Her Excellency, Governor Kelly A. Ayotte
 and the Honorable Council
 State House
 Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Natural and Cultural Resources, Division of Forests and Lands, to enter into a **Retroactive** and **Sole Source** Cooperative Project Agreement with the University of New Hampshire, Cooperative Extension (UNH-CE) (VC #315187), Durham, NH to address selected needs of the public in natural resources with university-based educational outreach programs in such areas as forest stewardship, forest health, urban and community forestry, economic viability, and natural resource conservation education, in an amount not to exceed \$115,000 effective upon approval of Governor and Council for the period of July 1, 2024 through June 30, 2025. 100% General Funds.

Funding is available in for Fiscal Year 2025, Forest and Lands Administration, as follows:

	<u>FY2025</u>
03-035-035-351510-35000000-045-509045 – Personnel Services/Non-Benefit	\$115,000

EXPLANATION

This request is **Retroactive** due to the need to update the cooperative project agreement with a scope of work that better reflects the broad range of programs and services to be provided. This agreement is **Sole Source** because the programs and services are provided through the MOU between DNCR and UNH-CE. The Cooperative Project Agreement details the specific programs and services UNH-CE will provide the Division to assist in fulfilling its mission to conduct natural resource education and public outreach programs in accordance with RSA 227-G:1 and RSA 227-G:3, II (c).

The Attorney General's Office has reviewed and approved the contract as to form, substance, and execution.

Respectfully submitted, Concurred,

Patrick D. Hackley
 Director

Sarah L. Stewart
 Commissioner

EXHIBIT A

A. **Project Title:** FY25 State Forestry Support

B. **Project Period:** 7/01/2024 - 6/30/2025

D. **Objectives:** The purpose of this Cooperative Agreement between the Department of Natural and Cultural Resources, Division of Forests and Lands and the University of New Hampshire Cooperative Extension (UNHCE) is to support statewide forest stewardship programming implemented by UNHCE's Forestry staff. The UNHCE Forest Stewardship Program (FSP) addresses needs and issues in natural resources with university-based educational outreach programs in such areas as forest stewardship, forest health, urban and community forestry, economic viability and natural resource conservation education for landowners, natural resource professionals, municipalities, and the public. The State funds allocated by DNCR DFL will be utilized to support the UNHCE Forestry staff to deliver the FSP across throughout New Hampshire.

E. **Scope of Work:** UNHCE FSP will provide forest stewardship education to landowners, natural resource professions, municipalities, and the public through outreach conducted by UNHCE specialists in forest stewardship and such other staff as may be mutually agreed by the Dean and Director, UNHCE and the Director, DFL, to help carry out the FSP. The UNHCE FSP will:

F. -Provide one-on-one technical assistance for forest landowners (typically 10 acres or greater). UNHCE Forestry staff will meet with landowners on their properties to assess the needs of landowners and forest conditions and provide recommendations, resources, and professional referrals for the landowner to consider to steward and manage their forestland.

G. -Provide education and training for forest landowners, municipalities, and the public to gain understanding and appreciation of the critical role forests play to New Hampshire's economy, ecology, and character.

H. -Provide education and training for natural resource professionals such as foresters, loggers, and biologists to develop their knowledge and skills to steward and management forestland for their clients.

I. -Provide current and relevant information to landowners, natural resource professionals, and the public about current threats and issues impacting New Hampshire's forests including but not limited to information regarding insects and diseases impacting forest health, updates on regulations, or opportunities and emerging forest-based markets.

J. **Deliverables Schedule:** As a member of the Project Administrator's Leadership Team (Division of Forests and Lands), the UNH Extension Forestry Specialist will provide monthly updates on current and proposed activities, programs and publications.

F. Budget and Invoicing Instructions: Campus will submit invoices to State on regular Campus invoice forms no more frequently than monthly and no less frequently than quarterly. The State of NH's FY begins July 1st and ends June 30th, therefore 4th quarter invoices (March-June) must be submitted not later than June 1st of each year. Invoices will be based on actual project expenses incurred during the invoicing period, and shall show current and cumulative expenses by major cost categories, and shall document cumulative cost sharing through the end of the invoicing period if cost share applicable. Campus will submit its final invoice not later than 45 days after the Project Period end date.

**MEMORANDUM OF UNDERSTANDING BETWEEN THE
STATE OF NEW HAMPSHIRE
DEPARTMENT OF NATURAL AND CULTURAL RESOURCES
AND
UNIVERSITY OF NEW HAMPSHIRE COOPERATIVE EXTENSION**

Statement of the Memorandum of Understanding between the Commissioner, New Hampshire Department of Natural and Cultural Resources, and the Dean and Director, of the University of New Hampshire Cooperative Extension relative to a cooperative extension program in forestry and natural resources.

WHEREAS, the Department of Natural and Cultural Resources, Division of Forests and Lands, is vested with the responsibility for the development and promotion of forestry within the state under the provisions of RSA 227 and other state and federal authorization (see appendix for details); and;

WHEREAS, the University of New Hampshire Cooperative Extension is vested with the mission to improve peoples' lives by addressing selected needs and issues with outreach and educational programs, and;

WHEREAS, the University of New Hampshire Cooperative Extension conducts major research-based outreach-programming in natural resources, food and agriculture, community and economic development, and youth and family; with forest stewardship being an area of expertise within the natural resources program team, and;

WHEREAS, the University of New Hampshire Cooperative Extension is a statewide outreach-program-partnership funded jointly by provisions of the Smith Lever Act of Congress May 8, 1914, with state, county, and the federal authorizations (see appendix for details), and;

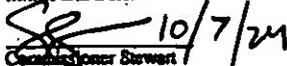

WHEREAS, a high percentage of the forest land in this state is privately owned in thousands of separate parcels by people from all walks of life, and;

WHEREAS, the state's environment, forest economy, tourism, wildlife habitat, water resources and public recreational opportunities and quality of life depend on the degree to which these private lands are properly managed and utilized;

THEREFORE, it is deemed to be in the public interest for the Department of Natural and Cultural Resources, Division of Forests and Lands, and the University of New Hampshire Cooperative Extension to work together addressing selected needs and issues in natural resources with university-based educational outreach programs in such areas as forest stewardship, forest health, urban and community forestry, economic viability and natural resource conservation education.

The Commissioner of the Department of Natural and Cultural Resources and the Dean and Director of University of New Hampshire Cooperative Extension hereby subscribe to the following Memorandum of Understanding with reference to their cooperative activities:

I. The Commissioner, Department of Natural and Cultural Resources, through the Division of Forests and Lands, agrees:

- 1) To cooperate in joint forest stewardship programming, making available and contributing such departmental resources as are mutually agreed to develop and implement a sound program of forestry education and demonstration among landowners, foresters, loggers, processors of forest products, municipalities, public decision-makers, urban landowners, youth, and the general public.
- 2) To conduct statewide educational outreach programs in cooperation with UNH Cooperative Extension for the protection and enhancement of New Hampshire's natural resources. Programs based at the Urban Forestry Center, Fox Forest and Shieling Forest will designate UNH Cooperative Extension as a co-sponsor.
- 3) To co-sponsor, assist and participate in meetings, conferences, lectures, training programs, exhibits, demonstrations, preparation of publications, and other public education activities in coordination with UNH Cooperative Extension working with other public and private organizations and agencies as may be appropriate.
- 4) To foster mutual cooperative working relations among the Department of Natural and Cultural Resources staff and UNH Cooperative Extension staff.
- 5) To expend and make available funds designated for forest resource education in accordance with this Memorandum of Understanding with the knowledge and agreement of the Dean and Director, UNH Cooperative Extension and further provide for the receipt and disbursement of such available funds in accordance with accepted federal, state and university procedures. The Director of the Divisions of Forests and Lands will provide letters for the award of federal and state funds describing the source, amount, terms and program expectations.

II. The Dean and Director, UNH Cooperative Extension agrees:

- 1) To maintain a forest stewardship program component within Cooperative Extension, with appropriate staff such as a program team leader, state specialists, field specialists, and program coordinators.
- 2) To develop and implement a program of public education, addressing selected needs and issues in natural resources with university-based outreach and educational programs in such areas as forest stewardship, urban and community forestry, economic viability and natural resources conservation education for landowners,

foresters, loggers, processors of forest products, municipalities, public decision-makers, urban landowners, youth, and the general public.

- 3) To coordinate budgets, plans, and programs and inform the Director, Division of Forests and Lands regarding programs, plans-of-work and accomplishments.
- 4) To acknowledge the partnership between UNH Cooperative Extension and NH Department of Natural and Cultural Resources, Division of Forests and Lands in forest stewardship program material.
- 5) To employ specialists in forest stewardship and such other staff as may be mutually agreed by the Dean and Director, UNH Cooperative Extension and the Director, Division of Forests and Lands, to help carry out the objectives of forest stewardship programming.
- 6) To foster mutual cooperative working relations among the UNH Cooperative Extension staff and Department of Natural and Cultural Resources staff.
- 7) To expend funds for forest stewardship education as described in this Memorandum of Understanding, with the knowledge and agreement of the Department of Natural and Cultural Resources, and further provide for the receipt and disbursement of such funds in accordance with accepted federal, state and university procedures. Funds from federal, state, county and private sources may be used by UNH Cooperative Extension for salaries, wages, fringe benefits, travel, equipment, supplies, consultants, service providers, programs and other purposes which meet the criteria of the funding source. UNH Cooperative Extension may use such funds to enter into contracts with others to provide certain educational products with knowledge and approval of the NH Department of Resources and Economic Development.

III. It is mutually agreed by the Commissioner, Department of Natural and Cultural Resources and the Dean and Director, UNH Cooperative Extension that:

- 1) Responsibility for the forest stewardship programming will be shared by the two agencies, under the leadership of the Dean and Director, Cooperative Extension and Director, Division of Forests and Lands.
- 2) UNH Cooperative Extension and Department of Natural and Cultural Resources will share funding responsibility for forest stewardship programming.
- 3) UNH Cooperative Extension will prepare a plan of work in accordance with the USDA National Institute of Food and Agriculture (formerly Cooperative State Research, Education, and Extension Service) guidelines. Copies of the plans will be provided to the Dean and Director of UNH Cooperative Extension and the Director,

Division of Forests and Lands. An annual accomplishment report based on the plan of work and other reports required by funding sources will be provided by the Dean and Director, UNH Cooperative Extension, and the Director of the Division of Forests and Lands.

- 4) Forest stewardship staff will be employees of the University of New Hampshire.
- 5) Applications for employment in forest stewardship will be processed in accordance with the policies of the University of New Hampshire. The Director of the Division of Forests and Lands will be invited to participate in the selection process. Final appointment will be made by the Dean and Director, University of New Hampshire Cooperative Extension.
- 6) Publicity relating to activities under this agreement may be released by either party and shall contain a statement of the cooperative relationship of the Department of Natural and Cultural Resources, Division of Forests and Lands and UNH Cooperative Extension.
- 7) This Memorandum of Understanding shall remain in effect unless modified by mutual agreement of both parties. It is understood that this Memorandum may be terminated by either party at the end of a fiscal year, upon 120 days' written notice to the other party.
