Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

Your Excellency and Members of the Council:

REQUESTED ACTION

Authorize the New Hampshire Department of Justice (DOJ) to enter into a subgrant with the New Hampshire Police Standards and Training Council, in an amount not to exceed \$300,000, to support the establishment of a human trafficking training and resource program, effective upon Governor and Executive Council approval through June 30, 2027. 100% General Funds.

Funding is available as follows:

02-20-20-201510-46640000	<u>SFY 2025</u>
<u>Human Trafficking</u>	
049-584987, Transfers to Other State Agencies	\$300,000

EXPLANATION

The purpose of the human trafficking training and resource program is to train New Hampshire's law enforcement on best practices to investigate and identify Human Trafficking in New Hampshire in accordance with RSA 633:7, Trafficking in Persons.

Throughout calendar 2024 and the first two months of 2025, the Attorney General's Office, in collaboration with RTI International, conducted a statewide needs assessment on human trafficking in New Hampshire. In the FY 24-25 biennial budget, the Attorney General's Office received an appropriation of \$500,000 to address any needs identified by this assessment.

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
April 30, 2025
Page 2 of 2

One of the major issues identified in this assessment was the need for more training for law enforcement on identifying and investigating human trafficking cases.

The Department of Justice is therefore requesting approval to award funding to the New Hampshire Police Standards and Training Council (PSTC) to support the establishment of a human trafficking training and resource program. PSTC will utilize these grant funds to bring in subject matter experts to help train New Hampshire law enforcement on best practices for identifying and investigating human trafficking cases. In addition, PSTC will utilize funds to send their instructors to national trainings to become trainers in human trafficking investigations and the complexities of victimization. This will allow PSTC staff to train on best practices and provide consistency throughout the state.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

EXHIBIT E

- NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The New Hampshire Police Standards and Training Council (Subrecipient) certifies that any funds awarded through this human trafficking award, shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The New Hampshire Police Standards and Training Council (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.
