Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

1) Authorize the Department of Health and Human Services, Division for Behavioral Health, to enter into **Retroactive** amendments to existing contracts with the Contractors listed in Table 1 below, to make necessary adjustments to the rate calculations and funding allocations for the behavioral health residential treatment services for children, youth and young adults to meet their behavioral health needs, by exercising contract renewal options by increasing the total price limitation by $36,941,994.00 from $60,906,933.01 to $97,848,927.01 and by extending the completion dates from June 30, 2025 to June 30, 2027, effective retroactive to July 1, 2024, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds, dependent upon eligibility of the client.

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to enter into amendments to existing contracts with the Contractors in Table 2 below, to continue to provide behavioral health residential treatment services for children, youth and young adults (through age 21) to meet their behavioral health needs, by exercising contract renewal options by increasing the total price limitation by $168,994,574.00 from $297,935,963.17 to $466,930,537.17 and by extending the completion dates from June 30, 2025 to June 30, 2027, effective July 1, 2025, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds, dependent upon eligibility of the youth.

The individual contracts were approved by Governor and Council as specified in the table below.

Funds are available in the following accounts for State Fiscal Year 2025 and are anticipated to be available in State Fiscal Years 2026 and 2027, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

DCYF's current Statewide Automated Child Welfare Information System (SACWIS), Bridges, a case management and resource management system, is used to process and monitor payments for these agreements, and no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the child, youth, or young adult, the funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services-involved youth. For each episode of treatment, the Department maximizes federal funding sources, using general funds only in circumstances in which no other funding source is available. Possible account numbers to be utilized include the following:

EXPLANATION

The purpose of these requests is to exercise available contract renewal options for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have complex behavioral health needs that require more intensive treatment than what is offered in their home and community. These contracts were originally competitively procured in State Fiscal Year 2021. The Department continues its investments in community-based services to minimize to the extent possible the use of residential services.

Requested Action #1 is **Retroactive** to July 1, 2024 to align with the effective date of necessary adjustments to daily rates and funding allocations. The Department identified the need to adjust the daily rate for the Home for Little Wanderers to align with current operational costs for its Level 3 programs as well as to remove the Level 2 - Intermediate Treatment program, which was never implemented, from the contract. Additionally, the amount of funding allocated to each residential treatment contract is based on projected utilization. The Department monitors actual utilization levels on an ongoing basis and identified the need to reallocate funding between Vermont Permanency Initiative, Inc. and Webster House, effective July 1, 2024, based on Webster House's higher than projected utilization level and Vermont Permanency Initiative's lower than projected utilization level.

Approximately 450-500 youth will be served annually through June 30, 2027. The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. The children, youth, and/or young adults have specialty care needs, including intellectual and developmental disabilities, fire-setting, problematic sexual and highly aggressive physical behaviors, past attempts of suicide and/or significant self-harm. A qualified assessor determines whether children and youth are eligible for the residential levels of care and at what level.

The Contractors will continue to deliver clinical services that are trauma-informed and based on industry standards, as an essential part of the Children's System of Care (RSA 135-F), to reduce reliance on emergency rooms and other hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will continue supporting the Department's efforts to improve long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid acceptance of referrals;
- Reduction of restraints and seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements to up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for two (2) of the five (5) years available.

Should the Governor and Executive Council not authorize these requests, children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings will have limited ability to access these services in New Hampshire and adjacent states, preventing them from being able to return home, and the Department would need to rely more heavily on residential placements outside of New England. The Department will also be unable to reimburse the Contractors listed above in Table 1 at the appropriate rate and based on utilization levels.

State of New Hampshire
Department of Health and Human Services
Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and The Home for Little Wanderers, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (Item #14), as amended on December 20, 2023 (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $30,366,280.01

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit B, Scope of Services, Section 2, Table 2.3.2., Residential Treatment Levels of Care and Number of Contracted Beds, to read:

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
The Home for Little Wanderers:

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of The Home for Little Wanderers (a not-for-profit organization) (the Home), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Home for Little Wanderers as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Home and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Home's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Home's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Home's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 25, 2024, on our consideration of the Home's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Home's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Home's internal control over financial reporting and compliance.

1. Nature of Operations

The Home for Little Wanderers (the Home), is a Massachusetts based not-for-profit organization whose mission is to help children and their families build permanent, positive change. As the oldest child welfare agency in America, the Home has maintained its commitment to children for more than 200 years.

2. Summary of Significant Accounting Policies

This summary of significant accounting policies is presented to assist the reader in understanding the Home's financial statements. The financial statements and notes are representations of the Home's management, who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America (U.S. GAAP) and have been consistently applied in the preparation of the financial statements.

Basis of Presentation

The Home prepares its financial statements on the accrual basis of accounting and, in accordance with authoritative guidance, reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets Without Donor Restrictions

Net assets without donor restrictions are available for use at the discretion of the Board of Directors (the Board) and/or management for general operating purposes.

Net Assets With Donor Restrictions

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed time and/or purpose restrictions. Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction is satisfied, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Performance Indicator

In the accompanying statements of activities, the primary indicator of the Home's results is "change in operating net assets." As such, it includes support and revenue and expenditures related to the ongoing operations of the Home. Transactions such as net investment return, board-approved spending policy and appropriation, bequests, other non-operating revenue and gain on disposal of property and equipment are included as components of the change in non-operating net assets on the statements of activities.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

Cash and Cash Equivalents
The Home considers all cash balances and highly liquid investments with an original maturity of three months or less to be cash equivalents, except those funds which the Board has designated for investment.

Restricted Cash
Restricted cash consists of funds which are restricted by donors for capital assets.

Accounts and Grants Receivable
The Home carries its accounts and grants receivable at net realizable value. The Home provides for expected credit losses through a charge to earnings and a credit to a valuation allowance based on historical experience, current conditions, and reasonable and supportable forecasts.

The Home does not accrue interest on its receivables. A receivable is considered past due if payment has not been received within stated terms. The Home will then exhaust all methods in-house to collect the receivable. Once all practical resources to collect the receivable have been utilized without success, the receivable is deemed uncollectible and charged against the allowance for credit losses. At June 30, 2024 and 2023, the Home had an allowance for credit losses of approximately $3,405,200 and $7,605,100, respectively. During the year ended June 30, 2024, the Home collected certain receivables which had been previously charged against the allowance for credit losses, resulting in a credit loss recovery of approximately $1,589,000. Accounts and grants receivable at June 30, 2022 was $9,914,529, net of an allowance of $5,757,748.

Contributions Receivable
Contributions receivable (unconditional promises to give) that are expected to be collected within one year are recorded at their net realizable value. Contributions receivable that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discount on these amounts is computed using the interest rate for treasury bills with a remaining term equal to future receipts. Amortization of the discount is included in contribution income.

The Home records an allowance for estimated uncollectible contributions in an amount approximating anticipated losses. Individual uncollectible contributions are written off against the allowance when collection of the individual contributions appears doubtful. For each of the years ended June 30, 2024 and 2023, the Home had an allowance for doubtful accounts of approximately $15,000. Contributions receivable at June 30, 2022 was $617,641, net of an allowance for doubtful accounts of $15,000.

Leases
The Home leases facilities and equipment. Leases are recorded on the statement of financial position as right-of-use (ROU) assets and lease liabilities and are classified as operating leases or finance leases.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

The Home has elected the practical expedient for certain lease agreements for facilities that include base rental payments which include both a lease component (the right to use the building) and a non-lease component (payment or reimbursement for services provided, i.e., maintenance). Under the practical expedient, the Home combines the lease component and non-lease component as a single lease component.

The Home has elected to apply the short-term lease exemption to certain leases. Short-term leases are defined as leases with lease terms of 12 months or less or a 12-month lease with an option to extend in which it is reasonably certain the option will not be exercised. If it is probable that the option will be exercised, the non-cancellable lease will not qualify as a short-term lease.

Lease expense for short-term leases is recognized straight-line over the lease term, and any variable lease payments are recorded in the period in which the obligation for those payments is incurred.

Lease liabilities are discounted to the present value of the future payments remaining after the commencement date. The discount rate used on new or amended lease agreements is the risk-free discount rate applicable to the lease term.

Variable lease payments include the Home's payments for its pro-rata share of real estate taxes and building insurance not included in the base rental payment amount, which are recorded as lease expense when the amount becomes measurable. Variable payments on equipment leases include additional rents based on equipment usage which are recorded as lease expense when the amount becomes measurable.

The ROU asset is measured using the lease liability plus any lease payments made before the commencement date, plus any initial direct costs, less any lessor incentive. ROU assets - operating leases are amortized over the assets' lease term.

Investments, Beneficial Interest in Perpetual Trusts, and Fair Value Measurements
The Home reports its investments and beneficial interest in perpetual trusts at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by authoritative guidance, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Home has the ability to access.

Level 2 inputs (other than quoted prices included within level 1) are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The unobservable inputs are developed based on the best information available in the circumstances and may include the Home's own data.

The Home reports investments and beneficial interest in perpetual trusts at fair value on a recurring basis. Such amounts are classified at level 1 and 3 within the fair value hierarchy.

Level 1 investments owned by the Home and listed on a National Securities Exchange are valued at the last recorded sales price as of the financial statement reporting date. In the absence of recorded sales, level 1 investments are valued at the last quoted bid price reported as of the financial statement reporting date.

Level 3 investment values are provided by the trustee who develops their valuations using the third-party monthly investment broker's statements. Due to the inaccessibility of these broker statements as well as the Home's lack of control over the investing activities, the funds held in a trust are measured using unobservable market inputs in accordance with authoritative guidance.

Certain investments are valued at net asset value (NAV), which is used as a practical expedient to estimate fair value.

Realized and unrealized gains and losses are included in net investment return in the statement of activities. Gains and losses on investments are reported as changes in net assets without donor restrictions, unless gains and losses on investments are restricted by a donor's explicit stipulation or by a law that extends a donor's restriction.

Interest and dividends on investments are reported as part of investment return. Dividends are recorded on the ex-dividend date and interest is recorded on the accrual basis of accounting. Purchases and sales of securities are recorded on the trade date.

Assets Held for Sale

An asset or business is classified as held for sale when management commits to a plan to sell and the asset is actively marketed, it is available for immediate sale and the sale is expected to be completed within one year, and it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn. In isolated instances, assets may be held for sale in excess of one year due to events or circumstances beyond the Home's control.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

Property and Equipment
All expenditures for property and equipment in excess of $2,500 are capitalized at cost. Donated assets are recorded at fair value. Depreciation is calculated using the straight-line method over the estimated useful lives of the related assets, ranging from 3 to 40 years.

Debt Issuance Costs
Debt issuance costs are amortized as interest expense over the life of the respective debt on a straight-line basis. In accordance with authoritative guidance, debt issuance costs related to a debt liability are presented in the statement of financial position as a direct reduction from the carrying amount of that liability.

Deferred Revenue
Deferred revenue represents contract revenue which has been collected in advance. These amounts are recognized as revenue in the period in which the revenue is earned. Deferred revenue at June 30, 2022 was $1,187,690.

Support and Revenue Recognition

Grants and Contract Services – The Home recognizes revenue from cost-reimbursement grants when the related expenditures are incurred and from contracts at the point in time the services are performed. From time to time, the Home receives funds before such amounts are earned; those amounts are recorded as deferred revenue on the accompanying statements of financial position.

Fees for Service – The Home recognizes program fees, third-party, and Medicare and Medicaid receipts at a point in time when services to the client have been rendered.

Contributions – The Home recognizes contributions in the fiscal year in which the contribution is made. Contributions are recorded either as without or with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. However, it is the policy of the Home to recognize contributions with donor restrictions that are both received and expended during the same fiscal year as contributions without donor restrictions.

Contributed Nonfinancial Assets – Contributions of donated non-cash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills and are provided by individuals possessing those skills, and that would typically need to be purchased if not provided by donation are recorded at their fair values in the period received.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

Special Events – Special events revenue is comprised of an exchange element based upon the direct benefits donors receive and a contribution element for the difference. The Home recognizes special events revenue equal to the fair value of direct benefits to donors when the special event takes place. The Home recognizes the contribution element of special event revenue immediately, unless there is a right of return if the special event does not take place.

Other Income – Other income is recognized when services have been rendered and/or contractual obligations have been met.

Bequests – Conditional contributions are recognized in the period in which the conditions are met.

Income Taxes

The Home is exempt from income taxes as a public charity under Section 501(c)(3) of the Internal Revenue Code. Management believes that the Home operates in a manner consistent with its tax-exempt status at both the state and federal level.

The Home annually files IRS Form 990 – *Return of Organization Exempt From Income Tax,* reporting various information that the IRS uses to monitor the activities of tax-exempt entities. These tax returns are subject to review by the taxing authorities, generally for a period of three years after they were filed. The Home currently has no tax examinations in progress.

Advertising Costs

Advertising costs are expensed as incurred.

Allocation of Expenses

The Home's costs have been allocated between program, management and general, and fundraising based on direct identification when possible, and allocation if an expenditure benefits more than one program or function. Depreciation and occupancy have been allocated to functional classifications based on square footage of facilities. Interest expense is allocated based on the functional purpose for which debt proceeds were used. Other costs have been allocated based on time and effort.

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Reclassifications
Certain amounts in the 2023 financial statements have been reclassified to conform to the 2024 financial statement presentation.

Subsequent Events
Management has evaluated subsequent events through October 25, 2024, which is the date these financial statements were available to be issued.

3. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

	2024	2023
Financial Assets:		
Cash and cash equivalents	$ 66,003	$ 83,437
Accounts and grants receivable, net	12,671,633	7,677,458
Contributions receivable, net	256,222	410,153
Investments, current	2,880,000	6,600,000
Financial assets, at end of year	15,873,858	14,771,048
Less financial assets unavailable for general expenditure:		
Donor restrictions	535,363	490,502
Financial assets available for general expenditure within one year	$ 15,338,495	$ 14,280,546

The Home has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Home regularly monitors liquidity to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. In addition, the Home manages its liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenditures in meeting its liabilities and other obligations as they come due.

In the event of an unanticipated liquidity need, the Home has a revolving line of credit with a local bank for $10,000,000 (Note 9). In addition, the Board, at its discretion, could expend from its board-designated endowment funds of $20,957,739 and $22,366,208 at June 30, 2024 and 2023, respectively, (Note 12), as necessary and appropriate to meeting unanticipated contingencies.

4. Contributions Receivable

Contributions receivable consist of unconditional promises to give. The unconditional promised contributions at June 30, 2024 and 2023 are due as follows:

	2024	2023
Within one year	$ 271,222	$ 425,153
Less allowance for doubtful accounts	15,000	15,000
Contributions receivable, net	$ 256,222	$ 410,153

5. Right-of-Use Assets and Leases Payable

The Home leases facilities for offices and programmatic services under non-cancellable operating leases. These leases expire at various dates through September 2032. The Home also leases certain office equipment through operating leases that expire at various dates through June 2027.

The related cost of the right-of-use assets and accumulated amortization were as follows:

	2024	2023
Right-of-use assets - operating leases:		
Facilities leases	$ 3,077,132	$ 2,384,325
Equipment leases	43,172	43,172
	3,120,304	2,427,497
Less accumulated amortization	1,332,929	709,220
Right-of-use assets - operating leases	$ 1,787,375	$ 1,718,277

During the year ended June 30, 2024, the Home completed two operating leases for facilities originally valued at $156,199. No gain or loss was recognized on these transactions.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

The components of lease cost for the years ended June 30, 2024 and 2023 were as follows:

	2024	2023
Operating lease cost	$ 833,985	$ 777,314
Short-term lease cost	594,715	430,286
Variable lease cost	542,526	412,243
Total lease cost	$ 1,971,226	$ 1,619,843

Short-term lease cost represents the cost incurred by the Home for renting housing facilities to accommodate programs on behalf of its clients. These lease agreements have a duration of less than twelve months.

Other information related to the leases for the years ended June 30, 2024 and 2023, is as follows:

	2024	2023
Operating cash flows from operating leases	$ 991,368	$ 926,553
ROU assets obtained in exchange for new operating lease liabilities	$ 849,005	$ 137,969
Weighted average remaining lease term	4.81 years	4.63 years
Weighted average discount rate	2.47%	2.86%

Future minimum lease payments under the non-cancellable lease agreements as of June 30, 2024, are as follows:

Year Ending	
June 30, 2025	$ 673,363
June 30, 2026	347,244
June 30, 2027	318,317

In accordance with Subtopic 820-10, certain financial instruments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of financial position and notes to the financial statements.

Certain alternative investments have limited liquidity with lock-up periods ranging from zero to two years, allowing withdrawals quarterly with 65 to 105 days prior notice required, as defined in the agreements. Certain alternative investments have a holdback of 10% of total redemptions on final payment which is to be held in escrow until the completion of the fund's audit.

Unfunded commitments related to alternative investments were approximately $3,232,600 and $3,838,900 at June 30, 2024 and 2023, respectively.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

At June 30, 2024 and 2023, investments equal to the upcoming year's Board-approved spending policy, totaling $2,880,000 and $6,600,000, respectively, are classified as current in the accompanying statements of financial position. These amounts are reflected as current assets because they represent the draw from investments to fund the Home's operations in the subsequent fiscal year. Since the remaining amount of investments is intended for long-term investment purposes, these investments are classified as long-term assets.

The Home values its beneficial interest in perpetual trusts at fair value based on the information provided by the financial institution.

A reconciliation of investments measured at fair value using significant unobservable inputs (level 3) is as follows:

Description	Level 3
Balance at June 30, 2022	$ 13,389,354
Net change for the year ended June 30, 2023	955,119
Balance at June 30, 2023	$ 14,344,473
Net change for the year ended June 30, 2024	1,201,778
Balance at June 30, 2024	$ 15,546,251

Beneficial Interest in Perpetual Trusts
The Home holds beneficial interests in perpetual trusts. Under the terms of the trust agreement, the Home has the irrevocable right to receive the income earned by the trusts. In accordance with the donors' wishes, the accumulated investment income, net of fees from these investments, is available for current operations. During the years ended June 30, 2024 and 2023, the Home received distributions of trust income in the amount of $521,154 and $538,652, respectively.

6. Assets Held for Sale

During the year ended June 30, 2024, the Home committed to sell a certain facility location. As of June 30, 2024, these assets were classified on the accompanying statements of financial position as assets held for sale with a cost basis of $1,007,356, accumulated depreciation of $474,813 and net book value of $532,543.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

7. Property and Equipment

Property and equipment consisted of the following:

	2024	2023
Land and improvements	$ 2,534,858	$ 2,534,858
Building and improvements	48,544,120	48,160,622

Total property and equipment	64,107,854	63,921,870
Less accumulated depreciation	30,032,801	28,358,054
Property and equipment, net	$ 34,075,053	$ 35,563,816

At June 30, 2024, construction in progress related to miscellaneous projects which are expected to be placed into service during the year ending June 30, 2025.

At June 30, 2023, construction in progress consisted of approximately $495,700 for the Home's Unity House Building and $106,600 for various equipment and other miscellaneous projects. During the year ended June 30, 2024, new program assets were placed into service. Depreciation on these costs commenced when placed into service.

During the year ended June 30, 2023, the Home disposed of various property and equipment that was included in construction in progress as of June 30, 2022, resulting in a loss on disposal of $1,164,444. In addition, the Home sold five parcels of land for a net price of $1,421,039, resulting in a total net gain on disposal/sale of property and equipment of $256,595.

8. Line of Credit

The Home has a line of credit with a financial institution with a maximum borrowing limit of $10,000,000 and a maturity date of July 1, 2025, which was extended from August 31, 2024. The line of credit is secured by the investments of the Home. The line is payable on demand with interest payable monthly at the LIBOR Advantage Rate plus 1.95%; effective April 1, 2023, the interest rate was amended to the daily Bloomberg Short Term Bank Yield (BSBY). Effective June 17, 2024, the interest rate was amended to the daily Secure Overnight Financing Rate (SOFR) (5.33% and 5.09% at June 30, 2024 and 2023, respectively) plus 2.25%.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

The line of credit agreement requires the Home to maintain certain financial and administrative covenants. The Home did not meet certain financial and non-financial covenants during the year ended June 30, 2023, and subsequent reporting periods through December 31, 2023. On March 28, 2024, the Home obtained waivers for all debt covenants and reporting defaults and amended covenant requirements as defined in the related debt agreement. At June 30, 2024, the Home was in compliance with all debt covenant requirements.

9. Long-Term Debt

Long-term debt consisted of the following at June 30, 2024 and 2023:

	2024	2023
Massachusetts Development Finance Agency (Mass Bond) privately placed fixed rate bonds, with interest at a fixed rate of 3.45% and a maturity date of March 1, 2037. On March 28, 2024, the bond agreement was amended. The interest rate is now 79% times the sum of Daily Secured Overnight Financing Rate (SOFR) (5.33% and 5.09% at June 30, 2024 and 2023, respectively) plus 3.50% and the maturity date is July 25, 2025. (1) The Home did not meet certain financial and non-financial covenants during the year ended June 30, 2023 and subsequent reporting periods through December 31, 2023. However, effective March 28, 2024, the Home amended its banking agreements, including obtaining waivers for all prior period debt covenant and reporting defaults through March 28, 2024, and amending new covenants requirements as defined in the agreement. In connection with the amendment on March 28, 2024, the Home paid $1,000,0000 in principal and agreed to subsequent monthly principal repayments of $50,000 beginning May 1, 2024 through July 1, 2025. In connection with this refinancing, the Home incurred $115,188 of debt issuance costs which will be amortized over the term of the related debt.

11. Endowment

Board-designated Funds Functioning as an Endowment
The Board designated certain net assets without donor restrictions as funds functioning as endowment to support the mission of the Home. Since the funds resulted from an internal designation and are not donor-restricted, they are classified and reported as net assets without donor restrictions. However, they are managed in the same manner as the donor-restricted endowment funds described below.

Donor-restricted Endowments
The Home's donor-restricted endowment consists of individual funds established at the request of the donors for specific purposes.

Interpretation of Relevant Law
The Massachusetts Uniform Prudent Management of Institutional Funds Act (UPMIFA), requires the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result, the Home classifies as net assets with donor restrictions in perpetuity (a) the original value of gifts donated to the endowment held in perpetuity, (b) the original value of subsequent gifts to the endowment held in perpetuity, and (c) accumulations to the endowment held in perpetuity made in accordance with the direction of the original gift instrument. The remaining portion of the donor-restricted endowment fund that is not classified as net assets with donor restrictions subject to donor restriction in perpetuity is classified as net assets with donor restrictions subject to spending policy and appropriations until those amounts are appropriated for expenditure by the Home in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Home considers the long and short-term needs of the Home in carrying out its mission, the Home's present and anticipated financial requirements, expected total returns on the Home's investments, and general economic conditions in making a determination to appropriate or accumulate donor-restricted endowment funds.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Home to retain as a fund of perpetual duration (underwater endowments). The Home has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. At June 30, 2024, two funds with original gift values of $1,163,973, fair values of $1,076,750, and deficiencies of $87,223 were reported in net assets with donor restrictions. At June 30, 2023, two funds with original gift values of $1,160,686, fair values of $1,071,673, and deficiencies of $89,013 were reported in net assets with donor restrictions. During the years ended June 30, 2024 and 2023, the Home appropriated $116,841 and $102,625 for expenditure from these underwater endowments, respectively. Management expects these amounts to be fully recovered during fiscal year 2025 due to favorable market fluctuations.

Return Objective and Risk Parameters

The Home has adopted an investment policy for endowment assets that strives to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Home must hold in perpetuity as well as its board-designated funds. Given the relationship between risk and return, a fundamental step in determining the investment policy for endowment funds is the determination of an appropriate risk tolerance.

After taking into consideration such factors as corporate financial stability, uncertainty of cash flows in and out of the endowment funds over the long term and capital market volatility, the Board believes a moderate risk strategy is prudent. Under this policy, as approved by the Board, the goal is to have stable returns over the long term, with a reduced potential of negative returns in any given year.

If the endowment assets earn investment returns beyond the spending policy, that excess amount is available for appropriation and is classified as net assets with donor restrictions subject to spending policy and appropriation until appropriated by the Board for expenditure. However, in years of negative overall investment performance, compliance with the law and U.S. GAAP prohibits the reduction of net asset balances with donor restrictions subject to restriction in perpetuity. In such years, net assets without donor restrictions and/or net assets with donor restrictions subject to spending policy and appropriation may be reduced to maintain the balance of net assets with donor restrictions subject to donor restriction in perpetuity as well as increasing the balance to maintain the fund's purchasing power.

At no time may an appropriation be made where the market value of the true endowment funds after the appropriation would be below historic dollar value.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

Spending Policy and How the Investment Objectives Relate to the Spending Policy
The Home has a policy of appropriating for distribution each year up to 4.5% of its endowment fund's average fair value of the prior 13 quarters. Spending approved for the years ending June 30, 2025 and 2024 was $2,880,000 and $3,100,000, respectively. In establishing this policy, the Home considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, many of which must be maintained in perpetuity because of donor-restrictions, and the possible effects of inflation.

The Home expects the current spending policy to allow its endowment funds to grow and is consistent with the Home's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through investment return.

12. Massachusetts Surplus Retention Policy (Unaudited)

The retained amounts (surpluses below 20%) calculated under the Commonwealth of Massachusetts Operational Services Division (the OSD) provision 808 CMR 1.00: *Compliance, Reporting and Auditing for Human and Social Services* related to 808 CMR 1.19(3) Surplus Revenue Retention Policy are to be segregated in the net asset section of the statement of financial position by designating these as Massachusetts surplus revenue retention funds. Funds from the surplus revenue retention may be expended for activities and programs which are in accordance with the charitable purposes of the provider organization. Any excess surplus should be used to reduce future contracts or be recouped as determined by the OSD. The Home has no surplus retention funds at year-end.

13. Commitments and Contingencies

Medicaid Contingencies
Laws and regulations governing the Medicaid program are complex and subject to interpretation. Compliance with laws and regulations can be subject to future government review and interpretation as well as significant regulatory action. Failure to comply with such laws and regulations can result in fines, penalties and exclusion from the Medicaid program.

Legal Matters
Various legal proceedings and claims are pending against the Home. Based on the information currently available, it is the opinion of management that the ultimate resolution of pending and threatened legal proceedings will not have a material adverse effect on the Home's financial position or the results of future operations.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

Retirement Plans

The Home has a qualified 403(b) tax deferred retirement plan which covers substantially all of its employees. Based on a formula determined by the Home, employee contributions are matched on a discretionary basis by the Home subject to legal limits. Expenses under this plan were approximately $1,147,900 and $992,300 for the years ended June 30, 2024 and 2023, respectively.

The Home also has a non-qualified deferred compensation plan under Sections 457(b) and 457(f) of the Internal Revenue Code for a key employee. Contributions to these plans totaled $30,250 and $21,750 for the years ended June 30, 2024 and 2023, respectively. The fair value of the investments and liabilities under these plans was $195,589 and $143,503 at June 30, 2024 and 2023, respectively, and is included within investments and accrued expenses on the accompanying statements of financial position.

15. Concentrations of Risk

Financial instruments that potentially subject the Home to concentrations of credit risk consist principally of cash and cash equivalents and receivables.

The Home maintains its cash and cash equivalents in three financial institutions. The balance at each institution is insured by the Federal Deposit Insurance Corporation up to $250,000. From time to time, the Home's cash balances may exceed this limit. Cash balances in excess of $250,000 are generally uninsured.

At June 30, 2024, approximately $150,000, or 48%, of the Home's outstanding contributions receivable was due from one donor. At June 30, 2023, approximately $110,000, or 26%, of the Home's outstanding contributions receivable was due from two donors. Management has performed an analysis of these receivables at year end and does not believe that there is a significant credit risk related to contributions receivable.

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities could occur in the near term and that such changes could materially affect investment balances and activity included in the financial statements.

THE HOME FOR LITTLE WANDERERS
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
Year Ended June 30, 2024

1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal grant activity of The Home for Little Wanderers (the Home) under programs of the federal government for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Home, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Home.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Pass-through entity identifying numbers are presented where available.

3. Indirect Cost Rate

The Home does not have a federally approved negotiated indirect cost rate agreement and, therefore, is subject to the 10-percent de minimis indirect cost rate under the Uniform Guidance.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
The Home for Little Wanderers:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Home for Little Wanderers (a not-for-profit organization) (the Home), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 25, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Home's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Home's internal control. Accordingly, we do not express an opinion on the effectiveness of the Home's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Home's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS* (Continued)

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Home's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Home's Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on the Home's response to the finding identified in our audit and described in the accompanying schedule of findings and questioned costs. The Home's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Home's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Home's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of
The Home for Little Wanderers:

Report on Compliance for Major Federal Programs

Opinion on Each Major Federal Program

We have audited The Home for Little Wanderers' (a not-for-profit organization) (the Home) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on the Home's major federal programs for the year ended June 30, 2024. The Home's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Home complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Home and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Home's compliance with the compliance requirements referred to above.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Home's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Home's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error as fraud may involve collusion, forgery, intention, omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Home's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Home's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Home's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Home's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

THE HOME FOR LITTLE WANDERERS
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
Year Ended June 30, 2024

SECTION I - PRIOR YEAR FINANCIAL STATEMENT FINDINGS

23-01 Reporting of Endowment Funds

Condition: During the audit, it was noted that the Home's endowment funds were not reported properly, resulting in a prior period adjustment to increase net assets without donor restrictions and reduce net assets with donor restrictions.

Cause: Management of the Home reviewed its endowment net assets classification and discovered a misclassification between board-designated and donor-restricted endowments. The supporting reconciliating schedule that tracked the Home's endowment activity was incorrectly allocating investment activity and spending to donor-restricted endowments for certain lines when it should have been allocated to board-designated endowments.

Effect: The prior period adjustment resulted in a reclassification of $5,798,096 of donor-restricted endowments to board-designated endowments as of July 1, 2022. This change resulted in a $5,798,096 increase in net assets without donor restrictions as of July 1, 2022, and a decrease in net assets with donor restrictions as of July 1, 2022, in the same amount. These reclassifications had no effect on the Home's total net assets.

Recommendation: We recommend the Home conduct a thorough review of all individual endowment funds for proper classification in accordance with the related endowment agreements.

Status of Prior Year Finding: Management has agreed with the recommendation and is in the process of reviewing individual endowment funds and related agreements.

22-01 Financial Statement Close

Criteria: The Home must have sufficient resources, processes, and systems to close the books on a timely basis. This includes analyzing and reconciling accounts, adjusting the books and records, preparation of financial statements and disclosures and timely filing of various regulatory reports, among other matters.

Condition: The Home's billing practices were deficient, including timeliness of billings, the misapplication of cash receipts and the controls relating to billed and unbilled accounts. Numerous accounts were not reconciled and analyzed in a timely manner at year-end. The quantity of year-end adjustments had a material effects on financial results. Additionally, the turnover in personnel and open positions disrupted the normal cadence of policies, practices and procedures. This resulted in the Home's inability to finalize books and records timely which hindered the facilitation of various regulatory reporting requirements.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

Recommendation: Management should assess its current resources and practices, with the goal of having more timely and accurate financial information, reconciliations and reporting protocols.

Status of Prior Year Finding: Management engaged a third party to review, recommend and implement improvements to the current billing and contract management processes. This will include improved documented processes and procedures along with the needed training to be effectively implemented and continued. These improvements will result in a more timely close process and required filing submissions. These improvements were seen in the fiscal year ended June 30, 2024 and this matter is now considered closed.

Work Experience

Assistant Vice President of Congregate Care

The Home for Little Wanderers - Boston, MA
May 2021 to Present

In my current role as Assistant Vice President of Congregate Care, I support and lead the agency's portfolio of congregate care programs, therapeutic schools and a summer camp in Massachusetts and New Hampshire. I directly supervise Program Directors and other high-level departmental staff in a division whose revenue was roughly $17M when I arrived in FY 20 and now exceeds $45M. I worked with program leadership to strengthen vocational programming by including social enterprise work to build entrepreneurial skills for youth. I have significantly supported the growth of the division's sole outpatient program, Out at Home, from a 3-client, .25FTE program to a robust 10 FTE program with a Clinical Director, securing $125,000 in annual HEALs grant funding, $425,000 annual SAMHSA funding and partnerships with Boston University, Martha's Vinyard Community Health Center, Northeastern University's Employee Assistance Program and others. This program won the Provider's Council Innovation Award in 2023. I have directly recruited over 30% of new division leaders since taking this role. I supported the spend-down of over $4M in federal funding between ARPA and EAASES programs and have presided over a significant reduction in staff turnover year-over-year since 2020. I have supported the redesign of the division's compensation structure to ensure employees have room to grow and that the agency remains at the top of the field.

Senior Director of Congregate Care

The Home for Little Wanderers - Boston, MA
March 2020 to May 2021

In my role as Senior Milieu Director with The Home, I oversaw all milieu-based services within the Congregate Care division, supporting a team of Directors of Milieu Services and Milieu Directors in providing competent care to youth in alignment with best practices of the field, the principles of trauma-informed care and the agency's values. I partnered with other agency leadership to reprocure the agency's contracts with the Department of Mental Health and the Department of Children and Families and developed and supported the implementation of new policies and practices that aligned with those new contracts.

Director of Residential Services

Italian Home for Children - Jamaica Plain, MA
October 2018 to March 2020

In my role as Director of Residential Services with the Italian Home for Children, I managed our group home and CBAT programs, supervising all department management and overseeing all programming and operations. In a year and a half, I took a residential department who voluntarily lowered census due to poor program quality to one that has expanded census. I built the infrastructure to fully implement the MAP program for medication administration. I dismantled and reassembled staff schedules to support a team concept and enhance professional development, implemented a highly successful new meeting structure and reduced total staffing hours, eliminating wasteful staffing. I rebuilt a departmental leadership structure that aligned with best practices in the industry and filled 80% of new department leadership positions within two months. I built a Leadership Academy for direct-care staff who aspired to leadership positions in order to support retention efforts and to allow staff to walk into leadership roles having hands-on leadership training. I wrote a behavior support curriculum that aligns with agency values and evidence-based practices within the field.

Assistant Director of Residential Services

Brandon Residential Treatment Center – Natick, MA
November 2013 to June 2018

As the Assistant Director of Residential Services, I oversaw residential operations of seven residential programs with varying service deliveries. I provided direct supervision to twenty management-level employees and oversee c. 150 full-time and relief employees. I was a member of our Roster Review team and played an instrumental role in the implementation of our new overarching treatment model, CARE. I wrote various agency policies, most notably, our direct supervision protocols and our Brandorn's new work study policy which will be in compliance with federal work study requirements and save the agency just over $20,000/year. I participated in recruiting, interviewing and hiring human capital; since becoming a part of the Brandon team, full-time staffing was just over 75%, up from 51%. As a Risk Management Officer, I sat on Risk Management, Restraint Reduction and Human Rights committees.

Summer Camp/After School Director

St. Stephen's Youth Programs – Mattapan, MA
April 2012 to October 2013

With B-SAFE, I was responsible for providing leadership and support to all 30 staff on site, including Lead Teachers, Specialists, Teen Staff and a Site Assistant. I Worked with specialists to ensure curriculum matched up with program values and themes and that curriculum was both skill-building and project- based, I partnered with more than one hundred volunteers to create a mutually beneficial experience. I communicated with parents and guardians on a daily basis. I also provided training for all Site Directors, Teen Staff Coordinators and Academic Administrators around cross-cultural communication and created a grade-specific fitness curriculum for all eight B-Safe site and trained all fitness specialists in the most effective ways of facilitating that curriculum

Program Director

Area IV Youth Center – Cambridge, MA
October 2012 to February 2013

At Area IV Youth Center, I worked with available resources to provide quality programming for young people in two afterschool programs (60 total youth) with the City of Cambridge. I developed curriculum for staff-implemented 8-week workshops as well as built partnerships with outside resources, including the Harvard School of Engineering and Applied Sciences, to enhance opportunities for our youth. Starting from scratch, I built a structure for two programs including daily skeleton schedules, staff expectations and development around building and implementing curriculum that is age appropriate, perspective broadening and skill building including both multi-week workshops and one-time activities and I planned and executed a Saturday MLK Symposium, Barbecue and 3on3 Basketball Tournament with nearly 100 youth participants

Director of Corporate Rowing Program/Rowing Coach

Three Rivers Rowing Association – Pittsburgh, PA
January 2009 to August 2012

As the Corporate Rowing Program Coordinator with Three Rivers Rowing Association, my primary function was creating a positive experience for thirty corporate teams who row Monday-Thursday, managed a budget of over $75,000/year, collected payment, waivers and swim test forms for each of 300+ participants, created and maintained an excel database with pertinent information for every participant, shopped and maintained food and drink inventory throughout each week, worked with coaches to create weekly training plans for Beginner, Intermediate and Advanced teams, ensured payment to independent contractors such as coaches and coxswains

Program Coordinator

PLAYWORKS! Education Energized – Dorchester, MA
September 2011 to June 2012

With Playworks, I created and implemented a curriculum for social-emotional learning based on games and activities also meant to enrich students' life-skills base, facilitated three classes at the Oliver Wendell Holmes Elementary School and two as a part of the Achieve! After-School Program each day, and recruited/coached at-risk girls basketball and volleyball team

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

At Auberle, I performed a number of administrative duties, including quarterly performance appraisals for all seventeen staff under my supervision, created short-term and long-term goals for each employee, constructed weekly schedules, interviewed and hired employees, ensured employees remained in compliance with Auberle training mandates and held biweekly staff meetings, provided leadership on the floor and made certain that all students made it to school on time and ready to learn

Post-Grad Program Director

Project Morry - Glen Spey, NY June
2005 to August 2009

During the summer, as Post-Grad Program Director/Associate Community Coordinator, I planned and coordinated special events, daily evening activities, and general program. I created the master schedule for the Post-Grad Program, managed and supported a program staff of more than twenty individuals and worked with program staff to create a progressive skill-building curriculum in each program area. I also managed cabin faculty and aided in the creation of strong child support systems.

EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: AF46B682-0481-4FD4-B18D-CC30624852B0

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and The Home for Little Wanderers, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (item #14), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 21,164,978.01

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

5. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

6. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

      1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar

days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

    1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

    1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

        1.13.14.1. There are no openings at the time of referral;

        1.13.14.2. The age of the referred child is greatly different than the current milieu;

        1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

        1:13.14.4. There are specialty Care needs revealed during their course of treatment;

        1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

        1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

    1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

    1.19.5.5. Previous assessments which have been completed including, but not limited to:

        1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

            1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

            1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

    1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

    1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

    1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

        1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Section 2, Table 2.3.2., Residential Treatment Levels of Care and Number of Contracted Beds, to read:

2.3.2 Residential Treatment Levels of Care and Number of Contracted Beds				
Level of Care	**Vendors Name of the Program**	**Location: City/Town and State**	**Maximum Number of Contracted Beds**	**Shared Beds**

19. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data

The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.
Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.

Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

20. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

21. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge, Key performance metrics to read:

Transition & discharge	• Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge • % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

22. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These

Individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached. This requested action includes nine (9) contracts and the Department plans to submit seven (7) additional contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;

- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3 No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

   1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

   3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

   1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

   12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults, herein referred to as individuals with behavioral health needs, experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. **Staff Training and Development**

1.11.3.1. The Contractor shall develop and implement staff training to on-board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor shall choose to discharge when a child is in an acute psychiatric hospital for more than 7 days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of the

individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate, reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. The Contractor may discharge after seven (7) calendar days after the DHHS approved length of time has ended.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

1.13.14. The Contractor may deny admission to a program if any of the following circumstances are applicable:

DocuSign Envelope ID: F8B4B734-6CF4-4198-A113-9151A99BFF09

1.13.14.1. There are no openings at the time of referral;
1.13.14.2. The age of the referred child is greatly different than the current milieu;
1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;
1.13.14.4. There are specialty Care needs revealed during their course of treatment;
1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match;
1.13.14.6. The individual's needs fall well outside the program model;

1.13.15. The Contractor may request a discharge for individuals from a residential treatment program if any of the following circumstances are applicable:
1.13.15.1. New information has indicated that the child requires specialty care that the current program does not offer;
1.13.15.2. The Child has increased aggression that has resulted in excessive property damage or physical harm to staff and self and is not improving over time, indicating a higher level of care is needed; and
1.13.15.3. The child's level of mental health symptoms have exceeded the level of care being provided at the program and an appropriate transition plan has been determined.

1.13.16. Contractor shall deliver treatment and provide services to accepted referrals until the child's level of need is reduced and/or their prioritized treatment goals have been met.

1.13.17. The Department will monitor denials, admissions, and discharges as part of continuous quality assurance and program outcomes and reserves the right to review and approve or deny denials.

1.14. Restraint and Seclusion Practices

1.14.1. The Contractor shall comply with RSA 126-U.

1.14.2. The Contractor shall utilize a de-escalation and restraint training which supports the limited use of restraint or seclusion in RSA 126-U and aligns with the Six Core Strategies ©.

1.14.3. The Contractor shall develop and implement policies and methods to reduce and eliminate use of restraint and seclusion practices by incorporating the Six Core Strategies for Reducing Seclusion and

Restraint Use ©, for Department review, including but not limited to the following:

1.14.3.1. Therapeutic Crisis Intervention (TCI),
1.14.3.2. Crisis Prevention Institute (CPI),
1.14.3.3. Professional Crisis Management (PCM),
1.14.3.4. Mandt,
1.14.3.5. Handle with Care, or
1.14.3.6. Another model approved by the Department

1.14.4. The Contractor shall work with the Department and other partners towards a zero restraint practice.

1.14.5. The Contractor shall develop restraint and seclusion policies, and develop a method of review that will support the reduction and elimination of restraint and seclusion.

1.15. Children's System of Care Values

1.15.1. The Contractor shall provide services that align with the following System of Care values:

1.15.1.1. Youth Voice and Engagement

1.15.1.1.1. The Contractor shall ensure residential treatment services and treatment are youth driven as required by RSA 135-F by:

1.15.1.1.1.1. Having the individual determine the types and mix of services and supports needed using their strengths and needs.

1.15.1.1.1.2. Having the individual make decisions about treatment priorities and goals to be included in the treatment plans.

3. For the purposes of this Agreement:

3.1. The Department has identified the Contractor as a subrecipient, in accordance with 2 CFR 200.331.

4. For the purpose of this agreement, the start-up funds in the amount of $1,007,999.01 shall be provided to the Contractor, for the expenses incurred to launch/expand services based on the start-up budgets specified in Ex C-1 to C-3 Start Up Costs; the total of all such payments shall not exceed the specified start-up budget total and shall not exceed the total expenses actually incurred by the Contractor for the start-up period. All DHHS payments to the Contractor for the start-up period shall be made on a cost reimbursement basis.

4.1. In lieu of hard copies, all invoices with supporting documentation may be assigned an electronic signature and emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov, or invoices may be mailed to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

4.2. The Department shall make payment to the Contractor within thirty (30) days of receipt of each invoice and supporting documention for authorized expenses, subsequent to approval of the submitted invoice.

4.3. The final invoice and supporting documention for authorized start-up/expansion expenses shall be due to the Department no later than forty (40) days after the program is operational/expanded.

5. For the purpose of this agreement, a daily rate will be awarded in the amount per client per day indicated in the table listed under section 5.1. This per diem rate will be set for the term of the contract. Rates may be reviewed every two years to follow the State's biennium to consider rate adjustments.

5.2. Education for IEP eligible youth shall be billed to the youth's sending school by the Contractor. The daily rate for education for Non-IEP eligible youth will be paid in the amount per client per day in accordance with the current, publically posted New Hampshire Bureau of Special Education Private Provider Approved Rate listing posted on NH.gov by the New Hampshire Departmet of Education.

5.3. Billings shall occur on at least on a monthly basis and shall follow a process determined by the Department.

5.4. For individuals without sufficient health insurance or other coverage for the services they receive which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payor, the Contractor will directly bill the Department to access contract funds provided through this Agreement. The Contractor shall submit an invoice in a form satisfactory to the Department with supporting documentation including but not limited to the denial of claims. The Contractor shall only be reimbursed up to the current Medicaid rate for the medicaid eligible services provided.

5.4.1. In lieu of hard copies, all invoices with supporting documentation may be assigned an electronic signature and emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov, or invoices may be mailed to:

Financial Manager
Department of Health and Human Services

5.5.4. SFY 24: $6,298,503

5.6. The Department may review rates every two years as it coincides with the State's biennium budget and may consider rate adjustments.

6. Prior to submitting the first invoice, the Contractor must obtain a *Vendor Number* by registering with the New Hampshire Department of Administrative Services here (Vendor Resource Center | Procurement and Support Services | NH Dept. of Administrative Services).

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

8.1. The Contractor is required to submit an annual audit to the Department if **any** of the following conditions exist:

8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

8.2. If Condition A exists, the Contractor shall submit an annual single audit performed by an independent Certified Public Accountant (CPA) to the Department within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. Any Contractor that receives an amount equal to or greater than $250,000 from the Department during a single fiscal year, regardless of the funding source, may be required, at a minimum, to submit annual financial audits performed by an independent CPA if the Department's risk assessment determination indicates the Contractor is high-risk.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor Identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI.

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Severability. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

State of New Hampshire
Department of Health and Human Services
Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Vermont Permanency Initiative, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on August 4, 2021 (Item #15), as amended on December 20, 2023 (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $56,931,168

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

   1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

   1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

   1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds

5. Modify Exhibit C, Payment Terms, Section 4.1. to read:

4.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under section 4.1.6. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments. For the purpose of establishing these rates, the Contractor must provide the Department with the following prescribed forms by April 1st, annually:

4.1.1. A Department stipulated Residential Rate Template completed with budgeted costs for the following state fiscal year;

4.1.2. A copy of the most recent independent financial audit;

4.1.3. If the provider does not have an audit, unaudited financial statements for the most recently completed fiscal year (to include balance sheet, cash flow statement, profit and loss, income statement and adjusted trail balance);

4.1.4. A program-level profit and loss statement for the program related to the services provided in this contract; and

4.1.5. Additional clarifying information may be required upon request.

4.1.6.

INDEPENDENT AUDITOR'S REPORT

Boards of Trustees
Mount Prospect Academy, Inc. and Affiliates

Report on the Audit of the Combined Financial Statements

Opinion

We have audited the accompanying combined financial statements of Mount Prospect Academy, Inc. and Affiliates (the Organization), which comprise the combined statement of financial position as of June 30, 2024, and the related combined statements of activities and cash flows for the year then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2024, and the results of their operations and their cash flows for the year then ended in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

Basis for Opinion

We conducted our audit in accordance with U.S. generally accepted auditing standards (U.S. GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Combined Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the combined financial statements, the Organization has adopted Financial Accounting Standards Board Accounting Standards Update No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, and related guidance as amended, during the year ended June 30, 2024. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with U.S. GAAP; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

Docusign Envelope ID: B412BDFE-326D-492E-AA13-8D94B43253F3

Auditor's Responsibilities for the Audit of the Combined Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with U.S. GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The accompanying combining statement of financial position, combining statement of activities and combining statement of functional expenses are presented for purposes of additional analysis of the combined financial statements rather than to present the financial position and changes in net assets of the individual entities and are not a required part of the combined financial statements. The Schedule of Private Non-Medical Institution (PNMI) Revenue and Expenses is presented for purposes of additional analysis and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements.

Boards of Trustees
Mount Prospect Academy, Inc. and Affiliates

The supplementary information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with U.S. GAAS. In our opinion, the information is fairly stated in all material respects in relation to the combined financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 14, 2024 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Nature of Business

Mount Prospect Academy, Inc. (MPA) is a not-for-profit corporation incorporated under provisions of the General Statutes of the State of New Hampshire. MPA is licensed by the State of New Hampshire and operates special education schools in Keene, Plymouth and Hampton, New Hampshire with several affiliated group homes in Haverhill, Rumney, Warren, Plymouth, Hampton and Campton, New Hampshire. MPA also provides comprehensive in-home and community support services to families in New Hampshire and northeastern Massachusetts under the name Project Connect and Solid Foundations.

Vermont Permanency Initiative, Inc. (VPI) is a not-for-profit corporation incorporated under provisions of the General Statutes of the State of Vermont. VPI operates the New England School for Girls and Vermont School for Girls, a residential treatment program for girls operated in Bennington, Vermont. VPI also offers community based support to youth and families in Vermont under the trade name Vermont Support & Stabilization. VPI has a self-perpetuating Board of Trustees that is completely separate from the Board of Trustees that governs MPA.

New Hampshire Youth Program for Motorsports, LLC (NHYPM) offers students the opportunity to experience New Hampshire's great outdoors in a truly unique and fun way. MPA is the sole member of NHYPM and is considered a "disregarded" entity for tax purposes. NHYPM has provided students the chance to ride dirt bikes and snowmobiles as part of their educational and therapeutic programming. No riding experience is required as all participants must complete the rider training curriculum, and the NH state off-highway recreational vehicle (OHRV) class before they are eligible for trail rides. Everyone who completes the class receives their NH OHRV certification through the New Hampshire Department of Fish and Game. NHYPM was Board-approved to close in May 2024. Full dissolution of the entity is expected in fiscal year 2025.

603 Trail Riders, Inc. (603 Trail Riders) offers students the opportunity to experience New Hampshire's great outdoors in a truly unique and fun way. 603 Trailriders has provided students the chance to ride dirt bikes and snowmobiles as part of their educational and therapeutic programming. No riding experience is required as all participants must complete the rider training curriculum, and the NH state OHRV class before they are eligible for trail rides. Everyone who completes the class receives their NH OHRV certification through the New Hampshire Department of Fish and Game.

Camp Tea Pond, Inc (CTP) offers students the opportunity experience recreational and outdoor educational experiences in a traditional camp setting.

U.S. generally accepted accounting principles (U.S. GAAP) requires the combination of related organizations when common control and economic dependency exists. At June 30, 2024, common control did not exist between MPA and VPI; however, economic dependency does exist. As such, combination of MPA and VPI in 2024 is allowed but not required.

1. Summary of Significant Accounting Policies

Principles of Combination

The combined financial statements include the activity of MPA, VPI, NHYPM, 603 Trail Riders, and CTP (collectively, the Organization). All material intercompany transactions and balances have been eliminated in combination.

Newly Adopted Accounting Principle

The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, and related guidance as amended, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The measurement of expected credit losses under the CECL methodology is applicable to financial assets measured at amortized cost, including loan receivables. The adoption of Topic 326 during the year ended June 30, 2024 did not have a material impact on the combined financial statements of the Organization.

Basis of Presentation

The accompanying combined financial statements, which are presented on the accrual basis of accounting, have been prepared to focus on the Organization as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions. The Organization reports its activities and net assets in two classes: net assets without donor restriction and net assets with donor restriction.

Revenues are reported as increases in net assets without donor restriction unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restriction. Expirations of temporary restrictions on net assets (that is, situations in which the donor-imposed stipulated purpose has been accomplished and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. The Organization did not have any net assets with donor restrictions as of June 30, 2024.

Use of Estimates

The preparation of combined financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Docusign Envelope ID: B412BDFE-326D-492E-AA13-8D94B43253F3

Cash and Cash Equivalents

All highly liquid investments without donor restrictions and with an original maturity of three months or less are considered to be cash equivalents.

The Organization maintains its cash and certificates of deposit in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant risk with respect to these accounts.

Accounts Receivable

Accounts receivable are stated at the amount the Organization expects to collect from outstanding balances. As of June 30, 2024 and 2023, the Organization had $10,958,555 and $8,750,484, respectively, of accounts receivable.

The Organization provides for probable uncollectible amounts through a charge to current-year earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after the Organization has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. As of June 30, 2024 and 2023, the Organization had an allowance of $210,000.

Property and Equipment

Property and equipment are stated at cost or, if donated, at the fair market value at the date of donation. Expenditures for repairs and maintenance are expensed when incurred, and betterments and assets purchased in excess of $1,000 are considered for capitalization.

Depreciation of property and equipment is charged against operations using the straight-line method over the estimated useful lives of these assets, as follows:

	Years
Land improvements	7 - 10
Buildings and building improvements	7 - 30
Leasehold improvements	5 - 25
Vehicles	3 - 5
Furniture and equipment	2 - 15

When assets are sold or disposed of, the related cost and accumulated depreciation are removed from the respective accounts, and any resulting gain or loss is included in the combined statement of activities.

Docusign Envelope ID: B412BDFE-326D-492E-AA13-8D94B43253F3

Leases

At the inception of an arrangement, the Organization determines if an arrangement is or contains a lease based on the unique facts and circumstances present in that arrangement. Lease classification, recognition, and measurement are then determined as of the lease commencement date. For arrangements that contain a lease, the Organization (i) identifies lease and non-lease components, (ii) determines the consideration in the contract, (iii) determines whether the lease is an operating or finance lease, and (iv) recognizes a lease right of use (ROU) asset and lease obligation. Lease obligations and their corresponding ROU assets are recorded based on the present value of lease payments over the expected lease term. The interest rate implicit in lease contracts is typically not readily determinable, and as such, the Organization used the five-year treasury bill rate at based on the information available at the lease commencement date, a rate which represents one that would be incurred to borrow, on a collateralized basis, over a similar term, an amount equal to the lease payments in a similar economic environment.

Some leases include options to renew and/or terminate the lease, which can impact the lease term. The exercise of these options is at the Organization's discretion and the Organization does not include any of these options within the expected lease term where it is not reasonably certain that these options will be exercised.

Fixed, or in-substance fixed, lease payments on operating leases are recognized over the expected term of the lease on a straight-line basis. Variable lease expenses that are not considered fixed, or in-substance fixed, are recognized as incurred. Lease expense for operating leases is recognized on a straight-line basis over the lease terms. Finance leases are recognized using the effective interest rate method which amortizes the ROU asset to expense over the lease term and interest costs are expensed on the lease obligation throughout the lease term. The Organization has elected the short-term lease exemption and, therefore, does not recognize a ROU asset or corresponding lease obligation for lease arrangements with an original term of 12 months or less.

The finance leases and operating leases are included in separate ROU assets and lease obligations in the Organization's combined statement of financial position as of June 30, 2024.

Deferred Financing Costs

Certain costs related to long-term debt, such as accountants, attorneys and underwriting fees, are capitalized and amortized on a straight-line basis over the lives of the respective debt issues. These costs are presented as a direct deduction from the carrying amount of the related long-term debt. In addition, the amortization of the deferred costs is included with interest expense.

Docusign Envelope ID: B412BDFE-326D-492E-AA13-8D94B43253F3

Revenue and Support and Other Changes in Net Assets

The Organization's revenue recognition policies are as follows:

Revenue and support are recorded as increases in net assets without donor restrictions at the time the services are provided. Services are billed monthly based on monthly attendance and is due within 30 days. In some circumstances, tuition revenues are received prior to the school year and are recorded as a current liability under prepaid tuition. There was no prepaid tuition as of June 30, 2023.

Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on other assets and liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor restriction or by law. Expirations of temporary restrictions, if any, on net assets by fulfillment of the donor-stipulated purpose or by passage of the stipulated time period are reported as reclassifications between the applicable classes of net assets.

Income Taxes

The Organization is comprised of not-for-profit corporations as described in Section 501(c)(3) of the Internal Revenue Code (the Code), whereby only unrelated business income, as defined by Section 512(a)(1) of the Code, is subject to federal and state income tax.

Allocation of Costs

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Advertising

The Organization follows the policy of charging the costs of advertising to expense as incurred. Advertising expense totaled $28,678 in 2024.

2. Availability and Liquidity of Financial Assets

As of June 30, 2024, the Organization has working capital of $39,618,443 and average days (based on normal expenditures) cash and cash equivalents on hand of 191.

Financial assets and liquidity resources available within one year for general expenditures, such as operating expenses and scheduled principal payments on debt, were as follows as of June 30, 2024:

Cash and cash equivalents	$30,985,054
Accounts receivable, net	10,958,555
Employee retention tax credit receivable, net	968,582
Financial assets available at year-end for current use	$42,912,191

VPI also has a line of credit available to meet short-term needs. See Note 4.

The goal for the Organization is to maintain a balanced budget while meeting the requirements of the various financing authorities.

3. Significant Concentrations

Approximately 45% of the revenue recorded during 2024 was from beneficiaries of the New Hampshire Medicaid program.

Approximately 19% of the revenue recorded during 2024 was from beneficiaries of the Vermont Medicaid program.

Approximately 22% of the revenue recorded during 2024 was from the Vermont Department of Education and various school districts located in New Hampshire, Vermont, and Massachusetts.

Approximately 7% of the revenue recorded during 2024 was from the Massachusetts Department of Mental Health and Developmental Services.

Due to the concentration of clients who receive benefits from the various state reimbursement programs, the Organization is highly dependent upon regulatory authorities establishing reimbursement rates that are adequate to sustain the Organization's operations.

4. Line of Credit

VPI holds a line of credit agreement with Passumpsic Savings Bank under which Passumpsic Savings Bank agrees to advance up to $250,000 to VPI upon request. Monies advanced accrue interest at the rate of 9.25%. There was no balance outstanding as of June 30, 2024. The line of credit is collateralized by various real estate in Bennington and Newbury, Vermont.

Cash paid for amounts included in the measurement of lease obligations approximated the lease costs for operating and finance leases.

7. Commitments and Contingencies

Self-Insurance

The Organization has a self-insured healthcare plan (the Plan) which covers substantially all of the Organization's employees. The Plan has reinsurance coverage to limit the exposure, to all parties participating in the Plan, individually of $150,000 with an aggregate limit of $4,550,000 of the expected claims as of June 30, 2024. At June 30, 2024, the Organization had accrued $747,573 for estimated unpaid claims, which is reported in the Organization's accrued expenses in the combined statement of financial position.

Litigation

The Organization is involved in litigation arising in the normal course of business. After consultation with legal counsel, it us unknown the outcome or the effect to the Organization's future positions or results of operations that any litigation may have.

8. Retirement Plans

The Organization provides defined contribution retirement plans for eligible employees. All employees aged 21 or older may begin participation in the plans. Years of service requirements range from one to two years depending on the entity. Plan contributions by participants and the Organization range from 3% to 5% of regular salary. Total employer contributions paid by the Organization totaled $561,274 during the year ended June 30, 2024.

The Organization has a top hat deferred compensation plan established under Section 457 of the Code. The plan permits certain management and highly compensated employees to defer portions of their compensation based on Internal Revenue Service guidelines. The Organization has cumulatively recorded $96,982 at June 30, 2024, related to this plan. The related investments are segregated in a separate account, which is reported in the Organization's assets whose use is limited in the combined statement of financial position. The related liability is reported in the Organization's deferred compensation liability in the combined statement of financial position.

9. Functional Expenses

The costs of providing the programs are summarized on a functional basis as follows for the year ended June 30, 2024:

	Education and Home Life	General Administration	Total
Salaries and wages	$ 28,031,118	$ 7,866,394	$ 35,897,512

Total	$ 47,167,514	$ 13,933,857	$ 61,101,371

10. Surplus Revenue Retention

The Organization is allowed to retain a portion of any surplus generated by its contracts with the Commonwealth of Massachusetts. During 2016, the Commonwealth of Massachusetts Operational Services Division amended the surplus revenue retention by eliminating the 20% cumulative limits on surplus revenue retention and increasing the annual surplus limit from 5% of current-year contract revenue to 20%. As of June 30, 2024, as a result of the amendment, the Organization did not identify a contingent liability based on the 20% contractor annual surplus revenue retention criteria.

11. COVID-19 and Relief Funding

On March 11, 2020, the World Health Organization declared coronavirus disease (COVID-19) a global pandemic. Local, U.S., and world governments encouraged self-isolation to curtail the spread of COVID-19 by mandating the temporary shut-down of business in many sectors and imposing limitations on travel and the size and duration of group meetings.

The U.S. government responded with several phases of relief legislation as a response to the COVID-19 outbreak. Legislation enacted into law on March 27, 2020, called the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), a statute to address the economic impact of the COVID-19 outbreak.

The CARES Act provides an Employee Retention Tax Credit (ERTC), which is a refundable tax credit against certain employment taxes for eligible employers. For 2020, the tax credit is equal to 50% of qualified wages paid to employees during the calendar year, capped at $10,000 of qualified wages per employee. Additional relief provisions were passed by the U.S. government, which extended and expanded the qualified wage caps on these credits through September 30, 2021. Based on these additional provisions, the tax credit for 2021 is equal to 70% of qualified wages paid to employees during each quarter, and the limit on qualified wages per employee has been increased to $10,000 of qualified wages per calendar quarter.

Management contracted with a third party to determine their eligibility for the credit. The third party determined that the Organization qualified for the ERTC under the government orders test and estimated that they will receive approximately $12,524,022. Due to clarifying guidance, a reserve was recorded for $3,905,113 as a reduction to revenue and support. As of June 30, 2024, the Organization received partial payments totaling $7,650,327. At June 30, 2024, $968,582, representing the remaining amount receivable net of the allowance, is reflected in the combined statement of financial position. The the ERTC is subject to audit for up to five years from the date of the credit filing.

12. Subsequent Events

For purposes of the preparation of these combined financial statements in conformity with U.S. GAAP, management has considered transactions or events occurring through November 14, 2024, which is the date that the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Boards of Trustees
Mount Prospect Academy, Inc. and Affiliates

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of Mount Prospect Academy, Inc. and Affiliates (the Organization), which comprise the combined statement of financial position as of June 30, 2024 and the related combined statements of activities and cash flows for the year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated November 14, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the combined financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's combined financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Boards of Trustees
Mount Prospect Academy, Inc. and Affiliates

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's combined financial statements are free from material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the combined financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, Item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Docusign Envelope ID: B412BDFE-326D-492E-AA13-8D94B43253F3

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Vermont Permanency Initiative, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on August 4, 2021 (item #15), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 34,666,852

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

5. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

6. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

      1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar

days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

    1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

    1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

    1.13.14.1. There are no openings at the time of referral;

    1.13.14.2. The age of the referred child is greatly different than the current milieu;

    1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

    1.13.14.4. There are specialty Care needs revealed during their course of treatment;

    1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

    1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

    1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

    1.19.5.5. Previous assessments which have been completed including, but not limited to:

    1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

    1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

    1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

    1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

    1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

    1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

    1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.

Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

19. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

20. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge,

Key performance metrics to read:

Transition & discharge	• Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge • % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

21. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

1.2. Funds from Administration of Children and Families, ALN #93.558, FAIN 2101NHTANF and 2301NHTANF.

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;

- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

This requested action includes five (5) contracts in addition to the nine (9) contracts presented to the Governor and Executive Council on July 14, 2021 (item #14). The Department plans to submit the remaining two (2) contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;
- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

Areas served: Statewide.

Source of Funds: CFDA #93.658, FAIN #2101NHFOST CFDA #93.558, FAIN# 2101NHTANF, CFDA #93.659, FAIN #2101NHADPT, CFDA #93.778, FAIN #2105NH5ADM

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Shibinette
Commissioner

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

1.3. Paragraph 9, Termination, is amended by modifying subparagraph 9.1. to read:

9.1. Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement. The Contractor may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by a minimum of 90 day written notice to the State that the Contractor is exercising its option to terminate the Agreement. Notwithstanding the foregoing, the Parties agree that the contract will not terminate until such time as all children have been successfully transitioned: Because this Agreement covers multiple programs, it is understood that the Contractor may terminate on a program specific basis.

New Hampshire Department of Health and Human Services
Residential Treatment Services for Children's Behavioral Health
EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.1. Shall be licensed and certified. Those that are not currently certified, licensed and accredited, shall complete these requirements within 6 months from contract approval, unless otherwise agreed upon by the Department.

1.8.2. Shall comply with all federal, and state laws, regulations, and rules, as follows, but are not limited to:

1.8.2.1. RSA 170-E;

1.8.2.3. RSA 126-U;
1.8.2.4. RSA 135-F;
1.8.2.5. He-C 4001;
1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. Staff Training and Development

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

Residential Treatment Services for Children's Behavioral Health
EXHIBIT B

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor shall choose to discharge when a child is in an acute psychiatric hospital for more than 7 days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of the

individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate, reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

1.13.14.2. The age of the referred child is greatly different than the current milieu;
1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;
1.13.14.4. There are specialty Care needs revealed during their course of treatment;
1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match;
1.13.14.6. The individual's needs fall well outside the program model;

1.13.15. The Contractor may request a discharge for individuals from a residential treatment program if any of the following circumstances are applicable:
1.13.15.1. New information has indicated that the child requires specialty care that the current program does not offer;
1.13.15.2. The Child has increased aggression that has resulted in excessive property damage or physical harm to staff and self and is not improving over time, indicating a higher level of care is needed; and
1.13.15.3. The child's level of mental health symptoms have exceeded the level of care being provided at the program and an appropriate transition plan has been determined.

1.13.16. Contractor shall deliver treatment and provide services to accepted referrals until the child's level of need is reduced and their treatment goals have been met.

1.13.17. The Department will monitor denials, admissions, and discharges as part of continuous quality assurance and program outcomes and reserves the right to review and approve or deny denials.

1.14. Restraint and Seclusion Practices

1.14.1. The Contractor shall comply with RSA 126-U.

1.14.2. The Contractor shall utilize a de-escalation and restraint training which supports the limited use of restraint or seclusion in RSA 126-U and aligns with the Six Core Strategies ©.

1.14.3. The Contractor shall develop and implement policies and methods to reduce and eliminate use of restraint and seclusion practices by incorporating the Six Core Strategies for Reducing Seclusion and

Restraint Use ©, for Department review, including but not limited to the following:

1.14.3.1. Therapeutic Crisis Intervention (TCI),

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) Business Associate Use and Disclosure of Protected Health Information.

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential Information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the Information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

DocuSign Envelope ID: B212FC2B-810C-4268-96AE-318EB3EF70F1

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

State of New Hampshire
Department of Health and Human Services
Amendment #3

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Webster House ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (Item #14), as amended on June 28, 2023 (Item #43), as amended on December 20, 2023 (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $10,551,479

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

   1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

   1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

   1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds

5. Modify Exhibit C, Payment Terms, Section 4.1. to read:

4.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under section 4.1.6. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments. For the purpose of establishing these rates, the Contractor must provide the Department with the following prescribed forms by April 1st, annually:

4.1.1. A Department stipulated Residential Rate Template completed with budgeted costs for the following state fiscal year;

4.1.2. A copy of the most recent independent financial audit;

4.1.3. If the provider does not have an audit, unaudited financial statements for the most recently completed fiscal year (to include balance sheet, cash flow statement, profit and loss, income statement and adjusted trail balance);

4.1.4. A program-level profit and loss statement for the program related to the services provided in this contract; and

4.1.5. Additional clarifying information may be required upon request.

4.1.6.

Program – Webster House Level 2	
Residential for eligible youth per day effective 7/1/2021 to 6/30/2022	$327.08
Residential for eligible youth per day effective 7/1/2022 to 6/30/2023	$369.39
Residential for eligible youth per day effective 7/1/2023	$450.95

4.1.7. Billings shall occur at least on a monthly basis and shall follow a process determined by the Department.

4.1.8. The Contractor shall work with the Department to support a sustainable rate structure.

6. Modify Exhibit C, Payment Terms, Section 4.5., to read:

4.5. Maximum allotment for daily rate expenditure for Department funded expenditures by fiscal year is as follows:

4.5.1. Sub-total: $10,368,956.00

4.5.2. SFY 22: $705,564.00

4.5.3. SFY 23: $2,144,148.00

4.5.4. SFY 24: $1,021,434.00

4.5.5. SFY 25: $2,221,434.00

4.5.6. SFY 26: $2,138,188.00

4.5.7. SFY 27: $2,138,188.00

All terms and conditions of the Contract and prior amendments not modified by this Amendment remain in full force and effect. This Amendment shall be effective retroactive to July 1, 2024, upon Governor and Council approval.

INDEPENDENT AUDITOR'S REPORT

August 12, 2024

To the Board of Directors
of the Webster House

Opinion

We have audited the accompanying financial statements of the Webster House (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Webster House as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Webster House and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Webster House's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

Docusign Envelope ID: 13538172-73E3-4A4B-9925-2A6860BCE406

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Webster House's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Webster House's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

WEBSTER HOUSE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1: NATURE OF ORGANIZATION

The Webster House (the Organization), a not-for-profit located in Manchester, New Hampshire, provides board, care, support and guidance to children ages 8-18 in a group home environment with maximum occupancy of approximately 18 children at any given time. For the years ended December 31, 2023 and 2022, the average monthly census ranged from seven to eleven children. The Organization received approximately 79% and 51% in 2023 and 2022, respectively, of its funding from federal sources and the State of New Hampshire.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation

The financial statements of the Organization have been prepared according to accounting principles generally accepted in the United States of America (U.S. GAAP), utilizing the accrual basis of accounting. Accrual accounting recognizes revenue when earned rather than upon receipt and recognizes expenditures when the obligation to pay is incurred rather than when the obligation is paid.

Financial Statement Presentation

The Organization follows the recommendation of the Financial Accounting Standards Board as applicable to not-for-profit organizations. Under these standards, the Organization is required to report information regarding its financial position and activities according to two classes of net assets, as applicable: net assets with donor restrictions or net assets without donor restrictions.

Descriptions of the two net asset categories are as follows:

Net Assets with Donor Restrictions

The part of net assets of a not-for-profit entity that is subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants).

Net Assets without Donor Restrictions

The part of net assets of a not-for-profit that is not subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants).

A donor-imposed restriction is a donor stipulation (donors include other types of contributors, including makers of certain grants) that specifies a use for a contributed asset that is more specific than broad limits resulting from the following:

a. The nature of the not-for-profit entity (NFP)
b. The environment in which it operates
c. The purposes specified in its articles of incorporation or bylaws or comparable documents for an unincorporated association.

Docusign Envelope ID: 13538172-73E3-4A4B-9925-2A6860BCE406

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or law. Expirations of temporary restrictions on net assets, that is, the donor-imposed stipulated purpose having been accomplished and/or the stipulated time period having lapsed, are recorded as reclassifications between the applicable classes of net assets. Temporary restricted donor contributions received and spent within the same year are recorded as net assets without donor restrictions.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Receivables

Accounts receivable do not include an allowance for doubtful accounts since the Organization believes all amounts to be collectible.

Investments

Investments, which consist of marketable securities, are stated at their fair value based on quoted market prices. Investment income is allocated to the various funds within the without donor restrictions and with donor restriction funds based on their proportion of fair value. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

Property and Equipment

Land, building and equipment is carried at cost or fair market value at the date of acquisition or donation. Depreciation is recorded on building and equipment under the straight-line method based on estimated useful lives. Expenditures for additions, renewals and betterments of buildings and equipment, unless of a relatively minor amount, are capitalized. Expenditures for maintenance and repairs are expensed as incurred.

Revenue and Recognition

A portion of the Organization's revenue is derived from cost-reimbursable state contracts and grants, which are conditioned upon daily room, board, care and support services provided to each resident. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant performance requirements (provided daily services to each resident).

Docusign Envelope ID: 13538172-73E3-4A4B-9925-2A6860BCE406

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Grants

Grants awarded by federal or state agencies or passed through to the Organization from a non-governmental entity are generally considered nonreciprocal transactions restricted by the awarding agency/entity for certain purposes. Revenue is recognized when qualified expenditures are incurred and conditions under the grant agreement are met.

Contributions of Cash and Securities

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Securities were valued based on quoted prices on nationally recognized securities exchanges on the date of donation. Amounts received that are designated for future periods or are restricted by the donor for specific purposes are reported as donor restricted support that increases the net asset class.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net asset with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restriction. Restricted contributions received and spent within the same year are recorded as net assets without donor restrictions.

Contributions of Nonfinancial Assets and Services

In 2023 and 2022, the Organization received items from community members and organizations including food donations, securities and items to be sold at its annual gala's auction. Food provisions were valued using a national per pound average set forth by Feeding America. Contributed auction items were valued at the gross selling price received. There were no donor-imposed restrictions associated with the auction item proceeds.

In 2023 and 2022, the Organization received contributions of services from members of the community and volunteers related to administrative, fundraising and program services. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Services meeting the recognition criteria are reflected in these statements at fair market value.

Unconditional Promises to Give

Unconditional promises to give are recognized as revenues and assets in the period received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Functional Allocation of Expenses

The costs of providing the various programs and supporting services are presented on a functional basis in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses are directly charged to the appropriate activity, where feasible. The financial statements report certain categories of expenses that are attributable to more than one program or function. Therefore, they may require allocation on a reasonable basis that is consistently applied. This basis included building use percentage and personnel cost allocations. Personnel costs are allocated based on the estimates of time and effort.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The Organization is a 501(c)(3) organization exempt from income tax under Section 501(a) of the Internal Revenue Code. The Organization has analyzed its tax positions and has determined that there are no unrecognized tax obligations to record. The Organization's tax returns for the tax years 2021 to 2023 are subject to examination.

Reclassifications

Certain reclassifications have been made for consistent presentation.

NOTE 3: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following reflects the Organization's financial assets as of the balance sheet date, reduced by amounts not available to meet cash needs for general expenditures within one year. The Organization has made a concerted effort towards fundraising in recent years.

In recent years, the Organization's expenses have increased. The Organization has the option to withdraw from its restricted and unrestricted investments in marketable securities to cover operating expenses. For the year ended December 31, 2023, the Organization withdrew approximately 4% of the three-year average value of its donor restricted investment portfolio to cover operating expenses.

Docusign Envelope ID: 13538172-73E3-4A4B-9925-2A6860BCE406

NOTE 3: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS (continued)

In 2023, the Organization returned $800,000 to the unrestricted investments in marketable securities account with $400,000 held in a separate account at UBS which is primarily invested in short term cash equivalents and is maintained as a Board designated fund. The remaining $400,000 was re-invested in the Organization's existing unrestricted investment portfolio. For the year ended December 31, 2022, the Organization withdrew approximately 11% of the three-year average value of its donor restricted investment portfolio.

As part of the Organization's liquidity management, it invests cash in excess of general operating requirements within its investments in marketable securities held by UBS.

Current financial assets at year end:	2023	2022
Cash and equivalents	$ 426,688	$ 161,917
Accounts receivable	244,328	108,868
Grants receivable	-	20,000
Unrestricted investments in marketable securities	1,580,975	1,005,665
Total financial assets	$ 2,251,991	$ 1,296,450
Less: Donor-imposed restrictions	(155,778)	(137,534)
Financial assets available to meet cash needs for general expenditures within one year	$ 2,096,213	$ 1,158,916

NOTE 4: CONCENTRATIONS OF CREDIT RISK

The Organization maintains several bank accounts at different financial institutions which at times may exceed the federally insured limits. The accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At December 31, 2023, the uninsured amount was $174,883.

Accounts receivable consists primarily of amounts due from the State of New Hampshire.

NOTE 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS

Generally accepted accounting principles defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the Organization's principal or most advantageous market in an orderly transaction between market participants on the measurement date.

Docusign Envelope ID: 13538172-73E3-4A4B-9925-2A6860BCE406

NOTE 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS (continued)

This principle establishes a fair value hierarchy which requires the Organization to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Organization has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Organization's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following is a description of the valuation methods and assumptions used by the Organization to estimate the fair values of certain financial instruments:

The fair values of cash, fixed income, mutual funds and common stock equities are readily marketable and are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Investments in marketable securities are held with UBS. Funds without donor restrictions and funds with donor restrictions are pooled into four investment accounts holding marketable securities. They are recorded at fair value at December 31, 2023 and 2022, as summarized below. Accrued interest is included in bond values.

NOTE 6: BENEFICIAL INTEREST IN PERPETUAL TRUSTS

The Organization is a beneficiary of two perpetual interest trusts administered by Citizens Bank. Fair value has been determined using quoted prices for identical assets (level 1 input). The fair market values of the Organization's share of the assets held by these trusts are as follows:

	2023	2022
Frank E. Green Trust	$ 25,890	$ 22,417
Eliza B. Green Trust	163,182	141,396

The estimated useful lives for depreciation are five through 50 years.

NOTE 8: NOTES PAYABLE

Note Payable

In April 2022, the Organization obtained a $200,000 note to partially finance the installation of an HVAC system. Monthly principal and interest payments of $3,419 began in June 2022. The payments are based on a 60-month amortization schedule at 1% per annum. The last payment is due in May 2027.

Future minimum principal payments are as follows:

2024	$ 39,829
2025	40,229
2026	40,633
2027	17,144
	$ 137,835

Note Payable - Forgivable

In March 2023, the Organization received $133,686 from the State of New Hampshire in the form of a forgivable loan. The funding is a 50% reimbursement of the HVAC system installed to improve indoor air quality. As a condition of forgiveness, the Organization must continue to provide services as a youth residential treatment and transitional living facility until at least September 30, 2024. Upon completion and satisfaction of the terms of the agreement, the note will be deemed satisfied and paid in full.

NOTE 8: NOTES PAYABLE (continued)

If the Organization does not meet the minimum requirements, it shall begin repaying the note beginning on October 15, 2024. The payments are based on a 24-month amortization schedule at 0% per annum. The last payment is due September 15, 2026. The Organization anticipates meeting the required conditions for forgiveness.

Future minimum principal payments are as follows:

2024	$ 16,711
2025	66,843
2026	50,132
	$ 133,686

NOTE 10: DONOR RESTRICTED FUNDS HELD BY UBS

The Organization's endowment consists of funds held in five investment accounts at UBS. As required by generally accepted accounting principles, the net assets associated with pooled funds are classified and reported based on the existence or absence of donor-imposed restrictions, as presented in Note 9.

Interpretation of Relevant Law

The Board of Directors of the Organization has interpreted the State of New Hampshire's Uniform Prudent Management of Institutional Funds Act as requiring the management of the funds to comply with the intent of the donors and to manage and invest the fund in good faith and with the care an ordinarily prudent person would exercise under similar circumstances. The Board also interprets the law to state that gains and losses on donor restricted funds should be allocated to net assets with donor restrictions. As a result of these interpretations, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated, (b) the original value of gifts subsequently donated and (c) accumulations of gains, both realized and unrealized. Any remaining portion of accumulations is classified as net assets with donor restrictions until those amounts are appropriated for expenditure.

The Organization also interprets the law to state that the Board may determine appropriations for expenditures, up to limits cited in the law, and accumulations of the donor restricted funds as the Board deems appropriate. In accordance with the law, the Organization considers the following factors in making a determination to appropriate or accumulate donor restricted funds:

(1) The duration and preservation of the donor restricted fund
(2) The purposes of the Organization and the donor restricted fund
(3) General economic conditions
(4) The possible effect of inflation or deflation
(5) The expected total return from income and the appreciation/depreciation of investments
(6) Other resources of the Organization
(7) The investment policies of the Organization.

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for donor restricted funds that attempt to provide a predictable stream of funding for programs while seeking to preserve the fund. Investments in marketable securities that are donor restricted must be held by the Organization in perpetuity or for a donor-specified period(s) as well as board-designated funds. The Organization currently holds equities as well as fixed income government and corporate bonds employing a moderate level of investment risk. Investment returns consist both of capital appreciation (realized and unrealized) and current yield (interest and dividends).

NOTE 10: DONOR RESTRICTED FUNDS HELD BY UBS (continued)

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy

The Organization has a policy of appropriating for distribution each year (1) the interest and dividends earned, and (2) up to 5% of its investment fund's average fair value of the previous three years. In establishing this policy, the Organization considered the long-term expected return on its investment assets, the nature and duration of the individual investment funds, some of which must be maintained in perpetuity because of donor restrictions, the possible effects of inflation and the fiduciary guidelines. The remaining amount of interest and dividends, if any, has been classified as net assets with donor restrictions. Under the total return strategy noted above, the Organization made distributions from accumulated income in 2023 and 2022. For 2023 and 2022, the actual distribution was approximately 4% and 11% of its investment fund's three-year average value, respectively. The Organization expects to distribute approximately five percent of its investment fund's average value for the year ending December 31, 2024. The funds' average return rate has been approximately five percent.

NOTE 11: FEES AND GRANTS FROM GOVERNMENTAL AGENCIES

Fees and grants from governmental agencies for operations are comprised of funding from the State of New Hampshire and Medicaid to support daily operations. The Organization is reimbursed twice a month for the daily care provided to its residents at a predetermined daily rate.

The Organization received two retroactive rate adjustments from the State of New Hampshire's Department of Health and Human Services (NH DHHS) after comprehensive re-examinations of its daily care rate setting process. The following retroactive amounts reflect the combined totals for Board & Care and Medicaid. In June 2023, DHHS revised the daily care rate for the residents under the care of the Organization related to the periods August 11, 2021 through June 30, 2023. The Organization received $819,137 for the period August 11, 2021 through December 31, 2022. This retroactive rate increase was not recorded as a receivable at December 31, 2022 since it did not meet the recognition criteria. The Organization received $300,775 for the period January 1, 2023 through June 30, 2023. In December 2023, NH DHHS revised the daily care rate related to the period July 1, 2023 through December 31, 2023. The Organization received $137,829 for this period, of which $125,703 is included in accounts receivable at December 31, 2023.

NOTE 11: FEES AND GRANTS FROM GOVERNMENTAL AGENCIES (continued)

To support workforce capacity for residential treatment programs for children, the State of New Hampshire awarded the Organization up to $96,645 on a cost reimbursement basis for actual expenditures incurred through June 30, 2023. The Organization used the award to recruit and retain staffing to maintain and/or expand residential treatment program capacity for children. During the years ended December 31, 2023 and 2022, the Organization had related reimbursable expenditures of $44,741 and $51,283, respectively.

NOTE 12: INVESTMENT INCOME

Investment income for the years ended December 31, 2023 and 2022 is reported as follows:

	2023	2022
Without Donor Restrictions		
Interest and dividends	$ 46,843	$ 34,173

NOTE 14: COMMITMENTS AND CONTINGENCIES

The Organization is party to several lawsuits related to its program activities dating back several years. The Organization was first notified of the various claims in March 2023. Management intends to vigorously defend all claims against the Organization; however, the outcome of the litigation or future legal costs cannot be reasonably determined. At this time, no amounts related to this matter have been accrued for in the accompanying financial statements. The Organization's policy is to record legal expenditures as they are incurred.

NOTE 15: SUBSEQUENT EVENTS

Subsequent events have been evaluated through August 12, 2024, which is the date the financial statements were available to be issued.

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. Possible account numbers to be utilized include the below:

EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Docusign Envelope ID: 13538172-73E3-4A4B-9925-2A6860BCE406

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: 13538172-73E3-4A4B-9925-2A6860BCE406

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Webster House ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (item #14), as amended on June 28, 2023 (item #43), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $5,075,103

3. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

4. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

5. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

      1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

6. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

7. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

8. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than

seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

   1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

    1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

    1.13.14.1. There are no openings at the time of referral;

    1.13.14.2. The age of the referred child is greatly different than the current milieu;

    1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

    1.13.14.4. There are specialty Care needs revealed during their course of treatment;

    1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

    1.13.14.6. The individual's needs fall well outside the program model.

11. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

    1.19.4.1. Twenty-four (24) hour services.

12. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

    1.19.5.5. Previous assessments which have been completed including, but not limited to:

    1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

    1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

    1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

13. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

    1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

    1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

15. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

    1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

    1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

16. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

17. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.

Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

18. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

19. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge,

Key performance metrics to read:

Transition & discharge	• Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge • % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

20. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

1.2. Funds from Administration of Children and Families, ALN #93.558, FAIN 2101NHTANF and 2301NHTANF.

1.3. Funds from Administration of Children and Families, ALN #93.659, FAIN 2101NHADPT and 2301NHADPT.

1.4. Funds from Centers for Medicare and Medicaid Services, ALN #93.778, FAIN 2105NH5ADM and 2305NH5ADM.

1.5. General Funds

21. Modify Exhibit C, Payment Terms, Subsection 4.1., to read:

4.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the table listed under section 4.1.1. This per diem rate will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments.

4.1.1.

Program – Webster House Level 2	
Residential for eligible youth per day effective 7/1/2021 to 6/30/2022	$327.08
Residential for eligible youth per day effective 7/1/2022 to 6/30/2023	$369.39
Residential for eligible youth per day effective 7/1/2023	$450.95

4.1.2. Billings shall occur at least on a monthly basis and shall follow a process determined by the Department.

22. Modify Exhibit C, Payment Terms, Subsection 4.5, to read:

4.5. Maximum allotment for daily rate expenditure for Department funded expenditures by fiscal

year is as follows:

4.5.1. Sub-total: $4,892,580.00

4.5.2. SFY 22: $705,564.00

4.5.3. SFY 23: $2,144,148.00

4.5.4. SFY 24: $1,021,434.00

4.5.5. SFY 25: $1,021,434.00

All terms and conditions of the Contract and prior amendments not modified by this Amendment remain in full force and effect. This Amendment shall be effective retroactive to July 1, 2023, upon Governor and Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

EXPLANATION

This request is **Retroactive** because upon review of the contracts for Webster House and Orion House, the Department discovered an error in the rate calculation. As part of the System of Care work, the Department competitively bid these contracts, and established daily rates in each contract under certain assumptions and many unknowns. Due the restrictive nature of procurement laws, the Department was unable to obtain all documentation necessary to mitigate

Docusign Envelope ID: 13538172-73E3-4A4B-9925-2A6860BCE406

DocuSign Envelope ID: 67FD2DD7-85BE-4C02-AA10-484203036CE3

the unknowns, and was prohibited from providing advice to the Contractors on how they should account for their costs, resulting in inaccurate reporting. The ramification of this challenge was not fully realized until providers started billing and appropriate reporting was able to be derived from the system. The rate errors became clear upon review of this information once available, however, a year had elapsed from the start of the contract at that point. A comprehensive re-examination of the rate setting process was undertaken that took almost a year to implement appropriately with proactive considerations for future rate setting efforts. This rate setting process has since been streamlined and clarified in order to prevent further errors.

This request is **Sole Source** because the Department is increasing the price limitation by more than 10% of the original contract. These two Contractors provide critical services within the Children's Residential Treatment provider network, and are currently serving children under an old rate. This rate setting correction must be implemented in order to ensure that the Department maintains provider capacity and that the Contractors are able to continue serving children. Orion House's rates changed from $211.70 for Level 1 and $207.40 for Level 2 to $184.39 for Level 1 and $316.36 for Level 2. Webster House's rates changed from $172.44 for Level 2 to $327.08 for Level 2 for the period of July 1, 2021 to June 30, 2022, and $369.39 for Level 2 for the period of July 1, 2022 forward.

The purpose of this request is to ensure that Contractors are reimbursed for children's residential services with the correct rate. The Contractors will continue to provide evidence-based and trauma-informed clinical behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs. The Contractors will also continue supporting the Department's effort to provide long-term outcomes for youth by providing services that are short-term, target treatment episodes, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Across all of the Children's Residential Treatment programs approximately 400-500 individuals will be served annually through June 30, 2024.

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the original agreement, the parties have the option to extend the agreement for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is not exercising its option to renew at this time.

DocuSign Envelope ID: 67FD2DD7-85BE-4C02-AA10-484203036CE3

Should the Governor and Council not authorize this request, the Contractors will not be reimbursed at the appropriate rate; leaving the Department vulnerable to potentially losing these critical service providers, which would be detrimental to the overall capacity to serve youth in Level 1 and Level 2 programs in-state.

Area served: Services are located in Newport NH and Manchester, NH however they accept and treat children from across the state.

Source of Federal Funds: Assistance Listing #93.658, FAIN #2301NHFOST; Assistance Listing #93.558, FAIN #2301NHTANF; Assistance Listing #93.659, FAIN #2301NHADPT; Assistance Listing #93.778, FAIN #2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These

Individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached. This requested action includes nine (9) contracts and the Department plans to submit seven (7) additional contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;

- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding, any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Residential Treatment Services for Children's Behavioral Health
EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.1. Shall be licensed and certified. Those that are not currently certified, licensed and accredited, shall complete these requirements within 6 months from contract approval, unless otherwise agreed upon by the Department.

1.8.2.5. He-C 4001;
1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. Staff Training and Development

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor shall choose to discharge when a child is in an acute psychiatric hospital for more than 7 days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of the

individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate, reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

1.13.14. The Contractor may deny admission to a program if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;
1.13.14.2. The age of the referred child is greatly different than the current milieu;
1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;
1.13.14.4. There are specialty Care needs revealed during their course of treatment;
1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match;
1.13.14.6. The individual's needs fall well outside the program model;

1.13.15. The Contractor may request a discharge for individuals from a residential treatment program if any of the following circumstances are applicable:
1.13.15.1. New information has indicated that the child requires specialty care that the current program does not offer;
1.13.15.2. The Child has increased aggression that has resulted in excessive property damage or physical harm to staff and self and is not improving over time, indicating a higher level of care is needed; and
1.13.15.3. The child's level of mental health symptoms have exceeded the level of care being provided at the program and an appropriate transition plan has been determined.

1.13.16. Contractor shall deliver treatment and provide services to accepted referrals until the child's level of need is reduced and their treatment goals have been met.

1.13.17. The Department will monitor denials, admissions, and discharges as part of continuous quality assurance and program outcomes and reserves the right to review and approve or deny denials.

1.14. Restraint and Seclusion Practices

1.14.1. The Contractor shall comply with RSA 126-U.

1.14.2. The Contractor shall utilize a de-escalation and restraint training which supports the limited use of restraint or seclusion in RSA 126-U and aligns with the Six Core Strategies ©.

1.14.3. The Contractor shall develop and implement policies and methods to reduce and eliminate use of restraint and seclusion practices by incorporating the Six Core Strategies for Reducing Seclusion and

Restraint Use ©, for Department review, including but not limited to the following:

1.14.3.1. Therapeutic Crisis Intervention (TCI),

7.2. If Condition A exists, the Contractor shall submit an annual single audit performed by an independent Certified Public Accountant (CPA) to the Department within 120 days after the close of the Contractor's fiscal

year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

7.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

7.4. Any Contractor that receives an amount equal to or greater than $250,000 from the Department during a single fiscal year, regardless of the funding source, may be required, at a minimum, to submit annual financial audits performed by an independent CPA if the Department's risk assessment determination indicates the Contractor is high-risk.

7.5. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials DS MB

Date 6/14/2021

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

State of New Hampshire
Department of Health and Human Services
Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Chase Home for Children in Portsmouth, N.H. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on August 4, 2021 (Item #15), as amended on December 20,2023, (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $11,097,996

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

   1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

   1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

   1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds

5. Modify Exhibit C, Payment Terms, Section 5.1. to read:

5.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under section 5.1.6. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments. For the purpose of establishing these rates, the Contractor must provide the Department with the following prescribed forms by April 1st, annually:

5.1.1. A Department stipulated Residential Rate Template completed with budgeted costs for the following state fiscal year;

5.1.2. A copy of the most recent independent financial audit;

5.1.3. If the provider does not have an audit, unaudited financial statements for the most recently completed fiscal year (to include balance sheet, cash flow statement, profit and loss, income statement and adjusted trail balance);

5.1.4. A program-level profit and loss statement for the program related to the services provided in this contract; and

5.1.5. Additional clarifying information may be required upon request.

5.1.6.

INDEPENDENT AUDITOR'S REPORT

Boards of Directors
Chase Home for Children and The Chase Home

Opinion

We have audited the accompanying consolidated financial statements of Chase Home for Children and The Chase Home (the Organization), which comprise the consolidated statements of financial position as of June 30, 2022, 2021, and 2020, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Organization for the years ended June 30, 2022, 2021, and 2020 and the consolidated changes in their net assets and their cash flows for the years then ended in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. GAAP; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

Docusign Envelope ID: FBDD9B4F-B963-4F38-965C-50328CFFA2EA

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Reporting on Consolidating Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position and consolidating statements of activities are presented for purposes of additional analysis, rather than to present the financial position and changes in net assets of the individual entities and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with U.S. GAAS. In our opinion, the consolidating information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Nature of Operations

Chase Home for Children (CHC) is a New Hampshire non-profit organization providing support to The Chase Home (TCH). TCH is a New Hampshire non-profit organization which operates a residential home in Portsmouth, New Hampshire for teenage children and provides therapeutic services to children and families.

1. Significant Accounting Policies

Principles of Consolidation and Reporting Entity

The consolidated financial statements include the accounts of CHC and TCH (collectively referred to as the Organization). All material intercompany balances and transactions have been eliminated in the consolidated financial statements.

Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

The consolidated financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which require the Organization to report information regarding their consolidated financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of Organization management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Docusign Envelope ID: FBDD9B4F-B963-4F38-965C-50328CFFA2EA

Contributions and Grants

Grants awarded and contributions received in advance of expenditures are reported as revenues and support with donor restrictions if they are received with stipulations that limit the use of the grants or contributions. When a grant or contribution restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. The Organization records restricted grants and contributions whose restrictions are met in the same reporting period as revenues and support without donor restrictions in the year of the award or gift.

Cash

The Organization considers all highly liquid investments with an original maturity date of less than three months to be cash equivalents.

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. It has not experienced any losses in such accounts. Management believes it is not exposed to any significant risk on cash.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management's estimate of the allowance is based on historical collection experience and a review of the current status of accounts receivable. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. As of June 30, 2022, 2021 and 2020, management determined an allowance was not necessary.

Property and Equipment

Property and equipment are recorded at cost, while donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Expenditures for repairs and maintenance are charged against operations. Renewals and betterments which materially extend the life of the assets are capitalized. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the asset is placed into service. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time

Docusign Envelope ID: FBDD9B4F-B963-4F38-965C-50328CFFA2EA

Depreciation is provided on the straight-line method in amounts designed to depreciate the costs of the assets over their estimated lives as follows:

Building and improvements	5 to 40 years
Equipment, furniture and fixtures	5 to 20 years
Vehicles	4 to 5 years

Investments

Investments are presented in the consolidated financial statements at fair value. Investments in general are exposed to various risks, such as interest rates, credit, and overall market volatility. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the consolidated statements of financial position.

Revenue Recognition

Program revenues are reported at the estimated net realizable amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing client services. These amounts are due from third-party payors (including government programs), and others, and include variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Organization bills third-party payors several days after services are provided. Revenue is recognized as performance obligations are satisfied. It is the Organization's expectation that the period between the time the service is provided to a client and the time a third-party payor pays for that service will be one year or less.

Under the Organization's contractual arrangements with the State of New Hampshire, the Organization provides services to clients for an agreed upon fee. The Organization recognizes revenue for client services in accordance with the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 606, *Revenue from Contracts with Customers*.

Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied over time is recognized based on actual services rendered. Generally, performance obligations are satisfied when services are provided. The Organization measures the performance obligation from when the Organization begins to provide services to a client to the point when it is no longer required to provide services to that client, which is generally at the time of the State of New Hampshire notification to the Organization.

Because all of its performance obligations relate to short-term contracts, the Organization has elected to apply the optional exemption provided in FASB ASC Subtopic 606-10-50-14(a), and therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited using allocations determined on a reasonable basis which is consistently applied. Square footage is used to determine the allocation for repairs and maintenance and depreciation.

Income Taxes

TCH is exempt from income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code (the Code) to operate as a non-profit.

CHC is a qualified non-profit under Section 501(c)(3) of the Code and operates as a private foundation. Annually, CHC pays excise tax based on investment income.

Subsequent Events

For purposes of the preparation of these consolidated financial statements in conformity with U.S. GAAP, the Organization has considered transactions or events occurring through April 18, 2024, which was the date the consolidated financial statements were available to be issued.

2. Property and Equipment

Property and equipment, net, is comprised of the following at June 30:

	2022	2021	2020
Equipment	$ 165,829	$ 165,829	$ 155,329
Building and improvements	1,629,719	1,400,825	1,400,825

Property and equipment, net	$ 1,170,914	$ 997,397	$ 1,030,644

3. Fair Value Measurement

FASB ASC Topic 820, *Fair Value Measurement,* defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Assets measured at fair value on a recurring basis are summarized below.

4. Beneficial Interest in an Agency Fund

CHC is a beneficiary of an agency fund maintained at the New Hampshire Charitable Foundation (NHCF). Pursuant to the terms of the resolution establishing this agency fund, property contributed by CHC to NHCF is held as a separate fund designated for the benefit of the Organization. The Board of Directors of NHCF does not have the power to redesignate the funds contributed by the Organization. The estimated value of the future distributions from the agency fund is included in the consolidated statements of financial position as beneficial interest in an agency fund.

5. Endowment

Interpretation of Relevant Law

The Board of Directors of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the original value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with perpetual duration (a) the original value of gifts donated to be maintained in perpetuity, (b) the original gift value of subsequent gifts to be maintained in perpetuity, and (c) accumulations to gifts to be maintained in perpetuity made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. If the donor restricted endowment assets earn investment returns beyond the amount necessary to maintain the endowment assets' contributed value, that excess is included in net assets with donor restrictions until appropriated by the Board of Directors and, if applicable, expended in accordance with the donors' restrictions.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. The Organization's spending policy permits spending from funds with deficiencies in accordance with the prudent measures required under UPMIFA. Funds designated by the Board of Directors to function as endowments are classified as net assets without donor restrictions. There were no such deficiencies as of June 30, 2022, 2021 or 2020.

Investment Return Objectives, Risk Parameters, and Strategies

The Organization has adopted investment and spending polices, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long term. Accordingly, the investment process seeks to achieve an after-cost total real rate-of-return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which included equity and debt securities that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution while growing the funds, if possible.

Therefore, the Organization expects its endowment assets, over time, to produce an average rate of return which exceeds the inflation rate, plus the level of spending. Actual returns in any given year may vary from this amount. To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through capital appreciation (realized and unrealized), rather than current yield (interest and dividends). The Organization targets a diversified asset allocation that places an emphasis on equity investments to achieve its long-term return objectives within prudent risk parameters. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

Spending Policy

The spending policy calculates the amount of money annually distributed from the Organization's endowment and quasi endowment. The current spending policy is to distribute an amount not to exceed 5% of the average market value for the preceding five years. The Organization has adopted this spending policy in order to protect the inviolate nature of the original corpus of gifts as well as to preserve the purchasing power of these funds into the future. For the funds for which no draw was taken, the Organization's policy is to spend the available funds on an as-needed basis for the purpose for which they were intended. In establishing this policy, the Organization considered the long-term expected return of its investment assets, the nature and duration of the individual endowment funds, many of which must be maintained in perpetuity because of donor restrictions, and the possible effects of inflation.

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: FBDD9B4F-B963-4F38-965C-50328CFFA2EA

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Chase Home for Children in Portsmouth, N.H. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on August 4, 2021 (item #15), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 7,157,418

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

5. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

6. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

   1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days.

The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

1.19.5.5. Previous assessments which have been completed including, but not limited to:

1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.

Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child,(and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge).
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

19. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

20. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge, Key performance metrics to read:

Transition & discharge	• Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge ◦ % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

21. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;

- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

This requested action includes five (5) contracts in addition to the nine (9) contracts presented to the Governor and Executive Council on July 14, 2021 (item #14). The Department plans to submit the remaining two (2) contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;
- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

Areas served: Statewide.

Source of Funds: CFDA #93.658, FAIN #2101NHFOST CFDA #93.558, FAIN# 2101NHTANF, CFDA #93.659, FAIN #2101NHADPT, CFDA #93.778, FAIN #2105NH5ADM

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Shibinette
Commissioner

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

EXHIBIT A

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services; available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. Staff Training and Development

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor shall choose to discharge when a child is in an acute psychiatric hospital for more than 7 days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of the

individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate, reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

1.13.14. The Contractor may deny admission to a program if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;
1.13.14.2. The age of the referred child is greatly different than the current milieu;
1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;
1.13.14.4. There are specialty Care needs revealed during their course of treatment;
1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match;
1.13.14.6. The individual's needs fall well outside the program model;

1.13.15. The Contractor may request a discharge for individuals from a residential treatment program if any of the following circumstances are applicable:
1.13.15.1. New information has indicated that the child requires specialty care that the current program does not offer;
1.13.15.2. The Child has increased aggression that has resulted in excessive property damage or physical harm to staff and self and is not improving over time, indicating a higher level of care is needed; and
1.13.15.3. The child's level of mental health symptoms have exceeded the level of care being provided at the program and an appropriate transition plan has been determined.

1.13.16. Contractor shall deliver treatment and provide services to accepted referrals until the child's level of need is reduced and their treatment goals have been met.

1.13.17. The Department will monitor denials, admissions, and discharges as part of continuous quality assurance and program outcomes and reserves the right to review and approve or deny denials.

1.14. Restraint and Seclusion Practices

1.14.1. The Contractor shall comply with RSA 126-U.

1.14.2. The Contractor shall utilize a de-escalation and restraint training which supports the limited use of restraint or seclusion in RSA 126-U and aligns with the Six Core Strategies ©.

1.14.3. The Contractor shall develop and implement policies and methods to reduce and eliminate use of restraint and seclusion practices by incorporating the Six Core Strategies for Reducing Seclusion and

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT
BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

DocuSign Envelope ID: C666A474-B38A-4177-91E3-337CCA3F94DA

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.

2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.

3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

Docusign Envelope ID: FBDD9B4F-B963-4F38-965C-50328CFFA2EA

DocuSign Envelope ID: C668A474-B88A-4177-91E3-337CCA3F94DA

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this Information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

State of New Hampshire
Department of Health and Human Services
Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Dover Children's Home ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021(Item #14), as amended on December 20, 2023 (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $9,253,945

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit C, Payment Terms; Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

   1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

   1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

   1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds

5. Modify Exhibit C, Payment Terms, Section 5.1. to read:

5.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under section 5.1.6. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments. For the purpose of establishing these rates, the Contractor must provide the Department with the following prescribed forms by April 1st, annually:

5.1.1. A Department stipulated Residential Rate Template completed with budgeted costs for the following state fiscal year;

5.1.2. A copy of the most recent independent financial audit;

5.1.3. If the provider does not have an audit, unaudited financial statements for the most recently completed fiscal year (to include balance sheet, cash flow statement, profit and loss, income statement and adjusted trail balance);

5.1.4. A program-level profit and loss statement for the program related to the services provided in this contract; and

5.1.5. Additional clarifying information may be required upon request.

5.1.6.

Program - Pilot House	
Residential for eligible youth per day until 6/30/2023	$182.66
Program - Children's Home	
Residential for eligible youth per day until 6/30/2023	$424.00

Program - Pilot House	
Residential for eligible youth per day effective 7/1/2023	$390.01
Program - Children's Home	
Residential for eligible youth per day effective 7/1/2023	$586.49

5.1.7. Billings shall occur on at least on a monthly basis and shall follow a process determined by the Department.

5.1.8. The Contractor shall work with the Department to support a sustainable rate structure.

6. Modify Exhibit C, Payment Terms, Section 5.5., to read:

5.5. Maximum allotment for daily rate expenditure for Department funded expenditures by fiscal year is as follows:

5.5.1. Sub-total: $8,914,754.00

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Dover Children's Home, Inc.

Qualified Opinion

We have audited the accompanying financial statements of Dover Children's Home, Inc. (a nonprofit organization), which comprise the statements of financial position as of September 30, 2023 and 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the financial statements referred to above present fairly, in all material respects, the financial position of Dover Children's Home, Inc. as of September 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Qualified Opinion

Due to the inadequacy of accounting records for the years prior to the year ended May 31, 2008 (the first year we were engaged as auditors), we were unable to form an opinion regarding the net assets of Dover Children's Home, Inc. and the related restrictions thereon (see **Note 6**).

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dover Children's Home, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Docusign Envelope ID: A85970F4-7614-45CF-9D1A-E511FB46491F

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dover Children's Home, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dover Children's Home, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dover Children's Home, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2023 AND 2022

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Dover Children's Home, Inc. (the Home) is a non-profit organization designed to provide a home for the reception, care and instruction of needy, neglected, or abused children. The majority of the Home's funding is from federal and state funds administered through the State of New Hampshire Department of Health and Human Services.

Basis of Presentation

The financial statements of the Home have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Home to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Home. These net assets may be used at the discretion of the Home's management and board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Home. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

As of September 30, 2023 and 2022, the Home had $4,274,403 and $4,060,938 of net assets with donor restrictions, respectively.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

Management uses estimates in preparing the financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. On an ongoing basis, management evaluates the estimates and assumptions based on new information. Management believes that the estimates and assumptions are reasonable in the circumstances, however, actual results could differ from those estimates.

Income Taxes
The Home is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities, and as a result of having no unrelated business activities for each of the years ended September 30, 2023 and 2022, has made no provision for Federal income taxes in the accompanying financial statements.

Management has reviewed the tax positions for the Home under ASC 740, *Accounting for Income Taxes*, which establishes the minimum threshold for recognizing, and a system for measuring, the benefits of tax return positions in financial statements. Management has analyzed the Home's tax positions taken on its information returns for the previous three tax years.

Cash and Cash Equivalents
The Home considers all highly liquid investments with an original maturity date of less than three months to be cash equivalents. The cash equivalents at September 30, 2023 and 2022 consist of money market accounts. Cash equivalents totaled $308,867 and $105,873 on September 30, 2023 and 2022, respectively.

Accounts Receivable
Accounts receivable represent amounts due from Medicaid and (Division for Children, Youth and Families) DCYF, as well as other small programs funded by the State of New Hampshire for the years ended September 30, 2023 and 2022. The amounts are based on the per diem rate paid for residents of the Home. The per diem rate is determined on an annual basis. Subsequent to September 30, 2023 the Home was notified of a rate increase that would be retroactive to July 1, 2023. The rate increase results in an additional amount due to the Home totaling $123,515 and is recorded as a receivable at September 30, 2023 (see **Note 8**).

The Home considers accounts receivable to be fully collectible. Accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations and an allowance will be created when that determination is made.

Accounts Receivable, other
At September 30, 2022, accounts receivable other includes $136,767 in reimbursement grant funds through the New Hampshire Department of Health and Human Services related to improvements made to the home (see **Note 8**).

Additionally, accounts receivable other includes fundraising revenue earned but not yet received totaling $30,569 and a promise to give in the amount of $12,128 at September 30, 2022. There were no accounts receivable, other at September 30, 2023.

Inventory, Food

Food inventories purchased for use in program residential services are carried at the lower of first-in, first-out cost or net realizable value.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statements of financial position. The values of the securities are subject to market fluctuations and are uninsured (see **Note 4**). Unrealized gains and losses and investment income from restricted investments are included in the change in net assets (see **Note 5**).

Property and Equipment

Property and equipment are recorded at cost, if purchased, or at fair value at the date of donation in the instance of donated property. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Costs for maintenance and repairs are charged against operations. Renewals and betterments which materially extend the life of the assets are capitalized.

Depreciation is provided over the life of the related assets using the straight line method as follows:

	Years
Buildings and building improvements	5 - 39
Furniture and equipment	5 - 15
Vehicles	5

Depreciation expense for the years ended September 30, 2023 and 2022 was $80,012 and $71,387, respectively.

Accrued Paid Time Off

Accrued paid time off represents the Home's liability for the cost of unused employee paid time off. The Home allows employees to carryover up to 120 hours of accrued paid time off which is payable when used or in the event of employee termination. The Home also allows employees to use amounts in excess of the 120 hours for medical or other approved leave. The amount in excess of the 120 hours will not be paid out in the event of termination. The excess hours represents $14,155 and $19,379 of the total accrued paid time off balance at September 30, 2023 and 2022, respectively. The Home's total liability for the accrued paid time off at September 30, 2023 and 2022, including the excess hours, is $60,591 and $72,831, respectively.

Functional Allocation of Expenses
The costs of providing the various program services, fundraising, and general and administrative support have been summarized on a functional basis. Natural expenses are defined by their nature, such as salaries, occupancy, supplies, etc. Functional expenses are classified by the type of activity for which expenses were incurred, such as management and general, fundraising and direct program costs. Expenses are allocated by function using a reasonable and consistent approach that is primarily based on function and use. The cost of providing certain program and supporting services have been directly charged.

Fair Value of Financial Instruments
The following methods and assumptions were used to estimate the fair value of each class of financial instruments for which it is practical to estimate the value:

Accounts receivables – The carrying value of these accounts approximates fair value due to their short term nature.

Investments – The fair value of investments are measured using a fair value hierarchy, which prioritizes the inputs used in measuring fair values (see **Note 5**).

Accounts payable, accrued expenses, and unearned income – The carrying value of these accounts approximates fair value due to the short term nature of the obligations.

Revenue Recognition - Grants
The Home is awarded cost reimbursement grants by the New Hampshire Department of Health and Human Services through Medicaid and the Division for Children Youth & Families. Revenues associated with these grants are recorded in the period the associated care is provided.

Revenue Recognition – Fundraising
The Home recognizes revenue from all fundraising related activities in the period in which the event occurs.

Contributions
All contributions are considered to be available for the general programs of the Home unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. Contributions are recognized in the period promised.

Contributed Support
Many individuals involved with the Home have donated significant time to its activities and programs; however, no amount has been recognized in these financial statements because the contributed services did not meet the requirements for recognition.

NOTE 2: LIQUIDITY AND AVAILABILITY

The following represents the Home's financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, are as follows at September 30:

	2023	2022
Financial assets at year-end:		
Cash and cash equivalents	$ 413,481	$ 251,522
Accounts receivable	206,698	56,859
Accounts receivable, other	-	179,464
Investments	4,548,648	4,538,696
Total financial assets	5,168,827	5,026,541
Less amounts not available to be used within one year:		
Restricted investments	4,257,153	4,044,208
Financial assets available to meet general expenditures over the next twelve months	$ 911,674	$ 982,333

It is the Home's goal to maintain financial assets to meet 6 months of operating expenses which approximated $1,073,000 and $977,000, respectively, at September 30, 2023 and 2022.

NOTE 3. CONCENTRATION OF CREDIT RISK

The Home maintains its cash balances at one local financial institution. At September 30, 2023 and 2022, there were no balances in excess of the Federal Deposit Insurance Corporation (FDIC) limit of $250,000. However, cash balances may exceed the insured limits at times throughout the year.

The Home received approximately 57% and 69% of its funding from Medicaid and the Division of Children, Youth and Families (DCYF) combined for the years ended September 30, 2023 and 2022, respectively. At September 30, 2023 and 2022, Medicaid and DCYF accounted for 99% and 82%, respectively, of the balance in accounts receivable.

NOTE 5. FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. Fair value should be based on the assumptions market participants would use when pricing an asset. US GAAP establishes a fair value hierarchy that prioritizes investments based on those assumptions. The fair value hierarchy gives the highest priority to quoted prices in active markets (observable inputs) and the lowest priority to an entity's assumptions (unobservable inputs). Dover Children's Home's assets at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are:

Level 1 - Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.

Level 2 - Other observable inputs, either directly or indirectly, including:

- Quoted prices for similar assets/liabilities in active markets;
- Quoted prices for identical or similar assets in non-active markets;
- Inputs other than quoted prices that are observable for the assets/liability; and,
- Inputs that are derived principally from or corroborated by other observable market data.

Level 3 - Unobservable inputs that cannot be corroborated by observable market data.

The following is a description of the valuation methodologies used for assets at fair value at September 30, 2023.

Equities: Valued at the closing price reported on the active market on which the equities are traded.

Fixed Income: Valued using pricing models maximizing the use of observable inputs for similar securities.

Real assets: Consist of real estate investment trust (REIT) stocks which are actively traded and are valued at the daily closing price as reported by the trust. These trusts are required to publish their daily net asset value (NAV) and to transact at that price. All REIT's held by the Home are open-end REIT's that are registered with the Securities and Exchange Commission.

NOTE 6. QUALIFIED OPINION

Due to the inadequacy of accounting records for the years prior to the year ended May 31, 2008, extensive research was performed in an attempt to reach a conclusion related to the restrictions of the Home's net assets and authorization related to the release of net assets from restrictions, if any. The research proved to be inconclusive, which has resulted in qualified opinions for the periods ended during 2008 through 2023 as it relates to the Home's net assets, the restrictions thereon, and authorization related to the release of net assets from restrictions, if any. Due to the uncertainty regarding the balance of net assets with donor restrictions, the Board has elected to treat all earnings on net assets with donor restrictions as net assets with donor restrictions, unless a transfer is made for operational purposes at the discretion of the Board of Directors, at which time the amount is transferred to net assets without donor restriction.

NOTE 7. RETIREMENT PLAN

Beginning January 1, 2023, the Home began a SIMPLE IRA retirement plan for its employees. The Plan covers all employees who meet defined eligibility requirements. Employee salary deferral contributions to the Plan are made at predetermined rates elected by the employees. The Home matches employee contributions up to 3%. Employer contributions totaled $10,642 for the year ended September 30, 2023.

NOTE 8. OTHER FUNDING

During the year ended September 30, 2022, the Home was awarded $331,655 under the terms of a reimbursement grant from the State of New Hampshire through the New Hampshire Department of Health and Human Services. The funds were for State approved updates to the Home's property. All funds had been expended during the year ended September 30, 2022. The Home had received $194,888 in reimbursements as of September 30, 2022. The remaining $136,767 of reimbursements requested are included in accounts receivable, other at September 30, 2022 and were received during the year ended September 30, 2023.

During the year ended September 30, 2023, the Home received a Workforce Development grant in the amount of $81,386 to recruit and retain residential treatment providers.

During the year ended September 30, 2023, the Home received $116,569 through the Governor's Office for Emergency Relief and Recovery (GOFERR). These funds were used for necessary repairs and improvements to the Home. The funds will be forgiven in October of 2024 as long as the Home continues to provide services to youth.

During the year ended September 30, 2023, the Home received notification of a rate increase from the State of New Hampshire through the New Hampshire Department of Health and Human Services for Medicaid and the Division for Children Youth & Families (DCYF) billing. This rate increase was retroactively applied to be effective 7/1/2023. During the year ended September 30, 2023, the Home recognized revenue and accounts receivable totaling $123,515 relating to the retroactively applied rate increase as the funds would be received subsequent to year end.

NOTE 9. LEGAL MATTERS

During the year ended September 30, 2023, the Home was named in a lawsuit between the Division for Children Youth & Families (DCYF) which is affiliated with the State of New Hampshire, and various individuals who had been housed at the Home between the years of 1987 and 2006. The litigation is surrounding the wrongful care of the individuals during their time at the Home. At September 30, 2023 the lawsuit was still ongoing, and therefore no loss, if any, could be estimated.

NOTE 10. IN-KIND CONTRIBUTIONS

The Home records the value of in-kind contributions according to accounting policies described in **Note 1**.

The fair value of gifts in kind included as contributions in the financial statements and the corresponding expenses for the year ended September 30, 2023 and 2022 are as follows:

Docusign Envelope ID: A85970F4-7614-45CF-9D1A-E511FB46491F

	2023	2022
Donated food	$ 24,058	$ 25,972
Donated gift cards	13,475	21,812
Donated electronics	75	880
Donated heating fuel	2,911	4,396
Total	$ 40,519	$ 53,060

NOTE 11. RECLASSIFICATION

Certain amounts and accounts from the prior year financial statements have been reclassified to enhance the comparability with the presentation of the current year.

NOTE 12. SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of financial position date, but before financial statements are available to be issued. Recognized subsequent events are events or transactions that provide additional evidence about conditions that existed at the statement of financial position date, including the estimates inherent in the process of preparing financial statements. Non-recognized subsequent events are events that provide evidence about conditions that did not exist at the statement of financial position date, but arose after that date. Management has evaluated subsequent events through February 28, 2024, the date the financial statements were available to be issued.

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Docusign Envelope ID: A85970F4-7614-45CF-9D1A-E511FB46491F

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: A85970F4-7614-45CF-9D1A-E511FB46491F

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Dover Children's Home ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021(item #14), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar

days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

1.19.5.5. Previous assessments which have been completed including, but not limited to:

1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.
Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.

Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

19. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

20. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge,

Key performance metrics to read:

Transition & discharge	• Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge • % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

21. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These

Individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached. This requested action includes nine (9) contracts and the Department plans to submit seven (7) additional contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;

- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference:

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

DS
KT

1.8.1. Shall be licensed and certified. Those that are not currently certified, licensed and accredited, shall complete these requirements within 6 months from contract approval, unless otherwise agreed upon by the Department.

1.8.2. Shall comply with all federal, and state laws, regulations, and rules, as follows, but are not limited to:

1.8.2.1. RSA 170-E;
1.8.2.2. RSA 170-G:8;
1.8.2.3. RSA 126-U;
1.8.2.4. RSA 135-F;
1.8.2.5. He-C 4001;
1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. **Staff Training and Development**

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique Identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.

2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.

3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

DocuSign Envelope ID: B743458F-D093-497A-8949-1404B1615CDA

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

State of New Hampshire
Department of Health and Human Services
Amendment #3

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Easter Seals New Hampshire, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (Item #14), as amended on December 20,2023 (Item #32C), as amended on August 7, 2024 (Item #9), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $50,010,526

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

5. Modify Exhibit C, Payment Terms, Section 4.1. to read:

4.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under section 4.1.6. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments. For the purpose of establishing these rates, the Contractor must provide the Department with the following prescribed forms by April 1st, annually:

4.1.1. A Department stipulated Residential Rate Template completed with budgeted costs for the following state fiscal year;

4.1.2. A copy of the most recent independent financial audit;

4.1.3. If the provider does not have an audit, unaudited financial statements for the most recently completed fiscal year (to include balance sheet, cash flow statement, profit and loss, income statement and adjusted trail balance);

4.1.4. A program-level profit and loss statement for the program related to the services provided in this contract; and

4.1.5. Additional clarifying information may be required upon request.

4.1.6.

INDEPENDENT AUDITORS' REPORT

Board of Directors
Easter Seals New Hampshire, Inc. and Subsidiaries

Opinion

We have audited the consolidated financial statements of Easter Seals New Hampshire, Inc. and Subsidiaries (Easter Seals NH), which comprise the consolidated statements of financial position as of August 31, 2023 and 2022, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Easter Seals NH as of August 31, 2023 and 2022, and the results of their operations, changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Easter Seals NH and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Notes 2 and 7 to the financial statements, in 2023, Easter Seals NH has changed their method of accounting for leases, effective September 1, 2022, due to the adoption of Accounting Standards Codification Topic 842, *Leases*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Docusign Envelope ID: DAFFD6EB-55F8-4AE2-81D8-5A3B7A1AD71D

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Easter Seals NH's ability to continue as a going concern for a period of within one year after the date that the financial statements are issued or available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Easter Seals NH's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Easter Seals NH's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Financial Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying other financial information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Board of Directors
Easter Seals New Hampshire, Inc. and Subsidiaries

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 22, 2023 on our consideration of Easter Seals NH's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Easter Seals NH's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Easter Seals NH's internal control over financial reporting and compliance.

EASTER SEALS NEW HAMPSHIRE, INC. AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

August 31, 2023 and 2022

1. Corporate Organization and Purpose

Easter Seals New Hampshire, Inc. and Subsidiaries (Easter Seals NH) consists of various separate nonprofit entities: Easter Seals New Hampshire, Inc. (parent and service corporation); Manchester Alcoholism Rehabilitation Center (Farnum Center); Easter Seals Maine, Inc. (up to August 31, 2022); and Easter Seals Vermont, Inc. (Easter Seals VT). Additionally, Champlin Place, Inc., was formed on June 30, 2022 and was 100% owned by Easter Seals New Hampshire, Inc. In April 2023, Easter Seals NH transferred a 21% interest in Champlin Place, Inc. to Housing Affordability Partnership, LLC. Champlin Place, Inc. is the sole General Partner of Champlin Place Limited Partnership (the Partnership). Champlin Place, Inc. has a 0.01% ownership interest in the Partnership, but oversees certain management and operational aspects of the Partnership subject to the terms set forth in the limited partnership agreement. See note 15. Easter Seals New Hampshire, Inc. is the sole member of each subsidiary, aside from Champlin Place, Inc. for which they have a 79% interest. Easter Seals NH is affiliated with Easter Seals, Inc. (the national headquarters for the organization).

Effective August 31, 2022, Easter Seals Maine, Inc. was dissolved, and all assets were transferred to Easter Seals New Hampshire, Inc.

Easter Seals NH's purpose is to provide plans of care comprised of thoughtfully integrated services that help those with varied abilities live, learn, work, and play throughout their lifetimes. Easter Seals NH operates programs throughout New Hampshire and Vermont.

2. Summary of Significant Accounting Policies

Principles of Consolidation and Noncontrolling Interests

The consolidated financial statements include the accounts of Easter Seals New Hampshire, Inc. and the subsidiaries of which it is the sole member and the less-than-wholly-owned subsidiary of which they maintain a controlling interest as described in notes 1 and 15. As Champlin Place, Inc. has only a 0.01% owned interest in the project described in note 15, which has not yet commenced planned principal operations, there are no revenue and expenses attributed to the entity to date. Accordingly, there is no investment in the less-than-wholly-owned subsidiary to present separately in the accompanying consolidated statements of financial position, and no increase (decrease) in net assets attributed to the controlling and noncontrolling interests to present separately in the accompanying consolidated statements of activities and changes in net assets. Significant intercompany accounts and transactions have been eliminated in consolidation.

Cash, Cash Equivalents and Restricted Cash

Easter Seals NH considers all highly liquid securities purchased with an original maturity of 90 days or less to be cash equivalents. Cash equivalents consist of cash, and money market funds, excluding assets limited as to use.

Docusign Envelope ID: DAFFD6EB-55F8-4AE2-81D8-5A3B7A1AD71D

2. Summary of Significant Accounting Policies (Continued)

Easter Seals NH maintains its cash and cash equivalents in bank deposit accounts which, at times, may exceed amounts guaranteed by the Federal Deposit Insurance Corporation. Financial instruments which subject Easter Seals NH to credit risk consist primarily of cash equivalents and investments. Easter Seals NH's investment portfolio consists of diversified investments, which are subject to market risk. Investments that exceeded 10% of investments include the Lord Abbett Short Duration Income A Fund with a balance of $10,229,900 and $10,055,500 as of August 31, 2023 and 2022, respectively.

Restricted cash represents reserve accounts held by New Hampshire Housing Finance Authority (NHHFA) for insurance, taxes, replacement costs and operations as well as security deposit accounts held for tenants.

The following table provides a reconciliation of cash and cash equivalents and restricted cash reported within the consolidated statements of financial position that sum to the total of the same such amounts shown in the consolidated statements of cash flows at August 31:

	2023	2022
Cash and cash equivalents	$8,218,081	$14,837,761
Restricted cash	99,784	79,819
	$8,317,865	$14,917,580

Assets Limited as to Use and Investments

Assets limited as to use consists of cash and cash equivalents, short-term certificates of deposit with original maturities greater than 90 days, but less than one year, and investments. Investments are stated at fair value. Realized gains and losses on investments are computed on a specific identification basis. The changes in net unrealized and realized gains and losses on investments are recorded in other non-operating expenses, gains and losses in the accompanying consolidated statements of activities and changes in net assets. Donated securities are stated at fair value determined at the date of donation.

Beneficial Interest in Trust

Easter Seals NH is the beneficiary of a trust held by others recorded in other assets in the accompanying consolidated statements of financial position. Easter Seals NH has recorded as an asset the fair value of its interest in the trust and such amount is included in net assets with donor restrictions, based on the underlying donor stipulations. The change in the interest due to fair value change is recorded within other non-operating expenses, gains and losses as activity with donor restrictions.

Fixed Assets

Fixed assets are recorded at cost less accumulated depreciation and amortization. Expenditures for maintenance and repairs are charged to expense as incurred, and expenditures for major renovations are capitalized. Depreciation is computed on the straight-line method over the estimated useful lives of the underlying assets. Leasehold improvements are amortized using the straight-line method over the shorter of the lease term or the estimated useful life of the asset.

Docusign Envelope ID: DAFFD6EB-55F8-4AE2-81D8-5A3B7A1AD71D

2. Summary of Significant Accounting Policies (Continued)

Fixed assets obtained by Easter Seals NH as a result of acquisitions on or after September 1, 2011 are recorded at estimated fair value as of the date of the acquisition in accordance with generally accepted accounting principles guidance for acquisitions by a not-for-profit entity.

Donated property and equipment not subject to donor stipulated conditions is recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support or, if significant uncertainties exist, as deferred revenue pending resolution of the uncertainties. In the absence of such stipulations, contributions of property and equipment are recorded as support without donor restrictions.

Internal-Use Software Costs

The Company expenses costs incurred in the preliminary project stage of developing or acquiring internal use software, such as research and feasibility studies as well as costs incurred post implementation operational stage, such as maintenance and training. Capitalization of internal-use software costs occurs only after the preliminary-project stage is complete, management authorizes the project and it is probable that the project will be completed and the software will be used for the function intended. There were $736,658 of internal-use software costs capitalized during the year ended August 31, 2023. These amounts are recorded in intangible assets in the accompanying 2023 consolidated statement of financial position. There were no internal-use software costs capitalized for the year ended August 31, 2022. The capitalized costs will be amortized on a straight-line basis over the estimated useful life of the software, generally up to 5 years, once placed in service. There was no amortization expense recognized in 2023.

Long-Lived Assets

When there is an indication of impairment, management considers whether long-lived assets are impaired by comparing gross future undiscounted cash flows expected to be generated from utilizing the assets to their carrying amounts. If cash flows are not sufficient to recover the carrying amount of the assets, impairment has occurred, and the assets are written down to their fair value. Significant estimates and assumptions are required to be made by management in order to evaluate possible impairment.

No long-lived assets were deemed impaired in 2023. Certain long-lived assets were deemed impaired in 2022. See note 8.

Bond Issuance Costs

Bond issuance costs are being amortized to interest expense using the straight-line method over the repayment period of the related bonds, or the expected time until the next refinancing, whichever is shorter. Interest expense recognized on the amortization of bond issuance costs during 2023 and 2022 was $6,110. The bond issuance costs are presented as a component of long-term debt on the accompanying consolidated statements of financial position.

Revenue Recognition and Program and Other Accounts Receivable

Easter Seals NH accounts for revenues (mainly relating to fees and tuition in the accompanying consolidated statements of activities and changes in net assets) under Accounting Standards Codification (ASC) 606, *Revenue from Contracts with Customers*, and determines the amount of revenue to be recognized through application of the following steps:

- Identification of the contract with a customer;
- Identification of the performance obligations in the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the performance obligations in the contract; and
- Recognition of revenue when or as Easter Seals NH satisfies the performance obligations.

Easter Seals NH determines the transaction price based on standard charges for goods and services provided, reduced by any applicable discounts, contractual adjustments provided to third-party payors, or explicit and implicit price concessions provided to groups or individuals. A performance obligation is a promise in a contract with a customer to transfer products or services that are distinct. Determining whether products and services are distinct performance obligations that should be accounted for separately or combined as one unit of accounting may require significant judgement.

A significant portion of Easter Seals NH's revenues are derived through arrangements with third-party payors that provide for payment at amounts different from its established rates. Payment arrangements include discounted charges and prospectively determined payments. As such, Easter Seals NH is dependent on these payors in order to carry out its operating activities. There is at least a reasonable possibility that recorded estimates could change by a material amount in the near term. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in fees and tuition in the year that such amounts become known.

Revenues are recognized when performance obligations are satisfied, or attributable to the period in which specific terms of the funding agreement are satisfied, and to the extent that expenses have been incurred for the purposes specified by the funding source. Revenue balances in excess of the foregoing amounts are deferred until any restrictions are met or allowable expenditures are incurred.

2. Summary of Significant Accounting Policies (Continued)

The collection of outstanding receivables from third-party payors, patients and other clients is Easter Seals NH's primary source of cash and is critical to its operating performance. The primary collection risks relate to uninsured accounts, including accounts for which the primary insurance carrier has paid the amounts covered by the applicable agreement, but individual responsibility amounts (deductibles and copayments) remain outstanding. Implicit price concessions relate primarily to amounts due directly from patients and other clients. Estimated implicit price concessions are recorded for all uninsured accounts, regardless of the aging of those accounts. Accounts are written off when all reasonable internal and external collection efforts have been performed. The estimates for implicit price concessions are based upon management's assessment of historical write-offs and expected net collections, business and economic conditions, trends in federal, state and private employer health care coverage and other collection indicators. Management relies on the results of detailed reviews of historical write-offs and collections at facilities and programs that represent a majority of revenues and accounts receivable (the "hindsight analysis") as a primary source of information in estimating the collectability of accounts receivable. Management performs the hindsight analysis regularly, utilizing rolling accounts receivable collection and write-off data. Management believes its regular updates to the estimated implicit price concession amounts provide reasonable estimates of revenues and valuations of accounts receivable. These routine, regular changes in estimates have not resulted in material adjustments to the valuations of accounts receivable or period-to-period comparisons of operations. At August 31, 2023, 2022, and 2021, estimated implicit price concessions of $871,700, $855,900, and $1,079,600, respectively, had been recorded as reductions to program and other accounts receivable balances to enable Easter Seals NH to record revenues and accounts receivable at the estimated amounts expected to be collected.

Unconditional contributions are recognized when the promise to give is made and are recorded at the net present value of estimated future cash flows.

Advertising

Easter Seals NH's policy is to expense advertising costs as incurred.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying consolidated statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services based mainly on time records and estimates made by Easter Seals NH's management.

Charity Care (Unaudited)

Easter Seals NH has a formal charity care policy under which program fees are subsidized as determined by the Board of Directors. Free and subsidized services are rendered in accordance with decisions made by the Board of Directors and, at established charges, amounted to approximately $9,020,000 and $8,099,000 for the years ended August 31, 2023, and 2022, respectively.

Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, *Leases* (Topic 842), which requires that lease arrangements longer than twelve months result in an entity recognizing an asset and liability. The pronouncement is effective for Easter Seals NH beginning September 1, 2022. See note 7.

At inception of a contract, Easter Seals NH determines whether that contract is or contains a lease. Easter Seals NH determines whether a contract contains a lease by assessing whether there is an identified asset and whether the contract conveys the right to control the use of the identified asset for a period of time in exchange for consideration. The organization has control of the asset if it has the right to direct the use of the asset and obtains substantially all of the economic benefits from the use of the asset throughout the period of use. This determination is reassessed if the terms of the contract are changed.

Easter Seals NH leases residential and office space (real estate) under non-cancellable operating leases. The carrying value of the organization's right-of-use lease assets is substantially concentrated in its real estate leases. As a practical expedient, Easter Seals NH does not recognize a lease asset or lease liability for leases with a lease term of 12 months or less. In the determination of the lease term, the organization considers the existence of extension or termination options and the probability of those options being exercised.

Leases are classified as operating or finance leases based on the terms of the lease agreement and certain characteristics of the identified asset. Right-of-use assets represent Easter Seals NH's right to use an underlying asset during the lease term and lease liabilities represent the organization's obligation to make lease payments arising from the lease. Right-of-use assets and liabilities are recognized at the commencement date, based on the net present value of fixed lease payments over the lease term. Lease terms include options to extend or terminate the lease when it is reasonably certain that the options will be exercised.

At the lease commencement date, the discount rate implicit in the lease is used to discount the lease liability if readily determinable. If not readily determinable or leases do not contain an implicit rate, Easter Seals NH has made a policy election to use a risk-free rate as the discount rate for all classes of underlying assets.

In addition to rent, the leases may require Easter Seals NH to pay additional amounts for taxes, insurance, maintenance and other expenses, which are generally referred to as nonlease components. For all asset classes, the organization has elected the lessee practical expedient to combine lease and nonlease components and account for the combined unit as a single lease component. Variable nonlease components are treated as variable lease payments and recognized in the period in which the obligation for these payments was incurred.

Income Taxes

Easter Seals New Hampshire, Inc., Easter Seals Maine, Inc. (prior to dissolution on August 31, 2022), Easter Seals VT and Farnum Center are exempt from both federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code, with the exception of certain federal taxes applicable to not-for-profit entities.

2. Summary of Significant Accounting Policies (Continued)

Tax-exempt organizations could be required to record an obligation for income taxes as the result of a tax position historically taken on various tax exposure items including unrelated business income or tax status. In accordance with U.S. GAAP, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position.

Champlin Place, Inc. is a for-profit organization subject to Federal and state taxes. Deferred income taxes of Champlin Place, Inc. are computed using the asset and liability method under which deferred income tax assets and liabilities are computed based on temporary differences between the financial statement and tax bases of assets and/or liabilities which will result in taxable or deductible amounts on future tax returns. Champlin Place, Inc. records a valuation allowance against any deferred tax assets when it determines it is unlikely that the tax asset will be realized. No significant deferred income taxes have been realized for Champlin Place, Inc. since the entity's inception.

Management has evaluated tax positions taken by Easter Seals New Hampshire, Inc., Easter Seals Maine, Inc., Easter Seals VT and Farnum Center on their respective filed tax returns and concluded that the organizations have maintained their tax-exempt status, do not have any significant unrelated business income, and have taken no uncertain tax positions that require adjustment to or disclosure in the accompanying consolidated financial statements. Champlin Place, Inc.'s management has determined that Champlin Place, Inc. has not taken, nor expects to take, any uncertain tax positions in any income tax return.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Estimates are used in accounting for explicit and implicit price concessions in revenue, workers' compensation liabilities and contingencies.

Derivatives and Hedging Activities

Accounting guidance requires that Easter Seals NH record as an asset or liability the fair value of the interest rate swap agreement described in note 11. Easter Seals NH is exposed to repayment loss equal to the net amounts receivable under the swap agreement (not the notional amount) in the event of nonperformance of the other party to the swap agreement. However, Easter Seals NH does not anticipate nonperformance and does not obtain collateral from the other party.

As of August 31, 2023, and 2022, Easter Seals NH had recognized a liability of $531,680 and $995,184, respectively, as a result of the interest rate swap agreements discussed in note 11. As a result of changes in the fair value of these derivative financial instruments, Easter Seals NH recognized an increase in net assets of $463,504 and $1,243,067 for the years ended August 31, 2023 and 2022, respectively, in the accompanying consolidated statements of activities and changes in net assets.

Increase in Net Assets from Operations

For purposes of display, transactions deemed by management to be ongoing, major or central to the provision of services are reported as revenue and expenses that comprise the increase in net assets from operations. The primary transactions reported as other non-operating expenses, gains and losses include the adjustment to fair value of interest rate swaps, the change in the fair value of beneficial interest in trust held by others, gains and losses on sales, disposals and impairment of fixed assets and net realized and unrealized gains and losses on investments.

Subsequent Events

Events occurring after the statement of financial position date are evaluated by management to determine whether such events should be recognized or disclosed in the consolidated financial statements. Management has evaluated events occurring between the end of Easter Seals NH's fiscal year end and December 22, 2023, the date these consolidated financial statements were available to be issued.

3. Classification of Net Assets

The following provides a description of the net asset classifications represented in the Easter Seals NH consolidated statements of financial position:

In accordance with *Uniform Prudent Management of Institutional Funds Act* (UPMIFA), net assets are classified and reported based on the existence or absence of donor-imposed restrictions. Net assets with donor restrictions include contributions and endowment investment earnings subject to donor-imposed restrictions, as well as irrevocable trusts and contributions receivable. Some donor-imposed restrictions are temporary in nature with restrictions that are expected to be met either by actions of Easter Seals NH and/or the passage of time. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources are to be maintained in perpetuity, the income from which is expendable to support all activities of the organization, or as stipulated by the donor.

Donor-restricted contributions whose restrictions are met within the same year as received are reported as support without donor restrictions in the accompanying consolidated financial statements.

In accordance with UPMIFA, Easter Seals NH considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (a) the duration and preservation of the fund; (b) the purpose of the organization and the donor-restricted endowment fund; (c) general economic conditions; (d) the possible effect of inflation and deflation; (e) the expected total return from income and the appreciation of investments; (f) other resources of the organization; and (g) the investment policies of the organization.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of donor-imposed restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

3. Classification of Net Assets (Continued)

Endowment Net Asset Composition by Type of Fund

The major categories of endowment funds included in net assets with donor restrictions at August 31, 2023 and 2022 are as follows:

	Original Donor Restricted Gift Maintained in Perpetuity	Accumulated Investment Gains	Total
2023			
Other initiatives	$1,483,715	$75,412	$1,559,127
Operations	3,835,088	–	3,835,088
Total endowment net assets	$5,318,803	$75,412	$5,394,215
2022			
Other initiatives	$1,462,085	$26,757	$1,488,842
Operations	3,838,633	–	3,838,633
Total endowment net assets	$5,300,718	$26,757	$5,327,475

Changes in Endowment Net Assets

During the years ended August 31, 2023 and 2022, Easter Seals NH had the following endowment-related activities:

Net endowment assets, August 31, 2021	$5,377,829
Investment return:	
Investment income, net of fees	66,470
Net appreciation (realized and unrealized), net	12,536
Contributions	96,811
Appropriated for expenditure	(226,171)
Net endowment assets, August 31, 2022	5,327,475
Investment return:	
Investment income, net of fees	13,098
Net appreciation (realized and unrealized), net	14,857
Contributions	59,485
Appropriated for expenditure	(20,700)
Net endowment assets, August 31, 2023	$5,394,215

3. Classification of Net Assets (Continued)

Net assets were released from donor restrictions as follows for the years ended August 31:

	2023	2022
Satisfaction of donor restrictions	$346,588	$223,756
Release of appropriated endowment funds	20,700	226,171
	$367,288	$449,927

In addition to endowment net assets, Easter Seals NH also maintains non-endowed funds. The major categories of non-endowment funds, at August 31, 2023 and 2022 are as follows:

	Without Donor Restrictions	With Donor Restrictions	Total Non-Endowment Net Assets
2023			
Other initiatives	$ –	$492,554	$ 492,554
Operations	40,782,371	164,009	40,946,380
Total non-endowment net assets	$40,782,371	$656,563	$41,438,934
2022			
Other initiatives	$ 134,429	$466,798	$ 601,227
Operations	37,316,437	184,442	37,500,879
Total non-endowment net assets	$37,450,866	$651,240	$38,102,106

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires Easter Seals NH to retain as a fund of permanent duration. Deficiencies of this nature are reported in net assets with donor restrictions. There were no deficiencies between the fair value of the investments of the endowment funds and the level required by donor stipulation at August 31, 2023 or 2022.

3. Classification of Net Assets (Continued)

Net assets with donor restrictions

Net assets with donor restrictions are available for the following purposes at August 31:

	2023	2022
Purpose restriction:		
Other initiatives	$ 492,554	$ 466,798
Operations	33,500	47,200
	526,054	513,998
Perpetual in nature:		
Original donor restricted gift amount and amounts required to be maintained by donor	5,323,069	5,307,363
Investments, gains and income from which is donor restricted	75,411	26,757
Beneficial interest in perpetual trust	126,244	130,597
	5,524,724	5,464,717
Total net assets with donor restrictions	$6,050,778	$5,978,715

Net assets with donor restrictions are managed in accordance with donor intent and are invested in various portfolios.

Investment and Spending Policies

Easter Seals NH has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that Easter Seals NH must hold in perpetuity or for a donor-specified period. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of an appropriate market index while assuming a moderate level of investment risk. Easter Seals NH expects its endowment funds to provide an average rate of return over a five-year period equal to the rate of 2% over the inflation rate. Actual returns in any given year may vary from this amount.

To satisfy its long-term rate-of-return objectives, Easter Seals NH relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Easter Seals NH targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Easter Seals NH may appropriate for distribution some or all of the earnings and appreciation on its endowment for funding of operations. In establishing this policy, Easter Seals NH considered the objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to, so long as it would not detract from Easter Seals NH's critical goals and initiatives, provide additional real growth through new gifts and investment return.

4. Liquidity and Availability

Financial assets available for general expenditure, such as for operating expenses, and which are without donor or other restrictions limiting their use, within one year of the consolidated statements of financial position date (August 31, 2023), comprise the following:

Cash and cash equivalents	$ 8,218,081
Short-term investments, at fair value	10,230,068
Program and other accounts receivable	14,392,502
Accounts receivable from related entity	1,818,919
Contributions receivable, net	128,919
	34,788,489
Investments, at fair value	13,661,880
	48,450,369
Less: net assets with donor restrictions	(5,924,534)
	$42,525,835

To manage liquidity, Easter Seals NH maintains sufficient cash and cash equivalent balances to support daily operations throughout the year. Cash and cash equivalents include bank deposits, money market funds, and other similar vehicles that generate a return on cash and provide daily liquidity to Easter Seals NH. The management of Easter Seals NH has implemented a practice to establish cash reserves on hand that can be utilized at the discretion of management to help fund both operational needs and/or capital projects. As of August 31, 2023, and 2022, approximately $9,300,000 and $10,200,000, respectively, of cash and cash equivalents, and approximately $10,230,000 and $10,056,000, respectively, of investments were on-hand under this practice. Because such funds are available and may be used in current operations, they have been classified as current in the accompanying consolidated statements of financial position.

5. Contributions Receivable

Contributions receivable from donors as of August 31, 2023 and 2022 are $155,248 and $197,962, respectively, net of an allowance for doubtful accounts of $22,329 and $17,329, respectively. The long-term portion of contributions receivable is recorded in other assets in the accompanying consolidated statements of financial position. Gross contributions are due as follows at August 31, 2023:

2024	$151,248
2025	2,000
2026	1,000
2027	1,000
	$155,248

	$61,914,620	$31,630,150	$ 93,544,770

Revenues related to providing health services are recorded at the contracted rate for those that involved a third-party payor and less any implicit price concession. Substantially all such adjustments in 2023 and 2022 are related to Farnum Center. A breakdown of Farnum Center's revenue reflected in fees and tuition in 2023 and 2022 from major payor sources is as follows:

	2023	2022
Private payors (includes coinsurance and deductibles)	$1,325,768	$ 1,633,018
Medicaid	4,132,636	4,279,742
Medicare	5,359	14,237
Self-pay	313,518	24,668
	$5,777,281	$ 5,951,665

6. Revenues (Continued)

In response to the coronavirus (COVID-19) pandemic, Easter Seals NH qualified for certain federal grant funding through the *Coronavirus Aid, Relief and Economic Security Act* (CARES Act) and CARES Act Provider Relief Funding. In 2023 and 2022, Easter Seals NH received approximately $4,850,000 and $1,846,000, respectively, of which approximately $1,600,000 and $900,000, respectively, was paid to employees either in the form of bonuses for retention and recruitment or employees who qualified for the additional payments under certain programs. Easter Seals NH also entered a Payroll Protection Program loan in 2021 which was forgiven on February 2, 2022 (see note 11).

7. Operating Leases

ASC 842 became effective for Easter Seals NH on September 1, 2022 and was adopted using the modified retrospective method for all leases that had commenced as of the effective date, along with certain available practical expedients. The organization elected to adopt the package of practical expedients permitted under the transition guidance within the new standard. The practical expedient package applied to leases that commenced prior to the effective date of the new standard and permits a reporting entity not to: i) reassess whether any expired or existing contracts are or contain leases, ii) reassess the historical lease classification for any expired or existing leases, and iii) reassess initial direct costs for any existing leases. The reporting results for fiscal year 2023 reflect the application of ASC 842 guidance while the historical results for fiscal year 2022 were prepared under the guidance of ASC 840. The adoption of the new standard did not have a significant impact on Easter Seals NH's consolidated statements of activities and changes in net assets and cash flows. The adoption of the new standard resulted in the recording of right-of-use assets and corresponding lease liabilities pertaining to the organization's operating leases on the 2023 consolidated statement of financial position. As of the date of adoption, right-of-use assets and operating lease liabilities totaling approximately $2,807,000 were established in the consolidated statement of financial position.

Right-of use assets and lease liabilities are reported in the statement of financial position as follows at August 31, 2023:

Assets:	
Operating lease right-of-use assets	$2,651,831
Liabilities:	
Current portion of operating lease liabilities	$ 905,606
Operating lease liabilities, net of current portion	1,772,949
Total lease liabilities	$2,678,555

The components of lease cost and rent expense for the year ended August 31, 2023 are as follows:

Operating lease costs	$1,292,446
Variable lease costs	96,808
Total lease costs	$1,389,254

Docusign Envelope ID: DAFFD6EB-55F8-4AE2-81D8-5A3B7A1AD71D

7. Operating Leases (Continued)

Lease term and discount rate are as follows at August 31, 2023:

Weighted-average remaining lease term in years	3.87
Weighted-average discount rate	3.38%

As of August 31, 2023, maturities of operating lease liabilities for each of the following five years and a total thereafter were as follows:

2024	$ 978,007
2025	635,797
2026	513,045
2027	458,164
2028	154,381
Thereafter	115,380
Total future minimum lease payments	2,854,774
Less amounts representing interest	176,219
Total lease liabilities	$2,678,555

10. Retirement Plans

Easter Seals NH maintains a Section 403(b) Plan (a defined contribution retirement plan), which covers substantially all employees. Eligible employees may contribute any whole percentage of their annual salary. Easter Seals NH makes a matching contribution for eligible employees equal to 100% of the participants' elective deferrals limited to 3% of the participants' allowable compensation each pay period. The combined amount of employer and employee contributions is subject by law to annual maximum amounts. The employer match was approximately $895,000 and $645,000 for the years ended August 31, 2023 and 2022, respectively.

Easter Seals NH offers, to certain management personnel, the option to participate in an Internal Revenue Code Section 457 Deferred Compensation Plan to which the organization may make a discretionary contribution. The employees' accounts are not available until termination, retirement, death or an unforeseeable emergency. Easter Seals NH contributed approximately $88,000 and $101,210 to this plan during the years ended August 31, 2023 and 2022, respectively. The assets and liabilities associated with this plan were $1,972,288 and $1,837,445 at August 31, 2023 and 2022, respectively, and are included within assets limited as to use and other liabilities in the accompanying consolidated statements of financial position.

Lines of Credit and Other Financing Arrangements

Easter Seals New Hampshire, Inc. has an agreement with a bank for a $500,000 revolving equipment line, which can be used to fund the purchase of New Hampshire titled vehicles for use by Easter Seals New Hampshire, Inc. on demand. Advances are converted to term notes as utilized. The interest rate charged on outstanding borrowings is a fixed rate equal to the then Business Vehicle Rate at the time of the advance for maturities up to a five-year term. Included in long-term debt are eight notes payable totaling $94,393 and eight notes payable totaling $174,119 at August 31, 2023 and 2022, respectively, which originated under this agreement. Availability under this agreement at August 31, 2023 and 2022 is $405,607 and $325,881, respectively.

On August 31, 2015, Easter Seals New Hampshire, Inc. entered into a revolving line of credit with a bank. On February 26, 2019, an amendment changed the borrowing availability from $4 million to $7 million (a portion of which is secured by available letters of credit of $24,000). On July 16, 2020, an amendment changed the outstanding advances from due on demand to a firm maturity date of June 30, 2022 and the interest rate charged on outstanding borrowings was revised to be the one-month LIBOR rate plus 2.25%. On June 29, 2022, an amendment changed the interest rate charged on outstanding borrowings to be the one-month Bloomberg Short Term Bank Yield Index (BSBY) rate plus 2.25% (7.62% at August 31, 2023). In 2023, the maturity date was extended to June 30, 2024. Under an event of default, the interest rate will increase from the one-month BSBY rate plus 2.25% to the then applicable interest rate plus 5.00%. The line is secured by a first priority interest in all business assets of Easter Seals New Hampshire, Inc. with guarantees from Easter Seals Vermont, Inc. and Farnum Center. The agreement requires that collective borrowings under the line of credit be reduced to $1,000,000 for 30 consecutive days during each calendar year. There were no amounts outstanding under this revolving line of credit agreement at August 31, 2023 and 2022.

NHHEFA 2016A and 2016B Revenue Bonds

On December 20, 2016, Easter Seals New Hampshire, Inc. issued $13,015,000 in Series 2016A Tax Exempt Revenue Bonds. These bonds were used to refinance the Series 2004A Revenue Bonds.

Also, on December 20, 2016, Easter Seals New Hampshire, Inc. issued $9,175,000 in Series 2016B Tax Exempt Revenue Bonds. The bonds were issued to refinance an existing mortgage and to obtain funds for certain planned capital projects.

Mortgage Notes Payable

On February 18, 2015, Easter Seals New Hampshire, Inc. and Farnum Center entered into a $2,480,000 mortgage note payable to finance the acquisition of certain property located in Franklin, New Hampshire. The initial interest rate charged is fixed at 3.25%. Monthly principal and interest payments are $12,200, and all remaining outstanding principal and interest is due on February 18, 2030. The note is secured by the property.

11. Borrowings (Continued)

Effective July 1, 2021, Easter Seals New Hampshire, Inc. has assumed responsibility of the agreement that was made between The Way Home, Inc. (the Organization) and NHHFA dated October 11, 2001 that obtained federal funding through the HOME Investment Partnership Programs. The funds were used for improvements on 214 Spruce Street in Manchester, New Hampshire. The interest rate charged is fixed at 0.00%. As defined in accordance with the regulatory agreement that expires on October 11, 2031, repayment of the balance is conditional based on if surplus cash available exceeds 25%, and is otherwise deferred until the project is sold or refinanced, or upon expiration or default of the regulatory agreement. The Organization must comply with the terms of the loan to provide housing and related services to low income, nearly homeless families, to defer repayment of principal and interest. The note is secured by the property. A payment of $3,522 was made in 2023 and no payments were made in 2022.

Effective July 1, 2021, Easter Seals New Hampshire, Inc. has assumed responsibility for the agreement that was made between the Organization and NHHFA dated March 17, 2010. The funds were used for the acquisition, construction and permanent financing on 224 Spruce Street in Manchester, New Hampshire. The interest rate charged is fixed at 0.00%. As defined in accordance with the regulatory agreement that expires on March 17, 2040, repayment of the balance is conditional based on if surplus cash available exceeds 50%, until the project is sold or refinanced, or upon expiration of the regulatory agreement. The note is secured by the property. No payments were made in 2023 and 2022.

Notes Payable

Effective July 1, 2021, Easter Seals New Hampshire, Inc. has assumed responsibility for the agreement dated July 1, 2016 that was made between the Organization and the City of Manchester through the Community Improvement Program. The funds were used for facility upgrades on 214 Spruce Street in Manchester, New Hampshire. The interest rate charged is fixed at 0.00%. Annual principal payments of $4,518 commencing October 1, 2017 can be forgiven through October 1, 2026 so long as the Organization can demonstrate the agreed-upon objectives have been achieved. On August 23, 2018, an amendment changed that the annual principal payments will be deferred from October 1, 2017 and resume October 1, 2022. The note is secured by the property.

Payroll Protection Program Loan

On April 16, 2021, Easter Seals NH entered into a promissory note for an unsecured loan in the amount of $10,000,000 through the Paycheck Protection Program (PPP) established by the CARES Act and administered by the U.S. Small Business Administration (SBA). The PPP provided loans to qualifying businesses for amounts up to 2.5 times the average monthly payroll expenses of the qualifying business. The loan and accrued interest had original terms that were forgivable after the covered period as long as the borrower used the loan proceeds for eligible purposes, including payroll, benefits, rent, and utilities, and maintains its payroll levels. The amount of loan forgiveness would be reduced if the borrower terminated employees or reduced salaries during the period. The PPP loan was made for the purpose of securing funding for salaries and wages of employees that may have otherwise been displaced by the outbreak of COVID-19 and the resulting detrimental impact on Easter Seals NH's business. Easter Seals NH accounted for the PPP loan in accordance with the FASB ASC Topic 470 and included the full $10,000,000 within debt. In February 2022, Easter Seals NH received approval for full forgiveness from the SBA. Upon receiving forgiveness during the year ended August 31, 2022, Easter Seals NH recognized a gain on extinguishment of long-term debt in the accompanying 2022 consolidated statement of activities and changes in net assets.

Interest Rate Swap Agreement

Easter Seals New Hampshire, Inc. has an interest rate swap agreement with a bank in connection with the Series 2004A NHHEFA Revenue Bonds. Effective December 1, 2016, an amendment to this agreement was executed in anticipation of the refinancing of the 2004A revenue bonds to change the interest rate charged from 3.54% to 3.62% and the floating rate from LIBOR times 67% to LIBOR times 65.01%. Effective April 3, 2023, an amendment to this agreement was executed to change to interest rate charge from 3.62 % to 3.57% and the floating rate from LIBOR times 65.01% to Daily SOFR times 65.01%. In connection with these amendments, the organization applied certain optional expedients in relation to contract modifications provided by FASB ASU 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting* to simplify the accounting analyses for contract modifications. The swap agreement had an outstanding notional amount of $9,451,664 and $10,061,668 at August 31, 2023 and 2022, respectively, which reduces in conjunction with principal reductions until the agreement is terminated in November 2034.

The fair value of the above interest rate swap agreement is a liability that totaled $531,680 and $995,184 at August 31, 2023 and 2022, respectively, $15,663 and $579,174 of which was current at August 31, 2023 and 2022, respectively. During the years ended August 31, 2023 and 2022, net payments required by the agreement totaled $76,398 and $338,761, respectively. These payments have been included in interest expense within the accompanying consolidated statements of activities and changes in net assets. See note 14 with respect to fair value determinations.

Debt Covenants

In connection with the bonds, lines of credit and various other notes payable described above, Easter Seals NH is required to comply with certain financial covenants including, but not limited to, minimum liquidity and debt service coverage ratios. At August 31, 2023, Easter Seals NH was in compliance with restrictive covenants specified under the NHHEFA bonds and other debt obligations.

12. Donated Services

A number of volunteers have donated their time in connection with Easter Seals NH's program services and fundraising campaigns. However, no amounts have been reflected in the accompanying consolidated financial statements for such donated services, as no objective basis is available to measure the value.

13. Related Party Transactions

Easter Seals NH is a member of Easter Seals, Inc. Membership fees to Easter Seals, Inc. were $166,882 and $130,276 for the years ended August 31, 2023 and 2022, respectively, and are reflected as support of National programs on the accompanying consolidated statements of activities and changes in net assets.

14. Fair Value of Financial Instruments

Fair value of a financial instrument is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at their measurement date. In determining fair value, Easter Seals NH uses various methods including market, income and cost approaches, and utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and the risks inherent in factors used in the valuation. These factors may be readily observable, market corroborated, or generally unobservable. Easter Seals NH utilizes valuation techniques that maximize the use of observable factors and minimizes the use of unobservable factors.

Certain of Easter Seals NH's financial instruments are reported at fair value, which include beneficial interest held in trust, investments and the interest rate swap, and are classified by levels that rank the quality and reliability of the information used to determine fair value:

Level 1 – Valuations for financial instruments traded in active exchange markets, such as the New York Stock Exchange. Valuations are obtained from readily available pricing sources for market transactions involving identical instruments.

Level 2 – Valuations for financial instruments traded in less active dealer or broker markets. Valuations are obtained from third-party pricing services for identical or similar instruments.

Level 3 – Valuations for financial instruments derived from other methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining fair value.

The following describes the valuation methodologies used to measure financial assets and liabilities at fair value. The levels relate to valuation only and do not necessarily indicate a measure of investment risk. There have been no changes in the methodologies used by Easter Seals NH at August 31, 2023 and 2022.

Investments and Assets Limited as to Use

Cash and cash equivalents are deemed to be Level 1. The fair values of marketable equity securities and mutual funds that are based upon quoted prices in active markets for identical assets are reflected as Level 1. Investments in certain government and agency securities and corporate and foreign bonds where securities are transparent and generally are based upon quoted prices in active markets are valued by the investment managers and reflected as Level 2.

Beneficial Interest in Trust Held by Others

The beneficial interest in trust held by others has been assigned fair value levels based on the fair value levels of the underlying investments within the trust. The fair values of marketable equity securities, money market and mutual funds are based upon quoted prices in active markets for identical assets and are reflected as Level 1. Investments in marketable equity securities and mutual funds where securities are transparent and generally are based upon quoted prices in active markets are valued by the investment managers and reflected as Level 2.

14. Fair Value of Financial Instruments (Continued)

Interest Rate Swap Agreement

The fair value for the interest rate swap liability is included in Level 3 and is estimated by the counterparty using industry standard valuation models. These models project future cash flows and discount the future amounts to present value using market-based observable inputs, including interest rates.

At August 31, 2023 and 2022, Easter Seals NH's assets and liabilities measured at fair value on a recurring basis were classified as follows:

15. Champlin Place Limited Partnership

Champlin Place Limited Partnership (the Partnership) was formed in June 2022 as a limited partnership under the laws of the State of New Hampshire. The Partnership's purpose is to acquire, own, develop, construct and/or rehabilitate, lease, manage, and operate an apartment complex to be constructed and located at 215 Rochester Hill Road, Rochester, New Hampshire, comprised of 65 residential apartments benefiting low to moderate-income households (the Project). The Project is currently nearing completion and is expected to be operational in January 2024. The Partnership's equity was contributed by its General Partner, Champlin Place, Inc., of which Easter Seals NH is the sole owner, and Housing New England Fund IV, a limited partner and unrelated party. The Partnership agreement provides for the allocation of profits and losses to the partners, proportionate to the equity contributed, as follows:

General Partner, Champlin Place, Inc. (wholly-owned by Easter Seals NH through April 2023 and 79% owned thereafter [see note 1])	0.01%
Limited Partner, Housing New England Fund IV (an unrelated party)	99.99%

Capital Contributions

In 2022, Easter Seals NH, as the then sole owner of the General Partner, Champlin Place, Inc., has made its required capital contribution of $1,742 as of August 31, 2022, which is recorded as investment in related entity in the accompanying 2023 consolidated statement of financial position. Champlin Place, Inc. is obligated to make additional capital contributions in the amount of $150,478, which amounts are expected to be funded in January 2024.

Deferred Developer Fee

On June 30, 2022, Easter Seals NH entered into a Development Services Agreement for the Project, in which Easter Seals NH will earn up to $2,272,940 as a development fee for its services in connection with the construction and development of the Project. Under the Development Services Agreement, $250,000 was earned and recognized as other revenue by Easter Seals NH in the 2022 consolidated statement of activities and changes in net assets. The balance of the development fee will be earned on the date that the construction and development of the Project is substantially complete, and all dwelling units have been completed and are placed in service, with all balances to be paid prior to December 31, 2036.

Ground Lease

On June 30, 2022, Easter Seals NH entered into a ground lease with the Partnership for the land located at 215 Rochester Hill Road, Rochester, New Hampshire, with terms of 98 years from the date of execution. The Partnership will be required to pay Easter Seals NH base rent of $37,004 per annum, commencing on January 1, 2023, and continuing on each one-year anniversary date of the lease, payable from available cash flow, as defined in the agreement. If available cash flow is insufficient to pay the full amount of the base rent for any year, the unpaid portion will accrue interest at 3.43% per annum and be payable on a cumulative basis in the first year in which there is sufficient available cash flow or capital proceeds.

Community Development Block Grant Loan and Agreements

In 2022, the City of Rochester, New Hampshire was awarded a Community Development Block Grant by the Community Development Finance Authority. In turn, the City of Rochester, New Hampshire has granted a conditional grant of $975,000 to Easter Seals NH, which in turn will loan the funds to the Partnership to pay for site work improvements and certain construction costs of the Project through a leasehold mortgage that was executed on June 30, 2022 between Easter Seals NH and the Partnership. The loan accrues no interest and is payable to Easter Seals NH in one lump sum 30 years from the date of the note (July 2052). In the event of default of this condition, Easter Seals NH has the right to recover all of the CDBG funds expended on the Project on behalf of the New Hampshire Community Development Loan Fund. The amount of CDBG funds subject to recovery may decrease over the twenty-year period at a rate negotiated between the City of Rochester and Easter Seals NH and approved by the Community Development Finance Authority. Also as defined in the leasehold mortgage, if the Partnership performs its obligations as defined in the agreement, then repayment of the leasehold mortgage will become void, therefore requiring no repayment by the Partnership to Easter Seals NH. Because of that provision, in 2023 Easter Seals NH recognized offsetting assets and liabilities related to the $975,000 in funding received from the City of Rochester, New Hampshire and subsequent loan to the Partnership when cash flow associated with the grant and leasehold mortgage is expected.

Sponsor Loan and Terms

On June 30, 2022, in order to provide additional funding to the Partnership for upcoming site work and construction costs, Easter Seals NH entered into a $563,607 loan agreement with the Partnership. This loan bears interest at the rate of 0% and, at August 31, 2023, $8,000 had been drawn on the loan by the Partnership. If not paid earlier, all outstanding principal and interest accrued must be repaid to Easter Seals NH on June 30, 2052. Payments of principal and interest are to be made to the extent of available cash flow, as defined in the agreement. If repayment is not made within thirty days of the maturity date, or if any payment due is not paid within thirty days of the due date, then interest will be payable on any unpaid sum at the rate of 12% per annum, compounded annually, until such amount is paid, or another means of payment is arranged.

Reimbursement Agreements

On June 30, 2022, Easter Seals NH entered into a Reimbursement Agreement with the Partnership to reimburse Easter Seals NH for all predevelopment expenses incurred by the Project that were paid by Easter Seals NH. The Partnership acknowledged and agreed that the Partnership is solely responsible to pay all project expenses not later than the date of the closing of the Partnership's construction loan for the Project, which was July 13, 2022. At August 31, 2023, Easter Seals NH was owed $1,818,919 and $394,316, respectively, by the Partnership, which amount is recorded within accounts receivable from related entity in the accompanying consolidated statements of financial position. The entire amount due at August 31, 2023 was paid subsequent to year end.

Further, Easter Seals NH will be paid certain amounts under a Partnership Administration Agreement, dated as of June 30, 2022 between Easter Seals NH and the Partnership, whereby Easter Seals NH will provide various administrative services in exchange for fees of $4,875 per year beginning in 2023, increasing 3% annually beginning January 1, 2024. The administration fee is payable solely if cash flow is available and otherwise the unpaid portion is accrued and payable on a cumulative basis in the first year in which there are sufficient cash flows. No amounts were paid under this agreement in 2023.

Right of Refusal and Option Agreement

Through a Right of Refusal and Option Agreement dated June 30, 2022, the Partnership granted to Easter Seals NH certain rights of first refusal and options to purchase the Project, which, if elected, would include the 99.99% interest in the Project held by Housing New England Fund IV. As a result, Easter Seals NH has been granted an irrevocable, successive, and exclusive right of refusal to purchase the Project. Such right is exercisable for a period of 24-months beginning upon expiration of an initial 15-year compliance period, and continuing until the Partnership otherwise sells the Project.

15. Champlin Place Limited Partnership (Continued)

Through a Right of Refusal and Opinion Agreement dated June 30, 2022, Housing New England Fund IV has the option to give written notice to Champlin Place, Inc. at any time following the end of the Credit Period, as defined, to require Champlin Place, Inc. to purchase the interest of Housing New England Fund IV for a price equal to the sum of: (i) $100, (ii) the amount of any federal, state or local tax liability required to be paid (including, without limitation, any real estate transfer or franchise taxes), (iii) any costs incurred by Housing New England Fund IV in connection with the transfer of its interest, and (iv) all amounts then due and owing to Housing New England Fund IV or its affiliates under the agreement. Upon receipt of such written notice of the put option, Champlin Place, Inc. shall purchase such interest and make all payments required within 30 days. At the date of these consolidated financial statements, the put option was not eligible to be exercised by Housing New England Fund IV, and it is expected that the Credit Period will extend through December 31, 2034.

Guaranty Agreement

On June 30, 2022, Easter Seals NH unconditionally guaranteed due payment, performance, and fulfillment of certain obligations of the Partnership and Housing New England Fund IV. Easter Seals NH's liability is generally limited and shall not exceed $402,000 in the aggregate, and the guaranty terminates upon the later of the 60th month anniversary of the stabilization date, as defined, and the date that the Partnership has achieved stabilized occupancy for five consecutive calendar years. However, should an operating deficit arise before the latest of permanent mortgage commencement or cost certification, as defined in the agreement, or the date the Project achieves 100% occupancy, then Easter Seals NH's obligation to advance funds to pay operating deficits shall be unlimited. At the date of these consolidated financial statements, no events or conditions have occurred that would trigger Easter Seals NH's performance under the guaranty agreement.

16. Commitments and Contingencies

Construction Commitments

Easter Seals NH has a committed construction contract totaling approximately $684,000 at August 31, 2023. A member of the Board of Directors is an executive at the construction company. In September 2023, Easter Seals entered into a committed construction contract totaling approximately $9,093,000 with an unrelated construction company. There were no committed construction contracts at August 31, 2022.

Contingencies

On September 18, 2020, the *Crime Victims' Rights Enhancement Act of 2020* (Act) was signed into law by the governor of New Hampshire, effectively removing the statute of limitations for filing specified claims in New Hampshire. Over the past year, Easter Seals NH has experienced an increase in notices of potential claims against it which fall under the provisions of the Act. Management of Easter Seals NH has identified insurance policies that they believe will cover any exposure and is working with legal counsel to appropriately respond to claims as they arise. No amounts have been provided in these consolidated financial statements relative to this matter.

EXPLANATION

This request is **Retroactive** to July 1, 2023, which is the effective date of these revised rates. Through the most recent renewal and rate setting process, there were new calculations made, and an error was discovered in the rate used in these three contracts. The corrected rates have been carefully reviewed and agreed upon by the Department and the three Contractors.

The purpose of this request is to ensure that the Contractors in bold above are reimbursed for children's residential services using the correct rate. The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms and hospital settings. The Contractors

Docusign Envelope ID: DAFFD6EB-55F8-4AE2-81D8-5A3B7A1AD71D

will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act, and by New Hampshire RSA 135-F, System of Care for Children's Mental Health.

The population served through all of the contracts listed above includes children and youth who display significant behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care.

Approximately 400-500 individuals will be served annually through June 30, 2025.

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid acceptance of referrals;
- Reduction of restraints and seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

Should the Governor and Council not authorize this request, the Contractors will not be reimbursed at the appropriate rate; leaving the Department vulnerable to potentially losing these critical service providers, which would be detrimental to the overall capacity to serve youth in programs in-state.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, Item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. Possible account numbers to be utilized include the below:

EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Docusign Envelope ID: A169846A-5792-4DDF-BF6E-B9E8E40C1276

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

for

State of New Hampshire

Department of Health and Human Services

Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Easter Seals New Hampshire, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (item #14), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 35,952,898

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Subsection 1.9 to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

5. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

6. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

   1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days.

The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

1.19.5.5. Previous assessments which have been completed including, but not limited to:

1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.

Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

19. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

20. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge,

Key performance metrics to read:

Transition & discharge	◦ Median length of stay: days from admission to discharge to less restrictive setting ◦ % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* ◦ % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge ◦ % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

21. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These

Individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached. This requested action includes nine (9) contracts and the Department plans to submit seven (7) additional contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;

- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.1. Shall be licensed and certified. Those that are not currently certified; licensed and accredited, shall complete these requirements within 6 months from contract approval, unless otherwise agreed upon by the Department.

1.8.2. Shall comply with all federal, and state laws, regulations, and rules, as follows, but are not limited to:

1.8.2.1. RSA 170-E;
1.8.2.2. RSA 170-G:8;
1.8.2.3. RSA 126-U;
1.8.2.4. RSA 135-F;
1.8.2.5. He-C 4001;
1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. Staff Training and Development

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians; family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor shall choose to discharge when a child is in an acute psychiatric hospital for more than 7 days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of the

individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate, reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

1.13.14. The Contractor may deny admission to a program if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match;

1.13.14.6. The individual's needs fall well outside the program model;

1.13.15. The Contractor may request a discharge for individuals from a residential treatment program if any of the following circumstances are applicable:

1.13.15.1. New information has indicated that the child requires specialty care that the current program does not offer;

1.13.15.2. The Child has increased aggression that has resulted in excessive property damage or physical harm to staff and self and is not improving over time, indicating a higher level of care is needed; and

1.13.15.3. The child's level of mental health symptoms have exceeded the level of care being provided at the program and an appropriate transition plan has been determined.

1.13.16. Contractor shall deliver treatment and provide services to accepted referrals until the child's level of need is reduced and their treatment goals have been met.

1.13.17. The Department will monitor denials, admissions, and discharges as part of continuous quality assurance and program outcomes and reserves the right to review and approve or deny denials.

1.14. Restraint and Seclusion Practices

1.14.1. The Contractor shall comply with RSA 126-U.

1.14.2. The Contractor shall utilize a de-escalation and restraint training which supports the limited use of restraint or seclusion in RSA 126-U and aligns with the Six Core Strategies ©.

1.14.3. The Contractor shall develop and implement policies and methods to reduce and eliminate use of restraint and seclusion practices by incorporating the Six Core Strategies for Reducing Seclusion and

Restraint Use ©, for Department review, including but not limited to the following:

1.14.3.1. Therapeutic Crisis Intervention (TCI),

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft; forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (I)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Contractor Initials ET

Date 6/24/2021

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3).I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

DocuSign Envelope ID: 3178FB8A-D3D4-48AE-B15C-FC3AF332F3B6

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability: In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

State of New Hampshire
Department of Health and Human Services
Amendment #3

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Mount Prospect Academy, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on August 4, 2021 (Item #15), as amended on December 20, 2023 (Item #32C), as amended on August 7, 2024 (Item #9), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $140,057,689

3. Modify Exhibit B, Scope of Services, Amendment #1, by adding Section 1.10.1., to read:

4. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

5. Modify Exhibit C, Payment Terms, Amendment #1, Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

   1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

   1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

   1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds

6. Modify Exhibit C, Payment Terms, Section 4.1. to read:

4.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under section 4.1.6. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments. For the purpose of establishing these rates, the Contractor must provide the Department with the following prescribed forms by April 1st, annually:

4.1.1. A Department stipulated Residential Rate Template completed with budgeted costs for the following state fiscal year;

4.1.2. A copy of the most recent independent financial audit;

4.1.3. If the provider does not have an audit, unaudited financial statements for the most recently completed fiscal year (to include balance sheet, cash flow statement, profit and loss, income statement and adjusted trail balance);

4.1.4. A program-level profit and loss statement for the program related to the services provided in this contract; and

4.1.5. Additional clarifying information may be required upon request.

INDEPENDENT AUDITOR'S REPORT

Boards of Trustees
Mount Prospect Academy, Inc., and Affiliates

Opinion

We have audited the accompanying combined financial statements of Mount Prospect Academy, Inc., and Affiliates (the Organization), which comprise the combined statement of financial position as of June 30, 2023, and the related combined statements of activities and cash flows for the year then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2023, and the results of their operations and their cash flows for the year then ended in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Combined Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, the Organization adopted Financial Accounting Standards Board Accounting Standards Codification Topic 842, *Leases* during the year ended June 30, 2023. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

Docusign Envelope ID: B922B3EB-33FF-41FF-9C12-B43ABC9B038A

Auditor's Responsibilities for the Audit of the Combined Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The accompanying combining statement of financial position, combining statement of activities and combining statement of functional expenses are presented for purposes of additional analysis of the combined financial statements rather than to present the financial position and changes in net assets of the individual entities and are not a required part of the combined financial statements. The Schedule of Private Non-Medical Institution (PNMI) Revenue and Expenses is presented for purposes of additional analysis and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements

Docusign Envelope ID: B922B3EB-33FF-41FF-9C12-B43ABC9B038A

The supplementary information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with U.S. GAAS. In our opinion, the supplementary information is fairly stated in all material respects in relation to the combined financial statements as a whole.

Nature of Business

Mount Prospect Academy, Inc. (MPA) is a not-for-profit corporation incorporated under provisions of the General Statutes of the State of New Hampshire. MPA is licensed by the State of New Hampshire and operates special education schools in Keene, Plymouth and Hampton, New Hampshire with several affiliated group homes in Haverhill, Rumney, Warren, Plymouth, Hampton and Campton, New Hampshire. MPA also provides comprehensive in-home and community support services to families in New Hampshire and northeastern Massachusetts under the name Project Connect and Solid Foundations.

Vermont Permanency Initiative, Inc. (VPI) is a not-for-profit corporation incorporated under provisions of the General Statutes of the State of Vermont. VPI operates the New England School for Girls and Vermont School for Girls, a residential treatment program for girls operated in Bennington, Vermont. VPI also offers community based support to youth and families in Vermont under the trade name Vermont Support & Stabilization. VPI has a self-perpetuating Board of Trustees that is completely separate from the Board of Trustees that governs MPA.

New Hampshire Youth Program for Motorsports, LLC (NHYPM) offers students the opportunity to experience New Hampshire's great outdoors in a truly unique and fun way. MPA is the sole member of NHYPM and is considered a "disregarded" entity for tax purposes. For the last three years, NHYPM has provided students the chance to ride dirt bikes and snowmobiles as part of their educational and therapeutic programming. No riding experience is required as all participants must complete the rider training curriculum, and the NH state off-highway recreational vehicle (OHRV) class before they are eligible for trail rides. Everyone who completes the class receives their NH OHRV certification through the New Hampshire Department of Fish and Game.

NHYPM students also receive instruction on small engines and mechanics. Students engage in hands-on learning as they discover how these machines operate, how to properly maintain them, and which tools are needed for each task. NHYPM students also gain important life skills and learn how to work independently and as part of a team. Students are also required to participate in community service projects which helps them to develop a sense of community and civic responsibility.

NHYPM offers students the opportunity to develop self-esteem, values for daily living, and a sense of belonging by using dirt bikes and snowmobiles as motivational tools. To participate in the program, students must sign a participation agreement and individual goal contracts to earn riding time. For those who choose to engage in the NHYPM program, adventure and fun are regular occurrences. It is open to any student who is interested, and all riding abilities are welcome.

U.S. generally accepted accounting principles (U.S. GAAP) requires the combination of related organizations when common control and economic dependency exists. At June 30, 2023, common control did not exist between MPA and VPI, however economic dependency does exist. As such, combination of MPA and VPI in 2023 is allowed but not required.

1. Summary of Significant Accounting Policies

Principles of Combination

The combined financial statements include the activity of MPA, VPI, and NHYPM (collectively, the Organization). All material intercompany transactions and balances have been eliminated in combination.

Basis of Presentation

The accompanying combined financial statements, which are presented on the accrual basis of accounting, have been prepared to focus on the Organization as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions. The Organization reports its activities and net assets in two classes: net assets without donor restriction and net assets with donor restriction.

Revenues are reported as increases in net assets without donor restriction unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restriction. Expirations of temporary restrictions on net assets (that is, situations in which the donor-imposed stipulated purpose has been accomplished and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. The Organization did not have any net assets with donor restrictions as of June 30, 2023.

Use of Estimates

The preparation of combined financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

All highly liquid investments without donor restrictions and with an original maturity of three months or less are considered to be cash equivalents.

The Organization maintains its cash and certificates of deposit in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant risk with respect to these accounts.

Accounts Receivable

Accounts receivable are stated at the amount the Organization expects to collect from outstanding balances. As of June 30, 2023 and 2023, the Organization had $8,750,484 and $7,297,415, respectively, of accounts receivable.

The Organization provides for probable uncollectible amounts through a charge to current-year earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after the Organization has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

Property and Equipment

Property and equipment are stated at cost or, if donated, at the fair market value at the date of donation. Expenditures for repairs and maintenance are expensed when incurred, and betterments and assets purchased in excess of $1,000 are considered for capitalization.

Depreciation of property and equipment is charged against operations using the straight-line method over the estimated useful lives of these assets, as follows:

	Years
Land improvements	7 - 10
Buildings and building improvements	7 - 30
Leasehold improvements	5 - 25
Vehicles	3 - 5
Furniture and equipment	2 - 15

When assets are sold or disposed of, the related cost and accumulated depreciation and amortization are removed from the respective accounts, and any resulting gain or loss is included in the combined statement of activities.

Newly Adopted Accounting Principle

In 2023, the Organization adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 842, *Leases* (Topic 842). The new standard increases transparency and comparability among organizations by recognizing lease assets and lease liabilities in the combined statement of financial position and disclosing key information about leasing arrangements. The core principle of Topic 842 is that a lessee should recognize the assets and obligations that arise from leases. All leases create an asset and a obligation for the lessee in accordance with FASB Concepts Statement No. 6, *Elements of Financial Statements*, and, therefore, recognition of those lease assets and lease obligations represents an improvement over previous U.S. GAAP, which did not require lease assets and lease obligations to be recognized for operating leases. The Organization adopted Topic 842 using the prospective approach. The Organization elected the "package of practical expedients," an option which permits it to not reassess prior conclusions about lease identification, lease classification, and initial direct costs under the new standard. Upon adoption the organization recognized $420,666 of right of use lease assets - finance with a lease obligation and $1,098,295 of right of use lease assets - operating with a lease obligation.

Leases

At the inception of an arrangement, the Organization determines if an arrangement is or contains a lease based on the unique facts and circumstances present in that arrangement. Lease classification, recognition, and measurement are then determined as of the lease commencement date. For arrangements that contain a lease, the Organization (i) identifies lease and non-lease components, (ii) determines the consideration in the contract, (iii) determines whether the lease is an operating or finance lease, and (iv) recognizes a lease right of use (ROU) asset and obligation. Lease obligations and their corresponding ROU assets are recorded based on the present value of lease payments over the expected lease term. The interest rate implicit in lease contracts is typically not readily determinable, and as such, the Organization used the 5-year treasury bill rate at based on the information available at the lease commencement date, a rate which represents one that would be incurred to borrow, on a collateralized basis, over a similar term, an amount equal to the lease payments in a similar economic environment.

Some leases include options to renew and/or terminate the lease, which can impact the lease term. The exercise of these options is at the Organization's discretion and the Organization does not include any of these options within the expected lease term where it is not reasonably certain that these options will be exercised.
