- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

- **The Board voted to authorize Krystal to enter into a Moose Plate grant agreement for the Northwood Ridge Water District expansion project.**

Proposed Motion: *"To duly authorize the Executive Director to enter into contracts or agreements on behalf of Bear-Paw Regional Greenways with the State of New Hampshire and any of its agencies or departments and further is authorized to execute any documents which may in their judgment be desirable or necessary to effect the purpose of this vote."*

Made by Phil Auger, seconded by Kelly Dwyer, all approved.

- A formal resolution to reinforce the executive directors authority to enter into contracts on behalf of the organization moving forward was discussed. Phil Auger commented that this authorization was already given years ago under a previous Executive Director to streamline organizational processes. Unfortunately, Krystal was unable to find a formal resolution recorded in Bear-Paw's records codifying this past decision.

Proposed Motion: *"To adopt the proposed formal resolution concerning the authority of the Executive Director to enter into contracts, agreements, grants, and funding arrangements with public and private entities that align with Bear-Paw's mission and to execute any necessary documents to effect this purpose."*

Paul Eaton proposed that the second motion, which grants the Executive Director authority to engage in similar agreements moving forward, was deferred to a full board meeting for further discussion and review. No vote was taken, but the item will be added to the next agenda.

Next Board Meeting: March 19, 2025 at 5pm over Zoom

Motion to adjourn made by Paul Eaton, seconded by Susan Romano. The meeting ended at 5:10pm

Respectfully submitted by: Krystal Balanoff, Executive Director.
