The Puritan Event and Conference Center (Manchester, NH) was chosen from three quotes for the venues to host the event, see Attachment A. The Puritan Event and Conference Center was chosen because it has the lowest cost and has an excellent reputation for hosting large events. The department will enter into a contract with Puritan Confectionery Co., LLC. separately from this request.

The department will enter into a separate contract with a local vendor to record and produce videos featuring each of the Award-winning businesses. The videos will be shown at the event. These 2-minute videos will feature interviews with business leaders, employees, and location footage of the businesses. Videos will focus on the business's story and highlight outstanding practices regarding inclusive employment. The vendor will also attend and record the event and produce an additional video featuring some of the most impactful moments during the event.

Additionally, the department will purchase engraved awards for the recipients.

Finally, the department will enter into a separate contract with Granite Media Group, LLC, continuing a long-standing relationship with advertising the Employment Leadership Awards in Business NH Magazine. The vendor will produce an 8-page insert in the September issue of Business NH Magazine, highlighting the 2025 winners and detailing the updated VR mission, council members and staff, all VR office locations, and contact information.

Respectfully submitted,

Frank Edelblut  
Commissioner of Education
