and the Honorable Council
State House
Concord, NH 03301

Your Excellency and Members of the Council:

REQUESTED ACTION

Authorize the Department of Justice to **retroactively** amend an existing subgrant with the New Hampshire Police Standards and Training Council, Concord, NH (Vendor #324989 B001), approved by Governor and Executive Council on September 25, 2024, Item #171, by extending the end date only from February 28, 2025 to August 30, 2025, with no change to the price limitation of \$75,000, for the purpose of continuing to make the Police Standards and Training Council an accredited training center, effective upon Governor and Executive Council approval through August 30, 2025. 100% Federal Funds.

EXPLANATION

This item is **retroactive** due to a delay in receiving approval from the Federal Grant Manager for a budget modification and a requested extension. Due to the change in administration at the federal level, approval of the Grant Award Modifications was delayed by several months. NH DOJ submitted a formal request for a grant extension on January 10, 2025, and did not receive federal approval until January 30, 2025. NH DOJ then requested a signed amendment from the subrecipient, which was returned after the deadline for the last scheduled Governor and Executive Council meeting.

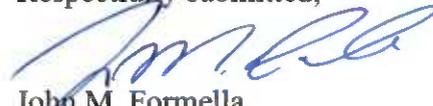

On September 25, 2024, the Governor and Executive Council approved a Community Oriented Policing Services (COPS) Accreditation Program subgrant from the Department of Justice to the New Hampshire Police Standards and Training Council, in an amount not to exceed \$75,000 through February 28, 2025. The Department of Justice requests authorization to extend the end date only of this existing subaward, from February 28, 2025, to August 30, 2025. This will allow the Police Standards and Training Council to continue with their programming objectives.

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council

In the event that federal funds are no longer available, general funds will not be requested to support this program.

Please see appendices in the Award Owner's Manual for a full text of the contract provisions.

The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a COPS Office award recipient, you agree to cooperate with and respond to any requests for information pertaining to your award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three years after the submission of the final expenditure report. 34 U.S.C. § 10385(a) and 2 C.F.R. §§ 200.334 and 200.337.

- NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The NH Police Standards and Training Council (Subrecipient) certifies that any funds awarded through grant number 15JCOPS-21-GK-02542-SPPS shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The NH Police Standards and Training Council (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.
