REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) to enter into a grant agreement with the Town of Mason (VC#154623-B001), Mason, NH, for a total amount of \$4,000.00 to update the community's Local Emergency Operations Plan (LEOP). Effective upon Governor and Council approval through August 31, 2025. 100% Federal Funds.

Funding is available in the SFY 2025 operating budget as follows:

02-23-23-236010-80920000	Dept. of Safety - HSEM- EMPG	
072-500574	Grants to Local Gov't - Federal	<u>SFY 2025</u>
Activity Code: 23EMPG 2022		\$4,000.00

EXPLANATION

Governor and Council approval is being sought because the amount of previous payments and current open purchase orders by the Department of Safety to the Town of Mason plus the amount of this grant yields a cumulative amount that is over the Department's approved threshold.

The purpose of this grant is for the Town of Mason to update the community's LEOP. The grant listed above is funded by the FFY 2022 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, HSEM, from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the State and local level. Grant guidance and applications are available to all Emergency Management Directors and other qualified organizations in the State. Sub-recipients submit applications to this office, which are reviewed by the HSEM EMPG Program Manager, EMPG Program Coordinator, and Stakeholder Liaisons, and approved by the HSEM Director. The criteria for approval is based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local jurisdictions.

EMGP is 50% Federally funded by FEMA with a 50% match requirement supplied by the sub-recipient. The sub-recipient acknowledges their match obligation as part of Exhibits B and C to their grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
