Her Excellency, Governor Kelly A. Ayotte
 and the Honorable Council
 State House
 Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Bureau of Trails to enter into **Retroactive** Land Use Agreement with Pike Industries Inc. (VC #177300), Belmont, New Hampshire in the amount of \$10,000 for continued Off Highway Recreational Vehicle (OHRV) and snowmobile access across their land for a 5-year period, effective upon Governor and Executive Council approval for the period January 1, 2025 through December 31, 2029. 100% Other Funds.

Funds are available in the following account for Fiscal Year 2025, and are anticipated to be available in Fiscal Years 2026, 2027, 2028 and 2029, upon the continued appropriation of funds in the future operating budget with the authority to adjust encumbrances between fiscal years with the price limitation through the Budget Office, if needed and justified.

EXPLANATION

This agreement is **Retroactive** because negotiations with the landowner took longer than anticipated. The Bureau of Trails (Bureau) has worked with the Pike Industries for several years to secure continued access for OHRV and snowmobile use over and across their land in Gorham, NH. The portion of trail that Pike Industries owns is a key connection for riders to access local businesses in the town of Gorham, NH. During the negotiation period, OHRV and snowmobile access was permitted to the public.

As authorized under 215-A:3, the Bureau of Trails is responsible for negotiation of trail segments to keep local businesses and remote trails systems connected. While difficult to calculate under each circumstance, the aggregate economic impact of these agreements is seen locally. Motorized recreation is a billion-dollar industry in NH; maintaining appropriate relationships with landowners ensures connectivity of the statewide trail system. This request, upon approval, will allow the Bureau of Trails to cover the varying administrative costs incurred by Pike Industries Inc. in their efforts to support the ongoing mission inherent to the Bureau and state.

The Attorney General's Office has reviewed and approved this agreement as to form, substance, and execution.

Respectfully submitted,

Brian J. Wilson

TRAIL USE AGREEMENT

THIS TRAIL USE AGREEMENT ("Agreement") is made effective as of _____, 2025, pursuant to authority contained under New Hampshire RSA 215-A (Supp.), by and between,

Pike Industries Inc, a corporation organized under the laws of the State of Delaware, having a principal place of business in the Town of Belmont, County of Belknap, State of New Hampshire, with a mailing address of 3 Eastgate Park Road, Belmont, NH 03220, its successors and assigns, ("PIKE"), and the

Department of Natural and Cultural Resources of the State of New Hampshire, acting by and through its Commissioner, and the Supervisor of the Trails Bureau, County of Merrimack, State of New Hampshire, both with a mailing address of State of New Hampshire, Department of Natural and Cultural Resources, Division of Parks and Recreation, Trails Bureau, 172 Pembroke Road, Concord, New Hampshire 03301, ("DNCR").

RECITALS

WHEREAS, the State of New Hampshire acting by and through DNCR wishes to have PIKE grant access to the citizens of New Hampshire and other members of the public to a certain system of off highway recreational vehicle ("OHRV") & snowmobile trails described below for recreational purposes;

WHEREAS, PIKE is willing to grant such access provided that such access can be granted with statutorily limited liability to PIKE, and can be granted at no cost to PIKE, and provided that DNCR is willing to establish, maintain and patrol said Trails during such times as this Agreement remains in effect;

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants set forth herein, and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, PIKE and DNCR hereby agree as follows:

1. Description:

PIKE grants permission to the public, in the manner and subject to the conditions and restrictions stated in this Agreement, over and across certain lands of PIKE described in section 2 herein, for the purpose of utilizing a system of designated trails for Off Highway Recreational Vehicles and snowmobiles, including designated bridges/culverts across streams, ("Trail(s)"). For this agreement, the definition of Off Highway Recreational Vehicles includes trail bikes. PIKE grants permission to DNCR, its employees and agents to enter onto certain lands of PIKE, described in Section 2; for the purpose of location, relocation, establishment, construction, reconstruction, installation, erection, improvement, maintenance, repair, use, patrol, discontinuance, retirement, abandonment and restoration of a system of designated trails for Off Highway Recreational Vehicles and snowmobiles, including designated bridges/culverts across streams, ("Trail(s)").

2. Description of Property:

The access, access and ramp, and Trails are over and across certain lands of PIKE located in the town of Gorham in the State of New Hampshire, hereinafter referred to as the "Premises". The locations of the access ramp and Trails are restricted to the PIKE designated Trails as shown on the attached map, "Exhibit A – PIKE Gorham OHRV Map", which Exhibit A is attached hereto and made a part hereof. This Agreement shall be subject to the rights of either party hereto to alter, to close, to relocate, to discontinue and/or to establish new designated Trails as set forth herein.

3. Term:

The term of this Agreement shall commence on the date of approval of Governor and Executive Council and, unless sooner terminated in accordance with this Agreement or applicable law, shall terminate on **December 31, 2029**. This Agreement shall be subject to the rights of either party hereto to terminate this Agreement as set forth herein.

4. Payment:

4.1 DNCR shall pay PIKE during the term an administrative fee of \$10,000.00 to cover PIKE's administrative work with DNCR and property-related coordination work relating to the public use of Trails. The payment of the administrative fee shall be made in five (5) annual installments of \$2000.00 (for each of 2025, 2026, 2027, 2028, and 2029) with the first payment due within 30 days of approval of this Agreement by the Governor and Executive Council and subsequent payments on or before June 30 of each year. The fee to be paid pursuant to this Agreement shall not be construed as or deemed as a payment to allow public access to the Premises but rather solely to compensate PIKE for the costs incurred in connection with allowing such access.

4.2 Notwithstanding anything to the contrary contained herein, it is understood and agreed that all payments of all sums by DNCR hereunder are contingent upon availability and continued appropriation of State funds, and if for any reason whatsoever, such funds shall be terminated or reduced or otherwise become unavailable, DNCR may terminate this Agreement in whole or in part immediately.

5. PIKE'S Obligations and Reserved Rights:

5.1 PIKE permits the public to use the access ramp and to use the PIKE designated system of Trails for public recreational purposes only.

5.2 Subject to the terms of this Agreement, PIKE permits DNCR, at DNCR's own expense, to locate, to relocate, to establish, to construct, to reconstruct, to install, to erect, to improve, to maintain, to repair, to use, to patrol, to discontinue, to retire, to abandon and to restore the PIKE designated system of Trails for public recreational purposes only.

5.3 Exhibit (A) shows the location of Trails on PIKE Properties. The locations, and any changes to locations, of all such Trails shall be subject to PIKE'S approval.

5.4 PIKE permits DNCR to cut and remove trees, brush and other obstacles which impede the Trail's twelve (12) foot right of way (ROW). All hazardous trees and brush leaning in the Trails may be cut and removed. Maintenance of drainage swales, culverts, cross piping associated with the Trail's ROW is also granted.

5.5 PIKE permits DNCR to perform site preparation, including the cutting and removal of standing trees for bridge/culvert installation.

5.6 PIKE permits DNCR to install gates and construct passways through fences and stone walls, to the extent required and subject, in each instance, to PIKE prior written approval.

5.8 PIKE shall execute the forms necessary for DNCR to obtain all governmental approvals, permits, authorizations, and licenses required for DNCR to exercise its rights or carry out its obligations under this Agreement.

5.9 In the event that PIKE plans any timber harvesting or other activity that may impact the safety of the use of the Trails and require temporary closure or relocation of Trail or facility, PIKE shall promptly communicate this to DNCR no later than 48 hours before the timber harvesting or activity is scheduled to begin.

6. DNCR's Obligations:

6.1 DNCR, at its own expense, shall observe and be in compliance with all Federal, State and Municipal laws and regulations, as such laws and regulations may now be or may hereafter become applicable to Trails and access to the Trails.

6.2 DNCR, unless otherwise mutually agreed upon, shall have the full responsibility of giving notification and/or applying for and obtaining any and all Federal, State or Municipal governmental approvals, permits, authorizations, or licenses relating to DNCR's exercise of rights hereunder. DNCR shall not commence or perform any location, relocation, establishment, construction, reconstruction, installation, erection, improvement, maintenance, repair, use, patrol, discontinuance, retirement, abandonment or restoration of Trails or access to the Trails on land of PIKE until after DNCR has given such notifications and/or applied for and obtained any such governmental approvals, permits, authorizations, or licenses required for such action, and copied same to PIKE, if any.

6.3 DNCR's location, relocation, establishment, construction, reconstruction, installation, erection, improvement, maintenance, repair, use, patrol, discontinuance, retirement, abandonment or restoration of Trails and access to the Trails, shall be undertaken only in conformity with (a) any and all Federal, State and Municipal laws and regulations, and consistent with any and all approvals, permits, authorizations or licenses issued pursuant thereto and (b) best management practices for such work (i.e. Best Management Practices for Erosion Control During Trail Maintenance and Construction, published January 2017 by the New Hampshire Bureau of Trails).

6.4 DNCR, at its own expense, shall locate, relocate, establish, construct, reconstruct, install, erect, improve, maintain, repair, use, patrol, discontinue, retire, abandon and restore Trails and access to Trails, in a manner that minimizes soil erosion, sedimentation and stormwater runoff.

6.5 DNCR, at its own expense, may as a portion of a Trail, install a stream crossing with a bridge or culvert. Such stream crossing installation shall be at a location and of design and with materials as approved by PIKE.

6.6 For timber (permitted to be cut by DNCR), DNCR shall pay PIKE the current rate for the highest market use of the tree.

6.7 Exhibit (A) shows the location of Trails on PIKE properties. The locations, and any changes to locations, of all such Trails shall be subject to PIKE'S approval.

6.8 Within forty-eight (48) hours of receipt of written notice from PIKE'S to DNCR, DNCR shall close any Trail (or portion thereof), as requested by PIKE, that in the sole determination of PIKE, the aggregate operations of PIKE or its contractors would make use of any such Trail (or portion thereof) hazardous to the public. The parties agree to work together to relocate the Trail (or portion thereof) so as to minimize the interruption of public use of such Trail (or portion thereof).

6.9 Within forty-eight (48) hours of receipt of written notice from PIKE to DNCR, DNCR shall close any Trail (or portion thereof), as requested by PIKE, that in the sole determination of PIKE, is causing unacceptable erosion, or is causing unacceptable sedimentation into a water body or stream. The parties agree to work together to mitigate any cause of erosion or sedimentation along a Trail (or portion thereof), and/or to relocate the Trail (or portion thereof) so to minimize the interrupt of public use of such Trail (or portion thereof).

6.10 DNCR, at its own expense, shall regulate the use of Trails and access to the Trails, by the public.

6.11 DNCR, at its own expense, shall maintain Trails and access to the Trails, in good, safe, and usable condition.

6.12 DNCR, at its own expense, shall be responsible for the appearance of all Trails and access to the Trails, and for maintaining the Trails in a good, clean and orderly condition and manner, and in such manner as not to be objectionable to PIKE or detract from the aesthetic values of the general area. DNCR shall regularly patrol the Trails and access to the Trails, and to

pick up and to dispose of all trash and debris resulting from the public's use of the Trails and access to the Trails.

6.13 DNCR shall not construct or erect, or permit the construction or erection of, any structure or building on the Premises, and shall not make any improvements on or to the Premises which would alter or injure the natural aesthetic quality of the surrounding area or the Premises' Current Use status.

6.14 DNCR shall not make any strip or waste of any portion of the Premises.

6.15 DNCR, at its own expense, shall be responsible for placing and maintaining necessary trail and facility signs along the Trails so to adequately mark Trails. All such signs shall be affixed to freestanding posts and shall not be nailed or otherwise attached to live trees.

6.16 DNCR, at its own expense, shall erect signs supplied by PIKE that inform the public that private lands are being made available for public use and should be used with respect.

6.17 Any trail maps published or otherwise made available through DNCR for the use of the public shall be consistent with Exhibit A (as may be revised from time to time pursuant to this Agreement) and reviewed and approved by PIKE.

6.18 DNCR shall not apply any chemicals or use any hazardous substances on the Premises without the prior written approval of PIKE and only in compliance with all applicable laws and regulations.

6.19 Upon the expiration of the Term or earlier termination of this Agreement, DNCR, at its own expense, shall discontinue, retire, abandon, restore and /or stabilize each of the Trails and access to the Trails, as mutually agreed to with PIKE. This covenant shall survive the termination of this Agreement.

7. Liability Provisions; Sovereign Immunity:

7.1 It is expressly understood by the parties that (i) the payment provided hereunder is not a payment to allow public access to the Premises, but shall compensate the landowner in part for actual costs associated with allowing such access, and (ii) they intend that PIKE shall retain all protections afforded by the limitations of landowner liability provisions set forth in New Hampshire RSA 212:34 and RSA 508:14.

7.2 Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State. This covenant shall survive the termination of this Agreement.

7.3 Following the expiration or earlier termination of this Agreement, and after the completion of closing out the Trails and access to the Trails, in accordance with this Agreement, DNCR shall have no liability for any claims, damages, demands, judgments, fines, liabilities, losses, and other expenses including attorneys' fees arising out of or relating to this Agreement directly or indirectly arising from death, personal injury, property damage or other claims.

8. Termination:

8.1 Termination for Cause. In the event that DNCR (a) fails to perform any of its obligations hereunder in a timely or satisfactory manner, (b) uses or allows the use of the Premises for any purpose or in any other manner except as herein specified, (c) fails to pay any administrative fee installment when due (whether payment is demanded or not), or (d) fails to perform or comply with any of the obligations, conditions, or restrictions set forth in this Agreement, PIKE, its successors or assigns, may terminate or annul this Agreement so far as all further rights of DNCR or the general public hereunder are concerned, and repossess the Premises and hold the Premises free and clear of all claims of DNCR or the general public under this Agreement. Furthermore, in the event that the use of the Trails and access to the Trails, as contemplated by this Agreement shall result in any increase in PIKE'S real estate property taxes, or the assessment of any penalty for removal of the Trails' areas from Current Use, PIKE may terminate or annul this Agreement so far as all further rights of DNCR or the general public hereunder are concerned, and repossess the Premises and hold the Premises free and clear of all claims of DNCR or the general public under this Agreement. Written notice of any such determination by PIKE pursuant to the prior two sentences shall be served upon DNCR by certified mail, return receipt requested, send to the DNCR address as specified below, specifying the nature of the default or breach. If upon the expiration of fourteen (14) days from the delivery of such notice, the default or breach is not remedied, then PIKE may immediately terminate this Agreement. No failure on the part of PIKE, or its successors or assigns, to enforce a forfeiture by DNCR of this Agreement, or to terminate this Agreement for any default or breach by DNCR of any agreement, condition or restriction herein contained, shall be construed as a waiver of the

right to enforce a subsequent forfeiture or a subsequent default or breach of the same or any other agreement, condition or restriction herein contained.

8.2 Termination without Cause. Either party hereto may terminate this Agreement by giving written notice to the other party hereto at least ninety (90) days prior to the effective date of the termination. Any such notice shall be sent by certified mail, return receipt requested, to the address of the party hereto being notified as specified below.

8.3 It is further understood and agreed, that at the termination of this Agreement, all fixtures and personal property of DNCR shall be removed from the Premises within ninety (90) day from the date of termination. DNCR hereby agrees that any fixtures and personal property of DNCR remaining on the Premises after the expiration of said 90 days shall be and become then the property of PIKE. PIKE, however, reserves the right to require that DNCR shall remove the same within the 90 day period if it so demands.

9. Assignment and Sublease:

9.1 Neither party shall assign, sublet or otherwise transfer any interest in this Agreement, or underlet the Premises or any portions thereof, nor give or surrender the same to any other persons without written consent of both parties. Notwithstanding the foregoing, in the event of a sale of the Premises in its entirety, PIKE may assign this Agreement in its entirety to the buyer of the Premises without DNCR consent.

10. Amendment:

10.1 During the term of this Agreement, or any of its extensions or renewals, DNCR and PIKE may negotiate to alter, by mutual accord, the Premises and Trails and access to Trails, as described above.

10.2 During the term of this Agreement, or any of its extensions or renewals, DNCR and PIKE may negotiate to alter, to close, to relocate, to discontinue and/or to establish new locations of Trails or access to Trails, by mutual accord. Such revised locations shall be located, established, used and discontinued with the written permission of PIKE's designated agent and amendment of Exhibit A. Such amendment of Exhibit A shall be signed by designated agents of both parties.

10.4 Except as expressly provided otherwise herein, this Agreement may be modified, waived or discharged only by a written instrument signed by the parties.

11. Special Provisions:

11.1 The State of New Hampshire shall provide PIKE with a liability insurance coverage, naming PIKE on such policy. Said coverage has a limit of \$1,000,000 per occurrence with a \$1,000,000 aggregate for bodily injury and property damage as a result of a covered loss. In addition, the coverage provides an excess Liability Policy of \$1,000,000 of coverage for each occurrence and \$1,000,000 aggregate. Combined coverage provides a total limit of \$2,000,000 aggregate for each covered loss. A certificate of liability insurance evidencing such coverage shall be delivered to PIKE annually by April 1 of each year.

11.2 All rights granted to the public and DNCR under this Agreement are non-exclusive, and PIKE reserves the right for itself and its employees, guests, servants, agents, tenants, successors, and assigns to cross, to enter upon, to occupy, to possess and to enjoy the Premises at any and all times in any way for any purpose, including but not limited to, the construction, maintenance, use and discontinuance of road, bridges and log yard landings, the taking off and hauling of any trees, forest management activities, or the excavation, removal and hauling of gravel and sand.

11.3 Nothing contained in this Agreement shall be construed as creating, expressly or by implication, an easement in favor of DNCR, any member of the public, or the public in general.

11.4 This Agreement shall not be deemed to create any private right of action, and no private person shall have any rights to enforce the terms hereof.

11.5 If at any time during the term of this Agreement DNCR shall desire to terminate any portion of the Trails or any portion of the seasonal uses, then it shall do so by notifying PIKE by written notice at least thirty (30) days in advance.

11.6 It is also understood and agreed that no Off Highway Recreational Vehicles will be permitted on any Trails or access to the Trails, during the spring mud season. Appropriate Trail closure dates are to be mutually agreed upon by the parties hereto.

11.7 Choice of Law and Forum: This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire except where the federal supremacy clause requires otherwise. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement, including the breach or alleged breach thereof, may not be submitted to binding arbitration, but must, instead, be brought and

maintained in the Merrimack County Superior Court of New Hampshire which shall have exclusive jurisdiction thereof.

12. Notice:

Any notice, demand or communication required or permitted to be given under the terms of this Agreement shall be deemed to have been duly given and made if given by any of the following methods.
