**Commissioner**

**THE STATE OF NEW HAMPSHIRE**  
**DEPARTMENT OF TRANSPORTATION**

35

**David Rodrigue, P.E.**  
**Assistant Commissioner**  
**Andre Briere, Colonel, USAF (RET)**  
**Deputy Commissioner**

Her Excellency, Governor Kelly A. Ayotte  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of Construction  
December 20, 2024

**REQUESTED ACTION**

1. Authorize the Department of Transportation to enter into a contract with Northeast Traffic Control Services (Vendor 162193) of Plymouth, MA, on the basis of a low bid of \$1,206,925 for Emergency Vehicle (EV) Load Posting Sign installation at various bridges statewide (Project: Statewide EV Load Posting Signs GRP2, #44837), from the date of Governor and Council approval through September 12, 2025, unless amended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funds are available in the following account for Fiscal Year 2025, and are anticipated to be available in Fiscal Year 2026, upon the availability and continued appropriation of funds in the future operating budgets, with the authority to adjust encumbrances between fiscal years within the price limitation through the Budget Office, if needed and justified:

Funding is available as follows:	<u>FY 2025</u>	<u>FY 2026</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$935,366.92	\$271,558.08

2. Further authorize that a contingency in the amount of \$60,346.25 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2026</u>
04-96-96-963515-3054	
Consolidated Federal Aid	
400-500870 Highway Contract Payments	\$60,346.25

**EXPLANATION**

This project is part of the State's Ten-Year Transportation Improvement Plan, under the Bridge-Tier 3-4 Maintenance & Preservation Program. This project installs Emergency Vehicle (EV) load posting signs at 368 bridges (collectively called Group 2) statewide as mandated by the Fixing America's Surface Transportation (FAST) Act. Group 2 has been defined in the FAST Act as federal definition bridges (> 20 feet in span) located more than 1 mile from an Interstate roadway.

This FAST Act mandate to install these signs is due to the general trend that EVs are getting larger and heavier such that the load effect imparted on bridges may be more than that imparted by the notional vehicle

Page 2

used in the design and load capacity rating of the bridge. Evaluation for these posting signs is separate from, and in addition to, the evaluation for a legal load posting restriction. As such, the presence of these signs at bridges will be independent of the presence of any legal load posting signs and will only be applicable to EVs. These signs will present restrictions to EVs in terms the maximum single axle, tandem axle (pair of closely spaced axles) and gross vehicle weight, in accordance with the FAST Act requirements. Signs will be installed on each roadway approach for each bridge requiring a posting for EVs.

The proposed contingency amount is 5% of the contract amount. This is to account for the risks associated with unknown site conditions, and unanticipated traffic control needs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 80% Federal funds (Bridge-Tier 3-4 Maintenance & Preservation), with anticipated utilization of Turnpike Toll Credits for the State's 20% match, effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

William J. Cass, P.E.  
Commissioner

WJC/pcj

Department Estimate:	\$1,309,037.21
Contract Amount:	<u>\$1,206,925.00</u>

## SUPPLEMENTAL PROJECT INFORMATION SHEET

**DESCRIPTION:** This project installs Emergency Vehicle (EV) load posting signs at 368 bridges (collectively called Group 2) statewide as mandated by the Fixing America's Surface Transportation (FAST) Act. Group 2 has been defined in the FAST Act as federal definition bridges (> 20 feet in span) located more than 1 mile from an Interstate roadway.

**FEDERAL FUNDING:** 80% (Bridge-Tier 3-4 Maintenance & Preservation) with anticipated utilization of Turnpike Toll Credits for the State's 20% match.

**CONTINGENCY:** The proposed contingency amount is 5% of the contract amount to account for the risks associated with unknown site conditions, and unanticipated traffic control needs.

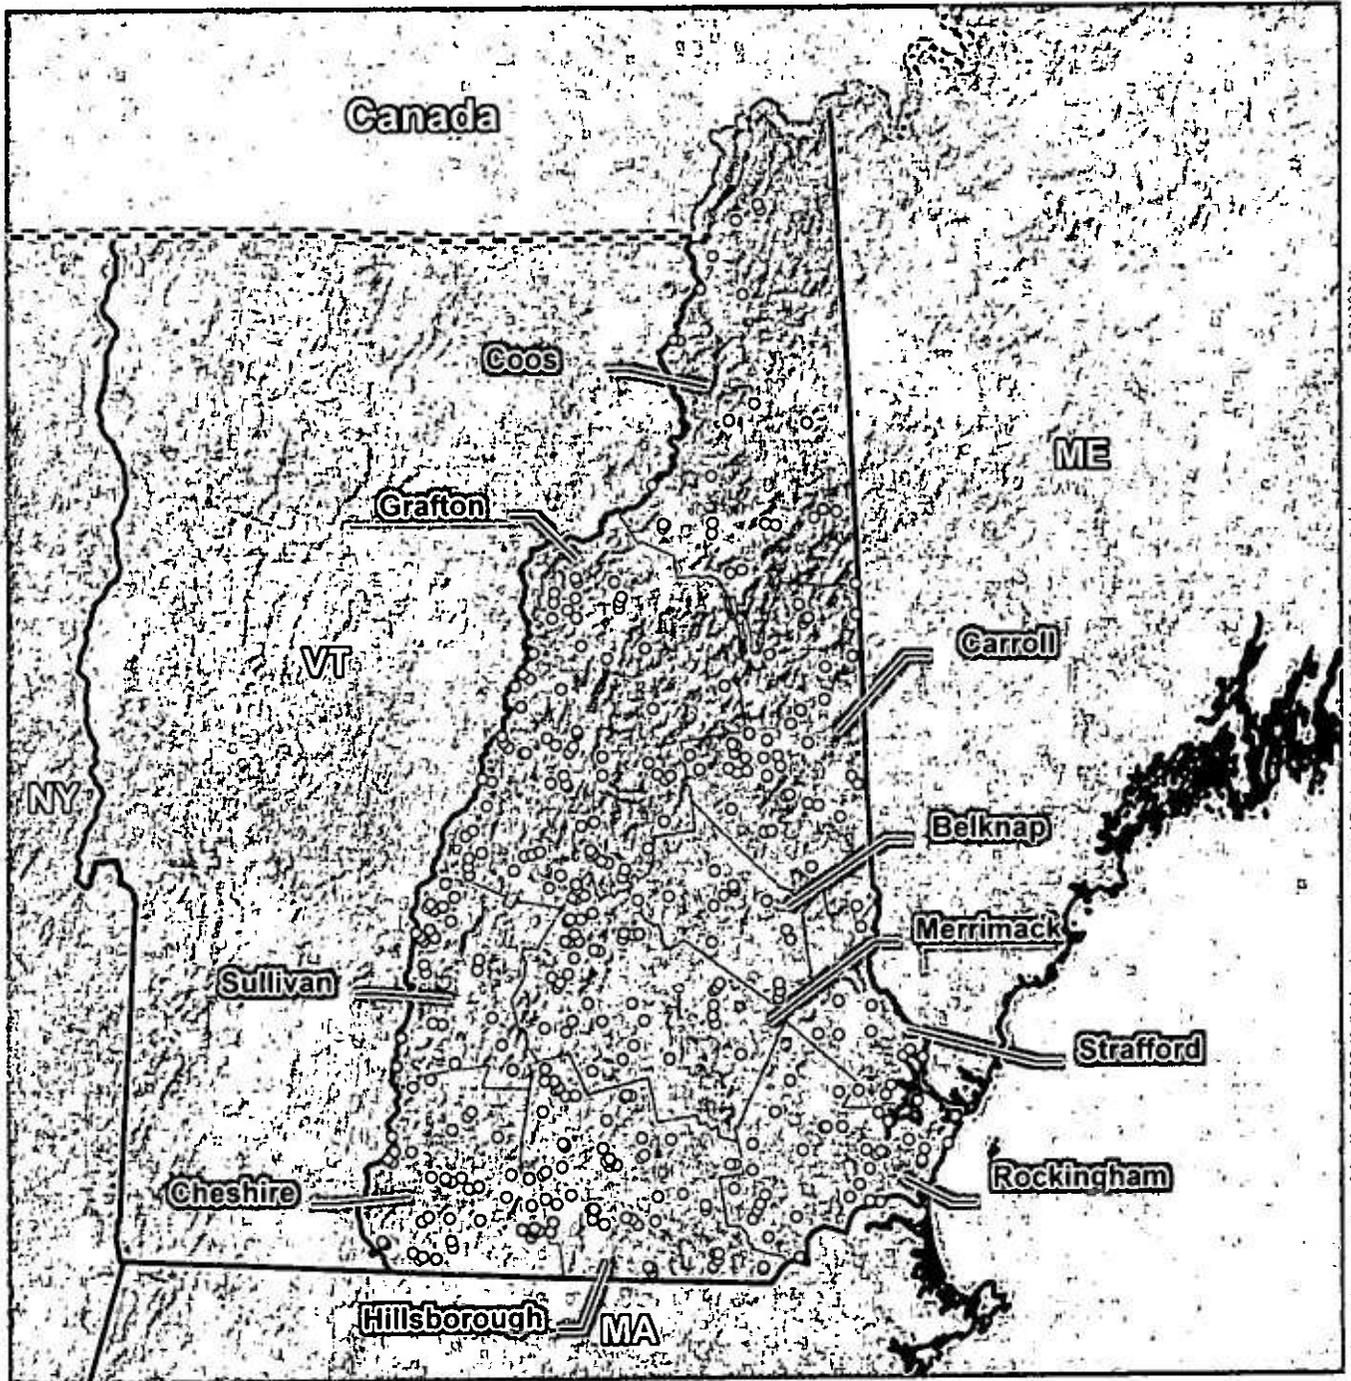

**PROJECT INITIATED:** Mandated by the 2015 Federal Fixing America's Surface Transportation (FAST) Act.

**PROJECT EXPLANATION:** This FAST Act mandate to install these signs is due to the general trend that EVs are getting larger and heavier such that the load effect imparted on bridges may be more than that imparted by the notional vehicle used in the design and load capacity rating of the bridge. Evaluation for these posting signs is separate from, and in addition to, the evaluation for a legal load posting restriction. As such, the presence of these signs at bridges will be independent of the presence of any legal load posting signs and will only be applicable to EVs. These signs will present restrictions to EVs in terms the maximum single axle, tandem axle (pair of closely spaced axles) and gross vehicle weight, in accordance with the FAST Act requirements. Signs will be installed on each roadway approach for each bridge requiring a posting for EVs.

**TRAFFIC IMPLICATION:** This project is expected to have minimal impact on traffic as the signs will be installed on posts within 10' (parallel to traffic) of the bridge and outside roadway limits. Installation is expected to take minimal time, so any traffic control needed will be with flaggers.

**FINAL COMPLETION DATE:** September 12, 2025.

## Department of State

### CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that NORTHEAST TRAFFIC CONTROL SERVICES LLC is a Delaware Limited Liability Company registered to transact business in New Hampshire on January 15, 2004. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: 462137

Certificate Number: 0006811088

IN TESTIMONY WHEREOF,  
I hereto set my hand and cause to be affixed  
the Seal of the State of New Hampshire,  
this 21st day of November A.D. 2024.

A handwritten signature in black ink, appearing to read "David M. Scanlan".

David M. Scanlan  
Secretary of State

**CERTIFICATE OF AUTHORITY**

I, Johanna Brown, hereby certify that I am a Member or  
Manager of Northeast Traffic Control Services, LLC. a limited liability company under  
(Name of LLC)  
RSA 304-C.

VOTED: That Shea T. Spencer - President is duly authorized to enter  
(Name and Title)  
into contracts or agreements on behalf of Northeast Traffic Control Services, LLC. with  
(Name of LLC)  
the State of New Hampshire and any of its agencies or departments; and further, is authorized to  
execute any documents which may, in his judgment, be desirable or necessary to effect the  
purpose of this vote.

I further certify that it is understood that the State of New Hampshire will rely on this  
certificate as evidence that the person listed above currently occupies the position indicated and  
that they have full authority to bind the LLC and that this authorization **shall remain valid for  
thirty (30) days** from the date of this Corporate Resolution.

DATED: 10/31/2024

# CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)  
01/03/2025

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).
