REQUESTED ACTION

Authorize New Hampshire Employment Security (NHES) to enter into Grant Agreements with the organizations listed in Exhibit A in order to provide payment for training reimbursement and retention incentives in connection with the Emergency Medical Technician (EMT) Training program pursuant to RSA 282-A:140. The Grant Agreements will be effective upon Governor and Council approval through June 30, 2025. These Grant Agreements, if approved, will be paid with 100% Other funds.

Funds to support this request are available in FY2025 as follows:

02-27-27-270010-80410000	DEPT OF EMPLOYMENT SECURITY	SFY 2025
073-509074	Grants	\$128,569.00

EXPLANATION

NHES is requesting approval to enter into Grant Agreements with the 22 organizations listed in Exhibit A in order to provide payment for training reimbursement and retention incentives in connection with the Emergency Medical Technician (EMT) Training program pursuant to RSA 282-A:140. The total of the funds to be provided to these 22 organizations is \$128,569.00 and includes \$118,569.00 to pay for EMT training as well as \$10,000.00 to provide a \$1,000 retention incentive for each EMT employee that remains in employment for at least six (6) months following having obtained the EMT credential. In total, these requested funds will cover the costs associated with training 62 EMTs as well as retention incentives for 10 employees.

This program was originally approved and extended by the Executive Council using ARPA SFRF funds under Section 602(c)(1)(A) to respond to the public health emergency or its negative economic impacts. The Department spent \$598,402.17 in ARPA funds for this program and has an additional \$32,557.50 obligated for these EMT related supports. The program fully utilized all of the ARPA funding obligated for this program.

NHES is a proud member of America's Workforce Network and NH Works. NHES is an Equal Opportunity Employer and complies with the Americans with Disabilities Act. Auxiliary Aids and Services are available on request of individuals with disabilities

Telephone (603) 224-3311 Fax (603) 228-4145 TDD/TTY Access: Relay 1-800-735-2964 Web site: www.nhes.nh.gov

Due to the popularity of this program exceeding the obligated ARPA funds together with the continued shortage of EMTs in the health care sector and the critical role played by EMTs in not only responding to health emergencies throughout the state but also in providing emergency and non-emergency transport between different levels of care within the health care sector, the department strongly feels it is important to satisfy the demand beyond the ARPA funds by utilizing Administrative Funding under RSA 282-A:140. The Department believes this is a necessary and smart investment benefiting all New Hampshire citizens as well as all New Hampshire employers.

If approved, the Department will have provided \$759,528.67 in funding to support 399 individuals obtain EMT credentials and \$65,000 in retention payments to help incentive these EMTs to remain employed with New Hampshire based emergency medical service employers.

The Department worked closely with and established a strong partnership with the New Hampshire Department of Safety Division of Fire Standards and Training & EMS. It was because of this partnership that the Department was able to communicate and interact as effectively as it was with the emergency responder community.

Respectfully submitted,

George N. Copadis
Commissioner

 - 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

12. **TERMINATION.**

In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Grantee shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.

12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.3. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

None of the Project Work shall be subcontracted or subgranted by the Grantee other than as set forth in Exhibit B without the prior written consent of the State.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
17. **INSURANCE.**
- 17.1 The Grantee shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
19. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

SALUTE TO THE FLAG

I. Public Comment [Time limitation of three (3) minutes] [1:18]

Bruce Theriault, 434 High Street. Spoke on Article 35, raising assets for the elderly, is in favor of the article.

Aphrodite Backhouse, 470 Winnacunnet Road. Spoke about her assessment and taxes going up, and that one should review their assessment as she was overcharged 20% the last few years.

Linda McGrath, 8 6th Street. I am your new state representative; want everyone to vote tomorrow as every vote counts, as I won the primary by one single vote, spoke on how she had thought her "Stand with Israel" sign would hurt her because of the anti-Israel propaganda.

Regina Barnes. 95 Presidential Cir. Thank you Linda, antisemitism is a very serious issue. Spoke on three things: unspent tax dollars; acceptance of Fire Department Invest NH Grant; it has been reported that certain town officials are electioneering from their offices here at the Town Office, it is a misdemeanor to do, is the Board aware? and how will these officials be held accountable?

II. Announcements and Community Calendar [1:07]

Chairwoman Hansen: I want to express our gratitude to Rich Swayer, who stepped in when we needed to appoint someone when we lost our dear friend Jim Waddell.

Sel. Bridle: Get out and Vote.

Sel. Rage: See you at the polls.

Sel. Beriont: Voting is 7:00 a.m. to 8:00 p.m. at Winnacunnet High, please come and vote.

Note: Draft minutes are subject to corrections, additions, and deletions.

Chairwoman Hansen: Has the contempt been filed. TM Sullivan: Not filed but re-opened.

VIII. New Business [12:30]

1. Acceptance of Fire Department Invest NH Grant

TM Sullivan: It is not what was discussed previously by someone at the podium. This is a reimbursement grant for EMT and AEMT training to our staff members that the state reimburses for. It is a grant that the Board accepts, it is under \$10,000, so it does not need a public hearing, just voted on at a meeting.

Sel. Bridle MOTIONED to APPROVE the acceptance of the Fire Department Invest NH Grant, and authorized James Sullivan to sign any document necessary to implement, to apply, accept and expend the grant, SECONDED by Sel. Rage. VOTE: 5-0-0

2. Permission for "Help Wanted" signage at Hardardt's Way Brazonics

TM Sullivan: This is a request from Brazonics, the company, like a lot of folks, are struggling to hire employees, they have asked the Board for permission to put out a help wanted sign at the corner of Hardardt's Way and Landing Road.

General discussion: signs are removed from the rights-of-way and sidewalks; denied a request previously; it would send an inconsistent message; the previous request was for a permanent sign; this request is temporary; requests should be taken case by case; Police will need to be informed as they will remove signs; should support local businesses; Brazonics is at the end of the road, have no real place to put up signage.

Sel. Beriont MOTIONED to APPROVE the "Help Wanted" signage at Hardardt's Way of Brazonics, for a period of two weeks, SECONDED by Sel. Hansen. VOTE: 4-1-0 (Sawyer)

Sel. Rage: How is the town doing in open job positions? TM Sullivan: On the town's website you will see a long list of open positions, Police and DPW.

IX. Closing Comments [4:34]

Chairwoman Hansen: What is the deadline for the political signs to be removed? Sel Sawyer: Within 24 hours after the election.

Sel. Bridle: On the 3rd Wednesday of each month there is a veteran's lunch, open to any veteran, it is at noon at the Hobbs House on High Street and it is at no cost to the veterans.

Sel. Sawyer: Election tomorrow, everyone should go and vote; if you win, act with dignity, if you lose, act with dignity. Treat people with respect. Thank you for the opportunity to serve, it is a great commitment.

X. Adjournment [0:32]

Sel. Beriont MOTIONED to Adjourn the meeting, SECONDED by Sel. Rage. VOTE: 5-0-0

4. **EFFECTIVE DATE: COMPLETION OF PROJECT.**

- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
- 12.3. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.
- 12.4. **CONFLICT OF INTEREST.** No officer, member of employee of the Grantee, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
 17. INSURANCE.

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
 19. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
