EXPLANATION

Approval of the enclosed two-year lease agreement will authorize the Bureau of Court Facilities to continue renting the premises for the 1st-Circuit-District Division-Colebrook Court, located at 17 Bridge Street, Colebrook, NH. This two-year lease agreement is a **sole source** contract as courthouse leases are exempt from the competitive RFP requirements per Adm 801.01 (b) (1).

Per RSA 10-B:4 Exceptions II, the Governor and Council, upon recommendation by the Director of Plant and Property Management or other state agency authorized to build, acquire, or lease office space, may suspend the enforcement of all or part of this chapter or any rule adopted under it upon finding that an emergency or hardship exists which makes compliance with the provisions of this chapter unreasonable. The lack of a central HVAC system in the Premises, which is assumed in the protocol of said air test, makes testing for compliance unreasonable. There are no known air quality concerns within the Premises, therefore suspension and waiver of enforcement of NH RSA 10-B is therefore requested from the Governor and Executive Council.

The parties reached an agreement for a 2.0% increase each year. The annual rental cost for the facility in each year of the agreement shall be \$13,608 or approximately \$8.61 per square foot in year one and \$13,884 or approximately \$8.78 per square foot in year two. The average lease cost per square foot for the Bureau of Court Facilities is approximately \$15.70. The rate includes the provision of all utilities, site maintenance and janitorial services.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner

EXHIBIT C

Part I Architecturally Barrier-Free access to the Premises conforming with all applicable codes and regulations which are in effect as of the date of inception of the Term shall be provided unless otherwise agreed by the parties hereto and agreed by the "Architectural Barrier-Free Design Committee". If Barrier-Free access is deficient it shall be provided after the inception of the Term herein by making certain renovations and/or alterations to the Premises which shall include all recommendations set forth by the State of New Hampshire's "Architectural Barrier-Free Design Committee" (AB Committee) in their "Letter of Recommendation" which has been attached hereto and made part of the Agreement herein by reference. *Specify in text and/or illustrate the manner in which all renovations recommended by the AB Committee will be provided at the Premises. Part II Air Testing Requirements – No later than thirty (30) days after the commencement of the Term herein the air quality of the Premises shall be tested in accordance with the requirements of the Agreement herein.

The Landlord shall schedule and pay for the required testing. In the event of testing results demonstrating the Premises do not conform with all or part of the above mentioned requirements, Landlord will be responsible for providing and paying for the alterations and repairs necessary to remedy the non-conformity, the time frame to be allowed for providing remedy, and Landlord shall bear the cost of re-testing and repair required. N/A

The Tenant shall request "waiver" from "Clean Air" testing requirements coterminous with submission for approval of the agreement herein. Application for this waiver is based upon the following statutory provision:

- RSA 10-B:4 Exceptions II. The governor and council, upon recommendation by the director of plant and property management or other state agency authorized to build, acquire, or lease office space, may suspend the enforcement of all or part of this chapter or any rule adopted under it upon finding that an emergency or hardship exists which makes compliance with the provisions of this chapter unreasonable.

The lack of central HVAC system in the Premises, which is assumed in the protocol of said air test, makes testing for compliance unreasonable. There are no known air quality concerns within the Premises, therefore suspension and waiver of enforcement of NH RSA 10-B is therefore requested from the Governor and Executive Council.
