Authorize the Department of Justice (DOJ) to enter into a subgrant with the New Hampshire Department of Safety, Concord NH (Vendor # 311206-B001), in an amount not to exceed \$1,387,755, from the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Statistics, National Criminal History Improvement Program (NCHIP) grant, for the purpose of scanning and uploading paper fingerprint cards and purchasing and supplying local law enforcement agencies with digital fingerprint Livescan equipment, effective upon Governor and Executive Council approval through September 30, 2026. 100% Federal Funds.

EXPLANATION

The Department of Justice (DOJ) requests authorization to subgrant funds to the Department of Safety (DOS) from the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Statistics, National Criminal History Improvement Program (NCHIP). The goal of this federal grant is to improve and enhance criminal history record information for improved security.

In accordance with, and in compliance to, the Interstate Identification Index (III), the DOS, Division of State Police is the State's sole submitting agency of fingerprint images to the

FBI. This NCHIP funding will enable New Hampshire law enforcement agencies additional tools and technology to facilitate the exchange of fingerprint data to the FBI and State Police. The FBI requires electronic fingerprint submissions. The use of the Livescan printers complies with the FBI's directive.

This subgrant will be used to reduce the criminal records ink fingerprint card backlog and to replace and implement digital fingerprint livescan machines. This technology has been in use throughout the state in correctional facilities and with other state and local law enforcement agencies. The purchase of new equipment, the maintenance of existing systems and the replacement of outdated machines is a critical component to the state's effort to increase criminal record availability and ensure complete information is available to all criminal justice agencies. The subgrant will also be used to purchase equipment and supplies needed to expand SPOTS to local law enforcement.

This subgrant will also be used to obtain an independent auditor to assist in the review of the state's Criminal Justice Information Services (CJIS) so that the Department of Safety can identify and address security and technological shortcomings proactively prior to the conclusions of FBI audits.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

John M. Formella
Attorney General

9. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.
10. **Requirements of the award; remedies for non-compliance or for materially false statements**
The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqts.htm), and incorporated by reference into the award.

By accepting this award, the subrecipient authorized official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized subrecipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period, may result in OJP or the NH Department of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, the OJP or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. NHDOJ, DOJ, including OJP, may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

11. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this award from OJP.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain typically for a period of 3 years from the date of submission of the final expenditure report unless a different retention period applies and to which the subrecipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the subrecipient is to contact the NHDOJ Grants Management Unit promptly for clarification.

12. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The subrecipient agrees to comply with the DOJ Grants Financial Guide.

13. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

14. Requirements related to "de minimis" indirect cost rate

A subrecipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

15. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication.

16. Requirements related to System for Award Management and Universal Identifier Requirements

The subrecipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The details of the subrecipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

17. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

- (1) this award requirement for verification of employment eligibility, and
- (2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The NHDOJ's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

If the subrecipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to the NHDOJ Grants Management Unit. For purposes of this disclosure, high risk includes any status under which the NHDOJ provides additional oversight due to the subrecipient's past performance, or other programmatic or financial concerns with the subrecipient. The subrecipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the subrecipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

- The recipient (and any subrecipient at any tier) must comply with all confidentiality requirements of 34 U.S.C. 10231 and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. The subrecipient further agrees, as a condition of award approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. 45. In order to ensure that the National Criminal History Improvement Program (NCHIP) and the NICS Act Record Improvement Program (NARIP) are realizing that objectives in the most productive manner, the recipient agrees to participate in a comprehensive evaluation effort. It is anticipated that the evaluation will take place during the course of the program and will likely involve each participating state. It is expected that the evaluation will have a minimal impact on state program personnel and resources.
46. This NCHIP/NARIP related project is to be funded as a cooperative agreement. The basis for using a cooperative agreement is the substantial involvement of the Bureau of Justice Statistics (BJS) in providing information, guidance, and direction relative to criminal history records improvements within the states. 49. The value or amount of any “non-federal share,” “match,” or cost-sharing contribution incorporated into the OJP OCFO-approved budget for this award is part of the “project cost” for purposes of the Part 200 uniform Requirements and is subject to audit. In general, the rules and restrictions that apply to award funds from federal sources also apply to funds in the OJP-approved budget that are provided as “match” or through “cost sharing.”

50. Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards.

Consistent with Executive Order 14074, "Advancing Effective, Accountable Policing and Criminal Justice Practices To Enhance Public Trust and Public Safety," OJP has prohibited the use of federal funds under this award for purchases or transfers of specified equipment by law enforcement agencies. In addition, OJP requires the recipient, and any subrecipient ("subgrantee") at any tier, to put in place specified controls prior to using federal funds under this award to acquire or transfer any property identified on the "controlled equipment" list. The details of the requirement are posted on the OJP web site at <https://www.ojp.gov/funding/explore/prohibited-and-controlled-equipment> (Award condition: Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards) and are incorporated by reference here.

51. Limit on use of grant funds for grantees' employees' salaries

With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

This limitation on compensation rates allowable under this award may be waived on an individual basis at the discretion of the OJP official indicated in the program announcement under which this award is made.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3) <http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The New Hampshire Department of Safety (Subrecipient) certifies that any funds awarded through grant number **2024NCHIP01** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The New Hampshire Department of Safety (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.
