Activity Code: 23EMPG 2023		\$11,000.00

EXPLANATION

The purpose of this grant is for the Seacoast Chief Fire Officers Mutual Aid District to purchase a Long-Range Acoustic Device (LRAD) system to aid in their emergency response. LRAD's are also known as portable hailing systems, which can be used during evacuations, traffic events, crowd control, or when important safety information needs to be disseminated to a large group of people. The grant listed above is funded by the FFY 2023 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, HSEM, from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the State and local level. Grant guidance and applications are available to all Emergency Management Directors and other qualified organizations in the State. Sub-recipients submit applications to this office, which are reviewed by the HSEM EMPG Program Manager, EMPG Program Coordinator, Field Representatives, and approved by the HSEM Director. The criteria for approval is based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local jurisdictions.

EMGP is 50% Federally funded by FEMA with a 50% match requirement supplied by the sub-recipient. The sub-recipient acknowledges their match obligation as part of Exhibits B & C to their grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety

To Whom it May Concern:

After review from Primex, our insurance provider, Seacoast Chief Fire Officers Mutual Aid district is not required to carry workers compensation insurance.

The reasoning behind this determination is that the members of Seacoast Chief Fire Officers Mutual Aid District are not employed by the district. All of the district members are serving under the direction of the community that employs them as a chief level fire officer thus, they are covered by their individual employer.

If there are any questions or concerns, please contact Treasurer Patrick Moynihan at 603-380-5919.

Respectfully,

William J. McQuillen

President
