REQUESTED ACTION

Authorize the New Hampshire Department of Education, Bureau of Governance to **retroactively** amend a **sole source** contract with Priscilla K. Coleman, PhD, (VC#514343) Deshler, OH by increasing the price limitation by \$9,000 from \$9,000 to \$18,000 with no change to the end date, to provide case review and expert testimony in New Hampshire Department of Education credentialing matters, effective upon Governor and Council approval for the period of April 10, 2025 through June 30, 2025. The original contract was approved by the Commissioner on October 25, 2024. This contract puts the cumulative value of all agency contracts with this vendor in this fiscal year above the applicable threshold delineated in MOP 150; therefore, Governor and Council approval of this contract is required. 100% General Funds

Funding are available in Fiscal Year 2025 as follows:

06-56-56-560510-60030000 Deputy Commissioner

Fiscal Year	Class/Account	Class Title	Current Budget	Increases Amount	Revised Budget

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Executive Council
Page 2 of 2

EXPLANATION

The contract is **sole source** due to Dr. Coleman's distinctive experience and expertise which qualifies her to serve as an expert witness for the Department of Education in an educator misconduct credentialing matter. Specifically, Dr. Coleman is a developmental psychologist who currently serves as the Science Director for the International Institute for Reproductive Loss. Dr. Coleman is also a retired Human Development and Family Studies Professor at Bowling Green State University in Ohio. This amendment is **retroactive** because funds have been exhausted as of April 10, 2025, however Dr. Coleman has been serving in her expert witness capacity during the pendency of this matter and as such, has reviewed all relevant materials in this case, issued an expert report, has been deposed by opposing counsel, and is currently preparing to testify in the administrative hearing.

The funding increase is required for Dr. Coleman to compete the expert witness testimony in a contested, educator misconduct case, which is currently scheduled for an administrative hearing.

Respectfully submitted,

Frank Edelblut
Commissioner of Education
