**REQUESTED ACTION**

Authorize the Department of Environmental Services (NHDES) to enter into a **SOLE SOURCE** agreement with the Strafford Regional Planning Commission (VC# 155570-B001), Rochester, NH, for a total of \$25,000, for the *Preparing for Resilient and Equitable Post-disaster Assistance and Recovery to Events (PREPARE)* project, effective as of January 1, 2025 through March 31, 2026, upon Governor and Council approval. 100% Federal Funds.

Funds are available in the following account.

Dept. Environmental Services, Coastal Resilience Infrastructure, Contracts for Program Services	

**EXPLANATION**

NHDES requests approval to enter into a **SOLE SOURCE** agreement with the Strafford Regional Planning Commission for the Preparing for Resilient and Equitable Post-disaster Assistance and Recovery to Events (PREPARE) project. This agreement is **SOLE SOURCE** because the Strafford Regional Planning Commission (RPC) was a partner in the proposal that was submitted and accepted by the National Oceanic and Atmospheric Administration (NOAA) in 2024, and NHDES is required to adhere to the proposal.

The SRPC will work with the NHDES Coastal Program and the Rockingham Planning Commission (RPC) to prepare coastal NH communities for destructive flood events by incorporating resiliency and equity into the post-disaster recovery process by (1) assessing and identifying priority actions to improve community capacity for flood recovery; (2) building a network of community partnerships to support flood recovery; and (3) dedicating NHDES Coastal Program staff and regional technical, training, and relational support to coastal NH communities.

In New Hampshire, the 17 coastal zone communities are uniquely vulnerable to flood risks from riverine flooding and coastal storms, exacerbated by sea-level rise and expected to continue getting worse. In January 2024, coastal NH communities experienced two major flood events that temporarily and permanently displaced people and caused extensive flood damage. The PREPARE project will utilize the

Federal Emergency Management Agency's (FEMA) "whole community concept" which enables "residents, emergency management practitioners, organizational and community leaders, and government officials to collectively understand and assess the needs of their respective communities and determine the best ways to organize and strengthen their assets, capacities, and interests."

In the event federal funds become no longer available, general funds will not be requested to support this program. The agreement has been approved by the Office of the Attorney General as to form, execution, and content.

We respectfully request your approval.

## CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex<sup>3</sup>) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex<sup>3</sup> is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex<sup>3</sup> is entitled to the categories of coverage set forth below. In addition, Primex<sup>3</sup> may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex<sup>3</sup>, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex<sup>3</sup> Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only, Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex<sup>3</sup>. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
