acceptance shall be performed as set forth in the Test Plan and more particularly described in Acceptance and Testing Services described herein.

4.3 Number of Deliverables

Unless the State otherwise specifically agrees in writing, in no event shall the Contractor certify for testing and deliver to the State more than three (3) Deliverables for review or testing at one time. As the State accepts a Deliverable, an additional Deliverable may be presented for review but at no time can the Deliverables exceed three (3) at a time without the authorization of the State.

4.4 Conditional and Unconditional Acceptance

By accepting a Deliverable, the State reserves the right to reject any and all Deliverables in the event the State detects any Deficiency in the System, in whole or in part, through completion of all Acceptance Testing, including but not limited to, Software/System Acceptance Testing, and any extensions thereof.

5. CHANGE ORDER

The State may make changes, revisions or request enhancements to the Scope of Work at any time by written Change Order. The State originated changes, revisions or enhancements shall be approved by the Department of Information Technology. Within five (5) business days of Contractor's receipt of a Change Order, Contractor shall advise the State, in detail, of any impact on cost (e.g., increase or decrease), the Schedule, and the Work Plan.

Contractor may propose a change within the scope of the Contract by written Change Order, identifying any impact on cost, the Schedule, and the Work Plan. The State shall acknowledge receipt of Contractor's requested Change Order within five (5) business days. The State Agency, as well as the Department of Information Technology, must review and approve all Change Orders in writing. The State shall be deemed to have rejected the Change Order if the Parties are unable to reach an agreement in writing within 30 days of receipt of the Change Order.

Change orders resulting in an increase of Price Limitation, an extension of time for Contract completion or a significant change to the scope of the Contract may require approval by the Governor and Council.

A Change Order which is accepted and executed by both Parties, and if applicable approved by Governor and Council, shall amend the terms of this Agreement.

6. IMPLEMENTATION SERVICES

The Contractor shall employ an industry-standard Implementation strategy with a timeline set forth in accordance with the Work Plan.

The Contractor shall manage Project execution and provide the tools needed to create and manage the Project's Work Plan and tasks, manage and schedule Project staff, track and manage issues, manage changing requirements, maintain communication within the Project Team, and Report status.

The Contractor and the State shall adopt a Change Management approach to identify and plan key strategies, communication initiatives, and training plans.

7. PROJECT MANAGEMENT

The Contractor shall provide project tracking tools and templates to record and manage Issues, Risks, Change Requests, Requirements, and other documents used in the management and tracking of the project. The State believes that effective communication and Reporting are essential to Project success. The Contractor shall employ effective communication and Reporting strategies to ensure Project success. The Contractor Key Project Staff shall participate in meetings as requested by the State, in accordance with the requirements and terms of this Contract.

Project Manager must be qualified to perform the obligations required of the position under the Contract, shall have full authority to make binding decisions under the Contract, and shall function as Contractor's representative for all administrative and management matters. Project Manager must be available to promptly respond during normal Business Hours within two (2) hour(s) of inquiries from the State and be at the site as needed. Project Manager must work diligently and use his/ her best efforts on the Project.

7.1.3. Change of Project Manager

Contractor may not replace the Project Manager or change its assignment of Project Manager without providing the State written notice and obtaining the prior approval of the State of the replacement Project Manager. State approvals for replacement of Project Manager shall not be unreasonably withheld. The replacement Project Manager is subject to the same requirements and Review as set forth above. Contractor shall assign a replacement Project Manager within ten (10) business days of the departure of the prior Project Manager, and Contractor shall continue during the ten (10) business day period to provide competent project management Services through a qualified interim Project Manager.

7.1.4. The Contractors Additional Key Project Staff

The State considers the following individuals to be Key Project Staff for this Project:

Anoop Sandhu – Senior Developer
Christina Baker – Digital Strategist
Kassandra Pepper – Senior Developer

The State reserves the right to require removal or reassignment of Key Project Staff who are found unacceptable to the State. Contractor shall not change Key Project Staff commitments without providing the State written notice and obtaining the prior written approval of the State. State approvals for replacement of Key Project Staff will not be unreasonably withheld. The replacement Key Project Staff shall have comparable or greater skills than Key Project Staff being replaced.

7.1.5. Termination for Lack of Project Management and Key Project Staff

Notwithstanding any other provision of the Contract to the contrary, the State shall have the option to terminate the Contract, declare Contractor in default and to pursue its remedies at law and in equity, if Contractor fails to assign a Project Manager and/or Key Project Staff meeting the requirements and terms of the Contract or if the State is dissatisfied with Contractor's replacement of the Project Manager and/or Key Project Staff.

7.2 The State Key Project Staff

7.2.1. The State Contract Manager

The State shall assign a Contract Manager who shall function as the State's representative with regard to Contract administration. The State Contract Manager is:

- g. Managing stakeholders' concerns.

8. WORK PLAN

The Contractor's Project Manager and the State Project manager shall finalize a Work Plan within thirty (30) days of the Effective Date and further refine the tasks required to implement the Project. Continued development and management of the Work Plan is a joint effort on the part of the Contractor and State Project Managers. The plan shall identify the tasks, Deliverables, major milestones, task dependencies, and a payment Schedule required to implement the Project. It shall also address intra-task dependencies, resource allocations (both State and The Contractor's team members), refine the Project's scope, and establish the Project's Schedule.

9. ACCEPTANCE & TESTING SERVICES

SilverTech personnel will complete in-house testing of code before it is released to the DoIT for its round of testing. In-house testing occurs throughout SilverTech's development process, using test cases defined by the SilverTech Quality Assurance ("QA") team. At that time, the QA team conducts testing, including detailed scenarios and use cases. SilverTech will ensure all core use cases, which will be reviewed with the DoIT, are working as documented and designed. Once SilverTech's internal QA is completed, we will work with the DoIT on its round of User Acceptance Testing ("UAT").

After all development activities and testing by the DoIT are complete, a final QA cycle is conducted to test the functionality built by SilverTech.

11. DATA PROTECTION

Protection of personal privacy and data shall be an integral part of the business activities of the Contractor to ensure there is no inappropriate or unauthorized use of State information at any time. To this end, the Contractor shall safeguard the confidentiality, integrity and availability of State information and comply with the following conditions:

- a. The Contractor shall implement and maintain appropriate administrative, technical and organizational security measures to safeguard against unauthorized access, disclosure or theft of Personal Data and non-public information. Such security measures shall be in accordance with recognized industry practice and not less stringent than the measures the Contractor applies to its own Personal Data and non-public data of similar kind.
- b. All data obtained by the Contractor in the performance of this contract and all Personal Data shall be encrypted at rest and in transit with controlled access. Unless otherwise stipulated, the Contractor is responsible for encryption of the Personal Data.
- c. Unless otherwise stipulated, the Contractor shall encrypt all non-public data at rest and in transit. The State shall identify data it deems as non-public data to the Contractor. The level of protection and encryption for all non-public data shall be identified and made a part of this contract.
- d. At no time shall any data or processes – that either belong to or are intended for the use of the State or its officers, agents or employees – be copied, disclosed or retained by the Contractor or any party related to the Contractor for subsequent use in any transaction that does not include the State.
- e. The Contractor shall not use any information collected in connection with the service issued from this Contract for any purpose other than fulfilling the service.

11.1 Data Location

The Contractor shall provide its Services to the State and its end users solely from data centers within the Continental United States. All storage, processing and transmission of State data shall be restricted to information technology systems within the Continental United States. The Contractor shall not allow its personnel or sub-contractors to store State data on portable devices, including personal computers, except as specified and allowed by the contract, and then only on devices that are used and kept at its data centers within the Continental United States. The Contractor shall permit its personnel and Contractors to access State data remotely only to provide technical support and as specified or required by the contract.

11.2 Security Incident Or Data Breach

EXHIBIT D1 – CUSTOM SOFTWARE AGREEMENT

EXHIBIT D1 - CUSTOM SOFTWARE AGREEMENT

1. Software Title. The Contractor agrees that any and all work product created pursuant to this Agreement, including but not limited to all Software, are deemed to be “works for hire” within the meaning of the Copyright Act of 1976. To the extent Contractor is deemed to have retained any legal title, rights and interest in these works, Contractor hereby assigns any and all such title, rights, and interest (including all ownership and intellectual property rights) in the Software and related work product to the State of New Hampshire in consideration for the promises set forth within this Agreement.
2. Documentation and Copies. The State shall be entitled to copies of any work product upon request to Contractor. At the conclusion of this Agreement, Contractor agrees to provide all copies of the Software for all versions, including related documentation, to the State. Contractor shall not retain any work product associated with this Agreement unless authorized by the State in writing.
3. Restriction on Use. Unless specifically authorized by the State, Contractor shall not utilize work product derived as part of this Agreement in any manner other than as required by Contractor to complete its obligations under this Agreement.
4. Software Non-Infringement. Contractor warrants that the Software, including any and all component parts thereof (“Contracted Works”) that are original works of the Contractor that do not violate or infringe any patent, trademark, copyright, trade name or other intellectual property rights or misappropriate a trade secret of any third party.

The warranty of non-infringement shall be an on-going and perpetual obligation that shall survive termination of the Contract. In the event that someone makes a claim against the State that any Contracted Works infringe their intellectual property rights, Contractor shall defend and indemnify the State against the claim provided that the State:

- a. Promptly notifies Contractor in writing, not later than 30 days after the State receives actual written notice of such claim;
- b. Gives Contractor control of the defense and any settlement negotiations; and
- c. Gives Contractor the information, authority, and assistance reasonably needed to defend against or settle the claim.

Notwithstanding the foregoing, the State’s counsel may participate in any claim to the extent the State seeks to assert any immunities or defenses applicable to the State.

If Contractor believes or it is determined that any of the Contracted Works may have violated someone else’s intellectual property rights, Contractor may choose to either modify the Contracted

EXHIBIT E – ADMINISTRATIVE SERVICES

1. DISPUTE RESOLUTION

Prior to the filing of any formal proceedings with respect to a dispute (other than an action seeking injunctive relief with respect to intellectual property rights or Confidential Information), the Party believing itself aggrieved (the "Invoking Party") shall call for progressive management involvement in the dispute negotiation by written notice to the other Party. Such notice shall be without prejudice to the Invoking Party's right to any other remedy permitted under the Contract.

The Parties shall use reasonable efforts to arrange personal meetings and/or telephone conferences as needed, at mutually convenient times and places, between negotiators for the Parties at the following successive management levels, each of which shall have a period of allotted time as specified below in which to attempt to resolve the dispute:

Table E-1.			
DISPUTE RESOLUTION RESPONSIBILITY AND SCHEDULE TABLE			
LEVEL	CONTRACTOR POINT OF CONTACT	STATE POINT OF CONTACT	CUMULATIVE ALLOTTED TIME
First	Silvertech Project Manager	DoIT Project Manager	10 Days
Second	Silvertech COO	DoIT Director, User Experience Division	10 Days
Third	Silvertech CEO	DoIT Commissioner	15 Days

The allotted time for the first level negotiations shall begin on the date the Invoking Party's notice is received by the other Party. Subsequent allotted time is days from the date that the original Invoking Party's notice is received by the other Party.

2. ACCESS AND COOPERATION

Subject to the terms of this Agreement and applicable laws, regulations, and policies, the State will provide the Contractor with access to all program files, libraries, personal computer-based Systems, Software packages, Network Systems, security Systems, and hardware as required to complete the contracted Services.

3. RECORD RETENTION

Contractor and its Subcontractors shall maintain all Project records including but not limited to books, records, documents, and other evidence of accounting procedures and practices, which properly and sufficiently reflect all direct and indirect costs invoiced in the performance of their respective obligations under the Contract. Contractor and its Subcontractors shall retain all such records for three (3) years following termination of the Contract, including any

extensions. Records relating to any litigation matters regarding the Contract shall be kept for one (1) year following the termination of all litigation, including the termination of all appeals or the expiration of the appeal period.

Upon prior notice and subject to reasonable time frames, all such records shall be subject to inspection, examination, audit and copying by personnel so authorized by the State and federal officials so authorized by law, rule, regulation or Contract, as applicable. Access to these items shall be provided within Merrimack County of the State of New Hampshire, unless otherwise agreed by the State. Delivery of and access to such records shall be at no cost to the State during the three (3) year period following termination of the Contract and one (1) year Term following litigation relating to the Contract, including all appeals or the expiration of the appeal period. Contractor shall include the record retention and Review requirements of this section in any of its subcontracts.

4. ACCOUNTING

Contractor shall maintain an accounting System in accordance with Generally Accepted Accounting Principles (GAAP). The costs applicable to the Contract shall be ascertainable from the accounting System.

5. AUDIT

The Contractor shall allow the State to audit conformance to the contract terms. The State may perform this audit or contract with a third party at its discretion and at the State's expense.

6. MISCELLANEOUS WORK REQUIREMENTS

6.1 Access to State Systems

In consideration for receiving access to and use of the computer facilities, network, licensed or developed software, software maintained or operated by any of the State entities, systems, equipment, Documentation, information, reports, or data of any kind (hereinafter "Information"), Contractor understands and agrees to abide by all policy and procedures documented in the New Hampshire Statewide Information Security Manual (available on request) or derivatives and the following rules:

6.1.1. Computer Use

- a. Every Authorized User has the responsibility to assure the protection of information from unauthorized access, misuse, theft, damage, destruction, modification, or disclosure.
- b. That information shall be used solely for conducting official State business, and all other use or access is strictly forbidden including, but not limited to, personal, or other private and non-State use and that at no time shall Contractor access or attempt to access any information without having the express authority to do so.
- c. That at no time shall Contractor access or attempt to access any information in a manner inconsistent with the approved policies, procedures, and /or agreements relating to system entry/access.

- d. That all software licensed, developed, or being evaluated by the State cannot be copied, shared, distributed, sub-licensed, modified, reverse engineered, rented, or sold, and that at all times Contractor must use utmost care to protect and keep such software strictly confidential in accordance with the license or any other agreement executed by the State. Only equipment or software owned, licensed, or being evaluated by the State, can be used by Contractor. Personal software (including but not limited to palmtop sync software) shall not be installed on any equipment.
- e. That if Contractor is found to be in violation of any of the above-stated rules, the Contractor may face default and termination under the Agreement and the individual may face removal from the State Contract, and/or criminal or civil prosecution, if the act constitutes a violation of law.
- f. That computer use shall follow the State standard policy (Statewide Computer Use Policy is available upon request)

6.1.2. Email Use

Email and other electronic communication messaging systems are State of New Hampshire property and are to be used for business purposes only. Email is defined as "internal email systems" or "State-funded email systems." Contractor understands and agrees that use of email shall follow State standard policy (Statewide Computer Use Policy is available upon request).

6.1.3. Internet/Intranet Use

The Internet/Intranet is to be used for access to and distribution of information in direct support of the business of the State of New Hampshire according to State standard policy (Statewide Computer Use Policy is available upon request).

6.2 State Website Copyright

All right, title and interest in the State WWW site, including copyright to all Data and information, shall remain with the State. The State shall also retain all right, title and interest in any user interfaces and computer instructions embedded within the WWW pages. All WWW pages and any other Data or information shall, where applicable, display the State's copyright.

6.3 Workspace Requirement

The State will work with Contractor to determine requirements for providing necessary workspace and office equipment for Contractor's staff.

6.4 Workplace Hours

Unless otherwise agreed to by the State, the Contractor's personnel shall work forty (40) hour weeks between the hours of 8 am and 5 pm (Eastern Time), excluding State of New Hampshire holidays. Changes to this Schedule may be made upon agreement with the State Project Manager.
