Fixed, or in-substance fixed, lease payments on operating leases are recognized over the expected term of the lease on a straight-line basis. Variable lease expenses that are not considered fixed, or in-substance fixed, are recognized as incurred. Finance leases are recognized using the effective interest rate method which amortizes the ROU asset to expense over the lease term and interest costs are expensed on the lease obligation throughout the lease term. The Organization has elected the short-term lease exemption and, therefore, does not recognize a ROU asset or corresponding liability for lease arrangements with an original term of 12 months or less.

The finance leases and operating leases are included in separate ROU assets and lease obligations in the Organization's combined statement of financial position as of June 30, 2023.

Deferred Financing Costs

Certain costs related to long-term debt, such as accountants, attorneys and underwriting fees, are capitalized and amortized on a straight-line basis over the lives of the respective debt issues. These costs are presented as a direct deduction from the carrying amount of the related long-term debt. In addition, the amortization of the deferred costs is included with interest expense.

Revenue and Support and Other Changes in Net Assets

The Organization's revenue recognition policies are as follows:

Revenue and support are recorded as increases in net assets without donor restrictions at the time the services are provided. Services are billed monthly based on monthly attendance and is due within 30 days. In some circumstances, tuition revenues are received prior to the school year and are recorded as a current liability under prepaid tuition. There was no prepaid tuition as of June 30, 2023.

Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on other assets and liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor restriction or by law. Expirations of temporary restrictions, if any, on net assets by fulfillment of the donor-stipulated purpose or by passage of the stipulated time period are reported as reclassifications between the applicable classes of net assets.

Income Taxes

The Organization is comprised of not-for-profit corporations as described in Section 501(c)(3) of the Internal Revenue Code (the Code), whereby only unrelated business income, as defined by Section 512(a)(1) of the Code, is subject to federal and state income tax.

Allocation of Costs

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Advertising

The Organization follows the policy of charging the costs of advertising to expense as incurred. Advertising expense totaled $17,703 in 2023.

2. Availability and Liquidity of Financial Assets

As of June 30, 2023, the Organization has working capital of $33,992,176 and average days (based on normal expenditures) cash and cash equivalents on hand of 154.

Financial assets and liquidity resources available within one year for general expenditures, such as operating expenses and scheduled principal payments on debt, were as follows as of June 30:

Cash and cash equivalents	$23,565,953
Accounts receivable, net	8,750,484
Employee retention tax credit receivable, net	4,790,867
Financial assets available at year end for current use	$37,107,304

VPI also has a line of credit available to meet short-term needs. See Note 4.

The goal for the Organization is to maintain a balanced budget while meeting the requirements of the various financing authorities.

3. Significant Concentrations

Approximately 40% of the revenue recorded during 2023 was from beneficiaries of the New Hampshire Medicaid program.

Approximately 14% of the revenue recorded during 2023 was from beneficiaries of the Vermont Medicaid program.

Approximately 22% of the revenue recorded during 2023 was from the Vermont Department of Education and various school districts located in New Hampshire, Vermont, and Massachusetts.

Approximately 6% of the revenue recorded during 2023 was from the Massachusetts Department of Mental Health and Developmental Services.

Due to the concentration of clients who receive benefits from the various state reimbursement programs, the Organization is highly dependent upon regulatory authorities establishing reimbursement rates that are adequate to sustain the Organization's operations.

4. Line of Credit

VPI holds a line of credit agreement with Passumpsic Savings Bank under which Passumpsic Savings Bank agrees to advance up to $250,000 to VPI upon request. Monies advanced accrue interest at the rate of 9.25%. There was no balance outstanding as of June 30, 2023. The line of credit is collateralized by various real estate in Bennington and Newbury, Vermont.

Cash paid for amounts included in the measurement of lease obligations approximated the lease costs for operating and finance leases.

7. Commitments and Contingencies

Self-Insurance

Becket Academy, Inc. (Becket), a related entity, has a self-insured healthcare plan (the Plan) in which the Organization participates. The Plan covers substantially all of the Organization's employees. The costs associated with the Plan are initially recorded by Becket and then allocated to the Organization for the year ended June 30, 2023 based on total wages. The Plan has reinsurance coverage to limit the exposure, to all parties participating in the Plan, individually of $150,000 with an aggregate limit of $4,459,953 of the expected claims as of June 30, 2023. At June 30, 2023 the Organization had accrued $506,571 for estimated unpaid claims, which is reported in the Organization's accrued expenses in the combined statement of financial position.

Litigation

The Organization is involved in litigation arising in the normal course of business. After consultation with legal counsel, management estimates these matters will be resolved without a material adverse effect on the Organization's future positions or results of operations.

8. Retirement Plans

The Organization provides defined contribution retirement plans for eligible employees. All employees aged 21 or older may begin participation in the plans. Years of service requirements range from one to two years depending on the entity. Plan contributions by participants and the Organization range from 3% to 5% of regular salary. Total employer contributions paid by the Organization totaled $582,016 in 2023.

The Organization has a top hat deferred compensation plan established under Section 457 of the Code. The plan permits certain management and highly compensated employees to defer portions of their compensation based on Internal Revenue Service guidelines. The Organization has cumulatively recorded $66,390 at June 30, 2023, related to this plan. The related investments are segregated in a separate account, which is reported in the Organization's assets whose use is limited in the combined statement of financial position. The related liability is reported in the Organization's deferred compensation liability in the combined statement of financial position.

Total	$ 45,938,345	$ 11,607,027	$ 57,545,372

10. Surplus Revenue Retention

The Organization is allowed to retain a portion of any surplus generated by its contracts with the Commonwealth of Massachusetts. During 2016, the Commonwealth of Massachusetts Operational Services Division amended the surplus revenue retention by eliminating the 20% cumulative limits on surplus revenue retention and increasing the annual surplus limit from 5% of current-year contract revenue to 20%. As of June 30, 2023, as a result of the amendment, the Organization did not identify a contingent liability based on the 20% contractor annual surplus revenue retention criteria.

11. Related Party Transactions

The Organization has a mutual contract with Becket for services performed in the State of Massachusetts. During 2023, MPA generated $5,168,952 of revenue from Massachusetts programs under the contract. Revenue was received by Becket and passed through to MPA. As of June 30, 2023, $141,723 was due from Becket and included in due from related parties in the combined statement of financial position.

12. COVID-19 and Relief Funding

On March 11, 2020, the World Health Organization declared coronavirus disease (COVID-19) a global pandemic. Local, U.S., and world governments encouraged self-isolation to curtail the spread of COVID-19 by mandating the temporary shut-down of business in many sectors and imposing limitations on travel and the size and duration of group meetings. Many sectors continue to experience disruptions to business operations and may feel further impacts related to delayed government reimbursement, volatility in investment returns, and reduced philanthropic support.

The U.S. government responded with several phases of relief legislation as a response to the COVID-19 outbreak. Legislation enacted into law on March 27, 2020, called the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), a statute to address the economic impact of the COVID-19 outbreak. The CARES Act, among other things, 1) authorizes emergency loans to distressed businesses by establishing, and providing funding for, forgivable bridge loans; 2) provides additional funding for grants and technical assistance; 3) delays due dates for employer payroll taxes and estimated tax payments for corporations; and 4) revises provisions of the Code, including those related to losses, charitable deductions, and business interest.

During 2023, the Organization received funding from various states in which the Organization operates for the purpose of recruitment, retention, or training of direct support workers. For the year ended June 30, 2023, $995,196 is included in COVID-19 relief funding in the combined statement of activities. The Organization has received $215,805 in COVID-19 relief funding that is included in COVID funding advances in the combined statement of financial position.

The CARES Act provides an Employee Retention Tax Credit (ERTC), which is a refundable tax credit against certain employment taxes for eligible employers. For 2020, the tax credit is equal to 50% of qualified wages paid to employees during the calendar year, capped at $10,000 of qualified wages per employee. Additional relief provisions were passed by the U.S. government, which extended and expanded the qualified wage caps on these credits through September 30, 2021. Based on these additional provisions, the tax credit for 2021 is equal to 70% of qualified wages paid to employees during each quarter, and the limit on qualified wages per employee has been increased to $10,000 of qualified wages per calendar quarter.

Management contracted with a third party to determine their eligibility for the credit. The third party determined that the Organization qualified for the CARES Act ERTC under the government orders test and estimated that they will receive approximately $12,524,022. Due to clarifying guidance a reserve was recorded for $3,905,113 as a reduction to revenue and support. For the year ended June 30, 2023, the Organization recognized $7,929,771 as revenue and support in the combined statement of activities, which is net of professional fees of $689,138 related to fees paid to the third party. The Organization received partial payments during 2023 totaling $3,828,042. At June 30, 2023, the Organization includes $4,790,867 as an ERTC receivable, net in the combined statement of financial position. The credits received could be subject to audit for up to five years from the date of the credit filing. In July 2023, the Organization received payment for a portion of the credits.

13. Subsequent Events

For purposes of the preparation of these combined financial statements in conformity with U.S. GAAP, management has considered transactions or events occurring through November 14, 2023, which is the date that the financial statements were available to be issued.

EXPLANATION

This request is **Retroactive** to July 1, 2023, which is the effective date of these revised rates. Through the most recent renewal and rate setting process, there were new calculations made, and an error was discovered in the rate used in these three contracts. The corrected rates have been carefully reviewed and agreed upon by the Department and the three Contractors.

The purpose of this request is to ensure that the Contractors in bold above are reimbursed for children's residential services using the correct rate. The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms and hospital settings. The Contractors

Docusign Envelope ID: B922B3EB-33FF-41FF-9C12-B43ABC9B038A

will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act, and by New Hampshire RSA 135-F, System of Care for Children's Mental Health.

The population served through all of the contracts listed above includes children and youth who display significant behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care.

Approximately 400-500 individuals will be served annually through June 30, 2025.

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid acceptance of referrals;
- Reduction of restraints and seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

Should the Governor and Council not authorize this request, the Contractors will not be reimbursed at the appropriate rate; leaving the Department vulnerable to potentially losing these critical service providers, which would be detrimental to the overall capacity to serve youth in programs in-state.

Area served: Statewide

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, Item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. Possible account numbers to be utilized include the below:

EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Docusign Envelope ID: 83AEFB9B-9DDE-44FA-AF0E-F6679422C2EF

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: 83AEFB9B-9DDE-44FA-AF0E-F6679422C2EF

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team;

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.1. Shall be licensed and certified. Those that are not currently certified, licensed and accredited, shall complete these requirements within 6 months from contract approval, unless otherwise agreed upon by the Department.

1.8.2. Shall comply with all federal; and state laws, regulations, and rules, as follows, but are not limited to:

1.8.2.1. RSA 170-E;

1.8.2.2. RSA 170-G:8;

1.8.2.3. RSA 126-U;

1.8.2.4. RSA 135-F;

1.8.2.5. He-C 4001;

1.8.2.6. He-C 6350; and

1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;

1.8.3.2. He-C 6350; and

1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. **Staffing, Training and Development**

1.11.1. **Talent Strategy**

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. **Staffing Ratios**

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below

the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times;

1.11.2.2.2. Ensure quality of services is not compromised; and

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. **Staff Training and Development**

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio.

1.11.3.4. The Contractor shall develop and implement staff training that includes, but is not limited to the following:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide

Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged

because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community.

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of the individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate,

reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

1.13.14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

1.13.14.6. The individual's needs fall well outside the program model.

1.13.15. The Contractor may request a discharge for individuals from a residential treatment program if any of the following circumstances are applicable:

1.13.15.1. New information has indicated that the child requires specialty care that the current program does not offer;

1.13.15.2. The Child has increased aggression that has resulted in excessive property damage or physical harm to staff and self and is not improving over time, indicating a higher level of care is needed; and

1.13.15.3. The child's level of mental health symptoms have exceeded the level of care being provided at the program and an appropriate transition plan has been determined.

1.13.16. Contractor shall deliver treatment and provide services to accepted referrals until the child's level of need is reduced and their treatment goals have been met.

4. Exhibits Incorporated

4.1. The Contractor shall use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

4.2. The Contractor shall manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

4.3. The Contract shall comply with all Exhibits D through K, which are attached hereto and incorporated by reference herein.

5. Reporting Requirements

5.1. The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

New Hampshire Department of Health and Human Services
Residential Treatment Services for Children's Behavioral Health
EXHIBIT B, Amendment #1

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.
Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.

Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

5.2. The Contractor shall provide any interpretation, justification or analysis of the data provided in the report referenced in 5.1.

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

5.4. The Contractor shall submit data in accordance with RSA 126-U which includes, but is not limited to:

5.4.1. Incidents of RSA 126-U:10.

5.4.2. New Hampshire Programs Monthly total of all children during residential time, regardless of referral source.

5.4.3. Total number of restraints.

5.4.4. Total number of seclusions.

5.5. The Contractor shall submit data and reports based on the request of the Department in the manner, format and frequency requested by the Department, which shall include, but is not limited to incident reports of:

5.5.1. Restraint;

5.5.2. Seclusion;

5.5.3. Serious injury both including and not including restraint and seclusion; and

5.5.4. Suicide attempt.

5.6. The Contractor shall provide data monthly and work with the data team to provide any clarity or correction of the material.

5.7. The Department reserves the right to establish additional data reporting and deliverable requirements throughout the duration of the Agreement.

6. Performance Measures

6.1. The Department will monitor Contractor performance and evaluate program results based on key performance metrics in Table B as follows:

Table B

Category	Key performance metrics
Referral	• % of referrals that receive a response to the referral source within 24 hours [e.g., email or phone call on availability and next steps] • Median time from referral to acceptance • Median time from referral to admission
Family & youth engagement	• % of treatment meetings where youth participates • % of treatment meetings where caregiver participates • Median # of contacts with family/caregivers per month per child

5. Reserved Beds Invoicing for Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term (also referred to as: Short-term Treatment Education and Planning (STEP))

5.1. The Contractor shall submit invoices for reserved beds at North House and South House held for the purpose of STEP services as specified in Exhibit B, Scope of Services, Subsection 2.6., to the Department in a format approved by the Department. The Contractor shall ensure invoices include the following:

5.1.1. Data for each house that includes:

5.1.1.1. Daily census for NH DHHS youth;

5.1.1.2. Number of acceptances;

5.1.1.3. Number of denials per day with explanation;

5.1.1.4. Number of staff on each shift;

5.1.1.5. Role of each staff member and identification if that staff member's role is primary in another program; and

5.1.1.6. Number of staff vacancies.

5.1.2. Supporting documentation to account for the expenditure of funds for reserved beds that were used in the previous month along with supporting documentation and narrative that includes:

5.1.2.1. Operational costs;

5.1.2.2. Recruitment;

5.1.2.3. Overtime in the program to fill shifts;

5.1.2.4. Retention of current employees; and

5.1.2.5. Other activities which support efforts to operate the program to become and maintain being fully staffed.

5.2. The Department may require additional data points or documentation in order to assure fiscal integrity of the funds.

5.3. If funds for reserved beds are not used to support the program as referenced in Paragraph 5.1.2. above, the Department may, at its discretion, recoup the payment for reserved beds.

6. Maximum allotment for Shelter Care services for Department funded expenditures by fiscal year is as follows:

6.1. SFY 2023 (January 1, 2023 through June 30, 2023): $461,451.

6.2. SFY 2024 (July 1, 2023 through December 31, 2023): $1,100,000.

7. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

8. Audits

8.1. The Contractor is required to submit an annual audit to the Department if any of the following conditions exist:

8.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

8.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations.

8.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

8.2. If Condition A exists, the Contractor shall submit an annual single audit performed by an independent Certified Public Accountant (CPA) to the Department within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200,

Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

8.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

8.4. Any Contractor that receives an amount equal to or greater than $250,000 from the Department during a single fiscal year, regardless of the funding source, may be required, at a minimum, to submit annual financial audits performed by an independent CPA if the Department's risk assessment determination indicates the Contractor is high-risk.

8.5. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;

- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

This requested action includes five (5) contracts in addition to the nine (9) contracts presented to the Governor and Executive Council on July 14, 2021 (item #14). The Department plans to submit the remaining two (2) contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;
- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

Areas served: Statewide.

Source of Funds: CFDA #93.658, FAIN #2101NHFOST CFDA #93.558, FAIN# 2101NHTANF, CFDA #93.659, FAIN #2101NHADPT, CFDA #93.778, FAIN #2105NH5ADM

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Shibinette
Commissioner

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

1.3. Paragraph 9, Termination, is amended by modifying subparagraph 9.1. to read:

9.1. Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement. The Contractor may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by a minimum of 90 day written notice to the State that the Contractor is exercising its option to terminate the Agreement. Notwithstanding the foregoing, the Parties agree that the contract will not terminate until such time as all children have been successfully transitioned. Because this Agreement covers multiple programs, it is understood that the Contractor may terminate on a program specific basis.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as Individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

5. Prior to submitting the first invoice, the Contractor must obtain a *Vendor Number* by registering with the New Hampshire Department of Administrative Services here (Vendor Resource Center | Procurement and Support Services | NH Dept. of Administrative Services).

6. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

7. Audits

7.1. The Contractor is required to submit an annual audit to the Department if any of the following conditions exist:

7.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

7.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

7.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

7.2. If Condition A exists, the Contractor shall submit an annual single audit performed by an independent Certified Public Accountant (CPA) to the Department within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

7.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor Identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

I. For the proper management and administration of the Business Associate;
II. As required by law, pursuant to the terms set forth in paragraph d. below; or
III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI.

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

DocuSign Envelope ID: 494ABF8A-3C6D-4C15-B42B-07D48FDABFB5

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

State of New Hampshire
Department of Health and Human Services
Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Nashua Children's Home ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (Item #14), as amended on December 20, 2023 (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $30,907,712

3. Modify Exhibit B, Scope of Services; by adding Section 1.10.1., to read:

4. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

      1.10.2.1. Considerations and action steps required to become a non-IMD;

      1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

      1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

5. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

      1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

      1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

      1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

      1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds

6. Modify Exhibit C, Payment Terms, Section 4.1. to read:

4.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under section 4.1.6. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments. For the purpose of establishing these rates, the Contractor must provide the Department with the following prescribed forms by April 1st, annually:

4.1.1. A Department stipulated Residential Rate Template completed with budgeted costs for the following state fiscal year;

4.1.2. A copy of the most recent independent financial audit;

4.1.3. If the provider does not have an audit, unaudited financial statements for the most recently completed fiscal year (to include balance sheet, cash flow statement, profit and loss, income statement and adjusted trail balance);

4.1.4. A program-level profit and loss statement for the program related to the services provided in this contract; and

4.1.5. Additional clarifying information may be required upon request.

4.1.6.

Program – Children's Home Level 2	
Residential for eligible youth per day until 6/30/2023	$329.93

Program – Children's Home Level 2	
Residential for eligible youth per day effective 7/1/23	$422.18

4.1.7. Billings shall occur on at least on a monthly basis and shall follow a process determined by the Department.

4.1.8. The Contractor shall work with the Department to support a sustainable rate structure.

7. Modify Exhibit C, Payment Terms, Section 4.5., to read:

4.5. Maximum allotment for daily rate expenditure for Department funded expenditures by fiscal year is as follows:

4.5.1. Sub-total: $30,907,712.00

4.5.2. SFY 22: $3,268,320.00

4.5.3. SFY 23: $3,268,320.00

4.5.4. SFY 24: $6,105,763.00

4.5.5. SFY 25: $6,105,763.00

4.5.6. SFY 26: $6,079,773.00

4.5.7. SFY 27: $6,079,773.00

All terms and conditions of the Contract and prior amendments not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2025, upon Governor and Council approval.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Nashua Children's Home

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Nashua Children's Home, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Nashua Children's Home as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Nashua Children's Home and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nashua Children's Home's ability to continue as a going concern for one year after the date that the financial statements are issued.

Docusign Envelope ID: E6FF30D7-C4FE-4840-99CD-EBC62E1FBB71

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nashua Children's Home's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nashua Children's Home's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

The financial statements of Nashua Children's Home as of and for the year ended June 30, 2022, were audited by Melanson, whose report dated March 23, 2023 expressed an unmodified opinion on those statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Docusign Envelope ID: E6FF30D7-C4FE-4840-99CD-EBC62E1FBB71

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 9, 2024 on our consideration of Nashua Children's Home's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Nashua Children's Home's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Nashua Children's Home's internal control over financial reporting and compliance.

NASHUA CHILDREN'S HOME

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2023

NOTE 1 - ORGANIZATION

Nashua Children's Home (the Organization) is a nonprofit organization established to provide residential care, educational, and family preservation services to Nashua area children who cannot live at home or attend public schools due to a variety of factors. The Organization impacts children's lives through three primary service areas:

- Residential Program – A comprehensive care and service program for New Hampshire children and families. The Residential Program offers a wide range of recreational and social activities on and off grounds. Children are encouraged to utilize the community's recreational and cultural resources.
- Educational Program – Provides services for students with educational disabilities between the ages of 7 and 15. The Educational Program is designed for students who cannot be appropriately educated in less intensive programs within the public schools. The Educational Program is certified by the New Hampshire State Department of Education.
- Independent/Transitional Living Program - Assists young adults in transitioning into self-sufficiency and prevents long-term dependency on the social service system. Housing is provided at a nominal rent, along with continuing staff support and guidance for young adults that have exited the child-protective or juvenile justice system.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies used in preparing and presenting the accompanying financial statements.

BASIS OF FINANCIAL STATEMENT PRESENTATION

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Docusign Envelope ID: E6FF30D7-C4FE-4840-99CD-EBC62E1FBB71

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

CHANGE IN ACCOUNTING PRINCIPLE

ASC 842, Leases

Effective July 1, 2022, the Organization adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 842, *Leases*. Under ASC 842, the Organization determines if an arrangement contains a lease at inception based on whether the Organization has the right to control the asset during the contract period and other facts and circumstances. The Organization elected the package of practical expedients permitted under the transition guidance within the new standard, which among other things, allowed it to carry forward the historical lease classification. The Organization elected the short-term lease recognition exemptions for all leases that qualify. Consequently, for leases that qualify, the Organization will not recognize right-of-use assets or lease liabilities on the Statement of Financial Position. The adoption of ASC 842 did not have a material impact on the Organizations results of operations and cash flows as the rental agreements are month to month.

COMPARATIVE FINANCIAL INFORMATION

The accompanying financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the audited financial statements for the year ended June 30, 2022, from which the summarized information was derived.

CASH AND CASH EQUIVALENTS

All cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, are considered to be cash and cash equivalents. Cash and highly liquid financial instruments invested for long-term purposes, including endowments that are perpetual in nature, are excluded from this definition.

ACCOUNTS RECEIVABLE

Accounts receivable consist primarily of noninterest-bearing amounts due for services and programs. The allowance for uncollectable accounts receivable is based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectable. Management has determined that no allowance is necessary.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

GRANTS RECEIVABLE

Grants receivable, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Amounts recorded as grants receivable represent cost-reimbursable contracts and grants, which the incurrence of allowable qualifying expenses and/or the performance of certain requirements have been met or performed. The allowance for uncollectable grants receivable is based on historical experience and a review of subsequent collections. Management has determined that no allowance is necessary.

INVESTMENTS

Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair value in the Statement of Financial Position. Net investment return/(loss) is reported in the Statement of Activities and consists of interest and dividend income, realized and unrealized gains and losses, less external investment expenses. Investments include equity securities of public companies which are carried at fair value based on quoted market prices.

PROPERTY AND EQUIPMENT, NET

Property and equipment additions over $1,000 are recorded at cost, if purchased, and at fair value at the date of donation, if donated. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 40 years. When assets are sold or otherwise disposed of, the cost and related depreciation is removed, and any resulting gain or loss is included in the Statement of Activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed. Assets not in service are not depreciated.

The carrying value of property and equipment is reviewed for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment in fiscal year 2023 or 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NET ASSETS

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions.

Net Assets Without Donor Restrictions

Net assets without donor restrictions are net assets available for use in general operations and not subject to donor (or certain grantor) imposed restrictions. The Board has designated, from net assets without donor restrictions, net assets for a board-designated endowment.

Net Assets With Donor Restrictions

Net assets with donor restrictions are net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity while permitting the Organization to expend the income generated by the assets in accordance with the provisions of additional donor-imposed stipulations or a Board approved spending policy. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Organization recognizes revenue from contributions and grants that were initially conditional, which became unconditional with restrictions during the reporting period, and for which those restrictions were met during the reporting period, as net assets without donor restrictions.

REVENUE RECOGNITION

Revenue derived from board and care is recognized when the performance obligation of providing the services is met. Board and care revenue is billed twice monthly after the services are provided.

The Organization recognizes revenue from tuition during the year in which the related services are provided to students. The performance obligation of delivering educational services is simultaneously received and consumed by the students; therefore, the revenue is recognized when the performance obligation has been met. Payment for tuition is required the month prior to when the educational services are provided. Amounts received in advance are deferred and are reported as contract liabilities until the performance obligation is met.

Docusign Envelope ID: E6FF30D7-C4FE-4840-99CD-EBC62E1FBB71

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

REVENUE RECOGNITION (CONTINUED)

Rental income is recognized monthly when the performance obligation of providing space/housing is satisfied.

The Organization recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

A portion of the Organization's revenue is derived from cost-reimbursable contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the Statement of Financial Position.

DONATED SERVICES AND IN-KIND CONTRIBUTIONS

Volunteers contribute significant amounts of time to program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by GAAP. GAAP allows recognition of contributed services only if (a) the services create or enhance nonfinancial assets, or (b) the services would have been purchased if not provided by contribution, require specialized skills, and are provided by individuals possessing those skills. Donated professional services are recorded at the respective fair value of the services received. Contributed goods are recorded at fair value at the date of donation and as expenses when placed in service or distributed. Donated use of facilities is reported as a contribution and as an expense at the estimated fair value of similar space for rent under similar conditions. If the use of the space is promised unconditionally for a period greater than one year, the amount is reported as a contribution and an unconditional promise to give at the date of the gift, and the expense is reported over the term of use.

ADVERTISING COSTS

Advertising costs are expensed as incurred and are reported in the Statement of Activities and Statement of Functional Expenses.

Docusign Envelope ID: E6FF30D7-C4FE-4840-99CD-EBC62E1FBB71

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of program and supporting services activities have been summarized on a functional basis in the Statement of Activities. The Statement of Functional Expenses presents the natural classification detail of expenses by function. Certain categories of expenses are attributed to more than one program or supporting function. Accordingly, certain costs have been allocated among the programs and supporting services benefited on a reasonable basis that is consistently applied. The majority of expenses are directly charged to the functional categories. The expenses that are allocated include salary and wages, employee benefits, payroll taxes, occupancy, depreciation, and insurance, which are allocated on the basis of time and effort estimates. Costs related to food and other certain occupancy costs are allocated based on budgetarily approved best estimates.

INCOME TAXES

The Organization has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Internal Revenue Code (IRC) Section 501(a) as an organization described in IRC Section 501(c)(3), qualifies for charitable contribution deductions, and has been determined not to be a private foundation. The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose.

The Organization accounts for uncertain tax provisions under FASB ASC 740, Income Taxes, which provides a framework for how entities should recognize, measure, present, and disclose uncertain tax positions in their financial statements. The Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. Management has reviewed the Organization's reporting and believes they have not taken tax positions that are more likely than not to be determined to be incorrect by the IRS and, therefore, no adjustments or disclosures are required. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

FINANCIAL INSTRUMENTS AND CREDIT RISK

Deposit concentration risk is managed by placing cash with financial institutions believed to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, no losses have been experienced in any of these accounts. Credit risk associated with receivables is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from governmental agencies supportive of the Organization's mission. Investments are made by diversified investment managers whose performance is monitored by the Board of Directors. Although the fair value of investments are subject to fluctuation on a year-to-year basis, the Board of Directors believes that the investment policies and guidelines are prudent for the long-term welfare of the Organization.

FAIR VALUE MEASUREMENTS AND DISCLOSURES

Certain assets and liabilities are reported at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk.

Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

- Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that are accessible at the measurement date.
- Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.
- Level 3 – Unobservable inputs for the asset or liability. In these situations, inputs are developed using the best information available in the circumstances.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

FAIR VALUE MEASUREMENTS AND DISCLOSURES (CONTINUED)

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety at the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset or liability within the hierarchy is based upon the pricing transparency of the asset or liability and does not necessarily correspond to the assessment of the quality, risk, or liquidity profile of the asset or liability.

NEW ACCOUNTING STANDARDS TO BE ADOPTED IN THE FUTURE

Credit Losses

In June 2016, the FASB issued Accounting Standards Update (ASU) 2016-13, *Measurement of Credit Losses on Financial Instruments*. The ASU requires a financial asset (including trade receivables) measured at amortized cost basis to be presented at the net amount expected to be collected. Thus, the Statement of Activities will reflect the measurement of credit losses for newly recognized financial assets as well as the expected increases or decreases of expected credit losses that have taken place during the period. This ASU will be effective for the Organization for the year ending June 30, 2024. The Organization is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

NOTE 3 - LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the date of the Statement of Financial Position, were comprised of the following at June 30, 2023 and 2022:

	2023	2022
Financial assets at year-end:		
Cash and cash equivalents	$ 631,969	$ 829,371
Accounts receivable	264,443	226,338
Grants receivable	8,499	19,942
Investments	4,364,244	4,088,939
Total Financial Assets	5,269,155	5,164,590
Less amounts not available to be used within one year:		
Board-designated endowment	(4,310,377)	(4,036,291)
Net assets with donor restrictions:		
Perpetual endowment - held in investments	(35,000)	(35,000)
Time and purpose restrictions not expected to be met in less than one year	(106,721)	(70,916)
Total Financial Assets Available Within One Year	$ 817,057	$ 1,022,383

Endowment funds consist of donor-restricted endowments and funds designated by the Board to function as endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. The portion of endowment funds that are perpetual in nature are not available for general expenditure.

The Board-designated endowment is subject to an annual spending rate as determined by the Board of Directors. Although there is no intention to spend from the Board-designated endowment (other than amounts appropriated for general expenditure as part of the Board's annual budget approval and appropriation) these amounts could be made available if necessary.

NOTE 3 - LIQUIDITY AND AVAILABILITY (CONTINUED)

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. In addition to financial assets available to meet general expenditures over the next year, the Organization operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

NOTE 4 - ACCOUNTS RECEIVABLE

Accounts receivable consisted of the following at June 30, 2023 and 2022:

	2023	2022
Board and care	$ 259,853	$ 207,705
School tuition	--	14,845
Transitional living rent	4,590	3,788
Total	$ 264,443	$ 226,338

NOTE 5 - INVESTMENTS

Investments, measured at fair value on a recurring basis and categorized in the fair value hierarchy as Level 1, consisted of the following at June 30, 2023 and 2022:

	2023	2022
Mutual funds	$ 2,551,060	$ 2,126,374

NOTE 6 - PROPERTY AND EQUIPMENT, NET

Property and equipment, net was comprised of the following at June 30, 2023 and 2022:

	2023	2022
Land and land improvements	$ 289,425	$ 283,005
Buildings and improvements	3,998,845	3,675,490
Furniture, fixtures, and equipment	289,480	264,621
Vehicles	186,745	186,745
	4,764,495	4,409,861
Less accumulated depreciation	(3,629,897)	(3,514,488)
Total	$ 1,134,598	$ 895,373

Depreciation expense totaled $115,409 and $127,786 for the years ended June 30, 2023 and 2022, respectively.

NOTE 7 - SELF-INSURANCE

The Organization self-insures against claims for employee health coverage. The Organization contracts with an insurance carrier for excess liability coverage and an insurance consultant for claims processing. At June 30, 2023 and 2022, the claims liability of $168,768 and $252,086, respectively, represents an estimate of claims incurred but unpaid at fiscal year-end, based on past historical costs and claims paid subsequent to fiscal year-end.

NOTE 8 - NOTES PAYABLE - CITY OF NASHUA

The Organization has two notes payable dated May 27, 2004 and September 8, 2003 totaling $755,000 to the City of Nashua, New Hampshire under the HOME Investment Partnership Program (HIPP) and the Economic Development Initiative Program (EDIP). These notes are secured by mortgages on the 123 Amherst Street property. The terms of the notes state as long as the Organization complies with certain restrictions contained in the loan agreement related to use of the property no repayment is required. The HIPP note payable will be discharged by the City of Nashua in November 2027. The EDIP loan remains does not have a specific discharge date. Instead, the terms of the loan state that the loan is to be repaid when the property is sold or transferred.

NOTE 9 - ENDOWMENT

TYPES OF FUNDS

The Board of Directors of the Organization has interpreted the New Hampshire Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as perpetually restricted (a) the original value of the gifts donated, (b) the original value of subsequent gifts, and (c) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as perpetually restricted is classified as purpose restricted until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

The Organization's endowment consists of funds established either by donors (referred to as donor-restricted endowment funds) and/or by resources set aside by the Board of Directors to function as endowments (referred to as Board-designated endowment funds). Donor-restricted endowment funds are further divided into those that provide a perpetual source of support for the Organization's activities (referred to as perpetual endowments) and those that are restricted by donors to investment for a specified term (referred to as term endowments). As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

INVESTMENT AND SPENDING POLICIES

The Organization has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution, while growing the funds if possible.

Docusign Envelope ID: E6FF30D7-C4FE-4840-99CD-EBC62E1FBB71

NOTE 9 - ENDOWMENT (CONTINUED)

INVESTMENT AND SPENDING POLICIES (CONTINUED)

The Organization's Board of Directors determines annually the amount of distribution each year based on the endowment fund's average fair value of the prior 12 quarters through the calendar year-end preceding the fiscal year in which the distribution is planned. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

FUNDS WITH DEFICIENCIES

Due to market conditions, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. There were no deficiencies at June 30, 2023 and 2022.

CHANGES IN ENDOWMENT NET ASSETS

Changes in endowment net assets for the year ended June 30, 2023 were as follows:

	Without Donor Restrictions	With Donor Restrictions

NOTE 12 - CONTRIBUTED NONFINANCIAL ASSETS (CONTINUED)

Donated supplies utilized for the Residential and Educational programs, as well as the general management of the Organization, are valued at estimated fair value based on current prices for similar supplies.

There were no associated donor restrictions with the above contributed nonfinancial assets.

NOTE 13 - RETIREMENT PLAN

All full-time employees may contribute up to 20% of gross wages to a 403(b) plan beginning on the first day of the month following the date of hire. The Organization is not required to contribute to this plan. In fiscal years 2023 and 2022, the Organization did not contribute to the 403(b) retirement plan.

NOTE 14 - CONCENTRATION OF RISK

A material part of the Organization's revenue is dependent upon government sources, the loss of which would have a materially adverse effect on the Organization. During the years ended June 30, 2023 and 2022, funding from the State of New Hampshire accounted for 72% and 86%, respectively, of total revenues.

NOTE 15 - COMMITMENTS AND CONTINGENCIES

GRANTS

Grant revenue from federal agencies is subject to independent audit under the Office of Management and Budget's Uniform Guidance, and review by grantor agencies. This review could result in the disallowance of expenditures under the terms of the grant or reductions of future grant funds. Based on prior experience, the Organization's management believes that costs ultimately disallowed, if any, would not materially affect the financial position of the Organization.

NOTE 16 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through February 9, 2024, which is the date the financial statements were available to be issued.

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, Item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Docusign Envelope ID: E6FF30D7-C4FE-4840-99CD-EBC62E1FBB71

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: E6FF30D7-C4FE-4840-99CD-EBC62E1FBB71

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Commissioner

State of New Hampshire

Department of Health and Human Services

Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Nashua Children's Home ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (item #14), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 18,748,166

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

5. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

6. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

   1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days.

The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

1.19.5.5. Previous assessments which have been completed including, but not limited to:

1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.

Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

19. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

20. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge,

Key performance metrics to read:

Transition & discharge	• Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge • % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

21. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These

Individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached. This requested action includes nine (9) contracts and the Department plans to submit seven (7) additional contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;

- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.

2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.

3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

Department of Health and Human Services
Amendment #3

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Orion House, Incorporated ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on August 4, 2021 (Item #15), as amended on June 28, 2023 (Item #43), as amended on December 20, 2023 (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $8,355,437

3. Modify Exhibit B, Scope of Services, by adding Section 1.10.1., to read:

4. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

      1.10.2.1. Considerations and action steps required to become a non-IMD;

      1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

      1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

5. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

      1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

      1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

ALTA CPA GROUP

Independent Auditor's Report

To the Members of the Board of
Orion House, Inc.

Opinion

We have audited the accompanying financial statements of Orion House, Inc. which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Orion House, Inc., as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Orion House, Inc., and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Orion House, Inc's. ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

59 Franklin Street, 2nd Floor
Annapolis, MD 21401

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Orion House, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Orion House, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

ORION HOUSE INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Orion House, Inc. is a voluntary, not-for-profit corporation, incorporated under the laws of the State of New Hampshire (RSA 292) and organized exclusively for tax-exempt charitable and educational purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1954, as amended. The Organization is not a private foundation within the meaning of Section 509(a). Orion House provides residential care to youths that require out-of-home care. The current mission of the Organization is to be a provider of safe and effective family-centered services to youth and their families. The delivery of services to youths and their families focuses on five principal domains: Community, Family, Therapy, Residential and Educational.

Financial Statement Presentation

The financial statements have been prepared in accordance with U.S. generally accepted accounting principles (GAAP), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of management and the board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. The donor restrictions are temporary in nature; those restrictions will be met by certain actions or by the passage of time.

Basis of Accounting

The Organization presents its financial statements on the accrual basis of accounting. Under this basis, exchange revenues and related accounts receivables are recognized when earned. Non-exchange revenues (grants, contributions, donations, etc.) are recognized when received. Expenses and related payables are recognized when title to goods and services passes to the Agency.

Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash consists of bank deposits held in checking and savings accounts. For purposes of reporting the statements of cash flows, if any, all highly liquid debt instruments purchased with a maturity of three months or less are considered to be cash equivalents.

Revenue Recognition

Revenue from contracts with customers primarily consists of service contracts with the State of New Hampshire and from Medicaid reimbursements. Revenue from these sources are recognized on a monthly basis as services are invoiced. Secondary support is obtained from home-based care services, private donations, interest, and dividends. These revenues are recognized net of discounts, waivers, and refunds.

We determine revenue recognition through the five-step model prescribed by Topic 606 as follows:

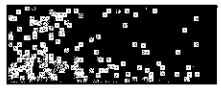
- Identification of the contract, or contracts, with a customer;
- Identification of the performance obligations in the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the performance obligations in the contract;
- Recognition of revenue when, or as, performance obligations are satisfied.

Performance Obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to the customer. A contract's transaction price is allocated to each performance obligation identified in the arrangement based on the relative standalone selling price of each distinct good or service in the contract and recognized as revenue when, or as, the performance obligation is satisfied. The primary method used to estimate the standalone selling price is the adjusted market assessment approach, under which we evaluate the market and estimate a price that a customer would be willing to pay for the goods and services we provide.

Our performance obligations are primarily satisfied at the point of delivery of services. The transaction price is determined based on gross price, net of discounts or refunds.

We have elected the optional exemption to not disclose amounts where the performance obligation is part of a contract which has an original expected duration of one year or less. We expect to recognize substantially all revenue on these remaining performance obligations over the next 12 months.



NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contract Balances

The timing of billings, cash collections, and revenue recognition results in accounts receivable (contract assets) on the statements of financial position. Receivables are only recognized to the extent that it is probable that the Organization will collect substantially all of the consideration to which it is entitled in exchange for the goods and services that will be transferred.

Costs to Obtain a Contract

We have elected the practical expedient available in ASC 340-40, in which any incremental costs of obtaining a contract are recognized as an expense when incurred if the amortization period of the asset that would have been recognized is one year or less.

The Organization recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest, is received. A conditional promise to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

A portion of the Organization's revenue is derived from cost-reimbursable state contracts and grants, which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization have incurred expenditures in compliance with specific contract or grant provisions.

Deferred Revenues and Refundable Advances

Service charges received in advance of the year to which they apply are reported as deferred revenue in the statements of financial position. Amounts received from grants in advance of the year to which relating eligible expenses have been incurred are reported as refundable advances.

Functional Allocation of Expenses

The costs of providing program services and supporting activities have been summarized on a functional basis in the statements of activities and changes in net assets. Expenses are charged to program services based on direct costs incurred or estimated usage (for indirect costs). Any expenses not directly chargeable are allocated to functions based on the direct charges. Annually, an indirect cost rate is established by The Organization and approved by the State of New Hampshire Department of Education for this purpose.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Prepaid Expenses

Disbursements made in advance of the receipt of goods and services are recorded as prepaid expenses in the statement of financial position.

Property and Equipment

All costs of property and equipment, and the fair value of donated assets value in excess of $500 and an initial economic useful life of greater than one accounting period are capitalized. Depreciation is computed by the straight-line method, beginning in the month of acquisition at rates based on the following estimated useful lives:

Buildings	30 Years
Furniture and Fixtures	7 Years
Equipment	5 Years

Income Taxes

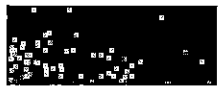
The Organization is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3) and for the years ending June 30, 2024 and 2023 had no unrelated business income. Therefore, no provision for income taxes is made in the accompanying financial statements.

Deposits

As of June 30, 2024, $250,000 of the Company's bank deposits were insured by the Federal Deposit Insurance Corporation (FDIC) and approximately $430,000 were uninsured. As of June 30, 2023, $250,000 of the Company's bank deposits were insured by the FDIC and approximately $95,000 were uninsured. The Organization deposits its cash with high quality financial institutions and management believes that is not exposed to significant credit risk on those amounts.

Subsequent Events

The Organization evaluated subsequent events through the date that the financial statements were available to be issued. The Organization is not aware of any significant events that occurred subsequent to the statement of financial position date but prior to August 26, 2024.



NOTE 2 - ACCOUNTS RECEIVABLE

Accounts Receivable

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Docusign Envelope ID: A4D62A8F-032D-49A7-8510-20E635755622

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: A4D62A8F-032D-49A7-8510-20E635755622

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Orion House, Incorporated ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on August 4, 2021 (item #15), as amended on June 28, 2023 (item #43), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 5,278,641

3. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

4. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

5. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

   1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

6. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

7. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

8. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than

seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

   1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

    1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

    1.13.14.1. There are no openings at the time of referral;

    1.13.14.2. The age of the referred child is greatly different than the current milieu;

    1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

    1.13.14.4. There are specialty Care needs revealed during their course of treatment;

    1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

    1.13.14.6. The individual's needs fall well outside the program model.

11. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

    1.19.4.1. Twenty-four (24) hour services.

12. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

    1.19.5.5. Previous assessments which have been completed including, but not limited to:

    1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

    1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

    1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

13. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

    1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

    1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

15. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

    1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

    1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

16. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

17. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.

Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

18. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

19. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge,

Key performance metrics to read:

Transition & discharge	• Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge • % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

20. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

1.2. Funds from Administration of Children and Families, ALN #93.558, FAIN 2101NHTANF and 2301NHTANF.

1.3. Funds from Administration of Children and Families, ALN #93.659, FAIN 2101NHADPT and 2301NHADPT.

1.4. Funds from Centers for Medicare and Medicaid Services, ALN #93.778, FAIN 2105NH5ADM and 2305NH5ADM.

1.5. General Funds

21. Modify Exhibit C, Payment Terms, Paragraph 4.1., to read:

4.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the table listed under section 4.1.1. This per diem rate will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments.

22. Modify Exhibit C, Payment Terms, Subsection 4.1., to read:

4.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under Section 4.1.1. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments.

EXPLANATION

This request is Retroactive because upon review of the contracts for Webster House and Orion House, the Department discovered an error in the rate calculation. As part of the System of Care work, the Department competitively bid these contracts, and established daily rates in each contract under certain assumptions and many unknowns. Due the restrictive nature of procurement laws, the Department was unable to obtain all documentation necessary to mitigate

Docusign Envelope ID: A4D62A8F-032D-49A7-8510-20E635755622

DocuSign Envelope ID: 905A8186-5873-46BD-8D97-B81433B95B60

the unknowns, and was prohibited from providing advice to the Contractors on how they should account for their costs, resulting in inaccurate reporting. The ramification of this challenge was not fully realized until providers started billing and appropriate reporting was able to be derived from the system. The rate errors became clear upon review of this information once available, however, a year had elapsed from the start of the contract at that point. A comprehensive re-examination of the rate setting process was undertaken that took almost a year to implement appropriately with proactive considerations for future rate setting efforts. This rate setting process has since been streamlined and clarified in order to prevent further errors.

This request is **Sole Source** because the Department is increasing the price limitation by more than 10% of the original contract. These two Contractors provide critical services within the Children's Residential Treatment provider network, and are currently serving children under an old rate. This rate setting correction must be implemented in order to ensure that the Department maintains provider capacity and that the Contractors are able to continue serving children. Orion House's rates changed from $211.70 for Level 1 and $207.40 for Level 2 to $184.39 for Level 1 and $316.36 for Level 2. Webster House's rates changed from $172.44 for Level 2 to $327.08 for Level 2 for the period of July 1, 2021 to June 30, 2022, and $369.39 for Level 2 for the period of July 1, 2022 forward.

The purpose of this request is to ensure that Contractors are reimbursed for children's residential services with the correct rate. The Contractors will continue to provide evidence-based and trauma-informed clinical behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs. The Contractors will also continue supporting the Department's effort to provide long-term outcomes for youth by providing services that are short-term, target treatment episodes, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Across all of the Children's Residential Treatment programs approximately 400-500 individuals will be served annually through June 30, 2024.

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff..

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the original agreement, the parties have the option to extend the agreement for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is not exercising its option to renew at this time.

DocuSign Envelope ID: 905A8186-5873-46BD-8D97-B81433B95B60

Should the Governor and Council not authorize this request, the Contractors will not be reimbursed at the appropriate rate; leaving the Department vulnerable to potentially losing these critical service providers, which would be detrimental to the overall capacity to serve youth in Level 1 and Level 2 programs in-state.

Area served: Services are located in Newport NH and Manchester, NH however they accept and treat children from across the state.

Source of Federal Funds: Assistance Listing #93.658, FAIN #2301NHFOST; Assistance Listing #93.558, FAIN #2301NHTANF; Assistance Listing #93.659, FAIN #2301NHADPT; Assistance Listing #93.778, FAIN #2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;

- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

This requested action includes five (5) contracts in addition to the nine (9) contracts presented to the Governor and Executive Council on July 14, 2021 (item #14). The Department plans to submit the remaining two (2) contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;
- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

Areas served: Statewide.

Source of Funds: CFDA #93.658, FAIN #2101NHFOST CFDA #93.558, FAIN# 2101NHTANF, CFDA #93.659, FAIN #2101NHADPT, CFDA #93.778, FAIN #2105NH5ADM

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Date 6/30/2021

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation").*

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

New Hampshire Department of Health and Human Services
Residential Treatment Services for Children's Behavioral Health
EXHIBIT B

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.1. Shall be licensed and certified. Those that are not currently certified, licensed and accredited, shall complete these requirements within 6 months from contract approval, unless otherwise agreed upon by the Department.

1.8.2. Shall comply with all federal, and state laws, regulations, and rules, as follows, but are not limited to:

1.8.2.1. RSA 170-E;
1.8.2.2. RSA 170-G:8;
1.8.2.3. RSA 126-U;
1.8.2.4. RSA 135-F;
1.8.2.5. He-C 4001;
1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. Staff Training and Development

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor shall choose to discharge when a child is in an acute psychiatric hospital for more than 7 days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of, the

individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate, reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

1.13.14. The Contractor may deny admission to a program if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;
1.13.14.2. The age of the referred child is greatly different than the current milieu;
1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;
1.13.14.4. There are specialty Care needs revealed during their course of treatment;
1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match;
1.13.14.6. The individual's needs fall well outside the program model;

1.13.15. The Contractor may request a discharge for individuals from a residential treatment program if any of the following circumstances are applicable:
1.13.15.1. New information has indicated that the child requires specialty care that the current program does not offer;
1.13.15.2. The Child has increased aggression that has resulted in excessive property damage or physical harm to staff and self and is not improving over time, indicating a higher level of care is needed; and
1.13.15.3. The child's level of mental health symptoms have exceeded the level of care being provided at the program and an appropriate transition plan has been determined.

1.13.16. Contractor shall deliver treatment and provide services to accepted referrals until the child's level of need is reduced and their treatment goals have been met.

1.13.17. The Department will monitor denials, admissions, and discharges as part of continuous quality assurance and program outcomes and reserves the right to review and approve or deny denials.

1.14. Restraint and Seclusion Practices

1.14.1. The Contractor shall comply with RSA 126-U.

1.14.2. The Contractor shall utilize a de-escalation and restraint training which supports the limited use of restraint or seclusion in RSA 126-U and aligns with the Six Core Strategies ©.

1.14.3. The Contractor shall develop and implement policies and methods to reduce and eliminate use of restraint and seclusion practices by incorporating the Six Core Strategies for Reducing Seclusion and

Restraint Use ©, for Department review, including but not limited to the following:

1.14.3.1. Therapeutic Crisis Intervention (TCI),
1.14.3.2. Crisis Prevention Institute (CPI),
1.14.3.3. Professional Crisis Management (PCM),
1.14.3.4. Mandt,
1.14.3.5. Handle with Care, or
1.14.3.6. Another model approved by the Department

1.14.4. The Contractor shall work with the Department and other partners towards a zero restraint practice.

1.14.5. The Contractor shall develop restraint and seclusion policies, and develop a method of review that will support the reduction and elimination of restraint and seclusion.

1.15. Children's System of Care Values

1.15.1. The Contractor shall provide services that align with the following System of Care values:

1.15.1.1. Youth Voice and Engagement

1.15.1.1.1. The Contractor shall ensure residential treatment services and treatment are youth driven as required by RSA 135-F by:

1.15.1.1.1.1. Having the individual determine the types and mix of services and supports needed using their strengths and needs.

1.15.1.1.1.2. Having the individual make decisions about treatment priorities and goals to be included in the treatment plans.

1.15.1.1.1.3. Using Frequent clear and concise communication free of jargon that promotes respect and that individuals feel valued and heard.

1.15.1.1.1.4. Having an environment that is welcoming, comforting and comfortable for all ages.

1.15.1.1.2. The Contractor shall incorporate a youth voice into program design and delivery, practice, and clinical services which include providing youth opportunities such as:

1.15.1.1.2.1. Facilitating their own treatment team meetings to the degree that would be both productive and clinically appropriate.

1.15.1.1.2.2. Voicing their concerns or grievances about program policies and procedures, and participating in any reform efforts.

1.15.1.1.2.3. Running leadership groups or programs such as student council or youth advisory boards.

1.15.1.1.2.4. Developing a youth peer mentor model.

1.15.1.2. Family Voice and Engagement

1.15.1.2.1. The Contractor shall ensure residential treatment services and treatment are family driven as required by RSA 135-F in order to improve treatment outcomes by:

1.15.1.2.1.1. Having the family determine the types and mix of services and supports needed using the individual's strengths and needs.

1.15.1.2.1.2. Having the family in decision making about treatment priorities and goals to be included in the individual's treatment plans.

1.15.1.2.1.3. Using frequent clear and concise communication free of jargon that promotes respect

and parents feels valued and heard.

1.15.1.2.1.4. Having an environment that is welcoming, and has space for families that is natural, inviting, and comforting.

1.15.1.2.2. The Contractor's engagement with the family shall include but not be limited to:

1.15.1.2.2.1. Encouraging families to be full participants in their children's ongoing care including participation in clinical appointments.

1.15.1.2.2.2. Welcoming natural support networks and professionals as a support to the family and youth.

1.15.1.2.2.3. Having flexible visitation policies that promote face-to-face contact, supported visitation as well as technology that prioritizes the individual's connections.

1.15.1.2.2.4. Encouraging parents and family to remain responsible for the care of their children including transportation when it is necessary, feasible, and appropriate.

1.16. Cultural and Linguistic Diversity

1.16.1. The Contractor shall deliver services that meet the cultural and linguistic needs of the diverse populations by:

1.16.1.1. Having services reflect the cultural, racial and ethnical and linguistic needs of the population.

1.16.1.2. Understanding the family's and their community's values and cultures.

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

Contractor Initials DP

Date 6/30/2021

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor, for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

State of New Hampshire
Department of Health and Human Services
Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Pine Haven Boys Center ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (Item #14), as amended on December 20, 2023 (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $31,161,598.17

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

   1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

   1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

   1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds.

5. Modify Exhibit C, Payment Terms, Section 5.1. to read:

5.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under section 5.1.6. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments. For the purpose of establishing these rates, the Contractor must provide the Department with the following prescribed forms by April 1st, annually:

5.1.1. A Department stipulated Residential Rate Template completed with budgeted costs for the following state fiscal year;

5.1.2. A copy of the most recent independent financial audit;

5.1.3. If the provider does not have an audit, unaudited financial statements for the most recently completed fiscal year (to include balance sheet, cash flow statement, profit and loss, income statement and adjusted trail balance);

5.1.4. A program-level profit and loss statement for the program related to the services provided in this contract; and

5.1.5. Additional clarifying information may be required upon request.

5.1.6.

www.pinehavenboyscenter.org

Philosophy: The Philosophy can be summarized in two statements:
"There is no such thing as a bad boy."
"Children need and are entitled to their families."
Pine Haven feels that as a troubled boy has acquired destructive and unhealthy patterns of behavior, given the opportunity, he can relearn more productive and adequate habits.

Mission statement: "Pine Haven is committed to providing children with positive experiences and success oriented programs. The process is to identify appropriate behaviors: catching the child doing right. The ultimate goal is to have the youngster return to his family, school, and community. When reunification is not the plan, Pine Haven is committed to promoting the optimal, possible level of involvement between the child and his family. Pine Haven honors the dignity, resources and strengths of families and is dedicated to involving them in all major decisions affecting their children".

Vision: The vision of Pine Haven Boys Center is to offer care that is accessible, safe, ethical, culturally diverse and of high quality to promote and strengthen the health and well-being of our clients and, if possible, of their families.

Values: Pine Haven is committed to integrating the values of Respect, Integrity, Dedication, Quality and Professionalism into every activity and service provided.

Scope of services: With around-the clock-nurturing and state of the art therapy, Pine Haven's goal is to reintegrate the boys into their families, schools and communities by teaching them the skills necessary to succeed.

Location: Allenstown, NH – halfway between Concord and Manchester.

Hours of service: Pine Haven is open 24 hours a day all year long.

Characteristics of Children Admitted: Emotionally disturbed, attention deficit disordered, learning disabled, school phobic, runaways, CHINS, mild intellectual disability, verbally/physically aggressive, physically/sexually abused, sexually reactive (sexually acting out latency-age boys), developmentally delayed, Other Health Impaired, delinquent, on probation, children with psychiatric issues, speech & language disabled, and children who have misused fire.
Population: Males (age: 6-15; grades 1-8).

Intake Procedure: Initial telephone or email contact and referral information is provided to Pine Haven to start the process. Interview with the student, family and sending/referring agency. Emergency admissions are also an option as quickly as the same day (depending on bed availability).

Programs and Services: Pine Haven is a private, non-sectarian, residential treatment center for twenty boys that provides specialized services to both the child and their families.
Educational Program: Four non-graded, small (up to six students), self-contained classrooms; individually prescribed instruction; summer school; transition programs into the public schools. Day students may be considered.
Therapeutic Programs: Master's Degree Therapists provide individual, group, family and sibling therapy as well as parenting groups. The clinical work with residents and siblings relies on hands-on techniques (play, puppets, sand therapy, art, etc.) to meet the needs of this young, immature population. Pine Haven is specialized in the treatment of sexually abused, sexually reactive, latency-age boys. Pine Haven's clinical consultant, Lynn Sanford, a nationally recognized expert in sexual abuse, provides monthly consultation to both residential and clinical departments.
Fire Setters Program: Pine Haven has a formal program including a psycho-educational component for the children and their families in fire education, understanding the dynamics of fire setting behavior, communication and limit setting.
In Home Family Program: Qualified/trained family workers or therapists offer a flexible, individualized array of services to empower families to reunite and successfully integrate into the community.
Residential Program: The boys live in a cottage-style residence. The focus is on treatment, life skill issues, and interpersonal relationships. Group meeting, supportive counseling, limit setting, behavior management and crisis intervention are provided. Each child has his own bedroom. A psychological evaluation may be provided at admission if necessary.
Recreational Program: A variety of physical activities on the premises and in the community, such as sports, hikes and field trips are available to the children.
Health Program: Routine preventive health care, physical activity, personal hygiene, adequate rest, and balance nutrition are also role modeled and encouraged.
Religious Program: Children of all religious denominations are accepted and opportunities to practice and share their faith are offered.
Additional Programs: Psychiatric services are provided by a psychiatrist licensed in NH and VT and a psychiatric nurse practitioner licensed in NH.
Respite Families: This program connects children with the opportunity to experience a safe adult relationship as well as to interact outside of Pine Haven to practice skills learned while on campus.
FROGS Program (Families Rediscovering Opportunities, Growth and Support). This program is geared toward helping children transition back into a community setting after the residential episode. They maintain the same therapist and case manager to help maintain stability. Services offer the opportunity to work on the issues that are impacting their functioning in their own homes and communities.
Tuition: There are no fees charged to the children served and to their families.

Treatment Modalities: Play therapy, Trauma Focused Cognitive Behavior therapy, Cognitive Behavior Therapy, Trust Based Relations Interventions, Medication management, Zones of Regulation, sexual abuse curricula.

Staffing: Psychiatric and psychological consultants, MA therapists, special education teachers, tutor, professional childcare workers, awake-overnight staff (all staff meet the requirements established by the State of New Hampshire).

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Pine Haven Boys Center
Allenstown, New Hampshire 03275

Opinion

We have audited the accompanying financial statements of the Pine Haven Boys Center, which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Pine Haven Boys Center as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pine Haven Boys Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Litigation Uncertainty

As discussed in Note 9 to the financial statements, the Pine Haven Boys Center is a defendant in a number of lawsuits from former students. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

44 School Street
Lebanon, NH 03766
v: 603-448-2650
f: 603-448-2476

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pine Haven Boys Center's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pine Haven Boys Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pine Haven Boys Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. Nature of Activities

Pine Haven Boys Center ("the Center"), located in Allenstown, New Hampshire, is a voluntary not-for-profit corporation, incorporated under the laws of the State of New Hampshire (RSA 292) and organized exclusively for charitable and organizational purposes.

The Center operates a non-sectarian, therapeutic intervention and educational program for boys 6 through 15, who are referred by social agencies, schools, families and courts. The Center's goal of treatment is to return youngsters to community life in as short a time as possible, with improved coping skills.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Center have been prepared on the accrual basis; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Estimates and assumptions: Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Accordingly, actual results may differ from estimated amounts.

Net assets: The Center reports information regarding its financial position and activities according to two categories of net assets: net assets with donor restrictions and net assets without donor restrictions. Descriptions of these net asset categories are as follows:

Net assets without donor restrictions: Net assets without donor restrictions are available for use at the discretion of the Board of Directors and/or management for general operating purposes. From time to time the Board of Directors designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion.

Net assets with donor restrictions: Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions.

The Center reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restrictions and reported in the statements of activities and changes in net assets as net assets released from restrictions.

See Note 7 for more information on the composition of net assets with donor restrictions.

Cash and cash equivalents: For purposes of reporting cash flows, the Center considers all money market accounts to be cash equivalents. The Center had cash equivalents as of June 30, 2023 and 2022 amounting to $77 and $737,016, respectively.

Accounts receivables: Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to an allowance based on their assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance and a credit to accounts receivable. At June 30, 2023 and 2022, accounts receivable is presented net of allowance for bad debts in the amount of $10,000 and $-, respectively.

Property and equipment: Property and equipment is recorded at cost or, in the case of donated assets, at fair value. Items with an individual or aggregate cost of less than $1,000 are expensed in the year of purchase.

Depreciation is computed using the straight-line method over the following estimated useful lives:

	Years
Building and land improvements	10-39
Furniture and fixtures	5-7
Office equipment	5–10
Equipment	5-7
Vehicles	5

Expenditures for repairs and maintenance are expensed when incurred and betterments are capitalized. Assets sold or otherwise disposed of are removed from the accounts along with the related accumulated depreciation and any gain or loss is recognized.

Income taxes: The Center qualifies as an organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. The Center is also exempt from state income taxes by virtue of its ongoing exemption from federal income taxes. Accordingly, no provision for income taxes has been recorded in the accompanying financial statements.

The Center adopted the provision of FASB ASC 740, *Accounting for Uncertainty in Income Taxes*. Accordingly, management evaluated the Center's tax positions and concluded the Center had maintained its tax-exempt status, does not have any significant unrelated business income and had taken no uncertain tax positions that require adjustment or disclosure in the financial statements. With few exceptions, the Center is no longer subject to income tax examinations by the U.S. Federal or State tax authorities for tax years before 2020.

Functional allocation of expenses: The statements of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific functional area of the Center are reported as expenses of those functional areas. A portion of finance and administration costs that benefit multiple functional areas (indirect costs) have been allocated across programs and finance and administration based on estimates of time and effort.

Advertising: The Center expenses all advertising costs as incurred. Advertising expense for the years ended June 30, 2023 and 2022 amounted to $19,611 and $9,784, respectively.

Operating measure: The Center has presented the statements of activities and changes in net assets based on an intermediate measure of operations. The measure of operations includes all revenues and expenses that are an integral part of the Center's programs and supporting activities and net assets released from restrictions to support operating activities. Non-operating activities are limited to resources outside of those programs and services.

Revenue and revenue recognition: The Center recognizes revenue from educational services during the year in which the related services are provided to students. The performance obligation of delivering educational and therapeutic services is simultaneously received and consumed by the students; therefore, the revenue is recognized ratably over the course of the academic year. In addition, the Center offers room and board to all of its students. The performance obligation of providing access to housing and meals is satisfied ratably over the period in which the student lives on campus. The Center bills the students' local school districts, the State of New Hampshire, or the State of Vermont monthly based on daily rates established by the New Hampshire Department of Education (NH DOE). Payments are then received by either the student's local school district, the Division for Children, Youth, and Families (DCYF), the NH DOE, or counterpart agencies from other states.

The Center recognizes contributions received and made, including unconditional promises to give, as revenue in the period received or made. Contributions received are reported as either revenues without donor restrictions or revenues with donor restrictions. Contributions with donor restrictions that are used for the purposes specified by the donor in the same year as the contribution is received are recognized as revenues with donor restrictions and are reclassified as net assets released from restrictions in the same year. Promises to contribute that stipulate conditions to be met before the contribution is made are not recorded until the conditions are met. There were no conditional promises to give for the year ended June 30, 2023.

Change in accounting principles: On July 1, 2022, the Center adopted ASU 2016-02 "Leases (Topic 842)" and subsequent amendments thereto, which requires the Center to recognize most leases on the statements of financial position. Adopting the leasing standard resulted in no impact to the statements of financial position as of July 1, 2022.

Note 3. Concentrations

The Center receives a substantial amount of its support from the New Hampshire Department of Health and Human Services, Division of Children, Youth and Families, in the form of board and care revenue, and from the New Hampshire Department of Education, for student instruction. In addition, the Center receives support from similar governmental agencies in other states.

The Center maintains cash accounts in multiple financial institutions. The Center's cash accounts are insured by the FDIC up to $250,000 per depositor at each financial institution. At June 30, 2023, the Center's uninsured cash balances totaled approximately $695,000.

In addition, at June 30, 2023, the Center had a cash balance amounting to approximately $2,364,000 held through an Insured Cash Sweep Service (ICS) agreement between the Center and its bank. The ICS places the Center's funds at other FDIC insured banks in amounts that do not exceed the FDIC insured maximum. Through the ICS program, the Center can exclude specific banks to ensure the FDIC insured limit is never exceeded at the destination banks.

Note 4. Property and Equipment

Property and equipment, at cost, June 30,	2023	2022
Building and land improvements	$ 800,513	$ 800,513
Furniture and fixtures	45,190	45,190
Office equipment	70,218	70,218
Equipment	169,679	169,679
Vehicles	140,323	79,832
Construction in progress	139,317	-
Total property and equipment	1,365,240	1,165,432
Less accumulated depreciation	1,018,817	974,158
Total property and equipment, net	**$ 346,423**	**$ 191,274**

Note 5. Lease Commitments

On March 25, 2022, the Center entered into a one-year lease for facilities from the Order of St. Jerome Aemilian, Inc. ("the Order"), commencing July 1, 2022 through June 30, 2023, with an option to renew for seven additional periods through June 30, 2029. The lease provides for minimum annual rent based upon the sum of the following components: 1) an amount representing the total annual depreciation of buildings or improvements which the Order has constructed for use by the Center; and 2) an amount representing the total annual interest on borrowings used by the Order to construct or improve the buildings for use by the Center. The Center is also responsible for the payment of taxes, insurance, repairs and maintenance and utilities incurred in connection with the use of the property owned by the Order. Total rent expense under this lease amounted to $- for both years ended June 30, 2023 and 2022.

The Center also leases a copier machine at $100 per month for a total of 60 months, terminating January 2023. During the year ended June 30, 2023 the Center renewed the lease for an additional 48 months with the same monthly payments. The lease expense under this lease amounted to $1,194 for both years ended June 30, 2023 and 2022.

Total future minimum lease payments under this lease amount are as follows:

Year Ending June 30,	
2024	$ 1,194
2025	1,194
2026	1,194
2027	597
Total future minimum lease payments	$ 4,179

Note 6. Net Assets without Donor Restrictions

The Center's net assets without donor restrictions are comprised of the following:

June 30,	2023	2022
Undesignated	$ 2,029,286	$ 2,351,157
Undesignated - invested in property and equipment	346,423	191,274
Board designated - capital improvements	1,000,000	1,000,000
Total net assets without donor restrictions	**$ 3,375,709**	**$ 3,542,431**

Note 7. Net Assets with Donor Restrictions

Net assets with donor restrictions are restricted for the following purposes or periods:

June 30,	2023	2022
Subject to expenditure for specified purpose or period:		
Special projects	$ 316,411	$ 316,411
Security cameras	40,899	40,899
Winter recreation	2,080	2,080
Total net assets with donor restrictions	**$ 359,390**	**$ 359,390**

Note 8. Liquidity and Availability of Resources

The following reflects the Center's financial assets as of the statements of financial position date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statements of financial position date. Amounts not available include amounts set aside for special projects in the board designated funds that could be drawn upon if the governing board approves that action.

June 30,	2023	2022
Cash and cash equivalents	$ 3,394,247	$ 3,626,906
Accounts receivable	351,012	382,535
Financial assets, at year-end	3,745,259	4,009,441
Less those unavailable for general expenditures within one year, due to:		
Contractual or donor-imposed restrictions:		
Restricted by donors with purpose restrictions	(359,390)	(359,390)
Board designations	(1,000,000)	(1,000,000)
Financial assets available to meet cash needs for general expenditures within one year	$ 2,385,869	$ 2,650,051

As part of the Center's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. In addition, the Center has board designated funds of $1,000,000. Although the Center does not intend to spend from these funds other than amounts appropriated for general expenditure as part of its annual budget approval and appropriate process, amounts from these funds could be made available if necessary.

Note 9. Pending Litigation

The Center has been named as the defendant in multiple lawsuits from former students. Currently, there are five insured claims that share a $100,000 limit that includes defense costs and there are two other insured claims that each have a $500,000 limit with non-eroding defense coverage. No monetary damages have been identified for any of the pending lawsuits. In addition, the probability of an unfavorable outcome has not been determined for any of the pending lawsuits.

Note 10. Supporting Organization - Pine Haven Boys Center Foundation

Pine Haven Boys Center Foundation ("the Foundation") is a qualified charitable foundation organized for the purpose of supporting Pine Haven Boys Center. Pine Haven Boys Center receives annual contributions from the Foundation which are restricted for special projects and therapeutic programs not covered by other funding sources. During the years ended June 30, 2023 and 2022, the Center received restricted supporting contributions from the Foundation amounting to $- and $42,385, respectively.

During the year ended June 30, 2023, the Center sent a contribution of $500,000 to the Foundation. The amount is included on the statements of activities and changes in net assets as a contribution expense.

Note 11. Retirement Plans

The Center has a defined contribution retirement plan ("the Plan") qualified under Section 403(b) of the Internal Revenue Code covering all employees who have attained the age of 21 with at least two consecutive years of service. The Center makes contributions to the Plan each year equal to 5% of the eligible compensation of all participants. The Center's contributions to the Plan for the years ended June 30, 2023 and 2022 amounted to $85,305 and $58,364, respectively.

Note 12. Subsequent Events

The Center has evaluated subsequent events through January 9, 2024, the date which the financial statements were available to be issued and have not evaluated subsequent events after that date. Since the current year end, the Center has been named as a defendant in an additional three lawsuits filed against the Center. See Note 9 for details regarding the pending litigation. There were no additional subsequent events identified that would require disclosure in the financial statements for the year ended June 30, 2023.

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, Item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: F742820A-DD91-49A5-AEA3-5479DCCC6EE7

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Pine Haven Boys Center ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (item #14), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 19,583,786.17

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

5. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

6. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

      1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar

days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

    1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

    1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

    1.13.14.1. There are no openings at the time of referral;

    1.13.14.2. The age of the referred child is greatly different than the current milieu;

    1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

    1.13.14.4. There are specialty Care needs revealed during their course of treatment;

    1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

    1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

    1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

    1.19.5.5. Previous assessments which have been completed including, but not limited to:

    1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

    1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

    1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

    1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

    1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

    1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

    1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.

Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

19. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

20. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge, Key performance metrics to read:

Transition & discharge	◦ Median length of stay: days from admission to discharge to less restrictive setting ◦ % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days ◦ % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge ◦ % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

21. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These

Individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached. This requested action includes nine (9) contracts and the Department plans to submit seven (7) additional contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;

- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults, herein referred to as individuals with behavioral health needs, experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. Staff Training and Development

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the Individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the Individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor shall choose to discharge when a child is in an acute psychiatric hospital for more than 7 days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of the

individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate, reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. The Contractor may discharge after seven (7) calendar days after the DHHS approved length of time has ended.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

1.13.14. The Contractor may deny admission to a program if any of the following circumstances are applicable:

DocuSign Envelope ID: D3DA6AF9-0D1A-49D3-B611-8158A5747656

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match;

1.13.14.6. The individual's needs fall well outside the program model;

1.13.15. The Contractor may request a discharge for individuals from a residential treatment program if any of the following circumstances are applicable:

1.13.15.1. New information has indicated that the child requires specialty care that the current program does not offer;

1.13.15.2. The Child has increased aggression that has resulted in excessive property damage or physical harm to staff and self and is not improving over time, indicating a higher level of care is needed; and

1.13.15.3. The child's level of mental health symptoms have exceeded the level of care being provided at the program and an appropriate transition plan has been determined.

1.13.16. Contractor shall deliver treatment and provide services to accepted referrals until the child's level of need is reduced and/or their prioritized treatment goals have been met.

1.13.17. The Department will monitor denials, admissions, and discharges as part of continuous quality assurance and program outcomes and reserves the right to review and approve or deny denials.

1.14. Restraint and Seclusion Practices

1.14.1. The Contractor shall comply with RSA 126-U.

1.14.2. The Contractor shall utilize a de-escalation and restraint training which supports the limited use of restraint or seclusion in RSA 126-U and aligns with the Six Core Strategies ©.

1.14.3. The Contractor shall develop and implement policies and methods to reduce and eliminate use of restraint and seclusion practices by incorporating the Six Core Strategies for Reducing Seclusion and

Restraint Use ©, for Department review, including but not limited to the following:

1.14.3.1. Therapeutic Crisis Intervention (TCI),
1.14.3.2. Crisis Prevention Institute (CPI),
1.14.3.3. Professional Crisis Management (PCM),
1.14.3.4. Mandt,
1.14.3.5. Handle with Care, or
1.14.3.6. Another model approved by the Department

1.14.4. The Contractor shall work with the Department and other partners towards a zero restraint practice.

1.14.5. The Contractor shall develop restraint and seclusion policies, and develop a method of review that will support the reduction and elimination of restraint and seclusion.

1.15. Children's System of Care Values

1.15.1. The Contractor shall provide services that align with the following System of Care values:

1.15.1.1. Youth Voice and Engagement

1.15.1.1.1. The Contractor shall ensure residential treatment services and treatment are youth driven as required by RSA 135-F by:

1.15.1.1.1.1. Having the individual determine the types and mix of services and supports needed using their strengths and needs.

1.15.1.1.1.2. Having the individual make decisions about treatment priorities and goals to be included in the treatment plans.

1.15.1.1.1.3. Using Frequent clear and concise communication free of jargon that promotes respect and that individuals feel valued and heard.

1.15.1.1.1.4. Having an environment that is welcoming, comforting and comfortable for all ages.

1.15.1.1.2. The Contractor shall incorporate a youth voice into program design and delivery, practice, and clinical services which include providing youth opportunities such as:

1.15.1.1.2.1. Facilitating their own treatment team meetings to the degree that would be both productive and clinically appropriate.

1.15.1.1.2.2. Voicing their concerns or grievances about program policies and procedures, and participating in any reform efforts.

1.15.1.1.2.3. Running leadership groups or programs such as student council or youth advisory boards.

1.15.1.1.2.4. Developing a youth peer mentor model.

1.15.1.2. Family Voice and Engagement

1.15.1.2.1. The Contractor shall ensure residential treatment services and treatment are family driven as required by RSA 135-F in order to improve treatment outcomes by:

1.15.1.2.1.1. Having the family determine the types and mix of services and supports needed using the individual's strengths and needs.

1.15.1.2.1.2. Having the family in decision making about treatment priorities and goals to be included in the individual's treatment plans.

1.15.1.2.1.3. Using frequent clear and concise communication free of jargon that promotes respect

and parents feels valued and heard.

1.15.1.2.1.4. Having an environment that is welcoming, and has space for families that is natural, inviting, and comforting.

1.15.1.2.2. The Contractor's engagement with the family shall include but not be limited to:

1.15.1.2.2.1. Encouraging families to be full participants in their children's ongoing care including participation in clinical appointments.

1.15.1.2.2.2. Welcoming natural support networks and professionals as a support to the family and youth.

1.15.1.2.2.3. Having flexible visitation policies that promote face-to-face contact, supported visitation as well as technology that prioritizes the individual's connections.

1.15.1.2.2.4. Encouraging parents and family to remain responsible for the care of their children including transportation when it is necessary, feasible, and appropriate.

1.16. Cultural and Linguistic Diversity

1.16.1. The Contractor shall deliver services that meet the cultural and linguistic needs of the diverse populations by:

1.16.1.1. Having services reflect the cultural, racial and ethnical and linguistic needs of the population.

1.16.1.2. Understanding the family's and their community's values and cultures.

1.16.1.3. Attempting to hire individuals to provide services who are representative and knowledgeable of these values and cultures.

1.16.2. The Contractor shall regularly collect and review Race, Ethnicity and Language (REAL) and Sexual Orientation or Gender Identity or Expression (SOGIE) data to identify health disparities and make necessary system changes in partnership with individuals and families to address these health disparities as necessary.

1.16.3. The Contractor's staff shall attend Culturally and Linguistically Appropriate Services (CLAS) training provided by the Department.

1.16.4. The Contractor shall complete an organizational assessment to identify areas for improvement.

1.16.5. The Contractor shall make CLAS plans available to the Department for review to ensure the standards are being met and to ensure continuous improvement.

1.16.6. The Contractor's staff shall have ongoing participation in facilitated conversations on culture and diversity to explore their own values, beliefs and traditions, and the implications they have on their work.

1.17. Multidisciplinary Approach

1.17.1. The Contractor shall provide residential treatment in a cohesive manner to meet the needs of the individual and family by using a multidisciplinary team approach, which includes team members from disciplines at the program, such as but not limited to:

1.17.1.1. Residential

1.17.1.2. Education

1.17.1.3. Clinical Medical

1.17.2. The Contractor's multidisciplinary team at the program must prioritize communication with the child and family and the team members external to the residential treatment program.

1.17.3. The Contractor shall maintain clear communication with all team members across all disciplines.

1.18. Treatment Settings

1.18.1. The Contractor shall provide treatment settings that are:

1.18.1.1. Nurturing.

1.18.1.2. Family-friendly.

1.18.1.3. Provide for normalcy.

1.18.1.4. Approximate community-based settings in as many ways as possible.

1.18.1.5. Safe.

1.18.1.6. Predictable and consistent across education, residential and clinical services.

1.18.2. The Contractor shall provide services at the location(s) approved by the Department unless a plan for an alternative location and transition plan has been approved.

1.19. Targeted and Active Treatment

1.19.1. The Contractor shall prioritize treatment goals based on the CAT, the Child and Family team, and the expertise of the clinical program.

1.19.2. The Contractor's residential treatment multidisciplinary team and the Child and Family Team shall complete a treatment plan for each individual following the completion of a psychosocial assessment, which shall include:

1.19.2.1. Goals and objectives that are based on the CAT report, recommended by the multidisciplinary team, and child and family team and that are most important for the individual to achieve successful discharge and transition to their family, home and community;

1.19.2.2. Actionable needs identified in the CAT final report and CANS which shall be addressed upon admission and prioritized throughout the course of treatment; and

1.19.2.3. Integrated program of therapies, activities, and experiences designed to meet the treatment goals.

1.19.3. The Contractor shall work in partnership with the child's sending and receiving (if applicable) school district to assure the individual's education needs are met and there are no gaps in educational services

1.19.4. As determined by the treatment plan, the Contractor shall provide targeted and active treatment seven (7) days per week. Treatment may include as follows but is not limited to:

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government-wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (I)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OR COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law; pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III: RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

State of New Hampshire
Department of Health and Human Services
Amendment #3

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Spaulding Academy & Family Services ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (Item #14), as amended on December 20, 2023 (Item #32C), as amended on August 7, 2024 (Item #9), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $121,276,968

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

   1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

   1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

   1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds

5. Modify Exhibit C, Payment Terms, Section 5.1. to read:

5.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under section 5.1.6. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments. For the purpose of establishing these rates, the Contractor must provide the Department with the following prescribed forms by April 1st, annually:

5.1.1. A Department stipulated Residential Rate Template completed with budgeted costs for the following state fiscal year;

5.1.2. A copy of the most recent independent financial audit;

5.1.3. If the provider does not have an audit, unaudited financial statements for the most recently completed fiscal year (to include balance sheet, cash flow statement, profit and loss, income statement and adjusted trail balance);

5.1.4. A program-level profit and loss statement for the program related to the services provided in this contract; and

5.1.5. Additional clarifying information may be required upon request.

5.1.6.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Spaulding Academy & Family Services
Northfield, New Hampshire 03276

Opinion

We have audited the accompanying financial statements of Spaulding Academy & Family Services which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Spaulding Academy & Family Services as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Spaulding Academy & Family Services and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Spaulding Academy & Family Services' ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Spaulding Academy & Family Services' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Spaulding Academy & Family Services' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Spaulding Academy & Family Services' June 30, 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 26, 2023. In our opinion, the summarized information presented herein as of and for the year ended June 30, 2023 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Note 1. Nature of Activities

Spaulding Academy & Family Services ("the Organization") is a voluntary not-for-profit corporation, incorporated under the laws of the State of New Hampshire. The Organization was established to provide high-quality therapeutic, educational, residential and foster care services for children with emotional and behavioral challenges and children with autism or other neurological impairments. The Organization also provides training to families and professional staff focusing on children's behavioral, emotional and educational challenges. The Organization was created as a result of the merger of the NH Orphans' Home, the Daniel Webster Home, and the Golden Rule Farm on November 6, 1958.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Organization are prepared on the accrual basis; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Estimates and assumptions: Management uses estimates and assumptions, such as fair value of the Organization's beneficial interest in trusts, useful lives of property and equipment, and allowance for credit loss in preparing the financial statements. Those estimates and assumptions affect the recorded amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the recorded revenues and expenses. Accordingly, actual results may differ from those estimates.

Net assets: The Organization reports information regarding its financial position and activities according to two categories of net assets: net assets with donor restrictions and net assets without donor restrictions. Descriptions of these net asset categories are as follows:

Net assets without donor restrictions: Net assets without donor restrictions are available for use at the discretion of the Board of Directors and/or management for general operating purposes. From time to time the Board of Directors designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion. For example, the Board has designated a portion of net assets without donor restrictions as a quasi-endowment (an amount to be treated by management as if it were part of the donor restricted endowment) for the purpose of securing the Organization's long-term financial viability.

Net assets with donor restrictions: Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions and also includes the accumulated appreciation and depreciation related to donor-restricted endowment funds.

The Organization reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions.

Docusign Envelope ID: F1E9D11F-F5E7-4DEA-B9D3-547DCEE2B8ED

Some net assets with donor restrictions include a stipulation that assets provided be maintained permanently (perpetual in nature) while permitting the Organization to expend the income generated by the assets in accordance with the provisions of additional donor imposed stipulations or a Board approved spending policy.

Cash and cash equivalents: Cash and cash equivalents include all money market accounts and investments purchased with remaining maturities of three months or less. Temporary cash investments held in the investment portfolio are excluded from cash and cash equivalents.

Accounts receivable: Accounts receivable are recorded when invoices are issued and are presented on the statements of financial position net of the allowance for credit losses. At each reporting date, this estimate is updated to reflect any changes in credit risk since the receivable was initially recorded. This estimate is calculated either based on individual accounts or on a pooled basis where similar risks exist. Accounts receivable deemed collectible are removed from accounts receivable and the allowance for credit losses when collection efforts have been exhausted.

Allowance for credit losses: The Organization establishes an allowance for credit loss on financial assets measured at amortized cost, such as accounts receivable and debt securities. At each statement of financial position date, the Organization assesses the need to recognize an expected allowance for credit losses. Management assesses credit loss based on historical experience that is adjusted for current conditions and supportable forecasts when applicable. Management has determined that an allowance for credit losses did not have a material impact on results of operations or any impact on cash flows. For both years ended June 30, 2024 and 2023, the allowance for credit losses amounted to $20,000. There was no expense for credit loss for the years ended June 30, 2024 and 2023.

Fair value option: GAAP provides a fair value option election that allows organizations to irrevocably elect fair value as the initial and subsequent measurement attribute for certain financial assets and liabilities. GAAP permits the fair value option election on an instrument-by-instrument basis at specified election dates, primarily at the initial recognition of an asset or liability or upon an event that gives rise to a new basis of accounting for that instrument. The Organization has elected the fair value option for contributions receivable.

Contributions receivable: Unconditional contributions receivable are reported at net realizable value if at the time the promise is made payment is expected to be received in one year or less. Unconditional promises that are expected to be collected in more than one year are reported at fair value initially and in subsequent periods because the Organization elected the fair value option in accordance with generally accepted accounting principles. Management believes that the use of fair value reduces the cost of measuring unconditional promises to give in periods subsequent to their receipt and provides equal or better information to users of its financial statements than if those promises were measured using present value techniques and historical discount rates. Conditional promises to give are not included in the financial statements.

Docusign Envelope ID: F1E9D11F-F5E7-4DEA-B9D3-547DCEE2B8ED

Revenue and revenue recognition: The Organization recognizes revenue from student tuition and fees during the year in which the related services are provided to students. The performance obligation of delivering educational and therapeutic services is simultaneously received and consumed by the students; therefore, the revenue is recognized ratably over the course of the academic year. In addition, the Organization offers residential and foster care programs. The performance obligation of providing access to housing and meals is satisfied ratably over the period in which the student lives on campus. The Organization bills the students' local school districts monthly based on daily rates established by the New Hampshire Department of Education (NH DOE) depending on which academic or residential programs the students are enrolled in. Payments are then received by either the student's local school district, the Division for Children, Youth, and Families (DCYF), the NH DOE, or counterpart agencies from other states.

The Organization recognizes contributions received and made, including unconditional promises to give, as revenue in the period received or made. Contributions received are reported as either revenues without donor restrictions or revenues with donor restrictions. Contributions with donor restrictions that are used for the purposes specified by the donor in the same year as the contribution is received are recognized as revenues with donor restrictions and are reclassified as net assets released from restrictions in the same year. Promises to contribute that stipulate conditions to be met before the contribution is made are not recorded until the conditions are met. There were no conditional promises to give for the year ended June 30, 2024.

Beneficial interests in trusts: Beneficial interests in trusts are carried at the fair value of the expected future distributions from irrevocable perpetual trusts controlled by trustees not related to the Organization.

Donated services: Volunteers have donated their time to the Organization and its programs; however, these donated services are not reflected in the financial statements since these services do not meet the criteria for recognition as contributed services.

Inventories: Inventories consist of food inventory and are valued at the lower of cost on the first-in, first-out basis, or net realizable value.

Property and equipment: Property and equipment are recorded at cost if purchased or at fair value on the date of gift if donated. Donated assets are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Property and equipment are being depreciated using the straight-line method over estimated useful lives as follows:

	Years
Buildings and improvements	5–50
Vehicles	3–5
Furniture, fixtures and equipment	3-15

The Organization's policy is to capitalize asset acquisitions in excess of $5,000. Lesser amounts are generally expensed.

Income taxes: The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is also exempt from state income taxes by virtue of its ongoing exemption from federal income taxes. Accordingly, no provision for income taxes has been recorded in the accompanying financial statements.

Docusign Envelope ID: F1E9D11F-F5E7-4DEA-B9D3-547DCEE2B8ED

The Organization has adopted the provisions of FASB ASC 740, Accounting for Uncertainty in Income Taxes. Accordingly, management has evaluated the Organization's tax positions and concluded the Organization had maintained its tax-exempt status, does not have any significant unrelated business income and had taken no uncertain tax positions that require adjustment or disclosure in the financial statements. With few exceptions, the Organization is no longer subject to income tax examinations by the U.S. Federal or State tax authorities for years before 2021.

Functional allocation of expenses: The financial statements report certain categories of expenses that are attributable to more than one program or supporting function of the Organization. Those expenses include depreciation, occupancy, the president's office, food services and the information technology department.

Depreciation and occupancy are allocated based on square footage. The president's office, food services and the information technology department are allocated based on estimates of time and effort.

Operating measure: The Organization has presented the statement of activities and changes in net assets based on an intermediate measure of operations. The measure of operations includes all revenues and expenses that are an integral part of the Organization's programs and supporting activities and net assets released from restrictions to support operating activities. Non-operating activities are limited to resources outside of those program and services and are comprised of investment return, the changes in fair value of the beneficial interest in trusts, and gains and losses on sales and dispositions of assets.

Comparative financial information: The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2023, from which the summarized information was derived.

Advertising costs: The Organization expenses all advertising costs as incurred. Advertising expenses amounted to $77,812 for the year ended June 30, 2024.

Change in accounting policy: In June 2016, the Financial Accounting Standards Board (the "FASB") issued authoritative guidance which changes the methodology used to measure credit losses for certain financial instruments. Under prior guidance, credit loss reserves were based on historical information. The new guidance requires credit loss reserves to reflect estimated credit losses expected to be incurred over the life of the financial asset.

The Organization adopted the standard effective July 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in enhanced disclosures only.

Note 3. Concentrations

The Organization receives a substantial amount of its support from the New Hampshire Department of Health and Human Services, Division of Children, Youth and Families, in the form of board and care revenue, and from the New Hampshire Department of Education, for student instruction. In addition, the Organization receives support from similar governmental agencies in other states.

Docusign Envelope ID: F1E9D11F-F5E7-4DEA-B9D3-547DCEE2B8ED

The Organization maintains cash accounts in multiple financial institutions. The balances are insured up to $250,000 per depositor at each financial institution. In addition, the Organization has an agreement with its primary financial institution that the bank will secure deposits in excess of FDIC insurance limits for certain accounts. The collateral consists of credit obligations of the United States Government or fixed rate obligations of agencies or instrumentalities of the United States Government. As of June 30, 2024, assets pledged as collateral totaled approximately $8,181,000.

Note 4. Investments

The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values, based upon quoted market prices or estimated fair value provided by external managers, in the statements of financial position.

Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities and changes in net assets.

The following summarizes investment return for the year ended June 30, 2024:

	Without donor restrictions	With donor restrictions	Total
Interest and dividends	$ 364,929	$ 35,378	$ 400,307
Realized and unrealized gains	1,116,789	165,673	1,282,462
Investment fees	(68,421)	(9,359)	(77,780)
	$ 1,413,297	$ 191,692	$ 1,604,989

Note 5. Beneficial Interests in Trusts

The Organization is the beneficiary of several irrevocable perpetual trusts managed by local, independent financial institutions. The Organization receives distributions from seven trusts based on the income earned and annual distributions made by the trust. The Organization received $126,553 from these trusts during the year ended June 30, 2024. This amount is recorded as investment income without donor restrictions.

The Organization's portion of the fair value of these trusts, which approximates the present value of future benefits expected to be received, amounted to $2,504,185 at June 30, 2024. In accordance with FASB ASC 958-605, Transfers of Assets to a Not-for-Profit Organization or Charitable Trust That Raises or Holds Contributions for Others, the Organization has recorded the change in value of these investments on the statement of activities and changes in net assets. The increase in value of beneficial interests in trusts during the year ended June 30, 2024 amounted to $54,177.

Docusign Envelope ID: F1E9D11F-F5E7-4DEA-B9D3-547DCEE2B8ED

Note 6. Bonds Payable

In August of 2022, the Organization issued $9,000,000 in New Hampshire Health and Education Facilities Authority Revenue ("NHHEFA") Bonds held by Franklin Savings Bank, Spaulding Academy & Family Services Issue, Series 2022. The Series 2022 bonds are Term Bonds due August 1, 2052 with an initial interest rate of 3.25% per annum. The Series 2022 Bonds are a general obligation of the Organization. The proceeds of the bonds were applied to (1) finance the construction of a school addition; (2) to refinance $1,948,762 in outstanding debt and interest; and (3) pay the cost of issuance of the Series 2022 Bonds. The Organization is required to make monthly interest-only payments until August 2024. The bond requires monthly payments of principal and interest totaling $41,060 beginning in September 2024.

The bond payable is comprised of the following:

June 30,		2024
Bond payable	$	9,000,000
Less portion payable within one year		165,630
Less unamortized debt issuance costs		146,097
Total long-term bond payable	$	8,688,273

Maturities of the bond payable are scheduled as follows:

Year Ending June 30,		
2025	$	165,630
2026		204,682
2027		211,529
2028		217,852
2029		225,893
Thereafter		7,974,414
Total	$	9,000,000

Note 7. Endowment Funds

The Organization's endowment consists of seven individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law: The Organization is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) and, thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those net assets are time restricted until the Board of Directors appropriates such amounts for expenditures. Most of those net assets are also subject to

Docusign Envelope ID: F1E9D11F-F5E7-4DEA-B9D3-547DCEE2B8ED

purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions. The Board of Directors of the Organization has interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary.

As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Organization considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Organization has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the fund, (2) the purposes of the Organization and the donor-restricted endowment fund, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the investment policies of the Organization.

Underwater Endowment Funds: From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. The Organization did not have any funds with deficiencies for the year ended June 30, 2024.

Investment Return Objectives, Risk Parameters and Strategies: The Organization has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of approximately 5% while growing the funds if possible. Therefore, the Organization expects its endowment assets, over the long term, to produce an average rate of return of 3% over the generally followed Consumer Price Index while prioritizing preservation of the capital in real terms and displaying strong risk management. Actual returns in any given year may vary from this amount.

Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

Spending Policy: The Organization has adopted a written spending policy of appropriating for distribution each year 5% of its endowment fund's average fair value of the prior 20 quarters through the year preceding the fiscal year in which the distribution is planned. In establishing this policy, the Organization considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, many of which must be maintained in perpetuity because of donor-restrictions, and the possible effects of inflation. The Organization expects the current spending policy to allow its endowment funds to grow at a nominal average rate of approximately 3% annually, which is consistent with the Organization's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through investment return.

Endowment net asset composition by type of fund as of June 30, 2024 is as follows:

	Without donor restrictions	With donor restrictions	Total
Donor-restricted endowment funds:			
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	$ -	$ 674,620	$ 674,620

Note 11. Retirement Plan

The Organization maintains a defined contribution 403(b) qualified retirement plan ("the Plan"). The Plan covers all employees of the Organization who have completed two years of service and who are at least twenty-one years of age. Each year, the Organization contributes to the Plan in accordance with the Plan document. Participants may make elective wage and salary deferrals into this plan. All participants are 100% vested upon entry. Included in employee benefits in the statement of functional expenses is the retirement expense amounting to $526,153 for the year ended June 30, 2024.

Note 12. Liquidity and Availability of Resources

The Organization's financial assets available within one year of the statement of financial position date for general expenditure are as follows:

June 30,		2024
Cash	$	8,481,554
Accounts receivable		3,385,076
Beneficial interests in trusts		2,504,185
Investments		15,675,896
Total financial assets		30,046,711
Less amounts unavailable for general expenditures within one year due to:		
Restricted by donors with time or purpose restrictions		(635,007)
Subject to appropriation and satisfaction of donor restrictions		(1,467,460)
Beneficial interests in trusts		(2,504,185)
		(4,606,652)
Amounts unavailable to management without Board's approval:		
Board-designated net assets		(13,033,314)
Total financial assets available to management for general expenditure within one year	$	12,406,745

The Organization maintains a policy of structuring its financial assets to be available as its general expenditures, liabilities, and other obligations come due. Additionally, the Organization has board-designated net assets without donor restrictions that, while the Organization does not intend to spend these for purposes other than those identified, the amounts could be made available for current operations, if necessary.

Note 13. Related Party Transactions

The Organization receives financing from a bank which employs one of the Organization's board members. Another board member is also a board of director of that bank. In addition, another board member is president of the company that manages the Organization's retirement plan.

Note 14. Fair Value Measurements

The Fair Value Measurements Topic of the FASB Accounting Standards Codification (FASB ASC 820-10) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

Docusign Envelope ID: F1E9D11F-F5E7-4DEA-B9D3-547DCEE2B8ED

The three levels of the fair value hierarchy are as follows:

- Level 1 - inputs are unadjusted, quoted prices in active markets for identical assets at the measurement date. The types of assets carried at level 1 fair value generally are securities listed in active markets. The Organization has valued its investments, listed on national exchanges at the last sales price as of the day of valuation.
- Level 2 - inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 - inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option-pricing models, discounted cash flow models, and similar techniques.

The inputs or methodology used for valuing investments are not necessarily an indication of the risk associated with investing in those investments.

Financial assets carried at fair value on a recurring basis consist of the following at June 30, 2024:

	Level 1	Level 2	Level 3
Cash and money market funds	$ 3,982,010	$ -	$ -
Repurchase agreements	-	8,183,097	-

Docusign Envelope ID: F1E9D11F-F5E7-4DEA-B9D3-547DCEE2B8ED

The following table presents the change in Level 3 instruments for the year ended June 30, 2024:

	Contributions receivable	Beneficial interests in trusts
Balance, beginning of year	$ 20,000	$ 2,450,008
Contribution payments	(20,000)	-
Total realized and unrealized gains, included in changes in net assets	-	54,177

EXPLANATION

This request is **Retroactive** to July 1, 2023, which is the effective date of these revised rates. Through the most recent renewal and rate setting process, there were new calculations made, and an error was discovered in the rate used in these three contracts. The corrected rates have been carefully reviewed and agreed upon by the Department and the three Contractors.

The purpose of this request is to ensure that the Contractors in bold above are reimbursed for children's residential services using the correct rate. The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms and hospital settings. The Contractors

Docusign Envelope ID: F1E9D11F-F5E7-4DEA-B9D3-547DCEE2B8ED

will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act, and by New Hampshire RSA 135-F, System of Care for Children's Mental Health.

The population served through all of the contracts listed above includes children and youth who display significant behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care.

Approximately 400-500 individuals will be served annually through June 30, 2025.

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid acceptance of referrals;
- Reduction of restraints and seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

Should the Governor and Council not authorize this request, the Contractors will not be reimbursed at the appropriate rate; leaving the Department vulnerable to potentially losing these critical service providers, which would be detrimental to the overall capacity to serve youth in programs in-state.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, Item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Docusign Envelope ID: 0645DAB9-EF91-4346-A651-528EED126E4C

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: 0645DAB9-EF91-4346-A651-528EED126E4C

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Spaulding Academy & Family Services ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (item #14), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $77,742,136

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

5. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

6. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

   1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar

days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

1.13.14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

1.19.5.5. Previous assessments which have been completed including, but not limited to:

1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Subsection 3.1. by adding Paragraph 3.1.2., to read:

3.1.2. The Contractor shall agree that all of the ratios listed in Section 3. have 1:1 staff built into the ratio as needed on a case by case basis, the Contractor further agrees:

3.1.2.1. To not request additional funding for 1:1 staffing; and

3.1.2.2. That 2:1 staffing is beyond what is intended in the ratio, and may be requested of the Department.

19. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.

Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.
Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

20. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be

filled/operational).

5.3.1.4. Additional occupancy data points requested.

21. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge, Key performance metrics to read:

Transition & discharge	• Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge • % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

22. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658; Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These

Individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached. This requested action includes nine (9) contracts and the Department plans to submit seven (7) additional contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;

- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

Areas served: Statewide.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

   1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

   3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

   1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

   12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults, herein referred to as individuals with behavioral health needs, experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.1. Shall be licensed, accredited and certified. Those that are not currently licensed, accredited and certified, shall complete these requirements within 6 months from contract approval, unless otherwise agreed upon by the Department.

1.8.2. Shall comply with all federal, and state laws, regulations, and rules, as follows, but are not limited to:

1.8.2.1. RSA 170-E;
1.8.2.2. RSA 170-G:8;
1.8.2.3. RSA 126-U;
1.8.2.4. RSA 135-F;
1.8.2.5. He-C 4001;
1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended. levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. Staff Training and Development

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1: Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification; such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from; or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI.

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.

2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.

3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

Contractor Initials TLE

Date 6/18/2021

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

State of New Hampshire
Department of Health and Human Services
Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and St. Ann's Home, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on October 13, 2021 (Item # 38B), as amended on December 20, 2023 (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $31,257,652

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

   1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

   1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

   1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds

5. Modify Exhibit C, Payment Terms, Section 4.1. to read:

4.1. For Medicaid enrolled individuals, a daily rate will be awarded in the amount per client per day indicated in the tables listed under section 4.1.6. These per diem rates will be set for the term of the contract. Rates may be reviewed every year to consider rate adjustments. For the purpose of establishing these rates, the Contractor must provide the Department with the following prescribed forms by April 1st, annually:

4.1.1. A Department stipulated Residential Rate Template completed with budgeted costs for the following state fiscal year;

4.1.2. A copy of the most recent independent financial audit;

4.1.3. If the provider does not have an audit, unaudited financial statements for the most recently completed fiscal year (to include balance sheet, cash flow statement, profit and loss, income statement and adjusted trail balance);

4.1.4. A program-level profit and loss statement for the program related to the services provided in this contract; and

4.1.5. Additional clarifying information may be required upon request.

4.1.6.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
St. Ann's Home, Inc.
Methuen, Massachusetts

Opinion

We have audited the accompanying financial statements of St. Ann's Home, Inc. (a Massachusetts nonprofit corporation) (the "Organization"), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

INDEPENDENT AUDITOR'S REPORT

(continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Organization's 2023 financial statements and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 11, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities
St. Ann's Home, Inc. (the "Organization" or "St. Ann's") is a private, nonprofit organization, whose sole corporate member is Catholic Social Services, Inc., which is a nonprofit corporation under the auspices of the Roman Catholic Archbishop of Boston, A Corporation Sole ("RCAB"). The Organization operates a residential treatment center and special education school for emotionally disturbed children, community-based group homes, and other significant community-oriented programs. St. Ann's primarily serves communities in the Greater Lawrence area and maintains its main campus in Methuen, MA.

Basis of Accounting
The Organization's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Change in Accounting Principle
In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-13, *Financial Instruments – Credit Losses (Topic 326)*. This ASU replaces the previous "incurred loss" methodology for measuring credit losses related to certain financial assets and requires the consideration of relevant information about past events, including historical experience, current conditions, and reasonable and supportable forecasts that affect the collectability of financial assets. The Organization adopted this standard for the year ended June 30, 2024, which did not have a material impact on the financial statements.

Estimates
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash, Cash Equivalents and Restricted Cash
Cash, cash equivalents and restricted cash include operating cash accounts, money market funds, custodial funds held in trust, and highly liquid debt instruments with a maturity of three months or less that are not held in the Organization's investment portfolio.

Accounts Receivable and Allowance for Credit Losses
Accounts receivable are recorded net of any allowance for credit losses and are reported as a single portfolio segment. Management considers relevant information about past events, including historical experience, current conditions, and reasonable and supportable forecasts that affect the collectability of accounts receivable in connection with estimating any allowance for credit losses. The allowance estimate is derived from a review of the Organization's historical losses based on historical loss rates. In addition, at each reporting date, this estimate is updated to reflect any changes in credit risk since the accounts receivable was initially recorded. As applicable, this estimate is calculated by pooling amounts with similar characteristics. In addition, as applicable, an account receivable is evaluated individually when specific facts and circumstances indicate it may not be collectible. Risk characteristics used by the Organization to pool accounts receivable amounts consisted of historical or expected credit loss patterns.

The allowance for credit losses totaled $40,000 at June 30, 2024 and 2023, respectively.

1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments
In accordance with GAAP, investments in equity securities with readily determinable fair values and all investments in debt securities are reported at market value in the Statement of Financial Position. Realized and unrealized gains and losses are included in the Change in Net Assets on the Statement of Activities.

Property, Plant, Equipment and Depreciation
Property, plant and equipment are recorded at cost if purchased or at estimated fair market value if donated. Expenditures for major renewals and improvements are capitalized and maintenance and repairs are expensed as incurred.

Depreciation of property, plant and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis as follows:

	Lives in Years
Buildings	11-27.5
Building improvements	20
Motor vehicles	3-5
Furniture and equipment	3-10

Custodial Funds Held in Trust
The Organization acts as a fiduciary with respect to certain personal funds it receives on behalf of individuals. Since the funds are not the property of the Organization, they are reported in the Statement of Financial Position as cash and cash equivalents with an offsetting liability. The funds held under this arrangement at June 30, 2024 and 2023 totaled $74,062 and $36,161, respectively.

Deferred Loan Costs
In accordance with GAAP, the Organization presents deferred loan costs related to a recognized debt obligation as a direct reduction of the carrying amount of the related debt on the Statement of Financial Position. Additionally, amortization of the debt issuance costs is reported as interest expense.

Accounting for Derivative Instruments and Hedging Activities
Under GAAP, the Organization is required to measure every derivative instrument (including certain derivative instruments embedded in other contracts) at fair value and record them on the Statement of Financial Position as either an asset or a liability. Changes in the fair value of derivative instruments are included in the Change in Net Assets on the Statement of Activities.

The Organization has entered into an interest rate swap agreement to reduce the impact and risk associated with the variable rate in its debt agreement (see Note 9). The interest rate swap agreement, which is a derivative instrument, is a contract to exchange a variable rate for a fixed rate of interest payments over the life of the agreement.

Fair values of interest rate derivatives are based on pricing models using prevailing market information as of June 30, 2024 and have been computed by the bank holding the interest rate swap agreement (see Note 9).

1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Leases

The Organization applies Accounting Standards Codification ("ASC") 842, *Leases*, in determining whether an arrangement is or contains a lease at the lease inception. An arrangement is considered to include a lease if it conveys the right to control the use of identified property or equipment for a period of time in excess of twelve months in exchange for consideration. The Organization defines control of the assets as the right to obtain substantially all of the economic benefits from use of the identified asset as well as the right to direct the use of the identified asset. The Organization further determines if its existing leases include finance and operating leases, which are included as right-of-use ("ROU") assets and lease liabilities in the Statement of Financial Position. ROU assets represent the Organization's right to use leased assets over the term of the lease. Lease liabilities represent the Organization's contractual obligation to make lease payments and are measured at the present value of the future lease payments over the lease term. ROU assets are calculated as the present value of the future lease payments adjusted by any initial direct costs, deferred rent liabilities and lease incentives. ROU assets and lease liabilities are recognized at the lease commencement date. The Organization currently uses the rate implicit in the lease if it is determinable. When the rate implicit in the lease is not determinable, the Organization uses the risk-free rate as permitted in ASU 2021-09, *Discount Rate for Lessees That Are Not Public Business Entities*. The risk-free rate is applied to all classes of leased assets. Lease terms may include renewal or extension options to the extent they are reasonably certain to be exercised. Lease expense is recognized on a straight-line basis over the lease term. The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants and to the extent a lease arrangement includes both lease and non-lease components, the components are accounted for separately. In addition, the Organization applies the short-term lease exemption of not recognizing a ROU asset and lease liability for leases that have terms of twelve months or less.

Net Assets

Net assets, revenue, support, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Consist of net assets available for use in general operations that are not subject to donor-imposed restrictions. As of June 30, 2024, the Board of Trustees had designated certain net assets without donor restrictions totaling $8,413,614, which consists of $3,388,514 held for endowment purposes and $5,025,100 held for long-term investment.

Net Assets With Donor Restrictions – Consist of net assets that are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or the expending of the net assets for particular purposes as specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that the principal is to be maintained in perpetuity (donor-restricted endowment) and only the income from such net assets may be expended as specified by the donor or in accordance with the applicable Massachusetts law. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are released to net assets without donor restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets (continued)
Net assets with donor restrictions are restricted for the following purposes at June 30, 2024:

Endowment:	
Subject to Organization's spending policy and appropriation	
Investments (including original donor gifts of $48,020 to be maintained in perpetuity)	**$402,063**
Total endowment	**402,063**
Subject to expenditure for specified purposes:	
Program activities / Acquisition of property & equipment	**301,597**
Total subject to expenditure for specified purposes	**301,597**
Total net assets with donor restrictions	**$703,660**

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or occurrence of the passage of time or other events specified by the donors as follows during the year ended June 30, 2024:

Satisfaction of purpose restrictions:	
Program activities / Acquisition of property & equipment	**$81,228**
Total net assets released from restrictions	**$81,228**

Revenue Recognition and Surplus Revenue Retention
Clients of the Organization are supported by government agencies within Massachusetts, out-of-state government agencies and private payors. Therefore, the Organization is subject to the regulations and rate formulas of the Commonwealth of Massachusetts Executive Office for Administration and Finance Operational Services Division ("OSD"). Revenue is recorded at the Organization's rate of reimbursement as certified by OSD. Program service fees are recognized during the year in which the related services are provided to clients. Program service fees received in advance of the delivery of services are recorded as deferred revenue.

Under the applicable Commonwealth of Massachusetts regulation, the Organization may not retain an annual surplus in excess of 20% of its Commonwealth of Massachusetts Purchase of Service ("POS") revenues. A surplus in excess of the annual 20% limit is subject to recoupment or may be used to reduce future Commonwealth of Massachusetts POS revenues.

During the year ended June 30, 2024, the Organization did not have an annual surplus related to its Commonwealth of Massachusetts POS revenues in excess of the 20% limit allowed under the applicable regulation. Non-POS revenues are not subject to the regulation but may be subject to other regulatory or contractual limitations.

Contributions
Contributions are recognized at the earlier of when received or when a donor declares an unconditional promise to give cash or other assets to the Organization. Conditional promises to give, that is, those with a measurable performance or other barriers to be overcome before the Organization is entitled to the assets transferred or promised, and a right of return or release, are not recognized as contributions revenue until the conditions have been substantially met or waived.

1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributed Nonfinancial Assets
The Organization records donated assets at the fair market value on the date the assets are unconditionally pledged to the Organization. Donated services are recorded at fair market value on the date the services are provided if the services create or enhance nonfinancial assets or the services are provided by persons possessing certain skills that would typically need to be purchased if not provided by donation.

Advertising
The Organization expenses advertising costs as incurred. Advertising expense totaled $15,341 and $11,505 for the years ended June 30, 2024 and 2023, respectively.

Functional Allocation of Expenses
The costs of programs and supporting services activities have been summarized on a functional basis in the Statement of Activities. The Statement of Functional Expenses presents the natural classification of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function and are allocated on a reasonable basis that is consistently applied. The expenses that are allocated include employee compensation and related (consisting of salaries, payroll taxes and benefits), occupancy, various other program and administrative costs, and depreciation. These expenses have been allocated on the basis of estimated time and effort, square footage as well as other reasonable allocation methods.

Tax Status
The Organization qualifies under Section 501(c)(3) of the Internal Revenue Code (the "Code") and is exempt from federal and state income taxes.

The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Organization believes it is no longer subject to income tax examinations for years prior to 2021.

Comparative Financial Information
The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2023, from which the summarized information was derived.

Subsequent Events
The Organization evaluated events that occurred after June 30, 2024, the date of the Statement of Financial Position, but before the date the financial statements were available to be issued, December 9, 2024, for potential recognition or disclosure in the financial statements. The Organization did not identify any subsequent events that had a material effect on the accompanying financial statements.

2 - LIQUIDITY AND AVAILABILITY

The Organization regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing activities of its programs as well as the conduct of services undertaken to support those activities to be general expenditures.

Docusign Envelope ID: 478DEC31-6BA6-4CA4-818C-9D6D007EFD49

2 - LIQUIDITY AND AVAILABILITY (continued)

At June 30, 2024, financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the Statement of Financial Position date consist of the following:

Cash and cash equivalents (net of donor-restricted contributions of $301,597 and custodial funds of $74,062)	**$20,550,987**
Accounts receivable, net of allowance for credit losses	**3,376,945**
Investments (current portion) without donor restrictions	**4,610,292**
Total financial assets available within one year	**$28,538,224**

In addition, at June 30, 2024, the Organization held Board-designated investments held for endowment and long-term purposes totaling $8,413,614. Although the Organization does not intend to spend from these investments, other than amounts appropriated for general expenditure as part of its annual budget approval process, those investments can be made available for general expenditure if necessary.

Additionally, the Organization also has a line of credit (see Note 6) that allows for borrowings of up to $1,000,000 for working capital purposes. There were no amounts drawn under this arrangement at June 30, 2024.

3– FAIR VALUE MEASUREMENTS AND INVESTMENTS

The Organization applies the provisions of GAAP for fair value measurements of financial assets and financial liabilities, and for fair value measurements of non-financial items that are recognized and disclosed at fair value in the financial statements on a recurring basis. These provisions define fair value as the price that would be received in selling an asset or paid in transferring a liability in an orderly transaction between market participants at the measurement date.

The provisions also establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), a lower priority to significant other observable inputs (Level 2 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these provisions are described below:

Basis of Fair Value Measurement

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Exchange-traded funds and equity securities are valued at quoted market prices, which represent the fair market value of shares held by the Organization at year end.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Docusign Envelope ID: 478DEC31-6BA6-4CA4-818C-9D6D007EFD49

3– FAIR VALUE MEASUREMENTS AND INVESTMENTS (continued)

Basis of Fair Value Measurement (continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. In addition, consideration is given to discounted cash flow analysis on expected cash flows, the period to maturity as well as observable Floating Rate Indices.

Fair value of the asset or liability under interest rate swap agreement is based on pricing models using prevailing market information as of the determination date and has been computed by the financial institution holding the interest rate swap contract.

The fair value of the certificate of deposit equals the total deposit, plus interest credited.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value of RCAB Revolving Loan Fund investment equals the total deposits, plus interest credited, less any withdrawals.

The asset or liability's measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present assets and liabilities that are measured at fair value on a recurring basis at June 30, 2024 and 2023:

	Total 2024	**Level 1**	**Level 2**	**Level 3**

3– FAIR VALUE MEASUREMENTS AND INVESTMENTS (continued)

The following summarizes the Organization's Level 3 reconciliation for the RCAB Revolving Loan Fund for the years ended June 30, 2024 and 2023:

	2024	2023
Beginning balance	**$4,564,294**	$4,524,640
Interest	**45,998**	39,654
Ending balance	**$4,610,292**	$4,564,294

Net investment income consisted of the following for the years ended June 30:

	2024	2023
Interest and dividend income	**$ 634,588**	$236,991
Net unrealized and realized gains (losses) on investments	**498,740**	340,300
	1,133,328	577,291
Investment fees	**(25,385)**	(23,071)
Net investment income	**$1,107,943**	$554,220

4 – ENDOWMENT FUNDS

The Organization follows the provisions of GAAP regarding the net asset classification of funds subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act. These provisions provide guidance on the net asset classification of donor-restricted endowment funds for not-for-profit organizations that are subject to enacted versions of the *Uniform Prudent Management of Institutional Funds Act of 2006* ("UPMIFA") and also require disclosures about an organization's donor-restricted and board-designated endowment funds.

Interpretation of Relevant Law Regarding Net Asset Classification and Appropriation
Based on the Massachusetts Uniform Prudent Management of Institutional Funds Act ("MA UPMIFA"), management has interpreted relevant Massachusetts law as requiring the preservation of the fair value of the original gift as of the gift date ("historical dollar value") of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Organization retains in perpetuity (a) the original value of initial and subsequent gift amounts donated to the endowment and (b) any accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by Massachusetts law. The Organization considers the following factors, in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. the duration and preservation of the endowment fund;
2. the purposes of the Organization and the donor-restricted endowment fund;
3. general economic conditions;
4. the possible effect of inflation or deflation;
5. the expected total return from income and the appreciation of investments;
6. other resources of the Organization; and
7. the investment policy of the Organization.

4 – ENDOWMENT FUNDS (continued)

Funds with Deficiencies
From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by Massachusetts law (underwater endowments). The Organization has interpreted Massachusetts law to permit spending from underwater endowments in accordance with prudent measures required under the law. In accordance with GAAP, deficiencies of this nature are to be reported in net assets with donor restrictions. There were no such deficiencies as of June 30, 2024.

Return Objectives and Risk Parameters
The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs and activities supported by its endowment, while also maintaining the purchasing power of those endowment assets over the long-term. Under this approach, the endowment assets are invested in a manner that is intended to produce results that equal or exceed relevant benchmarks while assuming a moderate level of investment risk. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives
To satisfy its objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation strategy with a mix of equity-based and fixed-income investments to achieve its long-term return objectives within the guidelines of its investment policy and prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy
In an attempt to grow its endowment, the Organization has temporarily established a policy of not appropriating for distribution any of its endowment funds (including those endowments deemed to be underwater, if any). In establishing this policy, the Organization considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, some of which must be maintained in perpetuity because of donor restrictions, and the possible effects of inflation.

The Organization expects the current deferral of spending of its endowment funds to increase the value of its endowment funds such that the funds can provide a more predictable stream of income to the Organization, consistent with its objective of maintaining the purchasing power of the endowment assets as well as providing additional real growth through investment return.

The Organization's endowment funds by net asset class consisted of the following at June 30, 2024:

	Without Donor Restrictions	With Donor Restrictions	Total
Board designated endowment funds	**$3,388,514**	**$ -**	**$3,388,514**
Donor-restricted endowment funds			
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	-	**48,020**	**48,020**
Accumulated investment gains	-	**354,043**	**354,043**
Total	**$3,388,514**	**$402,063**	**$3,790,577**

4 – ENDOWMENT FUNDS (continued)

The following is a reconciliation of the beginning and ending balance of the Organization's endowment in total and by net asset class for the year ended June 30, 2024:

	Without Donor Restrictions	With Donor Restrictions	Total
Endowment, beginning of year	$2,879,210	$344,687	$3,223,897
Investment return:			
Investment income	40,525	4,852	45,377
Net realized and unrealized gains	440,093	52,686	492,779
Total investment return	480,618	57,538	538,156
Contributions	30,040	-	30,040
Fees	(1,354)	(162)	(1,516)
Endowment, end of year	$3,388,514	$402,063	$3,790,577

5 – PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment consisted of the following at June 30:

	2024	2023
Buildings	$21,952,069	$21,952,069
Land	1,494,649	1,494,649
Building improvements	6,546,471	6,145,028
Motor vehicles	631,953	538,917
Furniture and equipment	1,415,893	1,415,893
Construction-in-progress	-	36,250
	32,041,035	31,582,806
Less accumulated depreciation	17,500,292	16,382,642
	$14,540,743	$15,200,164

Depreciation expense totaled $1,117,650 and $1,091,344 for the years ended June 30, 2024 and 2023, respectively.

6 – LINE OF CREDIT

The Organization has a revolving line of credit agreement ("Revolving Line") with a bank. The Revolving Line allows the Organization to borrow up to $1,000,000, payable on demand with interest at the bank's prime rate (8.50% and 8.25% at June 30, 2024 and 2023, respectively). The Revolving Line is secured by all assets of the Organization. No amounts were borrowed under the Revolving Line during the years ended June 30, 2024 and 2023.

7 – LEASES

Finance Leases

The Organization maintained finance leases for copier equipment with lease expiration dates through March 2028.

Docusign Envelope ID: 478DEC31-6BA6-4CA4-818C-9D6D007EFD49

7 – LEASES (continued)

Finance Leases (continued)

As of June 30, 2024 and 2023, the assets recorded under finance leases totaled $114,892 and $98,947, with related accumulated amortization of $7,181 and $70,043, respectively. Amortization expenses of the assets recorded under the finance leases totaled $36,085 and $19,789 for the years ended June 30, 2024 and 2023, respectively.

The weighted-average remaining lease term and discount rate related to the Organization's finance lease liabilities as of June 30, 2024 were 3.75 years and 4.51% (8 months and 4.75% as of June 30, 2023), respectively.

Maturities of the finance lease liabilities are as follows for the years ending June 30:

2025	**$ 31,440**
2026	**31,440**
2027	**31,440**
2028	**23,580**
Total undiscounted lease payments	**117,900**
Less imputed interest	**(9,617)**
Total finance lease liabilities	**108,283**
Current portion	**(27,112)**
Long-term portion	**$ 81,171**

The interest expense on the finance lease obligations totaled $1,571 and $1,523 for the years ended June 30, 2024 and 2023, respectively.

Short-Term Leases

Lease expenses from short-term leases with terms less than 12 months totaled $15,853 and $16,812 for the years ended June 30, 2024 and 2023, respectively.

8 – LONG-TERM DEBT

Long-term debt consisted of the following at June 30, 2024 and 2023:

Mass Development

On March 8, 2007, the Organization entered into a loan and trust agreement (the "Agreement") with the Massachusetts Development Finance Agency ("Mass Development") and TD Bank, N.A. ("TD Bank"), to borrow the proceeds of a 30-year revenue bond totaling $8,500,000 with interest at a variable rate.

The loan proceeds were used to retire existing debt of approximately $1,300,000 and establish a construction fund to finance the construction of the Organization's adolescent center. Monthly principal payments commenced on January 8, 2008 and will continue until the bond's maturity date in July 2032. Monthly principal payments averaged $170,344 for the year ended June 30, 2024. Interest is payable monthly at a variable rate (5.31% and 3.41% at June 30, 2024 and 2023, respectively). The variable interest rate charged on the Organization's loan payable with Mass Development was originally based on the London Interbank Offered Rate ("LIBOR"). During 2023, the loan agreement was amended and the variable interest rate is now based on the Secured Overnight Finance Rate ("SOFR").

Docusign Envelope ID: 478DEC31-6BA6-4CA4-818C-9D6D007EFD49

8 – LONG-TERM DEBT (continued)

Mass Development (continued)
The Agreement is secured by certain real and personal property of the Organization. As part of the Agreement, the Organization must comply with various financial and other covenants.

At June 30, 2024 and 2023, the Mass Development loan payable was as follows:

	2024	2023
Mass Development Finance Agency Revenue Bond	**$2,749,074**	$4,793,197
Less current portion	**(291,210)**	(272,934)
Less unamortized deferred loan costs	**(17,833)**	(20,806)
Long-term portion	**$2,440,031**	$4,499,457

Estimated principal maturities of long-term debt are as follows for the years ending June 30:

2025	**$ 291,210**
2026	**310,716**
2027	**331,522**
2028	**353,724**
2029	**377,418**
Thereafter	**1,084,484**
	$2,749,074

As of June 30, 2024 and 2023, the Organization had incurred deferred loan costs totaling $106,315 in connection with the above loan agreement.

The unamortized balance of these deferred costs, which are being amortized using the effective interest rate method over the term of the related loan, totaled $17,833 and $20,806 as of June 30, 2024 and 2023, respectively. The amortization of these costs totaled $2,973 and $3,201 for the years ended June 30, 2024 and 2023, respectively.

In July 2023, the Organization made an unscheduled principal payment against the Mass Development loan payable totaling $1,793,197, reducing the outstanding balance of the loan to $3,000,000. Additionally, the interest rate swap agreement was extended to July 2032 and effectively fixed the interest rate at 3.92% (previously 3.98%) for the term of the swap agreement.

9 – INTEREST RATE SWAP AGREEMENT

The Organization's loan from Mass Development and TD Bank currently bears interest at a variable rate based on the SOFR rate (previously LIBOR rate). The Organization executed an interest rate swap agreement (the "Swap") with a bank counter party on the outstanding loan balance to manage the variability of the cash flows attributable to interest payments on the loan payable and does not use the Swap for speculative purposes. The purpose of the Swap was to effectively convert the variable interest rate on the loan to a fixed rate of 3.92% on the outstanding loan amount through July 2032.

Interest expense for the years ended June 30, 2024 and 2023 totaled $126,598 and $199,171, respectively, representing an effective interest rate of 4.39% and 4.05% on the entire loan payable for the years ended June 30, 2024 and 2023, respectively.

Docusign Envelope ID: 478DEC31-6BA6-4CA4-818C-9D6D007EFD49

9 – INTEREST RATE SWAP AGREEMENT (continued)

Under the provisions of GAAP, an interest rate swap agreement is considered a hedging activity and the Organization is required to recognize a gain and related asset or a loss and related liability as a result of the hedging activity.

During the years ended June 30, 2024 and 2023, the Organization recognized a gain of $7,940 and $103,021, respectively, which have been reported in the Statement of Activities. At June 30, 2024 and 2023, the Organization has reported an asset of $53,283 and $45,343 respectively, in connection with the Swap, which have been reported on the Statement of Financial Position.

If the Organization does not terminate the agreement prematurely, the asset at June 30, 2024 would be recognized as a loss by the expiration of the terms of the agreement. As of June 30, 2024, the Organization does not intend to prematurely terminate the agreement.

10 – RETIREMENT PLAN

The Organization maintains a defined contribution retirement plan (the "Plan") for the benefit of its employees. Participants are eligible to make voluntary contributions on a tax-deferred basis after completing two months of service and having attained the age of 18. EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: 478DEC31-6BA6-4CA4-818C-9D6D007EFD49

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and St. Ann's Home, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on October 13, 2021 (item # 38B), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 19,534,022

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

5. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

6. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

   1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar

days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

1.19.5.5. Previous assessments which have been completed including, but not limited to:

1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.

Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

19. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

20. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge;

Key performance metrics to read:

Transition & discharge	• Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge • % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on internal DCYF data which DHHS will access)*

21. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

1.2. Funds from Administration of Children and Families, ALN #93.558, FAIN 2101NHTANF and 2301NHTANF.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division for Behavioral Health, to enter into a contract with the vendor listed below in an amount not to exceed $11,215,992 to provide behavioral health residential treatment services for children, youth and young adults to stabilize their behavioral health, with the option to renew for up to six (6) additional years, effective upon Governor and Council approval through June 30, 2024. The funding source is estimated as 51% General Funds and 49% Federal Funds, dependent upon eligibility of the client.

Vendor Name / Vendor Code	Area Served	SFY 2022	SFY 2023	SFY 2024	Total Contract Amount
St Ann's Home Methuen, MA (VC #234481)	In/near Hillsborough, Manchester, Keene, Concord, and Rockingham County	$3,738,664	$3,738,664	$3,738,664	$11,215,992
	Total:	$3,738,664	$3,738,664	$3,738,664	$11,215,992

Funds are available in the following accounts for State Fiscal Year 2022 and 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation between state fiscal years through the Budget Office, if needed and justified.

Because the Bridges System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber these funds.

Depending on the eligibility of the clients, funding type is determined at the time of payment. Possible account numbers to be utilized include the below:

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractor will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings and residential treatment programs outside of New England. The Contractor will support the Department's efforts to provide improved long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population to be served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire-setting behaviors, problematic sexual behaviors, highly aggressive behaviors, and past attempts of suicide or significant self-harm. Under a separate contract, an independent qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care.

The Contractor will provide varying residential treatment levels of care ranging from levels two through four, with four being the most intensive treatment. The Contractor will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;

- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

This requested action includes the final one (1) contract in addition to nine (9) contracts presented to the Governor and Executive Council on July 14, 2021 (Item #14), five (5) contracts presented to the Governor and Executive Council on August 4, 2021 (Item #15), and one (1) contract presented to the Governor and Executive Council on September 15, 2021 (Item #32), for a total of sixteen (16) contracts

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;
- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation").*

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.1. Shall be licensed and certified. Those that are not currently certified, licensed and accredited, shall complete these requirements within 6 months from contract approval, unless otherwise agreed upon by the Department.

1.8.2. Shall comply with all federal, and state laws, regulations, and rules, as follows, but are not limited to:

1.8.2.1. RSA 170-E;
1.8.2.2. RSA 170-G:8;
1.8.2.3. RSA 126-U;
1.8.2.4. RSA 135-F;
1.8.2.5. He-C 4001;
1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. Staff Training and Development

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor shall choose to discharge when a child is in an acute psychiatric hospital for more than 7 days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of the

individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate, reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

1.13.14. The Contractor may deny admission to a program if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match;

1.13.14.6. The individual's needs fall well outside the program model;

1.13.15. The Contractor may request a discharge for individuals from a residential treatment program if any of the following circumstances are applicable:

1.13.15.1. New information has indicated that the child requires specialty care that the current program does not offer;

1.13.15.2. The Child has increased aggression that has resulted in excessive property damage or physical harm to staff and self and is not improving over time, indicating a higher level of care is needed; and

1.13.15.3. The child's level of mental health symptoms have exceeded the level of care being provided at the program and an appropriate transition plan has been determined.

1.13.16. Contractor shall deliver treatment and provide services to accepted referrals until the child's level of need is reduced and their treatment goals have been met.

1.13.17. The Department will monitor denials, admissions, and discharges as part of continuous quality assurance and program outcomes and reserves the right to review and approve or deny denials.

1.14. Restraint and Seclusion Practices

1.14.1. The Contractor shall comply with RSA 126-U.

1.14.2. The Contractor shall utilize a de-escalation and restraint training which supports the limited use of restraint or seclusion in RSA 126-U and aligns with the Six Core Strategies ©.

1.14.3. The Contractor shall develop and implement policies and methods to reduce and eliminate use of restraint and seclusion practices by incorporating the Six Core Strategies for Reducing Seclusion and

4.1.2. Medicaid eligible services provided shall not be duplicate billed, therefore, medicaid eligible services included in the rates in the table listed under section 4.1.1 shall not be billed seperately.

4.1.3. Education for IEP eligible youth shall be billed to the youth's sending school by the Contractor. The daily rate for education for Non-IEP eligible youth will be paid in the amount per client per day in accordance with the current, publically posted special education tuition prices posted on Mass.gov by the State of Massachusett's Operational Services Division (OSD).

4.1.4. Billings shall occur on at least on a monthly basis and shall follow a process determined by the Department.

4.2. For Managed Care Organization enrolled individuals the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.

4.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.

4.4. For individuals without sufficient health insurance or other coverage for the services they receive which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payor, the Contractor will directly bill the Department to access contract funds provided through this Agreement. The Contractor shall submit an invoice in a form satisfactory to the Department with supporting documentation including but not limited to the denial of claims. The Contractor shall only be reimbursed up to the current Medicaid rate for the medicaid eligible services provided.

4.4.1. In lieu of hard copies, all invoices with supporting documentation may be assigned an electronic signature and emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov, or invoices may be mailed to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

4.4.2. The Department shall make payment to the Contractor within thirty (30) days of receipt of each invoice and supporting documention for authorized expenses, subsequent to approval of the submitted invoice.

4.5. Maximum allotment for daily rate expenditure for Department funded expenditures by fiscal year is as follows:

4.5.1. Sub-total: $11,215,992.00

4.5.2. SFY 22: $3,738,664.00

4.5.3. SFY 23: $3,738,664.00

4.5.4. SFY 24: $3,738,664.00

5. Prior to submitting the first invoice, the Contractor must obtain a *Vendor Number* by registering with the New Hampshire Department of Administrative Services here (Vendor Resource Center | Procurement and Support Services | NH Dept. of Administrative Services).

6. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

7. Audits

7.1. The Contractor is required to submit an annual audit to the Department if any of the following conditions exist:

7.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

7.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

7.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

7.2. If Condition A exists, the Contractor shall submit an annual single audit performed by an independent Certified Public Accountant (CPA) to the Department within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

7.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

7.4. Any Contractor that receives an amount equal to or greater than $250,000 from the Department during a single fiscal year, regardless of the funding source, may be required, at a minimum, to submit annual financial audits performed by an independent CPA if the Department's risk assessment determination indicates the Contractor is high-risk.

7.5. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (I)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

"Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the Internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

Docusign Envelope ID: 478DEC31-6BA6-4CA4-818C-9D6D007EFD49

DocuSign Envelope ID: 69D36C4A-2F0D-4658-BCD9-CDD99DE164F0

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Stetson School, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (Item #14), as amended on December 20, 2023 (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $22,611,542

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

   1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

   1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

   1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds

5. Modify Exhibit C, Payment Terms, Section 4. to add 4.8., to read:

4.8. The Contractor shall work with the Department to support a sustainable rate structure.

6. Modify Exhibit C, Payment Terms, Section 4.7, to read:

4.7. Maximum allotment for daily rate expenditure for Department funded expenditures by fiscal year is as follows:

4.7.1. Sub-total: $22,611,542.00

4.7.2. SFY 22: $2,426,778.00

4.7.3. SFY 23: $2,426,778.00

4.7.4. SFY 24: $4,462,119.00

4.7.5. SFY 25: $4,462,119.00

4.7.6. SFY 26: $4,416,874.00

4.7.7. SFY 27: $4,416,874.00

All terms and conditions of the Contract and prior amendments not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2025, upon Governor and Council approval.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Seven Hills Foundation and Affiliates

Opinion

We have audited the combined financial statements of Seven Hills Foundation and Affiliates (collectively the Foundation), which comprise the combined statement of financial position as of June 30, 2022, the related combined statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the combined financial statements (collectively, the financial statements).

In our opinion, the accompanying combined financial statements present fairly, in all material respects, the financial position of the Foundation as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the combined financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Foundation's 2021 combined financial statements, and we expressed an unmodified audit opinion on those audited combined financial statements in our report dated November 10, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited combined financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The combining and other supplementary information is presented for purposes of additional analysis and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The combining and other supplementary information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the combined financial statements as a whole.

1 - DESCRIPTION OF ORGANIZATION

Seven Hills Foundation and Affiliates has contracts with the Commonwealth of Massachusetts and the State of Rhode Island to provide an array of health services and clinical support to children and adults challenged by emotional, behavioral, cognitive, physical or developmental disabilities.

The combined financial statements include the accounts of Seven Hills Foundation and the following affiliates which are under common control: Seven Hills Holding Corp, Inc.; Seven Hills Family Services, Inc.; Seven Hills Aspire, Inc.; Seven Hills Community Services, Inc.; Seven Hills Clinical Associates, Inc.; Seaside Education Associates, Inc.; Seven Hills Disability Resources & Advocacy, Inc.; Children's Aid & Family Service, Inc.; Seven Hills Pediatric Center, Inc.; Seven Hills Behavioral Health, Inc.; Seven Hills Global Outreach, Inc.; Seven Hills Rhode Island, Inc.; Seven Hills Neurocare, Inc.; Individual & Family Support Centers, Inc.; Stetson School, Inc.; Stetson Home; WAARC Realty; Seven Hills New Jersey, Inc.; Open Door Arts; Children's Friend, Inc.; Family Service Organization of Worcester, Inc.; and Youth Opportunities Upheld, Inc. (hereinafter collectively referred to as the "Foundation"). All material intercompany balances and transactions have been eliminated in combination.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Foundation prepares its combined financial statements in accordance with generally accepted accounting principles promulgated in the United States of America (U.S. GAAP) for not-for-profit entities. The significant accounting and reporting policies used by the Foundation are described subsequently to enhance the usefulness and understandability of the combined financial statements.

Summarized comparative information

The combined financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended June 30, 2021, from which the summarized information was derived.

Basis of accounting

The combined financial statements have been prepared on the accrual method of accounting. Accordingly, assets are recorded when the Foundation obtains the rights of ownership or is entitled to claims for receipt, and liabilities are recorded when the obligation is incurred.

Accounting estimates

The preparation of the combined financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the combined financial statements. On an ongoing basis, the Foundation's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The Foundation's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net assets

The combined financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

Net assets without donor restrictions - Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting from the nature of the Foundation, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations. In addition, the governing board of the Foundation may elect to designate such resources for specific purposes. This designation may be removed at the board's discretion.

Net assets with donor restrictions - Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; the Foundation must continue to use the resources in accordance with the donor's instructions.

The Foundation's unspent contributions are included in this class if the donor limited their use, as are its donor-restricted endowment funds.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the combined financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. Net assets restricted for acquisition of buildings or equipment (or less commonly, the contribution of those assets directly) are reported as net assets with donor restrictions until the specified asset is placed in service by the Foundation, unless the donor provides more specific directions about the period of its use.

Classification of transactions

All revenues and net gains are reported as increases in net assets without donor restrictions in the combined statement of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. All expenses and net losses other than losses on endowment investments are reported as decreases in net assets without donor restrictions. Net gains on endowment investments increase net assets with donor restrictions, and net losses on endowment investments reduce that net asset class.

Cash

The Foundation maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Foundation has not experienced any losses in such accounts. The Foundation believes it is not exposed to any significant credit risk on cash and cash equivalents.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts receivable

Accounts receivable are primarily unsecured non-interest-bearing amounts due from agencies and grantors on cost reimbursement or performance contracts. The reserve for uncollectible accounts is recorded based on management's analysis of specific accounts and their estimate of amounts that may be uncollectible. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded when received.

Contributions receivable

Contributions receivable are unconditional promises to give that are recognized as contributions when the promise is received. Contributions receivable that are expected to be collected in less than one year are reported at net realizable value. Contributions receivable that are expected to be collected in more than one year are recorded at fair value at the date of promise. That fair value is computed using a present value technique applied to anticipated cash flows. Amortization of the resulting discount is recognized as additional contribution revenue. The allowance for uncollectible contributions receivable is determined based on management's evaluation of the collectability of individual promises. Promises that remain uncollected more than one year after their due dates are written off unless the donors indicate that payment is merely postponed.

Investments

Investments are reported at fair value. Alternative investments which do not have readily determinable fair values are carried at estimated fair values using the net asset value per share of the investment as reported by the investment managers. The Foundation reviews and evaluates the net asset values reported by the investment managers and has determined that the net asset values are calculated in a manner consistent with the measurement principles of FASB ASC Topic 946 as of the statement of financial position date. Those estimated fair values may differ significantly from the values that would have been used had a ready market for these securities existed.

The net investment return is reported in the statement of activities as increases or decreases in net assets without donor restriction unless its use is restricted by explicit donor stipulations or by law.

Endowment funds

The Foundation's endowment consists of both individual donor restricted funds and funds designated by the Board of Directors to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed or legal restrictions. Endowment funds include invested gifts and cash.

As required by generally accepted accounting principles, the Foundation classifies as donor restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as non-expendable net assets is classified as expendable net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by state law.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Endowment funds (continued)

In accordance with the Uniform Prudent Management of Institutional Funds Act, the Foundation may consider the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: the duration and preservation of the fund; the purposes of the Foundation and the donor-restricted endowment fund; general economic conditions; the possible effect of inflation and deflation; the expected total return from income and the appreciation of investments; other resources of the Foundation; and the investment policies of the Foundation.

The Foundation has adopted investment and spending policies for its board-designated and other endowment assets that attempt to provide a predictable stream of funding for its programs while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board, the endowment assets are invested in such a manner that the investments will provide a spendable return consistent with a long-term goal of preserving the funds in real terms. Actual returns in any given year may vary from this amount.

The Stetson Home affiliate has a spending policy of appropriating for distribution each year 7% of its beginning of the year restricted balances. Amounts appropriated for expenditure were $295,410 and $248,489 in 2022 and 2021, respectively.

The Children's Friend, Inc. affiliate has a spending policy of appropriating for distribution each year 5% of the endowment fund's twelve quarter moving average of market value, calculated quarterly. There were no withdrawals for appropriation in 2022 and 2021.

To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest, dividends and net rental income). The Foundation has invested in debt and equity securities that target a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor imposed restrictions require the Foundation to retain as a fund of perpetual duration. There were no such deficiencies as of June 30, 2022 and June 30, 2021.

Investment in unconsolidated affiliates

The Foundation has varying levels of investments in Group 7 Design, Inc., Empirical Asset Management, LLC, Wellesley/Front, LLC, Honeydrop, Inc., SCIREH Three, LLC, Harding Green, LLC Mercantile Ventures, LLC, and Franklin Realty Advisors, LLC which are accounted for by the equity method.

Property and equipment

Property and equipment are reported in the combined statement of financial position at cost, if purchased, and at fair value at the date of donation, if donated. All land and buildings are capitalized. Equipment is capitalized if it has a cost of $5,000 or more and a useful life when acquired of more than one year. Repairs and maintenance that do not significantly increase the useful life of the asset are expensed as incurred. Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the assets.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Impairment of long-lived assets and long-lived assets to be disposed of

Long-lived assets and certain identifiable intangibles are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. No impairment losses were recognized in the financial statements in the current period.

Unamortized debt issuance costs

Debt issuance costs, which represent fees and other costs associated with obtaining long-term financing, are being amortized on a straight-line basis, which approximates the level yield method, over the terms of the related debt obligations. Debt issuance costs will be amortized at a monthly rate ranging from $14,367 to $1,383 through September, 2051. Long-term debt is presented net of unamortized debt issuance costs on the statement of financial position.

Hedging instrument

Hedging instruments, including interest rate swap agreements, are recorded on the statement of financial position as either assets or liabilities measured at their fair value. All changes in the fair value of hedging instruments are recognized currently in the combined statement of activities.

Rent, vending, service fees

Rental income represents amounts received from residents of residential homes. Vending income represents amounts received under the vocational services program. Service fees represents amounts received under the respite care, and various day programs.

Contributions, gifts and grants

Contributions, including unconditional promises to give, are recognized when received. All contributions are reported as increases in net assets without donor restrictions unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in net assets with donor restrictions. Unconditional promises with payments due in future years have an implied restriction to be used in the year the payment is due, and therefore are reported as restricted until the payment is due, unless the contribution is clearly intended to support activities of the current fiscal year. Conditional promises, such as matching grants, are not recognized until they become unconditional, that is, until all conditions on which they depend are substantially met.

Gifts-in-kind contributions

The Foundation receives contributions in a form other than cash or investments. If material, donated supplies and other items are recorded as contributions at the date of gift and as expenses when the donated items are placed into service or distributed. If the Foundation receives a contribution of land, buildings, or equipment, the contributed asset is recognized as an asset at its estimated fair value at the date of gift, provided that the value of the asset and its estimated useful life meets the Foundation's capitalization policy. Donated use of facilities is reported as contributions and as expenses at the estimated fair value of similar space for rent under similar conditions. If the use of the space is promised unconditionally for a period greater than one year, the contribution is reported as a contribution and an unconditional promise to give at the date of gift, and the expense is reported over the term of use.

Gifts-in-kind contributions (continued)

Four residential programs and the one day program operated by Seven Hills Rhode Island are located in buildings owned by the State of Rhode Island and are provided to Seven Hills Rhode Island at no cost. The estimated value of this space ($386,400 for the period ended June 30, 2022 and 2021) has been recorded in the combined statement of activities as both a revenue and expense item.

The Foundation received one office condominium contribution during 2021. The fair value at the time of the contribution has been recorded in the combined statement of activities as contributions and in the statement of financial position as property and equipment.

The Foundation benefits from personal services provided by a substantial number of volunteers. Those volunteers have donated significant amounts of time and services in the Foundation's program operations and in its fund-raising events. However, none of the contributed services met the criteria for recognition in financial statements.

Contract and grant revenue

Contract and grant revenue is recognized when qualifying costs are incurred for cost-reimbursement grants or contracts or when a unit of service is provided for performance grants. Contract and grant revenue from federal and state agencies is subject to independent audit under the Office of Management and Budget's audit requirements for federal awards or state audit requirements for state awards and review by grantor agencies. The review could result in the disallowance of expenditures under the terms of the grant or reductions of future grant funds. Based on prior experience, the Foundation's management believes that costs ultimately disallowed, if any, would not materially affect the financial position of the Foundation.

Expense recognition and allocation

The cost of providing the Foundation's programs and other activities is summarized on a functional basis in the combined statement of activities and combined statement of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited using a reasonable allocation method that is consistently applied, as follows:

- Salaries and wages, benefits, and payroll taxes are allocated based on activity reports prepared by key personnel.
- Occupancy, depreciation, and amortization, and interest are allocated on a square foot basis dependent on the programs and supporting activities occupying the space.
- Telephone and internet services, insurance, and supplies and miscellaneous expenses that cannot be directly identified are allocated on the same basis as occupancy for each program and supporting activity.

Management periodically evaluates the basis on which costs are allocated.

Management and general expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Foundation.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expense recognition and allocation (continued)

Fundraising costs are expensed as incurred, even though they may result in contributions received in future years. The Foundation generally does not conduct its fundraising activities in conjunction with its other activities. In the few cases in which it does, joint costs have been allocated between fundraising and general and administrative expenses in accordance with standards for accounting for costs of activities that include fundraising. Additionally, advertising costs are expensed as incurred. Advertising expense was $487,000 and $478,918 in 2022 and 2021, respectively.

Tax-exempt status

The Foundation is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code (IRC), though it would be subject to tax on income unrelated to its exempt purposes (unless that income is otherwise excluded by the IRC). Contributions to the Foundation are tax deductible to donors under Section 170 of the IRC. The Foundation is not classified as a private foundation.

Management annually reviews for uncertain tax positions along with any related interest and penalties and believes that the Foundation has no uncertain tax positions that would have a material adverse effect, individually or in the aggregate upon the Foundation's statement of financial position, or related statement of activities or cash flows.

The Foundation files income tax returns in the U.S. federal jurisdiction. The Foundation is no longer subject to U.S. federal income tax examinations by tax authorities for years before 2019.

The State of Rhode Island imposes a Health Care Provider Tax at a rate of 6% of Medicaid revenues. This tax is included in other expense on the combined statement of functional expenses. The amounts paid by the Foundation for this tax are reimbursed by Medicaid funds.

Measure of operations

In its statement of activities, the Foundation includes in its definition of *operations* all revenues and expenses that are an integral part of its programs and supporting activities. The Foundation's investment return from endowment contributions received for capital purpose, contributions associated with mergers, and the changes in the fair values of interest rate swap agreements are recognized as non-operating activities.

Recent accounting pronouncement

In February 2016, the FASB issued Accounting Standards Update No. 2016-02, Leases. The new standard establishes a right-of-use (ROU) model that requires a lessee to record a ROU asset and a lease liability on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of operations.

The new standard is effective for fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available.

The Foundation expects that upon adoption, it will recognize ROU assets and lease liabilities and that the amounts will be material.

3 - RISKS AND UNCERTAINTIES

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad impact on commerce and financial markets around the world. The United States and global markets experienced significant volatility in value resulting from uncertainty caused by the pandemic. The Foundation is closely monitoring its liquidity and is actively working to minimize the impact of this situation. The extent of the impact of COVID-19 on the Foundation's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Foundation's clients, employees, and vendors, all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact the Foundation's financial position, changes in net assets and cash flows is uncertain and the accompanying combined financial statements include no adjustments relating to the effects of this pandemic.

Additionally, it is reasonably possible that estimates made in the financial statements may be materially and adversely impacted in the near term as a result of these conditions, including the allowances for uncollectible accounts and contributions receivable, and the valuation of investments and beneficial interests in trusts. See footnote 25 for additional risks regarding the Foundation's investments.

4 - LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of June 30, 2022 and 2021 are:

	2022	2021
Financial assets		
Cash	$ 25,807,777	$ 29,283,170
Deposits with trustees	12,635,013	8,492,286
Accounts receivable, net	36,380,220	34,695,765
Contributions receivable, net	51,700	78,676

Beneficial interest in assets held by community foundation	1,202,510	1,407,870
Total financial assets	128,326,008	133,067,737
Less: Financial assets held to meet donor-imposed restrictions		
Purpose-restricted net assets	450,791	378,255
Donor-restricted endowment funds, net of approximately $235,000 and $295,000 appropriated for expenditures in 2023 and 2022, respectively.	8,344,225	9,867,130
Contributions receivable	51,700	78,676
Less: Financial assets not available within one year		
Deposits with trustees	12,635,013	8,492,286
Board-designated endowment fund	26,954,242	32,645,853
Amount available for general expenditures within one year	$ 79,890,037	$ 81,605,537

The above table reflects the board-designated funds as unavailable because it is the Foundation's intention to retain those resources for the long-term support of the Foundation. Note 12 provides more information about those funds and about the spending policy for board-designated funds.

4 - LIQUIDITY AND AVAILABILITY (Continued)

The Foundation regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. Further, the Foundation anticipates collecting sufficient revenue to cover general expenditures. Refer to the statement of cash flows, which identifies the sources and uses of the Foundation's cash and shows positive cash flows from operations for 2022 and 2021. As part of its liquidity management plan, the Foundation maintains a line of credit of $10,000,000 to cover short-term cash needs. The available balance to draw on this line of credit was $4,146,957 and $3,043,296 as of June 30, 2022 and 2021, respectively.

5 - DEPOSITS WITH TRUSTEES

Deposits with trustees are held in various escrow accounts and are available for the following purposes:

	2022	2021
Current		
Future debt service	$ 5,165,039	$ 2,920,782
Long-term		
Future debt service	7,469,974	5,571,504
	$ 12,635,013	$ 8,492,286

Deposits with trustees are carried at fair value, which approximates cost, and are composed of the following:

	2022	2021
Cash and cash equivalents	$ 11,162,463	$ 7,019,736
U.S. Government bonds	1,472,550	1,472,550
	$ 12,635,013	$ 8,492,286

6 - CONTRIBUTIONS RECEIVABLE

Payments of contributions receivable are expected to be received as follows:

	2022	2021
Receivable in less than one year	$ 51,700	$ 86,000
Receivable in one to five years	-	17,400
Total contributions receivable	51,700	103,400
Less: Unamortized discount	-	(12,224)
Allowance for contributions receivable	-	(12,500)

8 - ENDOWMENT ASSETS

Endowment assets include donor restricted and Board-designated funds. Changes in endowment assets for the year ended June 30, 2022 are as follows:

	Without Donor Restrictions	With Donor Restrictions	Total
Beginning of year	$ 32,645,853	$ 10,162,130	$ 42,807,983
Investment return:			
Interest and dividends, net of fees	965,589	249,555	1,215,144

Total investment return	(3,824,957)	(1,287,495)	(5,112,452)
Appropriation for expenditure	(1,866,654)	(295,410)	(2,162,064)
End of year	$ 26,954,242	$ 8,579,225	$ 35,533,467

9 - BENEFICIAL INTEREST IN ASSETS HELD BY COMMUNITY FOUNDATION

The Foundation established two funds with the Greater Worcester Community Foundation (GWCF). These funds encourage donations from individuals, organizations, estates and trusts in addition to contributions by the Foundation. GWCF acts as custodian of the funds, and funds can only be expended by the Foundation if approved by both the Foundation's Board of Directors and GWCF's Board of Directors.

The Foundation does not have control over, or legal ownership of, these funds. However, an asset representing the fair value of these funds has been recorded in without donor restricted assets as the Foundation has the irrevocable right to its share of annual income earned on these assets.

As of June 30, 2022 and 2021, the estimated fair value of the funds held by GWCF on behalf of the Foundation was $1,202,510 and $1,407,870, respectively. Changes in the estimated value of the funds are included in the statement of activities.

10 - PROPERTY AND EQUIPMENT

Property and equipment, together with estimated useful lives, consists of the following:

	Estimated Useful Lives	2022	2021
Land	-	$ 19,735,574	$ 19,067,228
Buildings and improvements	20 - 40 years	156,393,600	153,445,342
Furniture and equipment	3 - 20 years	19,149,630	18,015,410
Motor vehicles	5 years	2,173,323	2,199,052
Construction in progress	-	5,431,974	2,438,172
		202,884,101	195,165,204
Less: Accumulated depreciation and amortization		80,575,255	75,241,891
		$ 122,308,846	$ 119,923,313

Depreciation expense was $5,358,216 and $5,406,109 in 2022 and 2021, respectively.

11 - ADVANCES FROM THE STATE OF RHODE ISLAND

Seven Hills Rhode Island had an agreement with the State of Rhode Island to operate certain residential facilities and day programs. Under this agreement, the State of Rhode Island advanced Seven Hills Rhode Island an amount equivalent to forty-five days funding per client at the agreed-upon per diem rate to provide cash flow for the programs. This advance had been classified as long-term debt as these funds were to be repaid to the State of Rhode Island at the termination of the agreement. However, it was anticipated that the programs will continue to operate and the State of Rhode Island will continue to provide these funds. The agreement was not renewed and the liability was paid back to the State of Rhode Island. The residential facilities and day program continue under a new agreement.

12 - NOTE PAYABLE, BANK

The Foundation has a $15,000,000 revolving credit facility with a bank secured by substantially all assets of the Foundation. Interest is charged at the SOFR lending rate (4.75% as of June 30, 2022). The line of credit is available through March, 2023, at which time the terms and conditions of the line of credit will be reviewed. The balance outstanding on this line of credit was $5,853,043 and $6,954,704 as of June 30, 2022 and 2021, respectively.

13 - LONG-TERM DEBT

Long-term debt consists of the following:

	2022	2021
Bond notes payable, secured by real estate and cash flows from provider contracts:		
Due in annual installments of principal through September 2039. Interest is due monthly at a weekly rate of interest determined by the remarketing agent for each rate period to be the lowest rate on the basis of prevailing financial market conditions during the life of the obligation. A letter of credit securing this note expired May 2022. This note was paid in full in 2022.	$ -	$ 7,039,923
Due in annual installments of principal through September 2039. Interest is due monthly at a weekly rate of interest determined by the remarketing agent for each rate period to be the lowest rate on the basis of prevailing financial market conditions during the life of the obligation. A letter of credit securing this note expired May 2022. This note was paid in full in 2022.	-	3,229,962
Due in varying annual installments of principal with lump sum due December 2041. Interest is due monthly at 76% of the sum of the 30-Day LIBOR rate plus 2.00% (1.105% as of June 30, 2022) during the life of the obligation.	5,069,534	5,294,123
Due in varying monthly payments of $42,694, plus interest at variable rates through November 2024. Principal payments increase by approximately 5.50% annually through November 2024.	2,151,484	2,965,336
Due in annual installments of principal through May 2042. Interest is due monthly at 76% of the sum of the 30-Day LIBOR rate plus 2.00% during the life of the obligation. This note was paid in full in 2022.	-	824,635

14 - HEDGING INSTRUMENT

The Foundation maintains an interest-rate risk-management strategy that uses derivative instruments to minimize significant, unanticipated earnings fluctuations caused by interest-rate volatility.

The Foundation entered into an interest rate swap agreement related to certain long-term debt. The swap is utilized to manage interest rate exposures and are designated as a highly effective cash flow hedges. The differential to be paid or received on the swap agreement is accrued as interest rates change and is recognized over the life of the agreement in interest expense. The remaining swap agreement is as follows:

Notional Amount	Interest Rate	Expiration Date	Asset Value
$ 6,058,841	1.886%	November, 2025	$ 52,945

Included in combined statement of activities is an unrealized gain of $400,702 and $200,973 relating to the change in fair value of the swap agreement for the years ended June 30, 2022 and 2021, respectively.

15 - DEFERRED COMPENSATION LIABILITY AND LIFE INSURANCE

The Foundation has deferred compensation agreements providing benefits to certain key employees commencing at retirement. Deferred compensation expense related to these agreements was $222,552 and $217,596 in 2022 and 2021, respectively. These amounts are required to accrue the present value of benefits at retirement.

The Foundation may make discretionary contributions to the 457(f) plan. The Foundation recorded deferred compensation expense related to the 457(f) plan of $719,197 and $703,180 in 2022 and 2021, respectively.

The Foundation is the owner and beneficiary of life insurance policies covering certain members of management. The policies had an aggregate cash surrender value of $5,059,794 and $5,739,674 at June 30, 2022 and 2021, respectively.

16 - NET ASSETS WITHOUT DONOR RESTRICTIONS

The board has designated certain assets as reserved for endowment purposes. All spending from these reserves must be approved by the governing board. See note 2 for spending policy of the endowment.

18 - STATE SURPLUS REVENUE RETENTION

The Commonwealth of Massachusetts has regulations governing the excess of state revenue over expenses for not-for-profit organizations subject to the Division of Purchased Services' Authority. Such a surplus, up to 20% of current year state revenue, shall be retained by the organization for its charitable purposes. If an organization has a surplus in excess of the 20% rule, the Commonwealth may stipulate the use of such excess by the Foundation, request the return of the surplus to the state, or reduce state funding in future years. Amounts within the 20% rule are included in net assets. Any amount in excess of these rules is owed to the Commonwealth. Through June 30, 2022, the Foundation did not have surpluses in excess of the 20% rule.

19 - GOVERNMENT GRANT INCOME

In response to the COVID-19 pandemic, the Paycheck Protection Program (PPP) was established under the CARES Act and administered by the SBA. Organizations who met the eligibility requirements set forth by the PPP could qualify for PPP loans. If the loan proceeds are fully utilized to pay qualified expenses, the full principal amount of the PPP loan, along with any accrued interest, may qualify for loan forgiveness, subject to potential reduction based on the level of full-time employees maintained by the organization. In April 2021, the Foundation received a loan of $10,000,000 under the PPP. The loan bears interest at 1.0%, with principal and interest payments deferred for the first six months of the loan. Subsequently, the loan and interest would be paid back over a period of 18 months, if the loan is not forgiven under the terms of the PPP. The Foundation has accounted for loan proceeds under the PPP in accordance with ASC 405, whereby the loan is considered outstanding until the Foundation is legally released from its obligation.

The Foundation believes that its use of the proceeds is consistent with the purposes of the PPP and it will meet the conditions for forgiveness of the balance. These proceeds had not been forgiven as of June 30, 2021 and the loan had been recorded on the combined statement of financial position as a note payable, other. In 2022, the loan was forgiven and is included with government grant income on the combined statement of activities.

19 - GOVERNMENT GRANT INCOME (Continued)

In September 2020, the Foundation was a recipient of the Provider Relief Funds of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") in the amount of $4,135,898 of which $2,244,102 is recorded as government grant income on the statement of activities for the year ending June 30, 2022 and $0 is recorded as deferred revenue on the statement of financial position as of June 30, 2022.

20 - CONCENTRATION

The Foundation receives a significant portion of its support and revenue from the Commonwealth of Massachusetts, Department of Developmental Services and Department of Early Education and Care. Total support and revenue included the following:

	2022	2021
Department of Developmental Services	$ 109,354,083	$ 104,435,196
Department of Early Education and Care	112,532,901	70,168,201

21 - STATEMENT OF CASH FLOWS

Supplemental disclosure of cash flows information is as follows:

	2022	2021
Cash paid during the year for:		
Interest	$ 3,928,119	$ 3,842,334
Taxes	30,617	-

The Foundation acquired property and equipment and incurred capital lease obligations in the amount of $0 and $537,577 during 2022 and 2021, respectively.

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the statement of financial position that sum to the total of the same such amounts shown in the statement of cash flows.

	2022	2021
Cash	$ 25,807,777	$ 29,283,170
Deposits with trustees, cash and cash equivalents	11,162,463	7,019,736
Total cash, cash equivalents, and restricted cash	$ 36,970,240	$ 36,302,906

22 - LEASES

The Foundation leases office equipment, motor vehicles and certain property and equipment under various lease agreements classified as operating or capital leases for financial statement purposes.

Lease expense was $2,530,296 and $2,882,300 in 2022 and 2021, respectively.

2027	-	701,793
Thereafter	-	1,739,895
Total minimum lease payments	460,310	$ 7,601,264
Less: Amount representing interest at 2.56% to 5.99%	27,216	
Obligations under capital lease	$ 433,094	

23 - RETIREMENT PLAN

The Foundation has a 403(b) retirement plan covering substantially all employees. The Foundation made matching contributions to the plan in the amount of $1,173,167 and $1,374,989 in 2022 and 2021, respectively.

24 - FAIR VALUE MEASUREMENTS

The Foundation reports fair value measures of its assets and liabilities using a three-level hierarchy that prioritizes the inputs used to measure fair value. This hierarchy, established by GAAP, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The asset or liability's measurement within the fair value hierarchy is based on the lowest level of input that is significant to the measurement. The three levels of inputs used to measure fair value are as follows:

Level 1: Valuation is based on quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2: Valuation is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

When available, the Foundation measures fair value using level 1 inputs because they generally provide the most reliable evidence of fair value. However, level 1 inputs are not available for many of the assets and liabilities that the Foundation is required to measure at fair value (for example, unconditional contributions receivable and in-kind contributions).

24 - FAIR VALUE MEASUREMENTS (Continued)

The primary uses of fair value measures in the Foundation's financial statements are:

- initial measurement of noncash gifts, including gifts of investment assets and unconditional contributions receivable;
- recurring measurement of deposits with trustees;
- recurring measurement of endowment and long-term investments;
- recurring measurement of beneficial interests in assets held by community foundation; and
- recurring measurement of hedging instruments.

Determination of fair value

Following is a description of the valuation methodologies used for items measured at fair value. There have been no changes in the methodologies used during the year ended June 30, 2022.

U.S. Government bonds, corporate and municipal bonds: Determined using contractual cash flows and the interest rate determined by the closing bid price on the last business day of the fiscal year if the same or the obligation with a similar maturity is actively traded.

Mutual funds and real estate investment trusts: Valued at the daily closing price as reported by the securities. Securities held by the Foundation are open-ended funds that are registered with the SEC. These funds are required to publish their net asset value (NAV) and to transact at this price. The securities held by the Foundation are deemed to be actively traded.

Common stock and cash and money market accounts: Valued at the NAV of shares held by the Foundation at year-end. NAV is valued at the closing price reported in the active market in which individual securities are traded.

Exchange traded funds: Determined by the published closing price on the last business date of the fiscal year.

Beneficial interest in assets held by community foundation: The Foundation estimates the fair value based on the value of the original deposits plus allocated income as calculated and reported by Greater Worcester Community Foundation (GWCF). The Foundation has evaluated the valuation policies of GWCF and the reported value of its holdings as of the statement of financial position date and believes that the reported value is reasonable and reflects the value at which the Foundation can redeem its holdings.

Hedging instrument: Valued using both observable and unobservable inputs, such as quotations received from counterparty, dealers or brokers, whenever available and considered reliable. In instances where models are used, the value of the interest rate swap depends upon the contractual terms of, and specific risks inherent in, the instrument as well as the availability and reliability of observable inputs. Such inputs include market prices for reference securities, yield curves, credit curves, measures of volatility, prepayment rates, assumptions for nonperformance risk and correlations of such inputs.

24 - FAIR VALUE MEASUREMENTS (Continued)

As disclosed in footnote 2 to the financial statements, the Foundation estimates the fair value of its investments in certain entities using the net asset value per share of the investment. Further information about these investments is presented below.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Alternative investments (a)	$ 1,280,697	$ -	Semi-annual	30 - 90 days

(a) This fund invests across primary, secondary, and direct co-investments in an attempt to build a portfolio that is diversified across vintage years as well as segments of the private equity market (buyout, growth equity, venture, and credit). The Fund seeks to deploy capital more quickly than traditional fund of funds portfolios while mitigating the J-curve and limiting fees through the use of secondary and direct investment. The fair value of the investments in this category has been estimated using the net asset value per share of the investments.

25 - CONCENTRATIONS OF RISK

The Foundation's investments are subject to various risks, such as interest rate, credit, and overall market volatility risks. Further, because of the significance of the investments to the Foundation's financial position and the level of risk inherent in most investments, it is reasonably possible that changes in the values of these investments could occur in the near term and such changes could materially affect the amounts reported in the financial statements.

26 - COMMITMENTS AND CONTINGENCY

The Foundation has claims and pending legal proceedings. The proceedings are, in the opinion of management, routine matters incidental to the normal business conducted by the Foundation. In the opinion of management, such proceedings are not expected to have a material adverse effect on the Foundation's financial position, results of operations or cash flows.

The Foundation has signed non-interest bearing facilities consolidation promissory notes with the Community Economic Development Assistance Corporation that are secured by real estate. The terms of the agreements require the Foundation to hold the properties for a period of 30 years. In the event the Foundation disposes of these properties prior to the required timeframe, the entire principal balance(s) will become due.

As of year-end, the Foundation had approximately 155 employees who are represented by Local 5068, United Nurses & Allied Professionals. The Foundation had negotiated a one year contract extension through June 2022.

The contracts with the states have been expended according to their respective terms contained in the agreements and are subject to possible final audit determination by certain governmental agencies. In the opinion of management, the results of such audits, if any, will not have a material effect on the combined financial position of the Foundation as of June 30, 2022, or on the changes in net assets for the year then ended.

27 - RELATED-PARTY TRANSACTIONS

Contributions included $28,575 and $39,209 from members of the Foundation's Board of Directors for the year ended June 30, 2022, and 2021, respectively.

The Foundation had the following balances and transactions with its unconsolidated affiliates:

	2022	2021
Accounts payable	$ -	$ 6,091
Expenditures for property and equipment	72,695	103,716

The Foundation has a 6.96% ownership in an unconsolidated affiliate which is the investment advisor for certain investments. Investment fees paid were $14,063 and $11,417 in 2022 and 2021, respectively.

The Seven Hills Family Services, Inc. affiliate entered into a long-term service and supports community partner agreement. This affiliate is doing business as Massachusetts Care Coordination Network under this agreement.

28 - RECLASSIFICATION

Certain amounts in the 2021 comparative information have been reclassified to conform with the 2022 presentation. Such reclassifications had no effect on the change in net assets as previously reported

29 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through December 1, 2022, which is the date the combined financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required.

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Docusign Envelope ID: 983A60C4-EE50-4702-A463-3F2C88E27FD6

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: 983A60C4-EE50-4702-A463-3F2C88E27FD6

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Stetson School, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (item #14), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 13,777,794

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

5. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

6. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

      1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar

days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;

1.13.14.2. The age of the referred child is greatly different than the current milieu;

1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

1.13.14.4. There are specialty Care needs revealed during their course of treatment;

1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

1.19.5.5. Previous assessments which have been completed including, but not limited to:

1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.

Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

19. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

20. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge,

Key performance metrics to read:

Transition & discharge	◦ Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days ◦ % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months (*based on internal data which DHHS will access through CME and DCYF system)* ◦ % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge ◦ % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge (*based on Internal DCYF data which DHHS will access)*

21. Modify Exhibit C, Payment Terms, Section 1., to read:

1. This Agreement is funded by:

1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST and 2301NHFOST.

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These

Individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached. This requested action includes nine (9) contracts and the Department plans to submit seven (7) additional contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;

- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

Areas served: Statewide.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.1. Shall be licensed and certified. Those that are not currently certified, licensed and accredited, shall complete these requirements within 6 months from contract approval, unless otherwise agreed upon by the Department.

1.8.2. Shall comply with all federal, and state laws, regulations, and rules, as follows, but are not limited to:

1.8.2.1. RSA 170-E;
1.8.2.2. RSA 170-G:8;
1.8.2.3. RSA 126-U;
1.8.2.4. RSA 135-F;
1.8.2.5. He-C 4001;
1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. Staffing, Training and Development

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. Staff Training and Development

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual..

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor shall choose to discharge when a child is in an acute psychiatric hospital for more than 7 days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of the

individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate, reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

7. Audits

7.1. The Contractor is required to submit an annual audit to the Department if any of the following conditions exist:

7.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

7.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

7.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

7.2. If Condition A exists, the Contractor shall submit an annual single audit performed by an independent Certified Public Accountant (CPA) to the Department within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

7.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

7.4. Any Contractor that receives an amount equal to or greater than $250,000 from the Department during a single fiscal year, regardless of the funding source, may be required, at a minimum, to submit annual financial audits performed by an independent CPA if the Department's risk assessment determination indicates the Contractor is high-risk.

7.4.1. In addition to, and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Contract to which exception has been taken, or which have been disallowed because of such an exception.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) **Definitions.**

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption: If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

Docusign Envelope ID: 983A60C4-EE50-4702-A463-3F2C88E27FD6

DocuSign Envelope ID: 82D92F47-53B6-4D31-95EF-A999E9222A78

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

Amendment #2

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Whitney Academy, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (Item #14), as amended on December 20, 2023 (Item #32C), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2027

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $10,939,472

3. Modify Exhibit B, Scope of Services, by adding Sections 1.10.1. through 1.10.3., to read:

   1.10.1. If the Contractor's program is identified as an Institution for Mental Diseases (IMD), the Contractor shall meet with the Department within 45 days to review the Department's IMD analysis and discuss and identify strategies to support becoming a non-IMD.

   1.10.2. The Contractor shall work cooperatively with the Department to outline a plan needed to become a non-IMD. The plan shall be submitted to the Department within 6 months and include:

   1.10.2.1. Considerations and action steps required to become a non-IMD;

   1.10.2.2. Clearly identified barriers to becoming a non-IMD; and

   1.10.2.3. A timeline of activities associated with becoming a non-IMD.

   1.10.3. The Contractor shall meet with the Department to review the plan, discuss feasibility, and next steps, including any additional review or reporting.

4. Modify Exhibit C, Payment Terms, Section 1., to read:

   1. This Agreement is funded by:

   1.1. Funds from Administration of Children and Families, Assistance Listing Number (ALN) #93.658, Federal Award Identification Number (FAIN) 2101NHFOST, 2301NHFOST and 2401NHFOST.

   1.2. Funds from Administration of Children and Families, catalog of ALN #93.558, FAIN 2101NHTANF, 2301NHTANF and 2401NHTANF.

   1.3. Funds from Administration of Children and Families, catalog of ALN #93.659, FAIN 2101NHADPT, 2301NHADPT and 2401NHADPT.

   1.4. Funds from Centers for Medicare and Medicaid Services, catalog of ALN #93.778, FAIN

2105NH5ADM, 2305NH5ADM and 2405NH5ADM.

1.5. General Funds

5. Modify Exhibit C, Payment Terms, Section 4.1 to add 4.1.2., to read:

4.1.2. The Contractor shall work with the Department to support a sustainable rate structure.

6. Modify Exhibit C, Payment Terms, Section 4.5, to read:

4.5. Maximum allotment for daily rate expenditure for Department funded expenditures by fiscal year is as follows:

4.5.1. Sub-total: $10,939,472.00

4.5.2. SFY 22: $2,129,059.00

4.5.3. SFY 23: $2,129,059.00

4.5.4. SFY 24: $1,696,135.00

4.5.5. SFY 25: $1,696,135.00

4.5.6. SFY 26: $1,644,542.00

4.6.7. SFY 27: $1,644,542.00

All terms and conditions of the Contract and prior amendments not modified by this Amendment remain in full force and effect. This Amendment shall be effective July 1, 2025, upon Governor and Council approval.

INDEPENDENT AUDITOR'S REPORT ON ADDITIONAL INFORMATION

To the Board of Directors and Senior Management
The Whitney Academy, Inc.
East Freetown, Massachusetts

We have audited the financial statements of The Whitney Academy, Inc. as of and for the year ended June 30, 2024, and have issued our report thereon dated November 4, 2024, which expressed an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole.

The Financial Results Overview and related graphs that follow are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
The Whitney Academy, Inc.
East Freetown, Massachusetts

Opinion

We have audited the accompanying financial statements of The Whitney Academy, Inc. (a Massachusetts nonprofit corporation) (the "Organization"), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

INDEPENDENT AUDITOR'S REPORT
(continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Organization's 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 7, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business
The Whitney Academy, Inc. (the "Organization") is a nonprofit corporation organized under the laws of the Commonwealth of Massachusetts. The Organization was created to provide education and treatment for developmentally disabled and mentally ill children and adults up to age 22.

Basis of Accounting
The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Change in Accounting Principle
In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-13, *Financial Instruments – Credit Losses (Topic 326).* This ASU replaces the previous "incurred loss" methodology for measuring credit losses related to certain financial assets and requires the consideration of relevant information about past events, including historical experience, current conditions, and reasonable and supportable forecasts that affect the collectability of financial assets. The Organization adopted this standard for the year ended June 30, 2024, which did not have a material impact on the financial statements.

Estimates
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash, Cash Equivalents and Restricted Cash
For purposes of the Statement of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Custodial Funds Held
The Organization acts as a fiduciary with respect to certain personal client funds it receives as a representative payee. Custodial funds are not the property of the Organization and are, therefore, reported on the Statement of Financial Position as an asset with an offsetting liability.

Accounts Receivable and Allowance for Credit Losses
Accounts receivable are recorded net of any allowance for credit losses. Management considers relevant information about past events, including historical experience, current conditions, and reasonable and supportable forecasts that affect the collectability of accounts receivable in connection with estimating any allowance for credit losses. The Organization does not expect it will incur any credit losses and, as a result, an allowance for credit losses has not been recorded.

1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair Value Measurements

The Organization applies the provisions of GAAP for fair value measurements of financial assets and financial liabilities, and for fair value measurements of non-financial items that are recognized and disclosed at fair value in the financial statements on a recurring basis. These provisions define fair value as the price that would be received in selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. These provisions also establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Application of these provisions has not resulted in any change in the measurement of the carrying value of the Organization's financial assets or liabilities.

Property and Equipment

Property and equipment are recorded at cost on the date of acquisition or estimated fair market value on the date of donation. Depreciation of property and equipment is provided over the estimated useful life of the respective assets on a straight-line basis as follows:

	Life in Years
Buildings and building improvements	20-40
Land improvements	20
Motor vehicles	3-5
Furniture and equipment	3-10

Expenditures for major renewals and improvements are capitalized, while maintenance and repairs are expensed as incurred.

Leases

The Organization applies Accounting Standards Codification ("ASC") 842, *Leases*, in determining whether an arrangement is or contains a lease at the lease inception. An arrangement is considered to include a lease if it conveys the right to control the use of identified property, plant or equipment for a period of time in excess of twelve months in exchange for consideration. The Organization defines control of the asset as the right to obtain substantially all of the economic benefits from use of the identified asset as well as the right to direct the use of the identified asset. The Organization further determines if its existing leases include finance and operating leases, which are included as right-of-use ("ROU") assets and lease liabilities in the Statements of Financial Position. ROU assets represent the Organization's right to use leased assets over the term of the lease. Lease liabilities represent the Organization's contractual obligation to make lease payments and are measured at the present value of the future lease payments over the lease term. ROU assets are calculated as the present value of the future lease payments adjusted by any initial direct costs, deferred rent liability and lease incentives. ROU assets and lease liabilities are recognized at the lease commencement date. The Organization uses the rate implicit in the lease if it is determinable. When the rate implicit in the lease is not determinable, the Organization uses the risk-free rate as permitted in ASU 2021-09, *Discount Rate for Lessees That Are Not Public Business Entities*. The risk-free rate is applied to all classes of leased assets. Lease terms may include renewal or extension options to the extent they are reasonably certain to be exercised. Lease expense is recognized on a straight-line basis over the lease term. The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants and to the extent a lease arrangement includes both lease and non-lease components, the components are accounted for separately. In addition, the Organization applied the short-term lease exemption of not recognizing a ROU asset and lease liability for leases that have terms of 12 months or less.

1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets

Net assets, revenue, support, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Consist of net assets available for use in general operations that are not subject to donor-imposed restrictions.

Net Assets With Donor Restrictions – Consist of net assets that are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or the expending of the net assets for particular purposes as specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that the principal is to be maintained in perpetuity (donor-restricted endowment) and only the income from such net assets may be expended as specified by the donor or in accordance with the applicable Massachusetts law. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are released to net assets without donor restrictions when the assets are placed in service. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions. The Organization had no net assets with donor restrictions as of June 30, 2024 and 2023.

Revenue Recognition and Surplus Revenue Retention

Students of the Organization are supported by state and municipal government agencies both within and outside Massachusetts. Therefore, the Organization is subject to the regulations and rate formulas of the Commonwealth of Massachusetts Executive Office for Administration and Finance Operational Services Division ("OSD"). Revenue is recorded at the Organization's rate of reimbursement as certified by OSD. Tuition revenue is recognized during the year in which the related services are provided to clients. Revenue received in advance of the delivery of services is recorded as deferred revenue.

Under the applicable Commonwealth of Massachusetts regulation, the Organization may not retain an annual surplus in excess of 20% of its Commonwealth of Massachusetts Purchase of Service ("POS") revenues. A surplus in excess of the annual 20% limit is subject to recoupment or may be used to reduce future Commonwealth of Massachusetts POS revenues. During the year ended June 30, 2024, the Organization did not have an annual surplus related to its Commonwealth of Massachusetts POS revenues in excess of the 20% limit allowed. Non-POS revenues are not subject to the regulation but may be subject to other regulatory or contractual limitations

Contributions

Contributions are recognized at the earlier of when received or when the donor declares an unconditional promise to give cash or other assets to the Organization. Conditional promises to give, that is, those with a measurable performance or other barriers to be overcome before the Organization is entitled to the assets transferred or promised, and a right of return or release, are not recognized as contributions revenue until the conditions have been substantially met or waived.

1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Advertising
Advertising costs, which relate primarily to employee recruitment and promotional materials, are expensed as incurred, and totaled $87,528 and $87,011 during the years ended June 30, 2024 and 2023, respectively.

Functional Allocation of Expenses
The costs of programs and supporting services activities have been summarized on a functional basis in the Statement of Activities. The Statement of Functional Expenses presents the natural classification of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function and are allocated on a reasonable basis that is consistently applied. The expenses that are allocated include employee compensation and related (consisting of salaries, payroll taxes and benefits), occupancy, various other program and administrative costs, and depreciation. These expenses have been allocated on the basis of estimated time and effort, square footage as well as other reasonable allocation methods.

Tax Status
The Organization is qualified under Section 501(c)(3) of the Internal Revenue Code (the "Code") and is exempt from federal and state income taxes. The Organization is not a private foundation within the meaning of Section 509(a) of the Code. It is an educational organization as described in Sections 509(a)(1) and 170(b)(1)(A)(ii) of the Code.

The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Organization believes it is no longer subject to income tax examinations for years prior to 2021.

Subsequent Events
The Organization evaluated events that occurred after June 30, 2024, the date of the Statement of Financial Position, but before the date the financial statements were available to be issued, November 4, 2024, for potential recognition or disclosure in the financial statements. The Organization did not identify any subsequent events that had a material effect on the accompanying financial statements.

Comparative Financial Information
The financial statements include certain prior year summarized comparative information in total. This information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2023, from which the summarized information was derived.

2 - LIQUIDITY AND AVAILABILITY

The Organization regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing activities of its programs as well as the conduct of services undertaken to support those activities to be general expenditures.

Docusign Envelope ID: 592088BA-873D-4D0B-B902-B2CC3C2CA6F9

2 - LIQUIDITY AND AVAILABILITY (continued)

At June 30, 2024, financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the Statement of Financial Position date consist of the following:

Cash and cash equivalents	**$4,246,308**
Less: Client custodial funds held	**(36,163)**
Accounts receivable	**1,667,186**
Total financial assets available within one year	**$5,877,331**

The Organization also has a line of credit (see Note 8) that allows for additional borrowings of up to $900,000 for working capital purposes. There were no amounts drawn under this arrangement during the years ended June 30, 2024 and 2023.

3 – CASH – CLIENT REPRESENTATIVE PAYEE FUNDS

Cash and cash equivalents includes student funds provided by the Social Security Administration, other funding sources and the students' parents totaling $36,163 and $15,421 at June 30, 2024 and 2023, respectively. The Organization serves as a client representative payee and as such has a fiduciary responsibility over these funds and has recorded an offsetting liability that is included in other current liabilities in the Statement of Financial Position. These funds are held in separate accounts as required by the Social Security Administration.

4 – PROPERTY AND EQUIPMENT

At June 30, property and equipment consisted of the following:

	2024	2023
Land	**$1,326,667**	$1,326,667

10 – CONTINGENCIES AND CONCENTRATIONS OF CREDIT RISK

Contingencies

In accordance with the terms of its contracts with the Commonwealth of Massachusetts, the records of the Organization are subject to audit. Therefore, the Organization is contingently liable for any disallowed costs. Management believes that any adjustments that might result from such an audit would be immaterial.

Concentrations of Credit Risk

The Organization maintains its cash in bank deposit accounts, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash and cash equivalents.

A significant portion of the Organization's revenue and receivables are from purchasing agencies and cities and towns within the Commonwealth of Massachusetts, other New England states, the State of New York, the State of Minnesota and the State of Alabama.

11 – SUPPLEMENTAL DISCLOSURE OF CASH FLOW INFORMATION

During the year ended June 30, 2024, the Organization acquired assets by utilizing note payable agreements totaling $169,074.

QUALIFICATIONS

The diverse work experience I have has enabled me to be an extremely confident and trustworthy person. I believe my leadership abilities, empathy and honesty has provided me with the opportunity to work with a diverse population in an intellectual environment. I work cooperatively with healthcare agencies and stakeholders in Rhode Island and Massachusetts; DCYF, Family Services of Rhode Island, Day One, Attorney General and Crossroads, that provide multi-cultural and multi-disciplinary support services that foster personal growth of youth, adults and their parents/guardians.

The ability to communicate in order to provide a wide range of training and development to professionals and paraprofessionals has afforded me the opportunity to collaborate with a wide variety of healthcare agencies and stakeholders in Rhode Island and Massachusetts, that represent community organization to better support young people and their families in need. In my work with a variety of family systems, community and correctional agencies and outreach organizations, I have facilitated many projects to develop and implement programs and resources that enhance interpersonal safety, social skills groups, anger management and skills streaming, in order to develop positive behavioral interventions and increase awareness. Within the capacity of a practicing clinician in public schools, residential and in private practice, I have worked with a variety of people in their quest for spiritual, moral and ethical enrichment and strategies to achieve academically and socially. I have extensive experience in the oversight and development of all aspects of clinical and community training and outreach functions of the center, focusing on complying with licensing, legal, and ethical standards of practice in order to be responsible for planning, developing, directing, coordinating and administrating a comprehensive regional service delivery system oriented toward maximizing the efficiency and availability of both private and public services to children youth and their families. Throughout my career, I have demonstrated commitment to statewide program of social services for families, children and adults, including child welfare services, day care, work incentive, family planning, and homemaker services, mental health services and juvenile and adult probation services.

WORK HISTORY

Clinical Consultant, Greater Lakes Children's Alliance, Bedford, New Hampshire April 2019 – Current

The clinical Consultant is responsible for the development and implementation of behavior health services within the Children's Advocacy Centers at Greater Lakes Children's Alliance. Recruits, hires, and supervises clinical staff and interns. Develops and implements state-of-the-art, evidence-based, trauma-focused treatment strategies for the out patient and group clinical program. Provides trauma-focused treatment to survivors of all ages of sexual abuse and exploitation. Develops, implements, and evaluates all clinical and CAC operations policies and procedures. Assures proper maintenance of all clinical records, statistics, and reports in compliance with local, state, and federal laws and funding requirements. Collaborating in order to foster effective relationships with all appropriate community stakeholders, including clinical programs, educational and medical institutions, state agencies, insurance companies, and key community leaders.

Clinical Director, Boys Town New England January 12, 2015 – October 2017

The Clinical Director at Boys Town New England provides the support and clinical/educational treatment direction of the youth in the Boys Town Family Homes Program and Boys Town Foster Family Services. The Clinical Director collaborates and supports the Residential Director and Foster Family Services Director in making recommendations, referrals for evaluations, clinical assessments and on-going group or individual treatment, depending on the goals and objectives. The Clinical Director supervises the Clinical Support Specialists in their therapeutic approach to supporting the youth in the care of Boys Town New England. The Clinical Director also has the responsibility to communicate with other outside clinical providers as well as the Portsmouth School District, in order to manage and facilitate collaborative treatment within the Boys Town model of care. The Clinical Director renders the therapeutic services to the youth (ages 18 months - 18 yo.) and families in order to identify needs in development and foster a better understanding of how to obtain the goals in school, life skills, and at home utilizing a multi-systems cognitive behavioral approach.

Clinician, Dr. DayCare Family, Inc. June 2010 – September 2014

As a part of a team, I collaborate to create behavior management plans to improve student behavior. The students range in age from 3 years old to 13 years old. In cooperation with classroom teachers, social workers, psychologists and various family resources in Rhode Island, the behavior plans are created, implemented and monitored by the clinician. When necessary, I will participate and provide assessments and feedback regarding the child's progress in larger system team meetings with school districts, focusing on IEP's, DCYF and CEDARR, in the areas of Pawtucket, Woonsocket, Lincoln and Warwick. The clinical role requires assistance to all students, individually or in groups, to develop personal/social/behavior goals and conjointly meet with the parent/guardian to address concerns and achievements.
On a monthly basis I lead training, workshops and other professional development activities to on line staff at the agency. The schedule for these trainings and workshops are focused on learning new approaches and techniques to better manage the children in our care. Paperwork and assessments are an essential part of the clinical position as well as maintaining the child's record in accordance with DHS regulations. When in the classroom setting, I provide direct feedback and support to the classroom staff and assist in any behavioral issues that may arise. In managing the cases it is equally as important to develop strong connections and positive relationships with both the classroom staff and the children.

Clinician, Ocean State Psychotherapy, Inc. May 2003-June 2010

A Licensed Marriage and Family Therapist providing clinical services to children, adolescents, young adults, families, and couples. I facilitated groups on a regular basis for children, adolescents and young adults. Specific themes of the groups deal with conflict resolution, self-esteem, social skills, healthy coping skills, resolving eating disorders, healthy sexuality, and many more, focused on empowering adolescents and young adults, especially females, to make healthy choices.
A vital part of the therapy process was implementing and evaluating assessments to determine a diagnosis and create a treatment plan that would enable the client to be successful in achieving their therapeutic

goals. As the Clinical Manager at OceanState Psychotherapy, Inc., I also facilitated meetings and implemented various trainings and workshops to other clinical staff. We would collaborate as a team to review cases and provide important supervision on difficult cases. While in private practice, I facilitated sex offender specific treatment groups with adult males on parole and probation. I also provided trauma focused therapy to families living with a sex offender. During this time frame, I provided sexual abuse evaluations and sex offender risk assessments for state probation and parole focused on adjudicated male juvenile offenders.

Unit Director, The Stetson School, Inc. December 1999-2003

The Stetson School is a residential treatment facility for adolescent males ranging in age from 10-18 years, who have been adjudicated for a sexual crime. The Unit Director responsibilities include supervising and coordinating treatment focused activities for the Main/Ryder Team, which consists of 24 students and 25 staff. As the Unit Director, I had the opportunity to develop and implement treatment oriented programming in order to improve the team knowledge, performance and morale, when treating the adolescent sex offender population.

By developing staff and utilizing the strengths of the team, the team then demonstrated a commitment to working more cooperatively and effectively with each other. In addition to developing new programming, the Unit Director works cooperatively with the Program Team in assigning caseloads, training staff, leading the student's treatment, assessing the students risk to re-offend, and providing training in new policies and procedures, as well as community outreach.

While in this role of Unit Director, I supported and coached both staff and students to address the social, emotional and behavioral needs of the students. Our agency had residents from upwards of 13 different states and it was imperative for me to be up to date on treatment plans, IEP's, parole/probation guidelines and other requirements to support the student in their success. While employed at the Stetson School, I facilitated the development of a high and low ropes course in cooperation with the Project Adventure Team. The ropes course enabled us to create an alternative form of team building and to provide both staff and students with a challenging and empowering opportunity to increase their self-esteem.

Clinician/Art Therapist, Adult Correctional Institute June 1998-December 2014

The role of clinical art therapist at the corrections facility allows me the opportunity to work with the adult male sexual offender population. The role allows me to facilitate relapse prevention groups and art therapy groups focused on increasing self-esteem, grieve therapy, anger management, and resolving trauma. I work as a part of the Sex Offender Treatment Program organized and implemented by Peter Loss. The experience I have gained as an Art Therapist and Clinician has been tremendous. I have the ability to assess the group members and establish goals to fit their needs, as well as the ability to administer and assess sex offender specific evaluations and assessments that determine risk to re-offend. (Static/Stable)

Clinician, The Stetson School, Inc. March-December 1999

As a clinician on the Alden/Johnson Team, I was responsible for providing treatment to 12/15 adolescent male sex offenders, ranging in age from 13 to 17 years old. The clinician provides direct psychological care to the individuals during weekly sessions and in a group setting. Additional duties included planning, developing, assessing, and implementing individual treatment plans and evaluating the individuals progress in treatment. The team worked collaboratively to develop effective programming and to review each case to ensure the appropriate services were being provided. Personal development was in the form of attending numerous training, conferences, and individual supervision.

Art Therapist, Elizabeth Buffum Chace House January 1995-1999
The art therapy group was developed five years ago for children and adolescents, age 5 to 17, who have been victims of domestic violence and/or sexual abuse. The group's curriculum focused on developing appropriate skills to express emotion, enable the child/adolescent to understand the trauma and to give them alternatives to acting out behaviors. The art allows the child/adolescent to process their experiences and to interrupt the cycle of abuse.

AmeriCorps School Liaison, Rhode Island Children's Crusade September 1996-1999

A division of President Clinton's domestic Peace Corps. This year of service requires the liaison to make personal connections with Crusaders, ages 12-15, parents, teachers, guidance counselors, and other community representatives. These connections are made in order to connect Crusaders to appropriate services and to assist Crusaders in developing age appropriate academic, social and employable skills. All work is accomplished through cooperating with a multi-disciplinary team within the agency and the community. Assessing and developing a support network with the Crusaders and their community includes developing and implementing after school programs focusing on personal/social development skills, community service and behavior modification. The year of service also included personal volunteer work as an active advocate for The Rape Crisis Center, and participating in ongoing personal development training.

I have continued to support the AmeriCorps NEISP (National Early Intervention Scholarship Program) Program in the capacity of being a facilitator and coach. The role requires a great deal of high performance team training, organization and implementation of goals and objectives. The goals and objectives of the program are executed by a staff of 8/10, with support from the coach and facilitator. The leadership responsibilities are to measure and evaluate the staff, ensure outcome objectives are being managed appropriately, and to allow the children to grow and learn from their peers and role models.

Special Education Instructor, EastConn PACE Program September 1990-1994

A private pro-active cooperative education program, providing day services to behavioral/emotional disordered children and adolescents. Responsibilities included organizing, developing and implementing individual education plans for a variety of academic subjects and levels. Developing and implementing individual behavior plans, coordinating daily plans for client and staff development and monitoring data based behavior management plans. Trans-disciplinary team meetings were instrumental in focusing on the students program. In addition to educational aspects of the curricula, I created the art program for the five classrooms, coordinating and fulfilling weekly activities to promote growth and self-esteem.

2) Authorize the Department of Health and Human Services, Division for Behavioral Health, to **Retroactively** amend the existing contract with Mount Prospect Academy, Inc. (vendor #168139), Plymouth, NH, to allow the Department to make payments for shelter care services provided, by exercising a contract renewal option, by increasing the price limitation by $39,200,757 from $47,176,194 to $86,376,951, and extending the completion date from June 30, 2024 to June 30, 2025, effective **Retroactive** to January 1, 2023, upon Governor and Council approval. Funding source is estimated as 51% General Funds and 49% Federal Funds dependent upon eligibility of the client. The original contract was approved by Governor and Council on August 4, 2021, Item #15.

Funds are available in the following accounts for State Fiscal Years 2024 and 2025, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

Because the Bridge System is used to process and monitor payments for these agreements, no purchase order number is assigned. The New Hampshire First System will not be used to encumber.

Depending on the eligibility of the client, funding type is determined at the time of payment, based on individual eligibility through the Division for Behavioral Health, Division for Children, Youth and Families, or other Department of Health and Human Services involved youth. Possible account numbers to be utilized include the below:

EXPLANATION

Request #1 is **Retroactive** to align with the July 1, 2023, effective date of the residential treatment rate increases included in Chapter 79, Section 445, Laws of 2023 (i.e., House Bill 2). Additionally the Department needed to complete a rate setting adjustment determination resulting from a two-year review with DHHS Medicaid. The Department was therefore unable to implement the rate increases until completion of the budget process and the rate setting adjustment determination, which was necessary to better align rates with vendors' actual costs.

Request #2 is **Retroactive** to allow the Department to make payments for shelter care services provided. The Department needed Mount Prospect Academy to continue providing critical short-term residential shelter care services to adolescents in crisis during ongoing negotiations between the Department and Contractor to transition these services to this Residential Treatment Services for Children's Behavioral Health contract. The Department initially entered into negotiations with the Contractor regarding residential daily rates in 2022. Negotiations took longer than expected due to the need for a comprehensive re-examination of the rate setting process conducted by the Department over the last year.

The purpose of this request is to increase funding and extend the completion date for the continued provision of behavioral health services in residential treatment settings to children, youth and young adults who have heightened behavioral health needs that require more intensive treatment than what is offered in their home and community.

Also this request is to add scope to Mount Prospect Academy's contract to include the Short-term Treatment Education and Planning (STEP) program that provides short term treatment to youth who are in need of a brief episode of treatment and a specific focus on discharge planning for a successful return to their home and community. The Department will also compensate the Contractor for costs incurred for the provision of short-term residential shelter care services to adolescents in crisis.

The Contractors will continue to deliver evidence-based and trauma-informed clinical services, as an essential part of the Children's System of Care, to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. As a result of these contracts, the Department has seen a reduced number of placements outside of New England. The Contractors will continue supporting the Department's efforts to provide better long-term outcomes for youth by providing services that are short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act and adherence to RSA 135-F.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor determines whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2025

The Department will continue to monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraints and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of length of stay; and
- Reduction of staff turnover and retention of quality staff.

As referenced in Exhibit A of the original agreements, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the six (6) years available.

Docusign Envelope ID: 592088BA-873D-4D0B-B902-B2CC3C2CA6F9

Should the Governor and Executive Council not authorize this request, the Department's ability to ensure adherence to RSA 135-F and implementation of required trauma-informed models and evidence-based models for residential treatment programs, and secure funding through the Family First Prevention Services Act and IV-E would be jeopardized. Furthermore, access to treatment for all youth may be limited, which could impact the quality of services available, increase length of stay and service costs, and limit the ability of youth to return home. Lastly, the Department would need to rely more heavily on placements beyond New England.

Source of Federal Funds: Assistance Listing Number # 93.658, FAIN #'s 2101NHFOST and 2301NHFOST; Assistance Listing Number # 93.558, FAIN #'s 2101NHTANF and 2301NHTANF; Assistance Listing Number # 93.659, FAIN #'s 2101NHADPT and 2301NHADPT; Assistance Listing Number # 93.778, FAIN #'s 2105NH5ADM and 2305NH5ADM.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #1

This Amendment to the Residential Treatment Services for Children's Behavioral Health contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Whitney Academy, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on July 14, 2021 (item #14), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37 General Provisions, Block 1.7, Completion Date, to read:

   June 30, 2025

2. Form P-37, General Provisions, Block 1.8, Price Limitation, to read:

   $ 7,650,388

3. Form P-37, General Provisions, Block 1.9, Contracting Officer for State Agency, to read:

   Robert W. Moore, Director

4. Modify Exhibit B, Scope of Services, Subsection 1.9., to read:

   1.9. The Contractor shall accommodate visits of the DHHS staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW), and the CME Care Coordinator.

5. Modify Exhibit B, Scope of Services, Subparagraph 1.11.3.2., to read:

   1.11.3.2. The Contractor shall ensure the training program is made up of a comprehensive schedule that supports orientation, ongoing training, refreshers and annual training.

6. Modify Exhibit B, Scope of Services, Part 1.11.3.6.1., to read:

   1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families.

      1.11.3.6.1.1. These staff shall complete Better Together with Birth Parents within the first 18 months of being hired to the position.

7. Modify Exhibit B, Scope of Services, Paragraph 1.13.4., to read:

   1.13.4. The Contractor shall appropriately assign individuals a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

8. Modify Exhibit B, Scope of Services, Subparagraph 1.13.6.4., to read:

   1.13.6.4. The Contractor may choose to discharge when a child is in an acute psychiatric hospital or on runaway status for more than seven (7) calendar days.

9. Modify Exhibit B, Scope of Services, Paragraph 1.13.11., to read:

   1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization, runaway status or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar

days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

10. Modify Exhibit B, Scope of Services, Paragraph 1.13.12. by adding Subparagraph 1.13.12.1., to read:

    1.13.12.1. In cases where there is a proposed unplanned discharge, the Contractor shall ensure written notification is provided to the referral source and BCBH.

11. Modify Exhibit B, Scope of Services, Paragraph 1.13.14., to read:

    1.13. 14. The Contractor shall accept for admission to a program, however may deny if any of the following circumstances are applicable:

        1.13.14.1. There are no openings at the time of referral;

        1.13.14.2. The age of the referred child is greatly different than the current milieu;

        1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;

        1.13.14.4. There are specialty Care needs revealed during their course of treatment;

        1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match; or

        1.13.14.6. The individual's needs fall well outside the program model.

12. Modify Exhibit B, Scope of Services, Subparagraph 1.19.4.1., to read:

    1.19.4.1. Twenty-four (24) hour services.

13. Modify Exhibit B, Scope of Services, Paragraph 1.19.5. by adding Subparagraph 1.19.5.5., to read:

    1.19.5.5. Previous assessments which have been completed including, but not limited to:

        1.19.5.5.1. Any existing Functional Behavioral Assessment (FBA) or Behavioral Support Plan (BSP) in accordance with RSA 170-G:4-e.

            1.19.5.5.1.1. If an FBA is clinically indicated and has not been conducted, the Contractor shall provide recommendation to the treatment team that an assessment be initiated.

            1.19.5.5.1.2. The Contractor shall develop a policy regarding integration of FBAs and BSPs.

14. Modify Exhibit B, Scope of Services, Paragraph 1.23.1., to read:

    1.23.1. The Contractor shall provide aftercare for Levels 2, 3, and 4 unless that program qualifies as CBAT or ICBAT or Level of Care 3, Intensive Treatment, Option A: Intensive Treatment, Short Term.

15. Modify Exhibit B, Scope of Services, Paragraph 1.23.3., to read:

    1.23.3. The Contractor shall work with the Department's CME Contractor, or other aftercare service providers with the goal of reducing recidivism and reentry into residential treatment from their home and community.

16. Modify Exhibit B, Scope of Services, Paragraph 1.25.4., to read:

    1.25.4. The Contractor shall develop, define and implement processes and procedures for denial of service, including, but not limited to:

        1.25.4.1. Notification in writing in accordance with the permissible reasons for denial, to

the referral source and BCBH.

17. Modify Exhibit B, Scope of Services, Paragraph 1.26.2., to read:

1.26.2. The Contractor shall participate in bi-weekly (every other week) telephone calls with the Department to review the status of the development and implementation for the residential treatment, for at least the first six (6) months of the Agreement or until the program has been successfully implemented. The Contractor shall:

1.26.2.1. Provide a written bi-weekly progress report in advance of the telephone call that summarizes:

1.26.2.1.1. Key work performed;

1.26.2.1.2. Encountered and foreseeable key issues and problems and provides a solution or mitigation strategy for each; and

1.26.2.1.3. Scheduled work for the upcoming week; and

1.26.2.2. Provide a report summarizing the results of the status telephone call.

18. Modify Exhibit B, Scope of Services, Subsection 5.1., to read:

5.1 The Contractor shall submit quarterly reports to ensure compliance with the federal requirements, the goals of the System of Care, and successful delivery of the scope of work by reporting, at a minimum, on the data in Table A Key Output and Process Data as follows:

Table A
Key Output and Process Data
The data below shall be for all individuals who are connected to, referred by or funded by DHHS unless otherwise requested and identified by DHHS. The below is subject to change or additional guidance may be provided by DHHS.
Demographic information for each child (e.g., age, gender/sex, DCYF involvement, race/ethnicity, primary language preference, identification with sex not assigned on birth certification, sexual orientation). This shall be included and provided in the Department's approved workbook format on a monthly basis. This raw data does not need to be in the quarterly report, however there should be analysis of the data (frequency/interpretation) in the quarterly report. If any of the data elements are not captured in the workbook, this shall also be explained in the analysis.
Key dates per child: referral, acceptance, admission, discharge. This shall be included and provided in the Department's approved workbook format on a monthly basis: This raw data does not need to be in the quarterly report, however there should be analysis of the data (referral trends, timing for acceptance, admission and discharge) in the quarterly report.
Number of children currently placed in the program at the time of the quarterly report.
Percent of contracted beds currently used at the time of the quarterly report.
Turnover information (e.g., total number of staff, how many left, and reason why) over the quarter by program, and if shared, indicate a shared position.

Number of days the program does not meet contractually required staffing ratios over the quarter, and which staff positions.
Number of accepted referrals and the number of new admissions (and location prior to admission) over the quarter by month.
Number of rejected referrals over the quarter by month.
Number of children discharged (and the reason for discharge) over the quarter by month.
Number of family planning team treatment meetings per child (and caregiver, youth attendance) over the quarter by month.
Number of treatment meetings led by youth over the quarter by month. If the youth did not lead or attend their meetings, include the reasons why.
Number of contacts with family/caregivers per child over the quarter by month.
Percent of children placed outside of their school district over the quarter by month.
CANS score information per child (from CANS system report - e.g., score # at referral, at discharge)
Number of restraints over the quarter by month, by child, as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Number of seclusions over the quarter by month by child as well as total for the program by month. Monthly totals must also be sent via the required incident reporting process.
Discharge locations over the quarter by month unless covered in referral, discharge and admissions.
Whether or not the CME was involved

19. Modify Exhibit B, Scope of Services, Subsection 5.3., to read:

5.3. The Contractor shall provide reports monthly by the 15th of each month with any change in programming, clinical treatment, any changes in evidenced base practices or staffing ratios that can impact the quality of services delivered and individual and staffing safety.

5.3.1. Reporting shall include point in time census information, including, but not limited to:

5.3.1.1. Number of total youth (regardless of referral) being served by each program.

5.3.1.2. Number of NH DHHS youth being served by each program, including, but not limited to:

5.3.1.2.1. Number of DCYF youth.

5.3.1.2.2. Number of BCBH youth.

5.3.1.3. Number beds available which are unoccupied (and could be filled/operational).

5.3.1.4. Additional occupancy data points requested.

20. Modify Exhibit B, Scope of Services, Subsection 6.1., Table B, Category, Transition & discharge,

Key performance metrics to read:

Transition & discharge	• Median length of stay: days from admission to discharge to less restrictive setting • % children discharged to home-based setting – overall and within 30, 60, 90, 180, and 365 days • % of children who remain in either a lower-treatment setting OR home-based setting after 6 months (based on program's after care services) and 12 months *(based on internal data which DHHS will access through CME and DCYF system)* • % of children receiving referral to after-care services (e.g., Fast Forward, Intensive Service Option, Home Based Therapeutic) before discharge • % of DCYF-involved children who have achieved their permanency goal at 12 months after discharge *(based on internal DCYF data which DHHS will access)*

21. Modify Exhibit C, Payment Terms, Section 1., to read:

EXPLANATION

The purpose of this request is to provide behavioral health services in residential treatment settings to children, youth and young adults who have behavioral health needs who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports.

The Contractors will deliver evidence-based and trauma-informed clinical services to reduce reliance on emergency rooms, hospital settings, and residential treatment programs outside of New Hampshire and New England. The Contractors will support the Department's efforts to provide better long-term outcomes for youth by providing services that will be short-term, target treatment episodes to reduce re-entry into residential treatment settings, and enable the State to meet the federal regulations regarding residential programs as mandated in the Families First Services Prevention Act.

The population served includes children and youth who display acute behaviors, medical needs and mental health symptoms that require treatment in residential settings. These

Individuals may have specialty care needs, including intellectual and developmental disabilities, fire setting behaviors, problematic sexual behaviors, highly aggressive behaviors, past attempts of suicide or significant self-harm. A qualified assessor will determine whether children and youth receiving services provided in the family home are eligible for the residential levels of care. Approximately 400-500 individuals will be served annually through June 30, 2024.

The Contractors will provide varying residential treatment levels of care ranging from levels one through four, with four being the most intensive treatment. All Contractors will provide services that are family-driven, youth-guided, community-based, trauma-informed, and culturally and linguistically competent in accordance with RSA 135-F. Depending on the level of care, Contractors will provide services that may include but are not limited to:

- Residential/milieu services through direct care professionals;
- Trauma-informed treatment models including evidence based practices;
- Mental health/clinical services provided by clinical staff;
- Educational services, as approved by the Department of Education;
- Independent living/employment support;
- Positive Youth Development/Recreational opportunities;
- Safety and supervision; and
- Care coordination of all needs including medical/dental and other needs.

The Department will monitor contracted services by collecting data on referrals, family and youth engagement, quality of treatment, and transition and discharge; conducting site visits; and reviewing client files. The Department will also monitor the following:

- Rapid Acceptance of Referrals;
- Reduction of Restraint and Seclusion;
- Improvement of Child and Adolescent Needs and Strengths (CANS) scores;
- Reduction of lengths of stay; and
- Reduction of staff turnover and retention of quality staff.

The Department selected the contractors through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 12/11/2020 through 3/8/2021. The Department received forty-nine (49) responses that were reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached. This requested action includes nine (9) contracts and the Department plans to submit seven (7) additional contracts to a future Governor and Executive Council meeting.

As referenced in Exhibit A Revisions for Standard Agreement Provisions of the attached contracts, the parties have the option to extend the agreements for up to six (6) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's Residential Treatment Transformation will not be able to move forward, which could:

- Limit the amount of federal funding that the Department would have access to through the Family First Prevention Services Act and IV-E;

- Impact implementation of required trauma-informed models and evidence-based models for residential treatment programs;
- Impact the quality of services available to children and youth;
- Prevent in-state providers from accepting New Hampshire children and youth due to limited funding, which may result in referrals to out-of-state providers, limit the ability of youth to return home, and increase service costs.
- Impact the ability of the Department to implement RSA 135-F and support access to treatment for all youth.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

   1.1. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

   3.3. The parties may extend the Agreement for up to six (6) additional year(s) from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

   1.2. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

   12.3 Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

Scope of Services

1. Statement of Work

1.1. The Contractor shall provide high-quality tailored behavioral health treatment services in residential treatment settings to quickly stabilize behaviors and symptoms that children, youth and young adults herein referred to as individuals with behavioral health needs experience. This targeted treatment should enable them to return to a lower level of treatment or family-based settings, while providing their caregivers with skills to manage their needs safely in the community and enable individuals to thrive at home, in education, and in employment.

1.2. The Contractor shall provide Residential Treatment Services based on the levels of care identified in Section 2 Levels of Care.

1.3. The Contractor shall provide residential treatment services with the purpose of:

1.3.1. Prioritizing short-term treatment with the goal of rapidly reunifying children with their families and/or community support networks;

1.3.2. Widening access to treatment for all who need it, enabling all individuals to access services, regardless of their prior or current involvement with child welfare or juvenile justice systems;

1.3.3. Reducing reliance on hospital emergency departments and reducing the need for psychiatric hospitalization;

1.3.4. Prioritizing family engagement and providing caregiver education and engagement in the individual's care and recognizing that families and caregivers are an integral part of the Treatment Team Meetings /Child and Family Team

1.3.5. Providing services that are trauma-informed and implementing evidence-based practices to ensure the highest quality of care and the best possible outcomes for the individual;

1.3.6. Ensuring treatment is available along a continuum of care which delivers tailored treatment plans for each child according to their individual needs, and at a range of different levels of intensity;

1.3.7. Coordinating effectively and seamlessly with key partner entities including the Care Management Entities (CME), the conflict free assessor (CAT), the child's school district, family and permanency

teams, and DCYF staff to deliver treatment according to System of Care principles;

1.3.8. Cultivating strong community networks around the Individual to support long-term thriving in community settings after discharge;

1.3.9. Providing adequate funding for service delivery, recognizing the importance of paying what it takes to deliver results for high-quality programs;

1.3.10. Supporting and improving the transition of the individual from residential treatment into their home community, by utilizing oversight and supportive transitional services through CME;

1.3.11. Early targeted treatment equipping the individual and their families with the skills to successfully transition into adulthood by restoring, rehabilitating, or maintaining their capacity to successfully function in the community, and diminish their need for more intensive levels of care; and

1.3.12. Providing programming that offers a home like atmosphere and access to the community.

1.4. The Contractor shall accommodate referrals from all over State and should prioritize referrals of NH individuals.

1.5. The Contractor shall provide residential treatment services for children, youth, and young adults ages 5 to under age 21 who have more intensive behavioral and mental health needs that cannot be met safely in the community without intensive supports. The Contractor may tailor their residential treatment services to serve a target population within the required age range.

1.6. The Contractor shall implement New Hampshire's System of Care to serve many different kinds of emotional, behavioral, and mental health needs of children, including providing more intensive, focused, high-quality residential treatment for those with the most significant, acute behavioral health needs when required.

1.7. The Contractor shall ensure services are provided to all New Hampshire eligible individuals defined in Section 1.6 and shall prioritize services first for these individuals before accepting out of state individuals who are not identified as New Hampshire residents, but who need this level of care.

1.8. The Contractor shall ensure residential treatment services:

1.8.1. Shall be licensed and certified. Those that are not currently certified, licensed and accredited, shall complete these requirements within 6 months from contract approval, unless otherwise agreed upon by the Department.

1.8.2. Shall comply with all federal, and state laws, regulations, and rules, as follows, but are not limited to:

1.8.2.1. RSA 170-E;
1.8.2.2. RSA 170-G:8;
1.8.2.3. RSA 126-U;
1.8.2.4. RSA 135-F;
1.8.2.5. He-C 4001;
1.8.2.6. He-C 6350; and
1.8.2.7. He-C 6420.

1.8.3. If not located in New Hampshire, shall comply with all federal and state laws, regulations and rules of their state. In addition, Contractors shall follow:

1.8.3.1. RSA 126-U;
1.8.3.2. He-C 6350; and
1.8.3.3. He-C 6420.

1.8.4. Shall be accredited by the Joint Commission, Council on Accreditation (COA), or Commission on Accreditation of Rehabilitation Facilities (CARF) for Levels 1 (optional), 2, 3, and 4.

1.8.5. Shall ensure clinical and medical residential treatment services align with accreditation and the level of care requirements.

1.9. The Contractor shall accommodate visits of the DCYF staff, Juvenile Probation and Parole Officer (JPPO), or Child Protective Service Worker (CPSW).

1.10. In the event of a conflict between applicable federal and state laws and rules the Contractor shall follow the most prescriptive laws and rules.

1.11. **Staffing, Training and Development**

1.11.1. Talent Strategy

1.11.1.1. The Contractor shall develop, implement, and maintain a creative and effective talent strategy to recruit, train, and retain staff, in order to ensure staff are committed and trained in providing high quality treatment and outcomes for individuals.

1.11.2. Staffing Ratios

1.11.2.1. The Contractor shall provide a comprehensive staffing model corresponding to each Level of Care that meets or

exceeds accreditation standards and safety standards for the needs of the individuals and staff to ensure the quality of services is not compromised.

1.11.2.2. The Contractor shall notify the Department immediately, by phone or email when any of the staff ratios fall below the recommended levels and provide a plan for Department review that describes strategies to:

1.11.2.2.1. Ensure individual and staff safety is maintained at all times.

1.11.2.2.2. Ensure quality of services is not compromised.

1.11.2.2.3. Recruit staff to fill those positons as quickly as possible to minimize how long the positions are vacant.

1.11.3. Staff Training and Development

1.11.3.1. The Contractor shall develop and implement staff training to on board and retain staff to meet all requirements of applicable licensing, accreditation standards, and effective treatment and indicate the timeframes for training.

1.11.3.2. The training program shall be a comprehensive schedule that support orientation, ongoing training, refreshers and annual training.

1.11.3.3. The Contractor shall ensure all new staff complete required training prior to being counted within the staff supervision ratio

1.11.3.4. The Contractor shall develop and implement staff training that includes but is not limited to the:

1.11.3.4.1. Trauma model and other evidence-based practices utilized in treatment and incorporate applicable concepts and strategies.

1.11.3.4.2. Clinical Evidence-Based Practices used to deliver the residential treatment services.

1.11.3.5. De-escalation and restraint model which supports the limited use of restrains or seclusion in accordance with RSA 126-U and aligns with the Six Core Strategies ©.

1.11.3.6. The Contractor shall develop and implement training for staff, individuals and their families on Family and Youth Engagement, which includes but is not limited to:

1.11.3.6.1. Working with the Department's Division of Children, Youth, and Families to provide Better Together with birth parents for clinicians, family workers or like roles and other staff who would be working with families within the first year of this Agreement.

1.11.3.6.2. Working with the University of New Hampshire Institute on Disability to provide Renew Training for programs which focus on youth fourteen (14) and older whose permanency plan is Another Planned Permanent Living Arrangement (APPLA) or Independent Living programs.

1.11.3.7. The Contractor shall ensure all staff who interact with the individuals and their families are trained in the trauma model regardless of whether or not they are responsible for supervision, clinical, medical, or educational services.

1.12. Collaborative Care

1.12.1. The Contractor shall work in partnership with CME and CAT Contractors to ensure individuals are referred, admitted, discharged, and transitioned in a timely manner and in alignment with the individual's clinical needs.

1.12.2. The Contractor shall work with the Department's CME Contractors regarding care coordination, discharge planning, and transitional support to a more appropriate form of care or home and community settings, and aftercare services.

1.12.3. The Contractor shall accept referrals based on the CAT Level of Care Recommendations and work with the Department's CAT Contractor to receive the individual's comprehensive assessment for treatment to incorporate the CAT's identified short and long term individual treatment goals.

1.12.4. The Contractor shall maintain clear communication with all providers, the multidisciplinary team, and especially with the individual and their child and family team.

1.13. Admissions, Discharges and Transitions

1.13.1. The Contractor shall accept the standardized referral form that is developed by the Department.

1.13.2. The Contractor shall rapidly make acceptance decisions within seven (7) calendar days from receiving the referrals and make accommodations to admit the individual into the residential treatment services.

1.13.3. The Contractor shall ask and provide the individual with an opportunity to identify any gender nonconforming or identification as lesbian, gay, bisexual, transgender, or intersex, for the purposes of:

1.13.3.1. Making housing, bed, program, education, for clients with the goal of keeping all clients safe and free from abuse;

1.13.3.2. Lesbian, gay, bisexual, transgender, or intersex clients shall not be assigned in particular room other assignments solely on the basis of such identification status;

1.13.3.2.1. Intake Coordinator shall consider assignment of transgender or intersex clients on a case-by-case basis when deciding where to assign the client for room and other assignments as applicable, with the goal of ensuring the client's health and safety;

1.13.3.2.2. A transgender or intersex client's own views with respect to the client's safety will be given serious consideration;

1.13.4. For individuals other than those outlined in Section 1.17.5., the Contractor shall appropriately assign the individual a room based on needs of the population, the culture of the milieu and the clinical needs presented by the individual at the time of admission.

1.13.5. The Contractor may accept individuals into residential treatment services in limited cases without the residential treatment level of care determination if there is an emergency that is supported by the Department.

1.13.5.1. If after the emergency admission is made and if it is determined that the individual's level of care is different from the residential treatment level of care, then the Contractor will work with the child and family team to

support a transition to a more appropriate level of care which aligns with the needs of the individual.

1.13.6. Discharge and Transition

1.13.6.1. The Contractor shall ensure the individual's needs are satisfied, the individual does not affect other individuals being served, and the individual is not discharged because they demonstrate behaviors described in the target population.

1.13.6.2. The Contractor shall provide active residential treatment services and treatment for the individual from the time of admission until the time the individual is able to transition successfully to a more appropriate residential treatment level of care or to their family and home and community.

1.13.6.3. In order to provide individuals with successful and supported transitions, the Contractor shall work with the individuals family, caregivers, community behavioral health providers, DCYF, CME, peer support providers, school district and the next treatment providers as follows but is not limited to:

1.13.6.3.1. Inviting CME staff working with the individual to treatment team meetings.

1.13.6.3.2. Translating the treatment and skills developed by the individual during their course of treatment.

1.13.6.3.3. Sharing and transferring pertinent information prior to discharge about progress and improvements made by the individual to ensure continuity of treatment in the community

1.13.6.3.4. Inviting CME staff, child and family team to participate in treatment planning and discharge/transition planning.

1.13.6.4. The Contractor shall choose to discharge when a child is in an acute psychiatric hospital for more than 7 days.

1.13.7. The Contractor shall complete a comprehensive discharge and transition plan, which includes a strong focus on family and caregiver education and involvement in the individual's aftercare in order to prioritize episodic lengths of stay and for the purpose of the

individual's successful transition from residential treatment to home, school, and community as soon as possible.

1.13.8. The Contractor shall start discharge and transition planning on the individual's day of admission by coordinating planning with the individuals, their families and community-based service providers.

1.13.9. The Contractor shall ensure the individual's treatment plan includes discharge plans and coordination of services to ensure appropriate, reasonable and safe discharge plans for the continued treatment of the individual's condition and continued care with the individual, their family, school and community upon discharge.

1.13.10. The Contractor shall ensure families and caregivers are an integral part of the Treatment Team and Child, Family and Permanency Team, and closely collaborate with the referent and CME to build attainable transition plans into adulthood that support the individual in their next steps in life.

1.13.11. The Contractor shall hold a bed and not eject or discharge an individual in the event of a temporary psychiatric hospitalization or some other event that would require the child to be away from the program for no more than seven (7) calendar days. The Contractor shall accept the individual back into the program within seven (7) calendar days to resume their course of treatment. The Contractor may hold the bed longer than seven (7) calendar days if approved by DHHS. Unless approved after seven (7) bed hold days, the vendor shall discharge the child from the program.

1.13.12. The Contractor shall work with the Department and other key partners to develop discharge policies and practices that include no reject from being admitted to and no eject from residential treatment. Unplanned discharges from residential treatment will only be allowed by the Department in extreme circumstances of violence, acute psychiatric care needs, arrests and acute medical care needs. This does not prevent a Contractor, referral or Child and Family team from a mutual decision of a planned transition to an alternative setting.

1.13.13. The Contractor shall ensure in all cases of termination of services the right to appeal and the appeal process pursuant to He-C 200 are explained to the client.

1.13.14. The Contractor may deny admission to a program if any of the following circumstances are applicable:

1.13.14.1. There are no openings at the time of referral;
1.13.14.2. The age of the referred child is greatly different than the current milieu;
1.13.14.3. There are staffing concerns at the program that would require a hold on new admissions;
1.13.14.4. There are specialty Care needs revealed during their course of treatment;
1.13.14.5. There were referrals made to specialty care programming when specialty care services were not a match;
1.13.14.6. The individual's needs fall well outside the program model;

1.13.15. The Contractor may request a discharge for individuals from a residential treatment program if any of the following circumstances are applicable:
1.13.15.1. New information has indicated that the child requires specialty care that the current program does not offer;
1.13.15.2. The Child has increased aggression that has resulted in excessive property damage or physical harm to staff and self and is not improving over time, indicating a higher level of care is needed; and
1.13.15.3: The child's level of mental health symptoms have exceeded the level of care being provided at the program and an appropriate transition plan has been determined.

1.13.16. Contractor shall deliver treatment and provide services to accepted referrals until the child's level of need is reduced and their treatment goals have been met.

1.13.17. The Department will monitor denials, admissions, and discharges as part of continuous quality assurance and program outcomes and reserves the right to review and approve or deny denials.

1.14. Restraint and Seclusion Practices

1.14.1. The Contractor shall comply with RSA 126-U.

1.14.2. The Contractor shall utilize a de-escalation and restraint training which supports the limited use of restraint or seclusion in RSA 126-U and aligns with the Six Core Strategies ©.

1.14.3. The Contractor shall develop and implement policies and methods to reduce and eliminate use of restraint and seclusion practices by incorporating the Six Core Strategies for Reducing Seclusion and

1.14.3.4. Mandt,
1.14.3.5. Handle with Care, or
1.14.3.6. Another model approved by the Department

1.14.4. The Contractor shall work with the Department and other partners towards a zero restraint practice.

1.14.5. The Contractor shall develop restraint and seclusion policies, and develop a method of review that will support the reduction and elimination of restraint and seclusion.

1.15. Children's System of Care Values

1.15.1. The Contractor shall provide services that align with the following System of Care values:

1.15.1.1. Youth Voice and Engagement

1.15.1.1.1. The Contractor shall ensure residential treatment services and treatment are youth driven as required by RSA 135-F by:

1.15.1.1.1.1. Having the individual determine the types and mix of services and supports needed using their strengths and needs.

1.15.1.1.1.2. Having the individual make decisions about treatment priorities and goals to be included in the treatment plans.

1.15.1.1.1.3. Using Frequent clear and concise communication free of jargon that promotes respect and that individuals feel valued and heard.

1.15.1.1.1.4. Having an environment that is welcoming, comforting and comfortable for all ages.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (I)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) Business Associate Use and Disclosure of Protected Health Information.

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit). will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a

Docusign Envelope ID: 592088BA-873D-4D0B-B902-B2CC3C2CA6F9

DocuSign Envelope ID: 23924E38-0DE3-4576-8ADE-8B0184C86D73

DocuSign Envelope ID: FEB7FCDF-04FE-489E-9AE1-0E5737E038B9

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.

2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.

3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

DocuSign Envelope ID: FEB7FCDF-04FE-489E-9AE1-9E5737E038B9

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

Contractor Initials LM

Date 6/14/2021

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and
