## EXPLANATION

SOC 15-2050 DATA SCIENTISTS-2, Position #8T3202, currently ends on February 21, 2025. This position supports the State Energy Management office.

The State Energy Management office guides and supports state agencies in developing and implementing effective energy management strategies to improve state facilities' overall energy performance. This position provides data analysis and support and program education and outreach for the office. At this time the office Energy Manager position is currently vacant, and the full-time temporary position is essential to maintain the workload in the State Energy Management Office.

Respectfully submitted,

Charles M. Arlinghaus,  
Commissioner
